8 **community choice aggregation program for an additional term or terms not exceeding**
9 **10 years.**

10
11 Be it ordained by the People of the City and County of San Francisco:

12 Section 1. Background and Findings. The Board of Supervisors (the Board) of the City
13 hereby finds and declares as follows:

14 A. State law allows cities and counties to develop Community Choice Aggregation
15 (CCA) programs, through which local governments supply electricity to serve the needs of
16 participating customers within their jurisdictions while the existing utility continues to provide
17 services such as customer billing, transmission and distribution.

18 B. The City elected to implement a CCA program, CleanPowerSF, through the San
19 Francisco Public Utilities Commission (PUC), to provide San Francisco residents and
20 businesses the option to receive cleaner, more sustainable electricity at rates comparable to
21 PG&E’s rates. See Ordinance Nos. 86-04, 147-07, 232-09, 45-10, 200-12, 78-14 and 75-15;
22 and Resolution Nos. 348-12 and 331-13.

23 C. In Ordinance Nos. 75-15, 223-15, 8-18, 11-20, and pursuant to the provisions of
24 Section 21.43 of the Administrative Code as added by Ordinance No. 176-22, and for the
25

1 reasons stated therein, to provide the services of CleanPowerSF, the Board of Supervisors
2 has authorized the PUC to use certain standardized industry form contracts, PUC pro forma
3 contracts, and form contracts developed by the joint powers authority California Community
4 Power, for procurement of energy and energy-related products and to deviate from certain
5 otherwise applicable contracting requirements, subject to specified conditions. The Board also
6 delegated authority to the PUC General Manager (General Manager) to enter into agreements
7 with terms in excess of ten years or requiring expenditures of \$10,000,000 or more, subject to
8 specified conditions.

9 D. In Ordinance No. 8-18, and following the solicitation by the PUC for a bank
10 credit facility to provide credit support for purchases of electricity products for CleanPowerSF
11 services and for other program requirements, the Board further authorized the General
12 Manager, subject to the conditions specified in Ordinance No. 8-18, to enter into a bank
13 facility credit agreement with JPMorgan Chase Bank, N.A. (JPMorgan), the selected provider,
14 or another entity, and to waive certain standard City contract provisions and make
15 modifications to the standard City agreements so long as such modifications, in the judgment
16 of the General Manager and the City Attorney, did not materially decrease the City's rights or
17 materially increase its liabilities, all as specified in Ordinance No. 8-18. Among the conditions
18 applicable to such bank credit facility agreement as provided in Ordinance No. 8-18 was that
19 the total credit commitment under the bank credit facility agreement not exceed \$150 million
20 over the term of the agreement, and that the term of the agreement not exceed six years.

21 E. Under the authority granted by Ordinance No. 8-18, and authorized and
22 approved by Resolution No. 18-0012 adopted by the PUC on January 23, 2018, the PUC has
23 previously entered into a Credit Agreement dated as of March 29, 2018 as amended, and a
24 fee agreement as amended and restated, with JPMorgan (collectively, the Existing Bank
25

1 Credit Agreement), which Existing Bank Credit Agreement has a stated expiration date of
2 March 29, 2024.

3 F. The PUC anticipates having an ongoing need for uninterrupted access to a bank
4 credit facility to provide liquidity support, as needed, for authorized power purchases,
5 regulatory requirements, and other financial obligations for CleanPowerSF through letters of
6 credit or loans.

7 Section 2. Authorization to Amend, Extend or Replace Bank Credit Facility. The Board
8 hereby amends Ordinance No. 8-18 to extend the limitation on the term of the bank credit
9 facility agreement authorized to be entered into under Ordinance No. 8-18 for an additional
10 period or periods not exceeding ten years. The Board authorizes the General Manager to
11 enter into amendments and/or an amended and restated credit agreement with JPMorgan for
12 the extension of the Existing Bank Credit Agreement and/or a replacement bank credit facility
13 agreement with another entity; provided that (i) the total principal amount of the credit
14 commitment available under the bank credit facility agreement shall not at any time exceed
15 \$150 million, (ii) the term of bank credit facility agreement as amended or extended shall not
16 exceed ten years from the current stated expiration date of the Existing Bank Credit
17 Agreement; (iii) the agreements shall be approved by the PUC acting through its Commission
18 in a public meeting, which approval authority may be delegated by the Commission to the
19 General Manager, subject to conditions specified by the Commission in a public meeting;
20 (iv) the provider(s) of future replacement bank credit facilities as undertaken from time-to-time
21 shall be selected in accordance with City procurement processes as then in effect, and (v) all
22 other conditions established by the PUC Commission in its approval of such amendments
23 and/or amended and restated credit agreement or replacement bank credit facility agreements
24 shall be met.

1 All other terms and conditions of Ordinance No. 8-18 relating to the authorization of the
2 bank credit facility thereunder are hereby incorporated by reference as if set forth in full
3 herein, and except as amended by the terms of this Ordinance, Ordinance No. 8-18 remains
4 in full force and effect with respect thereto.

5 Section 3. General Authority. The Controller of the City, the Treasurer of the City, the
6 City Attorney, and all other appropriate officers, employees, representatives and agents of the
7 City, the PUC, and all other appropriate officers, employees, representatives and agents of
8 the PUC are hereby authorized and directed, jointly and severally, to take such actions and to
9 execute and deliver such certificates, agreements, requests and other documents, as they
10 may deem necessary or desirable to facilitate and carry out the provisions of this Ordinance.

11 Section 4. Ratification of Prior Actions. All actions authorized and directed by this
12 Ordinance in connection with the bank credit facility agreement and the amendment,
13 extension or replacement thereof, and heretofore taken are hereby ratified, approved, and
14 confirmed by this Board.

15 Section 5. Effective Date. This Ordinance shall become effective 30 days after
16 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
17 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
18 of Supervisors overrides the Mayor's veto of the ordinance.

LEGISLATIVE DIGEST

[Amending Authorizing Agreements - Bank Credit Facility for CleanPowerSF - Public Utilities Commission]

Ordinance amending Ordinance No. 8-18, to authorize the General Manager of the San Francisco Public Utilities Commission to enter into amendments and extensions of, or replacements for, the bank credit facility agreement authorized under Ordinance No. 8-18, to provide liquidity support, as needed, for power purchases, regulatory requirements, and other financial obligations of San Francisco's CleanPowerSF community choice aggregation program for an additional term or terms not exceeding 10 years.

Existing Law

Section 8B.124 of the Charter authorizes the San Francisco Public Utilities Commission (PUC) to issue revenue bonds, including notes, commercial paper, or other forms of indebtedness, when authorized by ordinance approved by a two-thirds vote of the Board of Supervisors. Such indebtedness may be issued for, amongst other purposes, any lawful purpose of the power utilities of the City. The Public Utilities Commission shall endeavor to finance power facilities that increase delivery of clean energy, enhance reliability and safety, and increase sustainability by incorporating technologies like energy storage and electric vehicle charging, as well as other technologies that become available.

On January 23, 2018 the Board of Supervisors approved Ordinance No. 8-18, delegating to the PUC General Manager authority to enter in credit agreement(s) for CleanPowerSF approved by the PUC with a maximum term of six years and a maximum credit commitment of up to \$150,000,000.

Amendments to Current Law

The amending ordinance extends the current authorization of the General Manager to enter into agreements to obtain credit support for the CleanPowerSF Program for an additional term or terms of ten years, with no change to the maximum authorized amount of \$150,000,000. The prior ordinance authorized the General Manager to enter into such agreements for a term or terms of six years.

Authority Granted

This ordinance would authorize the General Manager to enter into agreements to obtain credit support for the CleanPowerSF Program for an additional term or terms of ten years, with no change to the maximum authorized amount of \$150,000,000. All such credit agreements shall be approved by the PUC acting through its Commission in a public meeting. The provider(s) of future replacement bank credit facilities shall be selected in accordance with City contracting requirements and procurement processes as then in effect.

Background Information

The City, acting through the PUC, has implemented a program called CleanPowerSF. Under this program, the City provides electricity to participating customers at prices similar to PG&E's prices. PG&E continues to deliver the energy. CleanPowerSF uses more renewable and

greenhouse-gas free energy than PG&E does. This program is authorized by state law. See, e.g., Public Utilities Code § 366.2.

On January 23, 2018 the Board of Supervisors approved Ordinance No. 8-18, delegating to the General Manager authority to enter in credit agreement(s) for CleanPowerSF approved by the PUC with a maximum term of six years and a maximum credit commitment of up to \$150,000,000.

Under the authority provided by Ordinance No. 8-18, the PUC previously approved Resolution No. 18-0012 approving the form of, and authorizing the General Manager to enter into, a credit agreement and associated fee agreement (and amendments to such agreements) with JPMorgan Chase Bank with a not to exceed commitment amount of up to \$150,000,000 and term of up to six years to provide credit support to the CleanPowerSF program. The Credit Agreement was issued and used for several purposes, including providing: a) one or more standby letters of credit to secure certain payment obligations of CleanPowerSF pursuant to one or more Power Purchase Agreements, including early termination payments and monthly payment obligations; b) standby letters of credits to satisfy financial security requirements of interconnection agreements with PG&E for CleanPowerSF solar projects; c) a standby letter of credit to satisfy financial security requirements of the California Public Utilities Commission (CPUC) for Community Choice Aggregation (CCA) Programs such as CleanPowerSF, to provide assurance that costs associated with returning customers to the incumbent utility provided can be paid; and d) a revolving line of credit that can be drawn upon to meet other CleanPowerSF needs, as needed, although the Credit Agreement to date has not been drawn on for such purpose.

In March 2018, the PUC borrowed for the first time under the Credit Agreement, for an initial limited term of five years and a credit commitment of \$75,000,000. Between July 2019 and May 2022, the PUC entered into several amendments to the original March 2018 Agreement:

- Amendment 1 (July 2019)- The Credit Agreement was amended to incorporate revised reserve requirements as the CleanPowerSF program fully expanded. There was no change to the agreement commitment amount and terms.

- Amendment 2 (November 2021) The Credit Agreement was amended to provide for a decrease in the commitment amount from \$75,000,000 to \$20,000,000 and extended the agreement by one year from March 2023 to March 2024. Additional changes to the agreement included primarily, elimination of target reserve requirements, revisions to debt service coverage and rate-setting covenants, changes to on-going reporting requirements to JPMorgan Chase Bank, and elimination of and changes to certain events of default.

- Amendment 3 (May 2022) In May 2022, the PUC entered into amendments to eliminate and change certain financial covenants from the original Credit Agreement. Specifically, this amendment primarily eliminated the covenant for CleanPowerSF to maintain a specified debt service ratio and changed such financial covenant to commit CleanPowerSF to maintain a specified level of days liquidity on hand.

On December 12, 2023, the PUC Commission approved Resolution No. 23-0221 approving the requested form of the Ordinance amending Ordinance No. 8-18, as described here.

Concurrently with the approval of this Ordinance, the PUC Commission is being asked to authorize the General Manager to enter into new credit agreements with an initial credit commitment amount not to exceed \$75,000,000 (within the Ordinance scope amount of \$150,000,000.)

The extension of the Credit Agreement is needed for the following reasons:

1) Pursuant to the on-going power purchase agreements and potentially future agreements, standby letters of credit (LOCs) can be issued under the credit agreement to power providers as collateral if needed, in-lieu of the program posting cash. By providing such payment security to the power providers, the Credit Agreement has historically resulted in more favorable power contract pricing and low power costs for CleanPowerSF. The need for LOCs posted for this purpose has decreased since the CleanPowerSF received in December 2020, and currently maintains, an A2 issuer rating from Moody's. However, there is a possibility future power provides will require collateral postings.

2) CleanPowerSF posts financial security requirements to PG&E for certain interconnection agreements for CleanPowerSF solar projects on PUC facilities. The Credit Agreement will continue to provide CleanPowerSF with a revolving line of credit that would allow it to meet other working capital program needs, if required.

3) The CleanPowerSF program has posted a standby LOC to PG&E for a financial security requirement of the CPUC to cover associated costs of customers returning to the incumbent utility. This financial security requirement is expected remain in place indefinitely, and will increase substantially by the end of the calendar year (December 2023). The PUC awaits the final financial details about this security requirement from the CPUC.

Proposed Credit Agreement Amendment for CleanPowerSF Program

San Francisco Public Utilities Commission

Nikolai J. Sklaroff, Capital Finance Director

January 24, 2024

Summary

- The ordinance extends existing authority for the SFPUC to enter into credit agreements to provide liquidity support for power purchases, regulatory requirements, and other financial obligations
- Would extend the authority for 10 years
- No change is proposed in the \$150 million not-to-exceed amount or any other aspects of the authorization

Legislative History

Dates	Action
January 23, 2018	Board of Supervisors approved Ordinance 8-18, delegating to the General Manager authority to enter in credit agreement(s) for CleanPowerSF with a maximum term of six years and a maximum credit commitment of up to \$150,000,000.
January 23, 2018	The Commission approved resolution number 18-0012 authorizing the SFPUC to enter into a credit agreement and associated fee agreement with JP Morgan Chase Bank, with a not-to-exceed \$150,000,000 commitment and term of up to six years.
March 29, 2018	CleanPowerSF entered into a 5-year credit agreement, subsequently extended for an additional year expiring in March 2024 in an initial amount of \$75,000,000, but subsequently amended to \$20,000,000.
December 12, 2023	The Commission approved resolution number 23-0221 recommending this ordinance, amending Ordinance No. 8-18 extending the authorization of the General Manager to enter into agreements to provide credit support of the CleanPowerSF Program for a term of up to additional 10 years and not-to-exceed amount of \$150 million.

Why is Credit Support Needed?

Services of the San Francisco Public Utilities Commission

- Standby letters of credit secure certain payment obligations of CleanPowerSF and satisfy CPUC financial security requirements
- Credit facilities are used in lieu of posting cash to meet liquidity requirements providing more operating flexibility and an opportunity to earn more interest on cash reserves
- A revolving line of credit is also available to meet other working capital needs of CleanPowerSF if needed

CPUC Requirement

Services of the San Francisco Public Utilities Commission

- All community choice aggregation programs like CleanPowerSF are required by the CPUC to post a standby letter of credit for the benefit of the incumbent utility
- The requirement is in place to ensure that costs associated with returning customers to the incumbent utility will always be covered
- This requirement is expected to remain in place indefinitely and is expected to increase substantially pending a pending CPUC review process.

