This Agreement is not a lease and does not grant or otherwise confer to Contractor any property rights in any of the parking facilities or other properties that the Contractor manages under this Agreement. The Contractor's presence on said facilities is limited to the term of this Agreement and is authorized only to the extent and as necessary for Contractor to perform the Services described in this Agreement.

Article 3 Financial Matters

3.1 Certification of Funds; Budget and Fiscal Provisions; Termination in the Event of Non-Appropriation. This Agreement is subject to the budget and fiscal provisions of the City's Charter. Charges will accrue only after prior written authorization certified by the Controller in the form of a Purchase Order, and the amount of City's obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This Agreement will terminate without penalty, liability or expense of any kind to City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. Contractor's assumption of risk of possible non-appropriation is part of the consideration for this Agreement.

THIS SECTION CONTROLS AGAINST ANY AND ALL OTHER PROVISIONS OF THIS AGREEMENT.

3.2 Guaranteed Maximum Costs. The City's payment obligation to Contractor cannot at any time exceed the amount certified by City's Controller for the purpose and period stated in such certification. Absent an authorized Emergency per the City Charter or applicable Code, no City representative is authorized to offer or promise, nor is the City required to honor, any offered or promised payments to Contractor under this Agreement in excess of the certified maximum amount without the Controller having first certified the additional promised amount and the Parties having modified this Agreement as provided in Section 11.5 (Modification of this Agreement).

3.3.1 Calculation of Charges. Contractor shall provide an invoice to the SFMTA on a monthly basis for Services completed (including goods delivered, if any) in the immediately preceding month, unless a different schedule is set out in Appendix B (Calculation of Charges). Compensation shall be made for goods and/or Services identified in the invoice that the Director of Transportation, or his or her designee, in his or her sole discretion, concludes have been satisfactorily performed. In no event shall the amount of this Agreement exceed One Hundred Eighty Million Dollars (\$180,000,000). The breakdown of charges associated with this Agreement appears in Appendix B. As described in Appendix B, the City may withhold a portion of payment as retainage until the conclusion of the Agreement if agreed to by both Parties. In no event shall City be liable for interest or late charges for any late payments. City will not honor minimum service order charges for any Services covered by this Agreement.

3.3.2 Payment Limited to Satisfactory Services and Delivery of Goods.

Contractor is not entitled to any payments from City until the SFMTA approves the goods and/or Services delivered under this Agreement. Payments to Contractor by City shall not excuse Contractor from its obligation to replace unsatisfactory goods and/or Services even if the unsatisfactory character may not have been apparent or detected at the time such payment was made. The City may reject goods and/or Services delivered under this Agreement that do not conform to the requirements of this Agreement. In such case, Contractor must replace the non-conforming goods and/or Services without delay and at no cost to the City.

3.3.3 Withhold Payments. If Contractor fails to provide goods and/or Services in accordance with Contractor's obligations under this Agreement, the City may withhold any and all payments due Contractor until such failure to perform is cured, and Contractor shall not stop work as a result of City's withholding of payments as provided herein.

3.3.4 Invoice Format. Invoices furnished by Contractor under this Agreement must be in a form acceptable to the City's Controller and the SFMTA and include a unique invoice number and a specific invoice date. City will make payment as specified in Section 3.3.7, or in such alternate manner as the Parties have mutually agreed upon in writing. All invoices must show the PeopleSoft Purchase Order ID Number, PeopleSoft Supplier Name and ID, Item numbers (if applicable), complete description of goods delivered, or Services performed, sales/use tax (if applicable), contract payment terms, and contract price. Invoices that do not include all required information or contain inaccurate information will not be processed for payment.

3.3.5 Payment Terms.

Payment is deemed to be made on the date on which City has issued a check to Contractor or, if Contractor has agreed to electronic payment, the date on which City has posted the electronic payment to Contractor.

3.3.6 LBE Payment and Utilization Tracking System. Contractor shall pay LBE subcontractors within three business days as provided under Chapter 14B.7(H)(9). Within ten business days of the SFMTA's payment of an invoice, Contractor shall confirm that all subcontractors have been paid via the B2GNow System (<https://sfmta.diversitycompliance.com/>) unless instructed otherwise by CMD. Failure to submit all required payment information to the City's Financial System with each payment request may result in the withholding of 20% of the payment due.

3.3.7 Compensation and Reimbursement of Authorized Operating Expenses.

(a) The SFMTA shall pay Contractor the Management Fee and reimburse the Contractor reimbursable authorized operating expenses in accordance with approved annual budgets, as provided in Appendices A and B to this Agreement.

(b) The City utilizes the Paymode-X[®] service offered by Bank of America Merrill Lynch to pay City contractors. Contractor must sign up to receive electronic payments to be paid under this Agreement. To sign up for electronic payments, visit http://portal.paymode.com/city_countyofsanfrancisco.

