Item 11 File 26-0418	Department: Public Health
EXECUTIVE SUMMARY	
Legislative Objectives - The proposed resolution would approve Amendment No. 1 to the agreement between the Department of Public Health (DPH), and Crestwood Behavioral Health Inc. (Crestwood), for operation of a Crisis Stabilization Unit at 822 Geary to extend the term by two years from June 30, 2026 through June 30, 2028, and to increase the amount by \$17,192,029 for a new total not to exceed amount of \$26,255,566. Key Points - Under an existing contract with DPH, Crestwood operates a Crisis Stabilization Unit (CSU) at 822 Geary, a 24/7 voluntary crisis care alternative to emergency departments and locked psychiatric facilities. The CSU accepts referrals from first responders, emergency departments, and behavioral health providers. DPH selected Crestwood pursuant to Administrative Code Section 21.A.4, which allows DPH to procure residential care and behavioral health treatment services without a competitive solicitation. 822 Geary maintains capacity to serve up to 16 clients at a time. In FY 2026-27, the program is contracted to provide 22,500 service hours to 1,500 unduplicated clients. The 22,500 service hours represents 16 percent of maximum available space capacity but is adequate to meet current demand according to DPH staff. - Based on preliminary data, the CSU has served 686 unduplicated clients for 1,288 admissions in FY 2025-26 as of May 2026. Of the 1,288 admissions, there were 74 instances, or six percent, of clients being transferred to an emergency department due to psychiatric need. In addition, DPH projects the CSU will provide approximately 20,000 service hours in FY 2025-26, which is 89 percent of contracted hours due to restrictions on patient census in the first three months of the year while the contractor staffed up the program. Fiscal Impact - The proposed resolution would increase the not to exceed amount by \$17,192,029 to \$26,255,566 to fund the program for two more years and provide a 12 percent contingency. - In FY 2026-27, the CSU program has an annual cost of \$7.6 million, or approximately \$467,000 per bed, which is approximately half the cost of emergency psychiatric care. Funding is from Proposition C revenues. Recommendation - Approve the proposed resolution.	

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

Under Administrative Code Section 21A.4, the Department of Public Health (DPH) may procure residential care and behavioral health treatment services directly from qualified providers without a competitive solicitation.

Using this authority, DPH selected Crestwood Behavioral Health, Inc. (Crestwood) to operate the 822 Geary Crisis Stabilization Unit (CSU), a 24/7 voluntary crisis care alternative to emergency departments and locked psychiatric facilities. The CSU accepts referrals from San Francisco Emergency Medical Services (EMS), San Francisco Police Department (SFPD), San Francisco Fire Department (SFFD), DPH Street Crisis Response Team (SCRT), and community providers, and provides behavioral health assessment, stabilization, medical screening, withdrawal management, crisis medication, and linkage to follow-up care.

DPH initially conducted a competitive solicitation process in 2024 for the subject crisis stabilization services. There were four respondents, and Crestwood was selected as the highest scoring respondent.¹ Subsequently, DPH opted to utilize their authority under the Administrative Code Section 21A.4 to select Crestwood rather selecting based on the solicitation results because it resulted in a shorter timeline to certify the final contract and allowed the CSU to open sooner.

In March 2025, DPH entered into an original contract with an initial term from March 1, 2025, to June 30, 2026, with options to extend for a maximum term of 10 years and a not to exceed amount of \$9,063,537. The original contract provided for the start-up and initial operation of the 822 Geary CSU, which opened in April 2025. DPH now seeks approval of Amendment No. 1 to extend the contract.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve a contract amendment between the Department of Public Health and Crestwood Behavioral Health Inc., to operate the 822 Geary Crisis Stabilization Unit, to extend the term by two years from June 30, 2026 for a new term of March 1, 2025, through June 30, 2028 and increases the total not-to-exceed amount by \$17,192,029 to

¹ The other respondents were Community Bridges, Inc. Felton Institute, and Grace of Devotion Mission Chapel.

\$26,255,566. The proposed amendment includes options to extend through February 28, 2035 for a maximum term of 10 years.

