The San Francisco Public Utilities Commission (SFPUC, or “Department”), a department of the City and County of San Francisco (“City”), seeks to retain the services of a qualified Proposer to provide programmatic support services for implementation of the Wastewater Enterprise Capital Improvement Plan.

The SFPUC seeks to select Proposers with proven expertise and extensive experience (as specified in Section 4) in the following areas: Program Administration; Strategic Capital Planning; Program Implementation; and Project Technical Support.

The anticipated total amount and duration of the Professional Services Agreement (“Agreement”) are as follows:

Agreement Duration: 10 Years

The Agreement amount is inclusive of all reimbursable costs and all optional tasks. The SFPUC reserves the right to commence, close, reduce, or extend Proposer services at any time in response to changing needs. The SFPUC shall have the sole discretion to extend the Agreement term for up to a total of five (5) additional years (or 60 months) and may increase the contract amount consistent with City requirements. The SFPUC may incorporate the Task Descriptions set forth herein into the Agreement as the applicable scope of services.