(c) At the option of the City, Contractor may be required to submit invoices directly in the City's financial and procurement system (PeopleSoft) via eSettlement. Refer to <https://sfcitypartner.sfgov.org/pages/training.aspx> for more information on eSettlement. For access to PeopleSoft eSettlement, submit a request through sfemployeeportalsupport@sfgov.org.

3.4 Audit and Inspection of Records. Contractor agrees to maintain and make available to the City, during regular business hours, accurate books and accounting records relating to its Services. Contractor will permit City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not less than five years after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any Federal agency having an interest in the subject matter of this Agreement shall have the same rights as conferred upon City by this Section. Contractor shall include the same audit and inspection rights and record retention requirements in all subcontracts.

3.5 Submitting False Claims. The full text of San Francisco Administrative Code Chapter 21, Section 21.35, including the enforcement and penalty provisions, is incorporated into this Agreement. Pursuant to San Francisco Administrative Code §21.35, any contractor or subcontractor who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A contractor or subcontractor will be deemed to have submitted a false claim to the City if the contractor or subcontractor: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

In addition, during the term of this Agreement, Manager shall not transfer or reassign employees of the Facilities so as to shift the costs of employees with more seniority onto the SFMTA. To that end, Manager shall not transfer any of its employees assigned to parking facilities that are not covered by this Agreement to any of the Facilities that are covered by this Agreement without the express written permission of the Director of Parking. Manager also shall not transfer any personnel assigned to the Facilities to parking facilities not covered by this Agreement without the express written permission of the Director of Parking.

Article 4 Services and Resources

4.1 Services Contractor Agrees to Perform. Contractor agrees to perform the Services stated in Appendix A (Scope of Services). Officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for, Services beyond the Scope of Services listed in Appendix A, unless Appendix A is modified as provided in Section 11.5 (Modification of this Agreement).

4.2 Qualified Personnel. Contractor shall use only competent personnel under the supervision of, and in the employment of, Contractor (or Contractor's authorized subcontractors) to perform the Services. Contractor will comply with City's reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to ensure the efficient and effective operation of the Facilities.

4.3 Subcontracting.

4.3.1 Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All subcontracts must incorporate the terms of Article 10 (Additional Requirements Incorporated by Reference) of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void.

4.3.2 City's execution of this Agreement constitutes its approval of the subcontractors listed below:

- a. Convenient Parking, LLC
- b. Men at Work LA Concrete Inc.
- c. Marina Securities Services Inc.

4.4 Independent Contractor; Payment of Employment Taxes and Other Expenses.

4.4.1 Independent Contractor. For the purposes of this Section 4.4, "Contractor" shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Contractor, its agents, and employees will not represent or hold themselves out to be employees of the City at any time. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans,

arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with this Section. Should City determine that Contractor, or any agent or employee of Contractor, is not performing in accordance with the requirements of this Agreement, City shall provide Contractor with written notice of such failure. Within five business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor, or any agent or employee of Contractor, warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 Payment of Employment Taxes and Other Expenses. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to this Section 4.4 shall be solely limited to the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this Section.

4.5 Assignment. The Services to be performed by Contractor are personal in character. Neither this Agreement, nor any duties or obligations hereunder, may be directly or indirectly assigned, novated, hypothecated, transferred, or delegated by Contractor, or, where the Contractor is a joint venture, a joint venture partner (collectively referred to as an "Assignment"), unless first approved by City by written instrument executed and approved as required under City law and under the policy of the SFMTA Board of Directors. The City's approval of any such Assignment is subject to the Contractor demonstrating to City's reasonable satisfaction that the proposed transferee is: (a) reputable and capable, financially and otherwise, of performing each of Contractor's obligations under this Agreement and any other documents to be assigned, (b) not forbidden by applicable law from transacting business or entering into contracts with City; and (c) subject to the jurisdiction of the courts of the State of California. A change of ownership or control of Contractor or a sale or transfer of substantially all of the assets of Contractor shall be deemed an Assignment for purposes of this Agreement. Contractor shall immediately notify City about any Assignment. Any purported Assignment made in violation of this provision shall be null and void.

4.6 Warranty. Contractor warrants to City that the Services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the Services are performed so as to ensure that all Services performed are correct and appropriate for the purposes contemplated in this Agreement.

Article 5 Insurance and Indemnity

5.1 Insurance.

5.1.1 Required Coverages. Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Manager will secure and maintain the Required Insurance for the Facilities as set forth in this Agreement. All costs under this Section shall be Operating Expenses. If directed by the City, and subject to approval by the City of the insurers and policy forms, Manager shall arrange and maintain throughout the term of this Agreement the following insurance policies and any additional insurance as may be required

(a) Commercial General Liability Insurance with limits not less than Two Million dollars (\$2,000,000) each occurrence for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations. Such policy shall include endorsements for (1) false arrest, detention or imprisonment or malicious prosecution; (2) libel, slander or defamation of character; (3) wrongful entry or eviction or invasion of the right of privacy. Commercial Automobile Liability Insurance with limits not less than \$2,000,000 each occurrence, "Combined Single Limit" for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable. Contractor's deductible, if any, is not an expense the SFMTA will reimburse. The cost to the SFMTA for Contractor's reimbursable insurance costs shall not increase during the first five years of this Agreement.