Thank you

City and County of San Francisco

RESOLUTION NO.: 18-0012

WHEREAS, State law allows cities and counties to establish community choice aggregation programs, through which local governments may choose to supply electricity to serve the needs of participating customers within their jurisdiction while existing investor-owned utilities continue to provide such service to existing customers, such as billing, transmission and distribution; and

WHEREAS, Pursuant to Board of Supervisors Ordinance 86-04, the City established a community choice aggregation program, called CleanPowerSF, pursuant to Public Utilities Code Sections 218.3, 331.1, 366, 366.2, 381.1, 394, and 394.25, finding that such program provides a means by which the City may ensure the provision of clean, reasonably priced, and reliable electricity to San Francisco residents and businesses, and provide a means for the City to increase the scale and cost-effectiveness of conservation, energy-efficiency and renewable energy in the City, and CleanPowerSF has been established as a "Separate System" from the Commission's Power Enterprise and all other enterprises of the Commission; and

WHEREAS, On May 12, 2015, by Commission Resolution 15-0112, the Commission approved initial not-to-exceed rates and a rate-setting methodology for CleanPowerSF; and

WHEREAS, On May 28, 2015, Board of Supervisors Ordinance No. 75-15 became effective, which authorized the General Manager to use certain pro forma contracts, such as the Western System Power Pool agreement and the Edison Electric Institute agreement, to purchase electricity, and authorized the Commission within specified parameters to approve agreements with terms in excess of 10 years or requiring expenditures of \$10,000,000 or more, for renewable and greenhouse gas-free energy supplies from facilities in California; and

WHEREAS, On October 27, 2015, by Commission Resolution 15-0222, the Commission approved the selection of a pool of qualified respondents to the CleanPowerSF Request for Offers of Power Supplies, and authorized the General Manager to negotiate and execute one or more contracts with the approved pool and to seek approval from the Board of Supervisors, to the extent required; and

WHEREAS, On December 8, 2015, by Commission Resolution 15-0269, the Commission approved the form of a Standby Letter of Credit and associated agreements with JP Morgan Chase Bank, National Association for a not-to-exceed principal amount of \$40,000,000 in support of the CleanPowerSF Program, and authorized the General Manager to negotiate final terms of and execute the Standby Letter of Credit and that the associated agreements were entered into and certain Standby Letters of Credit were delivered; and

WHEREAS, An ordinance is pending before the Board of Supervisors in Board of Supervisors File No. 171172 which, if approved, would authorize the Commission to enter into one or more power purchase agreements with power providers ("Contracts") and under the Contracts, CleanPowerSF will be required to make payments that could be in the tens of millions of dollars; and

WHEREAS, CleanPowerSF may have certain working capital needs as part of conducting its normal business activities, and such working capital needs could be in the tens of millions of dollars; and

WHEREAS, In order to secure the obligations of CleanPowerSF to make any such Contract payments and to enable CleanPowerSF to enter into working capital loans, the PUC issued a Request for Proposals (RFP) in July 2017 to qualified banks to provide a credit agreement in a principal amount not to exceed \$150,000,000 (“Credit Agreement”); and

WHEREAS, After an evaluation of the responses to the RFP, Commission staff determined that JPMorgan Chase Bank, National Association (“JPMorgan”) provided the most advantageous terms to the Commission; and

WHEREAS, The form of the Credit Agreement, and a related fee agreement (the “Fee Agreement”), proposed to be entered into by the Commission and JPMorgan have been presented to the Commission, and the Commission finds it in its best interest to enter into such agreements; and

WHEREAS, CleanPowerSF will undertake to pay all of the obligations under the Credit Agreement, including but not limited to, the costs of any payments to JPMorgan, including the annual standby letter of credit fee and repayment of principal and interest on working capital loans, and the costs and expenses of any term loan; and

WHEREAS, The ordinance pending before the Board of Supervisors in File No. 171172 authorizes the General Manager, subject to Commission approval, to enter into a bank credit agreement in support of CleanPowerSF’s expansion for a principal amount not to exceed \$150,000,000 and a term not to exceed six years, and therefore this Commission’s approval of the proposed Credit Agreement and associated Fee Agreement is contingent upon subsequent Board of Supervisors approval of that ordinance; and

WHEREAS, The proposed Credit Agreement and associated Fee Agreement does not constitute a “project” under California Environmental Quality Act (CEQA) Guidelines Section 15378(b)(4) because this approval would constitute the creation of a government funding mechanism which does not involve any commitment to a specific project which may result in a potentially significant physical change in the environment; now, therefore, be it

RESOLVED, Subject to approval by the Board of Supervisors of the ordinance in Board of Supervisors File No. 171172, the Credit Agreement and the Fee Agreement, in substantially the forms submitted to this Commission, are approved and the Commission hereby authorizes the General Manager to enter into the Credit Agreement, together with associated Fee Agreement, with JP Morgan Chase Bank in an aggregate principal amount not to exceed \$150,000,000, with a term not to exceed six years, to secure payments arising under any Contract entered into in connection with CleanPowerSF and to enter into working capital loans, provided that the annual credit facility fee payable to JPMorgan shall not exceed \$3,375,000 per year in the aggregate; and be it

FURTHER RESOLVED, The General Manager or his or her designee, and in consultation with the City Attorney, is hereby authorized to execute such other agreements, certifications or documents and to take any and all necessary action in furtherance of the actions hereby approved, such approval to be conclusively evidenced by the execution and delivery of such documents; and be it

FURTHER RESOLVED, The General Manager is further authorized, in consultation with the City Attorney, to execute amendments to the Credit Agreement and/or Fee Agreement provided that no terms are changed which would increase the financial risk to the Commission, or increase the aggregate principal amount beyond \$150,000,000, the credit facility fee beyond \$3,375,000 per year in the aggregate, or the term beyond six years; and be it

FURTHER RESOLVED, That this Commission makes the following finding in compliance with the California Environmental Quality Act ("CEQA"), California Public Resources Code Sections 21000 et seq., the CEQA Guidelines, 15 Cal. Administrative Code Sections 15000 et seq., (the "CEQA Guidelines"), and San Francisco Administrative Code Chapter 31 that obtaining credit support for CleanPowerSF is not subject to CEQA because as the establishment of a government financing mechanism to secure power purchases, it does not identify individual specific projects to be constructed with the funds, it is not a project as defined by CEQA and the CEQA Guidelines; and be it

FURTHER RESOLVED, The General Manager is authorized to delegate any of the responsibilities or duties authorized in this resolution to the Assistant General Manager, Business Services and Chief Financial Officer of the Commission; and be it

FURTHER RESOLVED, All actions heretofore taken by the officials, employees and agents of the Commission with respect to obtaining credit support for CleanPowerSF are hereby approved, confirmed and ratified; and be it

RESOLVED, This resolution shall take effect from and after its adoption.

I hereby certify that the foregoing resolution was adopted by the Public Utilities Commission at its meeting of January 23, 2018.

City and County of San Francisco

RESOLUTION NO. 23-0221

WHEREAS, The San Francisco Board of Supervisors (Board) established a community choice aggregation (CCA) program in 2004 (Ordinance 86-04) and has implemented the program, called CleanPowerSF, through the work of the San Francisco Public Utilities Commission (SFPUC) in consultation with the San Francisco Local Agency Formation Commission (Ordinances 146-07, 147-07, and 232-09); and

WHEREAS, In order to provide the services of CleanPowerSF, the SFPUC engages in a continual process of procuring power and simultaneously negotiating a mix of short-, medium-, and long-term contracts for a diverse supply of energy and energy-related products with multiple suppliers (Contracts), all in an expedited time frame consistent with regulatory deadlines in order to meet regulatory requirements, secure the best possible prices and terms, keep rates affordable and competitive, and manage procurement risk; and

WHEREAS, The SFPUC has an ongoing need for access to a bank credit facility to secure the obligations of CleanPowerSF to make authorized Contract payments, to meet regulatory requirements, and for other financial obligations for CleanPowerSF, through letters of credit or loans; and

WHEREAS, In order to provide liquidity support, as needed, for authorized power purchase Contracts, to meet regulatory requirements and to enable CleanPowerSF to enter into working capital loans as part of conducting its normal business activities, in Board of Supervisors Ordinance No. 8-18, the Board authorized the General Manager to enter into a bank facility credit agreement with JPMorgan Chase Bank, National Association (JPMorgan) or another entity, subject to the conditions specified in Board of Supervisors Ordinance No. 8-18, including that the total credit commitment under the bank credit facility agreement not exceed \$150 million over the term of the agreement, and that the term of the agreement not exceed six years; and

WHEREAS, The six-year term authorized under Ordinance No. 8-18 currently expires at the end of March 2024. To ensure that the desired essential liquidity support continues to be available on an uninterrupted basis, the SFPUC now seeks to submit to the Board of Supervisors a proposed amendment to Board of Supervisors Ordinance No. 8-18 (the Proposed Ordinance Amendment) to authorize the General Manager to enter into amendments to or an amended and restated credit agreement with JPMorgan or a replacement bank credit facility with another entity, with a total credit commitment under the bank credit facility agreement not exceeding \$150 million and for an additional period or periods not exceeding ten years; and

WHEREAS, This action does not constitute a “project” under the California Environmental Quality Act Guidelines section 15378(b)(4) because approval of the Proposed Ordinance Amendment would constitute the creation of a government funding mechanism which does not involve any commitment to a specific project which may result in a potentially significant physical change in the environment; now, therefore, be it

RESOLVED, the Commission hereby approves the form of the Proposed Ordinance Amendment and authorizes the General Manager to direct its advancement for consideration by the Board of Supervisors, with any non-material changes that the General Manager deems necessary to accomplish the purposes of this resolution; and be it

FURTHER RESOLVED, The General Manager is authorized to delegate any of the responsibilities or duties authorized in this resolution to the Assistant General Manager, Business Services and Chief Financial Officer of the Commission; and be it

FURTHER RESOLVED, This resolution shall take effect from and after its adoption.

I hereby certify that the foregoing resolution was adopted by the Public Utilities Commission at its meeting of December 12, 2023.

Within the foregoing limits and subject to the terms and conditions set forth herein, the Commission may borrow, prepay and reborrow Loans.

Section 2.2 **Loans and Borrowings.**

(a) Subject to Section 2.4(d), Section 2.5(d) and Section 2.11, at the time of each Borrowing, the Commission may elect to incur a Loan as an ABR Loan or a Eurodollar Loan.

(b) At the commencement of each Interest Period for any Eurodollar Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$100,000 and not less than \$1,000,000. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of \$25,000 and not less than \$100,000; provided that an ABR Borrowing may be in an aggregate amount that is equal to the entire unused balance of the Commitment or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.4(d). Borrowings of more than one Type may be outstanding at the same time; provided that there shall not at any time be more than a total of 10 Eurodollar Borrowings outstanding.

(c) Notwithstanding any other provision of this Agreement, the Commission shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

Section 2.3 **Requests for Revolving Borrowings.** To request a Borrowing, the Commission shall notify the Bank of such request by telephone (a) in the case of a Eurodollar Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 11:00 a.m., New York City time, one Business Day before the date of the proposed Borrowing; provided that any such notice of an ABR Borrowing to finance the reimbursement of an LC Disbursement as contemplated by Section 2.4(d) may be given not later than 10:00 a.m., New York City time, on the date of the proposed Borrowing. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Commission to, or entered into by the Commission with, the Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. Notwithstanding anything herein to the contrary, the Bank shall have no obligation hereunder to issue, and shall not issue, any Letter of Credit the proceeds of which would be made available to any Person (i) to fund any activity or business of or with any Sanctioned Person, or in any country or territory that, at the time of such funding, is the subject of any Sanctions or (ii) in any manner that would result in a violation of any Sanctions by any party to this Agreement.

(b) **Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions.** To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Commission shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the Bank) to the Bank (reasonably in advance of the requested date of issuance, amendment, renewal or extension, but in any event no less than five Business Days) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the Bank, the Commission also shall submit a letter of credit application on the Bank’s standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Commission shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension the Revolving Credit Exposure shall not exceed the Commitment. Notwithstanding the preceding requirements of this

Section 2.4(b), the Bank acknowledges that it has received all of the information it has requested in order to amend the Existing JPMorgan Letters of Credit on the Closing Date.

(c) Expiration Date. Unless otherwise expressly agreed to by the Bank, each Letter of Credit shall expire (or be subject to termination by notice from the Bank to the beneficiary thereof) at or prior to the close of business on the date that is five Business Days prior to the Maturity Date.

(e) Obligations Absolute. The Commission's obligation to reimburse LC Disbursements as provided in paragraph (d) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Commission's obligations hereunder. Neither the Bank nor any of its Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Bank; provided that the foregoing shall not be construed to excuse the Bank from liability to the Commission to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Commission to the extent permitted by applicable law) suffered by the Commission that are caused by the Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or wilful misconduct on the part of the Bank (as finally determined by a court of competent jurisdiction), the Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in

substantial compliance with the terms of a Letter of Credit, the Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(f) Disbursement Procedures. The Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Bank shall promptly notify the Commission by telephone (confirmed by telecopy) of such demand for payment and whether the Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Commission of its obligation to reimburse the Bank with respect to any such LC Disbursement.

(g) Interim Interest. If the Bank shall make any LC Disbursement, then, unless the Commission shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the reimbursement is due and payable at the rate per annum set forth in Section 2.10(d) for ABR Loans and such interest shall be due and payable on the date when such reimbursement is payable.

Section 2.5 Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Commission may elect to convert such Borrowing (other than an ABR Borrowing of a Reimbursement Loan) to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Commission may elect different options with respect to different portions of the affected Borrowing (other than an ABR Borrowing of a Reimbursement Loan) and the Loan comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Commission shall notify the Bank of such election by telephone by the time that a Borrowing Request would be required under Section 2.3 if the Commission were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Bank of a written Interest Election Request in a form approved by the Bank and signed by the Commission.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.2:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Commission shall be deemed to have selected an Interest Period of one month's duration.

(d) If the Commission fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Bank so notifies the Commission, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing and (ii) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto; provided, however, that the actions specified in clauses (i) and (ii) immediately above shall apply automatically without notice from the Bank if the Event of Default that has occurred and is continuing is an Event of Default described in Section 6.1(e) or Section 6.1(f).

Section 2.6 **Termination and Reduction of Commitment.**

(c) The Commission shall notify the Bank of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Each notice delivered by the Commission pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitment delivered by the Commission may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Commission (by notice to the Bank on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitment shall be permanent.

Fiscal Year. The entries made in such account or accounts shall be *prima facie* evidence of the existence and amounts of the obligations recorded therein; provided that the failure of the Bank to maintain such account or accounts or any error therein shall not in any manner affect the obligation of the Commission to repay the Loans in accordance with the terms of this Agreement.

(c) The Bank may request that Loans made by it be evidenced by a promissory note. In such event, the Commission shall prepare, execute and deliver to the Bank a promissory note payable to the Bank and in a form approved by the Bank. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 7.3) be represented by one or more promissory notes in such form.

Section 2.8 **Prepayment of Loans.**

(a) The Commission shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with paragraph (b) of this Section.

Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.6, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.6. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.2. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.10.

Section 2.9 **Fees**. The Commission agrees to pay to the Bank the fees and other amounts set forth in the Fee Agreement at the time and in the manner set forth in the Fee Agreement. The Fee Agreement is, by this reference, incorporated herein in its entirety as if set forth herein in full. All fees and other amounts payable under the Fee Agreement shall be paid in immediately available funds. Fees paid shall not be refundable under any circumstances.

Section 2.10 **Interest**.

(a) The Loans comprising each ABR Borrowing (other than Reimbursement Loans) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) The Reimbursement Loans shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(d) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Commission hereunder or under the Fee Agreement is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate *per annum* equal to (i) in the case of overdue principal of any Loan, 3% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 3% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.

(e) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and upon termination of the Commitment; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Bank, and such determination shall be conclusive absent manifest error.

(g) Anything herein to the contrary notwithstanding, the amount of interest payable hereunder for any interest period shall not exceed the Maximum Rate. If for any interest period the applicable interest rate would exceed the Maximum Rate, then (i) such interest rate will not exceed but will be capped at such Maximum Rate and (ii) in any interest period thereafter that the applicable interest rate is less than the Maximum Rate, any Obligation hereunder will bear interest at the Maximum Rate until the earlier of (x) payment to the Bank of an amount equal to the amount which would have accrued but for the limitation set forth in this Section and (y) the Maturity Date.

Upon the Maturity Date or, if no Revolving Credit Exposure is outstanding, on the date the Commitment is permanently terminated, in consideration for the limitation of the rate of interest otherwise payable hereunder, to the extent permitted by Applicable Law, the Commission shall pay to the Bank a fee in an amount equal to the amount which would have accrued but for the limitation set forth in this Section 2.10(g) that has not previously been paid to the Bank in accordance with the immediately preceding sentence.

Section 2.11 **Alternate Rate of Interest.**

(a) If prior to the commencement of any Interest Period for a Eurodollar Borrowing, the Bank determines (which determination shall be conclusive absent manifest error) that (i) adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period, or (ii) the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to the Bank of making or maintaining its Loan included in such Borrowing for such Interest Period; then the Bank shall give notice thereof to the Commission by telephone or teletype as promptly as practicable thereafter and, until the Bank notifies the Commission that the circumstances giving rise to such notice no longer exist, (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective, and (B) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

(b) If at any time the Bank determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in clause (a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) have not arisen but the supervisor for the administrator of the LIBO Screen Rate or a Governmental Authority having jurisdiction over the Bank has made a public statement identifying a specific date after which the LIBO Screen Rate shall no longer be used for determining interest rates for loans, then the Bank and the Commission shall endeavor to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Until an alternate rate of interest shall be determined in accordance with this clause (b) (but, in the case of the circumstances described in clause (ii) of the first sentence of this Section 2.11(b), only to the extent the LIBO Screen Rate for such Interest Period is not available or published at such time on a current basis), (x) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective, or (y) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing; provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement.

Section 2.12 **Increased Costs.**

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other

assessment) against assets of, deposits with or for the account of, or credit extended by, the Bank (except any such reserve requirement reflected in the Adjusted LIBO Rate);

(ii) impose on the Bank or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by the Bank or any Letter of Credit; or

(iii) subject the Bank to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to the Bank of making, continuing, converting or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to the Bank of issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by the Bank hereunder (whether of principal, interest or otherwise), then the Commission will pay to the Bank such additional amount or amounts as will compensate the Bank for such additional costs incurred or reduction suffered.

(b) If the Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on the Bank's capital or on the capital of the Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or the Letters of Credit issued by, the Bank, to a level below that which the Bank or the Bank's holding company could have achieved but for such Change in Law (taking into consideration the Bank's policies and the policies of the Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Commission will pay to the Bank such additional amount or amounts as will compensate the Bank or the Bank's holding company for any such reduction suffered.

