14
15 WHEREAS, By Resolution No. 530-08 (the "Authorizing Resolution") adopted by the
16 Board of Supervisors (the "Board of Supervisors") of the City and County of San Francisco
17 (the "City") on December 16, 2008 and signed by the Mayor of the City on December 19,
18 2008, it was determined to authorize the execution and delivery of the Certificates and, in
19 connection therewith, the form of a Lease Agreement, a Facilities Lease and a Trust
20 Agreement to be entered into by the City; and

21 WHEREAS, By Ordinance No. 006-09, passed by the Board of Supervisors on
22 January 6, 2009, and signed by the Mayor of the City on January 16, 2009, the Board of
23 Supervisors appropriated the proceeds of the Certificates for the purpose of financing the
24 Moscone Center Improvement Project, as therein described (the "Project"); and

1 WHEREAS, In connection with the execution and delivery of the Certificates, the City
2 will enter into a Lease Agreement and a Facilities Lease Agreement, each under such terms
3 and conditions as described in the Authorizing Resolution and herein; and

4 WHEREAS, In connection with the sale of the Certificates, the City will cause to be
5 prepared and distributed a Notice of Intention to Sell, a Notice of Sale, a Preliminary Official
6 Statement and an Official Statement relating to the Certificates and the form of such
7 documents are on file with the Clerk of this Board of Supervisors; now, therefore, be it

8 RESOLVED, That by the Board of Supervisors (the "Board") of the City and County of
9 San Francisco (the "City"), as follows:

10 Section 1. Recitals. All of the recitals herein are true and correct.

11 Section 2. Conditions Precedent. All conditions, things and acts required by law to
12 exist, to happen and to be performed precedent to and in the sale, execution and delivery of
13 the Certificates exist, have happened and have been performed in due time, form and manner
14 in accordance with applicable law, and the City is authorized pursuant to its Charter and
15 applicable law to execute and deliver the Certificates and related documents in the manner
16 and form established in the Authorizing Resolution.

17 Section 3. File Documents. The documents presented to this Board and on file with
18 the Clerk of the Board or her designee (the "Clerk") are contained in File No. 130254.

19 Section 4. Sale of the Certificates; Use of Proceeds. This Board hereby approves the
20 execution, delivery and sale of the Certificates in accordance with the terms of the Trust
21 Agreement referred to in Section 4 of the Authorizing Resolution, as the same is finally
22 executed and delivered. The proceeds of the Certificates shall be used to fund costs of the
23 Project and for other purposes described in the Authorizing Resolution, which purposes the
24 Board hereby determines include (i) reimbursing the City for payment of such costs of the
25 Project and (ii) repaying the principal amount of commercial paper issued by the City the

1 proceeds of which were used by the City to pay a portion of such costs, including the costs of
2 issuance, fees, accrued interest and other costs of the City related to the principal amount of
3 commercial paper so used.

4 The Director of Public Finance of the City or her designee (collective, the "Director of
5 Public Finance") is authorized to approve the terms of the Certificates, subject to the
6 parameters established in the Authorizing Resolution.

7 Section 5. Sale and Award of Certificates by Competitive Sale. The Director of Public
8 Finance, on behalf of the Controller, is hereby authorized and directed to receive bids for the
9 purchase of the Certificates, and the Controller is hereby authorized and directed to award the
10 Certificates to the bidder whose bid represents the lowest true interest cost to the City, all in
11 accordance with the procedures described in the Notice of Sale (as defined herein).

12 Section 6. Approval of Form of Official Notice of Sale. The form of an Official Notice of
13 Sale relating to the Certificates (the "Official Notice of Sale"), as presented to this Board, a
14 copy of which is on file with the Clerk of the Board, is hereby approved. The Director of Public
15 Finance is hereby authorized to approve the distribution of an Official Notice of Sale for the
16 Certificates, with such changes, additions modifications or deletions as the Director of Public
17 Finance may approve upon consultation with the City Attorney; such approval to be
18 conclusively evidenced by the distribution of the Official Notice of Sale to potential purchasers
19 of the Certificates.

20 Section 7. Approval of Notice of Intention to Sell relating to the Certificates. The form
21 of a notice of intention to sell relating to the Certificates (the "Notice of Intention to Sell"), as
22 presented to this Board, a copy of which is on file with the Clerk of the Board, is hereby
23 approved. The Director of Public Finance is hereby authorized to approve the publication of
24 the Notice of Intention to Sell relating to the Certificates, with such changes, additions,
25 modifications or deletions as the Director of Public Finance may approve upon consultation

1 with the City Attorney; such approval to be conclusively evidenced by the publication of the
2 Notice of Intention to Sell relating to the Certificates.

3 Section 8. Approval of the Official Statement in Preliminary and Final Form. The form
4 of an official statement relating to the Certificates (the "Official Statement"), as presented to
5 this Board, a copy of which is on file in preliminary form with the Clerk, is hereby approved.
6 The Director of Public Finance is hereby authorized to approve the distribution of the
7 preliminary Official Statement (the "Preliminary Official Statement") in substantially said form,
8 with such changes, additions, modifications or deletions as the Director of Public Finance may
9 approve upon consultation with the City Attorney; such approval to be conclusively evidenced
10 by the distribution of the Preliminary Official Statement to potential purchasers of the
11 Certificates. The Controller of the City or his designee (collectively, the "Controller") is hereby
12 authorized to cause the distribution of the Preliminary Official Statement, deemed final for
13 purposes of Rule 15c2-12 of the Securities and Exchange Act of 1934, as amended, and to
14 sign a certificate to that effect. The Controller is hereby further authorized and directed to sign
15 the Official Statement in final form. The Co-Financial Advisors retained by the City in
16 connection with the Certificates are hereby authorized and directed to cause to be printed and
17 mailed, or distributed electronically, to prospective bidders copies of the Preliminary Official
18 Statement and the final Official Statement.

19 Section 9. Approval of the Form of Continuing Disclosure Certificate. The form of a
20 Continuing Disclosure Certificate of the City, as presented to this Board, a copy of which is on
21 file with the Clerk of the Board, is hereby approved. The Controller is hereby authorized to
22 execute the Continuing Disclosure Certificate, with such changes, additions, modifications or
23 deletions as the Controller may approve, upon consultation with the City Attorney; such
24 approval to be conclusively evidenced by the execution and delivery of the Continuing
25 Disclosure Certificate.

1 Section 10. General Authority. The Mayor, the City Attorney, the Controller, the City
2 Administrator, the Director of Public Finance, the Clerk of the Board and other officers of the
3 City and their duly authorized deputies and agents are hereby authorized and directed, jointly
4 and severally, to take such actions and to execute and deliver such certificates, agreements,
5 requests or other documents, in consultation with the City Attorney; as they may deem
6 necessary or desirable to facilitate the execution and delivery of the Certificates and otherwise
7 to carry out the provisions of this Resolution.

8 Section 11. Ratification of Prior Actions. All actions heretofore taken by officials,
9 employees and agents of the City with respect to the sale and issuance of the Bonds are
10 hereby approved, confirmed and ratified.

11 APPROVED AS TO FORM:
12 DENNIS J. HERRERA, City Attorney

CITY AND COUNTY OF SAN FRANCISCO
OFFICE OF THE CONTROLLER

Ben Rosenfield
Controller

Monique Zmuda
Deputy Controller

Nadia Sesay
Director
Office of Public Finance

MEMORANDUM

TO: Honorable Members, Board of Supervisors

FROM: Nadia Sesay, Director of Public Finance

SUBJECT: Resolution Approving the Form and Authorizing the Distribution of the Official Statement Among Other Matters in Connection with the Upcoming Sale of the City and County of San Francisco Certificates of Participation (Moscone Center Improvement Project)

DATE: March 12, 2013

Federal securities laws impose on the City the obligation to ensure that its offering documents are accurate and complete in all material respects. This obligation applies to the individual members of the governing bodies approving the disclosure documents as well as City staff charged with preparing the documents.

We are attaching the revised Official Statement for your approval prior to its publication. We would like to respectfully request consideration of the resolution at the March 27, 2013 Budget and Finance Committee meeting.

Background

In Resolution No. 530-08 (the "2008 Resolution"), the Board of Supervisors (the "Board") approved the execution and delivery of certificates of participation (the "Certificates") to partially finance various improvements to Moscone Convention Center (the "Project"). From June 2010 through February 2013, the Project has incurred project expenditures totaling approximately \$34.6 million using the City's commercial paper program. On February 20, 2013, the Project received its Notice of Completion (Phase 6 Final Phase of Construction). The City anticipates issuing its Certificates to refund commercial paper in May 2013.

Official Statement

The Board last approved the distribution of official statements and Appendix A on June 12, 2012 in adopting Resolutions No. 230-12 and 231-12 in connection with the issuance of the City's General Obligation Bonds (San Francisco General Hospital Improvement Bonds, 2008) Series 2012D and General Obligation Bonds (Earthquake Safety and Emergency Response, 2010) Series 2012E, respectively. The Resolution approves the form and authorizes the distribution of a preliminary official statement relating to the issuance of the Certificates and the form of Appendix A (the "Appendix A" and together with the preliminary and final official statement, the "Official Statement") containing information about the City's finances updated as of March 1, 2013.

The Official Statement relating to the Certificates is updated to reflect significant changes in the City's budget and finances that have occurred since the Board adopted and the Mayor approved the 2008 Resolution and Resolutions No. 230-12 and 231-12, including the Comprehensive Annual Financial Report for Fiscal Year 2011-12. The information contained in the Appendix A was updated as of March 1, 2013 and was prepared by City staff for inclusion in the Official Statement.

Summary of Revisions to the Official Statement

For general reference, the following information summarizes material changes in the City's finances since June 2012:

Adoption of Consolidated Budget and Annual Appropriations Ordinance for Fiscal Years Ending June 30, 2013 and June 30, 2014

The Board adopted the Consolidated Budget and Annual Appropriation Ordinance No. 164-12 for fiscal years 2012-13 and 2013-14 (the Original Budget) on July 24, 2012. The City's fiscal year 2012-13 adopted budget appropriates annual revenues, fund balance, transfers, and reserves of approximately \$7.35 billion, of which the City's General Fund accounts for approximately \$3.49 billion. In fiscal year 2013-14, appropriated revenues, fund balance, transfers and reserves total approximately \$7.57 billion, of which the City's General Fund accounts for approximately and \$3.60 billion.

Issuance of Bonds

On August 29, 2012 the City and County of San Francisco issued its General Obligation Bonds (San Francisco General Hospital Improvement Bonds), Series 2012D in the aggregate principal amount of \$251,100,000 and General Obligation Bonds (Earthquake Safety and Emergency Response), Series 2012E in the aggregate principal amount of \$38,265,000.

State of California Budget

In a typical year, the Governor releases two primary proposed budget documents: 1) the Governor's Proposed Budget required to be submitted in January; and 2) the "May Revise" to the Governor's Proposed Budget. On January 10, 2013, Governor Brown released his Proposed Budget for fiscal year 2013-14.

Comprehensive Annual Financial Report

On January 8, 2013, the City, through the Office of the Controller, released the Comprehensive Annual Financial Report for fiscal year 2011-12 (the CAFR). The CAFR reported that as of June 30, 2012, the General Fund available for appropriation in subsequent years was \$220.3 million, of which \$104.3 million was assumed in the fiscal year 2012-13 Original Budget, \$103.6 million was assumed in the fiscal year 2013-14 Original Budget, and \$11.7 million remains available for future appropriations.

Controller's Budget Updates

As directed by Charter Section 3.105, the Controller published his scheduled six-month budget status updates on February 12, 2013 (the Six Month Report). The Six Month Report projected the General Fund would end fiscal year 2012-13 with a balance of \$174.0 million.

Federal Budget

On January 2, 2013, the federal government reached a temporary budget solution that reduced the level of cuts associated with sequestration in the current fiscal year and postponed the effects of federal sequestration until March 1, 2013. Federal sequestration expenditure reductions were effective March 1, 2013 and the current total estimated impact to the City in the current year is approximately \$25.2 million.

Five Year Financial Plan

On March 1, 2013, the City released its Five Year Financial Plan for fiscal year 2013-14 through fiscal year 2017-18. The Five Year Financial Plan forecasts expenditures and revenues, proposed actions to balance revenues and expenditures, and discusses strategic goals and corresponding resources for City departments.

Ten Year Capital Plan

On March 5, 2013, the City, through the Office of the City Administrator, released its Ten Year Capital Plan for fiscal year 2013-2014 through fiscal year 2022-23. The Ten Year Capital Plan recommends \$25 billion in critical infrastructure investments to address seismic repairs and the built environment.

Additional Information

For further explanation and discussion of the legal obligations of members of boards and commissions approving disclosure documents, please contact the City's Attorney's Office on this subject.

The Resolution is expected to be introduced at the Board of Supervisors meeting on Tuesday, March 12, 2013. The related financing documents—including the Notice of Intention to Sell, Official Notice of Sale, Official Statement and Continuing Disclosure Certificate, and related documents—will also be submitted.

Official Notice of Sale and Notice of Intention to Sell: The Notice of Intention to Sell provides legal notice to prospective bidders of the City's intention to sell the Certificates. Such Notice of Intention to Sell will be published once in "The Bond Buyer" or another financial publication generally circulated throughout the State of California.

The Official Notice of Sale for the Certificates announces the date and time of the competitive bond sale, including the terms relating to the Certificates; the terms of sale, form of bids, and delivery of bids; and closing procedures and documents.

The Official Bid Form attached to the Official Notice of Sale is the form of the official bid for the purchase of the Certificates. Pursuant to the Resolution, the Controller is authorized to award the Certificates to the bidder whose bid represents the lowest true interest cost to the City in accordance with the procedures described in the Official Notice of Sale.

Continuing Disclosure Certificate: The City covenants to provide certain financial information and operating data relating to the City (the "Annual Report") not later than 270 days after the end of the fiscal year and to provide notices of the occurrence of certain enumerated events.

The Continuing Disclosure Certificate describes the nature of the information to be contained in the Annual Report or the notices of enumerated events. These covenants have been made in order to assist initial purchasers of the Certificates in complying with the Securities and Exchange Commission Rule 15c2-12(b)(5).

Your consideration of this request is greatly appreciated. Please contact me at 554-5956 if you have any questions. Thank you.

Cc: Angela Calvillo, Clerk of the Board of Supervisors
Kate Howard, Mayor's Budget Director
Harvey Rose, Budget Analyst
Ben Rosenfield, Controller
Mark Blake, Deputy City Attorney

OFFICIAL NOTICE OF SALE

and

OFFICIAL BID FORM

[\$29,770,000*]

**CITY AND COUNTY OF SAN FRANCISCO
CERTIFICATES OF PARTICIPATION, SERIES 2013A
(MOSCONE CENTER IMPROVEMENTS)**

The City and County of San Francisco will receive bids for the above-referenced Certificates by either the electronic bidding system specified on the Official Notice of Sale or via written sealed bids, on the date and up to the time specified below:

SALE DATE: [April 10, 2013]
(Subject to postponement or cancellation in accordance
with this Official Notice of Sale)

TIME: 8:30 a.m. (California time)

PLACE: 1 Dr. Carlton B. Goodlett Place, Room 336
San Francisco, California 94102

Telephone, telefax, or telegraph bids will not be accepted. If the Certificates are awarded by the City, it is anticipated that delivery will be made on or about [May 1, 2013.*]

* Subject to adjustment is accordance with this Official Notice of Sale.

OFFICIAL NOTICE OF SALE

**[\$29,770,000*] CITY AND COUNTY OF SAN FRANCISCO
CERTIFICATES OF PARTICIPATION, SERIES 2013A
(MOSCOE CENTER IMPROVEMENTS)**

NOTICE IS HEREBY GIVEN that either electronic or written sealed all-or-nothing bids will be received by the City and County of San Francisco (the "City") for the purchase of [\$29,770,000*] aggregate principal amount of City and County of San Francisco Certificates of Participation, Series 2013A (Moscone Center Improvements) (the "Certificates").

Electronic bids must be submitted solely through the Ipreo LLC's BiDCOMP™/PARITY® System ("Parity"), as the only approved electronic bidding service for the Certificates, and written sealed bids must be delivered at the Office of Public Finance, City Hall, Room 336, 1 Dr. Carlton B. Goodlett Place, San Francisco, California 94102, on the date and up to the time specified below:

[Wednesday, April 10, 2013], until 8:30 a.m. California Time

(subject to postponement in accordance with this Official Notice of Sale)

Bidding procedures and sale terms are as described in this Official Notice of Sale. No telephone, telefax, or telegraph bids will be accepted or considered. The Certificates are described in the City's Preliminary Official Statement for the Certificates dated [April 3, 2013] (the "Preliminary Official Statement").

Each bidder choosing to submit a bid via Parity shall be solely responsible for registering to bid via Parity and for all costs, fees or other expenses incurred by the bidder in connection with the bid and/or the use of Parity. The use of Parity shall be at the bidder's risk. Each bidder expressly assumes the risk for any error contained in any bid submitted through Parity, or for failure of any bid to be transmitted or received including without limitation the risk of any incomplete or untimely bid submitted by such bidder by reason of failed or garbled transmissions, mechanical failure, engaged telecommunications lines, or any other cause. None of the City, the City Attorney, or any City consultant or legal representative of the City, assumes any responsibility for any such error or failed or garbled transmission of any bid. The official time of receipt of bids will be determined by the City's Director of Public Finance, and the City will not be required to accept the time kept by Parity as the official time. Additional terms and conditions regarding the use of Parity are set forth below in "TERMS OF SALE-Form of Bids; Delivery of Bids."

THE RECEIPT OF BIDS ON [APRIL 10, 2013] MAY BE POSTPONED OR CANCELLED BY THE CITY AT OR PRIOR TO THE TIME BIDS ARE TO BE RECEIVED. NOTICE OF SUCH POSTPONEMENT OR CANCELLATION WILL BE COMMUNICATED THROUGH ANY OF THE BOND BUYER WIRE, THOMSON FINANCIAL OR BLOOMBERG BUSINESS NEWS (EACH, A "NEWS SERVICE") AND/OR PARITY AS SOON AS PRACTICABLE FOLLOWING SUCH POSTPONEMENT OR CANCELLATION. See "TERMS OF SALE-Postponement or Cancellation of Sale." Notice of the new date and time for receipt of bids shall be given through a News Service and/or Parity as soon as practicable following a postponement and no later than 1:00 p.m., California time, on the business day preceding the new date for receiving bids. If the sale is canceled, all written sealed bids will be returned unopened.

* Subject to adjustment in accordance with this Official Notice of Sale.

As an accommodation to bidders, notice of such postponement and of the new sale date and time will be given to any bidder requesting such notice from: First Southwest Company, 1620 26th Street, Suite 230-S, Santa Monica, California 90404; telephone: (310) 401-8052 (office), Attention: Michael D. Kremer (email: michael.kremer@firstsw.com); and Ross Financial, 1736 Stockton Street, Suite 1, San Francisco, California 94133; telephone: (415) 912-5612 (office), Attention: Peter J. Ross (email: rossfinancial@smkc.com) (the "Financial Advisors"); provided, however, that failure of any bidder to receive such supplemental notice shall not affect the sufficiency of any such notice or the legality of the sale. See "TERMS OF SALE – Postponement or Cancellation of Sale."

Other than with respect to postponement or cancellation as described above, the City reserves the right to modify or amend this Official Notice of Sale in any respect; provided, however, that any such modification or amendment will be communicated to potential bidders through a News Service and/or Parity prior to the sale. Failure of any potential bidder to receive notice of any modification or amendment will not affect the sufficiency of any such notice or the legality of the sale. See "TERMS OF SALE–Right to Modify or Amend."

This Official Notice of Sale will be submitted for posting to the Parity bid delivery system (as described in "TERMS OF SALE – Form of Bids; Delivery of Bids" below). In the event the summary of the terms of sale of the Certificates posted on Parity conflicts with this Official Notice of Sale, or any amendment hereto, in any respect, the terms of this Official Notice of Sale and any amendment hereto shall control.

TERMS RELATING TO THE CERTIFICATES

THE TERMS, AUTHORITY FOR EXECUTION AND DELIVERY, PURPOSES, REPAYMENT, SECURITY, FORM OF LEGAL OPINIONS OF CO-SPECIAL COUNSEL AND OTHER INFORMATION REGARDING THE CERTIFICATES ARE PRESENTED IN THE PRELIMINARY OFFICIAL STATEMENT, WHICH EACH BIDDER IS DEEMED TO HAVE OBTAINED AND REVIEWED PRIOR TO BIDDING FOR THE CERTIFICATES. THIS OFFICIAL NOTICE OF SALE GOVERNS ONLY THE TERMS OF SALE, BIDDING, AWARD AND CLOSING PROCEDURES FOR THE CERTIFICATES. THE DESCRIPTION OF THE CERTIFICATES CONTAINED IN THIS OFFICIAL NOTICE OF SALE IS QUALIFIED IN ALL RESPECTS BY THE DESCRIPTION OF THE CERTIFICATES CONTAINED IN THE PRELIMINARY OFFICIAL STATEMENT.

Subject to the foregoing, the Certificates are generally described as follows:

Issue. The [\$29,770,000**] aggregate principal amount of City and County of San Francisco Certificates of Participation, Series 2013A (Moscone Center Improvements) will be issued as fully registered certificates without coupons in book-entry form, dated the date of delivery, which is expected to be [May 1, 2013]*. See "CLOSING PROCEDURES AND DOCUMENTS-Delivery and Payment." If the sale is postponed, notice of the new date of the sale will also set forth the new date of delivery of the Certificates.

Book-Entry Only. The Certificates will be registered in the name of a nominee of The Depository Trust Company ("DTC"), New York, New York. DTC will act as securities depository for the Certificates. Individual purchases will be made in book-entry form only, and the Purchaser (as defined below under "TERMS OF SALE–Process of Award") will not receive certificates representing its interest in the Certificates purchased. As of the date of award of the Certificates, the Purchaser must either participate in DTC or must clear through or maintain a custodial relationship with an entity that participates in DTC.

* Subject to adjustment in accordance with this Official Notice of Sale.

Interest Rates. Interest represented by the Certificates will be payable semiannually on March 1 and September 1 of each year (each, an "Interest Payment Date"), commencing September 1, 2013 and continuing to and including their respective Certificate Payment Date (defined below) or on prepayment prior thereto. Interest will be calculated on the basis of a 30-day month, 360-day year from the date of the Certificates. Bidders must specify the rate or rates of interest which the Certificates will bear. Bidders may specify any number of separate rates, and the same rate or rates may be repeated as often as desired, provided that:

- (i) The maximum interest rate bid shall not exceed six percent (6%) per annum;
- (ii) Each interest rate specified in any bid must be a multiple of one-eighth or one-twentieth of one percent (1/8 or 1/20 of 1%) per annum and a zero rate of interest cannot be named;
- (iii) Each Certificate shall bear interest from its date to its stated payment date at the single rate of interest specified in the bid;
- (iv) A single interest payment shall be due on each Certificate on each Interest Payment Date, and no supplemental payments will be permitted; and
- (v) All Certificate payments due at any one time shall bear the same rate of interest

Principal Payments. The principal represented by the Certificates shall be payable on September 1 of each year (each a "Certificate Payment Date"), commencing September 1, 2013 as set forth below. Subject to adjustment as hereinafter provided, the principal amount due on each Certificate Payment Date is as follows:

<u>Certificate Payment Date</u>	<u>Certificate Principal Amount</u>
September 1, 2013	
September 1, 2014	
September 1, 2015	
September 1, 2016	
September 1, 2017	
Total	[\$29,770,000*]

*Subject to adjustment in accordance with this Official Notice of Sale.

Adjustment of Principal Payments. The principal amounts set forth in this Official Notice of Sale reflect certain estimates of the City with respect to the likely interest rates of the winning bid. **Potential bidders will be notified via a News Service and/or Parity prior to the sale of any change to the principal payment schedule for the Certificates to be utilized for the bidding process.** The City reserves the right to change the principal payment schedule set forth above after the determination of the apparent winning bidder (see "TERMS OF SALE-Process of Award"), by increasing or decreasing the aggregate principal amount of the Certificates by adjusting one or more principal payments of the Certificates in increments of \$5,000, as determined in the sole discretion of the City; to produce approximately level annual debt service on a fiscal year basis. Any such adjustment of principal payments with respect to the Certificates shall be based on the schedule of principal payments provided by the City to be used as the basis of bids for the Certificates. Any such

adjustment will not change the average per Certificate dollar amount of the Purchaser's discount. See also "TERMS OF SALE-Right to Modify or Amend," regarding the City's right to modify or amend this Official Notice of Sale in any respect including, without limitation, increasing or decreasing the principal amount of any serial maturity or mandatory sinking fund payment for the Certificates and adding or deleting serial or term maturity and mandatory sinking fund payment dates, along with corresponding principal amounts with respect thereto.

IN THE EVENT OF ANY SUCH ADJUSTMENT, NO REBIDDING OR RECALCULATION OF THE BIDS SUBMITTED WILL BE REQUIRED OR PERMITTED AND NO SUCCESSFUL BID MAY BE WITHDRAWN. A PURCHASER MAY NOT CHANGE THE INTEREST RATES IN ITS BID OR THE REOFFERING PRICES IN ITS REOFFERING PRICE CERTIFICATE AS A RESULT OF ANY CHANGES MADE TO THE PRINCIPAL PAYMENTS OF THE CERTIFICATES IN ACCORDANCE WITH THIS OFFICIAL NOTICE OF SALE.

No Optional Prepayment. The Certificates are not subject to optional prepayment prior to their respective stated Certificate Payment Dates.

Special Mandatory Prepayment. The Certificates are subject to mandatory prepayment prior to their respective Certificate Payment Dates in whole or in part on any date, at the Prepayment Price (plus accrued but unpaid interest to the prepayment date), without premium, from proceeds received following an event of damage, destruction or condemnation of the Leased Property or any portion thereof or loss of the use or possession of the Leased Property or any portion thereof due to a title defect.

Mandatory Sinking Account Prepayment at Bidder's Option. The term Certificates, if any, are also subject to mandatory prepayment prior to their respective payment dates, in part, by lot, from mandatory sinking account prepayments, on each September 1 on or after September 1, 20____, designated by the successful bidder as a date upon which mandatory sinking account prepayment is to be made, at a prepayment price equal to the principal amount thereof plus accrued interest thereon to the date fixed for prepayment, without premium. No term Certificates may be redeemed from mandatory sinking account prepayments until all term Certificates maturing on preceding term prepayment dates, if any, have been retired.

Municipal Bond Insurance at Bidder's Option. The City has not taken any steps to qualify the Certificates for municipal bond insurance and makes no representation as to whether the Certificates will qualify for municipal bond insurance. Payment of any insurance premium and satisfaction of any conditions to the issuance of a municipal bond insurance policy and payment of any additional rating agency fees shall be the sole responsibility of the bidder. **In particular, the City will not amend or supplement the documents authorizing the execution and delivery of the Certificates in any way, nor will either agree to enter into any additional agreement with respect to the provision of any such policy. FAILURE OF THE INSURANCE PROVIDER TO ISSUE ITS POLICY SHALL NOT CONSTITUTE CAUSE FOR A FAILURE OR REFUSAL BY THE PURCHASER TO ACCEPT DELIVERY OF OR PAY FOR THE CERTIFICATES.**

If the Purchaser exercises this option, the Purchaser must provide the City with the municipal bond insurance commitment, including the amount of the policy premium, as well as information with respect to the municipal bond insurance policy and the insurance provider for inclusion in the final Official Statement within two (2) business days following the award of the Certificates by the City. The City will require a certificate from the insurance provider substantially in the form attached hereto as Exhibit A on or prior to the date of delivery of the Certificates, as well as an opinion of counsel to the insurance provider regarding the enforceability of the municipal bond insurance policy and a tax certificate, each in form reasonably satisfactory to the City and Squire Sanders (US) LLP and GCR, LLP, Co-Special Counsel (collectively, "Co-Special Counsel"). **THE PURCHASER SHALL PAY**

ALL COSTS ASSOCIATED WITH ANY DECISION OF THE CITY TO AMEND, SUPPLEMENT, REPRINT AND/OR "STICKER" THE FINAL OFFICIAL STATEMENT AS A RESULT OF A FAILURE BY THE PURCHASER TO TIMELY PROVIDE INFORMATION FOR THE FINAL OFFICIAL STATEMENT OR ANY SUBSEQUENT EVENT WHICH RESULTS IN THE MUNICIPAL BOND INSURANCE DISCLOSURE PRINTED IN THE FINAL OFFICIAL STATEMENT BEING INACCURATE OR OTHERWISE INADEQUATE.

Tax Matters. Upon delivery of the Certificates, Co-Special Counsel will deliver their separate legal opinions that, under existing law (i) assuming continuing compliance with certain covenants and the accuracy of certain representations, interest represented by the Certificates is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations and (ii) interest represented by the Certificates is exempt from State of California personal income taxes. See "TAX MATTERS" in the Preliminary Official Statement.

Legal Opinion. A complete copy of the proposed form of the separate legal opinions of Co-Special Counsel is set forth in Appendix F to the Preliminary Official Statement. The separate legal opinions of Co-Special Counsel with respect to the Certificates, approving the validity of the Certificates, will be furnished, without cost, to the Purchaser upon delivery of the Certificates.

TERMS OF SALE

Form of Bids; Delivery of Bids. Each bid for the Certificates must be (1) for not less than all of the Certificates hereby offered for sale, (2) for not less than 99% of the par value of the Certificates, (3) unconditional and (4) submitted either (a) via Parity or (b) by written sealed bids on the Official Bid Form attached hereto as Exhibit B (the "Official Bid Form") and signed by a duly authorized signatory of the bidder. No telephone, telefax or teletype bids will be accepted or considered.

If a bidder chooses to submit its bids via Parity, such bidder must follow the instructions under "Use of Parity." If a bidder chooses to submit its bid as a written sealed bid, written sealed bids must be enclosed in a sealed envelope and delivered to the City c/o Angela Whittaker of the Office of Public Finance of the City and County of San Francisco at the address set forth on the cover of this Official Notice of Sale and clearly marked "Bid for the City and County of San Francisco Certificates of Participation, Series 2013A (Moscone Center Improvements)" or words of similar import.

No bid will be accepted after the time specified for receiving bids.

To the extent any instructions or directions set forth in Parity conflict with this Official Notice of Sale, the terms of this Official Notice of Sale shall control. For further information about Parity, potential bidders may contact either of the Co-Financial Advisors or Parity, phone: (212) 849-5021. Bids may include a premium on the par value of the Certificates. No bid submitted to the City is subject to withdrawal or modification by the bidder. **All bids will be deemed to incorporate and be subject to all of the terms of this Official Notice of Sale. The City retains absolute discretion to determine whether any bid, whether electronic or written sealed, is timely and complete and conforms to this Official Notice of Sale. The City takes no responsibility for informing any bidder prior to the time for receiving bids that its bid is incomplete or nonconforming with this Official Notice of Sale or has not been received.**

Use of Parity: The use of Parity shall be at the bidder's option and risk and each bidder thereby agrees to the following terms and conditions: (1) if any provision in this Official Notice of Sale with respect to the Certificates conflicts with information or terms provided or required by Parity, this Official Notice of Sale, including any amendments or modifications issued through a News Service

and/or Parity, will control; (2) each bidder is solely responsible for making necessary arrangements to access Parity for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Official Notice of Sale; (3) the City will not have any duty or obligation to provide or assure access to Parity to any bidder, nor will the City be responsible for proper operation of, or have any liability for, any delays, interruptions or damages caused by use of Parity or any incomplete, inaccurate or untimely bid; (4) the City is permitting the use of Parity as a communication mechanism, and not as an agent of the City, to facilitate the submission of electronic bids for the Certificates; Parity is acting as an independent contractor, and is not acting for or on behalf of the City; (5) the City is not responsible for ensuring or verifying bidder compliance with any procedures established by Parity; (6) the electronic transmission of a bid through Parity (including information regarding the purchase price for the Certificates or the interest rates for any maturity of the Certificates) is the bidder's binding offer to purchase the Certificates; and (7) information provided by Parity to bidders will form no part of any bid or of any contract between the Purchaser and the City unless that information is included in this Official Notice of Sale.

Process of Award. The City will take final action awarding the Certificates or rejecting all bids not later than thirty (30) hours after the time for receipt of bids, unless such time period is waived by the Purchaser.

The following six (6) steps constitute the City's process for a final award of the Certificates:

- (1) The Co-Financial Advisors, on behalf of the City, will give a verbal notice of award to the apparent winning bidder (the "Apparent Winning Bidder") to be determined as described below under "--Basis of Award;"
- (2) The Apparent Winning Bidder shall provide within the time specified by the City the Reoffering Price Certificate described under "--Reoffering Price and Certificate;"
- (3) If the Apparent Winning Bidder submitted its bid via Parity, such Apparent Winning Bidder shall, promptly after verbal award, but no later than one hour after the City award, fax or email to the City (in c/o its Co-Financial Advisors and to the City's Director of Public Finance at the fax and/or email addresses provided for such purpose) the executed and completed Official Bid Form (attached hereto as Exhibit B), executed on the Bidder's behalf by duly authorized signatory;
- (4) The Apparent Winning Bidder shall provide the Good Faith Deposit by wire transfer, as described under "--Good Faith Deposit;"
- (5) The Co-Financial Advisors will fax or email to the Apparent Winning Bidder confirmation of the final principal amortization schedule and purchase price for the Certificates, after adjustments, if any, are made, as described under "TERMS RELATING TO THE CERTIFICATES--Adjustment of Principal Payments;" and
- (6) The City will fax or email to the Apparent Winning Bidder its written final award.

Upon completion of all six (6) steps described above, the Apparent Winning Bidder will be deemed the Purchaser of the Certificates (the "Purchaser") and will be bound by the terms of the contract to purchase the Certificates, which contract shall consist of: (a) this Official Notice of Sale; (b) the information that is transmitted electronically by the bidder through Parity or provided in the bidder's written sealed bid, as applicable; (c) any adjustments to the final principal amortization schedule and purchase price made as described under "TERMS RELATED TO THE CERTIFICATES--Adjustment of Principal Payment;" and (d) the Official Bid Form executed and delivered, provided, however, in case of any inconsistencies between the information in the bid as originally transmitted by the

Apparent Winning Bidder (either electronically or in the form of a written sealed bid) and the Official Bid Form subsequently submitted by such Apparent Winning Bidder, the data submitted electronically through Parity (or the written sealed bid, as applicable) shall control.

Basis of Award. Unless all bids are rejected, the Certificates will be awarded to the responsible bidder whose bid represents the lowest true interest cost ("TIC") to the City, taking into account the interest rate or rates and the discount or premium, if any, specified in the bid. The TIC will be that nominal annual interest rate which, when compounded semiannually and used to discount to the dated date of the Certificates all payments of principal and interest represented by the Certificates, results in an amount equal to the purchase price of such Certificates to be received by the City. In the event that two or more bidders offer bids for the Certificates at the same lowest TIC, the City will determine by lot which bidder will be awarded such Certificates. Bid evaluations or rankings made by Parity are not binding on the City.

Estimate of True Interest Cost. Each bidder is requested, but not required, to state in its bid the amount of interest payable on the Certificates during the life of the issue and the percentage TIC to the City (determined as described above under "-Basis of Award"), which estimate will be considered as informative only and not binding on either the bidder or the City.

Multiple Bids. In the event multiple bids are received from a single bidder by any means or combination thereof, the City will have the right to accept the bid representing the lowest TIC to the City, and each bidder agrees by submitting any bid to be bound by the bid representing the lowest TIC to the City.

Good Faith Deposit. To secure the City from any loss resulting from the failure of the Apparent Winning Bidder to comply with the terms of its bid, a good faith deposit in the amount of [\$300,000.00] (the "Good Faith Deposit") must be provided to the City by the Apparent Winning Bidder.

Upon the determination by the City of the Apparent Winning Bidder of the Certificates, the Co-Financial Advisors will (i) provide the wire transfer information to the Apparent Winning Bidder and (ii) request such bidder to immediately wire the Good Faith Deposit to the account so identified. No later than ninety (90) minutes from the time the Co-Financial Advisors provide the wire transfer information, the Apparent Winning Bidder must wire the Good Faith Deposit and must provide the Federal wire reference number to the Co-Financial Advisors. In the event that the Apparent Winning Bidder does not wire the Good Faith Deposit as required, or does not provide the Federal wire reference number confirming the wire-transfer of such Good Faith Deposit to the Co-Financial Advisors within the time specified above, the City may reject the bid of the Apparent Winning Bidder and may award the Certificates to a responsible bidder that submitted a confirming bid that represents the next lowest TIC to the City.

No interest will be paid upon the Good Faith Deposit made by any bidder. The Good Faith Deposit of the Purchaser will immediately become the property of the City. The Good Faith Deposit will be held and invested for the exclusive benefit of the City. The Good Faith Deposit, without interest thereon, will be credited against the purchase price of the Certificates purchased by the Purchaser at the time of delivery thereof.

If the purchase price is not paid in full upon tender of the Certificates, the City shall retain the Good Faith Deposit and the Purchaser will have no right in or to the Certificates or to the recovery of its Good Faith Deposit, or to any allowance or credit by reason of such deposit, except pursuant to a right of cancellation. See "CLOSING PROCEDURES AND DOCUMENTS-Right of Cancellation." In the event of nonpayment for the Certificates by a successful bidder, the City reserves any and all

rights granted by law to recover the full purchase price of the Certificates and, in addition, any damages suffered by the City.

Reoffering Price and Certificate. The Purchaser of the Certificates must actually reoffer all of the Certificates to the general public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers). As soon as is practicable, but not later than one hour after the award of the Certificates, the Purchaser shall provide to the City a completed certificate in the form attached hereto as Exhibit C (a "Reoffering Price Certificate"), which will state the initial offering prices at which it has offered all of the Certificates of each maturity to the general public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters or wholesalers), in a bona fide public offering. The price and yield will, at the discretion of the City, be reflected in the Official Statement and the Purchaser will be required to certify as to the accuracy of such information. See "CLOSING PROCEDURES AND DOCUMENTS—Purchaser Certificate Concerning Official Statement."

In addition, on the day prior to delivery of the Certificates, the Purchaser shall provide to the City; Squire Sanders (US) LLP, 275 Battery, Suite 2600, San Francisco, California 94111-3492; fax: (415) 393-9887; Attention: Robert Olson, Esq.; e-mail: robert.olson@squiresanders.com; and GCR LLP, 1330 Broadway, Suite 1701, Oakland, California 94612; fax: (510) 380-7704; Attention: Krishna Pettitt, Esq.; e-mail: kpettitt@gcrlegal.com, a Reoffering Price Certificate in the form attached hereto as Exhibit C, which shall be dated the date of the closing and be in a form and substance acceptable to and include such additional information as may be requested by Co-Special Counsel including information necessary to complete IRS form 8038G and information regarding its sales of the Certificates. For the purposes of this paragraph, sales of the Certificates to other securities brokers or dealers will not be considered sales to the general public.

The City, Co-Special Counsel and the Co-Financial Advisors will rely on the Purchaser's certification of the initial public offering prices in determining the arbitrage yield on the Certificates.

Right of Rejection and Waiver of Irregularity. The City reserves the right, in its sole and absolute discretion, to reject any and all bids, for any reason, and to waive any irregularity or informality in any bid.

Right to Modify or Amend. The City reserves the right to modify or amend this Official Notice of Sale in any respect; *provided*, that any such modification or amendment will be communicated to potential bidders through a News Service and/or Parity not later than 1:00 p.m. (California time) on the business day preceding the date for receiving bids. Failure of any potential bidder to receive notice of any modification or amendment will not affect the sufficiency of any such notice or the legality of the sale.

Postponement or Cancellation of Sale. The City may postpone or cancel the sale of the Certificates at or prior to the time for receiving bids. Notice of such postponement or cancellation will be given through a News Service and/or Parity as soon as practicable following such postponement or cancellation. If the sale is postponed, notice of a new sale date will be given through a News Service and/or Parity not later than 1:00 p.m. (California time) on the business day preceding the date that bids are to be received. Failure of any potential bidder to receive notice of postponement or cancellation will not affect the sufficiency of any such notice. In the event of a postponement of the sale only, any subsequent bid submitted by a bidder will supersede any prior bid made.

CLOSING PROCEDURES AND DOCUMENTS

Delivery and Payment. Delivery of the Certificates, in the form of one certificate for each maturity, will be made to the Purchaser through the facilities of DTC in New York, New York,

or through the facilities of the Trustee via FAST transfer, and is presently expected to take place on [May 1, 2013]*. Payment for the Certificates (including any premium) must be made at the time of delivery by wire transfer in funds immediately available in San Francisco. Any expense for making payment in immediately available funds shall be borne by the Purchaser. The costs of preparing the Certificates will be borne by the City. The City will deliver to the Purchaser, dated as of the delivery date, the separate legal opinions of Co-Special Counsel in the form set forth in APPENDIX F-“PROPOSED FORM OF CO-SPECIAL COUNSEL OPINIONS” to the Preliminary Official Statement, subject to changes, as set forth in “TAX MATTERS” in the Preliminary Official Statement.