(b) Workers' Compensation, in statutory amounts, with Employers' Liability Limits of One Million Dollars (\$1,000,000) each accident or disease and policy limit covering all employees employed in or about the Facilities to provide statutory benefits as required by the laws of the State of California. If Manager carries a policy for employees at the Facilities separate from its other employees, the City's liability to reimburse manager for its workers' compensation insurance premium is limited to average cost of workers compensation insurance per employee for all of Manager's employees. If Manager maintains a single workers' compensation insurance policy for all of its employees, irrespective of work-site assignment, then the City's liability to reimburse Manager shall be limited to the actual cost to Manager for the employees assigned to the Facilities. Said amount shall be calculated by dividing the cost of the annual premium by the number of Manager's employees and then multiplying that result by the number of Manager's employees assigned to work at the Facilities.

(c) Garage-keeper's legal liability insurance with limits not less than Ten Million Dollars (\$10,000,000), for each occurrence combined single limit for loss and damage to vehicles in Manager's care, custody or control caused by fire, explosion, theft, riot, civil commotion, malicious mischief, vandalism or collision or the amounts required by Police Code section per facility, whichever requirement is higher. Any deductible under any such policy shall not be a reimbursable expense.

(d) Technology Errors and Omissions Liability coverage, with limits of One Million Dollars (\$1,000,000) for each claim and each loss. The policy shall at a minimum cover professional misconduct or lack of the requisite skill required for the performance of services defined in the Agreement and shall also provide coverage for the following risks:

(i) Network security liability arising from the unauthorized access to, use of, or tampering with computers or computer systems, including hacker attacks; and

(ii) Liability arising from the introduction of any form of malicious software including computer viruses into, or otherwise causing damage to the City's or third person's computer, computer system, network, or similar computer related property and the data, software, and programs thereon.

(e) Cyber and Privacy Insurance with limits of not less than One Million Dollars (\$1,000,000) per claim. Such insurance shall include coverage for liability arising from theft, dissemination, and/or use of confidential information, including but not limited to, bank and credit card account information or personal information, such as name, address, social security numbers, protected health information or other personally identifying information, stored or transmitted in electronic form.

(f) Pollution Liability Insurance applicable to Contractor's activities and responsibilities under this Agreement with limits not less than Ten Million Dollars

(\$10,000,000) each occurrence combined single limit, including coverage for on-site third-party claims for bodily injury and property damage.

(g) Fidelity Insurance (or Fidelity Bond) or Crimes Insurance covering the theft or other loss of garage revenues caused by Contractor or its employees' intentional or negligent acts with limits not less than One Million Dollars (\$1,000,000) per incident. Any retention on said insurance or bond shall not be a reimbursable expense.

5.1.2 Additional Insured Endorsements.

(a) The Commercial General Liability policy must be endorsed to name as Additional Insured the City and County of San Francisco, the Portsmouth Plaza Parking Corporation, the Japan Center Garage Corporation, and their Officers, Agents, and Employees.

(b) The Commercial Automobile Liability Insurance policy must be endorsed to name as Additional Insured the City and County of San Francisco, the Portsmouth Plaza Parking Corporation, the Japan Center Garage Corporation, and their Officers, Agents, and Employees.

(c) Reserved. (Pollution Auto Liability Insurance Additional Insured Endorsement)

5.1.3 Waiver of Subrogation Endorsements.

(a) The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

5.1.4 Primary Insurance Endorsements.

(a) The Commercial General Liability policy shall provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that the insurance applies separately to each insured against whom claim is made or suit is brought.

(b) The Commercial Automobile Liability Insurance policy shall provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that the insurance applies separately to each insured against whom claim is made or suit is brought.

(c) The Pollution Liability Insurance policy shall provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that the insurance applies separately to each insured against whom claim is made or suit is brought.

5.1.5 Other Insurance Requirements.

(a) Manager's authorized insurer representative shall provide not less than thirty (30) days' advance written notice to the City of cancellation, intended non-renewal, or reduction in coverages, except for non-payment, for which no less than 10 Days' notice shall be provided to City. Notices shall be sent to the City address set forth in Section 11.1 (Notices to the Parties). All notices, certificates and endorsements shall include the SFMTA contract number and title on the cover page.