(c) A certificate of the Bank setting forth the amount or amounts necessary to compensate the Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Commission and shall be conclusive absent manifest error. The Commission shall pay the Bank, as the case may be, the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Failure or delay on the part of the Bank to demand compensation pursuant to this Section shall not constitute a waiver of the Bank's right to demand such compensation; provided that the Commission shall not be required to compensate the Bank pursuant to this Section for any increased costs or reductions incurred more than 270 days prior to the date that the Bank notifies the Commission of the Change in Law giving rise to such increased costs or reductions and of the Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.13 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto or (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto (regardless of

whether such notice may be revoked under Section 2.8(b) and is revoked in accordance therewith), then, in any such event, the Commission shall compensate the Bank for the loss, cost and expense attributable to such event. In the case of a Eurodollar Loan, such loss, cost or expense to the Bank shall be deemed to include an amount determined by the Bank to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which the Bank would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of the Bank setting forth any amount or amounts that the Bank is entitled to receive pursuant to this Section shall be delivered to the Commission and shall be conclusive absent manifest error. The Commission shall pay the Bank the amount shown as due on any such certificate within 30 days after receipt thereof.

Section 2.14 **Payments Free of Taxes.**

(a) Any and all payments by or on account of any obligation of the Commission under any Basic Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of the Commission) requires the deduction or withholding of any Tax from any such payment by the Commission, then the Commission shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Commission shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.14) the Bank receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) The Commission shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Bank timely reimburse the Bank for, Other Taxes.

(c) As soon as practicable after any payment of Taxes by the Commission to a Governmental Authority pursuant to this Section 2.14, the Commission shall deliver to the Bank the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Bank.

(d) The Commission shall indemnify the Bank, within 30 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by the Bank or required to be withheld or deducted from a payment to the Bank and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Commission by the Bank shall be conclusive absent manifest error.

(e) If the Bank determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.14 (including by the payment of additional amounts pursuant to this Section 2.14), it shall pay to the Commission an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.14 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Bank and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). The Commission, upon the request of the Bank, shall repay to the Bank the amount paid over pursuant to this paragraph (e) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that the Bank is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (e), in no event will the Bank be required to pay any amount to the Commission pursuant to this paragraph (e) the payment of which would place the Bank in a less favorable net after-Tax position than the Bank would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require the Bank to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Commission or any other Person.

(f) Each party's obligations under this Section 2.14 shall survive any assignment of rights by the Bank, the termination of the Commitment and the repayment, satisfaction or discharge of all obligations under any Basic Document.

(g) For purposes of this Section 2.14, the term "*applicable law*" includes FATCA.

Section 2.15 **Payments Generally.**

(a) The Commission shall make each payment required to be made by it hereunder or under the Fee Agreement (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.12, 2.13 or 2.14, or otherwise) prior to 12:00 noon, New York City time, on the date when due, in immediately available funds, without set off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Bank, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Bank at its offices at 270 Park Avenue, New York, New York, except that payments pursuant to Sections 2.12, 2.13, 2.14 and 7.5 shall be made directly to the Persons entitled thereto. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Bank to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, and (ii) second, ratably towards payment of principal and unreimbursed LC Disbursements then due hereunder.

Section 2.16 **Mitigation Obligation.** If the Bank requests compensation under Section 2.12, or if the Commission is required to pay any Indemnified Taxes or additional amounts to the Bank or any Governmental Authority for the account of the Bank pursuant to Section 2.14,

then the Bank shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of the Bank, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Sections 2.12 or 2.14, as the case may be, in the future and (ii) would not subject the Bank to any unreimbursed cost or expense and would not otherwise be disadvantageous to the Bank. The Commission hereby agrees to pay all reasonable costs and expenses incurred by the Bank in connection with any such designation or assignment.

Section 2.17 **Extension of Commitment Period.** The Maturity Date may be extended an unlimited number of times, in each case in the manner set forth in this Section 2.17. Upon receipt of written request of the Commission to extend the Maturity Date, received not less than one hundred twenty (120) days prior to the then current Maturity Date, the Bank will use its commercially reasonable efforts to notify the Commission of its response within thirty (30) days of receipt of the request therefor (the Bank's decision to be made in its sole and absolute discretion and on such terms and conditions as to which the Bank and the Commission may agree); provided, however, that the failure of the Commission to receive a written confirmation from the Bank within the time established therefor shall be deemed a denial of such request. Any extension of the Maturity Date will be deemed to be on the existing terms of this Agreement unless the Bank and the Commission have entered into a written agreement confirming a change in any term of this Agreement.

Section 2.18 **Pledge; Security of Obligations.** The CleanPowerSF Net Revenues are hereby pledged by the Commission to the payment of the Obligations without priority or distinction of one Obligation over another Obligation. The pledge of the CleanPowerSF Net Revenues herein made shall be irrevocable until the Commitment has expired or been terminated and the principal of and interest on each Loan and all fees payable hereunder shall have been paid in full and all Letters of Credit shall have expired or terminated, in each case, without any pending draw, and all LC Disbursements shall have been reimbursed. Notwithstanding any other provision of this Agreement to the contrary, all Obligations are limited obligations of the Commission payable solely from CleanPowerSF Revenues.

ARTICLE 3

CONDITIONS PRECEDENT

Section 3.1 **Conditions Precedent to Effectiveness.** The obligation of the Bank to make Loans and to issue Letters of Credit (including the amendments to the Existing JPMorgan Letters of Credit) hereunder shall not become effective until the date on which each of the following conditions is satisfied:

(a) *Opinions.* The Bank has received (i) an opinion of the City Attorney of the City dated the Closing Date and addressed to the Bank (or on which the Bank may rely) to the effect that (A) the Commission is duly organized and validly existing as a commission of the City pursuant to the Charter with full legal power and authority to execute and deliver the Basic Documents; (B) the Basic Documents executed by the Commission on or prior to the Closing Date are valid and binding agreements of the Commission enforceable against the Commission in accordance with their respective terms, subject to bankruptcy, insolvency, moratorium or other laws affecting creditors' rights, to general principles of equity and to limitations on remedies

against public agencies; (C) no authorization, approval, consent or order of any agency or body having jurisdiction over the Commission (including the California Public Utilities Commission and the California Independent System Operator) is required in connection with the CCA Program, the IP or the execution and delivery of the Basic Documents which has not been obtained; (D) the execution, delivery and performance of the Basic Documents do not conflict with any law or material agreements to which the Commission is a party or cause a default under any material documents to which the Commission is a party; and (E) no litigation is pending or, to the best knowledge of the City Attorney, threatened against the Commission threatening its existence or power, the CCA Program, the IP or the power and authority of the Commission to enter into and perform its obligations under the Basic Documents or in which a final adverse decision could materially adversely affect the business, operations or financial condition of the Commission, such opinion (or, in lieu thereof, a reliance letter) to be addressed to the Bank, dated the Closing Date and in form and substance satisfactory to the Bank; and (ii) an opinion of Orrick Herrington & Sutcliffe LLP, special counsel to the Commission, dated the Closing Date and addressed to the Bank in the form attached hereto as Exhibit B.

(b) *Documents.* The Bank has received executed copies of the Basic Documents executed by the Commission on or prior to the Closing Date certified by the Secretary of the Commission, the Clerk of the Board or any Authorized Representative or the Board, as applicable, as being complete and in full force and effect on and as of the Closing Date.

(c) *Defaults; Representations and Warranties.* On and as of the Closing Date, the representations of the Commission set forth in Article Four hereof are true and correct in all material respects on and as of the Closing Date with the same force and effect as if made on and as of such date and no Default or Event of Default has occurred and is continuing or would result from the execution and delivery of this Agreement and the Fee Agreement.

(d) *No Litigation.* No action, suit, investigation or proceeding is pending or, to the knowledge of the Commission, threatened (i) in connection with the CCA Program, the IP or the Basic Documents or any transactions contemplated thereby or (ii) against or affecting the Commission, the result of which could have a material adverse effect on the business, operations or condition (financial or otherwise) of the Commission or its ability to perform its obligations under the Basic Documents.

(e) *No Material Adverse Change.* Since the date of the 2017 Audited Financial Statements, (i) no material adverse change has occurred in the status of the business, operations or condition (financial or otherwise) of the Commission or its ability to perform its obligations under the Basic Documents and (ii) no law, regulation, ruling or other action (or interpretation or administration thereof) of the United States, the State of California or any political subdivision or authority therein or thereof is in effect or has occurred, the effect of which would be to prevent the Bank from fulfilling its obligations under this Agreement or the Letters of Credit.

(f) *Certificate.* The Bank has received (i) certified copies of all proceedings of the Commission authorizing the execution, delivery and performance of the Basic Documents and the transactions contemplated thereby and (ii) a certificate or certificates of one or more Authorized Representatives dated the Closing Date certifying the accuracy of the statements made in Section 3.1(c), (d), (e) and (i) hereof and further certifying the name, incumbency and signature of each individual authorized to sign this Agreement, the Fee Agreement and the other documents or certificates to be delivered by the Commission pursuant hereto or thereto, on which certification

the Bank may conclusively rely until a revised certificate is similarly delivered, and that the conditions precedent set forth in this Section 3.1 have been satisfied.

(g) *Payment of Fees; Existing JPMorgan Obligations.* The Bank has received all fees and expenses due and payable to the Bank and/or its legal counsel pursuant to the Fee Agreement. All Existing JPMorgan Obligations shall have been paid in full in immediately available funds.

(k) *Other Matters.* The Bank has received such other statements, certificates, agreements, documents and information with respect to the Commission and matters contemplated by this Agreement as the Bank may have requested.

The execution and delivery of this Agreement by the Bank signifies its satisfaction with the conditions precedent set forth in this Section 3.1.

Section 3.2 **Conditions Precedent to Each Credit Event.** The obligation of the Bank to make a Loan on the occasion of any Borrowing, and of the Bank to issue, amend, renew or extend any Letter of Credit, is subject to the satisfaction of the following conditions:

(a) The representations and warranties of the Commission set forth in this Agreement shall be true and correct on and as of the date of such Borrowing or the date of issuance, amendment, renewal or extension of such Letter of Credit, as applicable.

(b) At the time of and immediately after giving effect to such Borrowing or the issuance, amendment, renewal or extension of such Letter of Credit, as applicable, no Default or Suspension Event shall have occurred and be continuing.

Each Borrowing and each issuance, amendment, renewal or extension of a Letter of Credit shall be deemed to constitute a representation and warranty by the Commission on the date thereof as to the matters specified in paragraphs (a) and (b) of this Section.

ARTICLE 4

REPRESENTATIONS AND WARRANTIES

In order to induce the Bank to issue the Letters of Credit, the Commission represents and warrants to the Bank as follows:

Section 4.1 **Organization, Powers, Etc.** The Commission (a) is a commission of the City and County of San Francisco organized and existing under the Charter; (b) has the full legal right, power and authority to (i) own and operate the CleanPowerSF Program and control its

properties and to carry on its business as now conducted and as contemplated to be conducted, including without limitation, by the CCA Program and the IP, (ii) execute, deliver and perform its obligations under the Basic Documents and (iii) provide for the security of this Agreement and the Fee Agreement pursuant to the Charter; and (c) has complied with all Laws in all matters related to such actions of the Commission as are contemplated by the CCA Program, the IP and the Basic Documents. The CleanPowerSF Program is a Separate System.

Section 4.2 **Authorization, Absence of Conflicts, Etc.** The adoption of the CCA Program, the implementation of the IP and the execution, delivery and performance by the Commission of the Basic Documents (a) have been duly authorized by all necessary action on the part of the Commission, (b) do not conflict with, or result in a violation of, any Laws, including the Charter, or any order, writ, rule or regulation of any court or governmental agency or instrumentality binding upon or applicable to the Commission which violation would result in a material adverse impact on the CleanPowerSF Program and (c) do not conflict with, result in a violation of, or constitute a default under, any resolution, agreement or instrument to which the Commission is a party or by which the Commission or any of its property is bound which, in any case, would result in a material adverse impact on the CleanPowerSF Program.

Section 4.3 **Binding Obligations.** The Basic Documents are valid and binding obligations of the Commission (assuming due authorization, execution and delivery by the other parties thereto) enforceable against the Commission in accordance with their respective terms, except to the extent, if any, that the enforceability thereof may be limited by (i) any applicable bankruptcy, insolvency, reorganization, moratorium or other similar law of the State or Federal government affecting the enforcement of creditors' rights generally heretofore or hereafter enacted, (ii) the fact that enforcement may also be subject to the exercise of judicial discretion in appropriate cases and (iii) the limitations on legal remedies against public agencies of the State.

Section 4.4 **Governmental Consent or Approval.** No consent, approval, permit, authorization or order of, or registration or filing with, any court or government agency, authority or other instrumentality not already obtained, given or made is required on the part of the Commission for the adoption of the CCA Program, the implementation of the IP or the execution, delivery and performance by the Commission of the Basic Documents.

Section 4.5 **Absence of Material Litigation.** There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, arbitrator or governmental or other board, body or official pending or, to the best knowledge of the Commission, threatened against or affecting the Commission questioning the validity of the Charter, the adoption of the CCA Program, the implementation of the IP or the execution, delivery and performance by the Commission of the Basic Documents or any proceeding taken or to be taken by the Commission or the Board in connection therewith, or seeking to prohibit, restrain or enjoin the adoption of the CCA Program, the implementation of the IP or the execution, delivery and performance by the Commission of the Basic Documents, or which could reasonably be expected to result in any material adverse change in the financial condition, operations or prospects of the CleanPowerSF Program, or wherein an unfavorable decision, ruling or finding would in any way materially adversely affect the transactions contemplated by the Basic Documents (any such action or proceeding being herein referred to as "*Material Litigation*").

Section 4.6 **Financial Condition.** The most recent audited financial statements of the CleanPowerSF Program delivered (or deemed delivered) to the Bank (the "*Audited Financial*

Statements”) were prepared in accordance with GAAP applied on a consistent basis throughout the periods involved and were subject to certification by independent certified public accountants of nationally recognized standing or by independent certified public accountants otherwise acceptable to the Bank. The most recent unaudited financial statements of the CleanPowerSF Program delivered (or deemed delivered) to the Bank were prepared on a consistent basis and, unless otherwise specified in Schedule 5.1(a), in accordance with GAAP. The data on which such financial statements and budget reports are based were true and correct in all material respects. The Audited Financial Statements and the budget reports present fairly the net position of the CleanPowerSF Program as of the date they purport to represent and the revenues, expenses and changes in fund balances and in net position for the periods then ended. Since the date of the most recent Audited Financial Statements delivered to the Bank, no material adverse change has occurred in the business, operations or condition (financial or otherwise) of the CleanPowerSF Program.

Section 4.7 **Incorporation of Representations and Warranties.** The representations and warranties of the Commission set forth in the Basic Documents (other than this Agreement and the Fee Agreement) are true and accurate in all material respects on the Closing Date, as fully as though made on the Closing Date. The Commission makes, as of the Closing Date, each of such representations and warranties to, and for the benefit of, the Bank, as if the same were set forth at length in this Section 4.7 together with all applicable definitions thereto. No amendment, modification or termination of any such representations, warranties or definitions contained in the Basic Documents (other than this Agreement and the Fee Agreement) will be effective to amend, modify or terminate the representations, warranties and definitions incorporated in this Section 4.7 by this reference, without the prior written consent of the Bank.

Section 4.8 **Accuracy and Completeness of Information.** The IP, the Basic Documents and all certificates, financial statements, documents and other written information furnished to the Bank by or on behalf of the Commission in connection with the transactions contemplated hereby were, as of their respective dates, complete and correct in all material respects to the extent necessary to give the Bank true and accurate knowledge of the subject matter thereof and did not contain any untrue statement of a material fact.

Section 4.9 **No Default.**

(a) No Default or Event of Default under this Agreement has occurred and is continuing.

(b) No “event of default” has occurred and is continuing under any other material mortgage, indenture, contract, agreement or undertaking respecting the CleanPowerSF Program to which the Commission is a party or which purports to be binding on the Commission or on any of the property of the CleanPowerSF Program.

Section 4.10 **No Proposed Legal Changes.** There is no amendment or, to the knowledge of the Commission, proposed amendment to the Constitution of the State, any State law or the Charter or any administrative interpretation of the Constitution of the State, any State law, or the Charter, or any judicial decision interpreting any of the foregoing, the effect of which could reasonably be expected to have a material adverse effect on the CCA Program, the IP or the ability of the Commission to perform its obligations under the Basic Documents.

Section 4.11 **Compliance with Laws, Etc.** The Commission is in compliance with the Investment Policy and all Laws applicable to the Commission, non-compliance with which could reasonably be expected to have a material adverse effect on the security for the obligations under this Agreement and the Fee Agreement or the validity and enforceability of the Basic Documents. In addition, no benefit plan maintained by the Commission for its employees is subject to the provisions of ERISA, and the Commission is in compliance with all Laws in respect of each such benefit plan.