Qualification for Sale; Blue Sky. The City will furnish such information and take such action not inconsistent with law as the Purchaser may request and the City may deem necessary or appropriate to qualify the Certificates for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States of America as may be designated by the Purchaser; *provided, however,* that the City will not execute a general or special consent to service of process or qualify to do business in connection with such qualification or determination in any jurisdiction. By submitting its bid for the Certificates, the Purchaser assumes all responsibility for qualifying the Certificates for offer and sale under the Blue Sky or other securities laws and regulations of the states and jurisdictions in which the Purchaser offers or sells the Certificates, including the payment of fees for such qualification. **The Purchaser will not sell, offer to sell or solicit any offer to buy, the Certificates in any jurisdiction where it is unlawful for such Purchaser to make such sale, offer or solicitation, and the Purchaser shall comply with the Blue Sky and other securities laws and regulations of the states and jurisdictions in which the Purchaser sells the Certificates.**

Right of Cancellation. The Purchaser will have the right, at its option, to cancel its obligation to purchase the Certificates only if the City fails to execute the Certificates and tender the same for delivery within 30 days from the date of sale thereof, and in such event the Purchaser will only be entitled to the return of the Good Faith Deposit, without interest thereon.

No Litigation. The City Attorney will deliver a certificate stating that no litigation is pending (with service of process having been accomplished), or, to the knowledge of City Attorney, threatened, concerning the validity of the Trust Agreement, the Facilities Lease, the Lease Agreement (as defined in the Preliminary Official Statement) or the Certificates, the corporate existence of the City, or the title to their respective offices of the officers of the City who will execute the Certificates, the Trust Agreement and the Leases.

CUSIP Numbers and other fees. It is anticipated that CUSIP numbers will be printed on the Certificates and in the Official Statement, but neither the failure to print such numbers on any Certificates or the Official Statement nor any error with respect thereto will constitute cause for a failure or refusal by the Purchaser to accept delivery of and pay for the Certificates in accordance with the terms of this Official Notice of Sale. CUSIP data is provided by Standard & Poor’s CUSIP Service Bureau, a division of The McGraw-Hill Companies, Inc. CUSIP numbers will be provided for convenience of reference only. The City will not take any responsibility for the accuracy of such numbers.

The expenses associated with printing CUSIP numbers on the Certificates will be paid by the City, however; the CUSIP Service Bureau charge for the assignment of said CUSIP numbers will be paid by the Purchaser. The Purchaser will also be required to pay all fees required by the Depository Trust Company, Securities Industry and Financial Markets Association, Municipal Securities Rulemaking Board, and other similar entity imposing a fee in connection with the execution and delivery of the Certificates (including the California Debt and Investment Advisory Commission as described below).

* Preliminary, subject to change.

California Debt and Investment Advisory Commission Fee. Pursuant to Section 8856 of the California Government Code, the Purchaser must pay to the California Debt and Investment Advisory Commission within 60 days from the sale date the statutory fee for the Certificates purchased.

Official Statement. Copies of the Preliminary Official Statement prepared by the City will be available electronically at www.i-dealprospectus.com or will be furnished to any interested bidder upon request to the Co-Financial Advisors. The contact information for the Co-Financial Advisors is set forth on page one of this Official Notice of Sale. In accordance with Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12"), the City deems such Preliminary Official Statement final as of its date, except for the omission of certain information permitted by Rule 15c2-12. Within seven business days after the date of award of the Certificates, the Purchaser will be furnished with a reasonable number of copies (not to exceed 100) of the final Official Statement, without charge, for distribution in connection with the resale of the Certificates. Upon the request of the Purchaser made within two (2) days of the award of the Certificates, the City will supply additional copies of the Official Statement at the expense of the Purchaser.

By submitting a bid for the Certificates, each bidder agrees, if awarded the Certificates, (i) to disseminate to all members of the underwriting syndicate, if any, copies of the final Official Statement, including any supplements prepared by the City, (ii) to promptly file a copy of the final Official Statement, including any supplements prepared by the City, with a nationally recognized municipal securities information repository, as defined in Rule 15c2-12, and (iii) to take any and all other actions necessary to comply with applicable Securities and Exchange Commission and Municipal Securities Rulemaking Board rules governing the offering, sale and delivery of the Certificates to the ultimate purchasers, including without limitation the delivery of a final Official Statement to each investor who purchases Certificates.

The form and content of the final Official Statement of the City is within the sole discretion of the City. The Purchaser's name will not appear on the cover of the Official Statement.

City Certificate Regarding Official Statement. At the time of delivery of the Certificates, the Purchaser will receive a certificate, signed by the Controller of the City, confirming to the Purchaser that, to the best knowledge of said officer, the Official Statement relating to the Certificates (excluding information regarding underwriting, the policy of municipal bond insurance and the provider thereof, if any, and The Depository Trust Company and its book-entry system, as to which no view will be expressed), as of the date of sale of the Certificates and as of the date of delivery thereof, did not and does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

Purchaser Certificate Concerning Official Statement. As a condition of delivery of the Certificates, the Purchaser of the Certificates will be required to execute and deliver to the City, prior to the date of closing, a certificate to the following effect:

- (i) The Purchaser has provided to the City the initial reoffering prices or yields on the Certificates as printed in the final Official Statement, and the Purchaser has made a bona fide offering of the Certificates to the public at the prices and yields so shown;
- (ii) The Purchaser has not undertaken any responsibility for the contents of the final Official Statement. The Purchaser, in accordance with and as part of its responsibilities under the federal securities laws, has reviewed the information in the final Official Statement and has not notified the City of the need to modify or supplement the final Official Statement; and
- (iii) The foregoing statements will be true and correct as of the date of closing.

Continuing Disclosure. In order to assist the Purchaser in complying with paragraph (b)(5) of Rule 15c2-12, the City will undertake, pursuant to a Continuing Disclosure Certificate, to provide certain annual financial information and notices of the occurrence of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

Equal Opportunity. Pursuant to the spirit and intent of the City's Local Business Enterprise ("LBE") Ordinance, Chapter 14B of the Administrative Code of the City, the City strongly encourages the inclusion of Local Business Enterprises certified by the San Francisco Human Rights Commission in prospective bidding syndicates. A list of certified LBEs may be obtained from the San Francisco Human Rights Commission, 25 Van Ness Avenue, 8th Floor, San Francisco, California; phone: (415) 252-2500.

THE CITY RETAINS ABSOLUTE DISCRETION TO DETERMINE WHETHER ANY BID IS TIMELY, LEGIBLE AND COMPLETE AND CONFORMS TO THE OFFICIAL NOTICE OF SALE. The Bidder expressly assumes the risk of any incomplete, untimely or otherwise nonconforming bid.

The City reserves the right to modify or amend this Bid Form, in any respect, including, without limitation, increasing or decreasing the principal amount at any serial maturity or mandatory sinking fund and adding or deleting serial or term maturity and mandatory sinking fund and payment dates, along with corresponding principal amounts with respect thereto as provided in "TERMS RELATING TO THE CERTIFICATES-Adjustment of Principal Payments" and "TERMS OF SALE-Right to Modify or Amend" in the Official Notice of Sale.

* Preliminary, subject to change.

EXHIBIT C

FORM OF REOFFERING PRICE CERTIFICATE

**(TO BE DELIVERED AND COMPLETED BY THE PURCHASER OF THE
CERTIFICATES, AS DESCRIBED UNDER "REOFFERING PRICE AND
CERTIFICATE" IN THE OFFICIAL NOTICE OF SALE)**

This Certificate is being delivered by [insert name], the purchaser (the "Purchaser"), in connection with its purchase of the \$[] aggregate principal amount of City and County of San Francisco Certificates of Participation, Series 2013A (Moscone Center Improvements) (the "Certificates"). The Purchaser hereby certifies and represents the following:

A. Issue Price.

1. All the Certificates of all maturities were actually offered by the Purchaser to the public (excluding bond houses, brokers, or similar persons acting in the capacity of underwriters or wholesalers) in a bona fide offering at prices not higher than, or, in the case of obligations sold on a yield basis, at yields not lower than, those set forth in Schedule I attached hereto, which the Purchaser believes is not more than the fair market value of each maturity as of _____, the date of sale of the Certificates.

2. On the date of the sale of the Certificates, the Purchaser sold or reasonably expected to sell to the public (excluding bond houses and brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at least ten percent (10%) of each maturity of the Certificates at prices not higher than, or, in the case of obligations sold on a yield basis, at yields not lower than, those set forth in Schedule I attached hereto.

3. As of the date hereof, neither the Purchaser nor any affiliate of the Purchaser has participated in offering any derivative product with respect to the Certificates.

B. Compensation.

All compensation received by the Purchaser for underwriting services (which includes certain expenses) in connection with the sale and delivery of the Certificates will be paid in the form of a purchase discount in the amount of \$ _____, and no part of such compensation includes any payment for any property or services other than underwriting services relating to sale and delivery of the Certificates.

The signer is an authorized representative of the Purchaser and is duly authorized by the Purchaser to execute and deliver this Certificate on behalf of the Purchaser. The Purchaser understands that the representations contained in this Certificate will be relied on by the City and County of San Francisco in making certain of its representations in its Tax Certificate for the Certificates and in completing and filing the Information Return for the Certificates with the Internal Revenue Service, and by Squire Sanders (US) LLP and GCR, LLP, Co-Special Counsel to the City and County of San Francisco, in rendering certain legal opinions in connection with the issuance of the Certificates.

NOTICE OF INTENTION TO SELL

[\$29,770,000*]

**CITY AND COUNTY OF SAN FRANCISCO
CERTIFICATES OF PARTICIPATION, SERIES 2013A
(MOSCONE CENTER IMPROVEMENTS)**

NOTICE IS HEREBY GIVEN that the City and County of San Francisco (the "City") intends to offer for public sale the above captioned Certificates of Participation (the "Certificates") on

[Wednesday April 10, 2013,] at 8:30 a.m. (California time)

by either electronic bids solely through Ipreo LLC's BiDCOMP™/PARITY® System ("Parity") or written sealed bids delivered at the Office of Public Finance, 1 Dr. Carlton B. Goodlett Place, City Hall, Room 336, San Francisco 94102.

The City reserves the right to postpone or cancel the sale of the Certificates or change the terms thereof upon notice given through any of the Bond Buyer Wire, Thomson Financial or Bloomberg Business News (each, a "News Service") and/or Parity. In the event that no bid is awarded for the Certificates, the City will reschedule such sale to another date or time by providing notification through a News Service and/or Parity.

The Certificates will be offered for public sale subject to the terms and conditions of the Official Notice of Sale. The Preliminary Official Statement and the Official Notice of Sale for the Certificates will be posted electronically at Ipreo Prospectus www.i-dealprospectus.com on or around [Wednesday, April 3, 2013]. Failure of any bidder to receive such notice shall not affect the legality of the sale. Copies of the Preliminary Official Statement and the Official Notice of Sale for the Certificates may be obtained from either of the City's Co-Financial Advisors: FirstSouthwest Company, 1620 26th Street, Suite 230-S, Santa Monica, California 90404; telephone: (310) 401-8052 (office), Attention: Michael D. Kremer (email: michael.kremer@firstsw.com); and Ross Financial, 1736 Stockton Street, Suite 1, San Francisco, California 94133; telephone: (415) 912-5612 (office), Attention: Peter J. Ross (email: rossfinancial@smkc.com).

Other than with respect to postponement or cancellation as described above, the City reserves the right to modify or amend the Official Notice of Sale relating to the Certificates in any respect, as more fully described in the Official Notice of Sale; provided, that any such modification or amendment will be communicated to potential bidders through a News Service and/or Parity not later than 1:00 p.m. (California time) on the business day preceding the date for receiving bids for the Certificates. Failure of any potential bidder to receive notice of any modification or amendment will not affect the sufficiency of any such notice or the legality of the sale.

(See "RATINGS" herein)

In the opinion of Squire Sanders (US) LLP, San Francisco, California, and GCR, LLP, Oakland California, Co-Special Counsel, under existing law (i) assuming continuing compliance with certain covenants and the accuracy of certain representations, the interest component of the Base Rental payable by the City is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations and (ii) such interest is exempt from State of California personal income taxes. Such interest may be subject to certain federal taxes imposed only on certain corporations, including the corporate alternative minimum tax on a portion of that interest. For a more complete discussion of the tax aspects, see "TAX MATTERS" herein.

**CITY AND COUNTY OF SAN FRANCISCO
CERTIFICATES OF PARTICIPATION, SERIES 2013A
(MOSCONE CENTER IMPROVEMENTS)**

**evidencing proportionate interests of the Owners thereof in a Lease Agreement,
including the right to receive Base Rental payments to be made by the
CITY AND COUNTY OF SAN FRANCISCO**

Dated: Date of Delivery

Due: September 1, as shown on the inside cover

This cover page contains certain information for general reference only. It is not intended to be a summary of the security for or the terms of the Certificates. Investors are advised to read the entire Official Statement to obtain information essential to the making of an informed investment decision.

The Certificates captioned above (the "Certificates") will be sold to provide funds to: (i) retire certain commercial paper certificates of participation of the City and County of San Francisco (the "City"), the proceeds of which financed the costs of the acquisition, construction, renovation, reconstruction and equipping of improvements to the existing site and facilities of Moscone Center (as further described herein, the "Project"); (ii) fund the Reserve Fund established under the Trust Agreement for the Certificates; and (iii) pay costs of execution and delivery of the Certificates. See "ESTIMATED SOURCES AND USES OF FUNDS."

The Certificates are executed and delivered pursuant to a Trust Agreement, dated as of May 1, 2013 (the "Trust Agreement"), by and between the City and [Name of Trustee], as trustee (the "Trustee"), and in accordance with the Charter of the City (the "Charter"). See "THE CERTIFICATES – Authority for Execution and Delivery." The Certificates evidence the principal and interest components of the Base Rental payable by the City pursuant to a Lease Agreement dated as of May 1, 2013 (the "Lease Agreement"), by and between the Trustee, as lessor, and the City, as lessee. The City has covenanted in the Lease Agreement to take such action as may be necessary to include and maintain all Base Rental and Additional Rental payments in its annual budget, and to make necessary annual appropriations therefor. See "SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES – Covenant to Budget." The obligation of the City to pay Base Rental is in consideration for the use and occupancy of the site and facilities subject to the Lease Agreement (as further described herein, the "Leased Property"), and such obligation may be abated in whole or in part if there is substantial interference with the City's use and occupancy of the Leased Property. See "CERTAIN RISK FACTORS – Abatement." The Leased Property generally consists of (i) the office building located at 555 7th Street, San Francisco, California, and (ii) a portion of the office building located at 25 Van Ness Avenue, San Francisco, California, and does not include the Project. See "THE PROJECT AND THE LEASED PROPERTY" herein.

The Certificates will be delivered in fully registered form and registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). Individual purchases of the Certificates will be made in book entry form only, in the principal amount of \$5,000 and integral multiples thereof. Principal and interest with respect to the Certificates will be paid by the Trustee to DTC, which will in turn remit such payments to the participants in DTC for subsequent disbursement to the beneficial owners of the Certificates. See "THE CERTIFICATES – Form and Registration." Interest evidenced and represented by the Certificates is payable on March 1 and September 1 of each year, commencing September 1, 2013. Principal will be paid as shown on the inside cover hereof. See "THE CERTIFICATES – Payment of Principal and Interest."

The Certificates are subject to prepayment prior to maturity as described herein. See "THE CERTIFICATES – Prepayment of the Certificates."

THE OBLIGATION OF THE CITY TO MAKE BASE RENTAL OR ADDITIONAL RENTAL PAYMENTS UNDER THE LEASE AGREEMENT DOES NOT CONSTITUTE AN OBLIGATION FOR WHICH THE CITY IS OBLIGATED TO LEVY OR PLEDGE ANY FORM OF TAXATION OR FOR WHICH THE CITY HAS LEVIED OR PLEDGED ANY FORM OF TAXATION. NEITHER THE CERTIFICATES NOR THE OBLIGATION OF THE CITY TO MAKE BASE RENTAL OR ADDITIONAL RENTAL PAYMENTS CONSTITUTES AN INDEBTEDNESS OF THE CITY, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION. THE CITY SHALL BE OBLIGATED TO MAKE BASE RENTAL PAYMENTS SUBJECT TO THE TERMS OF THE LEASE AGREEMENT AND NEITHER THE CITY NOR ANY OF ITS OFFICERS SHALL INCUR ANY LIABILITY OR ANY OTHER OBLIGATION WITH RESPECT TO THE EXECUTION AND DELIVERY OF THE CERTIFICATES. SEE "CERTAIN RISK FACTORS."

MATURITY SCHEDULE

(See inside cover)

The Certificates are offered when, as and if executed and received by the initial purchasers, subject to the approval of the validity of the Lease Agreement by Squire Sanders (US) LLP, San Francisco, California, and GCR, LLP, Oakland, California, Co-Special Counsel, and certain other conditions. Certain legal matters will be passed upon for the City by the City Attorney and by Hawkins Delafield & Wood LLP, San Francisco, California, Disclosure Counsel. It is expected that the Certificates in book-entry form will be available for delivery through DTC on or about _____, 2013.

Dated: _____, 2013.

*Preliminary, subject to change.

This Preliminary Official Statement and the information contained herein are subject to completion or amendment without notice. Under no circumstances shall this Preliminary Official Statement constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities, in any jurisdiction in which such offer, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction.

CITY AND COUNTY OF SAN FRANCISCO CERTIFICATES OF PARTICIPATION, SERIES 2013A (MOSCONE CENTER IMPROVEMENTS)

**evidencing proportionate interests of the Owners thereof in a Lease Agreement,
including the right to receive Base Rental payments to be made by the
CITY AND COUNTY OF SAN FRANCISCO**

INTRODUCTION

This Official Statement, including the cover page and the appendices hereto, is provided to furnish information in connection with the offering by the City and County of San Francisco (the "City") of its City and County of San Francisco Certificates of Participation, Series 2013A (Moscone Center Improvements) (the "Certificates"). Any capitalized term not defined herein will have the meaning given to such term in APPENDIX C: "SUMMARY OF CERTAIN PROVISIONS OF THE LEGAL DOCUMENTS – Definitions." The references to any legal documents, instruments and the Certificates in this Official Statement do not purport to be comprehensive or definitive, and reference is made to each such document for complete details of all terms and conditions.

This Introduction is designed to give an overview of the transactions and serve as a guide to the contents of this Official Statement.

Overview of the Transaction. The City, exercising its Charter powers to convey and lease property for City purposes, will convey certain real property to [Name of Trustee], as trustee (the "Trustee") under the Facilities Lease dated as of May 1, 2013, by and between the City, as lessor, and the Trustee, as lessee (the "Facilities Lease"), at a nominal annual rent. The Trustee will lease the Leased Property (as defined hereafter) back to the City for the City's use under the Lease Agreement dated as of May 1, 2013, by and between the Trustee and the City (the "Lease Agreement"). The Leased Property generally consists of (i) the office building located at 555 7th Street, San Francisco, California, and (ii) a portion of the office building located at 25 Van Ness Avenue, San Francisco, California. See "THE PROJECT AND THE LEASED PROPERTY." The City will be obligated under the Lease Agreement to pay Base Rental payments and other payments to the Trustee each year during the term of the Lease Agreement (subject to certain conditions under which Base Rental may be "abated" as discussed herein). Each payment of Base Rental will consist of principal and interest components, and when received by the Trustee in each rental period, will be deposited in trust for payment of the Certificates. The Trustee will create the "certificates of participation" in the Lease Agreement, representing proportional interests in the principal and interest components of Base Rental it will receive from the City. The Trustee will apply Base Rental it receives to pay principal and interest with respect to each Certificate when due according to the Trust Agreement dated as of May 1, 2013, by and between the City and the Trustee (the "Trust Agreement"), which governs the security and terms of payment of the Certificates. The money received from the sale of the Certificates will be applied by the Trustee, at the City's direction, to finance the acquisition, construction, renovation, reconstruction and equipping of improvements to the existing site and facilities of the Moscone Center (as further defined herein, the "Project"). The Project is not a part of the Leased Property. See "THE PROJECT AND THE LEASED PROPERTY" herein.

Guide to this Official Statement. The Project and the Leased Property are described herein in the section "THE PROJECT AND THE LEASED PROPERTY." The application of the proceeds of sale of the Certificates is described in the sections "THE PROJECT AND THE LEASED PROPERTY" and "ESTIMATED SOURCES AND USES OF FUNDS." The terms of the Certificates and repayment thereof and security for the Certificates are described in the sections "THE CERTIFICATES," "SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES," and other sections in the front portion of this Official Statement. Current information about the City, its finances and governance, are provided in APPENDIX A. The City's most recent comprehensive annual financial report appears in APPENDIX B. A summary of the Lease Agreement, the Facilities Lease, the Trust Agreement, and other basic legal documents are provided in APPENDIX C.

This Official Statement speaks only as of its date, and the information contained herein is subject to change. Except as required by the Continuing Disclosure Certificate to be executed by the City, the City has no obligation to update the information in this Official Statement. See "CONTINUING DISCLOSURE" and APPENDIX D: "FORM OF CONTINUING DISCLOSURE CERTIFICATE" herein.

Quotations from and summaries and explanations of the Certificates, the Trust Agreement, the Lease Agreement, the Facilities Lease, the resolutions providing for the execution and delivery of the Certificates, other legal documents and provisions of the constitution and statutes of the State of California (the "State"), the City's Charter and ordinances, and other documents described herein, do not purport to be complete, and reference is made to said laws and documents for the complete provisions thereof. Copies of those documents and information concerning the Certificates are available from the City through the Office of Public Finance, 1 Dr. Carlton B. Goodlett Place, Room 336, San Francisco, CA 94102-4682. Reference is made herein to various other documents, reports, websites, etc., which were either prepared by parties other than the City, or were not prepared, reviewed and approved by the City with a view towards making an offering of public securities, and such materials are therefore not incorporated herein by such references nor deemed a part of this Official Statement.

THE CITY AND COUNTY OF SAN FRANCISCO

The City is the economic and cultural center of the San Francisco Bay Area and northern California. The corporate limits of the City encompass over 93 square miles, of which 49 square miles are land, with the balance consisting of tidelands and a portion of the San Francisco Bay (the "Bay"). The City is located at the northern tip of the San Francisco Peninsula, bounded by the Pacific Ocean to the west, the Bay and the San Francisco-Oakland Bay Bridge to the east, the entrance to the Bay and the Golden Gate Bridge to the north, and San Mateo County to the south. Silicon Valley is about a 40-minute drive to the south, and the wine country is about an hour's drive to the north. The City's most recently completed and adopted Comprehensive Annual Financial Report (the "CAFR") for fiscal year 2011-12 estimated the City's fiscal year 2011-12 population at 820,466.

The San Francisco Bay Area consists of the nine counties contiguous to the Bay: Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano and Sonoma Counties (collectively, the "Bay Area"). The economy of the Bay Area includes a wide range of industries, supplying local needs as well as the needs of national and international markets. Major business sectors in the Bay Area include retail, entertainment and the arts, conventions and tourism, service businesses, banking, professional and financial services, corporate headquarters, international and wholesale trade, multimedia and advertising, biotechnology and higher education.

The City is a major convention and tourist destination. According to the San Francisco Travel Association, a nonprofit membership organization, during the calendar year 2011, approximately 16.35 million people visited the City and spent an estimated \$8.46 billion during their stay. The City is also a leading center for financial activity in the State and is the headquarters of the Twelfth Federal Reserve District, the Eleventh District Federal Home Loan Bank, and the San Francisco regional Office of Thrift Supervision.

The City benefits from a highly skilled, educated and professional labor force. The CAFR estimates that per-capita personal income of the City for fiscal year 2011-12 was \$74,040. The San Francisco Unified School District operates 71 elementary and K-8 school sites, 13 middle schools, 17 senior high schools (including two continuation schools and an independent study school), and 36 state-funded preschool sites, and sponsors 9 independent charter schools. Higher education institutions located in the City include the University of San Francisco, California State University – San Francisco, University of California – San Francisco (a medical school and health science campus), the University of California Hastings College of the Law, the University of the Pacific's School of Dentistry, Golden Gate University, City College of San Francisco (a public community college), the Art Institute of California – San Francisco, the San Francisco Conservatory of Music, the California Culinary Academy, and the Academy of Art University.

San Francisco International Airport ("SFO"), located 14 miles south of downtown San Francisco in an unincorporated area of San Mateo County and owned and operated by the City, is the principal commercial service airport for the Bay Area and one of the nation's principal gateways for Pacific traffic. In fiscal year 2011-12, SFO serviced approximately 43.1 million passengers and handled 385,113 metric tons of cargo. The City is also served

by the Bay Area Rapid Transit District (electric rail commuter service linking the City with the East Bay and the San Francisco Peninsula, including SFO), Caltrain (a conventional commuter rail line linking the City with the San Francisco Peninsula), and bus and ferry services between the City and residential areas to the north, east and south of the City. San Francisco Municipal Railway, operated by the City, provides bus and streetcar service within the City. The Port of San Francisco (the "Port"), which administers 7.5 miles of Bay waterfront held in "public trust" by the Port on behalf of the people of the State, promotes a balance of maritime-related commerce, fishing, recreational, industrial and commercial activities and natural resource protection.

The City is governed by a Board of Supervisors elected from eleven districts to serve four-year terms, and a Mayor who serves as chief executive officer, elected citywide to a four-year term. Edwin M. Lee is the 43rd and current Mayor of the City, having been elected by the voters of the City in November 2011. The City's fiscal year 2012-13 adopted budget includes \$[7.35] billion of expenditures and reserves, of which \$[3.48] billion was allocated to the General Fund of the City and \$[3.87] billion was allocated to all other funds, including enterprise fund departments, such as SFO, the San Francisco Municipal Transportation Agency, and the San Francisco Public Utilities Commission. The CAFR estimates that the City employed 28,073 full-time-equivalent employees at the end of fiscal year 2011-12. According to the Controller of the City (the "Controller"), fiscal year 2012-13 total net assessed valuation of taxable property in the City is approximately \$[165] billion.

More detailed information about the City's governance, organization and finances may be found in APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES" and in APPENDIX B: "COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY AND COUNTY OF SAN FRANCISCO FOR THE FISCAL YEAR ENDED JUNE 30, 2012."

[RECENT DEVELOPMENTS]

[The information contained in APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES" was prepared by the City for inclusion in official statements relating to debt obligations of the City and updated as of _____, 2013. The following information supplements and amends the information set forth in such Appendices as of the date of this Official Statement.]

[additional updates to come, if necessary]

THE CERTIFICATES

Authority for Execution and Delivery

The Certificates will be executed and delivered pursuant to the Trust Agreement. Each Certificate will represent a proportionate interest in the right of the Trustee to receive Base Rental payments (comprising principal and interest components) payable by the City pursuant to the Lease Agreement. The City will be obligated under the Lease Agreement to pay the Base Rental in consideration for its use and occupancy of the Leased Property. The Leased Property will be leased by the City to the Trustee pursuant to the Facilities Lease.

The Trust Agreement, the Facilities Lease, and the Lease Agreement were approved by the Board of Supervisors of the City by its Resolution No. 530-08, adopted by the Board of Supervisors on December 16, 2008 and approved by the Mayor on December 19, 2008, and the sale of the Certificates was authorized by Resolution No. _____, adopted by the Board of Supervisors on _____, 2013 and approved by the Mayor on _____, 2013 (collectively, the "Resolution"). The Resolution authorized the execution and delivery of up to \$45,000,000 aggregate principal amount of the Certificates under the Trust Agreement and the payment of a maximum annual Base Rental payment under the Lease Agreement. Under Section 9.108 of the Charter of the City, the City is authorized to enter into lease-financing agreements with a public agency or nonprofit corporation only with the assent of the majority of the voters voting upon a proposition for the purpose. The lease-financing arrangements with the Trustee for the Certificates do not fall under this provision, since the Trustee is neither a public agency nor a nonprofit corporation.

Payment of Principal and Interest

The principal evidenced and represented by the Certificates will be payable on September 1 of each year shown on the inside cover hereof, or upon prepayment prior thereto, and will evidence and represent the sum of the portions of the Base Rental Payments designated as principal components coming due on each September 1. Payment of the principal and premium, if any, of the Certificates upon prepayment or upon the Certificate Payment Date will be made upon presentation and surrender of such Certificates at the Principal Office of the Trustee. Principal and premium will be payable in lawful money of the United States of America.

Interest evidenced and represented by the Certificates will be payable on March 1 and September 1 of each year, commencing on September 1, 2013 (each, an "Interest Payment Date") and continuing to and including their Certificate Payment Dates or on prepayment prior thereto, and will evidence and represent the sum of the portions of the Base Rental designated as interest components coming due on such dates in each year. Interest with respect to the Certificates will be calculated on the basis of a 360-day year composed of twelve 30-day months. Interest evidenced and represented by each Certificate will accrue from the Interest Payment Date next preceding the date of execution and delivery thereof, unless (i) it is executed after a Regular Record Date and before the close of business on the immediately following Interest Payment Date, in which event interest represented thereby will be payable from such Interest Payment Date; or (ii) it is executed prior to the close of business on the first Regular Record Date, in which event interest represented thereby will be payable from the date of delivery; provided, however, that if at the time of execution of any Certificate interest thereon is in default, such interest will be payable from the Interest Payment Date to which interest has previously been paid or made available for payment or, if no interest has been paid or made available for payment, from the date of delivery.

Interest evidenced and represented by the Certificates will be payable in lawful money of the United States of America. Payments of interest represented by the Certificates will be made on each Interest Payment Date by check of the Trustee sent by first-class mail, postage prepaid, or by wire transfer to any Owner of \$1,000,000 or more of Certificates to the account in the United States of America specified by such Owner in a written request delivered to the Trustee on or prior to the Regular Record Date for such Interest Payment Date, to the Owner thereof on the Regular Record Date.

Form and Registration

The Certificates will be executed and delivered in the aggregate principal amount shown on the cover hereof.

The Certificates will be delivered in fully registered form, without coupons, dated their date of delivery, and registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), who will act as securities depository for the Certificates. Individual purchases of the Certificates will be made in book-entry form only in the principal amount of \$5,000 or any integral multiple thereof. Principal and interest evidenced and represented by the Certificates will be paid by the Trustee to DTC which will in turn remit such principal and interest to the participants in DTC for subsequent disbursement to the beneficial owners of the Certificates. Beneficial owners of the Certificates will not receive physical certificates representing their interest in the Certificates. For further information concerning the Book-Entry Only System, see APPENDIX E: "DTC AND THE BOOK-ENTRY ONLY SYSTEM."

Prepayment of the Certificates

Special Mandatory Prepayment

The Certificates will be subject to mandatory prepayment prior to their respective Certificate Payment Dates, as a whole or in part on any date, at a Prepayment Price equal to the principal amount thereof (plus accrued but unpaid interest to the prepayment date), without premium, from amounts deposited in the Prepayment Account of the Base Rental Fund following an event of damage, destruction or condemnation of the Leased Property or any portion thereof or upon loss of the use or possession of the Leased Property or any portion thereof due to a title defect.

Selection of Certificates for Prepayment

Whenever provision is made in the Trust Agreement for the prepayment of Certificates and less than all of the Outstanding Certificates will be prepaid, the City will direct the principal amount of each Certificate Payment Date to be prepaid. Within a Certificate Payment Date, the Trustee, with the consent of the City, will select Certificates for prepayment by lot in any manner which the Trustee in its sole discretion deems fair and appropriate; provided, however, that the portion of any Certificate to be prepaid will be in Authorized Denominations and all Certificates to remain Outstanding after any prepayment in part will be in Authorized Denominations.

Notice of Prepayment

Notice of prepayment will be given to the respective Owners of Certificates designated for prepayment by Electronic Notice or first-class mail, postage prepaid, at least 30 but not more than 45 days before any prepayment date, at their addresses appearing on the registration books maintained by the Trustee; provided, however, that so long as the DTC book-entry system is used for any Certificates, notice with respect thereto will be given to DTC, as nominee of the registered Owner, in accordance with its operational requirements. Notice will also be given as required by the Continuing Disclosure Certificate. See "CONTINUING DISCLOSURE" herein.

Each notice of prepayment will specify: (i) the Certificates or designated portions thereof (in the case of prepayment of the Certificates in part but not in whole) which are to be prepaid, (ii) the date of prepayment, (iii) the place or places where the prepayment will be made, including the name and address of the Trustee, (iv) the prepayment price, (v) the CUSIP numbers (if any) assigned to the Certificates to be prepaid, (vi) the Certificate numbers of the Certificates to be prepaid in whole or in part and, in the case of any Certificate to be prepaid in part only, the amount of such Certificate to be prepaid, and (vii) the original delivery date and stated Certificate Payment Date of each Certificate to be prepaid in whole or in part. Each notice will further state that on the specified date there will become due and payable with respect to each Certificate or portion thereof being prepaid the prepayment price, together with interest represented thereby accrued but unpaid to the prepayment date, and that from and after such date, if sufficient funds are available for prepayment, interest with respect thereto will cease to accrue and be payable. Neither the failure to receive any notice nor any defect therein will affect the proceedings for such prepayment.

Effect of Prepayment

If, on the designated prepayment date, money for the prepayment of all of the Certificates to be prepaid, together with accrued interest to such prepayment date, is held by the Trustee so as to be available for the prepayment on the scheduled prepayment date, and if a prepayment notice has been given as described above, then from and after such prepayment date, no additional interest will become due with respect to the Certificates to be prepaid, and such Certificate or portion thereof will no longer be deemed Outstanding under the provisions of the Trust Agreement; however, all money held by or on behalf of the Trustee for the prepayment of such Certificates will be held in trust for the account of the Owners thereof.

If the City acquires any Certificate by purchase or otherwise, such Certificate will no longer be deemed Outstanding and will be surrendered to the Trustee for cancellation.

Purchase of Certificates

Unless expressly provided in the Trust Agreement, money held in the Base Rental Fund may be used to reimburse the City for the purchase of Certificates that would otherwise be subject to prepayments from such moneys upon the delivery of such Certificates to the Trustee for cancellation at least 10 days prior to the date on which the Trustee is required to select Certificates for prepayment. The purchase price of any Certificates purchased by the City will not exceed the applicable prepayment price of the Certificates that would be prepaid but for the operation of this paragraph. Any such purchase must be completed prior to the time notice would otherwise be required to be given to prepay the related Certificates. All Certificates so purchased will be surrendered to the Trustee for cancellation and applied as a credit against the obligation to prepay such Certificates from such moneys.

THE PROJECT AND THE LEASED PROPERTY

The Project. A portion of the proceeds of the Certificates will be used to retire certain commercial paper certificates of participation of the City, the proceeds of which financed the costs of the Project, which consisted of the acquisition, construction, renovation, reconstruction and equipping of improvements to the existing site and facilities of the George R. Moscone Convention Center (the "Moscone Center") and related property owned by the City and located at the northwest corner of Howard and Fourth Streets in the City. The Project was completed in _____. See "ESTIMATED SOURCES AND USES OF FUNDS" herein for a further description of the expected application of proceeds of sale of the Certificates.

The Moscone Center, initially opened in 1981, is the principal convention center facility in the City. Moscone Center is situated on two adjacent 11-acre blocks bounded by Mission, Folsom, Third and Fourth Streets. Situated in the heart of downtown, the center is within walking distance of nearly 20,000 hotel rooms. Moscone Center's primary users are from the medical, financial and high tech industries.

The Moscone Center and related property located at the northwest corner of Howard and Fourth Streets in the City are not part of the Leased Property.

The Leased Property. The Leased Property will consist of the following City-owned properties: (i) the office building located at 555 7th Street, San Francisco, California, and (ii) a portion of the office building located at 25 Van Ness Avenue, San Francisco, California, as further described below.

555 7th Street. 555 7th Street is a single building containing two floors of office space (approximately 32,000 square feet), constructed over one floor of covered automobile parking (approximately 16,000 square feet with 60 stalls). Construction of the building was completed in January 1987 as a Type V (wood frame with stucco siding), [one-hour rated,] sprinklered office building. The building was constructed in accordance with codes applicable at the time of construction with respect to seismic safety. Since its construction, the only tenants of this property have been the Public Defender's office (24,332 square feet) and the Sheriff's Department (approximately 7,668 square feet). The City first occupied the building in March 1987. The property was improved to meet the needs of these City departments. The building occupies the entire lot except for approximately 2,700 square feet utilized as an uncovered, paved, rear yard parking area providing 11 additional parking spaces. The rear yard area also contains various mechanical equipment protected by steel bollards related to the building.

25 Van Ness Street. The office building on 25 Van Ness Street is a steel-framed office building consisting of eight stories plus a basement, and the portion included in the Leased Property has a net rentable area of approximately 134,182 square feet. The parcel of land on which the building sits has an area of 19,740 square feet, and is located in the Civic Center area of the City, in the vicinity of City Hall. The office building was originally designed by the San Francisco architectural firm of Bliss and Faville as the Masonic Temple and the initial construction was completed in 1913. In 1984, the building was completely renovated and brought up to the then-current seismic code. The seismic code has been revised since that time. All new mechanical, electrical and life safety systems were installed during the renovation. Over the last two years, an additional \$10,000,000 in improvements have been made to the interior of the building to facilitate an expansion of the City's Department of Health Services on several floors. The building is fully occupied by various departments of the City, with the exception of 12,552 square feet under lease to a non-profit California corporation (The New Conservatory Theatre Company), which space is not included in the Leased Property.

ESTIMATED SOURCES AND USES OF FUNDS

Following is a table of estimated sources and uses of funds with respect to the Certificates:

Costs of Delivery ⁽¹⁾	
<i>Total Uses</i>	

⁽¹⁾ Includes amounts for legal fees, Trustee's fees and expenses, financial advisory fees, rating agency fees, appraisals and property condition report fees, escrow and title insurance fees, rounding amounts, printing costs and any other delivery costs.

BASE RENTAL PAYMENT SCHEDULE

The Lease Agreement requires the City to make Base Rental payments in arrears on each February 23 and August 25, commencing August 25, 2013, in payment for the use and occupancy of the Leased Property during the term of the Lease Agreement.

The Trust Agreement requires that Base Rental payments be deposited in the Base Rental Fund maintained by the Trustee. Pursuant to the Trust Agreement, on March 1 and September 1 of each year, commencing on September 1, 2013, the Trustee will apply such amounts in the Base Rental Fund as are necessary to make principal and interest payments with respect to the Certificates as the same become due and payable, as shown in the following table.

Base Rental Payment Schedule

<u>Payment Date</u>	<u>Principal</u>	<u>Total Interest</u>	<u>Semi-Annual Debt Service</u>

9/1/2016			
3/1/2017			
9/1/2017			

SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES

Source of Payment

The Certificates will evidence and represent proportionate interests in the Base Rental payments required to be made by the City to the Trustee under the Lease Agreement so long as the City has use and occupancy of the Leased Property. The Lease Agreement terminates on September 1, 2017, or upon early payment of all of the Certificates in accordance with the Trust Agreement, unless extended upon the event of abatement. See "Abatement of Base Rental Payments" below.

Pursuant to the Trust Agreement, the City will grant to the Trustee, for the benefit of the Owners, a first and exclusive lien on, and security interest in, all amounts on hand from time to time in the funds and accounts established under the Trust Agreement (excluding the Rebate Fund), including: (i) all Base Rental payments received by the Trustee from the City; (ii) the proceeds of any insurance (including the proceeds of any self-insurance and any liquidated damages received in respect of the Leased Property), and eminent domain award not required to be used for repair or replacement of the Project or the Leased Property; (iii) proceeds of rental interruption insurance policies with respect to the Leased Property, (iv) all amounts on hand from time to time in the Reserve Fund and the Base Rental Fund established under the Trust Agreement, including amounts transferred to the Base Rental Fund from other funds and accounts, as provided in the Trust Agreement (including proceeds of the Certificates no longer needed to complete the Project or to pay costs of execution and delivery of the Certificates); and (v) any additional property subjected to the lien of the Trust Agreement by the City or anyone on its behalf. The City will pay to the Trustee the Base Rental payments to the extent required under the Lease Agreement, which Base Rental payments are designed to be sufficient, in both time and amount, to pay, when due, the annual principal and interest represented by the Certificates.

