**LEGISLATIVE DIGEST**

[Zoning Map Amendments - Glen Park Area Plan]

**Ordinance amending the City and County of San Francisco Zoning Map Sheets ZN11 and HT11 to: 1) create a new zoning district, and amend height and bulk districts within the Glen Park Area Plan, as proposed in the Glen Park Community Plan; and 2) making environmental findings and findings of consistency with the General Plan and the Priority Policies of Planning Code Section 101.1.**

Existing Law

The City's Zoning Map, part of the Planning Code, assigns zoning districts and height and bulk districts to property. The Zoning Map also contains Special Use Districts which include specific controls in the identified Special Use District area.

Amendments to Current Law

This Ordinance would amend Zoning Map Sheets ZN11 and HT11 of the City and County of San Francisco Zoning Map to create a new zoning district, the Glen Park Neighborhood Commercial Transit (NCT) district. It would also amend height and bulk districts within the Glen Park Area Plan, as proposed in the Glen Park Community Plan.

The Ordinance would adopt environmental findings and findings of consistency with the General Plan and priority policies of Planning Code Section 101.1.

Background Information

Together with the ordinances amending the General Plan and the Planning Code, this Ordinance implements the Glen Park Area Plan. The Area Plan represents the culmination of a community planning process that began in 2002 to create a vision for the Glen Park neighborhood. The Area Plan supports the General Plan's policies of creating walkable, transit-oriented neighborhoods with vibrant neighborhood commercial areas, nearby public open spaces and an engaging public realm.

Dear Ms. Calvillo:

I am pleased to transmit the Planning Commission's recommendation for adoption of the Glen Park Community Plan (Case 2005.1004EMTZ) to the Board of Supervisors. Please find here a description of the approval actions and supporting documentation for the Board's consideration.

In 2002, the Planning Department initiated a public planning process to create the Glen Park Community Plan. The Plan presents a set of objectives and policies that recognize Glen Park's unique character and seek to enhance the neighborhood's special quality and function. The Plan recommends modifications to the neighborhood commercial district's zoning to support a transit-oriented commercial district, identifies streetscape and pedestrian amenities, suggests open space opportunities and encourages review of future development for compatibility with the neighborhood's scale and distinctive character.

Adoption of the Plan requires approval of the findings and legislation below by the full Board of Supervisors:

## **1. Environmental Review CEQA Findings and Mitigation Measures**

The Environmental Review findings identify significant unavoidable environmental impacts, compare Project alternatives, describe mitigation measures, and make a Statement of Overriding Considerations recognizing the Project's unique benefits.

## **2. General Plan Amendments Ordinance**

Amendments to the General Plan include the addition of the Glen Park Community Plan as a new Area Plan and updates to various General Plan Elements to include text and map references to the Area Plan.

### 3. Planning Code Amendments Ordinance

Proposed Planning Code amendments will establish a new zoning district (Sec. 738.1 - Glen Park Neighborhood Commercial Transit District) and make revisions to existing sections of the Planning Code necessary to implement the Glen Park Community Plan. Amendments to the Planning Code include but are not limited to those related to land use, height, density, and parking.

### 4. Zoning Map Amendments Ordinance

The Zoning Map amendments establish a new Glen Park Neighborhood Commercial Transit District (Glen Park NCT) to replace the existing NC-2 (Small-scale Neighborhood Commercial District). The Glen Park NCT district expands the commercial district boundary slightly by reclassifying nine residentially zoned parcels. Heights are proposed for reduction in a portion of the district's interior from 40 to 30 feet (see maps, I-2).

The Planning Commission recommends Board approval of these ordinances to implement the Glen Park Community Plan. If you have further questions, please contact Jon Swae, the Plan Manager, at (415) 575-9069. We look forward to the Board's consideration of these items and to the implementation of this community supported Plan for Glen Park.

Sincerely,

John Rahaim  
Director of Planning

**WHEREAS**, Section 4.105 of the Charter of the City and County of San Francisco mandates that the Planning Commission shall periodically recommend to the Board of Supervisors proposed amendments to the Zoning Maps; and

The San Francisco Planning Department is seeking to implement the Glen Park Community Plan and proposes to amend the Zoning Map, to implement the Glen Park Community Plan (“the Plan”).

In 2002, the Planning Department initiated a public planning process to create *the Glen Park Community Plan*. The Plan presents a vision and a set of objectives and policies that recognize Glen Park’s unique character and seek to enhance the neighborhood’s special quality and function.