Section 4.12 **Environmental Matters.** In the ordinary course of its business, the Commission conducts an ongoing review of Environmental Laws on the business, operations and the condition of its property, in the course of which it identifies and evaluates associated liabilities and costs (including, but not limited to, any capital or operating expenditures required for clean-up or closure of properties currently or previously owned or operated, any capital or operating expenditures required to achieve or maintain compliance with environmental protection standards imposed by law or as a condition of any license, permit or contract, any related constraints on operating activities, including any periodic or permanent shutdown of any facility or reduction in the level of or change in the nature of operations conducted thereat and any actual or potential liabilities to third parties, including employees, and any related costs and expenses). On the basis of such review, the Commission does not believe that Environmental Laws are likely to have a material adverse effect on the ability of the Commission to perform its obligations under the Basic Documents.

Section 4.13 **Regulation U.** The Commission is not engaged in the business of extending credit for the purpose of purchasing or carrying margin stock (within the meaning of Regulation U issued by the Board of Governors of the Federal Reserve System).

Section 4.14 **Liens.** This Agreement creates a valid Lien on and pledge of the CleanPower SF Net Revenues to secure the payment and performance of the Commission's obligations under this Agreement and the Fee Agreement, and no filings, recordings, registrations or other actions are necessary on the part of the Commission, the Bank or any other Person to create or perfect such Lien. Except for the Lien over CleanPowerSF Revenues contained in this Agreement, Liens over CleanPowerSF Revenues securing Parity Debt, Subordinate Debt and Affiliate Loans permitted by this Agreement and the Lien over CleanPowerSF Excess Revenues securing the Existing Power Enterprise Loan, there is no pledge of or Lien on CleanPowerSF Revenues. There is no pledge of or Lien on CleanPowerSF Net Revenues that ranks senior to the obligations hereunder or under the Fee Letter.

Section 4.15 **Sovereign Immunity.** The Commission is not entitled to immunity from legal proceedings to enforce the Basic Documents (including, without limitation, immunity from service of process or immunity from jurisdiction of any court otherwise having jurisdiction) and is subject to claims and suits for damages in connection with its obligations under the Basic Documents.

Section 4.16 **Usury.** The terms of the Basic Documents regarding the calculation and payment of interest and fees do not violate any applicable usury laws.

Section 4.17 **Insurance.** As of the Closing Date, the Commission maintains such insurance, including self-insurance, as is required by Section 5.1(k) hereof.

Section 4.18 **ERISA**. The Commission does not maintain or contribute to, and has not maintained or contributed to, any Employee Plan that is subject to Title IV of ERISA.

Section 4.19 **Sanctions Concerns and Anti-Corruption Laws**.

By the terms of this Agreement, the Bank is hereby made a third party beneficiary of the covenants set forth in each of the Basic Documents (other than this Agreement and the Fee Agreement) and in each Other Revenue Document, and each such covenant, together with the related definitions of terms contained therein, is incorporated by reference in this Section 5.1(c) with the same effect as if it were set forth herein in its entirety. Except as otherwise set forth in paragraph (ii) below and in Section 5.2(a) hereof, the Commission will not amend, supplement or otherwise modify (or permit any of the foregoing), or request or agree to any consent or waiver under, or effect or permit the cancellation, acceleration or termination of, or release or permit the release of any collateral held under any of the Basic Documents or any Other Revenue Document in any manner without the prior written consent of the Bank, and the Commission shall take, or cause to be taken, all such actions as may be reasonably requested by the Bank to strictly enforce the obligations of the other parties to any of the Basic Documents and any Other Revenue Documents, as well as each of the covenants set forth therein. The Commission shall give prior written notice to the Bank of any action referred to in this subparagraph (i).

(ii) The Commission covenants that it will maintain and preserve the CleanPowerSF Program in good repair and working order at all times from the CleanPowerSF Revenues available for such purposes, in conformity with standards customarily followed for municipal water and power systems of like size and character. The Commission will from time to time make all necessary and proper repairs, renewals, replacements and substitutions to the properties of the CleanPowerSF Program, so that at all times business carried on in connection with the CleanPowerSF Program shall and can be properly and advantageously conducted in an efficient manner and at reasonable cost, and will operate the CleanPowerSF Program in an efficient and economical manner and shall not commit or allow any waste with respect to the CleanPowerSF Program.

(d) *Defaults.* The Commission shall notify the Bank of any Default or Event of Default of which the Commission has knowledge, as soon as possible and, in any event, within three (3) Business Days of acquiring knowledge thereof, setting forth the details of such Default or Event of Default and the action which the Commission has taken and proposes to take with respect thereto.

(f) *Investment Policy and Guidelines.* The Commission shall promptly notify the Bank in writing, not less than thirty (30) days after the Commission receives notice of the formal consideration thereof, of any change proposed to the Investment Policy, which proposed change would increase the types of investments permitted thereby as of the Closing Date.

(g) *Notices.* The Commission shall promptly give notice to the Bank of any action, suit or proceeding actually known to it at law or in equity or by or before any court, governmental instrumentality or other agency which, if adversely determined, would materially impair the ability of the Commission to implement the IP or perform its obligations under any Basic Document.

(h) *Bank Agreements.* In the event that Commission shall enter into or otherwise consent to any amendment, supplement or other modification of any Bank Agreement after the Closing Date which Bank Agreement contains additional or more restrictive covenants or additional or more restrictive events of default or additional or improved remedies (“*Improved Provisions,*” which for the avoidance of doubt does not include pricing, termination fees and provisions related to interest rates but does include improved term-out provisions), then the Commission shall provide the Bank with a copy of such Bank Agreement and the Improved Provisions shall automatically be deemed incorporated into this Agreement and the Bank shall have the benefit of the Improved Provisions until such time as the Bank Agreement containing such Improved Provisions terminates. The Commission shall promptly cooperate with the Bank to enter into an amendment of this Agreement to include such Improved Provisions.

(i) *Further Assurances.* The Commission shall execute, acknowledge where appropriate and deliver, and cause to be executed, acknowledged where appropriate and delivered, from time to time, promptly at the request of the Bank, all such instruments and documents as are usual and customary or advisable to carry out the intent and purpose of the Basic Documents.

(k) *Maintenance of Insurance.* The Commission shall maintain, or cause to be maintained, at all times, insurance on and with respect to its properties with responsible and reputable insurance companies; provided, however, that the Commission may maintain self-insurance general liability on its properties not covered by the public entity property insurance program policy, for worker's compensation and vehicle liability and, with the consent of the Bank, such other self-insurance as it deems prudent. Such insurance must include casualty, liability and workers' compensation and be in amounts and with deductibles and exclusions customary and reasonable for governmental entities of similar size and with similar operations as the Commission. The Commission shall, upon request of the Bank, furnish evidence of such insurance to the Bank. The Commission shall also procure and maintain at all times adequate fidelity insurance or bonds on all officers and employees handling or responsible for any CleanPowerSF Revenues or funds of the CleanPowerSF Program, such insurance or bond to be in an aggregate amount at least equal to the maximum amount of such CleanPowerSF Revenues or funds at any one time in the custody of all such officers and employees or in the amount of one million dollars (\$1,000,000), whichever is less. The insurance described above may be provided as part of any comprehensive fidelity and other insurance and not separately for the CleanPowerSF Program.

(l) *Preservation of Security.* The Commission shall take any and all actions necessary to preserve and defend the pledge of CleanPowerSF Revenues set forth in this Agreement.

(m) *Rates.* The Commission shall fix, establish, maintain and collect rates and charges for electric power and energy and other services, facilities and commodities sold, furnished or supplied through the facilities of the CleanPowerSF Program, which shall be fair and nondiscriminatory and adequate to provide the Commission on a projected basis with CleanPowerSF Revenues in each Fiscal Year sufficient to (i) pay, to the extent not paid from other available moneys, any and all amounts the Commission is obligated to pay or set aside from CleanPowerSF Revenues by law or contract in such Fiscal Year and (ii) maintain on a projected basis a Debt Service Coverage Ratio of not less than 1.10 for each Fiscal Year.

(n) *Budget.* The Commission shall include in each annual budget of the Commission all amounts reasonably anticipated to be necessary to pay all obligations due to the Bank hereunder and under the Fee Agreement. If the amounts so budgeted are not adequate for the payment of the obligations due hereunder and under the Fee Agreement, the Commission shall take such action as may be necessary to cause such annual budget to be amended, corrected or augmented so as to include therein the amounts required to be paid to the Bank during the course of the Fiscal Year to which such annual budget applies.

(o) *Payment of Taxes, Etc.* The Commission shall pay and discharge, or cause to be paid and discharged, all taxes, assessments and other governmental charges which may hereafter be lawfully imposed upon the Commission on account of the CleanPowerSF Program or any portion thereof and which, if unpaid, might impair the security of this Agreement and the Fee Agreement, but nothing herein contained will require the Commission to pay any such tax, assessment or charge so long as it in good faith contests the validity thereof. The Commission shall duly observe and comply with all valid material requirements of any Governmental Authority relative to the CleanPowerSF Program or any part thereof.

(p) *Notice of Rating and Rating Change.* The Commission shall use its best efforts to notify the Bank as soon as practicable of any issuance, downgrade, suspension or withdrawal in rating of any CleanPowerSF Program Debt.

(q) *Debt Service Coverage.* The Commission shall maintain a Debt Service Coverage Ratio of not less than 1.05 for each fiscal quarter of the Commission, commencing with the fiscal quarter ended September 30, 2018. The Debt Service Coverage Ratio shall be tested as of the last day of each fiscal quarter commencing with the fiscal quarter ended June 30, 2018. The Commission shall determine the Debt Service Coverage Ratio for a fiscal quarter and provide written notice thereof together with supporting calculations in reasonable detail to the Bank as soon as practicable following the end of a fiscal quarter and in any event no later than the forty five calendar days following the end of such fiscal quarter (each such notice, a “*Debt Service Coverage Ratio Notice*”).

(r) *Reserves.* The Commission shall apply not less than 80% (or, if an Event of Default or a Suspension Event has occurred and is continuing, 100%) of Excess Revenues, if any, in each Fiscal Year to the Rate Stabilization Reserve and the Operating Reserve until such time, if any, as the balance of the Rate Stabilization Reserve equals or exceeds the Target Rate Stabilization Reserve Requirement and the balance of the Operating Reserve equals or exceeds the Target Operating Reserve Requirement, respectively, for such Fiscal Year as set forth in the Five Year Plan. In the event the Commission withdraws funds from the Rate Stabilization Reserve or the Operating Reserve in any Fiscal Year after the Target Rate Stabilization Reserve Requirement and the Target Operating Reserve Requirement, respectively, have been satisfied, then the Commission shall once again apply not less than 80% (or, if an Event of Default or a Suspension Event has occurred and is continuing, 100%) of Excess Revenues, if any, to the Rate Stabilization Reserve and the Operating Reserve until such time, if any, as the balance of the Rate Stabilization Reserve equals or exceeds the Target Rate Stabilization Reserve Requirement and the balance of the Operating Reserve equals or exceeds Target Operating Reserve Requirement, respectively for such Fiscal Year as set forth in the Five Year Plan. No later than forty five calendar days following the end of each fiscal quarter of the Commission, the Commission shall deliver to the Bank a written certificate of an Authorized Representative (each, a “*Reserve Funds Notice*”) setting forth: (i) the then current Rate Stabilization Reserve Requirement and Operating Reserve Requirement, (ii) the beginning and estimated end balances of the Rate Stabilization Reserve and Operating Reserve for the Fiscal Year that includes such fiscal quarter and (iii) the amount, date and purpose of each withdrawal from the Rate Stabilization Reserve or the Operating Reserve for such fiscal quarter. The Commission shall withdraw amounts from the Operating Reserve and/or the Rate Stabilization Reserve to pay CleanPowerSF Operating and Maintenance Costs, Obligations and debt service on, and fees associated with, other Parity Debt.

(a) *No Impairment.* Take any action that would have an adverse effect on (i) the ability of the Commission to pay when due amounts owing to the Bank or any Participant under this Agreement or the Fee Agreement; (ii) the pledge of Revenues or the priority of payments from Revenues; or (iii) the rights or remedies of the Bank under the Basic Documents.

(b) *Merger, Disposition of Assets.* Consolidate or merge with or into any Person or sell, lease or otherwise transfer all or substantially all of its assets to any Person.

The Commission shall not provide any service of the CleanPowerSF Program free of charge to any Person, except (i) for free use by the City and its agencies, (ii) to the extent that any such free use is required by the terms of any existing contract or agreement and (iii) for incidental insignificant free use so long as such free use does not prevent the Commission from satisfying the other covenants of this Agreement.

(h) *Preservation of Existence, Etc.* Take any action to accomplish a merger of the CleanPowerSF Program with any other entity or enterprise, unless and until the Commission has provided a method for segregating the CleanPowerSF Revenues from the revenues of said other entity or enterprise in a manner that will, or shall otherwise, preserve the Lien on the CleanPowerSF Revenues for the payment of the Obligations and has obtained an opinion of counsel from a firm nationally recognized in the practice of municipal financing that such merger will not, in and of itself, cause the pledge of CleanPowerSF Revenues set forth in this Agreement to be no longer valid. If the Commission does effect such a merger, the Commission shall provide written notice thereof to the Bank and shall deliver a copy of the aforementioned opinion to the Bank.

(i) *Use of Proceeds.* Use the Letters of Credit for any purpose other than to secure the Commission's obligations under PPAs. Use the proceeds of any Loan, whether directly or indirectly, and whether immediately, incidentally or ultimately, to purchase or carry margin stock (within the meaning of Regulation U of the Board of Governors of the Federal Reserve System) or to extend credit to others for the purpose of purchasing or carrying margin stock or to refund indebtedness originally incurred for such purpose, in each case in violation of, or for a purpose which violates, or would be inconsistent with, Regulation T, U or X of the Board of Governors of the Federal Reserve System. following actions, at the same or different times: (i) terminate the Commitment, and thereupon the Commitment shall terminate immediately, and (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Commission accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Commission; and in case of any Event of Default described in Section 6.1(e) or 6.1(f), the Commitment shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Commission accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Commission.

Section 6.3 **Five Year Plan**. Each of the Commission and the Bank acknowledges that the Five Year Plan attached as Exhibit A assumes the phased customer expansion of the CleanPowerSF Program on certain launch dates, including phase III of customer expansion that is scheduled to launch on or before July 1, 2019 and ramp up over a three-year period ending on June 30, 2022. If for any reason after January 1, 2019 but not later than May 31, 2019, the Commission believes that the anticipated Phase III launch date will not occur on or prior to July 1, 2019 and/or the ramp up will extend beyond three years, the Commission shall provide the Bank with written notice thereof (with delivery confirmed) explaining the reasons why the launch date and/or ramp up schedule will not be met, the revised Phase III launch date and/or ramp up schedule and the impact that the delayed launch date and/or ramp up schedule will have on the Five Year Plan (the “*Delay Notice and Revised Plan*”). If the Delay Notice and Revised Plan includes proposed changes to the Target Operating Reserve Requirement and/or Target Rate Stabilization Reserve Requirement for any of the Fiscal Years ended June 30, 2020, 2021 and 2022 (such reserve requirements, each a “*Reserve Requirement*,” and such proposed changes, each a “*Proposed Adjusted Reserve Requirement*”) and the Bank desires to discuss the proposed changes with the Commission, the Bank will promptly notify the Commission in writing of such desire (a “*Meet and Confer Notice*”) and will meet with the Commission within 30 days of sending the Meet and Confer Notice to discuss the Delay Notice and Revised Plan and the Proposed Adjusted Reserve Requirements and negotiate in good faith with a view toward reaching mutually agreeable revised Reserve Requirements. If the Bank fails to send a Meet and Confer Notice within thirty (30) days of its receipt of a Delay Notice and Revised Plan, the Five Year Plan shall be automatically amended by substituting each Proposed Adjusted Reserve Requirement for the applicable Reserve Requirement and the defined term “*Five Year Plan*” shall include mean the Five Year Plan as so modified. If the Bank sends a Meet and Confer Notice within thirty (30) days of its receipt of a Delay Notice and Revised Plan and the Bank and the Commission meet, confer and mutually agree on revised Reserve Requirements, the Five Year Plan shall be amended by substituting each revised Reserve Requirement for the applicable Reserve Requirement and the defined term “*Five Year Plan*” shall include mean the Five Year Plan as so modified.

Section 7.3 Survival of Covenants; Successors and Assigns.