Services Provided

Under the amended agreement, Crestwood will provide full-scale operation of the 822 Geary Crisis Stabilization Unit as a 24-hour, voluntary care site offering short-term (< 24-hour) crisis intervention. The CSU will maintain a bed capacity of 16 and prioritize adults experiencing behavioral health or substance use crises, particularly those who are unsheltered, medically vulnerable, or frequent utilizers of emergency services. Clients may be referred by EMS, SFPD, SFFD, SCRT, HOT teams, community providers, or may walk in.

In FY 2026-27, the program is contracted to provide 22,500 service hours to 1,500 unduplicated clients, which is the same as FY 2025-26 contracted levels. The 22,500 service hours represents 16 percent of maximum available space capacity but is adequate to meet current demand according to DPH staff. Demand has grown consistently throughout FY 2025-26, and future budgets will be adjusted to optimize service capacity to meet demand.

Clinically, the CSU will conduct comprehensive crisis assessments, mental health evaluations, medical screenings, crisis counseling, medication administration, and substance use withdrawal services including motivational interviewing and medication assisted treatment. Staff must include an on-call physician, an on-site registered nurse/licensed vocational nurse (RN/LVN) or psychiatric technician at all times, and a ratio of at least one licensed or registered behavioral health professional per four clients. The unit also provides social service assessments, including housing referrals and referrals for case management and other resources, light meals and snacks, and peer counseling.

Program Monitoring, and Outcomes

Because the CSU opened late in FY 2024-25, DPH has not yet completed program monitoring for that year or begun monitoring for FY 2025-26. Program monitoring will assess performance against program-wide outcome objectives, including the goal that 70 percent of clients are discharged to a service other than Psychiatric Emergency Services or inpatient psychiatric units. Based on preliminary data provided by DPH staff, the CSU has served 686 unduplicated clients for 1,288 admissions in FY 2025-26 as of May 2026. Of the 1,288 admissions, there were 74 instances, or six percent, of clients being transferred to an emergency department due to psychiatric need. In addition, DPH projects the CSU will provide approximately 20,000 service hours in FY 2025-26, which is approximately 89 percent of contracted hours due to restrictions on patient census in the first three months of the year while the contractor staffed up the program. DPH staff report that the program is now fully staffed. DPH will continue to promote this service to first responders, emergency departments, and behavioral health providers.

FISCAL IMPACT

The proposed contract amendment would have a new total not-to-exceed-amount of \$26,255,566 and would extend the term by two years. The proposed amendment budget is shown in Exhibit 1 below.

Exhibit 1. Amendment 1 Proposed Budget and Not to Exceed Amount

Year	Budget
March 1, 2025 to June 30, 2025	\$1,558,920
July 1, 2025 to June 30, 2026	7,471,537
July 1, 2026 to June 30, 2027	7,576,139
July 1, 2027 to June 30, 2028	7,803,423
Total Budget	\$24,410,019
Contingency (12%)	1,845,547
Total Not-to-Exceed Amount	\$26,255,566

Source: Crestwood Behavioral Health Inc., Amendment 1.

Funding for the contract is fully sourced from Proposition C revenues. DPH is projecting the program will almost fully spend the original contract's not to exceed amount of \$9,063,537 by the end of FY 2025-26, with a projected remaining balance of \$33,080. The amendment adds funding for two fiscal years and includes a 12 percent contingency.

As shown in Exhibit 2 below, the proposed annual budget of approximately \$7.5 million in FY 2026-27 includes approximately \$5.3 million for salaries and benefits to fund 45.55 full-time equivalent positions. The budget also includes \$1,045,000 for consultants and contractors, including Carrizosa and MacMorran, a medical group to provide psychiatrist services, and Almazar Service Consultant to serve as interim director of program services for the CSU.

Exhibit 2. FY 2025-26 Annual Budget

	Total
Salaries & Benefits	\$5,348,973
Operating Expenses	1,443,333
Indirect Costs (10%)	679,231
Total	\$7,471,537

Total Cost per Bed	\$466,971

Cost Comparison

The CSU program has an annual cost of approximately \$467,000 per bed, which is approximately half the cost of emergency psychiatric care. The annual cost per bed for emergency care at Psychiatric Emergency Services (PES) is approximately \$915,900, inclusive of beds within PES and clinical staffing for evaluation and treatment in the emergency department.