Covenant to Budget

The City will covenant in the Lease Agreement to take such action as may be necessary to include all Rental Payments as a separate line item in its annual budget and to make the necessary annual appropriations for such Rental Payments. The Lease Agreement provides that such covenants on the part of the City are deemed and construed to be ministerial duties imposed by law and by the Charter, and it is the duty of each and every public official of the City to take such action and do such things as are required by law and by the Charter in the performance of the official duty of such officials to enable the City to carry out and perform the covenants and agreements in the Lease agreed to be carried out and performed by the City.

If the City defaults on its covenant in the Lease Agreement to include all Rental Payments in the applicable annual budget and such default continues for 60 days or more, the Trustee may either re-let the Leased Property for the account of the City or may retain the Lease Agreement and hold the City liable for all Rental Payments on an annual basis.

The obligation of the City to make Rental Payments is an obligation payable from any legally available funds of the City. For a discussion of the budget and finances of the City, see APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES – City Budget" and APPENDIX B: "COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY AND COUNTY OF SAN FRANCISCO FOR THE YEAR ENDED JUNE 30, 2012." For a discussion of the City's investment policy regarding pooled cash, see APPENDIX G: "CITY AND COUNTY OF SAN FRANCISCO OFFICE OF THE TREASURER INVESTMENT POLICY."

Limited Obligation

The obligation of the City to make Base Rental or Additional Rental payments under the Lease Agreement does not constitute an obligation for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation. Neither the Certificates nor the obligation of the City to make Base Rental or Additional Rental payments constitutes an indebtedness of the City, the State or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction. See "CERTAIN RISK FACTORS – Rental Payments Not a Debt of the City."

Base Rental Payments; Additional Rental

Base Rental Payments. The City has covenanted in the Lease Agreement that, so long as the City has the full use and occupancy of the Leased Property, it will make Base Rental payments to the Trustee from any legally available funds of the City. The Trustee is required by the Trust Agreement to deposit in the Base Rental Fund all Base Rental payments and certain other amounts received and required to be deposited therein, including investment earnings. The total Rental Payment due in any Fiscal Year will not be in excess of the total fair rental value of the Leased Property for such Fiscal Year.

Base Rental payments will be payable by the City on February 23 and August 25 of each year during the term of the Lease, commencing August 25, 2013, provided that any such payment will be for that portion of the applicable period that the City has use and occupancy of all or a portion of the Leased Property. In the event that during any such period the City does not have use and occupancy of all or a portion of the Leased Property due to material damage to, destruction of or condemnation of or defects in the title to the Leased Property, Base Rental payments are subject to abatement. See "– Abatement of Base Rental Payments" and "CERTAIN RISK FACTORS – Abatement." The obligation of the City to make Base Rental payments is payable solely from annual appropriations of the City from any legally available funds of the City and the City has covenanted in the Lease Agreement to take such action as may be necessary to include all Base Rental and Additional Rental due under the Lease Agreement as a separate line item in its annual budget and to make necessary annual appropriations for all such Base Rental and Additional Rental, subject to the abatement provisions under the Lease Agreement. See "– Covenant to Budget" above.

Additional Rental. Additional Rental payments due from the City to the Trustee include, among other things, amounts sufficient to pay any taxes and insurance premiums, and to pay all fees, costs and expenses of the Trustee in connection with the Trust Agreement, deposits required to be made to the Rebate Fund, if any, and all other fees, costs and expenses of the Trustee incurred from time to time in administering the Lease Agreement and the Trust Agreement. The City is also responsible for repair and maintenance of the Leased Property during the term of the Lease Agreement.

Abatement of Base Rental Payments

The Trustee will collect and receive all of the Base Rental payments, and all payments of Base Rental received by the Trustee under the Lease Agreement will be deposited into the Base Rental Fund. The City's obligation to make Rental Payments in the amount and on the terms and conditions specified in the Lease Agreement is absolute and unconditional without any right of set-off or counterclaim, subject only to the provisions of the Lease Agreement regarding rental abatement. See "CERTAIN RISK FACTORS – Abatement."

Rental Payments will be abated during any period in which there is substantial interference with the right to the use and occupancy of the Leased Property or any portion thereof by the City, by reason of material damage, destruction or condemnation of the Leased Property or any portion thereof, or due to defects in title to the Leased Property, or any portion thereof, except to the extent of (i) available amounts held by the Trustee in the Base Rental Fund or in the Reserve Fund, (ii) amounts, if any, received in respect of rental interruption insurance, and (iii) amounts, if any, otherwise legally available to the City for Rental Payments or to the Trustee for payments in respect of the Certificates. The amount of annual rental abatement will be such that the resulting Rental Payments in any Lease Agreement Year during which such interference continues do not exceed the annual fair rental value of the portions of the Leased Property with respect to which there has not been substantial interference. Abatement will commence with such damage, destruction or condemnation and end when use and occupancy or possession is restored. In the event of abatement, the term of the Lease Agreement may be extended until all amounts due under the Lease Agreement and the Trust Agreement are fully paid, but in no event later than September 1, [2027]. See "CERTAIN RISK FACTORS – Abatement."

In order to mitigate the risk that an abatement event will cause a disruption in payment of Base Rental, the Lease Agreement requires the City to maintain rental interruption insurance in an amount not less than the aggregate Base Rental payable by the City pursuant to the Facilities Lease for a period of at least 24 months. See "– Insurance with Respect to the Leased Property" below. During any period of abatement with respect to all or any part of the Leased Property, the Trustee is required to use the proceeds of the rental interruption insurance to make payments of principal and interest represented by the Certificates. The City is also required by the Lease Agreement to use insurance proceeds to replace or repair Leased Property destroyed or damaged to the extent that there is substantial interference with the City's use and occupancy, or to prepay Certificates such that resulting Rental Payments are sufficient to pay all amounts due under the Lease Agreement and the Trust Agreement with respect to the Certificates remaining Outstanding. See "– Replacement, Maintenance and Repairs" below. In lieu of abatement of Rental Payments, the City in its sole discretion may elect, but is not obligated, to substitute property for the damaged, condemned or destroyed Leased Property, or portion thereof, pursuant to the substitution provisions of the Lease Agreement. See "– Substitution, Release and Addition of Leased Property" below. In addition, the Trust Agreement establishes a Reserve Fund and requires the Trustee to use any moneys on deposit in the Reserve Fund to make payments of principal and interest represented by the Certificates. See "– Reserve Fund" below.

Reserve Fund

The Trust Agreement establishes a Reserve Fund that will be held by the Trustee. Simultaneously with the delivery of the Certificates, the City will cause to be deposited into the Reserve Fund established under the Trust Agreement a portion of the proceeds of the Certificates, which amount will be at least equal to the Reserve Requirement. The Reserve Requirement with respect to the Certificates means: (1) as of the original delivery of the Certificates, 10% of the principal amount thereof; and (2) on the dates set forth below, the Reserve Requirement will be reduced to the amounts set forth below (which amounts are 10% of the principal amount of Certificates to be outstanding on the September 1 following such date). The Trustee will transfer the amount in excess of the Reserve Requirement to the Base Rental Fund to be used by the Trustee to pay a portion of the Base Rental payment on the

next September 1, unless as of any date of such reduction the Trustee determines (after giving effect to the scheduled transfer of such amount) that insufficient funds will be on deposit in the Base Rental Fund to pay the Base Rental payment on such the next September 1 (and to pay any past due Base Rental payment).

Date	Reserve Requirement
August 25, 2013	\$
August 25, 2014	
August 25, 2015	
August 25, 2016	
August 25, 2017	

The Reserve Fund is required to be maintained by the Trustee until the Base Rental is paid in full pursuant to the Lease Agreement or until there are no longer any Certificates Outstanding; provided, however, that the Reserve Fund may be used to pay a portion of the final Base Rental Payment.

A Credit Facility in the amount of the Reserve Requirement may be substituted by the City at any time for all or a portion of the funds held by the Trustee in the Reserve Fund, provided that (i) such substitution will not result in the reduction or withdrawal of any ratings by any Rating Agency with respect to the Certificates at the time of such substitution (and the City will notify each Rating Agency prior to making any such substitution), as confirmed by each applicable Rating Agency in writing, and (ii) the Trustee receives an Opinion of Bond Counsel stating that such substitution will not adversely affect the exclusion from gross income for federal income tax purposes of interest components of the Base Rental evidenced and represented by the Certificates. If the Credit Facility is a surety bond or insurance policy, such Credit Facility will be for the term of the Certificates. Amounts on deposit in the Reserve Fund for which a Credit Facility has been substituted will be transferred as directed in writing by a City Representative.

If on any Interest Payment Date the amounts on deposit in the Base Rental Fund are less than the principal and interest payments due with respect to the Certificates on such date, the Trustee will transfer from the Reserve Fund for credit to the Base Rental Fund an amount sufficient to make up such deficiency. In the event of any such transfer, the Trustee will immediately provide written notice to the City of the amount and the date of such transfer.

Replacement, Maintenance and Repairs

The Lease Agreement requires the City, at its own expense and as determined and specified by the Director of Real Estate of the City, to maintain or cause to be maintained the Leased Property in good order, condition and repair during the term of the Lease Agreement. The Trust Agreement requires that if the Leased Property or any portion thereof is damaged or destroyed or taken by eminent domain, the City must elect to either prepay the Certificates or replace or repair the affected portion of the Leased Property in accordance with the Lease Agreement, provided however that the City's obligation to repair or replace any portion of the Leased Property pursuant to the Lease Agreement will be subject to the availability of proceeds of insurance or condemnation for such purpose. Under the Lease Agreement, the City must replace any portion of the Leased Property that is destroyed or damaged or taken by eminent domain, to such an extent that there is substantial interference with its right to the use and occupancy of the Leased Property or any portion thereof that would result in an abatement of Rental Payments or any portion thereof pursuant to the Lease Agreement; provided, however, that the City is not required to repair or replace any such portion of the Leased Property if there is applied to the prepayment of Outstanding Certificates insurance or condemnation proceeds or other legally available funds are sufficient to prepay: (i) all of the Certificates Outstanding and to pay all other amounts due under the Lease Agreement and under the Trust Agreement or (ii) any portion of the Certificates such that the resulting Rental Payments payable in any Lease Agreement Year following such partial prepayment are sufficient to pay in the then current and any future Lease Agreement Year the principal and interest evidenced and represented by all Certificates to remain Outstanding and all other amounts due under the Lease Agreement and under the Trust Agreement to the extent they are due and payable in such Lease Agreement Year. See APPENDIX C: "SUMMARY OF CERTAIN PROVISIONS OF THE LEGAL DOCUMENTS – THE LEASE AGREEMENT."

Insurance with Respect to the Leased Property

The Lease Agreement requires the City to maintain or cause to be maintained throughout the term of the Lease Agreement: (i) general liability insurance against damages occasioned by construction of improvements to or operation of the Leased Property with minimum coverage limits of \$5,000,000 combined single limit for bodily and personal injury and property damage per occurrence, which general liability insurance may be maintained as part of or in conjunction with any other liability insurance coverage maintained or caused by the City to be maintained; (ii) all risk property insurance on all structures constituting any part of the Leased Property in an amount equal to the Outstanding principal amount of Certificates, with such insurance covering, as nearly as practicable, loss or damage by fire, lightning, explosion, windstorm, hail, riot, civil commotion, vandalism, malicious mischief, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance (excluding earthquakes and flood), including a replacement cost endorsement; (iii) boiler and machinery insurance, comprehensive form, insuring against accidents to pressure vessels and mechanical and electrical equipment, with a property damage limit not less than \$5,000,000 per accident; and (iv) rental interruption insurance in an amount not less than the aggregate Base Rental payable by the City pursuant to the Lease Agreement for a period of 24 months (such amount may be adjusted to reflect the actual scheduled Base Rental payments due under the Lease Agreement for the next succeeding 24 months) to insure against loss of rental income from the Leased Property caused by perils covered by the insurance described in (ii) above. All policies of insurance required under the Lease Agreement may provide for a deductible amount that is commercially reasonable as determined by the City Risk Manager.

The City is also required under the Lease Agreement to deliver to the Trustee, on the date of execution and delivery of the Certificates, evidence of the commitment of a title insurance company to issue a CLTA or ALTA policy of title insurance (with no survey required), in an amount at least equal to the initial aggregate principal amount of the Certificates, showing a leasehold interest in the Leased Property in the name of the Trustee and naming the insured parties as the City and the Trustee, for the benefit of the Owners of the Certificates, and to deliver such policy to the Trustee promptly after the execution and delivery of the Certificates.

The City is not required to maintain earthquake or flood insurance under the Lease Agreement and the City does not expect to have earthquake or flood insurance on the Leased Property.

THE CITY MAY SELF-INSURE AGAINST ANY OF THE RISKS REQUIRED TO BE INSURED AGAINST IN THE LEASE, EXCEPT FOR SELF-INSURANCE FOR RENTAL INTERRUPTION INSURANCE AND TITLE INSURANCE. [The City expects to self-insure for all hazards for which the Lease Agreement permits self-insurance.] *[Please confirm.]*

Eminent Domain

If all of the Leased Property, or so much thereof as to render the remainder of the Leased Property unusable for the City's purposes under the Lease Agreement, is taken under the power of eminent domain: (i) the City may, at its option, replace the Leased Property or (ii) the Lease Agreement will terminate and the proceeds of any condemnation award will be paid to the Trustee for application to the prepayment of Certificates. If less than a substantial portion of the Leased Property is taken under the power of eminent domain, and the remainder is useable for the City's purposes, the Lease Agreement will continue in full force and effect as to the remaining portions of the Leased Property, subject only to its rental abatement provisions. Any condemnation award will be paid to the Trustee for application to the replacement of the portion of the Leased Property taken or to the partial prepayment of Certificates. See APPENDIX C: "SUMMARY OF CERTAIN PROVISIONS OF THE LEGAL DOCUMENTS – TRUST AGREEMENT – Eminent Domain" and "– THE LEASE AGREEMENT – Eminent Domain."

Substitution, Release, and Addition of Leased Property

If no Event of Default has occurred and is continuing under the Lease Agreement, the Lease Agreement may be modified or amended at any time, and the Trustee may consent thereto without the consent of the Owners, if such amendment is to modify or amend the description of the Leased Property or to release from the Lease Agreement any portion of the Leased Property, or to add other property and improvements to the Leased Property or

substitute other property and improvements for the Leased Property, upon satisfaction of the conditions to such amendment and substitution in the Lease Agreement. See APPENDIX C: "SUMMARY OF CERTAIN PROVISIONS OF THE LEGAL DOCUMENTS – THE LEASE AGREEMENT – Addition, Release and Substitution."

CERTAIN RISK FACTORS

The following risk factors should be considered, along with all other information in this Official Statement, by potential investors in evaluating the risks inherent in the purchase of the Certificates. The following discussion is not meant to be a comprehensive or definitive list of the risks associated with an investment in the Certificates. The order in which this information is presented does not necessarily reflect the relative importance of the various issues. Any one or more of the risk factors discussed below, among others, could lead to a decrease in the market value and/or in the liquidity of the Certificates. There can be no assurance that other risk factors not discussed herein will not become material in the future.

Rental Payments Not a Debt of the City

The obligation of the City to make Base Rental or Additional Rental payments does not constitute an obligation of the City to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation. The obligation of the City to make Base Rental or Additional Rental payments does not constitute an indebtedness of the City, the State or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction.

The Certificates represent and are payable solely from Base Rental payments made by the City pursuant to the Lease Agreement and amounts held in the Reserve Fund and the Base Rental Fund established pursuant to the Trust Agreement, subject to the provisions of the Trust Agreement permitting the application of such amounts for the purposes and on the terms and conditions set forth therein. The City will be obligated to make Rental Payments subject to the terms of the Lease Agreement, and neither the City nor any of its officers will incur any liability or any other obligation with respect to the delivery of the Certificates.

Additional Obligations

Subject to certain City Charter restrictions, the City may incur other obligations, which may constitute additional charges against its revenues, without the consent of the Owners of the Certificates. There are no restrictions in the Trust Agreement against the City incurring additional lease and other obligations payable from the City's General Fund. To the extent that the City incurs additional obligations, the funds available to make payments of Base Rental may be decreased. The City is currently liable on other obligations payable from its general revenues. See APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES – Capital Financing and Bonds – Overlapping Debt," "-- Tax Supported Debt Service," and "-- Lease Payments and Other Long-Term Obligations." See also APPENDIX B: "COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY AND COUNTY OF SAN FRANCISCO FOR THE FISCAL YEAR ENDED JUNE 30, 2012."

Abatement

The obligation of the City under the Lease Agreement to make Base Rental payments is in consideration for the use and right of occupancy of the Leased Property.

In the case of abatement relating to the Leased Property, the amount of annual rental abatement would be such that the resulting Rental Payments in any Lease Agreement Year during which such interference continues do not exceed the annual fair rental value of the portions of the Leased Property with respect to which there has not been substantial interference, as evidenced by a certificate of a City Representative. Such abatement would continue for the period commencing with the date of such damage, destruction, condemnation or discovery of such title defect and ending with the restoration of the Leased Property or portion thereof to tenable condition or correction of the title defect; and the term of the Lease Agreement will be extended by the period during which the rental is abated

under the Lease Agreement, except that such extension will in no event extend beyond September 1, [2027]. Reserve Fund moneys and the proceeds of rental interruption insurance may be used by the Trustee to make payments with respect to the Certificates in the event Base Rental payments received by the Trustee are insufficient to pay principal or interest represented by the Certificates as such amounts become due. See "SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES – Insurance with Respect to the Leased Property." and "SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES – Replacement, Maintenance and Repairs" for additional provisions governing damage to the Leased Property.

In addition, even if such amounts are sufficient to make such payments, moneys remaining in the Reserve Fund after such payments may be less than the Reserve Fund Requirement. The City is not required by the Lease Agreement or the Trust Agreement, and cannot be compelled, to replenish the Reserve Fund to the Reserve Fund Requirement.

It is not possible to predict the circumstances under which such an abatement of Base Rental Payments may occur. In addition, there is no statute, case or other law specifying how such an abatement of rental should be measured. For example, it is not clear whether fair rental value is established as of commencement of the Lease Agreement or at the time of the abatement. If the latter, it may be that the value of the Leased Property is substantially higher or lower than its value at the time of execution and delivery of the Certificates. Abatement, therefore, could have an uncertain and material adverse effect on the security for and payment of the Certificates.

If damage, destruction, condemnation or title defect with respect to the Leased Property or any portion thereof results in abatement of Base Rental payments and the resulting Base Rental payments, together with moneys in the Reserve Fund and any available insurance proceeds, are insufficient to make all payments with respect to the Certificates during the period that the Leased Property, or portion thereof, is being restored, then all or a portion of such payments may not be made and no remedy is available to the Trustee or the Owners under the Lease Agreement or Trust Agreement for nonpayment under such circumstances. Failure to pay principal of, premium, if any, or interest with respect to the Certificates as a result of abatement of the City's obligation to make Rental Payments under the Lease Agreement is not an event of default under the Trust Agreement or the Lease Agreement.

Notwithstanding the provisions of the Lease Agreement and the Trust Agreement specifying the extent of abatement in the event of the City's failure to have use and possession of the Leased Property, such provisions may be superseded by operation of law, and, in such event, the resulting Base Rental payments of the City may not be sufficient to pay all of that portion of the remaining principal and interest with respect to the Certificates.

Reserve Fund

At the time of delivery of the Certificates, proceeds of the Certificates in the amount of the Reserve Requirement (*i.e.*, 10% of the principal amount of the Certificates originally executed and delivered) will be deposited in the Reserve Fund. In the event of abatement or default, the amounts on deposit in the Reserve Fund may be significantly less than the amount of Base Rental due at the time of abatement or default. The City has no obligation to restore the Reserve Fund if it is used to pay Base Rental.

Limited Recourse on Default; Re-letting of the Leased Property

The Lease Agreement and the Trust Agreement provide that, if there is a default by the City, the Trustee may take possession of and re-let the Leased Property for the account of the City. The amounts received from such re-letting may be insufficient to pay the scheduled principal and interest represented by the Certificates when due, and the City is not required by the Lease Agreement or the Trust Agreement, and cannot be compelled, to replenish the Reserve Fund to the Reserve Fund Requirement. In addition, the Trust Agreement provides that no remedies such as re-letting may be exercised (i) in violation of the Tax Certificate unless waived by the Owners of not less than the majority in the aggregate principal amount of the Certificates then Outstanding, or (ii) in violation of any applicable provision of law. The enforcement of any remedies provided for in the Lease Agreement and in the Trust Agreement could prove to be both expensive and time consuming.

The Lease Agreement provides that any remedies on default will be exercised by the Trustee. Upon the occurrence and continuance of the City's failure to deposit with the Trustee any Base Rental and/or Additional Rental payments when due, or if the City breaches any other terms, covenants, conditions or agreements contained in the Lease Agreement (and does not remedy such breach within 60 days after notice thereof or, if such breach cannot be remedied within such 60-day period, the City fails to take corrective action within such 60-day period and diligently pursue the same to completion), the Trustee may proceed (and, upon written request of the Owners of not less than a majority in aggregate principal amount of Certificates then outstanding and receipt of indemnification of its fees and expenses, will proceed), without any further notice: (i) to reenter the Leased Property and without terminating the Lease Agreement, re-let the Leased Property as the agent and for the account of the City upon such terms and conditions as the Trustee may deem advisable or (ii) to enforce all of its rights and remedies under the Lease Agreement, including the right to recover Base Rental payments as they become due, by pursuing any remedy available in law or in equity.

Enforcement of Remedies

The enforcement of any remedies provided in the Lease Agreement and the Trust Agreement could prove both expensive and time consuming. The rights and remedies provided in the Lease Agreement and the Trust Agreement may be limited by and are subject to the limitations on legal remedies against cities and counties in the State, including State constitutional limits on expenditures and limitations on the enforcement of judgments against funds needed to serve the public welfare and interest; by federal bankruptcy laws, as now or hereafter enacted; applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditors' rights generally, now or hereafter in effect; equity principles which may limit the specific enforcement under State law of certain remedies; the exercise by the United States of America of the powers delegated to it by the Constitution; the reasonable and necessary exercise, in certain exceptional situations, of the police powers inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose, and the limitations on remedies against municipal corporations in the State. Bankruptcy proceedings, or the exercise of powers by the federal or State government, if initiated, could subject the Owners of the Certificates to judicial discretion and interpretation of their rights in bankruptcy or otherwise, and consequently may entail risks of delay, limitation, or modification of their rights.

The legal opinions to be delivered concurrently with the delivery of the Certificates will be qualified, as to the enforceability of the Certificates, the Trust Agreement, the Lease Agreement and other related documents, by bankruptcy, insolvency, reorganization, moratorium, arrangement, fraudulent conveyance and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases, and to the limitations on legal remedies against charter cities and counties and non-profit public benefit corporations in the State. See "CERTAIN RISK FACTORS – Bankruptcy" herein.

No Acceleration on Default

In the event of a default, there is no remedy of acceleration of the total Base Rental payments for the term of the Lease Agreement. Any suit for money damages would be subject to the legal limitations on remedies against cities and counties in the State, including a limitation on enforcement of judgments against funds needed to serve the public welfare and interest.

Release and Substitution of the Leased Property

The Lease Agreement permits the release of portions of the Leased Property or the substitution of other real property for all or a portion of the Leased Property. See APPENDIX C: "SUMMARY OF CERTAIN PROVISIONS OF THE LEGAL DOCUMENTS – THE LEASE AGREEMENT – Addition, Release and Substitution." Although the Lease Agreement requires that the substitute property have an annual fair rental value upon becoming part of the Leased Property equal to the maximum annual amount of the Base Rental payments remaining due with respect to the Leased Property being replaced, it does not require that such substitute property have an annual fair rental value equal to the total annual fair rental value at the time of replacement of the Leased Property or portion thereof being replaced. In addition, such replacement property could be located anywhere

within the City's boundaries. Therefore, release or substitution of all or a portion of the Leased Property could have an adverse effect on the security for the Certificates.

Seismic Risks

The City is located in a seismically active region. Active earthquake faults underlie both the City and the surrounding Bay Area, including the San Andreas Fault, which passes about 3 miles to the southeast of the City's border, and the Hayward Fault, which runs under Oakland, Berkeley and other cities on the east side of San Francisco Bay, about 10 miles away. Significant recent seismic events include the 1989 Loma Prieta earthquake, centered about 60 miles south of the City, which registered 6.9 on the Richter scale of earthquake intensity. That earthquake caused fires, building collapses, and structural damage to buildings and highways in the City and environs. The San Francisco-Oakland Bay Bridge, the only east-west vehicle access into the City, was closed for a month for repairs, and several highways in the City were permanently closed and eventually removed.

In April 2008, the Working Group on California Earthquake Probabilities (a collaborative effort of the U.S. Geological Survey (U.S.G.S.), the California Geological Society, and the Southern California Earthquake Center) reported that there is a 63% chance that one or more quakes of about magnitude 6.7 or larger will occur in the Bay Area before the year 2038. Such earthquakes may be very destructive. For example, the U.S.G.S. predicts a magnitude 7 earthquake occurring today on the Hayward Fault would likely cause hundreds of deaths and almost \$100 billion of damage. In addition to the potential damage to City-owned buildings and facilities, include the Leased Property (on which the City does not generally carry earthquake insurance), due to the importance of San Francisco as a tourist destination and regional hub of commercial, retail and entertainment activity, a major earthquake anywhere in the Bay Area may cause significant temporary and possibly longer-term harm to the City's economy, tax receipts, and residential and business real property values.

In addition, the Leased Property is located in a seismically active region. The obligation of the City to make payments of Base Rental may be abated if the Leased Property or any improvements thereon are damaged or destroyed by natural hazard such as earthquake or flood. The City is not obligated under the Lease Agreement to maintain earthquake or flood insurance, and the City does not expect to have earthquake or flood insurance on the Leased Property.

Risk Management and Insurance

The Lease Agreement obligates the City to maintain and keep in force various forms of insurance, subject to deductibles, on the Leased Property for repair or replacement in the event of damage or destruction to the Leased Property. See "SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES – Insurance with Respect to the Leased Property." The City is also required to maintain rental interruption insurance in an amount equal to but not less than 24 months Base Rental payments. The Lease Agreement allows the City to insure against any or all risks, except rental interruption and title defects, through an alternative risk management program such as self-insurance. [The City expects to self-insure for all hazards for which the Lease Agreement permits self-insurance.] *[Please confirm.]* The City makes no representation as to the ability of any insurer to fulfill its obligations under any insurance policy provided for in the Lease Agreement and no assurance can be given as to the adequacy of any such insurance to fund necessary repair or replacement or to pay principal of and interest with respect to the Certificates when due.

The City employs a full-time Risk Manager, as well as safety and loss control professionals, for the prevention and mitigation of property, liability and employee claims for injury or damage. For information concerning the self insurance and risk management programs of the City see APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO' ORGANIZATION AND FINANCES – LITIGATION AND RISK MANAGEMENT – Risk Retention Program."

State Law Limitations on Appropriations

Article XIII B of the State Constitution limits the amount that local governments can appropriate annually. The ability of the City to make Base Rental payments may be affected if the City should exceed its appropriations

limit. The State may increase the appropriation limit of counties in the State by decreasing the State's own appropriation limit. The City does not anticipate exceeding its appropriations limit in the foreseeable future. See APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES – CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND EXPENDITURES – Article XIII B of the California Constitution" herein.

Changes in Law

The City cannot provide any assurance that the State Legislature or the City's Board of Supervisors will not enact legislation that will result in a reduction of the City's General Fund revenues and therefore a reduction of the funds legally available to the City to make Base Rental payments. See, for example, APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES – CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND EXPENDITURES – Articles XIII C and XIII D of the California Constitution" herein. See also Appendix A: "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES – LITIGATION AND RISK MANAGEMENT – Risk Retention Program."

The General Fund of the City, which is the source of payment of the principal and interest evidenced by the Certificates, may also be adversely affected by actions taken (or not taken) by voters. Under the State Constitution, the voters of the State have the ability to initiate legislation and require a public vote on legislation passed by the State Legislature through the powers of initiative and referendum, respectively. Under the City's Charter, the voters of the City can restrict or revise the powers of the City through the approval of a Charter amendment. The City is unable to predict whether any such initiatives might be submitted to or approved by the voters, the nature of such initiatives, or their potential impact on the City.

Bankruptcy

In addition to the limitations on remedies contained in the Trust Agreement and the Lease Agreement, the rights and remedies in the Trust Agreement and the Lease Agreement may be limited and are subject to the provisions of federal bankruptcy laws, as now or hereafter enacted, and to other laws or equitable principles that may affect the enforcement of creditors' rights. The legal opinions to be delivered concurrently with the delivery of the Certificates will be qualified, as to the enforceability of the Certificates, the Trust Agreement, the Lease Agreement and other related documents, by bankruptcy, insolvency, reorganization, moratorium, arrangement, fraudulent conveyance and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases, and to the limitations on legal remedies against charter cities and counties and non-profit public benefit corporations in the State. See "CERTAIN RISK FACTORS – Enforcement of Remedies" herein.

The City is authorized under California law to file for bankruptcy protection under Chapter 9 of the United States Bankruptcy Code (Title 11, United States Code) (the "Bankruptcy Code"), which governs the bankruptcy proceedings for public agencies such as the City. Third parties, however, cannot bring involuntary bankruptcy proceedings against the City. If the City were to file a petition under Chapter 9 of the Bankruptcy Code, the Certificate Owners and the Trustee could be prohibited from or delayed in taking steps to enforce their rights under the Trust Agreement and the Lease Agreement and from taking steps to collect amounts due from the City under the Lease Agreement. In a bankruptcy case, a plan of adjustment for the City could be confirmed that would alter the terms of the Certificates. In addition, if the Lease Agreement was determined to constitute a "true lease" by the bankruptcy court (rather than a financing lease providing for the extension of credit), the City could choose to reject the Lease Agreement and the claim of the Owners could be substantially limited. In any event, the mere filing by the City for bankruptcy protection likely would have a material adverse effect on the marketability and market price of the Certificates.

The Trust Agreement will state that the Trustee has entered into such agreement in its capacity as trustee and not in its individual corporate capacity. Were the Trustee to fail or become insolvent, federal regulatory authorities such as the Federal Deposit Insurance Corporation, the United States Comptroller of the Currency and the Federal Reserve Bank of the United States would have broad authority respecting the assets and liabilities of the Trustee. No opinion will be delivered in connection with the delivery of the Certificates to the effect that the Leased

Property or payments by the City under the Lease Agreement do not constitute property of the Trustee or that the Trust Agreement or the Certificates do not constitute obligations of the Trustee. Were the Trustee to fail or become insolvent, the Lease Agreement, the Trust Agreement and/or the Certificates could be determined to be assets and/or liabilities of the Trustee. In such event, the holders of the Certificates could suffer a significant delay in payment and/or a loss of some portion or all of their investment.

State of California Financial Condition

The State has for a number of years experienced, and continues to experience, significant financial and budgetary stress. The City receives a significant portion of its funding from the State. The City's fiscal year 2012-13 Adopted Budget projects that approximately 14.0% of the City's General Fund revenues will come from State sources.

On January 10, 2013, the Governor released his 2013-14 Proposed Budget (the "2013-14 Proposed Budget"). The 2013-14 Proposed Budget projects improvement in the State's finances, due to the economic recovery, prior budgetary restraint, and the approval of Proposition 30, which temporarily increases the maximum marginal personal income tax rates for individuals, heads of households and joint filers above 9.3 percent by creating three additional tax brackets of 10.3 percent, 11.3 percent and 12.3 percent.

For fiscal year 2012-13, the administration estimates that General Fund revenues will be \$95.4 billion and expenditures will be \$93 billion, resulting in a \$2.4 billion operating surplus. This \$2.4 billion surplus is expected to erase the \$2.2 billion deficit remaining after fiscal year 2011-12 and leave the General Fund with a small reserve as it enters fiscal year 2013-14. The 2013-14 Proposed Budget projects fiscal year 2013-14 General Fund revenues and transfers of \$98.5 billion and total expenditures of \$97.7 billion, producing an \$851 million operating surplus. The 2013-14 Proposed Budget also estimates that the General Fund will end fiscal year 2013-14 with a \$1 billion reserve. The 2013-14 Proposed Budget is projected to be balanced by a small margin and cautions that the occurrence of certain events, including among other things, shifts of costs to the State from the federal government, the uncertainty of the economic recovery in the State and the country, actions taken by the federal government and the judicial system and rising health care costs pose risks to the State's budget performance.

Features of the 2013-14 Proposed Budget which may affect the City include, but are not limited to, the following:

- The federal Patient Protection and Affordable Care Act ("ACA") provides states with the option to expand Medi-Cal coverage to certain adults with incomes up to 138 percent of the federal poverty level who are not currently eligible. The 2013-14 Proposed Budget suggests two alternatives for this optional expansion: (i) the State would administer an expanded version of its current Medi-Cal Program, or (ii) counties would administer the expansion. Under the second approach, counties would have operational and fiscal responsibility for implementing the expansion. Operational responsibilities include some functions performed by the State and Medi-Cal managed care plans to administer the program, such as establishing networks of providers, setting payment rates to providers, and processing claims billed by providers. The ACA also includes provisions that will likely result in additional enrollment among the currently eligible Medi-Cal population;
- The 2013-14 Proposed Budget assumes General Fund savings from the dissolution of redevelopment agencies of \$2.1 billion in fiscal year 2012-13 and \$1.1 billion in fiscal year 2013-14. These amounts are approximately \$1.6 billion lower than the assumption used in the 2012-13 State Budget Act. In those areas that contained redevelopment agencies, it is estimated that over the current year and budget year, approximately \$1.6 billion will be distributed back to counties, \$1.2 billion will be distributed back to cities, and \$400 million will be distributed back to special districts; and
- The 2013-14 Proposed Budget provides \$9 billion for the California Department of Corrections and Rehabilitation in fiscal year 2013-14, representing an increase of \$33 million above the fiscal year 2012-13 level. The 2013-14 Proposed Budget assumes a decrease in the average inmate and parolee population due to the realignment of responsibility for housing and supervising various lower-level

adult offenders from the State to the counties. Despite the projected decrease in population, the inmate population is expected to exceed a federal court-imposed cap on prison population by approximately 7,000 inmates at the end of fiscal year 2012-13. Any plan to reduce the inmate population further would have budgetary impacts, although the exact amount would depend on specific changes included in the plan.

The City cannot predict the extent of the budgetary problems the State will encounter in this or in any future fiscal years, and, it is not clear what measures would be taken by the State to balance its budget, as required by law. Accordingly, the City cannot predict the final outcome of future State budget negotiations, the impact that such budgets will have on its finances and operations or what actions will be taken in the future by the State Legislature and Governor to deal with changing State revenues and expenditures. Current and future State budgets will be affected by national and State economic conditions and other factors over which the City has no control. [See APPENDIX A: "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES – CITY BUDGET – Adopted Fiscal Year 2012-13 Budget" and "– Impact of State Budget on City Budget."]

U.S. Government Finances

The City receives substantial federal funds for assistance payments, social service programs and other programs. A portion of the City's assets are also invested in securities of the United States government. On August 5, 2011, Standard & Poor's Ratings Service downgraded the long-term sovereign credit rating on the United States of America from "AAA" to "AA+." The City's finances may be adversely impacted by fiscal matters at the federal level, including but not limited to cuts to federal spending. See APPENDIX A – "CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES – Other City Tax Revenues" and "– Investment of City Funds."

Other

There may be other risk factors inherent in ownership of the Certificates in addition to those described in this section.

TAX MATTERS

In the separate opinions of Squire Sanders (US) LLP, San Francisco, California, and GCR, LLP, Oakland California, (collectively, "Co-Special Counsel"), under existing law: (i) the interest component of the Base Rental payable by the City is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; and (ii) such interest is exempt from State of California personal income taxes. A complete copy of the proposed form of the separate opinions of Co-Special Counsel is set forth in APPENDIX F. Co-Special Counsel expresses no opinion as to any other tax consequences regarding the Certificates.

The opinions on tax matters will be based on and will assume the accuracy of certain representations and certifications, and continuing compliance with certain covenants, of the City contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Certificates are and will remain obligations the interest component of which is excluded from gross income for federal income tax purposes. Co-Special Counsel will not independently verify the accuracy of the certifications and representations of the City or the continuing compliance with its covenants.

The opinions of Co-Special Counsel are based on current legal authority and cover certain matters not directly addressed by such authority. They represent Co-Special Counsel's legal judgment as to exclusion of the interest represented by the Certificates from gross income for federal income tax purposes but is not a guaranty of that conclusion. Their opinions are not binding on the Internal Revenue Service ("IRS") or any court. Co-Special Counsel expresses no opinion about (i) the effect of future changes in the Code and the applicable regulations under the Code or (ii) the interpretation and the enforcement of the Code or those regulations by the IRS.

The Code prescribes a number of qualifications and conditions for the interest on state and local government obligations to be and to remain excluded from gross income for federal income tax purposes, some of which require future or continued compliance after delivery of the Certificates. Noncompliance with these requirements by the City may cause loss of such status and result in the interest represented by the Certificates being included in gross income for federal income tax purposes retroactively to the date of delivery of the Certificates. The City has covenanted to take the actions required of it for the interest represented by the Certificates to be and to remain excluded from gross income for federal income tax purposes, and not to take any actions that would adversely affect that exclusion. After the date of delivery of the Certificates, Co-Special Counsel will not undertake to determine (or to so inform any person) whether any actions taken or not taken, or any events occurring or not occurring, or any other matters coming to Co-Special Counsel's attention, may adversely affect the exclusion from gross income for federal income tax purposes of the interest represented by the Certificates or the market value of the Certificates.

A portion of the interest represented by the Certificates earned by certain corporations may be subject to a federal corporate alternative minimum tax. In addition, such interest may be subject to a federal branch profits tax imposed on certain foreign corporations doing business in the United States and to a federal tax imposed on excess net passive income of certain S corporations. Under the Code, the exclusion of interest from gross income for federal income tax purposes may have certain adverse federal income tax consequences on items of income, deduction or credit for certain taxpayers, including financial institutions, certain insurance companies, recipients of Social Security and Railroad Retirement benefits, those that are deemed to incur or continue indebtedness to acquire or carry tax-exempt obligations, and individuals otherwise eligible for the earned income tax credit. The applicability and extent of these and other tax consequences will depend upon the particular tax status or other tax items of the owner of the Certificates. Co-Special Counsel will express no opinion regarding those consequences.

Payments of interest represented by tax-exempt obligations, including the Certificates, are generally subject to IRS Form 1099-INT information reporting requirements. If a Certificate owner is subject to backup withholding under those requirements, then payments of interest will also be subject to backup withholding. Those requirements do not affect the exclusion of such interest from gross income for federal income tax purposes.

Co-Special Counsel's engagement with respect to the Certificates ends with the delivery of the Certificates, and, unless separately engaged, Co-Special Counsel are not obligated to defend the City or the owners of the Certificates regarding the tax status of interest represented by the Certificates in the event of an audit examination by the IRS. The IRS has a program to audit tax-exempt obligations to determine whether the interest thereon is includible in gross income for federal income tax purposes. If the IRS does audit the Certificates, under current IRS procedures, the IRS will treat the City as the taxpayer and the owners and beneficial owners of the Certificates will have only limited rights, if any, to obtain and participate in judicial review of such audit. Any action of the IRS, including but not limited to selection of the Certificates for audit, or the course or result of such audit, or an audit of other obligations presenting similar tax issues, may affect the market value of the Certificates.

Prospective purchasers of the Certificates upon their original delivery at prices other than the respective prices indicated on the inside cover of this Official Statement, and prospective purchasers of the Certificate at other than their original delivery, should consult their own tax advisers regarding other tax considerations such as the consequences of market discount, as to all of which Co-Special Counsel expresses no opinion.

Risk of Future Legislative Changes and/or Court Decisions

Legislation affecting tax-exempt obligations is regularly considered by the United States Congress and may also be considered by the State legislature. Court proceedings may also be filed, the outcome of which could modify the tax treatment of obligations such as the Certificates. There can be no assurance that legislation enacted or proposed, or actions by a court, after the date of original delivery of the Certificates will not have an adverse effect on the tax status of interest represented by the Certificates or the market value or marketability of the Certificates. These adverse effects could result, for example, from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), or repeal (or reduction in the benefit) of the exclusion of interest represented by the Certificates from gross income for federal or state income tax purposes for all or certain taxpayers.

For example, recent presidential and legislative proposals would eliminate, reduce or otherwise alter the tax benefits currently provided to certain owners of state and local government bonds, including proposals that would result in additional federal income tax on taxpayers that own tax-exempt obligations if their incomes exceed certain thresholds. Investors in the Certificates should be aware that any such future legislative actions (including federal income tax reform) may retroactively change the treatment of all or a portion of the interest represented by the Certificates for federal income tax purposes for all or certain taxpayers. In such event, the market value of the Certificates may be adversely affected and the ability of holders to sell their Certificates in the secondary market may be reduced. The Certificates are not subject to special mandatory redemption, and the interest represented by the Certificates are not subject to adjustment in the event of any such change.