(a) All covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto will survive the making of any Loan, and LC Disbursement or the issuance of any Letter of Credit and will continue in full force and effect until all of the Obligations hereunder are paid in full. Whenever in this Agreement any of the parties hereto is referred to, such reference will, subject to the last sentence of this Section, be deemed to include the successors and assigns of such party, and all covenants, promises and agreements by or on behalf of the Commission which are contained in this Agreement will inure to the benefit of the successors and assigns of the Bank. The Commission may not transfer its rights or obligations under this Agreement without the prior written consent of the Bank. The Bank may transfer or assign some or all of its rights and obligations under this Agreement and the Fee Letter with, so long as no Event of Default has occurred and is continuing, the prior written consent of the Commission (which consent may not be withheld unreasonably), provided that the Bank shall be

responsible for all costs solely relating to such transfer or assignment. This Agreement is made solely for the benefit of the Commission and the Bank, and no other Person (including, without limitation, any PPA Counterparty) will have any right, benefit or interest under or because of the existence of this Agreement.

(b) Notwithstanding the foregoing, the Bank will be permitted to grant to one or more financial institutions (each a “*Participant*”) a participation or participations in all or any part of the Bank’s rights and benefits and obligations under this Agreement, the Fee Agreement, the Loans and the Letters of Credit on a participating basis but not as a party to this Agreement (a “*Participation*”) without the consent of the Commission. In the event of any such grant by the Bank of a Participation to a Participant, the Bank shall remain responsible for the performance of its obligations hereunder and under the Letters of Credit, and the Commission may continue to deal solely and directly with the Bank in connection with the Bank’s rights and obligations under this Agreement, under the Fee Agreement and under the Letters of Credit. The Commission agrees that each Participant will, to the extent of its Participation, be entitled to the benefits of this Agreement as if such Participant were the Bank; provided that no Participant will have the right to declare, or to take actions in response to, an Event of Default under Section 6.1 hereof; and provided, further, that the Commission’s liability to any Participant (including, without limitation, amounts payable pursuant to Sections 2.12, 2.13 and 2.14) will not in any event exceed that liability which the Commission would owe to the Bank but for such participation.

Section 7.4 **Reserved.**

Section 7.5 **Liability of Bank; Indemnification.**

(a) To the extent permitted by the law of the State, the Commission assumes all risks of the acts or omissions of the PPA Counterparties with respect to the use of the Letters of Credit or the use of proceeds thereunder; provided that this provision is not intended to and will not preclude the Commission from pursuing such rights and remedies as it may have against the PPA Counterparties under any other agreements. Neither the Bank nor any of its respective officers or directors will be liable or responsible for (i) the use of any Letter of Credit, the LC Disbursements or the Loans or the transactions contemplated hereby and by the other Basic Documents or for any acts or omissions of any PPA Counterparty, (ii) the validity, sufficiency or genuineness of any documents determined in good faith by the Bank to be valid, sufficient or genuine, even if such documents, in fact, prove to be in any or all respects invalid, fraudulent, forged or insufficient, (iii) payments by the Bank against presentation of requests for LC Disbursements or requests which the Bank in good faith has determined to be valid, sufficient or genuine and which subsequently are found not to comply with the terms of this Agreement or (iv) any other circumstances whatsoever in making or failing to make payment hereunder; provided that the Commission is not required to indemnify the Bank for any claims, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the gross negligence or willful misconduct of the Bank.

(b) To the extent permitted by the law of the State, the Commission indemnifies and holds harmless the Bank from and against any and all direct, as opposed to consequential, claims, damages, losses, liabilities, costs and expenses (including specifically reasonable attorneys’ fees) which the Bank may incur (or which may be claimed against the Bank by any Person whatsoever) by reason of or in connection with the execution, delivery and performance of the Basic Documents, the Letters of Credit and the transactions contemplated thereby; provided that the

Commission is not required to indemnify the Bank to the extent, but only to the extent, any such claim, damage, loss, liability, cost or expense is caused by the Bank's willful misconduct or gross negligence as determined by a final order of a court of competent jurisdiction. The Bank is expressly authorized and directed to honor any demand for payment which is made under any Letter of Credit without regard to, and without any duty on its part to inquire into the existence of, any disputes or controversies between the Commission, any PPA Counterparty or any other Person or the respective rights, duties or liabilities of any of them or whether any facts or occurrences represented in any of the documents presented under any Letter of Credit are true and correct.

(c) To the fullest extent permitted by Applicable Law, the Commission shall not assert, and waives, any claim against the Bank, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, any Letter of Credit, any Basic Document or any agreement or instrument contemplated thereby, the transactions contemplated thereby or the use of the proceeds thereof.

(d) The obligations of the Commission under this Section 7.5 will survive the termination of this Agreement.

Section 7.6 **Expenses**. Upon receipt of a written invoice, the Commission shall promptly pay (i) the reasonable fees and expenses of counsel to the Bank incurred in connection with the preparation, execution and delivery and administration of this Agreement, the Letters of Credit, the Fee Agreement and the other Basic Documents as set forth in the Fee Agreement, (ii) the reasonable out-of-pocket expenses of the Bank incurred in connection with the preparation, execution and delivery and administration of this Agreement, the Letters of Credit, the Fee Agreement and the other Basic Documents (provided that such expenses to be paid in connection with the preparation and execution and delivery will not exceed the amount specified in the Fee Agreement), (iii) the fees and disbursements of counsel to the Bank with respect to advising the Bank as to its rights and responsibilities under the Basic Documents after the occurrence of a Default or an Event of Default and (iv) all costs and expenses, if any, in connection with the administration and enforcement of the Basic Documents, including in each case the fees and disbursements of counsel to the Bank. In addition, and notwithstanding the foregoing, the Commission agrees to pay, after the occurrence of an Event of Default, all costs and expenses (including attorneys' fees and costs of settlement) incurred by the Bank in enforcing any obligations or in collecting any payments due from the Commission hereunder or under the Fee Agreement by reason of such Event of Default or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "workout" or of any insolvency or bankruptcy proceedings. The obligations of the Commission under this Section 7.6 will survive the termination of this Agreement.

Section 7.7 **No Waiver; Conflict**. Neither any failure nor any delay on the part of the Bank in exercising any right, power or privilege hereunder, nor any course of dealing with respect to any of the same, will operate as a waiver thereof or preclude any other or further exercise thereof, nor will a single or partial exercise thereof, preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The remedies herein provided are cumulative and not exclusive of any remedies provided by law. To the extent of any conflict between this Agreement and any other Basic Documents, this Agreement will control solely as between the Commission and the Bank.

Section 7.8 **Modification, Amendment, Waiver, Etc.** No modification, amendment or waiver of any provision of this Agreement will be effective unless the same is in writing and signed in accordance with Section 7.1 hereof.

Section 7.9 **Dealings.** The Bank and its affiliates may accept deposits from, extend credit to and generally engage in any kind of banking, trust or other business with the Commission and/or any PPA Counterparty regardless of the capacity of the Bank hereunder or under any Letter of Credit.

Section 7.10 **Severability.** Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction will, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction, and all other remaining provisions hereof will be construed to render them enforceable to the fullest extent permitted by law. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic or legal effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 7.11 **Counterparts.** This Agreement may be executed in two or more counterparts, each of which constitutes an original, but when taken together constitute but one agreement, and any of the parties hereto may execute this Agreement by signing any such counterpart. Delivery of an executed counterpart of a signature page of this Agreement by telecopy, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Bank to accept electronic signatures in any form or format without its prior written consent.

Section 7.12 **Table of Contents; Headings.** The table of contents and the section and subsection headings used herein have been inserted for convenience of reference only and do not constitute matters to be considered in interpreting this Agreement.

Section 7.13 **Entire Agreement.** This Agreement and the Fee Agreement represents the final agreement between the parties hereto with respect to the subject matter hereof and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties hereto as to such subject matter.

Section 7.14 **Governing Law Waiver of Jury Trial.**

(a) THIS AGREEMENT SHALL BE DEEMED TO BE A CONTRACT UNDER, AND FOR ALL PURPOSES SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK

WITHOUT GIVING EFFECT TO CONFLICTS OF LAWS PROVISIONS (OTHER THAN NEW YORK GENERAL OBLIGATIONS LAWS 5-1401 AND 5-1402); PROVIDED, THAT THE OBLIGATIONS OF THE COMMISSION HEREUNDER SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA WITHOUT REGARD TO CHOICE OF LAW RULES.

(b) TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF THE PARTIES HERETO WAIVES ITS RIGHT TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THE BASIC DOCUMENTS OR ANY OF THE TRANSACTIONS CONTEMPLATED THEREBY, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW OR STATUTORY CLAIMS. IF AND TO THE EXTENT THAT THE FOREGOING WAIVER OF THE RIGHT TO A JURY TRIAL IS UNENFORCEABLE FOR ANY REASON IN SUCH FORUM, EACH OF THE PARTIES HERETO CONSENTS TO THE ADJUDICATION OF ALL CLAIMS PURSUANT TO JUDICIAL REFERENCE AS PROVIDED IN CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 638, AND THE JUDICIAL REFEREE IS EMPOWERED TO HEAR AND DETERMINE ALL ISSUES IN SUCH REFERENCE, WHETHER FACT OR LAW. EACH OF THE PARTIES HERETO REPRESENTS THAT IT HAS REVIEWED THIS WAIVER AND CONSENT AND, FOLLOWING CONSULTATION WITH LEGAL COUNSEL ON SUCH MATTERS, KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS AND CONSENTS TO JUDICIAL REFERENCE. IN THE EVENT OF LITIGATION, A COPY OF THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT OR TO JUDICIAL REFERENCE UNDER CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 638 AS PROVIDED HEREIN.

(c) The covenants and waivers made pursuant to this Section 7.14 are irrevocable and unmodifiable, whether in writing or orally, and are applicable to any subsequent amendments, renewals, supplements or modifications of this Agreement. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

Section 7.15 **Governmental Regulations.** The Commission shall (a) ensure that no Person who owns a controlling interest in or otherwise controls the Commission is or will be listed on the Specially Designated Nationals and Blocked Person List or other similar lists maintained by the Office of Foreign Assets Control (“OFAC”), the Department of the Treasury or included in any Executive Order that prohibits or limits the Bank from making any advance or extension of credit to the Commission or from otherwise conducting business with the Commission and (b) ensure that the proceeds of LC Disbursements under the Letters of Credit are not used to violate any of the foreign asset control regulations of OFAC or any enabling statute or Executive Order relating thereto. Further, the Commission shall comply, and cause any of its subsidiaries to comply, with all applicable Bank Secrecy Act laws and regulations, as amended.

Section 7.16 **USA PATRIOT Act.** The Bank notifies the Commission that, pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”), it is required to obtain, verify and record information that identifies the Commission, which information includes the name and address of the Commission and other information that will allow the Bank to identify the Commission in accordance with the Act. The Commission agrees to provide such documentary and other evidence of the Commission’s identity as may be requested by the Bank at any time to enable the Bank to verify the Commission’s identity or to comply with any Applicable Law or regulation, including, without limitation, the Act.

Section 7.17 **Electronic Transmissions**. The Bank is authorized to accept and process any amendments, transfers, assignments of proceeds, LC Disbursements, consents, waivers and all documents relating to the Letters of Credit which are sent to Bank by electronic transmission, including SWIFT, electronic mail, telex, telecopy, courier, mail or other computer generated telecommunications and such electronic communication will have the same legal effect as if written and will be binding upon and enforceable against the Commission. The Bank may, but shall not be obligated to, require authentication of such electronic transmission or that the Bank receives original documents prior to acting on such electronic transmission.

Section 7.18 **Assignment to Federal Reserve Bank**. The Bank may assign and pledge all or any portion of the obligations owing to it hereunder to any Federal Reserve Bank or the United States Treasury as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any Operating Circular issued by such Federal Reserve Bank, provided that any payment in respect of such assigned obligations made by the Commission to the Bank in accordance with the terms of this Agreement will satisfy the Commission's obligations hereunder in respect of such assigned obligation to the extent of such payment. No such assignment will release the Bank from its obligations hereunder.

Section 7.19 **City Requirements**. The Bank agrees to the City's contracting requirements, as provided in Exhibit D attached hereto.

Section 7.20 **Arm's Length Transaction**. The transaction described in this Agreement is an arm's length, commercial transaction between the Commission and the Bank in which: (i) the Bank is acting solely as a principal (i.e., as a lender) and for its own interest; (ii) the Bank is not acting as a municipal advisor or financial advisor to the Commission; (iii) the Bank has no fiduciary duty pursuant to Section 15B of the Securities Exchange Act of 1934 to the Commission with respect to this transaction and the discussions, undertakings and procedures leading thereto (irrespective of whether the Bank or any of its affiliates has provided other services or is currently providing other services to the Commission on other matters); (iv) the only obligations the Bank has to the Commission with respect to this transaction are set forth in this Agreement, the Fee Agreement and the Letters of Credit; and (v) the Bank is not recommending that the Commission take an action with respect to the transaction described in this Agreement and the other Basic Documents, and before taking any action with respect to the this transaction, the Commission should discuss the information contained herein with the Commission's own legal, accounting, tax, financial and other advisors, as the Commission deems appropriate.

FORM OF OPINION OF ORRICK, HERRINGTON & SUTCLIFFE LLP

March 29, 2018

JPMorgan Chase Bank, N.A.
New York, New York

Re: Credit Agreement, dated as of March 29, 2018, between
Public Utilities Commission of the City and County of San Francisco
and JPMorgan Chase Bank, N.A.

Ladies and Gentlemen:

This letter is addressed to JPMorgan Chase Bank, N.A. (the “Bank”), pursuant to Section 3.1(a)(ii) of the Credit Agreement, dated as of March 29, 2018 (the “*Credit Agreement*”), between the Bank and the Public Utilities Commission of the City and County of San Francisco (the “*Commission*”). Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Credit Agreement.

In such connection, we have reviewed the Master Trust Indenture, the Credit Agreement, the Fee Agreement, certificates of the Commission and others, opinions of your counsel and of counsel to the Commission and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the date hereof. Accordingly, this letter speaks only as of its date and is not intended to, and may not, be relied upon or otherwise used in connection with any such actions, events or matters. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, any parties other than the Commission. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents, and of the legal conclusions contained in the opinions, referred to in the second paragraph hereof. Furthermore, we have assumed compliance with all covenants and agreements contained in the Credit Agreement and the Fee Agreement. We call attention to the fact that the rights and obligations under the Credit Agreement and the Fee Agreement and their enforceability may be subject to bankruptcy, insolvency, receivership, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors’ rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against cities and counties in the State of California. We express no opinion with respect to any indemnification, contribution, liquidated damages, penalty (including any remedy deemed to constitute a penalty), right of set-off,

arbitration, judicial reference, choice of law, choice of forum, choice of venue, non-exclusivity of remedies, waiver or severability provisions contained in the foregoing documents, nor do we express any opinion with respect to the state or quality of title to or interest in any of the assets described in or as subject to the lien of the Credit Agreement or the accuracy or sufficiency of the description contained therein of, or the remedies available to enforce liens on, any such assets.

Based on and subject to the foregoing and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Credit Agreement and the Fee Agreement constitute valid and binding obligations of the Commission.
2. The Credit Agreement creates a valid pledge, to secure the payment of the Obligations, of the CleanPowerSF Net Revenues.
3. The CleanPowerSF Program constitutes a “Separate System” as defined in the Master Trust Indenture.

This letter is furnished by us as bond counsel to the Commission. No attorney-client relationship has existed or exists between our firm and the Bank in connection with the Credit Agreement or the Fee Agreement by virtue of this letter. We disclaim any obligation to update this letter. This letter is delivered to you as the Bank, is solely for the benefit of the Bank and is not to be used, circulated, quoted or otherwise referred to or relied upon for any other purpose or by any other person. This letter is not intended to, and may not, be relied upon by any party to whom it is not specifically addressed.

Very truly yours,

ORRICK, HERRINGTON & SUTCLIFFE LLP

EXHIBIT D

CITY REQUIREMENTS

(a) *Tropical Hardwood and Virgin Redwood Ban.* The City urges contractors not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

(b) *Nondiscrimination: Penalties.*

(i) *Bank Shall Not Discriminate.* In the performance of this Agreement, the Bank agrees not to discriminate against any employee, City and County employee working with the Bank or subcontractor, applicant for employment with the Bank or subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status, or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(ii) *Subcontracts.* The Bank shall incorporate by reference in all subcontracts made in fulfillment of its obligations hereunder the provisions of Sections 12B.2(a), 12B.2(c)-(k) and 12C.3 of the San Francisco Administrative Code and shall require all subcontractors to comply with such provisions. The Bank's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(iii) *Non-Discrimination in Benefits.* The Bank does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(iv) *HRC Form.* The Bank shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

(v) *Incorporation of Administrative Code Provisions by Reference.* The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein.

The Bank shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the San Francisco Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, the Bank understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against the Bank and/or deducted from any payments due the Bank; *provided, however*, that such damages shall not be set off against the payment of rental or other contract related to Commercial Paper Notes or other debt obligations of the City.