Approve the proposed resolution.

13.1.2 City Data; Confidential Information. In the performance of Services, Contractor may have access to, or collect on City’s behalf, City Data, which may include proprietary or Confidential Information that if disclosed to third parties may damage City. If City discloses proprietary or Confidential Information to Contractor, or Contractor collects such information on City’s behalf, such information must be held by Contractor in confidence and used only in performing the Agreement. Contractor shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary or Confidential Information.

13.2 Payment Card Industry (“PCI”) Requirements. (Reserved)

13.3 Business Associate Agreement. The Parties acknowledge that City is designated as a Hybrid Entity as defined in the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), and all Health Care Components of the City, including a City department involved in this Agreement, are required to comply with the HIPAA rules governing the access, use, disclosure, transmission, storage, and security of protected health information (PHI).

For purposes of this Agreement, Parties agree that if Contractor is performing a service or function for or on behalf of a City department that is a Health Care Component, where such service or function makes Contractor a Business Associate of City, Contractor must comply with the obligations and conditions contained in the Business Associate Agreement (“BAA”) that shall be attached to this Agreement as Appendix E, and incorporated as though fully set forth herein. Parties agree that if Contractor is not performing a service or function that makes Contractor a Business Associate of City, a BAA is not required and will not be attached to this Agreement. Access to City Data must be strictly controlled and limited to

Contractor's staff assigned to this project on a need-to-know basis only. City Data shall not be distributed, repurposed or shared across other applications, environments, or business units of Contractor. Contractor is provided a limited non-exclusive license to use City Data solely for performing its obligations under the Agreement and not for Contractor's own purposes or later use, provided, however, that no City Data may be used by Contractor to train, modify or improve any Artificial Intelligence Systems or Models without City's prior written consent, which may be withheld or withdrawn at City's sole discretion. Nothing herein shall be construed to confer any license or right to City Data, by implication, estoppel or otherwise, under copyright or other intellectual property rights, to any third-party. Unauthorized use of City Data by Contractor, subcontractors or other third-parties is prohibited. For purpose of this requirement, the phrase "unauthorized use" means the data mining or processing of data and/or machine learning from the data, stored or transmitted by the service, for unrelated commercial purposes, advertising or advertising-related purposes, or for any purpose that is not explicitly authorized other than security or service delivery analysis.

13.4.2 Use of Generative Artificial Intelligence in Deliverables. Contractor is prohibited from using Generative Artificial Intelligence in the development of Deliverables without City's prior written consent. Contractor represents and warrants to City that Deliverables will not be developed in a manner that conflicts with the City's rights in and to the Deliverables under Article 9, "Rights in Deliverables," or the City Data confidentiality and security requirements under Article 13, "Data and Security," of this Agreement.

13.4.3 Disposition of City Data. Except as otherwise provided for in this Agreement, upon City's request, termination or expiration of this Agreement, or the expiration of any required document retention period or litigation hold, Contractor shall promptly, but in no event later than thirty (30) calendar days, return all City Data given to, or collected or created by Contractor on City's behalf, which includes all original media. Once Contractor has received written confirmation from City that the City Data has been successfully transferred to City, Contractor shall within ten (10) business days, securely dispose, clear, purge, and/or physically destroy, all copies of all City Data from its servers, files, hosted environments used in performance of this Agreement (including subcontractors' environments), work stations used to process or produce the data, and any other work files stored by Contractor in whatever medium. Contractor shall provide City with written certification that such secure disposal occurred within five (5) business days of the disposal. Secure disposal shall be accomplished by "clearing," "purging" or "physical destruction," in accordance with National Institute of Standards and Technology (NIST) Special Publication 800-88 or most current industry standard.

13.5 Ownership of City Data. The Parties agree that as between them, all rights, including all intellectual property rights, in and to City Data and any derivative works of City Data is the exclusive property of City.