Investors should consult their own financial and tax advisers to analyze the importance of these risks.

Original Issue Discount and Original Issue Premium

Certain of the Certificates ("Discount Certificates") as indicated on the inside cover of this Official Statement were offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity over the "issue price" of a Discount Certificate. The issue price of a Discount Certificate is the initial offering price to the public (other than to bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) at which a substantial amount of the Discount Certificate of the same maturity is sold pursuant to that offering. For federal income tax purposes, OID accrues to the owner of a Discount Certificate over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Certificate (i) is interest excluded from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Certificates, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Certificate. The amount of OID that accrues each year to a corporate owner of a Discount Certificate is taken into account in computing the corporation's liability for federal alternative minimum tax. A purchaser of a Discount Certificate in the initial public offering at the price for that Discount Certificate stated on the inside cover of this Official Statement who holds that Discount Certificate to maturity will realize no gain or loss upon the retirement of that Discount Certificate.

Certain of the Certificates ("Premium Certificates") as indicated on the inside cover of this Official Statement were offered and sold to the public at a price in excess of their stated redemption price at maturity (the principal amount). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Certificate, based on the yield to maturity of that Premium Certificate (or, in the case of a Premium Certificate callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Certificate), compounded semiannually. No portion of that bond premium is deductible by the owner of a Premium Certificate. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Certificate, the owner's tax basis in the Premium Certificate is reduced by the amount of bond premium that is amortized during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Certificate for an amount equal to or less than the amount paid by the owner for that Premium Certificate. A purchaser of a Premium Certificate in the initial public offering at the price for that Premium Certificate stated on the inside cover of this Official Statement who holds that Premium Certificate to maturity (or, in the case of a callable Premium Certificate, to its earlier call date that results in the lowest yield on that Premium Certificate) will realize no gain or loss upon the retirement of that Premium Certificate.

Owners of Discount and Premium Certificates should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable or amortizable in any period with respect to the Discount or Premium Certificates and as to other federal tax consequences and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

OTHER LEGAL MATTERS

Certain legal matters incident to the authorization, issuance and sale of the Certificates and with regard to the tax status of the interest represented by the Certificates (see "TAX MATTERS" herein) are subject to the separate legal opinions of Squire Sanders (US) LLP, San Francisco, California and GCR, LLP, Oakland, California Co-Special Counsel. The signed legal opinions of Co-Special Counsel, dated and premised on facts existing and law in effect as of the date of original delivery of the Certificates, will be delivered to the initial purchaser of the Certificates at the time of original delivery of the Certificates.

The proposed form of the legal opinions of Co-Special Counsel are set forth in APPENDIX F hereto. The legal opinions to be delivered may vary that text if necessary to reflect facts and law on the date of delivery. The opinions will speak only as of their date, and subsequent distributions of it by recirculation of this Official Statement or otherwise will create no implication that Co-Special Counsel have reviewed or express any opinion concerning any of the matters referred to in the opinion subsequent to its date. In rendering their opinions, Co-Special Counsel will rely upon certificates and representations of facts to be contained in the transcript of proceedings for the Certificates, which Co-Special Counsel will not have independently verified.

Certain legal matters will be passed upon for the City by the City Attorney and by Hawkins Delafield & Wood LLP, San Francisco, California, Disclosure Counsel.

Hawkins Delafield & Wood LLP, San Francisco, California has served as disclosure counsel to the City and in such capacity has advised the City with respect to applicable securities laws and participated with responsible Commission and City officials and staff in conferences and meetings where information contained in this Official Statement was reviewed for accuracy and completeness. Disclosure Counsel is not responsible for the accuracy or completeness of the statements or information presented in this Official Statement and has not undertaken to independently verify any of such statements or information. Rather, the City is solely responsible for the accuracy and completeness of the statements and information contained in this Official Statement. Upon the delivery of the Certificates, Disclosure Counsel will deliver a letter to the City which advises the City, subject to the assumptions, exclusions, qualifications and limitations set forth therein, that no facts came to attention of the attorneys at such firm which caused them to believe that this Official Statement as of its date and as of the date of delivery of the Certificates contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. No purchaser or holder of the Certificates, or other person or party other than the City, will be entitled to or may rely on such letter or Hawkins Delafield & Wood LLP's having acted in the role of disclosure counsel to the City.

The legal opinions and other letters of counsel to be delivered concurrently with the delivery of the Certificates express the professional judgment of the attorneys rendering the opinions or advice regarding the legal issues and other matters expressly addressed therein. By rendering a legal opinion or advice, the giver of such opinion or advice does not become an insurer or guarantor of the result indicated by that opinion, or the transaction on which the opinion or advice is rendered, or of the future performance of parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

PROFESSIONALS INVOLVED IN THE OFFERING

First Southwest Company and Ross Financial have served as Co-Financial Advisors to the City with respect to the sale of the Certificates. The Co-Financial Advisors have assisted the City in the review of this Official Statement and in other matters relating to the planning, structuring, and sale of the Certificates. The Co-Financial Advisors have not independently verified any of the data contained herein nor conducted a detailed investigation of the affairs of the City to determine the accuracy or completeness of this Official Statement and assume no responsibility for the accuracy or completeness of any of the information contained herein. The Co-Financial Advisors, Co-Special Counsel and Disclosure Counsel will all receive compensation from the City contingent upon the sale and delivery of the Certificates.

CONTINUING DISCLOSURE

The City has covenanted for the benefit of the Owners of the Certificates to provide certain financial information and operating data relating to the City (the "Annual Report") not later than 270 days after the end of the City's fiscal year (which currently ends on June 30), commencing with the report for fiscal year 2012-13, which is due not later than March 27, 2014, and to provide notices of the occurrence of certain enumerated events. The Annual Report will be filed by the City with the Municipal Securities Rulemaking Board ("MSRB"). The notices of enumerated events will be filed by the City with the MSRB. The specific nature of the information to be contained in the Annual Report or the notices of enumerated events is summarized in APPENDIX D: "FORM OF CONTINUING DISCLOSURE CERTIFICATE." These covenants have been made in order to assist the initial purchasers of the Certificates in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the "Rule"). The City has never failed to comply in all material respects with any previous undertakings with regard to the Rule to provide annual reports or notices of material events.

The City may, from time to time, but is not obligated to, post its Comprehensive Annual Financial Report and other financial information on the City Controller's web site at www.sfgov.org/controller.

ABSENCE OF LITIGATION

No litigation is pending or threatened concerning the validity of the Certificates, the Trust Agreement, the Lease Agreement, the Facilities Lease, the corporate existence of the City, or the entitlement to their respective offices of the officers of the City who will execute and deliver the Certificates and other documents and certificates in connection therewith. The City will furnish to the initial purchasers of the Certificates a certificate of the City as to the foregoing as of the time of the original delivery of the Certificates.

RATINGS

Moody's Investors Service, Inc. ("Moody's"), Standard & Poor's Ratings Services ("S&P"), and Fitch Ratings ("Fitch"), have assigned municipal bond ratings of "___", "___", and "___" respectively, to the Certificates. Certain information not included in this Official Statement was supplied by the City to the rating agencies to be considered in evaluating the Certificates. The ratings reflect only the views of each rating agency, and any explanation of the significance of any rating may be obtained only from the respective credit rating agencies: Moody's, at www.moody.com; S&P, at www.sandp.com; and Fitch, at www.fitchratings.com. Investors are advised to read the entire Official Statement to obtain information essential to the making of an informed investment decision. No assurance can be given that any rating issued by a rating agency will be retained for any given period of time or that the same will not be revised or withdrawn entirely by such rating agency, if in its judgment circumstances so warrant. Any such revision or withdrawal of the ratings obtained, or other actions of a rating agency related to its rating, may have an adverse effect on the market price of the Certificates. The City undertakes no responsibility to oppose any such downward revision, suspension or withdrawal.

[SALE OF CERTIFICATES]

[The Certificates were sold at competitive bid on _____, 2013. The Certificates were awarded to _____ (the "Purchaser"), who submitted the lowest true interest cost bid, at a purchase price of \$ _____. Under the terms of its bid, the Purchaser will be obligated to purchase all of the Certificates if any are purchased, the obligation to make such purchase being subject to the approval of certain legal matters by Co-Special Counsel, and certain other conditions to be satisfied by the City.

The Purchaser has certified the reoffering prices or yields set forth on the inside cover of this Official Statement, and the City takes no responsibility for the accuracy of those prices or yields. Based on the reoffering prices, the original issue premium on the reoffering of the Certificates is \$ _____, and the Purchaser's gross compensation (or "spread") is \$ _____. The Purchaser may offer and sell the Certificates to certain dealers and others at prices lower than the offering prices stated on the inside cover page. The offering prices may be changed from time to time by the Purchaser.]

MISCELLANEOUS

Any statements in this Official Statement involving matters of opinion, whether or not expressly so stated, are intended as such and not as representations of fact. This Official Statement is not to be construed as a contract or agreement between the City and the initial purchasers or Owners and beneficial owners of any of the Certificates.

The preparation and distribution of this Official Statement have been duly authorized by the Board of Supervisors of the City.

CITY AND COUNTY OF SAN FRANCISCO

Controller

APPENDIX A

CITY AND COUNTY OF SAN FRANCISCO ORGANIZATION AND FINANCES

APPENDIX B

**COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE
CITY AND COUNTY OF SAN FRANCISCO
FOR THE FISCAL YEAR ENDED JUNE 30, 2012**

[to be attached]

APPENDIX C

SUMMARY OF CERTAIN PROVISIONS OF THE LEGAL DOCUMENTS

The following summary discussion of selected features of the Trust Agreement, the Facilities Lease and the Lease Agreement, all dated as of _____ 1, 2013, are made subject to all of the provisions of such documents and to the discussions of such documents contained elsewhere in this Official Statement. This summary does not purport to be a complete statement of said provisions and prospective purchasers of the Certificates are referred to the complete texts of said documents, copies of which are available upon request from the City through the Office of Public Finance, 1 Dr. Carlton B. Goodlett Place, Room 336, San Francisco, California 94102-4682.

[to come from Co-Special Counsel]

APPENDIX D

FORM OF CONTINUING DISCLOSURE CERTIFICATE

§

CITY AND COUNTY OF SAN FRANCISCO CERTIFICATES OF PARTICIPATION, SERIES 2013A (MOSCONE CENTER IMPROVEMENTS)

This Continuing Disclosure Certificate (the "Disclosure Certificate") is executed and delivered by the City and County of San Francisco (the "City") in connection with the delivery of the certificates of participation captioned above (the "Certificates"). The Certificates are issued pursuant to that certain Trust Agreement (the "Trust Agreement"), dated as of May 1, 2013, between the City and [Name of Trustee], as trustee (the "Trust Agreement"). Pursuant to Section 8.10 of the Trust Agreement and Section 4.8 of that certain Lease Agreement dated as of May 1, 2013, by and between the Trustee and the City, the City covenants and agrees as follows:

SECTION 1. Purpose of the Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the City for the benefit of the Holders and Beneficial Owners of the Certificates and in order to assist the Participating Underwriters (defined below) in complying with Securities and Exchange Commission (the "S.E.C.") Rule 15c2-12(b)(5).

SECTION 2. Definitions. In addition to the definitions set forth in the Trust Agreement, which apply to any capitalized term used in this Disclosure Certificate unless otherwise defined in this Section 2, the following capitalized terms will have the following meanings:

"Annual Report" will mean any Annual Report provided by the City pursuant to, and as described in, Sections 3 and 4 of this Disclosure Certificate.

"Beneficial Owner" will mean any person which: (a) has or shares the power, directly or indirectly, to make investment decisions concerning ownership of any Certificates (including persons holding Certificates through nominees, depositories or other intermediaries) including, but not limited to, the power to vote or consent with respect to any Certificates or to dispose of ownership of any Certificates; or (b) is treated as the owner of any Certificates for federal income tax purposes.

"Dissemination Agent" will mean the City, acting in its capacity as Dissemination Agent under this Disclosure Certificate, or any successor Dissemination Agent designated in writing by the City and which has filed with the City a written acceptance of such designation.

"Holder" will mean either the registered owners of the Certificates, or, if the Certificates are registered in the name of The Depository Trust Company or another recognized depository, any applicable participant in such depository system.

"Listed Events" will mean any of the events listed in Section 5(a) of this Disclosure Certificate.

"MSRB" will mean the Municipal Securities Rulemaking Board or any other entity designated or authorized by the Securities and Exchange Commission to receive reports pursuant to the Rule. Until otherwise designated by the MSRB or the Securities and Exchange Commission, filings with the MSRB are to be made through the Electronic Municipal Market Access (EMMA) website of the MSRB currently located at <http://emma.msrb.org>.

"Participating Underwriter" will mean any of the original underwriters or purchasers of the Certificates required to comply with the Rule in connection with offering of the Certificates.

"Rule" will mean Rule 15c2-12(b)(5) adopted by the S.E.C. under the Securities Exchange Act of 1934, as the same may be amended from time to time.

SECTION 3. Provision of Annual Reports.

(a) The City will, or will cause the Dissemination Agent to, not later than 270 days after the end of the City's fiscal year (which is June 30), commencing with the report for the 2012-13 Fiscal Year (which is due not later than March 27, 2014), provide to the MSRB an Annual Report which is consistent with the requirements of Section 4 of this Disclosure Certificate. If the Dissemination Agent is not the City, the City will provide the Annual Report to the Dissemination Agent not later than 15 days prior to said date. The Annual Report must be submitted in electronic format and accompanied by such identifying information as prescribed by the MSRB, and may cross-reference other information as provided in Section 4 of this Disclosure Certificate; provided, that if the audited financial statements of the City are not available by the date required above for the filing of the Annual Report, the City will submit unaudited financial statements and submit the audited financial statements as soon as they are available. If the City's fiscal year changes, it will give notice of such change in the same manner as for a Listed Event under Section 5(b).

(b) If the City is unable to provide to the MSRB an Annual Report by the date required in subsection (a), the City will send a notice to the MSRB in substantially the form attached as Exhibit A.

(c) The Dissemination Agent will (if the Dissemination Agent is other than the City), file a report with the City certifying the date that the Annual Report was provided to the MSRB pursuant to this Disclosure Certificate.

SECTION 4. Content of Annual Reports. The City's Annual Report will contain or incorporate by reference the following information, as required by the Rule:

(a) the audited general purpose financial statements of the City prepared in accordance with generally accepted accounting principles applicable to governmental entities;

(b) a summary of budgeted general fund revenues and appropriations;

(c) a summary of the assessed valuation of taxable property in the City;

(d) a summary of the ad valorem property tax levy and delinquency rate;

(e) a summary of aggregate annual scheduled lease payments or rental obligations with respect to outstanding certificates of participation and lease revenue bonds payable from the general fund of the City.

(f) a summary of outstanding and authorized but unissued general fund lease obligations, certificates of participation, and other long-term obligations payable from the general fund of the City.

Any or all of the items listed above may be set forth in a document or set of documents, or may be included by specific reference to other documents, including official statements of debt issues of the City or related public entities, which are available to the public on the MSRB website. If the document included by reference is a final official statement, it must be available from the MSRB. The City will clearly identify each such other document so included by reference.

SECTION 5. Reporting of Significant Events.

(a) To the extent applicable and pursuant to the provisions of this Section 5, the City will give, or cause to be given, notice of the occurrence of any of the following events with respect to the Certificates:

- (1) Principal and interest payment delinquencies;
- (2) Nonpayment related defaults, if material;
- (3) Unscheduled draws on any debt service reserves reflecting financial difficulties;
- (4) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) Substitution of credit or liquidity providers or their failure to perform;
- (6) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Certificates, or other material events affecting the tax status of the Certificates;
- (7) Modifications to the rights of Certificate holders, if material;
- (8) Certificate calls, if material, and tender offers;
- (9) Defeasances;
- (10) Release, substitution, or sale of property securing repayment of the Certificates, if material;
- (11) Rating changes;
- (12) Bankruptcy, insolvency, receivership or similar event of the obligated person;
- (13) Consummation of a merger, consolidation or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- (14) Appointment of a successor or additional trustee or the change of name of a trustee.

(b) Whenever the City obtains knowledge of the occurrence of a Listed Event, the City will, in a timely manner not in excess of ten business days after the occurrence of the Listed Event, file a notice of such occurrence with the MSRB in electronic format, accompanied by such identifying information as is prescribed by the MSRB.

SECTION 6. Termination of Reporting Obligation. The City's obligations under this Disclosure Certificate will terminate upon the legal defeasance, prepayment or payment in full of all of the Certificates. If such termination occurs prior to the final Certificate Payment Date of the Certificates, the City will give notice of such termination in the same manner as for a Listed Event under Section 5(b).

SECTION 7. Dissemination Agent. The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent will have only such duties as are specifically set forth in this Disclosure Certificate.

SECTION 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the City may amend or waive this Disclosure Certificate or any provision of this Disclosure Certificate, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 3(b), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Certificates or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of the City Attorney or nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original delivery of the Certificates, after

taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the owners of a majority in aggregate principal amount of the Certificates or (ii) does not, in the opinion of the City Attorney or nationally recognized bond counsel, materially impair the interests of the Holders.

In the event of any amendment or waiver of a provision of this Disclosure Certificate, the City will describe such amendment in the next Annual Report, and will include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change will be given in the same manner as for a Listed Event under Section 5, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

SECTION 9. Additional Information. Nothing in this Disclosure Certificate will be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the City will have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 10. Remedies. In the event of a failure of the City to comply with any provision of this Disclosure Certificate, any Participating Underwriter, Holder or Beneficial Owner of the Certificates may take such actions as may be necessary and appropriate to cause the City to comply with its obligations under this Disclosure Certificate; provided that any such action may be instituted only in a federal or state court located in the City and County of San Francisco, State of California, and that the sole remedy under this Disclosure Certificate in the event of any failure of the City to comply with this Disclosure Certificate will be an action to compel performance.

SECTION 11. Beneficiaries. This Disclosure Certificate will inure solely to the benefit of the City, the Dissemination Agent, the Participating Underwriters and Holders and Beneficial Owners from time to time of the Certificates, and will create no rights in any other person or entity.

SECTION 12. Counterparts. This Disclosure Certificate may be executed in several counterparts, each of which will be an original and all of which will constitute but one and the same instrument.

APPENDIX E

DTC AND THE BOOK-ENTRY ONLY SYSTEM

The information in numbered paragraphs 1-11 of this Appendix E, concerning The Depository Trust Company, New York, New York ("DTC") and DTC's book-entry system, has been furnished by DTC for use in official statements and the City takes no responsibility for the completeness or accuracy thereof. The City cannot and does not give any assurances that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners (a) payments of interest or principal with respect to the Certificates, (b) certificates representing ownership interest in or other confirmation of ownership interest in the Certificates, or (c) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Certificates, or that they will so do on a timely basis, or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this Appendix. The current "Rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "Procedures" of DTC to be followed in dealing with DTC Participants are on file with DTC.

Information Furnished by DTC Regarding its Book-Entry Only System

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the certificates (as used in this Section, the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each maturity of the Securities, in the aggregate principal amount of such issue, and will be deposited with DTC. If, however, the aggregate principal amount of any issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.

2. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC is rated "AA+" by Standard & Poor's. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit the notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices will be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the paying agent or bond trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the paying agent or bond trustee, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the paying agent or bond trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to the City or the paying agent or bond trustee. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

10. The City may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

11. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.

APPENDIX F

PROPOSED FORM OF CO-SPECIAL COUNSEL OPINIONS

[Date of Closing]

To: Board of Supervisors
City and County of San Francisco
San Francisco, California

We have served as co-special counsel to our client the City and County of San Francisco (the "City") in connection with the execution and delivery of the \$ _____ City and County of San Francisco Certificates of Participation, Series 2013A (Moscone Center Improvements) (the "Certificates"), dated the date of this letter.

The Certificates are executed and delivered pursuant to Resolution No. 530-08, adopted by the Board of Supervisors of the City (the "Board of Supervisors") on December 16, 2008, and signed by the Mayor of the City on December 19, 2008, and to Resolution No. ____ adopted by the Board of Supervisors on _____, 2013 and approved by the Mayor on _____, 2013 (together, the "Resolution") and a Trust Agreement, dated as of May 1, 2013 (the "Trust Agreement"), by and between the City and [Name of Trustee], as trustee (the "Trustee").

In our capacity as co-special counsel, we have examined the transcript of proceedings relating to the execution and delivery of the Certificates, a Facilities Lease dated as of May 1, 2013, by and between the Trustee and the City (the "Facilities Lease"), a Lease Agreement, dated as of May 1, 2013, by and between the Trustee and the City (the "Lease Agreement"), and such other documents, matters and law as we deem necessary to render the opinions set forth in this letter.

Based on that examination and subject to the limitations stated below, we are of the opinion that under existing law:

1. The Trust Agreement has been duly authorized, executed and delivered by, and constitutes a valid and binding obligation of, the City enforceable in accordance with the terms thereof.
2. The Facilities Lease and the Lease Agreement have been duly authorized, executed and delivered by, and constitute the valid and binding obligations of, the City enforceable in accordance with the terms thereof.
3. The obligation of the City, as provided in the Lease Agreement, to make the Base Rental payments during the term of the Lease Agreement constitutes a valid and binding obligation of the City, payable from funds of the City lawfully available therefor, and does not constitute a debt of the City or of the State or of any political subdivision thereof within the meaning of any constitutional or statutory debt limit or restriction, and does not constitute an obligation for which the City or the State is obligated to levy or pledge any form of taxation or for which the City or the State has levied or pledged any form of taxation.
4. The interest component of the Basic Rental payments made by the City under the Lease Agreement is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. The interest component of the Basic Rental payments made by the City under the Lease Agreement is also exempt from State of California personal income taxes. We express no opinion as to any other tax consequences regarding the Certificates.

The opinions stated above are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. In rendering all such opinions, we assume, without independent verification, and rely upon (i) the accuracy of the factual matters represented, warranted or certified in the proceedings and documents we have examined (ii) the due and legal authorization, execution and delivery of those documents by, and the valid, binding and enforceable nature of those documents upon, any parties other than the City and (iii) the correctness of the legal conclusions contained in the legal opinion letters of counsel to City delivered in connection with this matter.

In rendering those opinions with respect to the treatment of the interest component of the Basic Rental payments made by the City under the Lease Agreement, we further assume and rely upon compliance with the covenants in the proceedings and documents we have examined, including those of the City. Failure to comply with certain of those covenants subsequent to execution and delivery of the Certificates may cause the interest component of the Basic Rental payments made by the City under the Lease Agreement to be included in gross income for federal income tax purposes retroactively to their date of issuance.

The rights of the owners of the Certificates and the enforceability of the Certificates, the Resolution, the Trust Indenture, the Facilities Lease and the Lease Agreement are subject to bankruptcy, insolvency, arrangement, fraudulent conveyance or transfer, reorganization, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion, and to limitations on legal remedies against public entities. We express no opinion with respect to any indemnification, contribution, penalty, choice of law, choice of forum or waiver provisions contained in the documents mentioned in the preceding sentence, nor do we express any opinion with respect to the status or quality of title to, or interest in, any of the property described in or subject to the Facilities Lease or the Lease Agreement, or the accuracy or sufficiency of the description of any such property contained therein, or the priority of, or the remedies available to enforce, any pledge, lien or security interest in any such assets.

The opinions rendered in this letter are stated only as of this date, and no other opinion shall be implied or inferred as a result of anything contained in or omitted from this letter. Our engagement as co-special counsel with respect to the Certificates has concluded on this date.

Respectfully submitted,

APPENDIX G

APPENDIX A

CITY AND COUNTY OF SAN FRANCISCO
ORGANIZATION AND FINANCES

This Appendix contains information that is current as of March 1, 2013.

This Appendix A to the Official Statement of the City and County of San Francisco (the "City" or "San Francisco") covers general information about the City's governance structure, budget processes, property taxation system and other tax and revenue sources, City expenditures, labor relations, employment benefits and retirement costs, and investments, bonds and other long-term obligations.

The various reports, documents, websites and other information referred to herein are not incorporated herein by such references. The City has referred to certain specified documents in this Appendix A which are hosted on the City's website. A wide variety of other information, including financial information, concerning the City is available from the City's publications, websites and its departments. Any such information that is inconsistent with the information set forth in this Official Statement should be disregarded and is not a part of or incorporated into this Appendix A. The information contained in this Official Statement, including this Appendix A, speaks only as of its date, and the information herein is subject to change. Prospective investors are advised to read the entire Official Statement to obtain information essential to the making of an informed investment decision.

CITY GOVERNMENT

City Charter

San Francisco is governed as a city and county chartered pursuant to Article XI, Sections 3, 4, 5 and 6 of the Constitution of the State of California (the "State"), and is the only consolidated city and county in the State. In addition to its powers under its charter in respect of municipal affairs granted under the State Constitution, San Francisco generally can exercise the powers of both a city and a county under State law. On April 15, 1850, several months before California became a state, the original charter was granted by territorial government to the City. New City charters were adopted by the voters on May 26, 1898, effective January 8, 1900, and on March 26, 1931, effective January 8, 1932. In November 1995, the voters of the City approved the current charter, which went into effect in most respects on July 1, 1996 (the "Charter").

The City is governed by a Board of Supervisors consisting of eleven members elected from supervisorial districts (the "Board of Supervisors"), and a Mayor elected at large who serves as chief executive officer (the "Mayor"). Members of the Board of Supervisors and the Mayor each serve a four-year term. The Mayor and members of the Board of Supervisors are subject to term limits as established by the Charter. Members of the Board of Supervisors may serve no more than two successive four-year terms and may not serve another term until four years have elapsed since the end of the second successive term in office. The Mayor may serve no more than two successive four-year terms, with no limit on the number of non-successive terms of office. The City Attorney, Assessor-Recorder, District Attorney, Treasurer and Tax Collector, Sheriff, and Public Defender are also elected directly by the citizens and may serve unlimited four-year terms. The Charter provides a civil service system for most City employees. School functions are carried out by the San Francisco Unified School District (grades K-12) ("SFUSD") and the San Francisco Community College District (post-secondary) ("SFCCD"). Each is a separate legal entity with a separately elected governing board.

Under its original charter, the City committed itself to a policy of municipal ownership of utilities. The Municipal Railway, when acquired from a private operator in 1912, was the first such city-owned public transit system in the nation. In 1914, the City obtained its municipal water system, including the Hetch Hetchy watershed near Yosemite. In 1927, the City dedicated Mill's Field Municipal Airport at a site in what is now San Mateo County 14 miles south of downtown San Francisco, which would grow to become today's San Francisco International Airport (the "Airport"). In 1969, the City acquired the Port of San Francisco (the "Port") in trust from the State. Substantial expansions and improvements have been made to these enterprises since their original acquisition. The Airport, the Port, the Public Utilities Commission ("Public Utilities Commission") (which now includes the Water Enterprise, the Wastewater Enterprise and the Hetch Hetchy Water and Power Project), the Municipal Transportation Agency ("MTA") (which operates the San Francisco Municipal Railway or "Muni" and the Department of Parking and Traffic ("DPT"), including the Parking Authority and its five public parking garages), and the City-owned hospitals (San Francisco General and Laguna Honda), are collectively referred to herein as the "enterprise fund departments," as they are not integrated into the City's General Fund operating budget. However, certain of the enterprise fund departments, including San Francisco General Hospital, Laguna Honda Hospital and the MTA receive significant General Fund transfers on an annual basis.

The Charter distributes governing authority among the Mayor, the Board of Supervisors, the various other elected officers, the City Controller and other appointed officers, and the boards and commissions that oversee the various City departments. Compared to the governance of the City prior to 1995, the Charter concentrates relatively more power in the Mayor and Board of Supervisors. The Mayor appoints most commissioners subject to a two-thirds vote of the Board of Supervisors, unless otherwise provided in the Charter. The Mayor appoints each department head from among persons nominated to the position by the appropriate commission, and may remove department heads.

Mayor and Board of Supervisors

Edwin M. Lee is the 43rd and current Mayor of the City. The Mayor is the chief executive officer of the City, with responsibility for general administration and oversight of all departments in the executive branch of the City. Mayor Lee was elected to his current four-year term as Mayor on November 8, 2011. Prior to being elected, Mayor Lee was appointed by the Board of Supervisors in January 2011 to fill the remaining year of former Mayor Gavin Newsom's term when Mayor Newsom was sworn in as the State's Lieutenant Governor. Mayor Lee served as the City Administrator from 2005 up until his appointment to Mayor. He also previously served in each of the

following positions: the City's Director of Public Works, the City's Director of Purchasing, the Director of the Human Rights Commission, the Deputy Director of the Employee Relations Division, and coordinator for the Mayor's Family Policy Task Force.

Table A-1 lists the current members of the Board of Supervisors

TABLE A-1

**CITY AND COUNTY OF SAN FRANCISCO

Other Elected and Appointed City Officers

Dennis J. Herrera was re-elected to his third four-year term as City Attorney in November 2009. The City Attorney represents the City in legal proceedings in which the City has an interest. Mr. Herrera was first elected City Attorney in December 2001. Before becoming City Attorney, Mr. Herrera had been a partner in a private law firm and had served in the Clinton Administration as Chief of Staff of the U.S. Maritime Administration. He also served as president of the San Francisco Police Commission and was a member of the San Francisco Public Transportation Commission.

Carmen Chu was appointed Assessor-Recorder of the City by Mayor Lee in February 2013. The Assessor-Recorder administers the property tax assessment system of the City. Before becoming Assessor-Recorder, Ms. Chu was elected in November 2008 and November 2010 to serve as the City's representative on the Board of Supervisors to the Sunset/Parkside District 4 after being appointed by then-Mayor Newsom in September 2007.

José Cisneros was re-elected to a four-year term as Treasurer of the City in November 2009. The Treasurer is responsible for the deposit and investment of all City moneys, and also acts as Tax Collector for the City. Mr. Cisneros has served as Treasurer since September 2004, following his appointment by then-Mayor Newsom. Prior to being appointed Treasurer, Mr. Cisneros served as Deputy General Manager, Capital Planning and External Affairs for the MTA.

Benjamin Rosenfield was appointed to a ten-year term as Controller of the City by then-Mayor Newsom in March 2008, and was confirmed by the Board of Supervisors in accordance with the Charter. The City Controller is responsible for timely accounting, disbursement, and other disposition of City moneys, certifies the accuracy of budgets, estimates the cost of ballot measures, provides payroll services for the City's employees, and as the Auditor for the City, directs performance and financial audits of City activities. Before becoming Controller, Mr. Rosenfield served as the Deputy City Administrator under former City Administrator Edwin Lee from 2005 to 2008. He was responsible for the preparation and monitoring of the City's ten-year capital plan, oversight of a number of internal service offices under the City Administrator, and implementing the City's 311 non-emergency customer service center. From 2001 to 2005, Mr. Rosenfield worked as the Budget Director for then-Mayor Willie L. Brown, Jr. and then-Mayor Newsom. As Budget Director, Mr. Rosenfield prepared the City's proposed budget for each fiscal year

and worked on behalf of the Mayor to manage City spending during the course of each year. From 1997 to 2001, Mr. Rosenfield worked as an analyst in the Mayor's Budget Office and a project manager in the Controller's Office.

Naomi M. Kelly was appointed to a five-year term as City Administrator by Mayor Lee on February 7, 2012. The City Administrator has overall responsibility for the management and implementation of policies, rules and regulations promulgated by the Mayor, the Board of Supervisors and the voters. In January 2012, Mrs. Kelly became Acting City Administrator. From January 2011, she served as Deputy City Administrator where she was responsible for the Office of Contract Administration, Purchasing, Fleet Management and Central Shops. Mrs. Kelly led the effort to successfully roll out the City's new Local Hire program last year by streamlining rules and regulations, eliminating duplication and creating administrative efficiencies. In 2004, Mrs. Kelly served as the City Purchaser and Director of the Office of Contract Administration. Mrs. Kelly has also served as Special Assistant in the Mayor's Office of Neighborhood Services, in the Mayor's Office of Policy and Legislative Affairs and served as the City's Executive Director of the Taxicab Commission.

CITY BUDGET

Overview

This section discusses the City's budget procedures, while following sections of this Appendix A describe the City's various sources of revenues and expenditure obligations.

The City manages the operations of its nearly 60 departments, commissions and authorities, including the enterprise fund departments, through its annual budget. For the first time in July 2012 the City adopted a full two-year budget. The City's fiscal year 2012-13 adopted budget appropriates annual revenues, fund balance, transfers, and reserves of approximately \$7.35 billion, of which the City's General Fund accounts for approximately \$3.49 billion. In fiscal year 2013-14 appropriated revenues, fund balance, transfers and reserves total approximately \$7.57 billion and \$3.60 billion of General Fund budget. For a further discussion of the fiscal years 2012-13 and 2013-14 adopted budgets, see "City Budget Adopted for fiscal years 2012-13 and 2013-14" herein.

Each year the Mayor prepares budget legislation for the City departments, which must be approved by the Board of Supervisors. Revenues consist largely of local property taxes, business taxes, sales taxes, other local taxes, and charges for services. A significant portion of the City's revenues comes in the form of intergovernmental transfers from the State and federal governments. Thus the City's fiscal situation is affected by the health of the local real estate market, the local business and tourist economy, and on budgetary decisions made by the State and Federal governments which depend, in turn, on the health of the larger State and national economies. All of these factors are almost wholly outside the control of the Mayor, the Board of Supervisors, and other City officials. In addition, the State Constitution strictly limits the City's ability to raise taxes and property-based fees without a two-thirds popular vote. Also, the fact that the City's annual budget must be adopted before the State and Federal budgets, adds uncertainty to the budget process, and necessitates flexibility so that spending decisions can be adjusted during the course of the fiscal year. See "CITY GENERAL FUND PROGRAMS AND EXPENDITURES" herein.

Budget Process

The City's fiscal year commences on July 1. The City's budget process for each fiscal year begins in the middle of the preceding fiscal year as departments prepare their budgets and seek any required approvals from the applicable City board or commission. Departmental budgets are consolidated by the City Controller, and then transmitted to the Mayor no later than the first working day of March. By the first working day of May, the Mayor is required to submit a proposed budget to the Board of Supervisors for certain specified departments, based on criteria set forth in the Administrative Code. On or before the first working day of June, the Mayor is required to submit the complete budget, including all departments, to the Board of Supervisors.

Under the Charter, following the submission of the Mayor's proposed budget, the City Controller must provide an opinion to the Board of Supervisors regarding the accuracy of economic assumptions underlying the revenue estimates and the reasonableness of such estimates and revisions in the proposed budget (the City Controller's "Revenue Letter"). The City Controller may also recommend reserves that are considered prudent given the proposed resources and expenditures contained in the Mayor's proposed budget. The City Controller's current Revenue Letter can be viewed online at www.sfcontroller.org. The Revenue Letter and other information from the

said website are not incorporated herein by reference. The City's Capital Planning Committee also reviews the proposed budget and provides recommendations based on the budget's conformance with the City's adopted ten-year capital plan. For a further discussion of the Capital Planning Committee and the City's ten-year capital plan, see "CAPITAL FINANCING AND BONDS – Capital Plan" herein.

The City is required by the Charter to adopt a budget which is balanced in each fund. During its budget approval process, the Board of Supervisors has the power to reduce or augment any appropriation in the proposed budget, provided the total budgeted appropriation amount in each fund is not greater than the total budgeted appropriation amount for such fund submitted by the Mayor. The Board of Supervisors must approve the budget by adoption of the Annual Appropriation Ordinance (also referred to herein as the "Original Budget") by no later than August 1 of each year.

The Annual Appropriation Ordinance becomes effective with or without the Mayor's signature after ten days; however, the Mayor has line-item veto authority over specific items in the budget. Additionally, in the event the Mayor were to disapprove the entire ordinance, the Charter directs the Mayor to promptly return the ordinance to the Board of Supervisors, accompanied by a statement indicating the reasons for disapproval and any recommendations which the Mayor may have. Any Annual Appropriation Ordinance so disapproved by the Mayor shall become effective only if, subsequent to its return, it is passed by a two-thirds vote of the Board of Supervisors.

Following the adoption and approval of the Annual Appropriation Ordinance, the City makes various revisions throughout the fiscal year (the Original Budget plus any changes made to date are collectively referred to herein as the "Revised Budget"). A "Final Revised Budget" is prepared at the end of the fiscal year reflecting the year-end revenue and expenditure appropriations for that fiscal year.

November 2009 Charter Amendment Instituting Two-Year Budgetary Cycle

On November 3, 2009, voters approved Proposition A amending the Charter to make changes to the City's budget and financial processes which are intended to stabilize spending by requiring multi-year budgeting and financial planning.

Proposition A requires three significant changes:

- Specifies a two-year (biennial) budget, replacing the annual budget. Two-year budgets have been prepared for the following four pilot departments in fiscal year 2010-11: the Airport, the Port, the Public Utilities Commission, and MTA. MTA already implemented a two-year budgeting process as a result of the passage of a previous measure, also known as Proposition A, in November 2007. Two-year budgets were prepared for all departments beginning in fiscal year 2012-13.
- Requires a five-year financial plan, which forecasts revenues and expenses and summarizes expected public service levels and funding requirements for that period. The first five-year financial plan, including a forecast of expenditures and revenues and proposed actions to balance them in light of strategic goals, was adopted by the Board of Supervisors on June 7, 2011, and was updated on March 7, 2012. A new five-year financial plan, covering fiscal years 2013-14 through 2017-18, will be issued in early March 2013. See "Five Year Financial Plan" below.
- Standardizes the processes and deadlines for the City to submit labor agreements for all public employee unions by May 15. Charges the Controller's Office with proposing to the Mayor and Board of Supervisors financial policies addressing reserves, use of volatile revenues, debt, and financial measures in the case of disaster recovery and requires the City to adopt budgets consistent with these policies once approved. The Controller's Office may recommend additional financial policies or amendments to existing policies no later than October 1 of any subsequent year.

On April 13, 2010, the Board of Supervisors unanimously adopted policies to 1) codify the City's current practice of maintaining an annual General Reserve for current year fiscal pressures not anticipated in the budget and roughly double the size of the General Reserve by fiscal year 2015-16, and 2) create a new Budget Stabilization Reserve funded by excess receipts from volatile revenue streams to augment the existing Rainy Day Reserve to help the City mitigate the impact of multi-year downturns. On November 8 and 22, 2011, the Board of Supervisors unanimously

adopted additional financial policies limiting the future approval of Certificates of Participation and other long-term obligations to 3.25% of discretionary revenue, and specifying that selected nonrecurring revenues may only be spent on nonrecurring expenditures. These policies are described in further detail below. The Controller's Office may propose additional financial policies by October 1 of any year.

Role of Controller; Budgetary Analysis and Projections

As Chief Fiscal Officer and City Services Auditor, the City Controller monitors spending for all officers, departments and employees charged with receipt, collection or disbursement of City funds. Under the Charter, no obligation to expend City funds can be incurred without a prior certification by the City Controller that sufficient revenues are or will be available to meet such obligation as it becomes due in the then-current fiscal year, which ends June 30. The City Controller monitors revenues throughout the fiscal year, and if actual revenues are less than estimated, the City Controller may freeze department appropriations or place departments on spending "allotments" which will constrain department expenditures until estimated revenues are realized. If revenues are in excess of what was estimated, or budget surpluses are created, the City Controller can certify these surplus funds as a source for supplemental appropriations that may be adopted throughout the year upon approval of the Mayor and the Board of Supervisors. The City's annual expenditures are often different from the estimated expenditures in the Annual Appropriation Ordinance due to supplemental appropriations, continuing appropriations of prior years, and unexpended current-year funds.

Charter Section 3.105 directs the City Controller to issue periodic or special financial reports during the fiscal year. Each year, the City Controller issues six-month and nine-month budget status reports to apprise the City's policymakers of the current budgetary status, including projected year-end revenues, expenditures and fund balances. The City Controller issued the most recent of these reports, the fiscal year 2012-13 Six Month Budget Status Report (the "Six Month Report"), on February 12, 2013. In addition, under Proposition A of November 2009, the Mayor must submit a Five-Year Financial Plan every two years to the Board of Supervisors which forecasts revenues and expenditures for the next five fiscal years and proposes actions to balance them. The Board of Supervisors approved the City's first Five-Year Financial Plan on June 7, 2011. On March 7, 2012, an update to the Five-year Financial Plan was released by the Controller's Office, Mayor's Office and Board of Supervisors Budget Analyst. The next Five Year Financial Plan will be published in early March, 2013. See "Five Year Financial Plan" below. Finally, as discussed above, the City Charter directs the Controller to annually report on the accuracy of economic assumptions underlying the revenue estimates in the Mayor's proposed budget. On June 14, 2012 the Controller released the Annual Revenue Letter (the "Annual Revenue Letter") reviewing the proposed fiscal year 2012-13 and 2013-14 Budget. All of these reports are available from the City Controller's website: www.sfcontroller.org. The information from the said website is not incorporated herein by reference.