(c) *Limitations on Contributions.* Through execution of this Agreement, the Bank acknowledges that it is familiar with Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City, including the Commission, for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (A) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (B) a candidate for the office held by such individual, or (C) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. The Bank acknowledges that the foregoing restriction applies only if the contract or combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. The Bank further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of the Bank's board of directors; the Bank's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in the Bank; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by the Bank. Additionally, the Bank acknowledges that the Bank must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126 of the City's Campaign and Governmental Conduct Code.

(d) *MacBride Principles Northern Ireland.* Pursuant to San Francisco Administrative Code Section 12F.5, the City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this Agreement on behalf of the Bank acknowledges and agrees that he or she has read and understood this section.

(e) *Conflict of Interest.* Through its execution of this Agreement, the Bank hereby acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 *et seq.* and Section 1090 *et seq.* of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that

it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.

(f) *Earned Income Credit (“EIC”) Forms.* San Francisco Administrative Code section 12O requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found.

(i) The Bank shall provide EIC Forms to each Eligible Employee at each of the following times: (A) within thirty days following the date on which this Agreement becomes effective (unless the Bank has already provided such EIC Forms at least once during the calendar year in which such effective date falls); (B) promptly after any Eligible Employee is hired by the Bank; and (C) annually between January 1 and January 31 of each calendar year during the term of this Agreement.

(ii) Failure to comply with any requirement contained in the immediately preceding paragraph shall constitute a material breach by the Bank of the terms of this Agreement. If, within thirty days after the Bank receives written notice of such a breach, the Bank fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty days, the Bank fails to commence efforts to cure within such period or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under this Agreement or under applicable law.

(iii) Any subcontract entered into by the Bank shall require the subcontractor to comply, as to the subcontractor’s Eligible Employees, with each of the terms of this Section.

(iv) Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Section 12O of the San Francisco Administrative Code.

(g) *Local Business Enterprise Utilization; Liquidated Damages.*

(i) *The LBE Ordinance.* The Bank shall comply with all the requirements of the Disadvantaged Business Enterprise Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the “LBE Ordinance”), provided such amendments do not materially increase the Bank’s obligations or liabilities, or materially diminish the Bank’s rights, under this Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Agreement as though fully set forth in this section. The Bank’s willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of the Bank’s obligations under this Agreement and shall entitle City, subject to any applicable notice and cure provisions set forth in this Agreement, to exercise any of the remedies provided for under this Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Agreement expressly provides that any remedy is exclusive. In addition, the Bank shall comply fully with all

other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

(ii) *Compliance and Enforcement.* If the Bank willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Agreement pertaining to LBE participation, the Bank shall be liable for liquidated damages in an amount equal to the Bank's net profit on this Agreement, or 10% of the total amount of this Agreement, or \$1,000, whichever is greatest. The Director of the City's Human Rights Commission or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the "Director of HRC") may also impose other sanctions against the Bank authorized in the LBE Ordinance, including declaring the Bank to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Bank's LBE certification. The Director of HRC will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to the San Francisco Administrative Code Section 14B.17.

By entering into this Agreement, the Bank acknowledges and agrees that any liquidated damages assessed by the Director of the HRC shall be payable to City upon demand. The Bank further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to the Bank on any contract with City.

The Bank agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Agreement, and shall make such records available for audit and inspection by the Director of HRC or the Controller upon request.

(h) *Drug-Free Workplace Policy.* The Bank acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on Commission or City premises. The Bank agrees that any violation of this prohibition by the Bank, its employees, agents or assigns will be deemed a material breach of this Agreement.

(i) *Compliance with Americans with Disabilities Act.* The Bank acknowledges that, pursuant to the Americans with Disabilities Act ("ADA"), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. The Bank shall provide the services specified in this Agreement in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. The Bank agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Agreement and further agrees that any violation of this prohibition on the part of the Bank, its employees, agents or assigns will constitute a material breach of this Agreement.

(j) *Sunshine Ordinance.* In accordance with San Francisco Administrative Code Section 67.24(e), contracts, contractors' bids, responses to solicitations and all other records of communications between the Commission or the City and persons or firms seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person or organization's net worth or other proprietary

financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

(k) *Requiring Minimum Compensation for Covered Employees.*

(i) The Bank agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (“MCO”), as set forth in San Francisco Administrative Code Chapter 12P (“Chapter 12P”), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of the Bank’s obligations under the MCO is set forth in this Section. The Bank is required to comply with all the provisions of the MCO, irrespective of this listing of obligations in this Section.

(ii) The MCO requires the Bank to pay the Bank’s employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and the Bank is obligated to keep informed of the then-current requirements. Any subcontract entered into by the Bank shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is the Bank’s obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against the Bank.

(iii) The Bank shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(iv) The Bank shall maintain employee and payroll records as required by the MCO. If the Bank fails to do so, it shall be presumed that the Bank paid no more than the minimum wage required under State law.

(v) The City is authorized to inspect the Bank’s job sites and conduct interviews with employees and conduct audits of the Bank.

(vi) The Bank’s commitment to provide the Minimum Compensation is a material element of the City’s consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Bank fails to comply with these requirements. The Bank agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for the Bank’s noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(vii) The Bank understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, the Bank fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Bank fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(viii) The Bank represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(ix) The City may conduct random audits of the Bank. Random audits shall be (A) noticed in advance in writing; (B) limited to ascertaining whether Covered Employees are paid at least the minimum compensation required by the MCO; (C) accomplished through an examination of pertinent records at a mutually agreed upon time and location within ten days of the written notice; and (D) limited to one audit of the Bank every two years for the duration of this Agreement. Nothing in this Agreement is intended to preclude the City from investigating any report of an alleged violation of the MCO.

(l) *Requiring Health Benefits for Covered Employees.* Unless exempt, the Bank agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (“HCAO”), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated herein by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at <http://www.sfgov.org/lwlh.htm>. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(i) For each Covered Employee, the Bank shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If the Bank chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(ii) Notwithstanding the above, if the Bank is a small business as defined in Section 12Q.3(d) of the HCAO, it shall have no obligation to comply with part (i) above.

(iii) The Bank’s failure to comply with the HCAO shall constitute a material breach of this Agreement. The City shall notify the Bank if such a breach has occurred. If, within 30 days after receiving City’s written notice of a breach of this Agreement for violating the HCAO, the Bank fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Bank fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies

set forth in Section 12Q.5(f)(1-5). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(iv) Any subcontract entered into by the Bank shall require the subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. The Bank shall notify City's Office of Contract Administration when it enters into such a subcontract and shall certify to the Office of Contract Administration that it has notified the subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on subcontractor through the subcontract. The Bank shall be responsible for its subcontractors' compliance with this Chapter. If a subcontractor fails to comply, the City may pursue the remedies set forth in this Section against the Bank based on the subcontractor's failure to comply, provided that City has first provided the Bank with notice and an opportunity to obtain a cure of the violation.

(v) The Bank shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to the Bank's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(vi) The Bank represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(vii) The Bank shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(viii) The Bank shall keep itself informed of the current requirements of the HCAO.

(ix) The Bank shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on subcontractors and subtenants, as applicable.

(x) The Bank shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(xi) The Bank shall allow City to inspect the Bank's job sites and have access to the Bank's employees in order to monitor and determine compliance with HCAO.

(xii) The City may conduct random audits of the Bank to ascertain its compliance with HCAO. The Bank agrees to cooperate with City when it conducts such audits.

(xiii) If the Bank is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but the Bank later enters into an agreement or agreements that cause the Bank's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Bank and the City to be equal to or greater than \$75,000 in the fiscal year.

(m) *Prohibition on Political Activity with City Funds.* In accordance with San Francisco Administrative Code Chapter 12.G, the Bank may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this Agreement. The Bank agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City's Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event the Bank violates the provisions of this section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement, and (ii) prohibit the Bank from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider the Bank's use of profit as a violation of this section.

(n) *Graffiti Removal.* Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and its residents, and to prevent the further spread of graffiti.

The Bank shall remove all graffiti from any real property owned or leased by such Bank in the City and County of San Francisco within forty eight (48) hours of the earlier of such Bank's (i) discovery or notification of the graffiti or (ii) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require any Bank to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (A) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (B) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. Section 101 et seq.).

Any failure of the Bank to comply with this Section of this Agreement shall constitute a material breach of this Agreement.

(o) *Food Service Waste Reduction Requirements.* The Bank agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, the Bank agrees that if it breaches this provision, the City will suffer actual damages that will be impractical or extremely difficult to determine; further, the Bank agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that the City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by the City because of such Bank's failure to comply with this provision.

(p) *Preservative-treated Wood Containing Arsenic.* The Bank may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. The Bank may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude the Bank from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

(q) *Nondisclosure of Private Information.* The Bank agrees to comply fully with and be bound by all of the provisions of Chapter 12M of the San Francisco Administrative Code (the "*Nondisclosure of Private information Ordinance*"), including the remedies provided. The provisions of the Nondisclosure of Private Information Ordinance are incorporated herein by reference and made a part of this Agreement as though fully set forth. Capitalized terms used in this section and not defined in this Agreement shall have the meanings assigned to such terms in the Nondisclosure of Private Information Ordinance. Consistent with the requirements of the Nondisclosure of Private Information Ordinance, the Bank agrees to all of the following:

(i) Neither the Bank nor any of its Subcontractors shall disclose Private Information obtained from the City in the performance of this Agreement to any other Subcontractor, person, or other entity, unless one of the following is true:

- (1) the disclosure is authorized by this Agreement;
- (2) the Bank received advance written approval from the Contracting Department to disclose the information; or
- (3) the disclosure is required by law or judicial order.

(ii) Any disclosure or use of Private Information authorized by this Agreement shall be in accordance with any conditions or restrictions stated in this Agreement. Any disclosure or use of Private Information authorized by a Contracting Department shall be in accordance with any conditions or restrictions stated in the approval.

(iii) Private Information shall mean any information that: (1) could be used to identify an individual, including without limitation, name, address, social security number, medical information, financial information, date and location of birth, and names of relatives; or (2) the law forbids any person from disclosing.

(iv) Any failure of the Bank to comply with the Nondisclosure of Private Information Ordinance shall be a material breach of this Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate this Agreement, debar the Bank, or bring a false claim action against the Bank.

(r) *Proprietary or Confidential Information of City.* The Bank agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the City and its obligations, (g) with the consent of the City or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Bank on a non-confidential basis from a source other than the City. For the purposes of this Section, "Information" means all information received from the City relating to the City or its business, other than any such information that is available to the Bank on a non-confidential basis prior to disclosure by the City; *provided* that, in the case of information received from the City after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the

same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(s) *Submitting False Claims; Monetary Penalties.* Pursuant to San Francisco Administrative Code Section 21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for three times the amount of damages which the City sustains because of the false claim. A contractor, subcontractor or consultant who submits a false claim shall also be liable to the City for the costs, including attorneys' fees, of a civil action brought to recover any of those penalties or damages, and may be liable to the City for a civil penalty of up to \$10,000 for each false claim. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (i) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (ii) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (iii) conspires to defraud the City by getting a false claim allowed or paid by the City; (iv) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (v) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

(t) *Subcontracting.* Except as otherwise provided in this Agreement, the Bank is prohibited from subcontracting this Agreement or any part of it unless such subcontracting is first approved by City in writing. Neither party shall, on the basis of this Agreement, contract on behalf of or in the name of the other party. An agreement made in violation of this provision shall confer no rights on any party and shall be null and void.

(u) *Non-Waiver of Rights.* The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

(v) *City a Third Party Beneficiary.* The City is hereby designated as a third party beneficiary for the purpose of enforcing all of the obligations of the Bank contained in this Exhibit C to this Agreement.

Section 1.4 **Interest Rates; LIBOR Notification.** The interest rate on Eurodollar Loans is determined by reference to the LIBO Rate, which is derived from the London interbank offered rate. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the “*IBA*”) for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on Eurodollar Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London

interbank offered rate. Upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, Section 2.11(b) and (c) provide the mechanism for determining an alternative rate of interest. The Bank will promptly notify the Commission, pursuant to Section 2.11(e), of any change to the reference rate upon which the interest rate on Eurodollar Loans is based. However, the Bank does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of “LIBO Rate” or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 2.11(b) or (c), whether upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.11(d), including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the LIBO Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

ARTICLE 2

THE CREDITS

Section 2.1 **Commitments.** Subject to the terms and conditions set forth herein, the Bank agrees to make Loans to the Commission from time to time during the Availability Period in an aggregate principal amount that will not result (after giving effect to any application of proceeds of such Borrowing pursuant to Section 2.7) in the Revolving Credit Exposure exceeding the Commitment. Within the foregoing limits and subject to the terms and conditions set forth herein, the Commission may borrow, prepay and reborrow Loans.

Section 2.2 **Loans and Borrowings.**

(a) Subject to Section 2.4(d), Section 2.5(d) and Section 2.11, at the time of each Borrowing, the Commission may elect to incur a Loan as an ABR Loan or a Eurodollar Loan.

(b) At the commencement of each Interest Period for any Eurodollar Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$100,000 and not less than \$1,000,000. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of \$25,000 and not less than \$100,000; provided that an ABR Borrowing may be in an aggregate amount that is equal to the entire unused balance of the Commitment or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.4(d). Borrowings of more than one Type may be outstanding at the same time; provided that there shall not at any time be more than a total of 10 Eurodollar Borrowings outstanding.

(c) Notwithstanding any other provision of this Agreement, the Commission shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period

requested with respect thereto would end after the Maturity Date.

Section 2.3 **Requests for Revolving Borrowings.** To request a Borrowing, the Commission shall notify the Bank of such request by telephone (a) in the case of a Eurodollar Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 11:00 a.m., New York City time, one Business Day before the date of the proposed Borrowing; provided that any such notice of an ABR Borrowing to finance the reimbursement of an LC Disbursement as contemplated by Section 2.4(d) may be given not later than 10:00 a.m., New York City time, on the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Bank of a written Borrowing Request in a form approved by the Bank and signed by the Commission. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.2:

- (v) the location and number of the Commission's account to which funds are to be disbursed.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Borrowing, then the Commission shall be deemed to have selected an Interest Period of one month's duration. Subject to satisfaction of the terms and conditions of Section 3.2, the Bank shall make available to, or for the account of, the Commission the amount of each Borrowing no later than 2:00 p.m., New York City time, on the applicable Borrowing date.

Section 2.4 **Letters of Credit.**

(a) General. Subject to the terms and conditions set forth herein, the Commission may request the issuance of Letters of Credit as the applicant thereof for the support of its PPA payment obligations, in a form reasonably acceptable to the Bank, at any time and from time to time during the Availability Period. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Commission to, or entered into by the Commission with, the Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. Notwithstanding anything herein to the contrary, the Bank shall have

no obligation hereunder to issue, and shall not issue, any Letter of Credit the proceeds of which would be made available to any Person (i) to fund any activity or business of or with any Sanctioned Person, or in any country or territory that, at the time of such funding, is the subject of any Sanctions or (ii) in any manner that would result in a violation of any Sanctions by any party to this Agreement.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Commission shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the Bank) to the Bank (reasonably in advance of the requested date of issuance, amendment, renewal or extension, but in any event no less than five Business Days) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the Bank, the Commission also shall submit a letter of credit application on the Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Commission shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension the Revolving Credit Exposure shall not exceed the Commitment. Notwithstanding the preceding requirements of this Section 2.4(b), the Bank acknowledges that it has received all of the information it has requested in order to amend the Existing JPMorgan Letters of Credit on the Closing Date.

(c) Expiration Date. Unless otherwise expressly agreed to by the Bank, each Letter of Credit shall expire (or be subject to termination by notice from the Bank to the beneficiary thereof) at or prior to the close of business on the date that is five Business Days prior to the Maturity Date.

(d) Reimbursement. If the Bank shall make any LC Disbursement in respect of a Letter of Credit, the Commission shall reimburse such LC Disbursement by paying to the Bank an amount equal to such LC Disbursement not later than 1:00 p.m., New York City time, on the date that such LC Disbursement is made, if the Commission shall have received notice of such LC Disbursement prior to 10:00 a.m., New York City time, on such date, or, if such notice has not been received by the Commission prior to such time on such date, then not later than 1:00 p.m., New York City time, on the Business Day immediately following the day that the Commission receives such notice, if such notice is not received prior to such time on the day of receipt; provided that, if such LC Disbursement is not less than \$100,000, the Commission may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR ~~Revolving~~ Borrowing in an equivalent amount and, to the extent so financed, the Commission's obligation to make such payment shall be discharged and replaced by the resulting ABR Borrowing (such ABR Borrowing, a "*Reimbursement Loan*").