13.6 Loss or Unauthorized Access to City's Data; Security Breach Notification. Contractor shall comply with all applicable laws that require the notification to individuals in the event of unauthorized release of PII, PHI, or other event requiring notification. Contractor shall notify City of any actual or potential exposure or misappropriation of City Data (any "Leak") within twenty-four (24) hours of the discovery of such, but within twelve (12) hours if the Data Leak involved PII or PHI. Contractor, at its own expense, will reasonably cooperate with City and law enforcement authorities to investigate any such Leak and to notify injured or potentially injured parties. Contractor shall pay for the provision to the

affected individuals of twenty-four (24) months of free credit monitoring services, if the Leak involved information of a nature reasonably necessitating such credit monitoring. The remedies and obligations set forth in this subsection are in addition to any other City may have. City shall conduct all media communications related to such Leak.

13.7 Cybersecurity Risk Assessment. If a Cybersecurity Risk Assessment (“CRA”) was required before entering the Agreement, Contractor must complete an annual CRA to demonstrate that it has maintained the data privacy and information security program required for City contractors. If Contractor does not satisfactorily complete an annual CRA, the City shall have the right, without further obligation or liability to Contractor, to terminate this Agreement or exercise any of its other remedies hereunder. Any failure by Contractor to comply with this Section shall be a material breach of this Agreement.

Article 4 Effective Date

Each of the modifications set forth in Articles 2 and 3 shall be effective on and after the date of this Amendment.

In addition, the facility also accepts self-referrals from the immediate community, step-down referrals from local emergency departments.

See Appendix B CRDC

6. Methodology:

A. Outreach, recruitment, promotion, and advertisement:

822 Geary will be listed in the BHS Organizational Manual, The Homeless Advocacy Resource Manual, Crestwood Behavioral Health's website and other service directories.

B. Admission, enrollment and/or intake criteria and process where applicable:

822 Geary receives referrals from collaboration and coordination with the City's Street Crisis Response, Homeless Outreach and Overdose Response / Outreach Teams. In addition, the CSU also collaborates and coordinates referrals with other first responders: EMS, Fire Department, and Police. These referrals are received under agreement between DPH and The San Francisco Department of Emergency Services Agency, including Local Emergency Services Agency (LEMSA) in alignment with the CSU's designation as a Triage to Alternate Destination (TAD) facility. The facility also participates in San Francisco's Department of Emergency Management ReddiNet medical communications system.

The CSU also admits community referrals from other mental health providers in the community and accepts walk-in / self-referrals from people in the immediate community.

Referrals to the CSU are provided with an intake to screen and determine their appropriateness to receive crisis mental health services. All clients receiving Crisis Stabilization shall receive an assessment of their physical and mental health needs. This may be accomplished using protocols approved by a physician or staff on-site. If outside services are needed, a referral that corresponds with the beneficiary's need shall be made.

C. Service delivery model:

822 Geary is designed as a Crisis Stabilization Unit certified by the CA Department of Health Care Services. The program may provide up to 24- hours of service for 16 clients at a time. The service provides immediate intervention to clients in a behavioral health crisis and serves as an access point to behavioral health treatment. The program provides client centered care and support by providing accepted clients with light food and snacks, on-site showers, and laundry when necessary.

All services are captured utilizing the City's electronic health record system (EPIC). Service documentation complies with all Medi-Cal specialty mental health services reimbursement requirements and CalAIM health payment reform billing requirements.

In addition, 822 Geary delivers service in alignment with community adhering to the City's Good Neighbor Policy that ensures ongoing communication and collaboration with the immediate community.

All referrals accepted to the program receive (as applicable):

- 1) An assessment and evaluation for behavioral health and physical health needs.

- 2) Triage and referral to involuntary (5150) psychiatric emergency or hospital-based services when indicated
- 3) Mental health crisis intervention, including therapeutic de-escalation, behavioral health medication, and crisis counseling.
- 4) Substance use withdrawal and intoxication management, including use of motivational interviewing.
- 5) Initiation of medication assisted treatment for opioid use disorder.
- 6) Urgent care medical services for mild to moderate physical health needs.
- 7) Crisis medication and administration utilizing on-site medication supply and storage.
- 8) Assistance with self-administration of client's own medication, and/or urgent prescription refill when necessary.
- 9) Prescribe and initiate behavioral health medications per protocol as needed.
- 10) On-site activities and services by culturally sensitive and trauma-informed multi-disciplinary staff.
- 11) Support and peer counseling.
- 12) Individual client-centered counseling to address treatment goals.
- 13) Social service assessment, including referral to housing/shelter, food, care coordination or case management, medical benefits, and other resources.

