Chinatown Community Development Center

San Francisco, CA

03/31/2025

To the Zoning and Planning Committee,

I am writing on behalf of Chinatown Community Development Center (CCDC) regarding a proposal from Blue Stream Gallery, located at 555 Grant Avenue, to obtain a conditional use authorization with the San Francisco Planning Commission to add a Type 42 Alcoholic Beverage Control (ABC) license for the operation of a wine bar.

Chinatown Community Development Center (CCDC) mission is to build community and enhance the quality of life for San Francisco residents. CCDC is a place-based community development organization serving primarily the Chinatown neighborhood, and also serve other areas including North Beach and the Tenderloin. CCDC has many roles - as neighborhood advocates, organizers and planners, and as developers and managers of affordable housing. We are committed to the empowerment of low-income residents, diversity and coalition building, and social and economic justice.

Currently, Blue Stream Gallery operates under two existing ABC licenses:

1. **Type 20 License** – This license allows the sale of beer and wine for off-premises consumption.
2. **Type 86 License** – A license specifically for instructional tastings at off-sale licensed premises.

The principal owner and operator, Steven Lee, proposes adding a **Type 42 License**, which permits the sale of beer and wine for on-site consumption in a bar or tavern setting, but does not allow the sale of distilled spirits.

Blue Stream Gallery has been a vital asset to the Chinatown community for many years, playing a significant role in enhancing the vibrancy, safety, and appeal of this historic neighborhood. This new proposal aims to further support Chinatown's growth as a destination that serves both locals and tourists.

The proposed wine bar would bring several benefits to the community, including:

Chinatown Community  
Development Center

華協中心

- **Job Creation:** Generating employment opportunities for local residents.
- **Increased Vibrancy:** Adding energy and life to the Grant Street Corridor.
- **Community Connectivity:** Working alongside local nonprofits and fostering a stronger connection between locals and visitors.

We hope to continue to see Blue Stream Gallery thrive in Chinatown and continue to support the economic development in the neighborhood. We ask that you approve the conditional use authorization.

Sincerely,