General Fund Results; Audited Financial Statements

The General Fund portions of the fiscal year 2012-13 and fiscal year 2013-14 Original Budgets total \$3.49 billion, and \$3.60 billion respectively. This does not include expenditures of other governmental funds and enterprise fund departments such as the Airport, the MTA, the Public Utilities Commission, the Port, and the City-owned hospitals (San Francisco General and Laguna Honda). Table A-2 shows Final Revised Budget revenues and appropriations for the City's General Fund for fiscal years 2009-10 through 2011-12 and the Original Budgets for fiscal years 2012-13 and 2013-14. See "PROPERTY TAXATION –Tax Levy and Collection," "OTHER CITY TAX REVENUES" and "CITY GENERAL FUND PROGRAMS AND EXPENDITURES" herein.

The City's most recently completed Comprehensive Annual Financial Report (the "CAFR" which includes the City's audited financial statements) for fiscal year 2011-12 was issued on January 8, 2013. The fiscal year 2011-12 CAFR reported that as of June 30, 2012, the General Fund available for appropriation in subsequent years was \$220.3 million (see Table A-4), of which \$104.3 million was assumed in the fiscal year 2012-13 Original Budget and \$103.6 million was assumed in the fiscal year 2013-14 Original Budget, and \$11.7 million remains available for future appropriations. This represents a \$51.8 million increase in available fund balance over the \$168.5 million available as of June 30, 2011 and resulted primarily from savings and greater-than-budgeted additional tax revenue, particularly payroll and property transfer tax revenues, in fiscal year 2011-12. In addition to this available year-end General Fund balance, the City's Rainy Day Reserve Economic Stabilization Account totaled \$31.1 million.

¹ Over the past five years, the City has consolidated various departments to achieve operational efficiencies. This resulted in changes in how departments were summarized in the service area groupings above for the time periods shown.

² FY 2012-13 and FY 2013-14 Original Budget Prior-Year Budgetary Fund Balance & Reserves will be reconciled with the previous year's Final Revised Budget.

Source: Office of the Controller, City and County of San Francisco.

The City prepares its budget on a modified accrual basis. Accruals for incurred liabilities, such as claims and judgments, workers' compensation, accrued vacation and sick leave pay are funded only as payments are required to be made. The audited General Fund balance as of June 30, 2012 was \$455.7 million (as shown in Table A-4) using Generally Accepted Accounting Principles ("GAAP"), derived from audited revenues of \$3.2 billion. Audited General Fund balances are shown in Table A-3 on both a budget basis and a GAAP basis with comparative financial information for the fiscal years ended June 30, 2008 through June 30, 2012.

¹ Summary of financial information derived from City CAFRs. GASB Statement 54, issued in March 2009, and implemented in the City's FY 2010-11 CAFR, establishes a new fund balance classification based primarily on the extent to which a government is bound to observe constraints imposed on the use of funds. Subsequent footnotes in this table provide the former descriptive titles for 2011 fund balance amounts.

² Prior to 2011, each line item was titled "reserved" for the purpose indicated

³ Prior to 2011, titled "Total Reserved Fund Balance"

⁴ Prior to 2011, titled "Designated for litigation and contingencies"

⁵ Prior to 2011, titled "Unreserved, undesignated fund balance available for appropriation"

⁶ Prior to 2011, titled "Total Unreserved Fund Balance"

⁷ Prior to 2011, titled "Reserved for Assets Not Available for Appropriation"

Table A-4, entitled "Audited Statement of Revenues, Expenditures and Changes in General Fund Balances," is extracted from information in the City's CAFR for the five most recent fiscal years. Audited financial statements for the fiscal year ended June 30, 2012 are included herein as Appendix B – "COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY AND COUNTY OF SAN FRANCISCO FOR THE YEAR ENDED JUNE 30, 2012." Prior years' audited financial statements can be obtained from the City Controller's website. Information from the City Controller's website is not incorporated herein by reference. Excluded from this Statement of General Fund Revenues and Expenditures in Table A-4 are fiduciary funds, internal service funds, special revenue funds (which relate to proceeds of specific revenue sources which are legally restricted to expenditures for specific purposes) and all of the enterprise fund departments of the City, each of which prepares separate audited financial statements.

Five-Year Financial Plan

The Five-Year Financial Plan is required under Proposition A, a Charter amendment approved by voters in November 2009. The Charter requires the plan to forecast expenditures and revenues for the next five-fiscal years, propose actions to balance revenues and expenditures during each year of the plan, and discuss strategic goals and corresponding resources for City departments. The first Five-Year Financial Plan, covering fiscal years 2011-12 through 2015-16, was prepared by the Mayor's Office and Controller's Office in collaboration with City departments and adopted by the Board of Supervisors on June 7, 2011. An update to the adopted Five-Year Financial Plan was prepared by the Controller's Office, Mayor's Office and Board of Supervisors Budget Analyst on March 7, 2012.

A new proposed Five-Year Financial Plan was introduced to the Board of Supervisors on March 5, 2013. For General Fund Supported Operations for fiscal year 2013-2014 through fiscal year 2017-18, this proposed Plan projected budgetary shortfalls of \$124 million, \$256 million, \$368 million, \$423 million and \$487 million over the next five fiscal years. The \$487 million figure is a significant improvement from the first Five-Year Financial Plan which in 2011 projected a five-year shortfall of \$829 million. This plan projected continued recovery in local tax revenues. However, projected increases in employee salary and benefits, citywide operating expenses, and departmental costs are rising faster than projected revenue growth. To the extent budgets are balanced with ongoing savings or revenues, future shortfalls will decrease.

The Mayor will submit a balanced two-year budget for fiscal year 2013-14 and fiscal year 2014-15 to the Board of Supervisors by June 1, 2013, closing the \$124 million and \$256 million budget gaps identified in the proposed Five Year Financial Plan. Strategies used to balance the budget are discussed in the budget section below. To the extent that the Mayor's budget is balanced with ongoing savings or revenues, this will reduce the projected deficits for subsequent fiscal years.

The City currently projects revenue growth of \$578 million over the five-year period of this Plan, and expenditure growth of \$1,065 million. Employee pension costs, wages and other benefit growth are the single largest driver of cost growth and the imbalance between revenues and expenditures, growing by \$459 million, 43% of the total expenditure growth, during the five years of the plan. Other costs projected to increase include: Citywide Operating Costs (\$298 million, 28% of expenditure growth), Department of Public Health specific cost increases (\$133 million, 13%), Charter Mandated Baseline and Reserve Changes (\$118 million, 11%), Other Department Specific Cost Increases (\$57 million, 5%).

The plan proposes the following strategies to restore fiscal stability: controlling capital spending and debt restructuring; controlling wage and benefit costs; additional tax and fee revenues; adjustments to baselines and revenue allocations; limiting growth in contract and materials costs; reduced reliance on non-recurring revenues and savings; and ongoing departmental revenues and savings initiatives.

Fiscal Year 2012-13 Budget Update

On February 12, 2013, the Controller's Office issued a Six Month Budget Status report which projected the General Fund would end fiscal year 2012-13 with a balance of \$174.0 million. The surplus is made up of \$11.7 million in better than anticipated starting fund balance, \$72.1 million in better than anticipated Citywide revenues, offset by a net departmental operating shortfall of \$18.9 million. Of this fiscal year 2012-13 ending balance, \$103.6 million has already been appropriated in the fiscal year 2013-14 budget, and \$32.2 million will be required to bring the General Reserve to mandated levels, leaving a surplus of \$38.3 million available for appropriation. The general revenue improvements are driven primarily by continued growth in local economic activity resulting in improved outlooks for real property transfer tax, payroll tax, hotel tax and interest income.

City Budget Adopted for Fiscal Years 2012-13 and 2013-14

On July 25, 2012, Mayor Lee signed the Consolidated Budget and Annual Appropriation Ordinance (the "Original Budget") for fiscal years ending June 30, 2013 and June 30, 2014. This is the first two-year budget for the entire City, as directed by the November 2009 voter-approved Charter amendment. The Controller's Office issued its required Controller's Discussion of the Mayor's fiscal year 2012-13 and fiscal year 2013-14 Proposed Budget on June 14, 2012. The Mayor's budget closed the \$170 million and \$312 million general fund shortfalls for fiscal year

2012-13 and fiscal year 2013-14 identified in the Five Year Financial Plan Update and accommodated \$36 million of additional expenditure increases in each year through a combination of (a) increased sources totaling \$90 million and \$104 million respectively, made up of improved general fund revenue projections (\$44 million and \$40 million), additional fiscal year 2010-11 available fund balance (\$28 million each year), reallocating more hotel tax revenues to the General Fund (\$4 million and \$13 million), increased State realignment funds (\$10 million each year), and one-time sources of \$5 million and \$12 million; plus (b) Citywide and departmental savings totaling \$97 million and \$206 million respectively, made up of negotiated wage and benefit cost control (\$13 million and \$55 million), reduced funding for growth in non-personnel expenditures (\$22 million and \$48 million), deferrals in education enrichment fund allocations to the San Francisco Unified School District and First Five Commission (\$18 million each year), reduced State revenue loss allowance funding (\$15 million and \$30 million), use of budget savings incentive reserve funds derived from Departmental expenditure savings to pay for one-time expenditures (\$8 million and \$9 million), other citywide savings from reduced capital equipment and information technology spending and from debt restructuring (\$21 million and \$45 million respectively), and department-specific savings (\$53 million and \$69 million).

On June 29, 2012 the Board of Supervisors Budget and Finance Committee unanimously approved the Mayor's proposed budget with revisions totaling \$17 million in fiscal year 2012-13 and \$15 million in fiscal year 2013-14. The revisions were funded by \$14 million in Committee reductions to the Mayor's budget and \$18 million of additional sources identified by the Mayor, including \$9 million in additional expenditure savings identified from fiscal year 2011-12, \$6.1 million in additional fiscal year 2010-11 Property Transfer Tax revenue above the amount required to be deposited in the Budget Stabilization Reserve and to fund baseline transfers, \$2.4 million in leftover funds in the budget's technical adjustment reserve and \$1 million from a reduction in a Small Business Revolving Loan fund.

The Original Budget for fiscal years 2012-13 and 2013-14 totals \$7.35 billion and \$7.57 billion respectively, representing increases over prior year of \$520 million and \$220 million. The General Fund portion of each year's budget is \$3.49 billion in fiscal year 2012-13 and \$3.60 billion in fiscal year 2013-14 representing consecutive increases of \$290 million and \$110 million. There are 26,901 funded positions in the fiscal year 2012-13 Original Budget and 27,124 in the fiscal year 2013-14 Original Budget representing prior year increases of 719 and 223 respectively.

In addition to being the first two-year budget, the budget for fiscal years 2012-13 and 2013-14 was the first to adhere to the City's policy limiting the use of certain nonrecurring revenues to nonrecurring expenses proposed by the Controller's Office and approved unanimously by the Board of Supervisors on November 22, 2011. The policy was approved by the Mayor on December 1, 2011 and can only be suspended for a given fiscal year by a two-thirds vote of the Board. Specifically, this policy limited the Mayor and Board's ability to use for operating expenses the following nonrecurring revenues: extraordinary year-end General Fund balance (defined as General Fund prior year unassigned fund balance before deposits to the Rainy Day Reserve or Budget Stabilization Reserve in excess of the average of the previous five years), the General Fund share of revenues from prepayments provided under long-term leases, concessions, or contracts, otherwise unrestricted revenues from legal judgments and settlements, and other unrestricted revenues from the sale of land or other fixed assets. Under the policy, these nonrecurring revenues may only be used for nonrecurring expenditures that do not create liability for or expectation of substantial ongoing costs, including but not limited to: discretionary funding of reserves, acquisition of capital equipment, capital projects included in the City's capital plans, development of affordable housing, and discretionary payment of pension, debt or other long term obligations.

Impact of the State of California Budget on Local Finances

The State continues its slow but steady economic recovery. Revenues from the State represent approximately 15% of the General Fund revenues appropriated in the fiscal year 2012-13 Original Budget, and thus changes in State revenues could have a significant impact on the City's finances. In a typical year, the Governor releases two primary proposed budget documents: 1) the Governor's Proposed Budget required to be submitted in January; and 2) the "May Revise" to the Governor's Proposed Budget. The Governor's Proposed Budget is then considered and typically revised by the State Legislature. Following that process, the State Legislature adopts, and the Governor signs, the State budget. City policy makers review and estimate the impact of both the Governor's Proposed and May Revise Budgets prior to the City adopting its own budget.

On June 27, 2012, Governor Brown signed the 2012-13 California State budget into law. The budget closed a \$15.7 billion deficit and included a reserve of \$948 million. The budget assumed, and voters approved, the Governor's initiative on the November 2012 ballot, which contained five- and seven- year tax increases as well as constitutional guarantees of county funding for the fiscal year 2011-12 realignment of public safety and welfare program responsibilities and funding formulas.

The City's Original Budget for fiscal year 2012-13 budget included a \$15 million allowance for State funding reductions that could be used to offset the impact of cuts in the State budget. The impact of the State budget on San Francisco falls mainly on individuals and families in the City who rely upon State childcare credits, income support and in-home support services. City finances will be impacted to the extent that the Board of Supervisors chooses to backfill programs cut by the State.

Governor Brown released his proposed fiscal year 2013-14 budget on January 10, 2013. Revenues and expenditures are generally in balance due to voter-approved tax increases, economic recovery and prior reductions, and the budget forecasts a \$1 billion budgetary balance. With the exception of education funding, State service and funding levels in the budget generally continue at levels established in fiscal year 2012-13. Both the State Department of Finance and the Legislative Analyst's Office forecast a similar situation for fiscal year 2014-15.

Impact of Federal Budget Tax Increases and Expenditure Reductions on Local Finances

On January 2, 2013, the federal government reached a temporary budget solution that reduced the level of cuts associated with sequestration in the current fiscal year and postponed the effects of federal sequestration until March 1st. As of February 21, 2013, the total estimated impact to the City and County of San Francisco in the current year is approximately \$25.2 million. Of this total, \$3.6 million is cuts to education programs and \$9.3 million is reductions to housing, energy and transportation programs outside the General Fund. The fiscal effect of the remaining \$12.3 million reductions to housing, health and human services programs will be determined by the extent to which the Board of Supervisors chooses to backfill them. The only certain reduction to City revenue is the loss of \$2.0 million in Medicare revenue. The exact value of any reductions will depend on implementation details, which has not yet been determined.

Budgetary Reserves and Economic Stabilization

Under the Charter, the Treasurer, upon recommendation of the City Controller, is authorized to transfer legally available moneys to the City's operating cash reserve from any unencumbered funds then held in the City's pooled investment fund. The operating cash reserve is available to cover cash flow deficits in various City funds, including the City's General Fund. From time to time, the Treasurer has transferred unencumbered moneys in the pooled investment fund to the operating cash reserve to cover temporary cash flow deficits in the General Fund and other City funds. Any such transfers must be repaid within the same fiscal year in which the transfer was made, together with interest at the rate earned on the pooled funds at the time the funds were used. The City has not issued tax and revenue anticipation notes to finance short-term cash flow needs since fiscal year 1996-97. See "INVESTMENT OF CITY FUNDS – Investment Policy" herein.

Rainy Day Reserve

In November 2003, City voters approved the creation of the City's Rainy Day Reserve into which the previous Charter-mandated cash reserve was incorporated. Charter Section 9.113.5 requires that if the City Controller projects total General Fund revenues for the upcoming budget year will exceed total General Fund revenues for the current year by more than five percent, then the City's budget shall allocate the anticipated General Fund revenues in excess of that five percent growth into the following two accounts within the Rainy Day Reserve and for other lawful governmental purposes.

- 50 percent of the excess revenues to the Rainy Day Economic Stabilization account;
- 25 percent of the excess revenues to the Rainy Day One-Time or Capital Expenditures account; and
- 25 percent of the excess revenues to any lawful governmental purpose.

Fiscal year 2011-12 revenue exceeded the deposit threshold, resulting in a \$6.0 million deposit to the Rainy Day Reserve Economic Stabilization Fund and a \$3.0 million deposit to the One-Time Capital Expenditures account.

Deposits to the Rainy Day Reserve's Economic Stabilization account are subject to a cap of 10% of actual total General Fund revenues as stated in the City's most recent independent annual audit. Amounts in excess of that cap in any year will be allocated to capital and other one-time expenditures. Moneys in the Rainy Day Reserve's Economic Stabilization account are available to provide a budgetary cushion in years when General Fund revenues are projected to decrease from prior-year levels (or, in the case of a multi-year downturn, the highest of any previous year's total General Fund revenues). Moneys in the Rainy Day Reserve's One-Time or Capital Expenditures account are available for capital and other one-time spending initiatives. Except for the transfer to SFUSD described below, no draw from the Rainy Day Reserve is budgeted in fiscal years 2012-13 and 2013-14.

If the City Controller projects that per-pupil revenues for the SFUSD will be reduced in the upcoming budget year, the Board of Supervisors and Mayor may appropriate funds from the Rainy Day Economic Stabilization account to the SFUSD. This appropriation may not exceed the dollar value of the total decline in school district revenues, or 25% of the account balance, whichever is less. In fiscal year 2011-12, \$8.4 million was appropriated to be transferred to the SFUSD to partially offset SFUSD's planned layoffs and declining per-pupil revenues. On January 15, 2013, the Mayor introduced legislation to increase the fiscal year 2012-13 appropriations to \$7.8 million, or 25% of the current reserve balance, an increase of \$1.5 million over budget. If the Board of Supervisors chooses to allocate the full 25% of the balance in fiscal year 2013-14, \$5.8 million would be appropriated, an increase of \$1.1 million over budget. Original Budget Assuming no other withdrawals or deposits, this would leave a balance remaining in the Rainy Day Reserve at the end of fiscal year 2013-14 of \$17.5 million.

On April 13, 2010, the Board of Supervisors unanimously approved the City Controller's proposed financial policies on reserves and the use of certain volatile revenues. The policies were approved by the Mayor on April 30, 2010, and can only be suspended for a given fiscal year by a two-thirds vote of the Board. With these policies the City created two additional types of reserves: General Reserve and the Budget Stabilization Reserve described below.

Budget Stabilization Reserve

The Budget Stabilization Reserve augments the existing Rainy Day Reserve and is funded through the dedication of 75% of certain volatile revenues to the new reserve, including Real Property Transfer Tax receipts in excess of the five-year annual average (controlling for the effect of any rate increases approved by voters), funds from the sale of assets, and year-end unassigned General Fund balances beyond the amount assumed as a source in the subsequent year's budget.

The fiscal year 2011-12 ending balance in the reserve was \$74.3 million due to deposits of transfer tax revenue and year-end unassigned General Fund balances above projections. A projected \$20.5 million deposit of excess real property transfer tax receipts in the current year will bring the balance in the reserve to be \$94.9 million.

The maximum combined value of the Rainy Day Reserve and the Budget Stabilization Reserve is 10% of General Fund revenues. No further deposits will be made once this cap is reached, and no deposits are required in years when the City is eligible to withdraw. The Budget Stabilization Reserve has the same withdrawal requirements as the Rainy Day Reserve; however, there is no provision for allocations to the SFUSD. Withdrawals are structured to occur over a period of three years: in the first year of a downturn, a maximum of 30% of the combined value of the Rainy Day Reserve and Budget Stabilization Reserve could be drawn. In the second year, the maximum withdrawal is 50%, and in the third year, the entire remaining balance may be drawn.

General Reserve

The financial policies passed on April 13, 2010 codified the current practice of maintaining an annual General Reserve to be used for current-year fiscal pressures not anticipated during the budget process. The policy set the reserve equal to one percent of budgeted regular General Fund revenues, or \$32.2 million, in fiscal year 2012-13. The required starting balance of the reserve increases to 2% of General Fund revenues by fiscal year 2016-17.

San Francisco Redevelopment Agency Dissolution

On February 1, 2012, the San Francisco Redevelopment Agency (the "SFRDA") ceased to exist by operation of law as a result of Assembly Bill No. X1 26 (Chapter 5, Statutes of 2011-12, First Extraordinary Session) ("AB 26"), and a recent California Supreme Court decision described below. AB 26 was modified by Assembly Bill No. 1484 (Chapter 26, Statute of 2011-12) ("AB1484" and together with AB 26, the "Dissolution Act").

The Dissolution Act provides that all rights, powers, duties and obligations of a redevelopment agency under the Community Redevelopment Law that have not been repealed, restricted or revised pursuant to AB 26 will be vested in the successor agency. The successor agency for each redevelopment agency is generally the county or city that authorized the creation of the redevelopment agency. On January 26, 2012 the City adopted a Board of Supervisors resolution providing for the City to become the successor agency to the SFRDA (the "Successor SFRDA"). The resolution also approved the retention by the City of all the affordable housing assets of the SFRDA (including encumbered funds in the Low and Moderate Income Housing Fund) and authorized the Mayor's Office of Housing to manage the housing assets and exercise the housing functions that the SFRDA formerly performed. The resolution places most of the non-housing assets of the SFRDA under the jurisdiction of the Director of the Department of Administrative Services.

Pursuant to AB 1484, the Successor SFRDA is a separate public agency from the City, and the assets and liabilities of the former SFRDA will not be transferred to the City. The Successor SFRDA will succeed to the organizational status of the former SFRDA, but without any legal authority to participate in redevelopment activities, except in connection with approved enforceable obligations as provided in the Dissolution Act. In general, the debt of the former SFRDA will become the debt of the Successor SFRDA as the SFRDA's successor agency. Such debt will be payable only from the property tax revenues (former tax increment) or other revenue sources that originally secured such debt. The Dissolution Act does not provide for any new sources of revenue, including general fund revenues of the City, for any SFRDA bonds.

There are significant uncertainties regarding the meaning of certain provisions of the Dissolution Act and the impact of the Dissolution Act on the City, including, among other matters, the obligation imposed on the City in performing its duties as Successor SFRDA, performing the enforceable obligations as Successor SFRDA, paying the debt of the former SFRDA as Successor SFRDA and completing certain projects of the former SFRDA. Future legislation and court decisions may clarify some of these uncertainties. There is also uncertainty about how the City may pursue certain community development goals that the former SFRDA undertook and that are not covered by enforceable obligations, and the City's use of alternative funding sources for projects and programs to pursue such goals.

The total General Fund impact of the dissolution will depend on State decisions regarding the use of tax increment in redevelopment project areas. The State may or may not allow the redevelopment successor agency to retain cash balances to meet contractual obligations for affordable housing and infrastructure improvements. Property tax revenue estimates in the Five Year Financial Plan assume tax increment is used for debt service, to meet obligations made to developers, and approximately \$3.4 million annually for non-debt service uses, resulting in residual tax increment available to be distributed to the taxing entities of approximately \$25.6 million in fiscal year 2013-14, rising to approximately \$42.3 million in fiscal year 2017-18, of which just under 57% would be allocated to the General Fund. This amount could increase depending on uses allowed by the State.

AB 26 and Supreme Court Decision

On December 29, 2011 the California Supreme Court issued its decision in *California Redevelopment Association v. Matosantos* (No. S194861) ("Matosantos") regarding the constitutionality of two budget bills involving redevelopment, AB 26 and ABX1 27 (Chapter 6, Statutes of 2011-12, First Extraordinary Session) ("AB 27"). AB 26 dissolved all redevelopment agencies, and designated "successor agencies" with certain powers and duties. AB 27 would have allowed a redevelopment agency to continue to exist, notwithstanding AB 26, if the city or county that created the redevelopment agency made certain payments for the benefit of the local schools and other taxing entities. In *Matosantos* the Court upheld AB 26 requiring the dissolution of redevelopment agencies and the transfer of assets and obligations to successor agencies, but invalidated AB 27. The *Matosantos* decision also modified various deadlines for the implementation of AB 26.

As a consequence of the *Matosantos* decision, all California redevelopment agencies, including the former SFRDA, dissolved by operation of law on February 1, 2012. All property tax revenues that would have been allocated to redevelopment agencies, including the former SFRDA, will be allocated to the applicable Redevelopment Property Tax Trust Fund created by the County Auditor-Controller for the "successor agency." Such funds are to be used for payments on indebtedness and other "enforceable obligations" (as defined in the Dissolution Act), and to pay certain administrative costs and any amounts in excess of that amount are to be considered property taxes that will be distributed to taxing agencies.

The Dissolution Act requires successor agencies, such as the Successor SFRDA, to continue to make payments and perform other obligations required under enforceable obligations for former redevelopment agencies. AB 26 defines "enforceable obligations" to include bonds, loans, legally required payments, judgments or settlements, legally binding and enforceable agreements and certain other obligations. The Dissolution Act generally excludes from the definition of enforceable obligations any loans or agreements solely between a redevelopment agency and the city or county that created the agency. It also excludes any agreements that are void as violating the debt limit or public policy. Payment and performance of enforceable obligations is subject to review by oversight boards and by the State Controller and State Department of Finance.

The Dissolution Act expressly limits the liabilities of a successor agency in performing duties under the Dissolution Act to the amount of property tax revenues received by such successor agency under the Dissolution Act (generally equal to the amount of former tax increment received by the former redevelopment agency) and the assets of the former redevelopment agency. The Dissolution Act does not provide for any new sources of revenue, including general fund revenues of the City, for any SFRDA bonds (but as discussed below, the City's costs of performing its obligations under AB 26 and of pursuing the economic development goals of the former SFRDA are uncertain and could be significant).

Payment of Enforceable Obligations

The tax allocation bonds ("TABs") issued by the former SFRDA are secured solely by property tax revenues from the designated redevelopment project areas (former increment) formerly payable to the SFRDA (and now available to the Successor SFRDA to pay debt service on the TABs) and from certain funds and accounts established pursuant to the trust agreement relating to each series of the TABs. The City, as Successor SFRDA, is not obligated to pay the principal of, premium, if any, or interest on any TABs, except from property tax revenues from the redevelopment project area allocated to the Successor SFRDA and pledged to repayment of the TABs. The General Fund of the City is not liable for the payment of the principal of, premium, if any, or interest on the TABs. The TABs are not secured by a legal or equitable pledge of, or charge, lien, or encumbrance upon, any property of the City or any of its income or receipts, except the property tax revenues from the redevelopment project area allocated to the Successor SFRDA and pledged to repayment of the TABs or the property or assets that the Successor SFRDA acquired as a successor agency to the former SFRDA under the Dissolution Act and that are pledged for such purposes.

In addition, the hotel tax bonds issued by the SFRDA are secured solely by amounts legally available to be received by or on behalf of the former SFRDA (and now available to the City as Successor Agency to the SFRDA to pay debt service on the hotel tax bonds) from the levy of 12% hotel tax ("Hotel Taxes") on all hotels within specific redevelopment project areas and from certain funds and accounts established pursuant to the indenture relating to the hotel tax bonds. The City, as Successor SFRDA, is not obligated to pay the principal of, premium, if any, or interest on any hotel tax bonds except from Hotel Taxes allocated to the Successor SFRDA. The hotel tax bonds are not secured by a legal or equitable pledge of, or charge, lien, or encumbrance upon, any property of the City or any of its income or receipts, except the Hotel Taxes allocated to the City or Successor SFRDA.

Pursuant to the Dissolution Act, enforceable obligations (which, as mentioned above, include bonds as defined in the act) continue to exist. Nothing in the Dissolution Act is intended to give rise to or cause a default under documents governing enforceable obligations, or absolve a successor agency of payment or other obligations imposed by enforceable obligations. The Dissolution Act provides that pledges of revenues for enforceable obligations are to be honored.

Under the Dissolution Act, the County Auditor-Controller is required to determine the amount of property taxes that the redevelopment agencies would have received had they not been dissolved pursuant to the Dissolution Act, using assessed values on the last equalized roll on August 20, statutory formulas or contractual agreements with taxing

entities, and deposit such amount in the Redevelopment Property Tax Trust Fund. The Redevelopment Property Tax Trust Fund is administered by the County Auditor-Controller for the benefit of the holders of enforceable obligations and the taxing entities that receive pass-through payments and property tax distributions.

Oversight Board

The Dissolution Act requires successor agencies to create a new Oversight Board to be composed of seven members and to act by majority vote. There are special provisions for appointment of the members for a consolidated city and county, such as the City: three members are appointed by the Mayor of the City and confirmed by the Board of Supervisors, one member by the Superintendent of Schools to represent the schools in the City, one member is appointed by the largest special district (by property tax share) with territory within the territorial jurisdiction of the former redevelopment agency (BART), one member by the Chancellor of the California Community Colleges to represent community college districts in the City, and one member is appointed by the Mayor of the City subject to confirmation by the Board of Supervisors representing employees of the former SFRDA. On January 24, 2012 the Board of Supervisors approved the Mayor's four appointments to the Oversight Board. [In accordance with AB 26, the Oversight Board must be established by May 1, 2012.]

The Oversight Board and the Department of Finance has approved the ROPS for January 1, 2013 to June 30, 2013.

Impact of Dissolution Act and Information concerning SFRDA

Although provisions have been made under the Dissolution Act to provide funds (i.e. property tax revenues) to continue certain enforceable obligations of the Successor SFRDA, the costs of performing its duties under the Dissolution Act, including performing all enforceable obligations of the former SFRDA, and pursuing community development goals that the former SFRDA undertook and that are not covered by enforceable obligations are uncertain, and could impose significant costs on the City's general fund not offset by property tax revenues.

The following includes a very brief summary of certain financial and operating information relating to SFRDA. The provisions of the Dissolution Act are unclear as to numerous aspects of the operations and finances of the Successor SFRDA, including but not limited to the administration of enforceable obligations (including bonds), the flow and uses of tax increment moneys and the disposition of SFRDA assets. Therefore, there are significant uncertainties regarding the finances and operations of the Successor SFRDA entity and administration of its bonds once the City became the successor agency to the SFRDA. Interpretations and clarification of AB 26 are likely to come from future State legislation or administrative guidance and court decisions. At present, the City cannot predict many aspects or the overall outcome of AB 26 on the City's finances and the SFRDA bonds; however it is likely that at least certain aspects of the implementation of AB 26 may materially impact the finances of the City and may materially impact the SFRDA bonds. Further, future redevelopment and housing activities in the City that would have been undertaken by the SFRDA had it continued in existence will no longer occur if they are not required under preexisting enforceable obligations.

Commencing with the fiscal year ending June 30, 2012, the City included financial information pertaining to the former SFRDA in the City's audited financial statements.

The City is the Successor SFRDA as of February 1, 2012. The most recent financial statement for the former SFRDA found that the successor agency held total assets of \$431,415,194 against total liabilities of \$1,095,588,434, including bonds and loans in the amount of \$1,063,480,959 as of June 30, 2012.

The former SFRDA had certain investments that were transferred to the Treasurer to hold and invest (use of these funds is subject to various legal restrictions). Such funds will be invested pursuant to the Treasurer's Investment Policy.

Except for a small group of unrepresented employees, the former SFRDA employees are in bargaining groups represented by the International Federation of Professional and Technical Employees (IFPTE) Local 21 and Service Employees International Union (SEIU) Local 1021. [The collective bargaining agreements between the former SFRDA and with these bargaining groups currently expire on March 31, 2012.]

The former SFRDA had approximately 100 employees for fiscal year 2012 who became employees of the Successor SFRDA, and the Successor SFRDA must comply with the former SFRDA's collectively bargained agreements applicable to these employees until the expiration of those agreements. Wages and benefits payable to employees under those agreements are to be paid as enforceable obligations from the monies in the Redevelopment Property Tax Trust Fund. Under the former SFRDA collectively bargained agreements, the former SFRDA employees currently participate in the California Public Employees Retirement System ("CalPERS") for their pension plan and health care plan and the California Employers' Retiree Trust ("CERBT") Fund to fund other postemployment benefits ("OPEB"). The 2012 financial statement for the former SFRDA reports that unfunded actuarial accrued liability ("UAAL") of the CalPERS plan for the SFRDA employees was \$4.1 million as of June 30, 2011 and that the UAAL of the OPEB plan was \$12.5 million as of June 30, 2011.

PROPERTY TAXATION

Property Taxation System – General

The City receives approximately one-third of its total General Fund operating revenues from local property taxes. Property tax revenues result from the application of the appropriate tax rate to the total assessed value of taxable property in the City. The City levies property taxes for general operating purposes as well as for the payment of voter-approved bonds. As a county under State law, the City also levies property taxes on behalf of all local agencies with overlapping jurisdiction within the boundaries of the City.

Local property taxation is the responsibility of various City officers. The Assessor computes the value of locally assessed taxable property. After the assessed roll is closed on June 30th, the City Controller issues a Certificate of Assessed Valuation in August which certifies the taxable assessed value for that fiscal year. The Controller also compiles a schedule of tax rates including the 1.0% tax authorized by Article XIII A of the State Constitution (and mandated by statute), tax surcharges needed to repay City bonds, and tax surcharges imposed by overlapping jurisdictions that have been authorized to levy taxes on property located in the City. The Board of Supervisors approves the schedule of tax rates each year by ordinance adopted no later than the last working day of September. The Treasurer and Tax Collector prepare and mail tax bills to taxpayers and collect the taxes on behalf of the City and other overlapping taxing agencies that levy taxes on taxable property located in the City. The Treasurer holds and invests City tax funds, including taxes collected for payment of general obligation bonds, and is charged with payment of principal and interest on such bonds when due. The State Board of Equalization assesses certain special classes of property, as described below. See "– Taxation of State-Assessed Utility Property" below.

Assessed Valuations, Tax Rates and Tax Delinquencies

Table A-5 provides a recent history of assessed valuations of taxable property within the City. The property tax rate is composed of two components: 1) the 1.0% countywide portion, and 2) all voter-approved overrides which fund debt service for general obligation bond indebtedness. The total tax rate shown in Table A-5 includes taxes assessed on behalf of the City as well as SFUSD, SFCCD, the Bay Area Air Quality Management District ("BAAQMD"), and the San Francisco Bay Area Rapid Transit District ("BART"), all of which are legal entities separate from the City. See also, Table A-25: "Direct and Overlapping Debt and Long-Term Obligations" below. In addition to *ad valorem* taxes, voter-approved special assessment taxes or direct charges may also appear on a property tax bill.

Additionally, although no additional rate is levied, a portion of property taxes collected within the City is allocated to the Successor SFRDA. Property tax revenues attributable to the growth in assessed value of taxable property (known as "tax increment") within the adopted redevelopment project areas may be utilized by the Successor SFRDA to pay for outstanding and enforceable obligations, causing a loss of tax revenues from those parcels located within project areas to the City and other local taxing agencies, including SFUSD and SFCCD. Taxes collected for payment of debt service on general obligation bonds are not affected or diverted. The Successor SFRDA received \$110 million of property tax increment in fiscal year 2011-12, diverting about \$62 million that would have otherwise been apportioned to the City's discretionary general fund. Pursuant to a December 29, 2011 California State Supreme Court ruling, the dissolution of all redevelopment agencies was effective February 1, 2012. The City took steps to manage the transition of the former SFRDA's assets and obligations to the Successor SFRDA. See "San Francisco Redevelopment Agency Dissolution" herein.

The percent collected of property tax (current year levies excluding supplementals) has increased slightly from 97.96% for fiscal year 2010-11 to 98.39% for fiscal year 2011-12. Please note that this table has been modified from the corresponding table in previous disclosures in order to make the levy and collection figures consistent with statistical reports provided to the State of California. Foreclosures, defined as the number of trustee deeds recorded by the Assessor-Recorder's Office, numbered 804 for fiscal year 2011-12. This compares to 927 in fiscal year 2010-11, 900 in fiscal year 2009-10, and 633 in fiscal year 2008-09. This represents 0.32%, 0.45%, 0.46%, and 0.40% of total parcels in fiscal years 2008-09, 2009-10, 2010-11, and 2011-12, respectively.

² Annual tax rate for unsecured property is the same rate as the previous year's secured tax rate.

³ The Total Tax Levy and Total Tax Collected through FY 2011-12 is based on year-end current year secured and unsecured levies as adjusted through roll corrections, excluding supplemental assessments, as reported on Treasurer/Tax Collector Report 100 and reported to the State of California (available on the website of the California State Controller's Office). Total Tax Levy for FY 2012-13 based on NAV times 1.1691% tax rate.

Note: This table has been modified from the corresponding table in previous bond disclosures to make levy and collection figures consistent with statistical reports provided to the State of California.

Source: Office of the Controller, City and County of San Francisco.

For fiscal year 2012-13, the total net assessed valuation of taxable property within the City is \$165.04 billion. Of this total, \$155.28 billion (94.1%) represents secured valuations and \$9.76 billion (5.9%) represents unsecured valuations. (See "Tax Levy and Collection" below, for a further discussion of secured and unsecured property valuations.)

Proposition 13 limits to 2% per year any increase in the assessed value of property, unless it is sold or the structure is improved. The total net assessed valuation of taxable property therefore does not generally reflect the current market value of taxable property within the City and is in the aggregate substantially less than current market value. For this same reason, the total net assessed valuation of taxable property lags behind changes in market value and may continue to increase even without an increase in aggregate market values of property.

Under Article XIII A of the State Constitution added by Proposition 13 in 1978, property sold after March 1, 1975 must be reassessed to full cash value at the time of sale. Every year, some taxpayers appeal the Assessor's determination of their properties' assessed value, and some of the appeals may be retroactive and for multiple years. The State prescribes the assessment valuation methodologies and the adjudication process that counties must employ in connection with counties' property assessments. With respect to the fiscal year 2012-13 levy, property owners representing approximately 17.8% of the total assessed valuation in the City filed appeals as of January 31, 2013 for a reduction of their assessed value.

The City typically experiences increases in assessment appeals activity during economic downturns and decreases in appeals as the economy rebounds. Historically, during severe economic downturns, partial reductions of up to approximately 30% of the assessed valuations appealed have been granted. Assessment appeals granted typically result in revenue refunds, and the level of refund activity depends on the unique economic circumstances of each fiscal year. Other taxing agencies such as SFUSD, SFCCD, BAAQMD, and BART share proportionately in any refunds paid as a result of successful appeals. To mitigate the financial risk of potential assessment appeal refunds, the City funds appeal reserves for its share of estimated property tax revenues for each fiscal year. In addition, appeals activity is reviewed each year and incorporated into the current and subsequent years' budget projections of property tax revenues. Refunds of prior years' property taxes from the discretionary general fund appeal reserve fund for fiscal years 2007-08 through 2011-12 are listed in Table A-6 below.

June 30, 2010	14,015
June 30, 2011	41,730
June 30, 2012	53,288

Source: Office of the Controller, City and County of San Francisco.

In Spring 2012, the Assessor granted 21,228 temporary reductions in residential property assessed value worth a total of \$2.82 billion (equating to a reduction of about \$16.0 million in discretionary general fund taxes), compared to 18,834 temporary reductions with a value of \$2.35 billion (equating to a reduction of \$13.3 million in discretionary general fund taxes) granted in Spring 2011. The fiscal year 2012-13 \$2.82 billion temporary reduction total represented 1.71% of the fiscal year 2012-13 Net Assessed Valuation of \$165.04 billion shown in Table A-5. The average temporary reduction in assessed value granted, excluding timeshare properties, increased from \$171,388 in 2011 to \$175,980 in 2012. All of the temporary reductions granted are subject to review in the following year. Property owners who are not satisfied with the valuation shown on a Notice of Assessed Value may have a right to file an appeal with the Assessment Appeals Board (AAB) within a certain period of time. For regular, annual secured property tax assessments, the time period for property owners to file an appeal typically falls between July 2nd and September 15th.

As of February 28, 2013, the total number of open appeals before the Assessment Appeals Board (AAB) was 9,386, compared to 9,656 open AAB appeals as of February 28, 2012, including 5,146 filed since July 1, 2012 with the balance pending from prior fiscal years. The difference between the current assessed value and the taxpayers' opinion of values for the open AAB appeals is \$38.8 billion. Assuming the City did not contest any taxpayer appeals and the Board upheld all of the taxpayers' requests, this represents a negative potential property tax impact of \$445.7 million with an impact on the discretionary general fund of \$234.6 million. The volume of appeals is not necessarily an indication of how many appeals will be granted, nor of the magnitude of the reduction in assessed valuation that the Assessor may ultimately grant. City revenue estimates take into account projected losses from pending and future assessment appeals.