D. Discharge Planning and exit criteria and process:

All people served by the CSU receive a comprehensive Mental Status Exam (MSE) and evaluation to determine their status, need and ability to transfer to their next destination.

Available community-based residential or treatment destinations may include Behavioral Health Respite, an Acute Diversion Unit, home, navigation centers and others. In addition the CSU may refer clients to outpatient mental health services (OCC, MH OP Clinics) or primary care. Clients deemed too acute to transfer to community settings are diverted to a designated receiving facility.

All clients referred to continuing behavioral health services receive (as applicable):

- 1) Licensed health care assessments for referral to post-crisis treatment, including outpatient or residential mental health care, substance use disorder treatment, or physical health care services.
- 2) Transport to services (including meal-sites) post-CSU discharge.

E. Program staffing:

F. Information Technology Considerations:

- 1) Equipment installations in the Intermediate Distribution Frame (IDF) location(s) must align with City-approved guidelines. The City will supply contractor with guidelines documentation. Any deviations from these guidelines must receive prior written approval from the Department's network director (George.powers@sfdph.org). As the City and Contractor will share the IDF location, Contractor agrees to adhere to the City's best practice guidelines for secure access to shared IDF locations.
- 2) The Contractor agrees to adhere to applicable City hardware guidelines when procuring network equipment and related materials. Contractor agrees that network equipment (i.e. network switches, wireless access points, etc.) purchased with funds under this agreement and installed at the service address associated with this agreement shall revert to ownership of the City at such time the Contractor vacates the premises. This shall apply only to the networking equipment semi-permanently mounted at the location and does not extend to endpoints and peripherals such as computers, monitors, printers, and other computing equipment.
- 3) The Contractor understands the Contractor is responsible for arranging the Contractor's site connections from an Internet Service Provider.

7. Objectives and Measurements:

All objectives and descriptions will be measured and contained in the BHS AOA Performance Objectives FY24-25. One objective for the Stabilization Services is 70% of clients will be discharged to a service other than Psychiatric Emergency Services or inpatient psychiatric units.

8. Continuous Quality Improvement:

- 1) Achievement of contract performance objectives and productivity: Program will review monthly performance utilizing Epic reports. These include Units of Service (UOS) and Unduplicated Client (UDC) counts.
- 2) Quality Documentation: The program will establish a quality assurance process to ensure that the technical quality of documentation meets all Medi-Cal requirements. This includes any required referral tracking applicable to TAD referrals.
- 3) Cultural Competency: The program will establish a quality assurance process to ensure that services are delivered in alignment with the City's Cultural and Linguistic Competency Policy requirements.
- 4) Client Satisfaction: The program will participate in BHS annual client surveys to track services perception and satisfaction. This may be adjusted upon mutual agreement.
- 5) Upon completing one year of full operational service, the program will undergo a comprehensive evaluation in collaboration with the Department of Public Health (DPH). This assessment will examine the program's effectiveness and its capacity to respond to evolving community needs.

9. Required Language:

822 Geary ensures services are in alignment with the DPH Culturally and Linguistically Appropriate Services (CLAS) standards and related SFDPH Cultural and Linguistic Competency Policy. These includes the provision of services (at minimum) in the City's threshold languages: Chinese (Cantonese and Mandarin), Spanish, Tagalog, Vietnamese, and Russian.

Charges will accrue only after prior written authorization certified by the Controller, and the amount of City's obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This Agreement will terminate without penalty, liability or expense of any kind to City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, liability or expense of any kind at the end of the term for which funds are appropriated. 3.3.3 Withhold Payments. If Contractor fails to provide the Services in accordance with Contractor's obligations under this Agreement, City may withhold any and all payments due to Contractor until such failure to perform is cured, and Contractor shall not stop work as a result of City's withholding of payments as provided herein.

(c) **Subgrantees (Reserved)**

Payment is deemed to be made on the date City issued a check to Contractor or, if Contractor agreed to electronic payment, the date City has posted electronic payment to Contractor.