(b) Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the Agreement term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

(c) Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

(d) Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

(e) Before commencing any Services, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements from insurers with ratings comparable to A-, VIII or higher that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

(f) If Contractor will use any subcontractor(s) to provide Services, Contractor shall require the subcontractor(s) to provide all necessary insurance and to name the City and County of San Francisco, its officers, agents and employees and the Contractor as additional insureds.

5.2 Indemnification. To the maximum extent allowed by California law, Contractor shall indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them from and against any and all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise) arising from or in any way connected with any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute or regulation, including but not limited to privacy or personally identifiable information, health

information, disability and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising from Contractor's execution of subcontracts not in accordance with the requirements of this Agreement applicable to subcontractors; so long as such injury, violation, loss, or strict liability (as set forth in subsections (i) – (v) above) arises directly or indirectly from Contractor's performance of this Agreement, including, but not limited to, Contractor's use of facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors, or either's agent or employee. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

Separate and apart from and in addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter. Contractor's obligation to defend the City is not altered or impaired by any court's limitation to Contractor's obligations to indemnify the City.

Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services.

5.3 Performance Bond. Contractor is required to furnish a performance bond in the amount of Five Hundred Thousand Dollars (\$500,000) to guarantee the timely remittance of the daily receipts to SFMTA and faithful performance of this Agreement. The bond shall be in the form of a surety bond naming the City and County of San Francisco as obligee in the form agreed upon by both parties. Contractor shall cause the bond to be kept in full force and effect during the term of this Agreement to ensure the faithful performance by Contractor of all covenants, terms, and conditions of this Agreement. Contractor shall cause the surety company or bank issuing such bond to give SFMTA notice in writing by registered mail at least forty-five (45) days prior to the expiration date of such bond of its intention not to renew or to cancel or terminate said bond. Contractor shall cause such bond to be renewed, extended, or replaced, at Contractor's sole cost, at least thirty (30) days before the expiration date or cancellation date of the bond, with another bond that complies with the requirements herein. If Contractor fails to do so, City may, without notice to Contractor, draw on the entirety of the bond and hold the

proceeds thereof as a guarantee hereunder. If Contractor defaults with respect to any provision of this Agreement, City may use, apply or retain all or any portion of the proceeds of the bond for the payment of any sum to which City may become obligated by reason of Contractor's default or to compensate City for any loss or damage which City may suffer thereby.

Article 6 Liability of the Parties

6.1 Liability of City. CITY'S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 3.3.1 (PAYMENT) OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

6.2 Liability for Use of Equipment. City shall not be liable for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented or loaned by City.

6.3 Liability for Incidental and Consequential Damages. Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions.

6.4 No Hazardous Materials. Manager hereby covenants and agrees that neither Manager nor any of its Agents or Invitees shall cause or knowingly permit any Hazardous Material to be brought upon, kept, used, stored, generated or disposed of in, on or about the Facilities or the Land or transported to or from the Land or the Facilities, provided that Manager, its Agents and Invitees may store and use such substances in the Facilities and on the Land in such limited amounts as are customarily used in a parking Facility so long as such storage and use is at all times in full compliance with all applicable Environmental Laws. Manager shall immediately notify the City if and when Manager learns or has reason to believe there has been any Release of Hazardous Material in, on or about the Land or the Facilities provided, however, that Manager shall not be liable for any failure to so notify City, unless such Release was caused by Manager. The City may request Manager to provide information required for the City to determine whether any Hazardous Material permitted hereunder is being handled in compliance with all applicable Environmental Laws, and Manager shall promptly provide all such information.

6.5 Manager's Environmental Indemnity. If Manager breaches any of its obligations contained in Section 6.4 above, or, if any act or omission or negligence of Manager or any of its Agents or Invitees results in any Release of Hazardous Material in, on, under or

about the Land or the Facilities (including any improvements thereon) or any other City property, without limiting Manager's general Indemnity contained in Section 5.2, Manager, on behalf of itself and its successors and assigns, shall indemnify the City and its respective officers, agents and employees, and each of them, from and against all Hazardous Materials claims arising during or after the termination or expiration of this Agreement and relating to such Release. The foregoing Indemnity includes, without limitation, all costs associated with the Investigation and Remediation of Hazardous Material and with the restoration of the facilities and the Land or any other City property to its prior condition including, without limitation, fines and penalties imposed by regulatory agencies, natural resource damages and losses, and re-vegetation of the Land or other City property. Without limiting the foregoing, if Manager or any of Manager's Agents or Invitees, causes or permits the Release of any Hazardous Materials in, on, under or about the Land, Facilities or any other City property, Manager shall, immediately, at no expense to the City, take any and all appropriate actions to return the Land, Facilities or other City property affected thereby to the condition existing prior to such Release and otherwise Investigate and Remediate the Release in accordance with all Environmental Laws. Manager shall provide the City with written notice of and afford the City a full opportunity to participate in any discussions with governmental regulatory agencies regarding any settlement agreement, cleanup or abatement agreement, consent decree, permit, approvals, or other compromise or proceeding involving Hazardous Material. Manager specifically acknowledges and agrees that it has an immediate and independent obligation to defend the City from any claim which actually or potentially falls within this Indemnity provision even if such allegation is groundless, fraudulent or false, and at all times before the determination of the validity of any such claim. The foregoing Indemnity is not limited by the amount of insurance required to be maintained by Manager.

