Resolution establishing the appropriations limit established at \$11,752,763,337 for Fiscal Year (FY) 2024-2025, pursuant to California Constitution, Article XIII B, due to the addition of local non-residential new construction and the percent change in population within the San Francisco Metropolitan Area from the previous year for the purpose of computation of its Appropriations Limit.

[California Constitution Appropriations Limit for FY2024-2025]

WHEREAS, Article XIII B of the California Constitution provides that the annual appropriations of the City and County of San Francisco, which are subject to said Article, may not exceed the Appropriations Limit for the prior year, with adjustments as provided in said Article XIII B; and

WHEREAS, The California Government Code, Section 7901, defines the terms, and Section 7902(b) sets forth the equations to be used to determine the City and County of San Francisco's annual Appropriations Limit, according to the following formula:

(b) "...the appropriations limit of the state and each local jurisdiction shall equal the appropriations limit for the prior fiscal year multiplied by the product of the change in cost of living, as defined in paragraph (2) of subdivision (e) of Section 8 of Article XIII B of the California Constitution, and the change in population of the local jurisdiction for the calendar year preceding the beginning of the fiscal year for which the appropriations limit is to be determined, and adjusted for other changes required or permitted by Article XIII B of the California Constitution;" and

WHEREAS, Article XIII B, Section 8(e)(2) of the California Constitution authorizes the calculation of the cost of living, either the use of the percentage change in California percapita personal income from the preceding year, or the use of the percentage change in the

local assessment roll from the preceding year for the jurisdiction due to the addition of local non-residential new construction; and

WHEREAS, The change in California per-capita personal income in fiscal year 2023-24 was 3.62%, while the percentage change in the local assessment roll in 2022 due to the addition of local non-residential new construction was 16.95%; and

WHEREAS, Chapter 1222 of the California State Statutes of 1980 allows the City and County of San Francisco to use the greater of its percentage change in population from the preceding year or the percentage change of the Metropolitan Statistical Area population; and

WHEREAS, The percentage change in population of the City and County of San Francisco was 0.11%; and

WHEREAS, The percentage change in population during calendar year 2023 for the San Francisco Metropolitan Statistical Area was -0.16%; and

WHEREAS, Article XIII B, Sections 8(h) and 10.5 of the California Constitution establish that the Base Appropriations Limit for a local government is equal to the appropriations subject to limitation in fiscal year 1986-87; and

WHEREAS, The Base Appropriations Limit for fiscal year 2023-24 is \$10,038,349,297; and

WHEREAS, The resulting calculation establishing the City and County of San Francisco's fiscal year 2024-25 Appropriations Limit is:

 $10,038,349,297 \times 1.0011 \times 1.1695 = 11,752,763,337$; and

WHEREAS, This matter has been considered at a regularly scheduled meeting of the Board of Supervisors for the City and County of San Francisco; and

WHEREAS, The documentation used to determine the Appropriations Limit for the City and County of San Francisco for FY2024-2025 was available for public inspection in

the Office of the Clerk of the Board of Supervisors for at least 15 days prior to said regularly scheduled meeting; now, therefore, be it

RESOLVED, That the City and County of San Francisco elects to use the percentage change in the local assessment roll from 2023 due to the addition of local non-residential new construction and the percent change in population within the County of San Francisco from the previous year for the purpose of computation of its Appropriations Limit pursuant to Article XIII B of the California Constitution for FY 2024-2025; and, be it