3.4 Audit and Inspection of Records. Contractor agrees to maintain and make available to City, during regular business hours, accurate books and accounting records relating to its Services. Said requirements can be found at the following website address: https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl.

3.4.2 If Contractor expends less than \$750,000 a year in Federal awards, Contractor is exempt from the single audit requirements for that year, but records must be available for review or audit by appropriate officials of the Federal Agency, pass-through entity and General Accounting Office. Contractor agrees to reimburse the City any cost adjustments necessitated by this audit report. Any audit report which addresses all or part of the period covered by this Agreement shall treat the service components identified in the detailed descriptions attached to Appendix A and referred to in the Program Budgets of Appendix B as discrete program entities of the Contractor.

3.4.3 The Director of Public Health or his / her designee may approve a waiver of the audit requirement in Section 3.4.2 above, if the contractual Services are of a consulting or personal services nature, these Services are paid for through fee for service terms which limit the City's risk with such contracts, and it is determined that the work associated with the audit would produce undue burdens or costs and would provide minimal benefits. A written request for a waiver must be submitted to the DIRECTOR ninety (90) calendar days before the end of the Agreement term or Contractor's fiscal year, whichever comes first.

3.4.4 Any financial adjustments necessitated by this audit report shall be made by Contractor to the City. If Contractor is under contract to the City, the adjustment may be made in the next subsequent billing by Contractor to the City, or may be made by another written schedule determined solely by the City. 3.7.2 City Revisions to Program Budgets: The City shall have authority, without the execution of a Formal Amendment, to purchase additional Services and/or make changes to the work in accordance with the terms of this Agreement (including such terms that require Contractor's agreement), not involving an increase in the Compensation or the Term by use of a written City Revision to Program Budget.

3.7.3 City Program Scope Reduction. In order to preserve the Agreement and enable Contractor to continue to perform work albeit potentially on a reduced basis, the City shall have authority during the Term of the Agreement, without the execution of a Formal Amendment, to reduce scope, temporarily suspend the Agreement work, and/or convert the Term to month-to-month (Program Scope Reduction), by use of a written Revision to Program Budgets, executed by the Director of Health, or his or her designee, and Contractor. Contractor understands and agrees that the City's right to effect a Program Scope Reduction is intended to serve a public purpose and to protect the public fisc and is not intended to cause harm to or penalize Contractor. Contractor further agrees that it will not sue the City for damages arising directly or indirectly from a City Program Scope Reduction

Article 4 Services and Resources

4.1 Services Contractor Agrees to Perform. Contractor agrees to perform the Services stated in **Appendix A, "Scope of Services."** Officers and employees of City are not authorized to request and City is not required to compensate for Services beyond those stated.

4.2 Qualified Personnel. Contractor represents and warrants that it is qualified to perform the Services required by City, and that all Services will be performed by competent personnel with the degree of skill and care required by current and sound professional procedures and practices. Contractor will comply with City's reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit sufficient resources for timely completion within the project schedule.

4.3 Subcontracting. Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All subcontracts must incorporate the terms of Article 10 "Additional Requirements Incorporated by Reference" of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void. City's execution of this Agreement constitutes its approval of the subcontractors listed below and/or in appendices.

4.4 Independent Contractor; Payment of Employment Taxes and Other Expenses.

4.4.1 Independent Contractor. For the purposes of this Section 4.4, "Contractor" shall be deemed to include not only Contractor, but also any agent or employee of

Contractor. Contractor acknowledges and agrees that at all times, Contractor is an independent contractor and is wholly responsible for the manner and means by which it performs the Services and work required under this Agreement. Contractor, and its agents and employees will not represent or hold themselves out to be employees of City at any time. Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor is liable for its acts and omissions. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor, or any of its agents or employees. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with this Section. Should City determine that Contractor is not performing in accordance with the requirements of this Section, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 Payment of Employment Taxes and Other Expenses. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past Services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to this Section 4.4 shall be solely limited to the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Contractor shall also indemnify, defend and hold City harmless from all suits or claims or administrative proceedings for breaches of federal and/or state law regarding the privacy of health information, electronic records or related topics, arising directly or indirectly from Contractor's performance of this Agreement. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants, experts, and related costs, and City's costs of investigating any claims against City.