Article 7 Payment of Taxes

7.1 Contractor to Pay All Taxes. Except for any applicable California sales and use taxes charged by Contractor to City, Contractor shall pay all taxes, including possessory interest taxes levied upon or as a result of this Agreement, or the Services delivered pursuant hereto. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by the City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 Possessory Interest Taxes. Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply:

7.2.1 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

7.2.2 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a "change in ownership" for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code Section 480.5, as amended from time to time, and any successor provision.

7.2.3 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax. Code Section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

7.2.4 Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

7.3 Withholding. Contractor agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Contractor further acknowledges and agrees that City may withhold any payments due to Contractor under this Agreement if Contractor is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Contractor, without interest, upon Contractor coming back into compliance with its obligations.

7.4 Parking Taxes. Contractor agrees it is obligated to report and remit Parking Tax pursuant to Section 6.10 of the Facility Regulations, which are included at Appendix D of this agreement.

Article 8 Termination and Default

8.1 Termination for Convenience

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective.

8.1.2 Upon receipt of the notice of termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the date specified by City and to minimize the liability of Contractor and

City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions may include any or all of the following, without limitation:

(a) Halting the performance of all Services under this Agreement on the date(s) and in the manner specified by the SFMTA.

(b) Terminating all existing orders and subcontracts, and not placing any further orders or subcontracts for materials, Services, equipment or other items.

(c) At the SFMTA's direction, assigning to City any or all of Contractor's right, title, and interest under the orders and subcontracts terminated. Upon such assignment, the SFMTA shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.

(d) Subject to the SFMTA's approval, settling all outstanding liabilities and all claims arising out of the termination of orders and subcontracts.

(e) Completing performance of any Services that the SFMTA designates to be completed prior to the date of termination specified by the SFMTA.

(f) Taking such action as may be necessary, or as the SFMTA may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which the SFMTA has or may acquire an interest.

8.1.3 Within 30 Days after the specified termination date, Contractor shall submit to the SFMTA an invoice, which shall set forth each of the following as a separate line item:

(a) The reasonable cost to Contractor, without profit, for all Services prior to the specified termination date, for which Services the SFMTA has not already tendered payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor's direct costs for Services. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.

(b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of the SFMTA, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.

(c) The reasonable cost to Contractor of handling material or equipment returned to the vendor, delivered to the SFMTA or otherwise disposed of as directed by the SFMTA.

(d) A deduction for the cost of materials to be retained by Contractor, amounts realized from the sale of materials and not otherwise recovered by or credited to the

SFMTA, and any other appropriate credits to the SFMTA against the cost of the Services or other work.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the termination date specified by the SFMTA, except for those costs specifically listed in Section 8.1.3. Such non-recoverable costs include, but are not limited to, anticipated profits on the Services under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under Section 8.1.3.

8.1.5 In arriving at the amount due to Contractor under this Section, the SFMTA may deduct: (i) all payments previously made by the SFMTA for Services covered by Contractor's final invoice; (ii) any claim which the SFMTA may have against Contractor in connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection 8.1.4; and (iv) in instances in which, in the opinion of the SFMTA, the cost of any Service performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Services, the difference between the invoiced amount and the SFMTA's estimate of the reasonable cost of performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 City's payment obligation under this Section 8 shall survive termination of this Agreement.

8.2 Termination for Default; Remedies.

8.2.1 Each of the following shall constitute an immediate event of default (Event of Default) under this Agreement:

(a) Contractor fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement:

- 3.5 Submitting False Claims
- 4.5 Assignment
- Article 5 Insurance and Indemnity
- Article 7 Payment of Taxes
- 10.11 Alcohol and Drug-Free Workplace
- 10.14 Working with Minors
- 11.10 Compliance with Laws
- Article 13 Data and Security

(b) Contractor fails or refuses to perform or observe any other term, covenant or condition contained in this Agreement, or in the appended Facility Regulations, including any obligation imposed by ordinance or statute and incorporated by reference herein, and such default is not cured within 10 days after written notice thereof from the SFMTA to

Contractor. If Contractor defaults a second time in the same manner as a prior default cured by Contractor, the SFMTA may in its sole discretion immediately terminate the Agreement for default or grant an additional period not to exceed five days for Contractor to cure the default.

(c) Contractor (i) is generally not paying its debts as they become due; (ii) files, or consents by answer or otherwise to the filing against it of a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction; (iii) makes an assignment for the benefit of its creditors; (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Contractor or of any substantial part of Contractor's property; or (v) takes action for the purpose of any of the foregoing.