Tax Levy and Collection

As the local tax-levying agency under State law, the City levies property taxes on all taxable property within the City's boundaries for the benefit of all overlapping local agencies, including SFUSD, SFCCD, the Bay Area Air Quality Management District, and BART. The total tax levy for all taxing entities in fiscal year 2012-13 is

estimated to produce \$1.93 billion, not including supplemental, escape, and special assessments that may be assessed during the year. Of this amount, the City has budgeted to receive \$1.078 billion into the General Fund and \$119.2 million into special revenue funds designated for children's programs, libraries and open space. The Six Month Report projected property tax revenues into the General Fund to be \$14 million above budget. SFUSD and SFCCD are estimated to receive \$116.8 million and \$21.9 million, respectively, and the local ERAF is estimated to receive \$384.4 million (before adjusting for the State's Triple Flip sales tax and vehicle license fees ("VLF") backfill shifts). The Successor SFRDA is estimated to receive \$114.8 million. The remaining portion is allocated to various other governmental bodies, various special funds, general obligation bond debt service funds, and other taxing entities. Taxes levied to pay debt service for general obligation bonds issued by the City, SFUSD, SFCCD, and BART may only be applied for that purpose.

The City's General Fund is allocated about 57% of total property tax revenue before adjusting for the State's Triple Flip (whereby Proposition 57 dedicated 0.25% of local sales taxes, which were subsequently backfilled by a decrease to the amount of property taxes shifted to ERAF from local governments, thereby leaving the State to fund a like amount from the State's General Fund to meet Proposition 98 funding requirements for schools) and VLF backfill shifts.

Generally, property taxes levied by the City on real property become a lien on that property by operation of law. A tax levied on personal property does not automatically become a lien against real property without an affirmative act of the City taxing authority. Real property tax liens have priority over all other liens against the same property regardless of the time of their creation by virtue of express provision of law.

Property subject to *ad valorem* taxes is entered as secured or unsecured on the assessment roll maintained by the Assessor-Recorder. The secured roll is that part of the assessment roll containing State-assessed property and property (real or personal) on which liens are sufficient, in the opinion of the Assessor-Recorder, to secure payment of the taxes owed. Other property is placed on the "unsecured roll."

The method of collecting delinquent taxes is substantially different for the two classifications of property. The City has four ways of collecting unsecured personal property taxes: 1) pursuing civil action against the taxpayer; 2) filing a certificate in the Office of the Clerk of the Court specifying certain facts, including the date of mailing a copy thereof to the affected taxpayer, in order to obtain a judgment against the taxpayer; 3) filing a certificate of delinquency for recording in the Assessor-Recorder's Office in order to obtain a lien on certain property of the taxpayer; and 4) seizing and selling personal property, improvements or possessory interests belonging or assessed to the taxpayer. The exclusive means of enforcing the payment of delinquent taxes with respect to property on the secured roll is the sale of the property securing the taxes. Proceeds of the sale are used to pay the costs of sale and the amount of delinquent taxes.

A 10% penalty is added to delinquent taxes that have been levied on property on the secured roll. In addition, property on the secured roll with respect to which taxes are delinquent is declared "tax defaulted" and subject to eventual sale by the Treasurer and Tax Collector of the City. Such property may thereafter be redeemed by payment of the delinquent taxes and the delinquency penalty, plus a redemption penalty of 1.5% per month, which begins to accrue on such taxes beginning July 1 following the date on which the property becomes tax-defaulted.

In October 1993, the Board of Supervisors passed a resolution that adopted the Alternative Method of Tax Apportionment (the "Teeter Plan"). This resolution changed the method by which the City apportions property taxes among itself and other taxing agencies. This apportionment method authorizes the City Controller to allocate to the City's taxing agencies 100% of the secured property taxes billed but not yet collected. In return, as the delinquent property taxes and associated penalties and interest are collected, the City's General Fund retains such amounts. Prior to adoption of the Teeter Plan, the City could only allocate secured property taxes actually collected (property taxes billed minus delinquent taxes). Delinquent taxes, penalties and interest were allocated to the City and other taxing agencies only when they were collected. The City has funded payment of accrued and current delinquencies through authorized internal borrowing. The City also maintains a Tax Loss Reserve for the Teeter Plan as shown on Table A-7.

TABLE A-7

CITY AND COUNTY OF SAN FRANCISCO
Teeter Plan

1 - Represents the Total Assessed Valuation (TAV) as of the Basis of Levy, which excludes assessments processed during the fiscal year. TAV includes land & improvements, personal property, and fixtures.

2 - The Basis of Levy is total assessed value less exemptions for which the state does not reimburse counties (e.g. those that apply to nonprofit organizations).

Source: Office of the Assessor -Recorder, City and County of San Francisco.

Taxation of State-Assessed Utility Property

A portion of the City's total net assessed valuation consists of utility property subject to assessment by the State Board of Equalization. State-assessed property, or "unitary property," is property of a utility system with components located in many taxing jurisdictions assessed as part of a "going concern" rather than as individual parcels of real or personal property. Unitary and certain other State-assessed property values are allocated to the counties by the State Board of Equalization, taxed at special county-wide rates, and the tax revenues distributed to taxing jurisdictions (including the City itself) according to statutory formulae generally based on the distribution of taxes in the prior year. The fiscal year 2012-13 valuation of property assessed by the State Board of Equalization is \$2.58 billion, as recorded on the fiscal year 2012-13 Certificate of Assessed Valuation.

OTHER CITY TAX REVENUES

In addition to the property tax, the City has several other major tax revenue sources, as described below. For a discussion of State constitutional and statutory limitations on taxes that may be imposed by the City, including a discussion of Proposition 62 and Proposition 218, see "CONSTITUTIONAL AND STATUTORY TAX LIMITATIONS ON TAXES AND EXPENDITURES" herein.

The following section contains a brief description of other major City-imposed taxes as well as taxes that are collected by the State and shared with the City.

Business Taxes

Businesses in the City may be subject to two types of taxes. The first is a payroll expense tax, assessed at a rate of 1.5% on gross payroll expense attributable to all work performed or services rendered within the City. The tax is authorized by Article 12-A of the San Francisco Business and Tax Regulation Code. Recent changes to the tax exempted small businesses with annual payroll of less than \$250,000 and subjected partnership profit distributions to the tax. The net effect of these provisions was estimated to be approximately \$10.5 million in new revenues beginning in fiscal year 2009-10. The City also levies a registration tax on businesses, which varies from \$25 to \$500 per year per subject business based on the prior year computed payroll tax liability.

Business taxes are projected in the Six Month report to be \$460.5 million in fiscal year 2012-13 representing an increase of \$7.7 million (1.7%) over fiscal year 2012-13 Original Budget and \$22.8 million (5.2%) over fiscal year 2011-12 revenue. The budgeted amount for Business Taxes in fiscal year 2013-14 is \$489.8 million representing an increase of \$28.3 (6.1%) million over the fiscal year 2012-13 projection. Total business tax revenues include \$451.7 million and \$480.8 million in payroll taxes projected and budgeted during fiscal years 2012-13 and 2013-14, respectively, and \$8.8 million projected in business license registration fees during fiscal year 2012-13 and \$9.0 million budgeted during fiscal year 2013-14. The budget for fiscal year 2013-14 payroll tax includes \$5.6 million in additional one time revenue resulting from the America's Cup yachting event.

TABLE A-9

Source: Office of the Controller, City and County of San Francisco.

In April 2011, the Board of Supervisors adopted Ordinance 68-11 that established a payroll expense tax exclusion for certain business located in the Central Market and Tenderloin Area. The Ordinance expires according to its terms in 2019. The Controller projects the loss to the City in payroll expense tax revenue due to Ordinance 68-11 to be approximately \$4.2 million annually. Additionally, fiscal year 2011-12 payroll tax amounts include a \$3.5 million General Fund loss from a requirement pursuant to Business and Tax Regulations Code Section 906E, that \$500 credits be provided to Payroll Tax payers if prior year Payroll Tax revenues grew more than 7.5% from the year before. Fiscal year 2011-12 payroll tax revenues ended the year 11.4% higher than fiscal year 2010-11.

The Gross Receipts Tax and Business Registration Fees Ordinance (Proposition E) was approved by San Francisco voters on November 6, 2012. The ordinance replaces the existing tax which is 1.5% of a business' payroll with a tax on a business' gross receipts at rates that vary by the size and type of business. The new tax structure will be phased-in over a five year period and at the end of the period the gross receipts tax rates will remain fixed. The new tax structure will generate annual tax revenues equal to what would have been generated under the existing tax structure plus the amount of the additional administrative cost of the new system. In addition, the existing business registration fee structure will be replaced by a new higher graduated registration fee structure projected generate a net revenue increase to the City of approximately \$28.5 million beginning in fiscal year 2013-14. The gross receipts tax will apply to businesses with \$1 million or more in gross receipts, adjusted by the Consumer Price Index going forward. The ordinance increases the number and types of businesses in the City that pay business tax and registration fees from approximately 7,500 currently to 15,000. Current payroll tax exclusions will be converted into a gross receipts tax exclusion of the same size, terms and expiration dates.

Transient Occupancy Tax (Hotel Tax)

Pursuant to the San Francisco Business and Tax Regulation Code, a 14.0% transient occupancy tax is imposed on occupants of hotel rooms and is remitted by hotel operators monthly. A quarterly tax-filing requirement is also imposed. Hotel tax revenue growth is a function of changes in occupancy, average daily room rates (ADR) and room supply. Revenue per available room (RevPAR), the combined effect of occupancy and ADR, reached a historic high of \$183 through December of fiscal year 2012-13 (year-to-date). Increases in RevPAR are expected to continue albeit at a slower pace through fiscal year 2013-14. Total hotel tax revenue for fiscal year 2012-13 is projected to be \$257.9 million in the Six Month Report and budgeted to be \$275.6 million in fiscal year 2013-14.

San Francisco and a number of other jurisdictions in California and the U.S. are currently involved in litigation with online travel companies regarding the companies' duty to remit hotel taxes on the difference between the wholesale and retail prices paid for hotel rooms. On February 6, 2013, the Los Angeles Superior Court issued a summary judgment concluding that there was no obligation on the part of online travel companies to remit hotel tax to the City. San Francisco is now the fourth City in California to receive a judgment overturning administrative hearings it conducted to require payment from online travel companies. San Francisco has received approximately \$63 million in disputed hotel taxes paid by the companies. The portion of these remittances that will be retained or returned, as well as related legal fees and 7% annual interest on any amounts refunded, will depend on developments with these lawsuits.

Because the allocation of hotel tax revenues is set by the Mayor and Board of Supervisors as described in the Administrative Provisions of the Annual Appropriation Ordinance, all of the gain or loss in revenue from budgeted levels falls to the General Fund, contributing to the large variances from prior periods. Table A-10 sets forth a history of transient occupancy tax receipts for fiscal years 2008-09 through 2013-14.

TABLE A -10

CITY AND COUNTY OF SAN FRANCISCO
Transient Occupancy Tax Receipts
Fiscal Years 2008-09 through 2013-14
All Funds

Figures are all funds. Figures for FY 2008-09 through FY 2011-12 are CAFR actuals plus the portion of hotel tax revenue used to pay debt service on hotel tax revenue bonds. Figures for FY 2012-13 are from the Six Month Budget Update published February 12, 2013 and FY 2013-14 amounts are Original Budget.

Source: Office of the Controller, City and County of San Francisco.

Real Property Transfer Tax

A tax is imposed on all real estate transfers recorded in the City. Transfer tax revenue is more susceptible to economic and real estate cycles than most other City revenue sources. Current rates are \$5.00 per \$1,000 of the sale price of the property being transferred for properties valued at \$250,000 or less; \$6.80 per \$1,000 for properties valued more than \$250,000 and less than \$999,999; \$7.50 per \$1,000 for properties valued at \$1.0 million to \$5.0 million; \$20.00 per \$1,000 for properties valued more than \$5.0 million and less than \$10.0 million; and \$25 per \$1,000 for properties valued at more than \$10.0 million.

Real property transfer tax revenue in fiscal year 2012-13 is projected to be \$224.7 million in the Six Month report, approximately \$8.9 million (3.8%) less than the revenue received in fiscal year 2012-13 due to an expected flattening of real property sales from the fiscal year 2011-12 peak. Fiscal year 2013-14 budget for real property transfer tax revenues is \$183.1 million, reflecting continued slowing market activity.

Table A-11 sets forth a history of real property transfer tax receipts for fiscal years 2008-09 through 2011-12, projected receipts for fiscal year 2012-13, and budgeted receipts for fiscal year 2013-14.

TABLE A-11

CITY AND COUNTY OF SAN FRANCISCO
Real Property Transfer Tax Receipts
Fiscal Years 2007-08 through 2013-14
(000s)

Fiscal Year	Revenue	Change	
2008-09	48,957	(37,262)	-43.2%
2009-10	83,694	34,737	71.0%
2010-11	135,184	51,489	61.5%
2011-12	233,591	98,407	72.8%
2012-13 projected	224,668	(8,923)	-3.8%
2013-14 budgeted	183,123	(41,545)	-18.5%

Figures for FY 2007-08 through FY 2011-12 are audited actuals. Figures for FY 2012-13 are from the Six Month Budget Update published February 12, 2013 and FY 2013-14 amounts are Original Budget.

Sales and Use Tax

The State collects the City's local sales tax on retail transactions along with State and special district sales taxes, and then remits the local sales tax collections to the City. The rate of tax is one percent; however, the State takes one-quarter of this, and replaces the lost revenue with a shift of local property taxes to the City from local school district funding. The local sales tax revenue is deposited in the City's General Fund.

Local sales tax collections in fiscal year 2012-13 are projected to be at \$121.9 million in the Six Month report, a minimal increase of \$0.2 million from Original Budget and a \$4.8 (4.1%) million increase from fiscal year 2011-12 revenue. The Original Budget projects continued revenue growth during fiscal year 2013-14 at \$130.0 million, representing a \$8.1 (6.7%) million increase over projected receipts in fiscal year 2012-13. The fiscal year 2013-14 budget includes \$2.2 million in additional one-time revenue from the America's Cup yacht racing event.

Historically, sales tax revenues have been highly correlated to growth in tourism, business activity and population. This revenue is significantly affected by changes in the economy. Table A-12 reflects the City's actual sales and use tax receipts for fiscal years 2008-09 through 2011-12, projected receipts for fiscal year 2012-13, and budgeted receipts for fiscal year 2013-14, as well as the imputed impact of the property tax shift made in compensation for the one-quarter of the sales tax revenue taken by the State.

TABLE A-12

2009-10	9.50%	0.75%	96,605	(5,057)	-5.0%
2009-10 adj.*	9.50%	1.00%	128,286	(9,129)	-6.6%
2010-11 **	9.50%	0.75%	106,302	9,698	10.0%
2010-11 adj.*	9.50%	1.00%	140,924	12,639	9.9%
2011-12	8.50%	0.75%	117,071	10,769	10.1%
2011-12 adj.*	8.50%	1.00%	155,466	14,542	10.3%
2012-13 <i>projected</i>	8.50%	0.75%	121,914	4,843	4.1%
2012-13 adj.* <i>projected</i>	8.50%	1.00%	161,244	5,778	3.7%
2013-14 <i>budgeted</i>	8.50%	0.75%	130,023	8,109	6.7%
2013-14 adj.* <i>budgeted</i>	8.50%	1.00%	170,453	9,209	5.7%

*Adjusted figures represent the value of the entire 1.00% local sales tax, which was reduced by 0.25% beginning in fiscal year 2004-05 in order to repay the State's Economic Recovery Bonds as authorized under Proposition 57 in March 2004. This 0.25% reduction is backfilled by the State.

**In November, 2012, voters approved Proposition 30, which temporarily increases the state sales tax rate by 0.25% effective January 1, 2013 through December 31, 2016. The City share did not change.

Figures for FY 2007-08 through FY 2011-12 are audited actuals. Figures for FY 2012-13 are from the Six Month Budget Update published February 12, 2013 and FY 2013-14 amounts are Original Budget.

Source: Office of the Controller, City and County of San Francisco.

Utility Users Tax

The City imposes a 7.5% tax on non-residential users of gas, electricity, water, steam and telephone services. The Telephone Users Tax ("TUT") applies to charges for all telephone communications services in the City to the extent permitted by Federal and State law, including intrastate, interstate, and international telephone services, cellular telephone services, and voice over internet protocol (VOIP). Telephone communications services do not include Internet access, which is exempt from taxation under the Internet Tax Freedom Act.

Fiscal year 2012-13 Utility User Tax revenues are projected at \$93.7 million in the Six Month report, representing a \$1.8 (2.0%) million increase from Original Budget and \$2.0 million (2.2%) above prior year actual revenues. Utility User Tax revenue is budgeted to remain flat in fiscal year 2013-14 at \$93.7 million.

Emergency Response Fee; Access Line Tax

The City imposes an Access Line Tax ("ALT") on every person who subscribes to telephone communications services in the City. The ALT replaced the Emergency Response Fee ("ERF") in 2009. It applies to each telephone line in the City and is collected from telephone communications service subscribers by the telephone service supplier. The tax does not apply to wireless telephone communications services. Access Line Tax revenues are projected in the Six Month report to be \$40.3 million, \$2.7 (6.2%) million less than Original Budget and \$0.7 (1.7%) million less than fiscal year 2011-12 revenue. ALT revenues are budgeted at \$44.3 million in fiscal year 2013-14 an increase of \$4.0 (9.0%) million from the fiscal year 2012-13 Six Month report projection. The budget assumed the bottoming out of revenue in fiscal year 2011-12 from declines in the previous two years would stabilize.

Parking Tax

A 25% tax is imposed on the charge for off-street parking spaces. The tax is authorized by the San Francisco Business and Tax Regulation Code. The tax is paid by the occupants of the spaces, and then remitted monthly to the City by the operators of the parking facilities.

Fiscal year 2012-13 Parking Tax is projected at \$80.0 million in the Six Month report, \$3.5 (4.6%) million more than original budget and \$3.4 (4.4%) million above fiscal year 2011-12. The recovery in business activity and employment as reflected in increases to payroll and sales tax revenues is driving increases in parking tax revenues.

Original Budget for fiscal year 2013-14 parking tax revenue is \$78.8 million, a \$2.3 million increase (3.0%) from fiscal year 2012-13 Original Budget and \$1.2 million (1.5%) reduced from the fiscal year 2012-13 projection. Parking tax revenues are deposited into the General Fund, from which an amount equivalent to 80% is transferred to the MTA for public transit as mandated by Charter Section 16.110.

INTERGOVERNMENTAL REVENUES

1991 Health and Welfare Realignment

In fiscal year 1991-92, the State transferred to counties the responsibility for determining service levels and administering most mental health, public health and some social service programs, thereby reducing the State's obligations. The State also increased its share of certain welfare costs formerly borne by counties. In order to meet these obligations, counties share in the proceeds of a 0.5% statewide sales tax and a portion of vehicle license fees ("VLF"). In fiscal year 2012-13 these sources are projected to provide \$164.9 million to the General Fund which constitutes an increase of \$24.9 (17.8%) million from fiscal year 2011-12 and a \$14 (8.5%) million increase from fiscal year 2012-13 Original Budget. These increases are a result of the combined effect of a large one-time back payment of statewide sales tax revenue for several years of social services caseload growth, and funding shifts related to state realignment completed in fiscal year 2011-12. Original Budget fiscal year 2013-14 Original Budget for these sources is \$155.2 million, a decrease of \$8.7 (5.3%) million reflecting the loss of the one-time state sales tax back payment mitigated by continued improvement in state sales tax revenue. VLF collections are expected to remain flat during fiscal years 2012-13 and 2013-14.

Public Safety Sales Tax

State Proposition 172, passed by California voters in November 1993, provided for the continuation of a one-half percent sales tax for public safety expenditures. This revenue is a function of the City's proportionate share of statewide sales activity. Revenue from this source for fiscal year 2012-13 was projected to be \$81.2 million in the Six Month report an increase of \$6.2 million (6.0%) from fiscal year 2011-12 and \$2.2 (2.8%) million more than fiscal year 2012-13 Original Budget. In fiscal year 2013-14 revenue from this subvention is budgeted at \$81.7 million reflecting a modest \$0.5 million (0.6%) increase from fiscal year 2012-13 projections.

Other Intergovernmental Grants and Subventions

In addition to those categories listed above, \$548.7 million was projected in the Six Month report from grants and subventions from State and federal governments to fund public health, social services, and other programs in the General Fund. This represents a \$13.6 million (2.5%) increase from fiscal year 2011-12 and a \$ 0.6 million (0.1%) reduction from fiscal year 2012-13 Original Budget. The Original Budget in the General Fund for fiscal year 2013-14 is \$569.5 million which is a \$20.8 million (3.8%) increase from the fiscal year 2012-13 projection. A large portion of the budgeted increase in fiscal year 2013-14 is the removal of a \$15.0 million allowance for unspecified funding reductions in fiscal year 2012-13.

Charges for Services

Charges for services in the General Fund in fiscal year 2012-13 are projected to be \$151.7 million in the Six Month report and budgeted at \$159.7 million for fiscal year 2013-14, representing growth of \$16.9 million (12.5%) and \$8.0 million (5.3%) respectively from prior year.

Fiscal year 2012-13 growth reflects Fire Department ambulance billing recoveries increases over fiscal year 2011-12 due to AB 678 - Medi-Cal: Ground Emergency Medical Transport, passed by the State legislature in 2011.

CITY GENERAL FUND PROGRAMS AND EXPENDITURES

Unique among California cities, San Francisco as a charter city and county must provide the services of both a city and a county. Public services include police, fire and public safety; public health, mental health and other social services; courts, jails, and juvenile justice; public works, streets, and transportation, including port and airport; construction and maintenance of all public buildings and facilities; water, sewer, and power services; parks and recreation; libraries and cultural facilities and events; zoning and planning, and many others. Employment costs are relatively fixed by labor and retirement agreements, and account for upwards of 50% of all City expenditures. In addition, the Charter imposes certain baselines, mandates, and property tax set-asides, which dictate expenditure or service levels for certain programs, and allocate specific revenues or specific proportions thereof to other programs, including MTA, children's services and public education, and libraries. Budgeted baseline and mandated funding in fiscal year 2012-13 is \$661.6 million in fiscal year 2012-13 and \$697.7 million in fiscal year 2013-14. The Six Month report projected that improved general revenues result in these baseline and mandated funding transfers to be increased by \$8.9 million compared to budget in fiscal year 2012-13.

General Fund Expenditures by Major Service Area

San Francisco is a consolidated city and county, and budgets General Fund expenditures for both city and county functions in seven major service areas described in table A-13:

TABLE A-13

CITY AND COUNTY OF SAN FRANCISCO						
Expenditures by Major Service Area						
Fiscal Years 2008-09 through 2011-12						
(000s)						
Major Service Areas	FY 2008-09	FY 2009-10	FY 2010-11	FY 2011-12	FY 2012-13	FY 2013-14
	Original Budget	Original Budget	Original Budget	Original Budget	Original Budget	Original Budget
Public Protection	\$899,378	\$955,519	\$947,327	\$998,237	\$1,058,689	\$1,087,646
Human Welfare & Neighborhood Development	654,162	642,810	655,026	672,834	670,375	679,154

Public Works, Transportation & Commerce	53,143	33,414	26,989	51,588	67,529	64,921
Total	\$2,485,436	\$2,497,555	\$2,518,824	\$2,708,581	\$2,861,106	\$2,917,569

Source: Office of the Controller, City and County of San Francisco.

Public Protection primarily includes the Police Department, the Fire Department, and the Sheriff's Office. These departments are budgeted to receive \$373.3 million, \$212.0 million and \$137.1 million of General Fund support respectively in fiscal year 2012-13 and \$390.3 million, \$215.8 million, and \$140.0 million respectively in fiscal year 2013-14. Within Human Welfare & Neighborhood Development, the Department of Human Services, which includes aid assistance and aid payments and City grant programs, is budgeted to receive \$231.0 million of General Fund support in the fiscal year 2012-13 and \$236.1 million in fiscal year 2013-14.

The Public Health Department is budgeted to receive \$446.6 million in General Fund support for public health programs and the operation of San Francisco General Hospital and Laguna Honda Hospital in fiscal year 2012-13 and \$511.7 million in fiscal year 2013-14. As of the Fiscal Year 2012-13 Six Month report, the Department of Public Health projected ending the fiscal year with a net General Fund deficit of \$45.9 million. This deficit may be partially offset by year end if potential revenues from prior-year settlements and other reimbursements are received

in the current year. Overall revenues are projected to be \$22.7 million less than budgeted and expenditures are projected to be \$23.1 million higher than budgeted.

For budgetary purposes, enterprise funds are characterized as either self-supported funds or General Fund-supported funds. General Fund-supported funds include the Convention Facility Fund, the Cultural and Recreation Film Fund the Gas Tax Fund, the Golf Fund, the Grants Fund, the General Hospital Fund, and the Laguna Honda Hospital Fund. The MTA is classified as a self-supported fund, although it is budgeted pursuant to a formula under the Charter to receive a \$213.3 million General Fund transfer in the fiscal year 2012-13 Original Budget.

Baselines

The Charter requires funding for baselines and other mandated funding requirements. The chart below identifies the required and budgeted levels of appropriation funding for key baselines and mandated funding requirements. Revenue-driven baselines are based on the projected aggregate City discretionary revenues, whereas expenditure-driven baselines are typically a function of total spending.

TABLE A-14

Source: Office of the Controller, City and County of San Francisco.

With respect to Police Department staffing, the Charter mandates a police staffing baseline of not less than 1,971 full-duty officers. The Charter-mandated baseline staffing level may be reduced in cases where civilian hires result in the return of a full-duty officer to active police work. The Charter also provides that the Mayor and Board of Supervisors may convert a position from a sworn officer to a civilian through the budget process. With respect to the Fire Department, the Charter mandates baseline 24-hour staffing of 42 firehouses, the Arson and Fire Investigation Unit, no fewer than four ambulances, and four Rescue Captains (medical supervisors).

Reserves

The City's fiscal year 2012-13 budget includes reserves that are available for appropriation to City departments by action of the Board of Supervisors, including the General Reserve (\$32.2 million), the Salaries and Benefit Reserve (\$13.1 million), and the Litigation Reserve (\$11.0 million) Original Budget. These are the fiscal year 2012-13 appropriations to the reserves and do not include carry-forward of prior year balances.

The Charter requires some set-asides of departmental expenditure savings in the form of a Citywide Budget Savings Incentive Reserve and a Recreation and Park Budget Savings Incentive Reserve.

See "Budgetary Reserves and Economic Stabilization and Limitations on Use of Selected Nonrecurring Revenues."

EMPLOYMENT COSTS; POST-RETIREMENT OBLIGATIONS

The cost of salaries and benefits for City employees represents approximately 50% of the City's expenditures, totaling \$3.5 billion in the fiscal year 2011-12 Original Budget (all-funds), and \$3.8 billion and \$4.0 billion in the fiscal year 2012-13 and fiscal year 2013-14 budgets. Looking only at the General Fund, the combined salary and benefits budget was \$1.7 billion in the fiscal year 2011-12 Original Budget and \$1.8 billion per year in the fiscal year 2012-13 and fiscal year 2013-14 budgets. This section discusses the organization of City workers into bargaining units, the status of employment contracts, and City expenditures on employee-related costs including salaries, wages, medical benefits, retirement benefits and the City's retirement system, and post-retirement health and medical benefits. Employees of SFUSD, SFCCD and the San Francisco Superior Court are not City employees.

Labor Relations

The City's budget for fiscal years 2012-2013 and 2013-2014 includes 31,407 and 32,659 budgeted City positions, respectively. City workers are represented by 37 different labor unions. The largest unions in the City are the Service Employees International Union ("SEIU"), Local 1021; the International Federation of Professional and Technical Engineers (the "IFPTE"), Local 21; and the unions representing police, fire, deputy sheriffs and transit workers.

The wages, hours and working conditions of City employees are determined by collective bargaining pursuant to State law (California Government Code Sections 3500-3511, the "Meyers-Milias-Brown Act") and the Charter. Except for nurses and a few hundred unrepresented employees, the Charter requires that bargaining impasses be resolved through final and binding interest arbitration conducted by a panel of three arbitrators. The award of the arbitration panel is final and binding unless legally challenged. Wages, hours and working conditions of nurses are not subject to interest arbitration, but are subject to Charter-mandated economic limits. In addition, in November 2010, the voters in the City approved Proposition G, which requires that disputes regarding the wages, hours and working conditions of transit operators be resolved through a final and binding interest arbitration proceeding. Strikes by City employees are prohibited by the Charter. Since 1976, no City employees have participated in a union-authorized strike.

The City's employee selection procedures are established and maintained through a civil service system. In general, selection procedures and other "merit system" issues are not subject to arbitration. However, disciplinary actions are generally subject to grievance arbitration, with the exception of police and fire employees.

In May 2012, the City negotiated two-year agreements (for fiscal years 2012-13 and 2013-14) with most of its labor unions. In general, the parties agreed to: 1) reforms and/or elimination of certain pay premiums; and 2) some structural reforms of the City's healthcare benefit and cost-sharing structures by having employees contribute more toward the cost of enrolling in "employee only" health benefits during the term of the 2 year contract. SEIU "miscellaneous" employees and staff nurses agreed to healthcare benefit reforms that will take place beyond the term of the July 1, 2012 through June 30, 2014 contract.

City employees, who are in non-Police, Fire and Nurse classifications will receive a base wage increase for the first time since 2008, as follows: 1% on July 1, 2013; 1% on January 4, 2014 and 1% on March 29, 2014. The two SEIU-represented units' wage increases differ, as follows: SEIU "miscellaneous" employees will receive 2% on January 4, 2014 and 1% on March 29, 2014, and the SEIU Staff Nurses will receive 3% on March 29, 2014.

On February 1, 2012, the City became the successor agency to the dissolved SFRDA (the "Successor SFRDA"). As a successor agency, the City acquired approximately 100 former SFRDA employees, who are covered by various Memoranda of Agreement. On March 29th, 2012, the Successor Agency and the unions representing former SFRDA employees signed a Letter of Agreement facilitating continuing staffing arrangements for active projects. Approximately half of the former SFRDA employees were retained and transferred to the Successor Agency. [Negotiations for successor agreements on remaining terms are continuing and expected to be completed in 2012.] See "City Budget – San Francisco Redevelopment Agency Dissolution" above.

Pursuant to Charter Section 8A.104, the MTA is responsible for negotiating contracts for the transit operators and employees in service-critical bargaining units. These contracts are subject to approval by the MTA Board. The MTA and the union representing the transit operators (TWU, Local 250-A) agreed to a three-year successor agreement that expires on June 30, 2014. The concessions are valued at \$41.1 million dollars over the life of the agreement. Table A-14 shows the membership of each operating employee bargaining unit and the date the current labor contract expires.

San Francisco Employees' Retirement System ("SFERS" or "Retirement System")

History and Administration

SFERS is charged with administering a defined-benefit pension plan (the "Retirement System") that covers substantially all City employees and certain other employees. The Retirement System was initially established by approval by City voters on November 2, 1920 and the California State Legislature on January 12, 1921 and is currently codified in the City Charter. The Charter provisions governing the Retirement System may be revised only by a Charter amendment, which requires an affirmative public vote at a duly called election.

The Retirement System is administered by the Retirement Board consisting of seven members, three appointed by the Mayor, three elected from among the members of the Retirement System, at least two of whom must be actively employed, and a member of the Board of Supervisors appointed by the President of the Board of Supervisors. [City Charter Section 12.100]

To aid in the administration of the Retirement System, the Retirement Board appoints an Executive Director and an Actuary. [City Charter Section 12.100] The Executive Director serves as chief executive officer, with responsibility extending to all divisions of the Retirement System. [City Charter Section 12.100] The Actuary's responsibilities include the production of data and a summary of plan provisions for the independent consulting actuarial firm retained by the Retirement Board to prepare an annual valuation report and other analyses as described below. The independent consulting actuarial firm is currently Cheiron, Inc., a nationally recognized firm selected by the Retirement Board pursuant to a competitive process.

In 2010, the Retirement System filed an application with the Internal Revenue Service ("IRS") for a Determination Letter. In March 2012, IRS issued a favorable Determination Letter for SFERS. Issuance of a Determination Letter constitutes a finding by the IRS that operation of the defined benefit plan in accordance with the plan provisions and documents disclosed in the application qualifies the plan for federal tax exempt status. A tax qualified plan also provides tax advantages to the City and to members of the Retirement System. The favorable Determination Letter included IRS review of all SFERS provisions, including the new provisions of Proposition C approved by the City voters in November 2011.

Membership

The Retirement System estimates that the total active membership as of July 1, 2012 (the date of most recent valuation report) was 33,655, compared to 33,475 members a year earlier. Active membership includes 4,543 vested members and 1,015 reciprocal members. Vested members are individuals who (i) have separated from City service, (ii) have worked for the City for five or more years, and (iii) have elected to receive a deferred vested pension in the future. Reciprocal members are individuals who have established membership in a reciprocal pension plan such as CalPERS and may be eligible to receive a reciprocal pension from the Retirement System in the future. The total new enrollees in the Retirement System were 2,228 in fiscal year 2011-12 and 2,055 in fiscal year 2010-11. Retirement allowances are paid to approximately 25,000 retired members and beneficiaries monthly. Benefit recipients include retired members, vested members receiving a vesting allowance, and qualified survivors.

Beginning July 1, 2008, the Retirement System had a Deferred Retirement Option Program (DROP) program for Police Plan members who were eligible and elected participation. The program "sunset" on June 30, 2011. A total of 354 eligible Police Plan members elected to participate in DROP during the three-year enrollment window. As of June 30, 2012, approximately 184 police officers are enrolled in the program and all will retire over the next two fiscal years.

Table A-16 shows total Retirement System participation for fiscal years 2006-07 through 2010-11.

TABLE A-16

CITY AND COUNTY OF SAN FRANCISCO
Employees' Retirement System
Fiscal Years 2007 - 08 through 2011 - 12

As of 1-Jul	Active Members	Vested Members	Reciprocal Members	Total Non-retired	Retirees/ Continuants	Active to Retiree Ratio
2008	30,650	3,877	869	35,396	21,514	1.425
2009	29,919	4,096	890	34,905	22,294	1.342
2010	28,222	4,515	978	33,715	23,500	1.201
2011	27,955	4,499	1,021	33,475	24,292	1.151
2012	28,097	4,543	1,015	33,655	25,190	1.115

Funding Practices

The annual actuarial valuation of the Retirement System is a joint effort of the Retirement System and its independent consulting actuarial firm. The City Charter proscribes certain actuarial methods and amortization periods to be used by the Retirement System in preparing the actuarial valuation. [City Charter Sections 12.100 and A8.510] Before the valuation is conducted, the consulting actuarial firm recommends three long-term economic assumptions: a long-term investment earnings assumption, a long-term wage/inflation assumption and a long-term consumer price index assumption.

At its December 2011 meeting, after review of the analysis and recommendation prepared by the consulting actuarial firm, the Retirement Board voted to phase in reductions to the Retirement System's long-term investment earnings assumption, long-term wage/inflation assumption and long-term consumer price index assumption over a three-year period as follows: long-term investment earnings assumption from 7.75% to 7.50% (fiscal year 2011-12 to 7.66%; fiscal year 2012-13 to 7.58%; fiscal year 2013-14 to 7.50%); long-term wage inflation assumption from 4.00% to 3.75% (fiscal year 2011-12 to 3.91%; fiscal year 2012-13 to 3.83%; fiscal year 2013-14 to 3.75%); and long-term consumer price index assumption from 3.50% to 3.25% (fiscal year 2011-12 to 3.41%; fiscal year 2012-13 to 3.33%; fiscal year 2013-14 to 3.25%). These economic assumptions together with demographic assumptions based on periodic demographic studies are utilized to prepare the actuarial valuation of the Retirement System each year. Upon receipt of the consulting actuarial firm's valuation report, Retirement System staff provides a recommendation to the Retirement Board for their acceptance of the consulting actuary's valuation report. In connection with such acceptance, the Retirement Board acts to set the annual employer contribution rates required by the Retirement System as determined by the consulting actuarial firm and approved by the Retirement Board. [City Charter Section A8.510]

The consulting actuarial firm and the Retirement Board set the actuarially required employer contribution rate using three related calculations:

First, the normal cost is established for the Retirement System. The normal cost of the Retirement System represents the portion of the actuarial present value of benefits that SFERS will be expected to fund that is attributable to a current year's employment. The Retirement System uses the entry age normal cost method, which is an actuarial method of calculating the anticipated cost of pension liabilities, designed to fund promised benefits over the average future life of the Retirement System members.

Second, the contribution calculation takes account of the amortization of a portion of the amount by which the actuarial value of Retirement System liabilities exceeds the actuarial value of Retirement System assets, such amount being known as an "unfunded accrued actuarial liability" or "UAAL."

The UAAL is the difference between estimated liabilities and the value of smoothed plan assets and can be thought of as a snapshot of the funding of benefits as of the valuation date. There are a number of assumptions and calculation methods that bear on each side of this asset-liability comparison. On the asset side, the actuarial value of Retirement System assets is calculated using a five-year smoothing technique, so that gains or losses in asset value are recognized over that longer period rather than in the immediate time period such gain or loss is identified. As for calculating the pension benefit liability, certain assumptions must be made about future costs of pension benefits to generate an overall liability amount. If the Retirement System's results are better or worse than the estimated UAAL, the result is called an actuarial gain or loss, respectively, and under the Retirement Board's Actuarial Methods Policy any such gain or loss is amortized over a 15-year period. Similarly, if the estimated liabilities change due to changes in the aforementioned assumptions, the effect of such changes is also amortized over a 15-year period.

Third, after calculating the normal cost and the adjustment for UAAL, the consulting actuarial firm amortizes supplemental costs associated with the various SFERS benefit plans. Supplemental costs are additional costs resulting from the past service component of SFERS benefit increases. In other words, when the Charter is amended to extend additional benefits to some or all beneficiaries of the Retirement System, the Retirement System's payment liability is increased by the amount of the new benefit earned in connection with the service time already accrued by the then-current beneficiaries. These supplemental costs for each beneficiary are amortized over no more than 20 years.

The consulting actuarial firm combines the three calculations described above to arrive at a total contribution requirement for funding the Retirement System in that fiscal year. This total contribution amount is satisfied from a combination of employer and employee contributions. Employee contribution rates are mandated by the Charter. [e.g. City Charter Section A8.587-8(a)] Sources of payment of employee contributions (i.e. City or employee) may be the subject of collective bargaining agreements with each union or bargaining unit. The employer contribution rate is established by Retirement Board action each year and is expressed as a percentage of salary applied to all wages covered under the Retirement System. The most recent voter-approved retirement changes are described below.

Prospective purchasers of the City's bonds should carefully review and assess the assumptions regarding the performance of the Retirement System. There is a risk that actual results will differ significantly from assumptions. In addition, prospective purchasers of the City's bonds are cautioned that the information and assumptions speak only as of the respective dates contained in the underlying source documents, and are therefore subject to change.

Recent Voter Approved Changes to the Retirement Plan

The levels of SFERS plan benefits are established under the Charter and approved directly by the voters, rather than through the collective bargaining process. Changes to retirement benefits require a voter-approved Charter amendment. Recent changes to SFERS plan benefits have been intended to reduce pension costs associated with future City employees. For example, in November 2011, the voters of San Francisco approved Proposition C, which

- a) created new SFERS benefit plans for Miscellaneous and Safety employees commencing employment on or after January 7, 2012, which raise the minimum service retirement age for Miscellaneous members from 50 to 53; limit covered compensation to 85% of the IRC §401(a)(17) limits for Miscellaneous members and 75% of the IRC §401(a)(17) limits for Safety members; calculate final compensation using highest three-year average compensation; and decrease vesting allowances for Miscellaneous members by lowering the City's funding for a portion of the vesting allowance from 100% to 50%;
- b) provided that employees commencing employment on or after January 7, 2012 -otherwise eligible for membership in CalPERS may become members of SFERS;
- c) effective July 1, 2012, provides for an increase or decrease of employee contributions to SFERS for certain SFERS members based on the employer contribution rate set by the Retirement Board for that year. (For example, Miscellaneous employees who earn less than \$50,000 per year would pay the minimum Charter-

mandated employee contribution rate; Miscellaneous employees who earn between \$50,000 and \$100,000 per year would pay a fluctuating contribution rate in the range of +4% to -4% of the Charter-mandated employee contribution rate; and Miscellaneous employees who earn \$100,000 or more per year would pay a fluctuating contribution rate in the range of +5% to -5% of the Charter-mandated employee contribution rate. Similar fluctuating employee contributions are required from Safety employees also); and

- d) provides that, effective July 1, 2012, no Supplemental COLA will be paid unless SFERS is fully funded on a market value of assets basis and, for employees hired on or after January 7, 2012, Supplemental COLA benefits will not be permanent adjustments to retirement benefits - in any year when a Supplemental COLA is not paid, all previously paid Supplemental COLAs will expire.