(e) Obligations Absolute. The Commission's obligation to reimburse LC Disbursements as provided in paragraph (d) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Commission's obligations hereunder. Neither the Bank nor any of its Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Bank; provided that the foregoing shall not be construed to excuse the Bank from liability to the Commission to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Commission to the extent permitted by applicable law) suffered by the Commission that are caused by the Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or wilful misconduct on the part of the Bank (as finally determined by a court of competent jurisdiction), the Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(f) Disbursement Procedures. The Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Bank shall promptly notify the Commission by telephone (confirmed by telecopy) of such demand for payment and whether the Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Commission of its obligation to reimburse the Bank with respect to any such LC Disbursement.

(g) Interim Interest. If the Bank shall make any LC Disbursement, then, unless the Commission shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the reimbursement is due and payable at the rate per annum set forth in Section 2.10(d) for ABR Loans and such interest shall

be due and payable on the date when such reimbursement is payable.

Section 2.5 **Interest Elections.**

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Commission may elect to convert such Borrowing (other than an ABR Borrowing of a Reimbursement Loan) to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Commission may elect different options with respect to different portions of the affected Borrowing (other than an ABR Borrowing of a Reimbursement Loan) and the Loan comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Commission shall notify the Bank of such election by telephone by the time that a Borrowing Request would be required under Section 2.3 if the Commission were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Bank of a written Interest Election Request in a form approved by the Bank and signed by the Commission.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.2:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Commission shall be deemed to have selected an Interest Period of one month's duration.

(d) If the Commission fails to deliver a timely Interest Election Request with respect to

a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Bank so notifies the Commission, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing and (ii) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto; provided, however, that the actions specified in clauses (i) and (ii) immediately above shall apply automatically without notice from the Bank if the Event of Default that has occurred and is continuing is an Event of Default described in Section 6.1(e) or Section 6.1(f).

Section 2.6 **Termination and Reduction of Commitment.**

(a) Unless previously terminated, the Commitment shall terminate on the Maturity Date.

(b) The Commission may at any time terminate, or from time to time reduce, the Commitment; provided that (i) each reduction of the Commitment shall be in an amount that is an integral multiple of \$100,000 and not less than \$1,000,000 and (ii) the Commission shall not terminate or reduce the Commitment if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.8, the Revolving Credit ~~Exposures~~Exposure would exceed the Commitment.

(c) The Commission shall notify the Bank of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Each notice delivered by the Commission pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitment delivered by the Commission may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Commission (by notice to the Bank on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitment shall be permanent.

~~—— (d) No later than ten (10) days after the publication of the Budget for a Fiscal Year, the Commission shall designate in writing delivered to the Bank the Clean Down Period for such Fiscal Year. Notwithstanding anything to the contrary in this Agreement, prior to the earlier of (i) the termination of the Commitments and (ii) the Maturity Date, no Borrowings of Working Capital Loans may be made during any Clean Down Period and, on the first day of each Clean Down Period, the Commission shall prepay in full all Working Capital Loans outstanding on such day from proceeds other than amounts on deposit in the Rate Stabilization Reserve or the Operating Reserve.~~

Section 2.7 **Repayment of Loans; Evidence of Debt.**

(a) The Commission hereby unconditionally promises to pay to the Bank the then unpaid principal amount of each Loan (other than a Reimbursement Loan) on the Maturity Date.

The Commission hereby unconditionally promises to pay to the Bank with respect to each Reimbursement Loan the Reimbursement Loan Amortization Payment Amount for such Reimbursement Loan on each applicable Reimbursement Loan Payment Date.

(b) The Bank shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Commission to the Bank resulting from each Loan made by the Bank, the Type of each Loan and the Interest Period, if any, applicable thereto and the amounts of principal and interest payable and paid to the Bank from time to time hereunder. The entries made in such account or accounts shall be *prima facie* evidence of the existence and amounts of the obligations recorded therein; provided that the failure of the Bank to maintain such account or accounts or any error therein shall not in any manner affect the obligation of the Commission to repay the Loans in accordance with the terms of this Agreement.

(c) The Bank may request that Loans made by it be evidenced by a promissory note. In such event, the Commission shall prepare, execute and deliver to the Bank a promissory note payable to the Bank and in a form approved by the Bank. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 7.3) be represented by one or more promissory notes in such form.

Section 2.8 **Prepayment of Loans.**

(a) The Commission shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with paragraph (b) of this Section.

(b) The Commission shall notify the Bank by telephone (confirmed by telecopy) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of prepayment, or (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, one Business Day before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.6, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.6. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.2. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.10.

Section 2.9 **Fees.** The Commission agrees to pay to the Bank the fees and other amounts set forth in the Fee Agreement at the time and in the manner set forth in the Fee Agreement. The Fee Agreement is, by this reference, incorporated herein in its entirety as if set forth herein in full. All fees and other amounts payable under the Fee Agreement shall be paid in immediately available funds. Fees paid shall not be refundable under any circumstances.

Section 2.10 **Interest.**

(a) The Loans comprising each ABR Borrowing (other than Reimbursement Loans) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) The Reimbursement Loans shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(d) Notwithstanding the foregoing, ~~if any principal of or upon the occurrence of an Event of Default, the interest on any Loan or any fee or other amount~~ rate payable ~~by~~ on the ~~Commission hereunder or under the Fee Agreement is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at~~ Loans shall be a rate per annum rate equal to ~~(i) in the case of overdue principal of any Loan, 3% plus~~ the rate otherwise applicable to such Loan as provided in the preceding paragraphs (a), (b) and (c) of this Section ~~or (ii) in the case of any other amount, 2.10 plus 3%, and all other Obligations hereunder shall bear interest at a rate per annum equal to~~ 3% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section 2.10.

(e) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and upon termination of the Commitment; provided that (i) interest accrued pursuant to paragraph ~~(ed)~~ of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Bank, and such determination shall be conclusive absent manifest error.

(g) Anything herein to the contrary notwithstanding, the amount of interest payable hereunder for any interest period shall not exceed the Maximum Rate. If for any interest period the applicable interest rate would exceed the Maximum Rate, then (i) such interest rate will not exceed but will be capped at such Maximum Rate and (ii) in any interest period thereafter that the applicable interest rate is less than the Maximum Rate, any Obligation hereunder will bear interest at the Maximum Rate until the earlier of (x) payment to the Bank of an amount equal to the amount which would have accrued but for the limitation set forth in this Section and (y) the Maturity Date. Upon the Maturity Date or, if no Revolving Credit Exposure is outstanding, on

the date the Commitment is permanently terminated, in consideration for the limitation of the rate of interest otherwise payable hereunder, to the extent permitted by Applicable Law, the Commission shall pay to the Bank a fee in an amount equal to the amount which would have accrued but for the limitation set forth in this Section 2.10(g) that has not previously been paid to the Bank in accordance with the immediately preceding sentence.

Section 2.11 **Alternate Rate of Interest.**

(a) ~~If Subject to clauses (b), (c), (d), (e), (f) and (g) of this Section 2.11, if~~ prior to the commencement of any Interest Period for a Eurodollar Borrowing;

(i) the Bank determines (which determination shall be conclusive absent manifest error) that (i) adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable (including because the LIBO Screen Rate is not available or published on a current basis), for such Interest Period; provided that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Bank determines that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to the Bank of making or maintaining its Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Bank shall give notice thereof to the Commission by telephone ~~or~~, teletype or electronic mail as promptly as practicable thereafter and, until the Bank notifies the Commission that the circumstances giving rise to such notice no longer exist, (A) any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Eurodollar Borrowing shall be ineffective; and (B) if any Borrowing Request requests a Eurodollar Revolving Borrowing, such Borrowing shall be made as an ABR Borrowing; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then the other Type of Borrowings shall be permitted.

~~(b) If at any time the Bank determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in clause (a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) have not arisen but the supervisor for the administrator of the LIBO Screen Rate or a Governmental Authority having jurisdiction over the Bank has made a public statement identifying a specific date after which the LIBO Screen Rate shall no longer be used for determining interest rates for loans, then the Bank and the Commission shall endeavor to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Until an alternate rate of interest shall be determined in accordance with this clause (b) (but, in the case of the circumstances described in clause (ii) of the first sentence of this Section 2.11(b), only to the extent the LIBO~~

~~Screen Rate for such Interest Period is not available or published at such time on a current basis); (x) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective, or (y) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing; provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement~~Notwithstanding anything to the contrary herein or in any other Basic Document (and any Swap Contract shall be deemed not to be a “Basic Document” for purposes of this Section 2.11), if a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) or (2) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Basic Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Basic Document and (y) if a Benchmark Replacement is determined in accordance with clause (3) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Basic Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Commission without any amendment to, or further action or consent of any other party to, this Agreement or any other Basic Document.

(c) Notwithstanding anything to the contrary herein or in any other Basic Document and subject to the proviso below in this paragraph, if a Term SOFR Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Basic Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Basic Document; provided that, this clause (c) shall not be effective unless the Bank has delivered to the Commission a Term SOFR Notice. For the avoidance of doubt, the Bank shall not be required to deliver a Term SOFR Notice after a Term SOFR Transition Event and may do so in its sole discretion.

(d) In connection with the implementation of a Benchmark Replacement, the Bank will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Basic Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Basic Document.

(e) The Bank will promptly notify the Commission of (i) any occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming

Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (d) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Bank pursuant to this Section 2.11, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Basic Document, except, in each case, as expressly required pursuant to this Section 2.11.

(f) Notwithstanding anything to the contrary herein or in any other Basic Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR or LIBO Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Bank in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Bank may modify the definition of “Interest Period” for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Bank may modify the definition of “Interest Period” for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(g) Upon the Commission’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Commission may revoke any request for a Eurodollar Borrowing of, conversion to or continuation of Eurodollar Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Commission will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR.

Section 2.12 **Increased Costs.**

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, the Bank (except any such reserve requirement reflected in the Adjusted LIBO Rate);

(ii) impose on the Bank or the London interbank market any other condition,

cost or expense (other than Taxes) affecting this Agreement or Loans made by the Bank or any Letter of Credit; or

(iii) subject the Bank to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to the Bank of making, continuing, converting or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to the Bank of issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by the Bank hereunder (whether of principal, interest or otherwise), then the Commission will pay to the Bank such additional amount or amounts as will compensate the Bank for such additional costs incurred or reduction suffered.

(b) If the Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on the Bank's capital or on the capital of the Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or the Letters of Credit issued by, the Bank, to a level below that which the Bank or the Bank's holding company could have achieved but for such Change in Law (taking into consideration the Bank's policies and the policies of the Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Commission will pay to the Bank such additional amount or amounts as will compensate the Bank or the Bank's holding company for any such reduction suffered.

(c) A certificate of the Bank setting forth the amount or amounts necessary to compensate the Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Commission and shall be conclusive absent manifest error. The Commission shall pay the Bank, as the case may be, the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Failure or delay on the part of the Bank to demand compensation pursuant to this Section shall not constitute a waiver of the Bank's right to demand such compensation; provided that the Commission shall not be required to compensate the Bank pursuant to this Section for any increased costs or reductions incurred more than 270 days prior to the date that the Bank notifies the Commission of the Change in Law giving rise to such increased costs or reductions and of the Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.13 **Break Funding Payments**. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto or (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant

hereto (regardless of whether such notice may be revoked under Section 2.8(b) and is revoked in accordance therewith), then, in any such event, the Commission shall compensate the Bank for the loss, cost and expense attributable to such event. In the case of a Eurodollar Loan, such loss, cost or expense to the Bank shall be deemed to include an amount determined by the Bank to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which the Bank would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of the Bank setting forth any amount or amounts that the Bank is entitled to receive pursuant to this Section shall be delivered to the Commission and shall be conclusive absent manifest error. The Commission shall pay the Bank the amount shown as due on any such certificate within 30 days after receipt thereof.

Section 2.14 **Payments Free of Taxes.**

(a) Any and all payments by or on account of any obligation of the Commission under any Basic Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of the Commission) requires the deduction or withholding of any Tax from any such payment by the Commission, then the Commission shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Commission shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.14) the Bank receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) The Commission shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Bank timely reimburse the Bank for, Other Taxes.

(c) As soon as practicable after any payment of Taxes by the Commission to a Governmental Authority pursuant to this Section 2.14, the Commission shall deliver to the Bank the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Bank.

(d) The Commission shall indemnify the Bank, within 30 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by the Bank or required to be withheld or deducted from a payment to the Bank and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or

legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Commission by the Bank shall be conclusive absent manifest error.

(e) If the Bank determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.14 (including by the payment of additional amounts pursuant to this Section 2.14), it shall pay to the Commission an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.14 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Bank and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). The Commission, upon the request of the Bank, shall repay to the Bank the amount paid over pursuant to this paragraph (e) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that the Bank is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (e), in no event will the Bank be required to pay any amount to the Commission pursuant to this paragraph (e) the payment of which would place the Bank in a less favorable net after-Tax position than the Bank would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require the Bank to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Commission or any other Person.

(f) Each party's obligations under this Section 2.14 shall survive any assignment of rights by the Bank, the termination of the Commitment and the repayment, satisfaction or discharge of all obligations under any Basic Document.

(g) For purposes of this Section 2.14, the term "*applicable law*" includes FATCA.

Section 2.15 **Payments Generally.**

(a) The Commission shall make each payment required to be made by it hereunder or under the Fee Agreement (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.12, 2.13 or 2.14, or otherwise) prior to 12:00 noon, New York City time, on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the discretion of the Bank, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Bank at its offices at 270 Park Avenue, New York, New York, except that payments pursuant to Sections 2.12, 2.13, 2.14 and 7.5 shall be made directly to the Persons entitled thereto. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Bank to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, and (ii) second, ratably towards payment of principal and unreimbursed LC Disbursements then due hereunder.

Section 2.16 **Mitigation Obligation.** If the Bank requests compensation under Section 2.12, or if the Commission is required to pay any Indemnified Taxes or additional amounts to the Bank or any Governmental Authority for the account of the Bank pursuant to Section 2.14, then the Bank shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of the Bank, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Sections 2.12 or 2.14, as the case may be, in the future and (ii) would not subject the Bank to any unreimbursed cost or expense and would not otherwise be disadvantageous to the Bank. The Commission hereby agrees to pay all reasonable costs and expenses incurred by the Bank in connection with any such designation or assignment.

Section 2.17 **Extension of Commitment Period.** The Maturity Date may be extended an unlimited number of times, in each case in the manner set forth in this Section 2.17. Upon receipt of written request of the Commission to extend the Maturity Date, received not less than one hundred twenty (120) days prior to the then current Maturity Date, the Bank will use its commercially reasonable efforts to notify the Commission of its response within thirty (30) days of receipt of the request therefor (the Bank's decision to be made in its sole and absolute discretion and on such terms and conditions as to which the Bank and the Commission may agree); provided, however, that the failure of the Commission to receive a written confirmation from the Bank within the time established therefor shall be deemed a denial of such request. Any extension of the Maturity Date will be deemed to be on the existing terms of this Agreement unless the Bank and the Commission have entered into a written agreement confirming a change in any term of this Agreement.

Section 2.18 **Pledge; Security of Obligations.** The CleanPowerSF Net Revenues are hereby pledged by the Commission to the payment of the Obligations without priority or distinction of one Obligation over another Obligation. The pledge of the CleanPowerSF Net Revenues herein made shall be irrevocable until the Commitment has expired or been terminated and the principal of and interest on each Loan and all fees payable hereunder shall have been paid in full and all Letters of Credit shall have expired or terminated, in each case, without any pending draw, and all LC Disbursements shall have been reimbursed. Notwithstanding any other provision of this Agreement to the contrary, all Obligations are limited obligations of the Commission payable solely from CleanPowerSF Revenues.

ARTICLE 3

CONDITIONS PRECEDENT

Section 3.1 **Conditions Precedent to Effectiveness.** The obligation of the Bank to make Loans and to issue Letters of Credit (including the amendments to the Existing JPMorgan Letters of Credit) hereunder shall not become effective until the date on which each of the following conditions is satisfied:

(e) *No Material Adverse Change.* Since the date of the 2017 Audited Financial Statements, (i) no material adverse change has occurred in the status of the business, operations or condition (financial or otherwise) of the Commission or its ability to perform its obligations under the Basic Documents and (ii) no law, regulation, ruling or other action (or interpretation or administration thereof) of the United States, the State of California or any political subdivision or authority therein or thereof is in effect or has occurred, the effect of which would be to prevent the Bank from fulfilling its obligations under this Agreement or the Letters of Credit.

(f) *Certificate.* The Bank has received (i) certified copies of all proceedings of the Commission authorizing the execution, delivery and performance of the Basic Documents and the transactions contemplated thereby and (ii) a certificate or certificates of one or more Authorized Representatives dated the Closing Date certifying the accuracy of the statements made in Section 3.1(c), (d), (e) and (i) hereof and further certifying the name, incumbency and signature of each individual authorized to sign this Agreement, the Fee Agreement and the other documents or certificates to be delivered by the Commission pursuant hereto or thereto, on which certification the Bank may conclusively rely until a revised certificate is similarly delivered, and that the conditions precedent set forth in this Section 3.1 have been satisfied.