(d) A court or government authority enters an order (i) appointing a custodian, receiver, trustee or other officer with similar powers with respect to Contractor or with respect to any substantial part of Contractor's property, (ii) constituting an order for relief or approving a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction or (iii) ordering the dissolution, winding-up or liquidation of Contractor.

8.2.2 On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, where applicable, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default; Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. City shall have the right to offset from any amounts due to Contractor under this Agreement or any other agreement between City and Contractor: (i) all damages, losses, costs or expenses incurred by City as a result of an Event of Default; and (ii) any liquidated damages levied upon Contractor pursuant to the terms of this Agreement; and (iii), any damages imposed by any ordinance or statute that is incorporated into this Agreement by reference, or into any other agreement with the City. This Section 8.2.2 shall survive termination of this Agreement.

8.2.3 All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

8.2.4 Any notice of default must be sent to the address set forth in Article 11, and in the manner prescribed in Article 11.

8.3 Non-Waiver of Rights. The omission by either Party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other Party at the time designated, shall not be a waiver of any such default or right to which the Party is entitled, nor shall it in any way affect the right of the Party to enforce such provisions thereafter.

8.4 Rights and Duties upon Termination or Expiration.

8.4.1 This Section 8.4 and the following Sections of this Agreement listed below, shall survive termination or expiration of this Agreement:

- 3.3.2 Payment Limited to Satisfactory Services
- 3.4 Audit and Inspection of Records

The Manager shall perform the Services at any added parking facility as described in this Agreement and the Facility Regulations. In the event that the SFMTA exercises the options to add a parking facility to the scope of work of this Agreement, the SFMTA shall provide written notice of intent to the Manager not less than 30 days before the Manager must perform the Services for that additional parking facility. The SFMTA shall compensate Manager for the Services performed at the added facility by payment of an additional Management Fee of \$2 for each parking space in the added facility, plus the reimbursable expenses incurred by Manager in performing the Services at the added facility. For example, if a 500-space facility is added in March 2023, the monthly management fee of \$10,000 will be increased by \$1,000 ($\2×500) to \$11,000.

(2) The SFMTA shall have the option during the term of this Agreement to either temporarily or permanently remove a maximum of three Facilities from the Manager's Services in the event that the SFMTA determines that a parking facility should be closed temporarily or permanently. In the event the SFMTA exercises its option to remove a facility from the Facilities under this Agreement, Manager's monthly management fee will be reduced by \$2 per space deleted from the Facilities. For example, if a 500-space facility is deleted in March 2023, the monthly management fee of \$10,000 will be reduced by \$1,000 ($\2×500) to \$9,000. In the event that a facility is returned to service during the term of the Agreement, the Management Fee shall be reinstated in the same manner.

1.5 Annual Operating Budget. Manager shall prepare for SFMTA review not later than June 15 of each year during the term of the Agreement a proposed operating budget for each of the Facilities in accordance with Facility Regulations section 6.1. A proposed operating budget shall include all anticipated expenditures necessary to operate and maintain each of the Facilities, including all Reimbursable Expenses and management fees. The SFMTA and Manager shall confer and adjust the proposed annual budget as necessary. The SFMTA will include each annual operating budget in the Agency's annual budget. Following approval by the SFMTA, the Manager shall provide the Services in accordance with and within the limits of approved annual operating budgets. Manager shall not seek reimbursement for its costs and expenditures incurred in providing the Services, except as provided in an approved annual operating budget. The Manager must receive approval from the SFMTA's Director of Parking, or her/his designee, to seek reimbursement for any costs or expenditures that are not included in an approved annual operating budget. The SFMTA shall have no liability for any expenditure or any obligation to compensate Manager for any expense or cost incurred by Manager that is not included in an annual operating budget, unless the Director of Parking, or her/his designee, has authorized that expenditure in writing in advance of Manager incurring that cost or expense.

1.6 Maintenance Personnel and Contracting. Manager shall employ, or contract for, sufficient personnel to perform the routine maintenance and repair work at the Facilities in a prompt and efficient manner so as to keep the premises at all times in a first-class operating condition that is clean, safe and attractive, as specified in Appendix C, Maintenance Standards and Form of Maintenance Schedule. Manager acknowledges and agrees that this Agreement does not constitute a contract for construction and no part of this Agreement or the Services shall be deemed to be a contract for public work. The Services may include Manager's performance of minor repairs and cosmetic and aesthetic improvements to the Facilities. But Manager shall not perform work as part of the Services that would constitute construction or public works, as those terms are defined in applicable California law.