The impact of Proposition C is incorporated in the actuarial valuations beginning with the July 1, 2012 Actuarial Valuation report.

Since 2008, the voters of San Francisco have approved three other retirement plan amendments:

- Proposition D enacted in June 2010, which enacted new SFERS retirement plans for Miscellaneous and Safety employees commencing on or after July 1, 2010, which changed average final compensation used in the benefit formula from highest one-year average compensation to highest two-year average compensation, increased the employee contribution rate for City safety and CalPERS members hired on or after July 1, 2010 from 7.5% of covered pay to 9.0%, and provides that, in years when the City's required contribution to SFERS is less than the employer normal cost as described above, the amount saved would be deposited into the Retiree Health Care Trust Fund.
- The enactment of DROP, a Deferred Retirement Option Program available to certain police members effective July 1, 2008, authorized by City voters' approval on an initiative proposition in the February 2008 election. In June 2011, the Board of Supervisors voted to allow the program to sunset on June 30, 2011
- Proposition B enacted in June 2008 which increased the years of service required for City employees hired after January 10, 2009 to qualify for employer-funded retiree health benefits, established a separate Retiree Health Care Trust Fund to fund retiree health costs, and increased retirement benefits and retirement cost-of-living adjustments for "miscellaneous" employees (i.e., those covered under Charter Section A8.409).

SFERS Recent Funding Performance and City Employer Contribution History

From fiscal year 1996-97 through fiscal year 2003-04, the City's contribution to the Retirement System was zero as determined by the consulting actuarial firm of the Retirement System and adopted by the Retirement Board. The zero percent employer funding requirements for this period was due primarily to higher-than-projected investment earnings and lower-than-projected wage increases. Beginning in fiscal year 2004-05, the Retirement Board reinstated required employer contributions based on the funding requirements as determined by the consulting actuarial firm in the manner described above in "Funding Practices." In fiscal year 2011-12, total City employer contributions to the Retirement System were \$288 million, which was 18.09% of that portion of members' earned wages that are includable for calculation and contribution purposes ("Pensionable Salary"). This amount includes \$129 million from the City General Fund. For the fiscal year 2012-13 total City employer contributions to the Retirement System are budgeted at \$375 million, which is 18.09% of Pensionable Salary. This amount includes \$185 million from the General Fund. The latest actuarial report as of July 1, 2012 provides that future employer contribution rates are projected to increase to 28% for fiscal year 2014-2015 as the Retirement System recognizes the 2011 economic assumption changes and the losses incurred by the Retirement System in fiscal years 2007-2008 and 2008-2009.

Table A-17 shows Retirement System contributions for fiscal years 2007-08 through 2011-12. "Market Value of Assets" reflects the fair market value of assets held in trust for payment of pension benefits. "Actuarial Value of Assets" refers to the value of assets held in trust adjusted according to the Retirement System's actuarial methods as summarized above. "Pension Benefit Obligation" reflects the accrued actuarial liability of the Retirement System. The "Market Funded" column is determined by dividing the market value of assets by the Pension Benefit Obligations. The "Actuarial Funded" column is determined by dividing the actuarial value of assets by the Pension Benefit Obligations. "Employer and Employee Contributions" reflects the total of mandated employee contributions

and employer Actuarial Retirement Contributions received by the Retirement System for fiscal years 2007-08 through 2011-12.

TABLE A-17

CITY AND COUNTY OF SAN FRANCISCO
Employee Retirement System (in \$000s)
Fiscal Years 2007-08 through 2011-12

As of	Market Value	Actuarial Value	Pension Benefit	Percent	Employee &	Employer
<u>1-Jul</u>	<u>of Assets</u>	<u>of Assets</u>	<u>Obligation</u>	<u>Funded</u>	<u>Contribution</u>	<u>Contribution</u>
						<u>Rates⁽¹⁾</u>
2007	16,952,044	14,929,287	13,541,388	110.0	308,348	6.24%
2008	15,832,521	15,941,390	15,358,824	103.8	319,183	5.91%
2009	11,886,729	16,004,730	16,498,649	97.0	312,715	4.99%
2010	13,136,786	16,069,100	17,643,400	91.1	413,562	9.49%
2011	15,598,839	16,313,100	18,598,700	87.7	490,578	13.56%
2012	15,293,700	16,027,700	19,393,900	82.6	608,957	18.09%

⁽¹⁾ Employer contribution rates for fiscal years 2012-2013 and 2013-2014 are 20.71% and 24.82% respectively.

Sources: SFERS' audited financial statements and supplemental schedules June 30, 2012, 2011, 2010, 2009, and 2008. SFERS' Actuarial Valuation report as of July 1, 2012, July 1, 2011, July 1, 2010, July 1, 2009, and July 1, 2008.

Table A-17 reflects that the Percent Funded ratio (that is, the Actuarial Value of Assets divided by the Pension Benefit Obligation) decreased to 82.6%, corresponding to an unfunded actuarial liability (UAAL) of approximately \$3.4 billion. The UAAL is the difference between the Actuarial Value of Assets and the total Pension Benefit Obligation. This means that as of June 30, 2012, for every dollar of pension benefits the City is obligated to pay, it had approximately \$0.83 in assets available for payment.

Asset Management and Actuarial Valuation

The assets of the Fund are invested in a broadly diversified manner across the institutional global capital markets. In addition to U.S. equities and fixed income securities, the Fund holds international equities, global sovereign and corporate debt, global public and private real estate and an array of alternative investments including private equity and venture capital limited partnerships. See page 68 of the CAFR, attached as Appendix B to this Official Statement, for a breakdown of the asset allocation as of June 30, 2012. The Fund does not hold hedge funds. The investments, their allocation, transactions and proxy votes are regularly reviewed by the Retirement Board and monitored by an internal staff of investment professionals who in turn are advised by external consultants who are specialists in the areas of investments detailed above. A description of the Retirement System's investment policy, a description of asset allocation targets and current investments, and the Annual Report of the Retirement System are available upon request from the Retirement System by writing to the San Francisco Retirement System, 30 Van Ness Avenue, Suite 3000, San Francisco, California 94102, or by calling (415) 487-7020. Certain documents are available at the Retirement System website at www.sfers.org. The information available on the Retirement System's website is not incorporated herein by reference.

Recent Changes in the Economic Environment and the Impact on the Retirement System

As of February 28, 2013, the Retirement System estimated that the market value of its assets was approximately \$16.7 billion. The estimated market value represents, as of the date specified, the estimated value of the Retirement System's portfolio if it were liquidated on that date. The Retirement System cannot be certain of the value of certain of its portfolio assets and, accordingly, the market value of the portfolio could be more or less. Moreover, appraisals for classes of assets that are not publicly traded are based on estimates which typically lag changes in actual market value by three to six months. Representations of market valuations are not subject to audit (other than at year end).

The Retirement System investment portfolio is structured for long-term performance. The Retirement System continually reviews investment and asset allocation policies as part of its regular operations and continues to rely on an investment policy which is consistent with the principles of diversification and the search for long-term value. Market fluctuations are an expected investment risk for any long-term strategy. Significant market fluctuations are expected to have significant impact on the value of the Retirement System investment portfolio.

A decline in the value of SFERS Trust assets over time, without a commensurate decline in the pension liabilities, will result in an increase in the contribution rate for the City. No assurance can be provided by the City that contribution rates will not increase in the future, and that the impact of such increases will not have a material impact on City finances.

Other Employee Retirement Benefits

As noted above, various City employees are members of CalPERS, an agent multiple-employer public employee defined benefit plan for safety members and a cost-sharing multiple-employer plan for miscellaneous members. The City makes certain payments to CalPERS in respect of such members, at rates determined by the CalPERS board. Such payment from the General Fund equaled \$18.1 million in fiscal year 2009-10 and \$17.6 million in fiscal year 2010-11. For fiscal year 2011-12, the City prepaid its annual CalPERS obligation at a level of \$23.4 million. Further discussion of the City's CalPERS plan obligations are summarized in Note 9 to the City's CAFR, as of June 30, 2011, attached to this Official Statement as Appendix B. A discussion of other post-employment benefits, including retiree medical benefits, is provided below under "Medical Benefits – *Post-Employment Health Care Benefits and GASB 45.*"

Medical Benefits

Administration through Health Service System; Audited System Financial Statements

Medical benefits for eligible active City employees and eligible dependents, for retired City employees and eligible dependents, and for surviving spouses and domestic partners of covered City employees (the "City Beneficiaries") are administered by the City's Health Service System (the "Health Service System" or "HSS") pursuant to City Charter Sections 12.200 *et seq.* and A8.420 *et seq.* Pursuant to such Charter Sections, the Health Service System also administers medical benefits to active and retired employees of SFUSD, SFCCD, and the San Francisco Superior Court (collectively the "System's Other Beneficiaries"). However, the City is not required to fund medical benefits for the System's Other Beneficiaries and therefore this section focuses on the funding by the City of medical benefits for City Beneficiaries. With the transition of the SFRDA employees to the City budget, the benefits for these employees continue to be provided by CalPERS.

The Health Service System is overseen by the City's Health Service Board (the "Health Service Board"). The seven member Health Service Board is composed of members including a seated member of the City's Board of Supervisors, appointed by the Board President; an individual who regularly consults in the health care field, appointed by the Mayor; a doctor of medicine, appointed by the Mayor; and until May 15, 2013, four members of the Health Service System, active or retired, elected from among their members. After May 15, 2013 one of the members elected from among the members will be replaced by a member nominated by the Controller and approved by the Health Service Board (See Proposition C below). The plans (the "HSS Medical Plans") for providing medical care to the City Beneficiaries and the System's Other Beneficiaries (collectively, the "HSS Beneficiaries") are determined annually by the Health Service Board and approved by the Board of Supervisors pursuant to Charter Section A8.422.

The Health Service System oversees a trust fund (the "Health Service Trust Fund") established pursuant to Charter Sections 12.203 and A8.428 through which medical benefits for the HSS Beneficiaries are funded. The Health Service System issues annually a publicly available, independently audited financial report that includes financial statements for the Health Service Trust Fund. This report may be obtained by writing to the San Francisco Health Service System, 1145 Market Street, Second Floor, San Francisco, California 94103, or by calling (415) 554-1727. Audited annual financial statements for several years are also posted in the Health Service System website: www.myhss.org/finance. The information available on such website is not incorporated in this Official Statement by reference.

As presently structured under the City Charter, the Health Service Trust Fund is not a fund through which assets are accumulated to finance post-employment healthcare benefits (an "OPEB trust fund"). Thus, the Health Service Trust Fund is not currently affected by Governmental Accounting Standards Board ("GASB") Statement Number 45, *Financial Reporting for Postemployment Benefit Plans Other Than Pensions* ("GASB 45"), which applies to OPEB trust funds.

Determination of Employer and Employee Contributions for Medical Benefits

Contributions by the participating employers and HSS Beneficiaries to HSS Medical Plans are determined according to applicable provisions of the Charter. To the extent annual medical premiums exceed the contributions made by employers and HSS Beneficiaries as required by the Charter, such excess must be paid by HSS Beneficiaries or, if elected by the Health Service Board, from net assets held in the Health Service Trust Fund.

All City Beneficiaries receive a base contribution from the City toward the monthly cost of their medical benefits calculated pursuant to Charter Section A8.423. Under that section, the Health Service System conducts a survey annually of the 10 most populous counties in California (other than the City) to determine "the average contribution made by each such County toward the providing of health care plans, exclusive of dental or optical care, for each employee of such County." Under City Charter Section A8.428, the City is required to contribute to the Health Service Trust Fund an amount equal to such "average contribution" for each City Beneficiary.

In addition to the average contribution described above, the City makes additional medical and other benefit contributions on behalf of City Beneficiaries who are active employees as negotiated and agreed to by such employees' applicable collective bargaining units. City bargaining units have negotiated additional City contributions for enhanced single medical coverage, dependent medical coverage and for additional benefits such as dental care for the members of such bargaining units. These contribution amounts are also paid by the City into the Health Service Trust Fund.

Medical benefits for City Beneficiaries who are retired or otherwise not employed by the City (e.g., surviving spouses and surviving domestic partners of City retirees) ("Nonemployee City Beneficiaries") are funded through contributions from such Nonemployee City Beneficiaries and the City as determined pursuant to Charter Section A8.428. The Health Service System medical benefit eligibility requirements for Nonemployee City Beneficiaries are described below under "*Post-Employment Health Care Benefits and GASB 45.*"

Contributions relating to Nonemployee City Beneficiaries include the City contribution of the "average contribution" corresponding to such Nonemployee City Beneficiaries as described in Charter Section A8.423 along with the following:

- Monthly contributions from Nonemployee City Beneficiaries in amounts equal to the monthly contributions required from active employees excluding health coverage or subsidies for health coverage paid for active employees as a result of collective bargaining. However, such monthly contributions from Nonemployee City Beneficiaries covered under Medicare are reduced by an amount equal to the amount contributed monthly by such persons to Medicare.
- In addition to the average contribution described in the second paragraph of this subsection, the City contributes additional amounts in respect of the Nonemployee City Beneficiaries sufficient to defray the difference in cost to the Health Service System in providing the same health coverage to Nonemployee City Beneficiaries as is provided for active employee City Beneficiaries, excluding health coverage or subsidies for health coverage paid for active employees as a result of collective bargaining.
- After application of the calculations described above, the City contributes 50% of monthly contributions required for the retired city participant and the first dependent.

The Health Service System has changed to a calendar plan year effective January 1, 2013. This change permitted HSS to adopt a new pharmacy fully insured benefit plan for retirees in the City Plan (Employer Group Waiver Plan) which saved over \$5.8M and reduced the GASB pharmacy liability. In addition, HSS moved active Blue Shield members from a "fully insured product" to a "flex funded product" in which the City assumes risk up to a set point

saving over \$26M . Overall the actions taken during rate setting reduced HSS costs by over \$30M and resulted in a premium rate increase of less than 1.4%.

Health Care Reform

On March 23, 2010, President Obama signed into law the Patient Protection and Affordable Care Act (Public Law 111-114), and on March 30, 2010 signed the Health Care and Education Reconciliation of 2010 (collectively, the "Health Care Reform Law"). The Health Care Reform Law is intended to extend health insurance to over 32 million uninsured Americans by 2019, and includes other significant changes with respect to the obligation to carry health insurance by individuals and the provision of health care by private and public employers, such as the City. Due to the complexity of the Health Care Reform Law it is likely that additional legislation will be considered and enacted in future years.

The Health Care Reform Law is designed to be implemented in phases from 2010 to 2018. The provisions of the Health Care Reform Law to be implemented in future years include, the expansion of Medicaid, subsidies for health insurance for certain individuals, mandates that require most Americans obtain health insurance, and incentives for employers with over 50 employees to provide health insurance for their employees or pay a fine. Many aspects of the law have yet to be clarified and will require substantial regulation or subsequent legislative action. On June 28, 2012 the U.S. Supreme Court ruled to uphold the employer mandate, the individual mandate and the state Medicaid expansion requirements.

Provisions of Health Care Reform already implemented by HSS include, discontinued eligibility for non-prescription drugs reimbursement through FSAs in 2011, eliminated copayments for wellness visits, eliminated lifetime caps on coverage, and expanded eligibility to cover member dependent children up to age 26 in 2011, eliminated copayments for women's preventative health including contraception in 2012 and W-2 reporting on total healthcare premium costs for 2012 plan year and implementation of a medical loss ratio rebate on self-insured plans. In addition, a separate summary of benefits was required to be sent to every member and provided to every new member beginning in 2012. In 2013, healthcare flexible spending accounts (FSAs) will be limited to \$2500 annually and for the 2013 plan year a comparative effectiveness fee will be charged directly to HSS of \$1 per beneficiary for members of the Self-Insured plan (approximately 9,350); in 2014 and 2015 this amount will increase to \$2/year .

On August 31, 2012 the US DHHS issued regulatory guidance on the "Federal Transitional Pre-Existing Condition Fee" assessing a \$63/year fee on each HSS beneficiary for plan years 2014-2016. This "fee" will be over \$6.6 million dollars per year. In 2014, the City will need to modify health benefit eligibility to cover temporary employees who work more than 30 hours per week or 130 hours per month to only a 90 day waiting period for coverage.

Local Elections: Proposition C (2011)

On November 8, 2011, the San Francisco voters approved Proposition C, a charter amendment that will change the way the City and current and future employees share in funding SFERS pension and health benefits. With regard to health benefits, elected officials and employees hired on or before January 9, 2009, contribute up to 1% of compensation toward their retiree health care, with matching contribution by the City. For employees or elected officials who left the City workforce before June 30, 2001, and retire after January 6, 2012, Proposition C requires that the City contributions toward retiree health benefits remain at the same levels they were when the employee left the City workforce. Proposition C changes the Health Service System and Health Service Board (HSB) including the following: 1) replace one elected member of the HSB with a member nominated by the City Controller and approved by HSB; 2) change HSB's voting requirement for approving member health plans from two-third to a simple majority; 3) remove the requirement for a plan permitting the member to choose any licensed medical provider; 4) allow for the option to change to a calendar year plan year; and 5) allow HSB to spend money on ways to limit health care costs. Factors that could cause additional medical costs or savings include: 1) Projected City savings might be reduced if future labor negotiations or arbitration awards result in any salary increases to offset higher employee retirement contributions. 2) To the extent that changes to pension formulas in this measure cause employees to delay or speed up retirement dates, this could provide additional City savings or costs related to retiree pension and health insurance subsidies. 3) To the extent that changes in the composition of the Health Service Board

result in changes to approved health benefit programs, costs could be higher or lower. 4) To the extent that changes in the composition of the Health Service Board result in changes to approved health benefit programs, costs could be higher or lower. Changing to a calendar plan year allows HSS to convert our City Plan retiree pharmacy benefit to a higher discounted federal program called Employer Group Waiver Plan (EGWP) as of 2013. This will save an estimated \$2.3 million annually, will lower the City's retiree pharmacy expenditures by \$8.5 million annually, and will lower the City's GASB 45 liability.

Employer Contributions for Health Service System Benefits

For fiscal year 2011-12, the Health Service System received approximately \$612.7 million from participating employers for Health Service System benefit costs. Of this total, the City contributed approximately \$511.3 million; approximately \$151.1 million of this \$511.3 million amount was for health care benefits for approximately 26,086 retired City employees and their eligible dependents and approximately \$360.2 million was for benefits for approximately 60,644 active City employees and their eligible dependents. For fiscal year 2012-13, the Health Service System has budgeted to receive approximately \$642.9 million from participating employers for Health Service System benefit costs. The 2013 aggregate plan costs for the city will increase by only 1.4%. This flattening of the healthcare cost curve is due to a number of factors including lower use of healthcare during recessions, aggressive contracting by HSS, encouraging competition among our vendors, and changing our Blue Shield plan from a fully-funded to a flex-funded product. Flex-funding allows lower premiums to be set by our actuarial consultant, AON-Hewitt, without the typical margins added by Blue Shield; however, more risk is assumed by the City and reserves are required to protect against this risk. The HSB also subsidized dependent coverage in the Blue Shield plan to stabilize the risk pools and minimize migration between Blue Shield and Kaiser which contributed to the lower 2013 increase. In 2014 this flattened trend is anticipated to continue, the Health Service Board has allocated the Early Retiree Reimbursement Program funds collected of \$3.6M to subsidize dependent coverage based on percent paid by employee/retiree which will continue to stabilize risk pools. The Health Service Board is currently setting rates for 2014.

Post-Employment Health Care Benefits and GASB 45

Eligibility of former City employees for retiree health care benefits is governed by the Charter. In general, employees hired before January 10, 2009 and a spouse or dependent are potentially eligible for health benefits following retirement at age 50 and completion of five years of City service. Proposition B, passed by San Francisco voters on June 3, 2008, tightened post-retirement health benefit eligibility rules for employees hired on or after January 10, 2009, and generally requires payments by the City and these employees equal to three percent of salary into a new retiree health trust fund.

GASB 45 Reporting Requirements. The City was required to begin reporting the liability and related information for unfunded post-retirement medical and other benefits ("OPEBs") in the City's financial statements for the fiscal year ending June 30, 2008. This reporting requirement is defined under Governmental Accounting Standards Board Statement 45 ("GASB 45"). GASB 45 does not require that the affected government agencies, including the City, actually fund any portion of this post-retirement health benefit liability – rather, GASB 45 requires government agencies to determine on an actuarial basis the amount of its total OPEB liability and the annual contributions estimated to fund such liability over 30 years. Any underfunding in a year is recognized as a liability on the government agency's balance sheet. The City has not established an OPEB trust fund.

City's Estimated Liability. The City is required by GASB 45 to prepare a new actuarial study of its post-retirement benefits obligation every two years. In its October 8, 2012 report, Cheiron, Inc. estimated that the City's unfunded liability was approximately \$4.42 billion as of July 1, 2010. This estimate assumed a 4.25% return on investments and had an ARC for fiscal year 2011-12 of approximately \$397.9 million. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover the normal cost of each year and any unfunded actuarial liabilities (or funding excesses) amortized over thirty years. The ARC was determined based on the July 1, 2010 actuarial valuation. The covered payroll (annual payroll of active employees covered by the plan) was \$2.3 billion and the ratio of the unfunded actuarial accrued liability to the covered payroll was 191.9%.

The difference between the estimated ARC and the amount expended on post-retirement medical benefits in any year is the amount by which the City's overall liability for such benefits increases in that year. The City's most recent CAFR estimated that the 2011-12 annual OPEB cost was \$405.9 million, of which the City funded \$156.1

million which caused, among other factors, the City's long-term liability to increase by \$249.7 million (as shown on the City's balance sheet and below). The annual OPEB cost consists of the ARC, one year of interest on the net OPEB obligation, and recognition of one year of amortization of the net OPEB obligation. While GASB 45 does not require funding of the annual OPEB cost, any differences between the amount funded in a year and the annual OPEB cost is recorded as an increase or decrease in the net OPEB obligation. See Note 9(c) and (d) to the City's CAFR, as of June 30, 2012, included as Appendix B to this Official Statement. Trend information is displayed in Table A-18 (dollars in thousands):

TABLE A-18

CITY AND COUNTY OF SAN FRANCISCO
Four-year Trend
(000s)

Fiscal Year Ended	Annual OPEB	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation
6/30/2009	\$430,924	27.8%	\$605,397
6/30/2010	374,214	33.9%	852,782
6/30/2011	392,151	37.2%	1,099,177
6/30/2012	405,850	38.5%	1,348,883

The October 2012 Cheiron report estimates that the total long-term actuarial liability will reach \$5.7 billion by 2030. The calculations in the Mercer Report are sensitive to a number of critical assumptions, including, but not limited to, the projected rate of increase in health plan costs.

Actuarial projections of the City's OPEB liability will be affected by Proposition B as well as by changes in the other factors affecting that calculation. For example, the City's actuarial analysis shows that by 2031, Proposition B's three-percent of salary funding requirement will be sufficient to cover the cost of retiree health benefits for employees hired after January 10, 2009. See "Retirement System – Recent Voter Approved Changes to the Retirement Plan" above. As of June 30, 2012, the fund balance in the Retiree Health Care Trust Fund established by Proposition B stood at \$17.9 million. Future projections of the City's GASB 45 liability will be lowered by the HSS implementation of the Employer Group Waiver Plan (EGWP) prescription benefit program for City Plan retirees (see Local Elections: Prop C for more detail).

Total City Employee Benefits Costs

The City continued to budget only for current-year benefits expenditures, without any set-aside for accrued or future liabilities, in the fiscal year 2011-12 Original Budget. To begin to address the issue of accrued liabilities for future retiree health costs, the City created a new Post Employment Benefits Fund in fiscal year 2007-08. The actual fund balance as of January 9, 2013 is approximately \$23.9 million. The costs were funded in part by employees and in part by the City. The City will continue to monitor and update its actuarial valuations of liability as required under GASB 45. Table A-18 provides a five-year history for all health benefits costs paid including pension, health, dental and other miscellaneous benefits. For all fiscal years shown, a "pay-as-you-go" approach was used by the City for health care benefits.

Table A-19 below provides a summary of the City's employee benefit actual and budgeted costs from fiscal years 2008-09 to fiscal year 2013-14.

Investments of City Funds

Investment Pool

The Treasurer of the City and County of San Francisco (the "Treasurer") is authorized by Charter Section 6.106 to invest funds available under California Government Code Title 5, Division 2, Part 1, Chapter 4. In addition to the funds of the City, the funds of various City departments and local agencies located within the boundaries of the City, including the school and community college districts, airport and public hospitals, are deposited into the City and County's Pooled Investment Fund (the "Pool"). The funds are commingled for investment purposes.

Investment Policy

The management of the Pool is governed by the Investment Policy administered by the Office of the Treasurer and Tax Collector in accordance with California Government Code Sections 27000, 53601, 53635, et. al. In order of priority, the objectives of this Investment Policy are safety, liquidity, and return on investments. Safety of principal is the foremost objective of the investment program. The investment portfolio maintains sufficient liquidity to meet all expected expenditures for at least the next six months. The Office of the Treasurer and Tax Collector also attempts to generate a market rate of return, without undue compromise of the first two objectives.

The Investment Policy is reviewed and monitored annually by a Treasury Oversight Committee established by the Board of Supervisors. The Treasury Oversight Committee meets quarterly and is comprised of members drawn from (a) the Treasurer; (b) the Controller; (c) a representative appointed by the Board of Supervisors; (d) the County Superintendent of Schools or his/her designee; (e) the Chancellor of the Community College District or his/her designee; and (f) Members of the general public. See "APPENDIX ___ – City and County of San Francisco Office of the Treasurer – Investment Policy" for a complete copy of the Treasurer's Investment Policy, dated October 2012. The Investment Policy is also posted at the Treasurer's website: www.sftreasurer.org. The information available on such website is not incorporated herein by reference.

Investment Portfolio

As of December 31, 2012, the City's surplus investment fund consisted of the investments classified in Table A-20, and had the investment maturity distribution presented in Table A-21.

Further Information

A report detailing the investment portfolio and investment activity, including the market value of the portfolio, is submitted to the Mayor and the Board of Supervisors monthly. The monthly reports and annual reports are available on the Treasurer's web page: www.sftreasurer.org. The monthly reports and annual reports are not incorporated by reference herein.

Additional information on the City's investments, investment policies, and risk exposure as of June 30, 2011 are described in Appendix B: "COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY AND COUNTY OF SAN FRANCISCO FOR THE FISCAL YEAR ENDED JUNE 30, 2011," Notes 2(d) and 5.

CAPITAL FINANCING AND BONDS

Capital Plan

In October 2005, the Board of Supervisors adopted, and the Mayor approved, Ordinance No. 216-05, which established a new capital planning process for the City. The City Administrator, in conjunction with a capital planning committee composed of other City finance and capital project officials (the "Capital Planning Committee"), is directed to develop and submit an annual ten-year capital plan (the "Capital Plan") each fiscal year for approval by the Board of Supervisors. The Capital Plan provides an assessment of the City's infrastructure needs over such period, investments required to meet the needs identified and a plan of finance to fund these investments. Although the Capital Plan provides cost estimates and proposes methods to finance such costs, the document does not reflect any commitment by the Board of Supervisors to expend such amounts or to adopt any specific financing method. The Capital Plan is required to be updated and adopted annually in advance of the budget process. The Capital Planning Committee is also charged with reviewing the annual capital budget submission and all long-term financing proposals, and providing recommendations to the Board of Supervisors relating to the compliance of any such proposal or submission with the adopted Capital Plan.

The Capital Plan is required to be submitted to the Mayor and the Board of Supervisors by each March 1 and adopted by the Board of Supervisors and the Mayor on or before each May 1. The fiscal year 2014-2023 Proposed Capital Plan (the "Proposed Plan") was submitted by the Capital Planning Committee to the Board of Supervisors for consideration on March 5, 2013. The Proposed Plan contains \$25.1 billion in capital investments over the coming decade for all City departments, including \$4.7 billion in projects for General Fund-supported departments. The Proposed Plan estimates \$1.6 billion for General Fund pay-as-you-go capital projects over the next ten years. The Proposed Plan is not incorporated by reference herein but may be found at www.sfgov.org/cpp.

Capital projects for General Fund-supported departments included in the Proposed Plan consist of upgrades to public health, police, fire and park facilities; replacement of the Hall of Justice; seismic upgrades the Veteran's Memorial Building, repairs to the high-pressure fire hydrant system; repaving of streets; and removal of barriers to accessibility, among other capital projects. Approximately \$1.5 billion of the capital projects of General Fund supported departments are financed with general obligation bonds and other long-term obligations. The balance is expected to be funded by federal and State funds, General Fund, and other sources.

In addition to the City General Fund-supported capital spending, the Proposed Plan recommends \$14.5 billion in enterprise fund department projects to continue major transit, water and wastewater projects such as the Central Subway, Wastewater Master Plan and the Water System Improvement Program (WSIP), among others. Enterprise fund department capital projects are expected to be financed with voter-approved revenue bonds and other long-term obligations, federal and State funds, user/operator fees, General Fund, and other sources.

Failure to make the capital improvements and repairs recommended in the Plan may have the following impacts: (i) failing to meet federal, state, or local legal mandates; (ii) failing to provide for the imminent life, health, safety and security of occupants and the public; (iii) failing to prevent the loss of use of the asset; (iv) impairing the value of the City's assets; and (v) increasing future repair and replacement costs.

Tax-Supported Debt Service

Under the State Constitution and the Charter, City bonds secured by *ad valorem* property taxes ("general obligation bonds") can only be authorized with a two-thirds approval of the voters. As of December 31, 2012, the City had approximately \$1.80 billion aggregate principal amount of general obligation bonds outstanding.

Table A-22 shows the annual amount of debt service payable on the City's outstanding general obligation bonds.

TABLE A-22

General Obligation Bonds Authorized but Unissued

Certain general obligation bonds authorized by the City's voters as discussed below have not yet been issued. Such bonds may be issued at any time by action of the Board of Supervisors, without further approval by the voters.

In November 1992, voters approved Proposition A, which authorized the issuance of up to \$350.0 million in general obligation bonds to provide moneys to fund the City's Seismic Safety Loan Program (the "Loan Program"). The purpose of the Loan Program is to provide loans for the seismic strengthening of privately-owned unreinforced masonry buildings in San Francisco for affordable housing and market-rate residential, commercial and institutional purposes. In April 1994, the City issued \$35.0 million in taxable general obligation bonds to fund the Loan Program

and in October 2002, the City redeemed all outstanding bonds remaining from such issuance. In February 2007 the Board of Supervisors approved the issuance of additional indebtedness under this authorization in an amount not to exceed \$35.0 million. Such issuance would be achieved pursuant to the terms of a Credit Agreement with Bank of America, N.A. (the "Credit Bank"), under which the Credit Bank agreed to fund one or more loans to the City from time to time as evidenced by the City's issuance to the Credit Bank of the Taxable General Obligation Bond (Seismic Safety Loan Program), Series 2007A. The funding by the Credit Bank of the loans at the City's request and the terms of repayment of such loans are governed by the terms of the Credit Agreement. Loan funds received by the City from the Credit Bank are in turn used to finance loans to Seismic Safety Loan Program borrowers. In March 2007 the City initiated an initial borrowing of \$2.0 million, and in October 2007, the City borrowed approximately \$3.8 million from the Credit Bank. In January 2008, the City borrowed approximately \$3.9 million and in November 2008, the City borrowed \$1.3 million from the Credit Bank. Further borrowings under the Credit Agreement with the Credit Bank (up to the \$35.0 million not-to-exceed amount) are expected as additional loans to Seismic Safety Loan Program borrowers are approved.

In February 2008, voters approved Proposition A, which authorized the issuance of up to \$185.0 million in general obligation bonds for the construction, reconstruction, purchase, and/or improvement of park and recreation facilities located in the City and under the jurisdiction of the Recreation and Parks Commission or under the jurisdiction of the Port Commission. The City issued the first series of bonds under Proposition A in the amount of approximately \$42.5 million in August 2008. The City issued the second series in the amount of approximately \$60.4 million in March 2010 and the third series in the amount of approximately \$73.4 million in March 2012.

In November 2008, voters approved Proposition A, which authorized the issuance of up to \$887.4 million in general obligation bonds to provide funds to finance the building or rebuilding and improving the earthquake safety of the San Francisco General Hospital and Trauma Center. The City issued the first series of bonds under Proposition A in the amount of approximately \$131.7 million in March 2009. The City issued the second series in the amount of approximately \$294.6 million in March 2010. The City issued its third series in the amount of approximately \$251 million in August 2012.

In June 2010, voters approved Proposition B, which authorized the issuance of up to \$412.3 million in general obligation bonds to provide funds to finance the construction, acquisition, improvement, and retrofitting of neighborhood fire and police stations, the auxiliary water supply system, a public safety building, and other critical infrastructure and facilities for earthquake safety and related costs. The City issued the first series of bonds under Proposition B in the amount of \$79.5 million in December 2010 and the second series of bonds in the amount of \$183.3 million in March 2012. The City issued its third series in the amount of approximately \$38.3 million in August 2012.

In November 2011, voters approved Proposition B, which authorized the issuance of up to \$248.0 million in general obligation bonds to provide funds to repair and repave City streets and remove potholes; strengthen and seismically upgrade street structures; redesign street corridors by adding or improving pedestrian signals, lighting, sidewalk extensions, bicycle lanes, trees and landscaping; construct and renovate curb ramps and sidewalks to increase accessibility and safety for everyone, including persons with disabilities; and add and upgrade traffic signals to improve MUNI service and traffic flow. The City issued the first series of bonds under Proposition B in the amount of approximately \$74.3 million in March 2012.

In November 2012, voters approved Proposition B, which authorized the issuance of up to \$195.0 million in general obligation bonds to provide funds for the construction, reconstruction, renovation, demolition, environmental remediation and/or improvement of park, open space, and recreation facilities located in the City and under the jurisdiction of the Recreation and Parks Commission or under the jurisdiction of the Port Commission. The City expects to issue the first series of bonds under Proposition B in June 2013.

Refunding General Obligation Bonds

The Board of Supervisors adopted Resolution No. 272-04 on May 11, 2004 (the "2004 Resolution"). The Mayor approved the 2004 Resolution on May 13, 2004. The 2004 Resolution authorized the issuance of not to exceed \$800.0 million aggregate principal amount of its General Obligation Refunding Bonds from time to time in one or more series for the purpose of refunding all or a portion of the City's then outstanding General Obligation Bonds. On November 1, 2011, the Board of Supervisors adopted, and the Mayor approved, Resolution No. 448-11 (the "2011 Resolution," and together with the 2004 Resolution, the "Refunding Resolutions"). The 2011 Resolution authorized the issuance of not to exceed \$1,355,991,219 aggregate principal amount of the City's General Obligation Refunding Bonds from time to time in one or more series for the purpose of refunding certain outstanding General Obligation Bonds of the City.

Table A-23 below lists for each of the City's voter-authorized general obligation bond programs the amount originally authorized, the amount issued and outstanding, and the amount of remaining authorization for which bonds have not yet been issued. Series are grouped by program authorization in chronological order. The authorized and unissued column refers to total program authorization that can still be issued, and does not refer to any particular series. As of December 31, 2012, the City had authorized and unissued general obligation bond authority of approximately \$788 million.

¹ Section 9.106 of the City Charter limits issuance of general obligation bonds of the City to 3% of the personal assessment assessed value of all real and district indebtedness or any redevelopment agency indebtedness.

² Of the \$35,000,000 authorized by the Board of Supervisors in February 2007, \$30,315,450 has been drawn upon to date pursuant to the Credit Agreement described under "General Obligation Bonds Authorized but Unissued."

Source: Office of Public Finance, City and County of San Francisco.

Lease Payments and Other Long-Term Obligations

The Charter requires that any lease-financing agreements with a nonprofit corporation or another public agency must be approved by a majority vote of the City's electorate, except (i) leases approved prior to April 1, 1977, (ii) refunding lease financing expected to result in net savings, and (iii) certain lease financing for capital equipment. The Charter does not require voter approval of lease financing agreements with for-profit corporations or entities.

Table A-24 sets forth the aggregate annual lease payment obligations supported by the City's General Fund with respect to outstanding lease revenue bonds and certificates of participation as of December 31, 2012. Note that the annual payment obligations reflected in Table A-23 include the fully accreted value of any capital appreciation obligations that will accrue as of the final payment dates.

TOTAL ¹	\$1,112,342,301	\$666,687,869 ^{2 3}	\$1,779,030,170

¹ Totals reflect rounding to nearest dollar.

² For purposes of this table, the interest rate on the Lease Revenue Bonds Series 2008-1, and 2008-2 (Moscone Center Expansion Project) is assumed to be 3.25%. These bonds are in variable rate mode.

Source: Office of Public Finance, City and County of San Francisco.

The City electorate has approved several lease revenue bond propositions, some of which have authorized but unissued bonds. The following lease programs have remaining authorization:

In 1987, voters approved Proposition B, which authorizes the City to lease finance (without limitation as to maximum aggregate par amount) the construction of new parking facilities, including garages and surface lots, in eight of the City's neighborhoods. In July 2000, the City issued \$8.2 million in lease revenue bonds to finance the construction of the North Beach Parking Garage, which was opened in February 2002. There is no current plan to issue any more bonds under Proposition B.

In 1990, voters approved Proposition C, which amended the Charter to authorize the City to lease-purchase equipment through a nonprofit corporation without additional voter approval but with certain restrictions. The City and County of San Francisco Finance Corporation (the "Corporation") was incorporated for that purpose. Proposition C provides that the outstanding aggregate principal amount of obligations with respect to lease financings may not exceed \$20.0 million, such amount increasing by five percent each fiscal year. As of December 31, 2012, the total authorized amount for such financings was \$58.5 million. The total principal amount outstanding as of December 31, 2012 was \$29.7 million.

In 1994, voters approved Proposition B, which authorized the issuance of up to \$60.0 million in lease revenue bonds for the acquisition and construction of a combined dispatch center for the City's emergency 911 communication system and for the emergency information and communications equipment for the center. In 1997 and 1998, the Corporation issued \$22.6 million and \$23.3 million of Proposition B lease revenue bonds, respectively, leaving \$14.0 million in remaining authorization. There is no current plan to issue additional series of bonds under Proposition B.

In June 1997, voters approved Proposition D, which authorized the issuance of up to \$100.0 million in lease revenue bonds for the construction of a new football stadium at Candlestick Park, the home of the San Francisco 49ers football team. If issued, the \$100.0 million of lease revenue bonds would be the City's contribution toward the total cost of the stadium project and the 49ers would be responsible for paying the remaining cost of the stadium construction project. The City has no current timetable for issuance of the Proposition D bonds.

On March 7, 2000, voters approved Proposition C, which extended a two and one half cent per \$100.0 in assessed valuation property tax set-aside for the benefit of the Recreation and Park Department (the "Open Space Fund"). Proposition C also authorizes the issuance of lease revenue bonds or other forms of indebtedness payable from the Open Space Fund. The City issued approximately \$27.0 million and \$42.4 million of such Open Space Fund lease revenue bonds in October 2006 and October 2007, respectively.

In November 2007, voters approved Proposition D, which amended the Charter and renewed the Library Preservation Fund. Proposition D continues the two and one half cent per \$100.0 in assessed valuation property tax set-aside and establishes a minimum level of City appropriations, moneys that are maintained in the Library Preservation Fund. Proposition D also authorizes the issuance of revenue bonds or other evidences of indebtedness. The City issued the first series of lease revenue bonds in the amount of approximately \$34.3 million in March 2009.

Commercial Paper Program

The Board authorized on March 17, 2009 and the Mayor approved on March 24, 2009 the establishment of a not-to-exceed \$150.0 million Lease Revenue Commercial Paper Certificates of Participation Program (the "CP Program"). Under the proposed CP Program, Commercial Paper Notes (the "CP Notes") will be issued from time to time to pay approved project costs in connection with the acquisition, improvement, renovation, and construction of real property and the acquisition of capital equipment and vehicles in anticipation of long-term financing to be issued when market conditions are favorable. Projects will be eligible to access the CP Program once the Board and the Mayor have approved the project and the long-term, permanent financing for the project. In June 2010, the City obtained letters of credit securing the CP Notes issued by J.P. Morgan Chase Bank, N.A. with a maximum principal amount of \$50 million and by U.S. Bank, N.A. with a maximum principal amount of \$50 million. The letters of credit expires June 2013.

As of March 7, 2013, the outstanding principal amount of CP Notes is \$67.2 million. The weighted average interest rate for the CP Notes is approximately 0.17%.

Board Authorized and Unissued Long-Term Obligations

The Board of Supervisors authorized on December 16, 2008 and the Mayor approved on December 19, 2008, the issuance of not to exceed \$45.0 million of City and County of San Francisco Certificates of Participation (Moscone Center Improvement Project), Series 2010B to finance improvements to the Moscone Convention Center. The proceeds from the sale of the Certificates will be used to provide funding for various improvements to the City's convention facilities known as Moscone South, Moscone North, and Moscone West. The City anticipates issuing the certificates in May 2013.