The Plan’s policies generally seek to protect and reinforce the character of the neighborhood commercial district, resolve challenges caused by the area’s massive vehicle infrastructure, enhance pedestrian and transit movement, improve the area’s mix of open spaces, and restore connections to Glen Canyon Park and surrounding neighborhoods. The Plan recommends modifications to the neighborhood commercial zoning to support a transit-oriented commercial district, identifies streetscape and pedestrian amenities, suggests open space opportunities and encourages review of future development for compatibility with the neighborhood’s scale and distinctive character. An accompanying Implementation Program outlines projects, actions, funding opportunities and interagency coordination the City must pursue to implement the Area Plan. Further description of the Area Plan’s proposals and recommendations is contained in the Plan document.

As a means to implement both the goals of the General Plan that are specific to the Glen Park Community Plan, the Department is proposing Zoning Map amendments that would add and amend districts as outlined in the proposed Area Plan and related proposed Planning Code Amendments. These changes correspond to conforming amendments to Sectional Maps ZN11 and HT11 of the Zoning Maps of the City and County of San Francisco. The amendments would include changes to permitted land use and

height and bulk controls and reclassifying properties into a newly created Glen Park Neighborhood Commercial District.

The Zoning Map governs land use and height and bulk permitted in the area and a number of changes are proposed. Thus, conforming amendments to the Zoning Map would be required in order for development to proceed in the area consistent with the Glen Park Area Plan of the General Plan.

The proposed Zoning Maps amendments specify the application of Planning Code amendments to specific parcels. These amendments contain proposals for changes to standards from those currently established by the Planning Code, including but not limited to those for land use, height and bulk, density, and parking.

The Proposed Zoning Map Amendments would include:

- Changes to the height and bulk sectional maps.
- One new zoning district as listed below:

1. Glen Park Neighborhood Commercial Transit District (Glen Park NCT)

The proposed zoning map changes to land use and height and bulk districts are included in a draft Ordinance, attached hereto as Exhibit IV-3 in the *Glen Park Community Plan Initiation Package*, dated October 20, 2011. The City Attorney's Office has reviewed the draft ordinance and approved it as to form.

In related actions, the Department is proposing amendments to the Planning Code and to the General Plan, which include adding the Glen Park Area Plan, and amending various General Plan Elements, to implement the Glen Park Community Plan.

Prior to considering the relevant amendments to the Planning Code, and related General Plan and Zoning Map amendments on November 10, 2011, the Planning Commission adopted Motion No. 18490. In that action, the Commission certified the Glen Park Community Plan Environmental Impact Report. The Planning Commission also adopted Motion No. 18491, adopting California Environmental Quality Act Findings related to the Glen Park Community Plan project. Said motions are incorporated herein by reference.

**NOW THEREFORE BE IT RESOLVED**, the Commission adopts the CEQA findings in Commission Motion No. 18491;

**NOW, THEREFORE BE IT RESOLVED**, That pursuant to Planning Code Section 302 (b), the Planning Commission finds from the facts presented that the public necessity, convenience and general welfare require the approval of the proposed Zoning Map Amendments;

**NOW, THEREFORE BE IT RESOLVED**, The Planning Commission finds that the Glen Park Community Plan Zoning Map Amendments are, on balance, in conformity with the General Plan and the eight Priority Policies of Planning Code Section 101.1 and with the General Plan as proposed to be amended for the reasons set forth in Planning Commission Resolution No. 18492 which accompanies this Resolution, and incorporates said findings herein by reference.

**AND BE IT FURTHER RESOLVED**, That the Planning Commission wishes to adopt amendments to the Zoning Maps, making changes height and bulk districts as described in the Glen Park Community Plan Initiation Package, dated October 20, 2011. Proposed Zoning Map amendments are contained in the draft ordinance approved as to form by the City Attorney. The Commission also recommends this legislation to the Board of Supervisors;

**AND BE IT FURTHER RESOLVED**, that the Planning Commission specifically authorizes the following additional changes to the Zoning Map Amendments legislation and directs staff to work with the City Attorney's Office to prepare a new version of the Zoning Map Amendment legislation to reflect these changes and submit the new version to the Board of Supervisors for its consideration: 1) add technical changes to address typographical errors, insert Zoning Map language adopted prior to approval, and similar technical changes; 2) revise the Zoning Map amendments to reflect the Commission's action on the Glen Park Community Plan Zoning Map Amendments; 3) incorporate any additional changes that the Planning Commission specifically identifies as part of its approval action on November 10, 2011;

I hereby certify that the foregoing Resolution was ADOPTED by the City Planning Commission on November 10, 2011.