1.7 Subcontracting and Other Parking Business Operations.

(1) Subcontracting Must be Authorized. Except as otherwise authorized under this Agreement, to ensure the quality of work performed on the Facilities, Manager is prohibited from subcontracting any of its duties under this Agreement or any part of it unless such subcontracting is first approved by the Director in writing. Neither party shall, on the basis of this Agreement, contract on behalf of or in the name of the other party. An agreement made by Manager and a subcontractor that is in violation of this provision shall confer no rights on any party and shall be null and void.

(2) Notification of Other Parking Business Operations. Manager shall promptly notify the Director in writing of any parking-related business located or operating in San Francisco, California in which Manager has an interest, or in which Manager proposes to have an interest. Manager shall list in an appendix to this Agreement any parking-related business located or operating in San Francisco, California in which Manager has an interest, as well as the nature and extent of that interest, as of the date of this Management Agreement. The SFMTA reserves the right to terminate this Management Agreement at no additional cost to the City if the SFMTA determines that Manager's interests in other parking business

operations in San Francisco, California will adversely impact SFMTA revenues or adversely impact the quality of Manager's Services or otherwise are not in the best interests of the City. For purposes of this paragraph, a reportable interest shall be any ownership interest of five percent (5%) or greater.

2. Services Provided by Attorneys

Any services to be provided by a law firm or attorney must be reviewed and approved in writing in advance by the City Attorney. No invoices for services provided by law firms or attorneys, including, without limitation, as subcontractors of Contractor, will be paid unless the provider received advance written approval from the City Attorney.

3. Reports

Appendix B Calculation of Charges

1. Compensation

1.2 Management Fee and Reimbursement of Operating Expenses.

(1) Manager shall be paid a monthly Management Fee of Ten Thousand Dollars (\$10,000) for Services performed by it under this Agreement. Beginning the sixth anniversary of the Effective Date (and also at the eighth anniversary of the Effective Date, if the term is extended), the monthly Management Fee will be increased by five percent (5%). Provided Manager is not in default under this Agreement, or an event has not occurred that, with the giving of notice or the passage of time, would constitute a default, the Management Fee shall be due and payable under the requisition procedure required by **Section 6.9 of the Facility Regulations**, provided the SFMTA receives the Monthly Report required by **Section 6.8 of the Facility Regulations**. Should the Commencement Date or the Expiration Date occur on any day other than the first day of a calendar month, the Management Fee for that particular month shall be prorated based on a 30-day month.

(2) Manager shall be entitled to reimbursement from the SFMTA for all Operating Expenses properly incurred and paid by Manager in the performance of Manager's duties hereunder and as specified in the approved annual operating budget (Budget) in accordance with the Facility Regulations. Such reimbursement shall be subject to Manager's compliance with the submittal procedures set forth in the Facility Regulations and shall be subject to all City approvals required under this Agreement. The SFMTA's obligation to reimburse Manager for wages, salaries or benefits is limited to reimbursement for time that employees of Manager are actually working at the Facilities for the benefit of the SFMTA. Manager shall not be reimbursed for overhead expenses that have not been specifically set out as reimbursable expenses. All costs not identified as reimbursable expenses shall be borne by Manager.

(3) The City shall make all payments to Manager at the address specified in **Section 11.1** (Notice Requirements).

1.3 Labor Costs. The SFMTA shall not be required to reimburse Manager for wages beyond the amounts Manager actually incurred, subject to documented proof. The SFMTA shall not be obligated or liable to reimburse Manager its costs of discretionary increases in wages or benefits that are not included in an approved annual operating budget without the prior express written authorization of the SFMTA's Director of Parking.

1.4 Payment Does Not Imply Acceptance of Work. The granting of any payment by the SFMTA, or the receipt thereof by Manager, shall not imply acceptance by the SFMTA or the City of any report required by this Agreement, nor shall such payment lessen the liability of Manager to replace unsatisfactory work, equipment, or materials, although the unsatisfactory character of such work, equipment or materials may not have been apparent or detected at the time such payment was made. Materials, equipment, components, or workmanship that do not conform to the requirements of this Agreement may be rejected by the SFMTA and in such case must be replaced by Manager without delay. For purposes of this Agreement, payment includes reimbursement of Operating Expenses and the Management Fee.

1.5 Late Charges. Any revenues or monies, if not deposited or transferred as specified in the Facility Regulations, shall bear interest from the due date until deposited at the rate of the prime rate of the financial institution holding the accounts plus three percent (3%) per year or, if a higher rate is legally permissible, at the highest rate permitted under law. However, interest shall not be payable on late charges incurred by Manager nor on any amounts on which late charges are paid by Manager to the extent this interest would cause the total interest to be in excess of that which is permitted by law. Payment of interest shall not excuse or cure any default by Manager. The late payment charge constitutes liquidated damages to compensate the SFMTA for its damages resulting from such failure to pay and shall be paid to the SFMTA together with such unpaid amount. The late payment charge has been agreed upon by the SFMTA and Manager, after negotiation, as a reasonable estimate of the additional administrative costs and detriment the SFMTA will incur as a result of any such failure by Manager, the actual costs thereof being extremely difficult, if not impossible, to determine.