The Board of Supervisors authorized on October 26, 2010 and the Mayor approved on November 5, 2010, the issuance of not to exceed \$38,000,000 in City and County of San Francisco certificates of participation to partially finance the rebuilding of severely distressed public housing sites, while increasing affordable housing and ownership opportunities and improving the quality of life for existing residents and the surrounding communities (the HOPE SF Project). The City anticipates issuing the certificates in the Summer of 2013.

The Board of Supervisors authorized on July 26, 2011 and the Mayor approved on August 1, 2011, the issuance of not to exceed \$170,000,000 in City and County of San Francisco certificates of participation to finance the construction and installation of certain improvements in connection with the renovation of the San Francisco War Memorial Veterans Building. The City anticipates issuing the certificates in the Summer of 2013.

The Board of Supervisors authorized on May 1, 2012 and the Mayor approved on May 8, 2012 the issuance of not to exceed \$45,000,000 in City and County of San Francisco certificates of participation to finance the design, acquisition, construction, reconstruction, expansion, improvement, equipping, renewal, restoration, and/or replacement of certain capital improvements to properties of the Port Commission. The City anticipates issuing the certificates in the Winter of 2013.

The Board of Supervisors authorized on February 12, 2013 and the Mayor approved on February 15, 2013, the issuance of not to exceed \$507.9 million of City and County of San Francisco Certificates of Participation (Moscone Expansion Project) payable from Moscone Expansion District assessments to finance the costs of additions and improvements to the George R. Moscone Convention Center. The City anticipates issuing the certificates in 2017.

Overlapping Debt

Table A-25 shows bonded debt and long-term obligations as of December 31, 2012 sold in the public capital markets by the City and those public agencies whose boundaries overlap the boundaries of the City in whole or in part. Long-term obligations of non-City agencies generally are not payable from revenues of the City. In many cases long-term obligations issued by a public agency are payable only from the General Fund or other revenues of such public agency. In the table, lease obligations of the City which support indebtedness incurred by others are included. As noted below, the Charter limits the City's outstanding general obligation bond debt to 3% of the total assessed valuation of all taxable real and personal property within the City.

Source: Office of Public Finance, City and County of San Francisco.

On November 4, 2003, voters approved Proposition A. Proposition A of 2003 authorized the SFUSD to issue up to \$295.0 million of general obligation bonds to repair and rehabilitate school facilities, and various other improvements. The SFUSD issued \$58.0 million of such authorization in October 2004, \$130.0 million in October 2005 and \$92.0 million in October 2006, leaving \$15.0 million authorized but unissued. In March 2012, the SFUSD issued \$116.1 million in refunding general obligation bonds that refunded \$137.4 million in general obligation bonds authorized under Proposition A of 2003.

On November 2, 2004, voters approved Proposition AA. Proposition AA authorized the San Francisco BART to issue general obligation bonds in one or more series over time in an aggregate principal amount not to exceed \$980.0 million to strengthen tunnels, bridges, overhead tracks and the underwater Transbay Tube for BART facilities in Alameda and Contra Costa counties and the City. Of the \$980.0 million, the portion payable from the levy of *ad valorem* taxes on property within the City is approximately 29.0% or \$282.0 million. Of such authorization, BART issued \$100.0 million in May 2005 and \$400.0 million in July 2007, of which the allocable City portion is approximately \$29.0 million and \$116.0 million, respectively.

On November 8, 2005, voters approved the issuance of up to \$246.3 million in general obligation bonds to improve, construct and equip existing and new facilities of the SFCCD. SFCCD issued an aggregate principal amount of \$90.0 million of the November 2005 authorization in June 2006. In December 2007, SFCCD issued an additional \$110.0 million of such authorization. SFCCD issued the remaining authorization of \$46.3 million in spring 2010.

On November 7, 2006, voters approved Proposition A. Proposition A of 2006 authorized the SFUSD to issue an aggregate principal amount not to exceed \$450.0 million of general obligation bonds to modernize and repair up to 64 additional school facilities and various other improvements. The SFUSD issued the first series in the aggregate principal amount of \$100 million under the Proposition A authorization in February 2007. The SFUSD issued the second series in the aggregate principal amount of \$150.0 million under the Proposition A authorization in January 2009. The SFUSD issued the third series in the aggregate principal amount of \$185.0 million under the Proposition A authorization in May 2010.

On November 8, 2011, voters approved Proposition A. Proposition A of 2011 authorized the SFUSD to issue an aggregate principal amount not to exceed \$531.0 million of general obligation bonds to repair and rehabilitate school facilities to current accessibility, health, safety, and instructional standards, and where applicable, replace worn-out plumbing, electrical and other major building systems, replace aging heating, ventilation and air handling systems, renovate outdated classrooms and training facilities, construct facilities to replace aging modular classrooms. The SFUSD issued the first series in the aggregate principal amount of \$115.0 million under the Proposition A of 2011 authorization in March 2012.

MAJOR ECONOMIC DEVELOPMENT PROJECTS

Numerous development and construction projects are in progress throughout the City at any given time. This section describes several of the most significant privately owned and managed real estate developments currently under way in the City. The information in this section has been prepared by the City based on City-approved plans as well as unofficial plans and representations of the developer in each case, and includes forward-looking statements. These forward-looking statements consist of expressions of opinion, estimates, predictions, projections, plans and the like; such forward-looking statements in this section are those of the developers and not of the City. The City makes no prediction, representation or assurance that the plans and projects described will actually be accomplished, or the time frame in which the developments will be completed, or as to the financial impact on City real estate taxes, developer fees, other tax and fee income, employment, retail or real estate activity, or other consequences that might be expected or projected to result from the successful completion of each development project. Completion of development in each case may depend on the local economy, the real estate market, the financial health of the developer and others involved in the project, specific features of each development and its attractiveness to buyers, tenants, and others, as well as the financial health of such buyers, tenants, and others. Further, the recent legislation to end redevelopment agencies as part of the State's fiscal year 2011-12 budget may have an adverse impact on the projects described below and many other development projects in the City. See "San Francisco Redevelopment Agency Dissolution" above. Completion and success of each development will also likely depend on other factors unknown to the City.

Hunters Point Shipyard (Phase 1 and 2) and Candlestick Point

The Hunters Point Shipyard, a former naval base is a master planned community of approximately 500 acres located on the southeastern waterfront of San Francisco. The first phase of development, which was conveyed from the Navy in 2005, is currently underway and includes up to 1,600 homes, 27% to 40% of which will be affordable, and 26 acres of parks and open space. Nearly all of the horizontal construction for Phase 1 is complete and the developer is preparing to commence vertical development on the first four blocks of homes in 2012. In August 2010, the development of the balance of the Shipyard and Candlestick Point received its final approvals from the Board of Supervisors. This includes (i) approximately 10,500 residential housing units across the project site, approximately 32% of which will be offered at below-market rates in a mix of both rental and for-sale housing; (ii) the complete rebuilding of the Alice Griffith Public Housing Development, also known as Double Rock; (iii) approximately 2.5 million square feet of "green" office, research and development uses on the Shipyard; (iv) approximately 150,000 square feet of green office, research and development or other commercial space on Candlestick Point; (v) more than 300 acres of new and restored parks and open space, which includes neighborhood parks, new waterfront parks around the entire perimeter of the Shipyard, connecting to the region's Bay Trail, and a major renovation of the Candlestick Point State Recreation Area into a "Crissy Field" of the southeast, with restored habitat areas and public access to the water; (vi) approximately 635,000 square feet of regional and neighborhood retail on Candlestick Point; (vii) space for a 10,000-seat performance venue on Candlestick Point; and (viii) space for a new 69,000-seat, world-class football stadium for the San Francisco 49ers football team. The Project is estimated to create thousands of ongoing construction opportunities during the 20- to 30-year construction period, and 10,000 permanent jobs at full build-out. In August 2011, the U.S. Department of Housing and Urban Development (HUD) selected the Alice Griffith Public Housing Development and the surrounding Bayview neighborhood as a recipient of the \$30.5 million Choice Neighborhoods Implementation Grant. The Alice Griffith Plan was one of six finalists submitted by communities nationwide competing for HUD Choice Neighborhoods funding.

Treasure Island

Former Naval Station Treasure Island, which ceased operations in 1997, consists of approximately 405 acres on Treasure Island and 90 acres on adjoining Yerba Buena Island, located in the San Francisco Bay, and connected to the City by the San Francisco-Oakland Bay Bridge. The development plans for Treasure Island include up to 8,000 new homes, up to 25% of which will be offered at below-market rates; up to 500 hotel rooms; a 400-slip marina; restaurants; retail and entertainment venues; and a brand-new, world-class 300-acre parks and open space system. The compact mixed-use transit-oriented development is clustered around a new ferry terminal and is designed to prioritize walking, biking and public transit. The development plans include cutting-edge green office building standards and best practices in low-impact development. In August 2010, then-Mayor Gavin Newsom, U.S. House of Representatives Speaker Nancy Pelosi, and U.S. Secretary of the Navy Ray Mabus signed the terms for the conveyance of former Naval Station Treasure Island from the Navy to the City, representing another major step towards realizing an environmentally sustainable new community on Treasure Island and the thousands of construction and permanent jobs it will bring. In April 2011, the Treasure Island Development Authority (TIDA) Board of Directors and the Planning Commission certified the project's Environmental Impact Report, as well as approved numerous project documents. In June 2011, the Board of Supervisors unanimously upheld the certification of the Environmental Impact Report, as well as approved numerous project documents, including a Disposition and Development Agreement, Development Agreement, Interagency Cooperation Agreement and Treasure Island Homeless Development Initiative (TIHDI) Agreement. Together, these agreements form the comprehensive vision for the future of the former military base and represent a significant milestone in moving the project closer towards implementation. The first phase of construction could begin in the summer of 2014 and would consist primarily of horizontal infrastructure improvements to enable subsequent phases of vertical construction. The complete build-out of the project is anticipated to occur over fifteen to twenty years.

Piers 30-32 and Seawall Lot (SWL) 330 – Warrior's Multipurpose Recreation and Entertainment Venue

The Golden State Warriors, a National Basketball Association (NBA) team, is proposing to develop a waterfront multipurpose recreation and entertainment venue and associated development on Piers 30-32 and SWL 330. Piers 30-32 are located directly south of the Bay Bridge. On the Piers 30-32 site, the Warriors propose constructing a state-of-the-art multi-purpose recreation and entertainment venue for Warriors' home games, concerts, and family

shows. A significant portion of the Piers 30-32 site will be public, open space. There will also be retail and a limited amount of parking.

On SWL 330, which sits across the Embarcadero from Piers 30-32, the Warriors propose a mixed-use development, which will include residential units and potentially a hotel use. The SWL site will also have ground floor retail and parking.

Economic Planning Systems (EPS) was commissioned to author a Fiscal Feasibility Report, which provides both the Economic and Financial benefits of the project for the City. The Fiscal Feasibility Report projects that the project could create \$80 million annually in economic activity and generate approximately 5,000 construction jobs and 2,800 permanent jobs within San Francisco. In addition, the Fiscal Feasibility projects that the project could generate approximately \$19 million annually in annual revenue to the City.

Transbay

The Transbay Transit Center broke ground on August 11, 2010, and is scheduled to open in August 2017. Demolition of existing structures on the site was completed in August 2011. The Transbay Transit Center Project will replace the outdated Transbay Terminal at First and Mission Streets with a modern transit hub, extend the Caltrain commuter rail line underground 1.3 miles into the Financial District, and redevelop the area surrounding the Transbay Transit Center with 4,500 new homes 1,200 to be "affordable" below-market homes, a 1.6 million square-foot tower, parks, and a retail main street. The Pelli Clarke Pelli Architects-designed Center will serve more than 100,000 people per day through nine transportation systems, including the proposed California High Speed Rail, which will be designed to connect San Francisco to Los Angeles in less than 2-1/2 hours. The Center is designed to embrace the goals of green architecture and sustainability. The heart of the Center, "City Park," a 5.4-acre public park that will sit atop the facility, and there will be a living green roof for the transit facility. The Center will have a LEED rating of Silver. The project is estimated to create more than 48,000 jobs in its first phase of construction, which will last seven years. The \$4.2 billion Transbay Transit Center Project is funded by various public and private funding partners, including the federal government, the State, the Metropolitan Transportation Commission, the San Francisco County and San Mateo County Transportation Authorities, and AC Transit, among others. The first phase of the program, which includes constructing the new transit center, is fully funded.

Mission Bay

The development plans for Mission Bay include a new University of California-San Francisco (UCSF) research campus containing 2.65 million square feet of building space on 43 acres donated by Catellus and the City; UCSF's 289-bed women's, children's and cancer hospital; 4.4 million square feet of biotech, 'cleantech' and health care office space; 6,000 housing units, with 1,800 (30%) affordable to moderate-, low-, and very low-income households; 800,000 square feet of retail space; a 500-room hotel with up to 50,000 square feet of retail entertainment uses; 41 acres of public open space, including parks along Mission Creek and San Francisco Bay, plus eight acres of open space within the UCSF campus; a new 500-student public school; and a new fire and police station. Mission Bay is approximately 50% complete.

Seawall Lot (SWL) 337 and Pier 48 (Mission Rock)

Mission Rock is a proposed mixed-use development at Seawall Lot 337 and Pier 48, Port-owned property comprising approximately 25 acres. The Port, OEWD in its capacity as lead negotiator, and Mission Rock's competitively-selected master developer, Seawall Lot 337 Associates, LLC, have agreed on a development concept and corresponding financial terms for Mission Rock, which are reflected in a non-binding Term Sheet and will be finalized in a Development Agreement following environmental review.

The proposed development plan for Mission Rock includes: approximately 8 acres of public parks and open spaces, including a 5-acre regional waterfront park; 650 to 1,500 new housing units, 15 percent of them made affordable to low-income households; 1.3 to 1.7 million square feet of commercial space; 150,000 to 250,000 square feet of retail space, with tenants that create unique local character; approximately 3,000 parking spaces within mixed-use buildings and a dedicated parking structure, which will serve Giants patrons as well as Mission Rock occupants and visitors; and the rehabilitation and reuse of historic Pier 48 as a new brewery/distillery for Anchor Steam Brewing Company.

Pier 70

Plans for Pier 70 call for substantial development, including major parks and historic building rehabilitation, on this 69-acre site. The Port, which controls Pier 70 and OEWD in its capacity as lead negotiator, is currently in negotiations with Forest City, a developer that has been selected to build a new mixed-use neighborhood on a 25-acre portion of Pier 70 known as the Waterfront Site. In the spring and summer of 2013, the parties are anticipated to seek Port Commission and Board of Supervisors endorsement of a non-binding term sheet that lays out an agreed-upon development concept and financial terms.

Current development plans for the Pier 70 Waterfront Site include: 8 acres of parks and open space; 2,250,000 square feet of office; 1,000 housing units, 20% of them made affordable to low-income households; and 270,000 square feet of small-scale production and arts space intended to establish the new district as destination with unique, artistic character. This built area includes three historic industrial buildings that will be as rehabilitated as part of the Waterfront Site development.

Outside of the Waterfront Site, other plans for Pier 70 call for the creation of Crane Cove Park, development of new buildings along Illinois Street, the sustained operation of the shipyard, and the preservation of additional historic buildings. Pier 70 qualifies for the National Register of Historic Places and is in the process of seeking Historic District status.

Cruise Terminal

On February 26, 2013 the Port of San Francisco cut the ribbon opening the \$67 million core and shell of the new James R. Herman cruise ship terminal at Pier 27 for use during the America's Cup races in the summer of 2013. The \$44 million second phase will commence after the America's Cup and will install maritime equipment, complete an operations area within a portion of Pier 29, and complete improvements to the ground transportation area and Northeast Wharf Plaza. When complete in late 2014, the \$111 million, approximately 88,000 square foot, two-level cruise terminal will replace the current outmoded and insufficient facility at Pier 35 and will include a 2.5 acre park along the Embarcadero ground transportation area capability and a strengthened connection between the Bay and the base of Telegraph Hill.

The proposed size of the terminal was defined as optimal to serve current and anticipated ship berthing requirements and associated passenger flows. The Pier 27 cruise terminal was designed to optimally handle vessels carrying 2,600 passengers and will have the capacity to serve vessels carrying up to 4,000 passengers, totaling 40-80 cruise calls a year. The facility will continue to be used for maritime events, such as Fleet Week, foreign naval diplomatic calls, Tall Ship festivals and visits by oceanic research vessels. When there are no cruise calls, the cruise terminal will provide approximately 60,000 square feet of designated space for shared uses, including meetings and special events.

Bay Area Economics was commissioned to provide an economic impact study for the Pier 27 project. The study projects that the project could create approximately \$29.4 million annually in direct economic activity, \$42.2 million in total impacts, and generate approximately 408 jobs within San Francisco. In addition, the Bay Area Economics study projects that the project could generate approximately \$900,000 annually in direct tax revenues that accrue to the City's General Fund. Regionally, Bay Area Economics estimated \$43.4 million in direct impacts and \$66.9 million in total impacts, and approximately 470 jobs in the Bay Area.

America's Cup

On December 31, 2010, the City was selected to host two America's Cup World Series regattas in the summer of 2012 and the 34th America's Cup Challenger Selection Series and Match Finals in the summer of 2013. To accommodate the events, the Port has invested in a series of Waterfront improvements along the central and northeast waterfront, primarily on Piers 27-29 for the America's Cup Village and at Piers 30-32 for team bases. By the time of the Challenger Series and Match events, the City will have completed the Brannan Street Wharf project, the core and shell of the Pier 27 James R. Herman Cruise Terminal building and the Pier 43 Bay Link Trail and will have made significant investments in deferred maintenance needs at Piers 30-32, Pier 23 and several of the aprons and marginal wharves used for the Events. After the conclusion of the events, the City will complete the James R. Herman Cruise Ship Terminal and Northeast Wharf Plaza. A March 12, 2013 update from the Bay Area Council

Economic Institute projects that the America's Cup Events will generate \$900 million in direct San Francisco spending, creating 6,481 San Francisco jobs and producing \$13 million in tax receipts for the City and County of San Francisco.

Moscone Convention Center

The Moscone Center Expansion Project would add approximately 353,000 square feet to the portion of the existing Moscone Center located on Howard Street between 3rd and 4th Streets in the Yerba Buena Gardens neighborhood of San Francisco. Nearly half of this additional space (140,000 square feet) would be created by excavating and expanding the existing below-grade exhibition halls that connect the Moscone North and South buildings under Howard Street, with the remaining consisting of new and repurposed lobby area (approximately 43,000 ft²), new multi-purpose/meeting room area (approximately 84,000 square feet), and new and repurposed building support area (approximately 86,000 ft²). The project would also expand the existing above-grade Moscone North, South, and Esplanade buildings to enhance their public connection and presence on Howard Street and make the Moscone Center more pedestrian-oriented. The project also proposes two enclosed pedestrian bridges spanning across Howard Street connecting at level 2 of the Moscone North and South expansions while framing the main public arrival space between the two new buildings and providing enhanced off-street circulation for Moscone convention attendees.

In addition to adding new rentable square footage, the project architects seek to create an iconic sense of arrival that enhances Moscone's civic presence on Howard Street and reconnects it to the surrounding neighborhood through the creation of reintroduced lost mid-block passageways. As such, the project proposes two new, enclosed pedestrian bridges connecting the upper levels of the new Moscone North and Moscone South as well as an upgrade to the existing pedestrian bridge across Howard Street. This would help to frame the main public arrival space between the two new buildings, provide enhanced circulation for Moscone convention attendees, and reduce on-street congestion all while maintaining full-time elevated public access across Howard Street from Yerba Buena Gardens to the cultural facilities.

The project would not affect Yerba Buena Gardens, the cultural facilities (ice rink, bowling alley, carousel, and outdoor play area), Sister Cities Garden, MLK Memorial and Fountain, Yerba Buena Center for the Arts Gallery & Forum building, Yerba Buena Center for the Arts Theater, the existing restaurants Samovar and B, the Esplanade Ballroom or Moscone West though it would impact the Compass and Children's Gardens.

Without expansion, independent consultants predict that Moscone will lose up to \$2 billion in future revenue as competitor markets build larger, more contiguous exhibition spaces with more flexible meeting and ballroom spaces. The project allows the City to recover approximately \$734 million of this future revenue through a phased construction schedule that keeps Moscone in continuous revenue generating operation.

The proposed project is a joint partnership between the City and the hotel industry, acting through the Tourist Improvement District Management Corporation, with the City paying approximately one-third of all expansion costs and the hotel community paying approximately two-thirds. The project includes extensive community outreach to surrounding neighbors, businesses and affected parties. The Board of Supervisors unanimously approved the creation of the Moscone Expansion District and the issuance of \$507 million in Certificates of Participation on February 5, 2013. Project sponsors propose to initiate environmental review in early 2013 with the goal of starting construction in late 2014, continuing intermittently around existing convention reservations through 2018.

CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND EXPENDITURES

Several constitutional and statutory limitations on taxes, revenues and expenditures exist under State law which limits the ability of the City to impose and increase taxes and other revenue sources and to spend such revenues, and which, under certain circumstances, would permit existing revenue sources of the City to be reduced by vote of the City electorate. These constitutional and statutory limitations, and future limitations, if enacted, could potentially have an adverse impact on the City's general finances and its ability to raise revenue, or maintain existing revenue sources, in the future. However, *ad valorem* property taxes required to be levied to pay debt service on general obligation bonds was authorized and approved in accordance with all applicable constitutional limitations. A summary of the currently effective limitations is set forth below.

Article XIII A of the California Constitution

Article XIII A of the California Constitution, known as "Proposition 13," was approved by the California voters in June of 1978. It limits the amount of *ad valorem* tax on real property to 1% of "full cash value," as determined by the county assessor. Article XIII A defines "full cash value" to mean the county assessor's valuation of real property as shown on the 1975-76 tax bill under "full cash value," or thereafter, the appraised value of real property when "purchased, newly constructed or a change in ownership has occurred" (as such terms are used in Article XIII A) after the 1975 assessment. Furthermore, all real property valuation may be increased or decreased to reflect the inflation rate, as shown by the consumer price index or comparable data, in an amount not to exceed 2% per year, or may be reduced in the event of declining property values caused by damage, destruction or other factors. Article XIII A provides that the 1% limitation does not apply to *ad valorem* taxes to pay interest or redemption charges on 1) indebtedness approved by the voters prior to July 1, 1978, 2) any bonded indebtedness for the acquisition or improvement of real property approved on or after July 1, 1978, by two-thirds of the votes cast by the voters voting on the proposition, or 3) bonded indebtedness incurred by a school district or community college district for the construction, reconstruction, rehabilitation or replacement of school facilities or the acquisition or lease of real property for school facilities, approved by 55% of the voters of the district voting on the proposition, but only if certain accountability measures are included in the proposition.

The California Revenue and Taxation Code permits county assessors who have reduced the assessed valuation of a property as a result of natural disasters, economic downturns or other factors, to subsequently "recapture" such value (up to the pre-decline value of the property) at an annual rate higher or lower than 2%, depending on the assessor's measure of the restoration of value of the damaged property. The California courts have upheld the constitutionality of this procedure.

Since its adoption, Article XIII A has been amended a number of times. These amendments have created a number of exceptions to the requirement that property be assessed when purchased, newly constructed or a change in ownership has occurred. These exceptions include certain transfers of real property between family members, certain purchases of replacement dwellings for persons over age 55 and by property owners whose original property has been destroyed in a declared disaster, and certain improvements to accommodate persons with disabilities and for seismic upgrades to property. These amendments have resulted in marginal reductions in the property tax revenues of the City. Both the California State Supreme Court and the United States Supreme Court have upheld the validity of Article XIII A.

Article XIII B of the California Constitution

Article XIII B was enacted by California voters as an initiative constitutional amendment in November 1979. Article XIII B limits the annual appropriations from the proceeds of taxes of the State and any city, county, school district, authority or other political subdivision of the State to the level of appropriations for the prior fiscal year, as adjusted for changes in the cost of living, population, and services rendered by the governmental entity. However, no limit is imposed on the appropriation of local revenues and taxes to pay debt service on bonds existing or authorized by January 1, 1979, or subsequently authorized by the voters. Article XIII B includes a requirement that if an entity's revenues in any year exceed the amount permitted to be spent, the excess would have to be returned by revising tax or fee schedules over the next two years.

Articles XIII C and XIII D of the California Constitution

Proposition 218, an initiative constitutional amendment, approved by the voters of the State in 1996, added Articles XIII C and XIII D to the State Constitution, which affect the ability of local governments, including charter cities such as the City, to levy and collect both existing and future taxes, assessments, fees and charges. Proposition 218 does not affect the levy and collection of taxes for voter-approved debt. However, Proposition 218 affects the City's finances in other ways. Article XIII C requires that all new local taxes be submitted to the electorate for approval before such taxes become effective. Under Proposition 218, the City can only continue to collect taxes that were imposed after January 1, 1995 if voters subsequently approved such taxes by November 6, 1998. All of the City's local taxes subject to such approval have been either reauthorized in accordance with Proposition 218 or discontinued. The voter approval requirements of Article XIII C reduce the City's flexibility to manage fiscal problems through new, extended or increased taxes. No assurance can be given that the City will be able to raise taxes in the future to meet increased expenditure requirements.

In addition, Article XIII C addresses the initiative power in matters of local taxes, assessments, fees and charges. Pursuant to Article XIII C, the voters of the City could, by initiative, repeal, reduce or limit any existing or future local tax, assessment, fee or charge, subject to certain limitations imposed by the courts and additional limitations with respect to taxes levied to repay bonds. The City raises a substantial portion of its revenues from various local taxes which are not levied to repay bonded indebtedness and which could be reduced by initiative under Article XIII C. No assurance can be given that the voters of the City will disapprove initiatives that repeal, reduce or prohibit the imposition or increase of local taxes, assessments, fees or charges. See "OTHER CITY TAX REVENUES" herein, for a discussion of other City taxes that could be affected by Proposition 218.

With respect to the City's general obligation bonds (City bonds secured by *ad valorem* property taxes), the State Constitution and the laws of the State impose a duty on the Board of Supervisors to levy a property tax sufficient to pay debt service coming due in each year. The initiative power cannot be used to reduce or repeal the authority and obligation to levy such taxes which are pledged as security for payment of the City's general obligation bonds or to otherwise interfere with performance of the duty of the City with respect to such taxes which are pledged as security for payment of those bonds.

Article XIII D contains several provisions making it generally more difficult for local agencies, such as the City, to levy and maintain "assessments" (as defined in Article XIII D) for local services and programs. The City has created a number of special assessment districts both for neighborhood business improvement purposes and community benefit purposes, and has caused limited obligation bonds to be issued in 1996 to finance construction of a new public right of way. The City cannot predict the future impact of Proposition 218 on the finances of the City, and no assurance can be given that Proposition 218 will not have a material adverse impact on the City's revenues.

Statutory Limitations

On November 4, 1986, California voters adopted Proposition 62, an initiative statute that, among other things, requires (i) that any new or increased general purpose tax be approved by a two-thirds vote of the local governmental entity's legislative body and by a majority vote of the voters, and (ii) that any new or increased special purpose tax be approved by a two-thirds vote of the voters.

In *Santa Clara County Local Transportation Authority v. Guardino*, 11 Cal. 4th 220 (1995) (the "*Santa Clara* decision"), the California Supreme Court upheld a Court of Appeal decision invalidating a one-half cent countywide sales tax for transportation purposes levied by a local transportation authority. The California Supreme Court based its decision on the failure of the authority to obtain a two-thirds vote for the levy of a "special tax" as required by Proposition 62. The *Santa Clara* decision did not address the question of whether it should be applied retroactively. In *McBrearty v. City of Brawley*, 59 Cal. App. 4th 1441 (1997), the Court of Appeal, Fourth District, concluded that the *Santa Clara* decision is to be applied retroactively to require voter approval of taxes enacted after the adoption of Proposition 62 but before the *Santa Clara* decision.

The *Santa Clara* decision also did not decide, and the California Supreme Court has not otherwise decided, whether Proposition 62 applies to charter cities. The City is a charter city. Cases decided by the California Courts of Appeal have held that the voter approval requirements of Proposition 62 do not apply to certain taxes imposed by charter cities. See *Fielder v. City of Los Angeles*, 14 Cal. App. 4th 137 (1993) and *Fisher v. County of Alameda*, 20 Cal. App. 4th 120 (1993).

Proposition 62, as an initiative statute, does not have the same level of authority as a constitutional initiative, but is analogous to legislation adopted by the State Legislature, except that it may be amended only by a vote of the State's electorate. Since it is a statute, it is subordinate to the authority of charter cities to impose taxes derived from the State Constitution. Proposition 218 (discussed above), however, incorporates the voter approval requirements initially imposed by Proposition 62 into the State Constitution.

Even if a court were to conclude that Proposition 62 applies to charter cities, the City's exposure would be insignificant. The effective date of Proposition 62 was November 1986. Proposition 62 contains provisions that apply to taxes imposed on or after August 1, 1985. Since August 1, 1985, the City has collected taxes on businesses, hotel occupancy, utility use, parking, property transfer, stadium admissions and vehicle rentals. See "OTHER CITY TAX REVENUES" herein. Only the hotel and stadium admissions taxes have been increased since that date. The increases in these taxes were ratified by the voters on November 3, 1998 pursuant to the requirements of

Proposition 218. With the exception of the vehicle rental tax, the City continues to collect all of the taxes listed above. Since these remaining taxes were adopted prior to August 1, 1985, and have not been increased, these taxes would not be subject to Proposition 62 even if Proposition 62 applied to a charter city.

Proposition 1A

Proposition 1A, a constitutional amendment proposed by the State Legislature and approved by the voters in November 2004, provides that the State may not reduce any local sales tax rate, limit existing local government authority to levy a sales tax rate, or change the allocation of local sales tax revenues, subject to certain exceptions. As set forth under the laws in effect as of November 3, 2004, Proposition 1A generally prohibits the State from shifting any share of property tax revenues allocated to local governments for any fiscal year to schools or community colleges. Any change in the allocation of property tax revenues among local governments within a county must be approved by two-thirds of both houses of the Legislature. Proposition 1A provides, however, that beginning in fiscal year 2008-09, the State may shift to schools and community colleges up to 8% of local government property tax revenues, which amount must be repaid, with interest, within three years, if the Governor proclaims that the shift is needed due to a severe state financial hardship, the shift is approved by two-thirds of both houses and certain other conditions are met. The State may also approve voluntary exchanges of local sales tax and property tax revenues among local governments within a county.

Proposition 1A also provides that if the State reduces the annual vehicle license fee rate below 0.65% of vehicle value, the State must provide local governments with equal replacement revenues. Further, Proposition 1A requires the State to suspend State mandates affecting cities, counties and special districts, excepting mandates relating to employee rights, schools or community colleges, in any year that the State does not fully reimburse local governments for their costs to comply with such mandates.

Proposition 1A may result in increased and more stable City revenues. The magnitude of such increase and stability is unknown and would depend on future actions by the State. However, Proposition 1A could also result in decreased resources being available for State programs. This reduction, in turn, could affect actions taken by the State to resolve budget difficulties. Such actions could include increasing State taxes, decreasing aid to cities and spending on other State programs, or other actions, some of which could be adverse to the City.

Proposition 22

Proposition 22 ("Proposition 22") which was approved by California voters in November 2010, prohibits the State, even during a period of severe fiscal hardship, from delaying the distribution of tax revenues for transportation, redevelopment, or local government projects and services and prohibits fuel tax revenues from being loaned for cash-flow or budget balancing purposes to the State General Fund or any other State fund. In addition, Proposition 22 generally eliminates the State's authority to temporarily shift property taxes from cities, counties, and special districts to schools, temporarily increase a school and community college district's share of property tax revenues, prohibits the State from borrowing or redirecting redevelopment property tax revenues or requiring increased pass-through payments thereof, and prohibits the State from reallocating vehicle license fee revenues to pay for State-imposed mandates. In addition, Proposition 22 requires a two-thirds vote of each house of the State Legislature and a public hearing process to be conducted in order to change the amount of fuel excise tax revenues shared with cities and counties. Proposition 22 prohibits the State from enacting new laws that require redevelopment agencies to shift funds to schools or other agencies (but see "San Francisco Redevelopment Agency Dissolution" above). While Proposition 22 will not change overall State and local government costs or revenues by the express terms thereof, it will cause the State to adopt alternative actions to address its fiscal and policy objectives.

Due to the prohibition with respect to the State's ability to take, reallocate, and borrow money raised by local governments for local purposes, Proposition 22 supersedes certain provisions of Proposition 1A (2004). However, borrowings and reallocations from local governments during 2009 are not subject to Proposition 22 prohibitions. In addition, Proposition 22 supersedes Proposition 1A of 2006. Accordingly, the State is prohibited from borrowing sales taxes or excise taxes on motor vehicle fuels or changing the allocations of those taxes among local governments except pursuant to specified procedures involving public notices and hearings.

Proposition 26

On November 2, 2010, the voters approved Proposition 26 ("Proposition 26"), revising certain provisions of Articles XIII A and XIII C of the California Constitution. Proposition 26 re-categorizes many State and local fees as taxes, requires local governments to obtain two-thirds voter approval for taxes levied by local governments, and requires the State to obtain the approval of two-thirds of both houses of the State Legislature to approve State laws that increase taxes. Furthermore, pursuant to Proposition 26, any increase in a fee beyond the amount needed to provide the specific service or benefit is deemed to be a tax and the approval thereof will require a two-thirds vote. In addition, for State-imposed charges, any tax or fee adopted after January 1, 2010 with a majority vote which would have required a two-thirds vote if Proposition 26 were effective at the time of such adoption is repealed as of November 2011 absent the re-adoption by the requisite two-thirds vote.

Proposition 26 amends Article XIII C of the State Constitution to state that a "tax" means a levy, charge or exaction of any kind imposed by a local government, except (1) a charge imposed for a specific benefit conferred or privilege granted directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of conferring the benefit or granting the privilege; (2) a charge imposed for a specific government service or product provided directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of providing the service or product; (3) a charge imposed for the reasonable regulatory costs to a local government for issuing licenses and permits, performing investigations, inspections and audits, enforcing agricultural marketing orders, and the administrative enforcement and adjudication thereof; (4) a charge imposed for entrance to or use of local government property or the purchase rental or lease of local government property; (5) a fine, penalty, or other monetary charge imposed by the judicial branch of government or a local government as a result of a violation of law, including late payment fees, fees imposed under administrative citation ordinances, parking violations, etc.; (6) a charge imposed as a condition of property development; or (7) assessments and property related fees imposed in accordance with the provisions of Proposition 218. Fees, charges and payments that are made pursuant to a voluntary contract that are not "imposed by a local government" are not considered taxes and are not covered by Proposition 26.

Proposition 26 applies to any levy, charge or exaction imposed, increased, or extended by local government on or after November 3, 2010. Accordingly, fees adopted prior to that date are not subject to the measure until they are increased or extended or if it is determined that an exemption applies.

If the local government specifies how the funds from a proposed local tax are to be used, the approval will be subject to a two-thirds voter requirement. If the local government does not specify how the funds from a proposed local tax are to be used, the approval will be subject to a fifty percent voter requirement. Proposed local government fees that are not subject to Proposition 26 are subject to the approval of a majority of the governing body. In general, proposed property charges will be subject to a majority vote of approval by the governing body although certain proposed property charges will also require approval by a majority of property owners.

Future Initiatives

The laws and Constitutional provisions described above were each adopted as measures that qualified for the ballot pursuant to the State's initiative process. From time to time other initiative measures could be adopted, further affecting revenues of the City or the City's ability to expend revenues. The nature and impact of these measures cannot be anticipated by the City.

LITIGATION AND RISK MANAGEMENT

Pending Litigation

There are a number of lawsuits and claims routinely pending against the City, including those summarized in Note 16 to the City's CAFR as of June 30, 2011, attached as Appendix B to this Official Statement. Included among these are a number of actions which if successful would be payable from the City's General Fund. In the opinion of the City Attorney, such suits and claims presently pending will not impair the ability of the City to make debt service payments or otherwise meet its General Fund lease or debt obligations, nor materially impair the City's ability to fund current operations.

Risk Retention Program

Citywide risk management is coordinated by the Office of Risk Management Division within the City's General Services Agency, which is under the supervision of the City Administrator. With certain exceptions, it is the general policy of the City not to purchase commercial insurance for the risks of losses to which it is exposed but rather to first evaluate self-insurance for such risks. The City's policy in this regard is based on its analysis that it is more economical to manage its risks internally and administer, adjust, settle, defend, and pay claims from budgeted resources (i.e., "self-insurance"). The City obtains commercial insurance in certain circumstances, including when required by bond or lease financing covenants and for other limited purposes. The City actuarially determines liability and workers' compensation risk exposures as permitted under State law. The City does not maintain commercial earthquake coverage, with certain minor exceptions.

The City's property risk management approach varies depending on various factors including whether the facility is currently under construction or if the property is owned by a self-supporting enterprise fund department. For new construction projects, the City has utilized traditional insurance, owner-controlled insurance programs or contractor-controlled insurance programs. Under the latter two approaches, the insurance program provides coverage for the entire construction project. When a traditional insurance program is used, the City requires each contractor to provide its own insurance, while ensuring that the full scope of work be covered with satisfactory levels to limit the City's risk exposure. The majority of the City's commercial insurance coverage is purchased for enterprise fund departments and other similar revenue-generating departments (the Airport, MTA, the SF Public Utilities Commission, the Port and Convention Facilities, etc.). The remainder of the commercial insurance coverage is for General Fund departments that are required to provide coverage for bond-financed facilities, coverage for collections at City-owned museums and to meet statutory requirements for bonding of various public officials, and other limited purposes where required by contract or other agreement.

Through coordination with the City Controller and the City Attorney's Office, the City's general liability risk exposure is actuarially determined and is addressed through appropriations in the City's budget and also reflected in the CAFR. The appropriations are sized based on actuarially determined anticipated claim payments and the projected timing of disbursement.

The City actuarially estimates future workers' compensation costs to the City according to a formula based on the following: (i) the dollar amount of claims; (ii) yearly projections of payments based on historical experience; and (iii) the size of the department's payroll. The administration of workers' compensation claims and payouts are handled by the Workers' Compensation Division of the City's Department of Human Resources. The Workers' Compensation Division determines and allocates workers' compensation costs to departments based upon actual payments and costs associated with a department's injured workers' claims. Statewide workers' compensation reforms have resulted in City budgetary savings in recent years. The City continues to develop and implement programs to lower or mitigate workers' compensation costs. These programs focus on accident prevention, transitional return to work for injured workers, improved efficiencies in claims handling and maximum utilization of medical cost containment strategies.

The City's estimated liability and workers' compensation risk exposures are summarized in Note 16 to the City's CAFR, attached to this Official Statement as Appendix B.

INTRODUCTION FORM

By a member of the Board of Supervisors or the Mayor

Time Stamp or
Meeting Date

I hereby submit the following item for introduction:

- 1. For reference to Committee: Moscone Convention Leasing Resolution
An ordinance, resolution, motion, or charter amendment
- 2. Request for next printed agenda without reference to Committee
- 3. Request for hearing on a subject matter at Committee: _____
- 4. Request for letter beginning "Supervisor _____ inquires..."
- 5. City Attorney request
- 6. Call file from Committee
- 7. Budget Analyst request (attach written motion).
- 8. Substitute Legislation File Nos.
- 9. Request for Closed Session
- 10. Board to Sit as A Committee of the Whole
- 11. Question(s) submitted for Mayoral Appearance before the BOS on _____

Please check the appropriate boxes. The proposed legislation should be forwarded to the following:

- Small Business Commission
- Youth Commission
- Ethics Commission
- Planning Commission
- Building Inspection Commission

Note: For the Imperative Agenda (a resolution not on the printed agenda), use a different form.]

Sponsor(s): Supervisor Jane Kim

Subject: Lease Financing for Improvements to Moscone Convention Center

The text is listed below or attached:

Resolution providing for the sale of certificates of participation evidencing undivided, proportionate interests in the right to receive certain rental payments to be made to the City and County of San Francisco under a Lease Agreement to finance capital projects at the Moscone Convention Center; providing for the sale of the Certificates by competitive sale; approving the form and publication of an Official Notice of Sale and a Notice of Intention to Sell the Certificates; approving the form of a Preliminary Official Statement and the form and execution of an Official Statement relating to the sale of the Certificates; approving the form of a Continuing Disclosure Certificate; granting general authority to City officials to take necessary actions in connection with the execution, sale and delivery of the Certificates; approving modifications to documents; and ratifying previous actions taken in connection herewith.