5.2.2 In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such Claim is tendered to Contractor by City and continues at all times thereafter.

5.2.3 Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services.

Contractor agrees to promptly provide information requested by City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 Possessory Interest Taxes. Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to timely report on behalf of City to the County Assessor the information required by San Francisco Administrative Code Section 23.39, as amended from time to time, and any successor provision. Contractor further agrees to provide such other information as may be requested by City to enable City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

7.3 Withholding. Contractor agrees that it is obligated to pay all amounts due to City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Contractor further acknowledges and agrees that City may withhold any payments due to Contractor under this Agreement if Contractor is delinquent in the payment of any amount required to be paid to City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Contractor, without interest, upon Contractor coming back into compliance with its obligations.

Article 8 Termination and Default

8.1 Termination for Convenience

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination (“Notice of Termination”). The Notice of Termination shall specify the date on which termination of the Agreement shall become effective (“Termination Date”).

8.1.2 Upon receipt of the Notice of Termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to affect the termination of this Agreement on the Termination Date and to minimize the liability of Contractor and City to third parties as a result of the termination. All such actions shall be subject to the prior approval of City. Such actions may include any or all of the following, without limitation:

- (a) Completing performance of any Services that City requires Contractor to complete prior to the Termination Date.
- (b) Halting the performance of all Services on and after the Termination Date.
- (c) Cancelling all existing orders and subcontracts by the Termination Date, and not placing any further orders or subcontracts for materials, Services, equipment or other items.
- (d) At City’s direction, assigning to City any or all of Contractor’s right, title, and interest under the orders and subcontracts cancelled. Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the cancellation of such orders and subcontracts.
- (e) Subject to City’s approval, settling all outstanding liabilities and all claims arising out of the cancelled orders and subcontracts.
- (f) Taking such action as may be necessary, or as City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which City has or may acquire an interest.

8.1.3 Within 30 days after the Termination Date, Contractor shall submit to City an invoice, which shall set forth each of the following as a separate line item:

- (a) The reasonable cost to Contractor, without profit, for all Services provided prior to the Termination Date, for which City has not already made payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor’s direct costs for Services. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.
- (b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.

(c) The reasonable cost to Contractor of handling and returning material or equipment delivered to City or otherwise disposed of as directed by City.

(d) A deduction for the cost of materials to be retained by Contractor, amounts realized from the sale of such materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the Services or other work.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the Termination Date, except for those costs specifically listed in Section 8.1.3. Such non-recoverable costs include, but are not limited to, anticipated profits on the Services under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under Section 8.1.3.

8.1.5 In arriving at the amount due to Contractor under this Section, City may deduct: (i) all payments previously made by City for Services covered by Contractor's final invoice; (ii) any claim which City may have against Contractor in connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection 8.1.4; and (iv) in instances in which, in the opinion of City, the cost of any Service performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Services, the difference between the invoiced amount and City's estimate of the reasonable cost of performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 City's payment obligation under this Section shall survive termination of this Agreement.

8.2 Termination for Default; Remedies.

8.2.1 Each of the following shall constitute an immediate event of default ("Event of Default") under this Agreement:

(a) Contractor fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement:

8.2.2 Default Remedies. On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, where applicable, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default. Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. Further, in accordance with San Francisco Administrative Code Section 10.27.1 (Controller may Offset), City shall have the right to offset from any amounts due to Contractor under this Agreement or any other agreement between City and Contractor: (i) all damages, losses, costs or expenses incurred by City as a result of an Event of Default; and (ii) any liquidated damages levied upon Contractor pursuant to the terms of this Agreement; and (iii), any damages imposed by any ordinance or statute that is incorporated into this Agreement by reference, or into any other agreement with City.

8.2.3 All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

8.2.4 Any notice of default must be sent in accordance with Article 11.

8.3 Non-Waiver of Rights. The omission by either Party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other Party at the time designated, shall not be a waiver of any such default or right to which the Party is entitled, nor shall it in any way affect the right of the Party to enforce such provisions thereafter.

4. Amendment to Comply with Law.

The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Agreement or this BAA may be required to provide for procedures to ensure compliance with such developments.