1.6 Fees During Suspended Operations. If for any reason whatsoever, any condition prevents the operation of one or more of the Facilities or any portion thereof at any time for more than thirty (30) consecutive days, the Management Fee shall be adjusted on a pro rata basis by determining the total number of parking spaces affected as a percentage of the total number of parking spaces under management under this Agreement, and reducing the Management Fee otherwise due by an equivalent percentage, commencing from the expiration of such 30-day period and continuing until the earlier of (i) date the condition affecting the Facility or Facilities has been abated and normal operations of the Facilities has resumed or (ii) the termination of this Agreement. This paragraph shall not apply to the deletion of a Facility under **Appendix A, Section 1.5** of this Agreement.

1.7 Limitations on Payment of Fees. The City's obligation for payment of Management Fees and reimbursement of Operating Expenses claimed by Manager in the performance of this Agreement shall not exceed the amount listed in the line item in the Approved Budget for each such fee or expense identified by Manager as the source for reimbursement under the Approved Budget. The City's obligation for payment of Management Fees and reimbursement for Operating Expenses in the aggregate shall not exceed the total Approved Budget for these items, unless pre-approved by the SFMTA in writing.

Maintenance Standards and Form of Maintenance Schedule

The goal of the SFMTA is to provide the public, at all times, safe, clean, sanitary, well-lighted, and efficient facilities. The following maintenance standards are designed to achieve this goal.

- 1. Lighting.** All lights must be in working order and bright enough to convey a sense of safety, especially in and around stairways and restrooms. Burned-out bulbs or lamps must be replaced within twenty-four (24) hours. Non-working fixtures must be repaired or replaced with energy efficient fixtures within seventy-two (72) hours. Bulbs or lamps must be secured and must be the same color. Emergency lights must be inspected at least once each month and non-operating battery packs must be changed within one (1) week.
- 2. Walls & Fences.** All walls must be kept clean and free of stains, dirt and graffiti. Special attention shall be given to restrooms and their surrounding areas. Graffiti must be removed or painted over within forty-eight (48) hours. Black marks from bumpers must be painted over as needed but, in no event, not less than once a month.
- 3. Odors.** Foul odors must be removed within twenty-four (24) hours. Special attention shall be given to walkways, restrooms and their surrounding areas. Stairwells and sidewalks must be steam cleaned as needed but, in no event, not less than once a month.
- 4. Cleaning.** The entire Facility must be cleaned daily, including interior and exterior walkways, restrooms, parking areas and sidewalks. Parking areas and Facility floors must be swept, grease and oil must be removed, foul odors must be deodorized, pigeon droppings must be removed, and all litter must be removed.
- 5. Steam Cleaning.** Steam cleaning of each facility in its entirety shall be performed on a semi-annual basis. At the discretion of the Director, steam cleaning may be required to be performed less frequently if the facilities, including interior walkways, are maintained in a clean and orderly state.
- 6. Ventilation Equipment (if applicable).** Thorough cleaning of all ventilation system supply and exhaust vents shall be performed on a semi-annual basis.
- 7. Windows (where applicable).** All windows, mirrors and glass cases must be cleaned as needed but, in no event, not less than once a month. All windows visible to the public must be inspected daily and cleaned as needed.

Manager will be allowed to post nonprofessional signs only in case of an emergency, but the emergency signs must be replaced within one week. Signs must also be repaired or replaced promptly when damaged.
- 9. Plants.** Landscaping at each garage, and the Manager's requirements for care, should be outlined for every garage and facility. Selection of plants, etc. requires approval of the SFMTA
- 10. Safety Equipment.** Equipment including fire alarm call boxes, fire extinguishers, and fire hose units must be maintained in good working order and inspected at least once a month. Closed circuit cameras and the intercom system must be inspected at least once a week.

- 11. Structural Inspections.** Structural inspections, including water leaks, exposed rebar, concrete cracks and metal rust must be performed not less than once a year.
- 12. Sidewalk Inspections.** Inspections of the sidewalks abutting the Facility for the presence of any sidewalk tripping hazards, including tree planting areas not at sidewalk grade, must be performed once a month. In the event any hazards are observed, such hazards shall be reported immediately to the Director.
- 13. Other Work.** All other ordinary maintenance and repair work of the premises and equipment shall be done as needed.
- 14. Instructions.** The SFMTA reserves the right to instruct Manager to clean or repair any item which falls under the category of routine maintenance and repair.

If the maintenance standards are not followed, the SFMTA may give written notice and the work must be completed within seventy-two (72) hours thereafter. Nonperformance may result in the SFMTA causing such work to be done at the expense of Manager. Repeated instances of nonperformance will result in Manager being deemed ineligible to bid on future SFMTA Management Agreements.
