3 **Resolution concurring with the controller's determination that it is more economical for**  
4 **the Municipal Transportation Agency to contract for paratransit services than to**  
5 **provide the same service with City employees for the period of Fiscal Year 2004-05.**

6

7 WHEREAS, Section 10.104.(15) of the San Francisco Charter allows departments to  
8 contract for services when the Controller has determined and the Board of Supervisors has  
9 approved, that the services can be practically performed at a lesser cost under private  
10 contract than similar work performed by employees of the City and County; and

11 WHEREAS, The Municipal Transportation Agency is required by the federal Americans  
12 with Disabilities Act of 1990 to provide paratransit services for persons with disabilities who  
13 are unable to use fixed-route public transit; and,

14 WHEREAS, The Controller has determined that for fiscal year 2004-05, contracting for  
15 paratransit services with outside firms at fixed unit cost rates will cost less than providing the  
16 same services with City employees; and,

17 WHEREAS, The Controller's determination, dated June 10, 2004, is on file with the  
18 Clerk of the Board of Supervisors in File No. \_\_\_\_\_; now, therefore, be it

19 RESOLVED, That the Board of Supervisors concurs with the Controller's determination  
20 that paratransit services for the Municipal Transportation Agency can be practically performed  
21 by a private contractor at a lower cost than by City and County employees for fiscal year  
22 2004-05.