The execution and delivery of this Agreement by the Bank signifies its satisfaction with the conditions precedent set forth in this Section 3.1.

Section 3.2 **Conditions Precedent to Each Credit Event.** The obligation of the Bank

to make a Loan on the occasion of any Borrowing, and of the Bank to issue, amend, renew or extend any Letter of Credit, is subject to the satisfaction of the following conditions:

(a) The representations and warranties of the Commission set forth in this Agreement shall be true and correct on and as of the date of such Borrowing or the date of issuance, amendment, renewal or extension of such Letter of Credit, as applicable.

(b) At the time of and immediately after giving effect to such Borrowing or the issuance, amendment, renewal or extension of such Letter of Credit, as applicable, no Default ~~or Suspension Event~~ shall have occurred and be continuing.

Each Borrowing and each issuance, amendment, renewal or extension of a Letter of Credit shall be deemed to constitute a representation and warranty by the Commission on the date thereof as to the matters specified in paragraphs (a) and (b) of this Section [3.2](#).

ARTICLE 4

REPRESENTATIONS AND WARRANTIES

In order to induce the Bank to issue the Letters of Credit, the Commission represents and warrants to the Bank as follows:

Section 4.1 **Organization, Powers, Etc.** The Commission (a) is a commission of the City and County of San Francisco organized and existing under the Charter; (b) has the full legal right, power and authority to (i) own and operate the CleanPowerSF Program and control its properties and to carry on its business as now conducted and as contemplated to be conducted, including without limitation, by the CCA Program and the IP, (ii) execute, deliver and perform its obligations under the Basic Documents and (iii) provide for the security of this Agreement and the Fee Agreement pursuant to the Charter; and (c) has complied with all Laws in all matters related to such actions of the Commission as are contemplated by the CCA Program, the IP and the Basic Documents. The CleanPowerSF Program is a Separate System.

Section 4.2 **Authorization, Absence of Conflicts, Etc.** The adoption of the CCA Program, the implementation of the IP and the execution, delivery and performance by the Commission of the Basic Documents (a) have been duly authorized by all necessary action on the part of the Commission, (b) do not conflict with, or result in a violation of, any Laws, including the Charter, or any order, writ, rule or regulation of any court or governmental agency or instrumentality binding upon or applicable to the Commission which violation would result in a ~~material adverse impact on the CleanPowerSF Program~~ [Material Adverse Effect](#) and (c) do not conflict with, result in a violation of, or constitute a default under, any resolution, agreement or instrument to which the Commission is a party or by which the Commission or any of its property is bound which, in any case, would result in a ~~material adverse impact on the CleanPowerSF Program~~ [Material Adverse Effect](#).

Section 4.3 **Binding Obligations.** The Basic Documents are valid and binding

obligations of the Commission (assuming due authorization, execution and delivery by the other parties thereto) enforceable against the Commission in accordance with their respective terms, except to the extent, if any, that the enforceability thereof may be limited by (i) any applicable bankruptcy, insolvency, reorganization, moratorium or other similar law of the State or federal government affecting the enforcement of creditors' rights generally heretofore or hereafter enacted, (ii) the fact that enforcement may also be subject to the exercise of judicial discretion in appropriate cases and (iii) the limitations on legal remedies against public agencies of the State.

Section 4.4 **Governmental Consent or Approval**. Section 7.3 Survival of Covenants; Successors and Assigns.

(a) All covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto will survive the making of any Loan, and LC Disbursement or the issuance of any Letter of Credit and will continue in full force and effect until all of the Obligations hereunder are paid in full. Whenever in this Agreement any of the parties hereto is referred to, such reference will, subject to the last sentence of this Section, be deemed to include the successors and assigns of such party, and all covenants, promises and agreements by or on behalf of the Commission which are contained in this Agreement will inure to the benefit of the successors and assigns of the Bank. The Commission may not transfer its rights or obligations under this Agreement without the prior written consent of the Bank. The Bank may transfer or assign some or all of its rights and obligations under this Agreement and the Fee [Letter Agreement](#) with, so long as no Event of Default has occurred and is continuing, the prior written consent of the Commission (which consent may not be withheld unreasonably), provided that the Bank shall be responsible for all costs solely relating to such transfer or assignment. This Agreement is made solely for the benefit of the Commission and the Bank, and no other Person (including, without limitation, any PPA Counterparty) will have any right, benefit or interest under or because of the existence of this Agreement.

(b) Notwithstanding the foregoing, the Bank will be permitted to grant to one or more financial institutions (each a "*Participant*") a participation or participations in all or any part of the Bank's rights and benefits and obligations under this Agreement, the Fee Agreement, the Loans and the Letters of Credit on a participating basis but not as a party to this Agreement (a "*Participation*") without the consent of the Commission. The Commission agrees that each Participant will, to the extent of its Participation, be entitled to the benefits of this Agreement as if such Participant were the Bank; provided that no Participant will have the right to declare, or to take actions in response to, an Event of Default under Section 6.1 hereof; and provided, further, that the Commission's liability to any Participant (including, without limitation, amounts payable pursuant to Sections 2.12, 2.13 and 2.14) will not in any event exceed that liability which the Commission would owe to the Bank but for such participation.

Section 7.4 **Reserved.**

Section 7.5 **Liability of Bank; Indemnification.**

(a) To the extent permitted by the law of the State, the Commission assumes all risks of the acts or omissions of the PPA Counterparties with respect to the use of the Letters of Credit or the use of proceeds thereunder; provided that this provision is not intended to and will not preclude the Commission from pursuing such rights and remedies as it may have against the PPA Counterparties under any other agreements. Neither the Bank nor any of its respective officers or directors will be liable or responsible for (i) the use of any Letter of Credit, the LC Disbursements or the Loans or the transactions contemplated hereby and by the other Basic Documents or for any acts or omissions of any PPA Counterparty, (ii) the validity, sufficiency or genuineness of any documents determined in good faith by the Bank to be valid, sufficient or genuine, even if such documents, in fact, prove to be in any or all respects invalid, fraudulent, forged or insufficient, (iii) payments by the Bank against presentation of requests for LC Disbursements or requests which the Bank in good faith has determined to be valid, sufficient or genuine and which subsequently are found not to comply with the terms of this Agreement or (iv) any other circumstances whatsoever in making or failing to make payment hereunder; provided that the Commission is not required to indemnify the Bank for any claims, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the gross negligence or willful misconduct of the Bank.

(b) To the extent permitted by the law of the State, the Commission indemnifies and holds harmless the Bank from and against any and all direct, as opposed to consequential, claims, damages, losses, liabilities, costs and expenses (including specifically reasonable attorneys' fees) which the Bank may incur (or which may be claimed against the Bank by any Person whatsoever) by reason of or in connection with the execution, delivery and performance of the Basic Documents, the Letters of Credit and the transactions contemplated thereby; provided that the Commission is not required to indemnify the Bank to the extent, but only to the extent, any such claim, damage, loss, liability, cost or expense is caused by the Bank's willful misconduct or gross negligence as determined by a final order of a court of competent jurisdiction. The Bank is expressly authorized and directed to honor any demand for payment which is made under any Letter of Credit without regard to, and without any duty on its part to inquire into the existence of, any disputes or controversies between the Commission, any PPA Counterparty or any other Person or the respective rights, duties or liabilities of any of them or whether any facts or occurrences represented in any of the documents presented under any Letter of Credit are true and correct.

(c) To the fullest extent permitted by Applicable Law, the Commission shall not assert, and waives, any claim against the Bank, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, any Letter of Credit, any Basic Document or any agreement or instrument contemplated thereby, the transactions contemplated thereby or the use of the proceeds thereof.

In addition, and notwithstanding the foregoing, the Commission agrees to pay, after the occurrence of an Event of Default, all costs and expenses (including attorneys' fees and costs of settlement) incurred by the Bank in enforcing any obligations or in collecting any payments due from the Commission hereunder or under the Fee Agreement by reason of such Event of Default or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "workout" or of any insolvency or bankruptcy proceedings. The obligations of the Commission under this Section 7.6 will survive the termination of this Agreement.

Section 7.7 **No Waiver; Conflict**. Neither any failure nor any delay on the part of the Bank in exercising any right, power or privilege hereunder, nor any course of dealing with respect to any of the same, will operate as a waiver thereof or preclude any other or further exercise thereof, nor will a single or partial exercise thereof, preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The remedies herein provided are cumulative and not exclusive of any remedies provided by law. To the extent of any conflict between this Agreement and any other Basic Documents, this Agreement will control solely as between the Commission and the Bank.

The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic or legal effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

JPMorgan Chase Bank, N.A.
New York, New York

Re: Credit Agreement, dated as of March 29, 2018, between
Public Utilities Commission of the City and County of San Francisco
and JPMorgan Chase Bank, N.A.

Ladies and Gentlemen:

This letter is addressed to JPMorgan Chase Bank, N.A. (the “*Bank*”), pursuant to Section 3.1(a)(ii) of the Credit Agreement, dated as of March 29, 2018 (the “*Credit Agreement*”), between the Bank and the Public Utilities Commission of the City and County of San Francisco (the “*Commission*”). Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Credit Agreement.

In such connection, we have reviewed the Master Trust Indenture, the Credit Agreement, the Fee Agreement, certificates of the Commission and others, opinions of your counsel and of counsel to the Commission and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the date hereof. Accordingly, this letter speaks only as of its date and is not intended to, and may not, be relied upon or otherwise used in connection with any such actions, events or matters. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, any parties other than the Commission. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents, and of the legal conclusions contained in the opinions, referred to in the second paragraph hereof. Furthermore, we have assumed compliance with all covenants and agreements contained in the Credit Agreement and the Fee Agreement. We call attention to the fact that the rights and obligations under the Credit Agreement and the Fee Agreement and their enforceability may be subject to bankruptcy, insolvency, receivership, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors’ rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against cities and counties in the State of California. We express no opinion with respect to any indemnification, contribution, liquidated damages,

penalty (including any remedy deemed to constitute a penalty), right of setoff, arbitration, judicial reference, choice of law, choice of forum, choice of venue, non-exclusivity of remedies, waiver or severability provisions contained in the foregoing documents, nor do we express any opinion with respect to the state or quality of title to or interest in any of the assets described in or as subject to the lien of the Credit Agreement or the accuracy or sufficiency of the description contained therein of, or the remedies available to enforce liens on, any such assets.

Based on and subject to the foregoing and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Credit Agreement and the Fee Agreement constitute valid and binding obligations of the Commission.
2. The Credit Agreement creates a valid pledge, to secure the payment of the Obligations, of the CleanPowerSF Net Revenues.
3. The CleanPowerSF Program constitutes a “Separate System” as defined in the Master Trust Indenture.

This letter is furnished by us as bond counsel to the Commission. No attorney-client relationship has existed or exists between our firm and the Bank in connection with the Credit Agreement or the Fee Agreement by virtue of this letter. We disclaim any obligation to update this letter. This letter is delivered to you as the Bank, is solely for the benefit of the Bank and is not to be used, circulated, quoted or otherwise referred to or relied upon for any other purpose or by any other person. This letter is not intended to, and may not, be relied upon by any party to whom it is not specifically addressed.

Very truly yours,

ORRICK, HERRINGTON & SUTCLIFFE LLP

CITY REQUIREMENTS

(a) *Tropical Hardwood and Virgin Redwood Ban.* The City urges contractors not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

(b) *Nondiscrimination: Penalties.*

(i) *Bank Shall Not Discriminate.* In the performance of this Agreement, the Bank agrees not to discriminate against any employee, City and County employee working with the Bank or subcontractor, applicant for employment with the Bank or subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status, or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(ii) *Subcontracts.* The Bank shall incorporate by reference in all subcontracts made in fulfillment of its obligations hereunder the provisions of Sections 12B.2(a), 12B.2(c)-(k) and 12C.3 of the San Francisco Administrative Code and shall require all subcontractors to comply with such provisions. The Bank's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(iii) *Non-Discrimination in Benefits.* The Bank does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(iv) *HRC Form.* The Bank shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

(v) *Incorporation of Administrative Code Provisions by Reference.* The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. The Bank shall comply fully with and be bound by all of the provisions that apply to this

Agreement under such Chapters of the San Francisco Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, the Bank understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against the Bank and/or deducted from any payments due the Bank; *provided, however*, that such damages shall not be set off against the payment of rental or other contract related to Commercial Paper Notes or other debt obligations of the City.

(c) *Limitations on Contributions.* Through execution of this Agreement, the Bank acknowledges that it is familiar with Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City, including the Commission, for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (A) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (B) a candidate for the office held by such individual, or (C) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. The Bank acknowledges that the foregoing restriction applies only if the contract or combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. The Bank further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of the Bank's board of directors; the Bank's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in the Bank; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by the Bank. Additionally, the Bank acknowledges that the Bank must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126 of the City's Campaign and Governmental Conduct Code.

(d) *MacBride Principles Northern Ireland.* Pursuant to San Francisco Administrative Code Section 12F.5, the City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this Agreement on behalf of the Bank acknowledges and agrees that he or she has read and understood this Section.

(e) *Conflict of Interest.* Through its execution of this Agreement, the Bank hereby acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 *et seq.* and Section 1090 *et seq.* of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.

(f) *Earned Income Credit (“EIC”) Forms.* San Francisco Administrative Code section 12O requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found.

(i) The Bank shall provide EIC Forms to each Eligible Employee at each of the following times: (A) within thirty days following the date on which this Agreement becomes effective (unless the Bank has already provided such EIC Forms at least once during the calendar year in which such effective date falls); (B) promptly after any Eligible Employee is hired by the Bank; and (C) annually between January 1 and January 31 of each calendar year during the term of this Agreement.

(ii) Failure to comply with any requirement contained in the immediately preceding paragraph shall constitute a material breach by the Bank of the terms of this Agreement. If, within thirty days after the Bank receives written notice of such a breach, the Bank fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty days, the Bank fails to commence efforts to cure within such period or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under this Agreement or under applicable law.

(iii) Any subcontract entered into by the Bank shall require the subcontractor to comply, as to the subcontractor’s Eligible Employees, with each of the terms of this Section.

(iv) Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Section 12O of the San Francisco Administrative Code.

(g) *Local Business Enterprise Utilization; Liquidated Damages.*

(i) *The LBE Ordinance.* The Bank shall comply with all the requirements of the Disadvantaged Business Enterprise Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the “LBE Ordinance”), *provided* such amendments do not materially increase the Bank’s obligations or liabilities, or materially diminish the Bank’s rights, under this Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Agreement as though fully set forth in this Section. The Bank’s willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of the Bank’s obligations under this Agreement and shall entitle City, subject to any applicable notice and cure provisions set forth in this Agreement, to exercise any of the remedies provided for under this Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Agreement expressly provides that any remedy is exclusive. In addition, the Bank shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

(ii) *Compliance and Enforcement.* If the Bank willfully fails to comply with

any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Agreement pertaining to LBE participation, the Bank shall be liable for liquidated damages in an amount equal to the Bank's net profit on this Agreement, or 10% of the total amount of this Agreement, or \$1,000, whichever is greatest. The Director of the City's Human Rights Commission or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the "Director of HRC") may also impose other sanctions against the Bank authorized in the LBE Ordinance, including declaring the Bank to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Bank's LBE certification. The Director of HRC will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to the San Francisco Administrative Code Section 14B.17.

By entering into this Agreement, the Bank acknowledges and agrees that any liquidated damages assessed by the Director of the HRC shall be payable to City upon demand. The Bank further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to the Bank on any contract with City.

The Bank agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Agreement, and shall make such records available for audit and inspection by the Director of HRC or the Controller upon request.

(h) *Drug-Free Workplace Policy.* The Bank acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on Commission or City premises. The Bank agrees that any violation of this prohibition by the Bank, its employees, agents or assigns will be deemed a material breach of this Agreement.

(i) *Compliance with Americans with Disabilities Act.* The Bank acknowledges that, pursuant to the Americans with Disabilities Act ("ADA"), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. The Bank shall provide the services specified in this Agreement in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. The Bank agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Agreement and further agrees that any violation of this prohibition on the part of the Bank, its employees, agents or assigns will constitute a material breach of this Agreement.

(j) *Sunshine Ordinance.* In accordance with San Francisco Administrative Code Section 67.24(e), contracts, contractors' bids, responses to solicitations and all other records of communications between the Commission or the City and persons or firms seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

(k) *Requiring Minimum Compensation for Covered Employees.*

(i) The Bank agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (“MCO”), as set forth in San Francisco Administrative Code Chapter 12P (“Chapter 12P”), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of the Bank’s obligations under the MCO is set forth in this Section. The Bank is required to comply with all the provisions of the MCO, irrespective of this listing of obligations in this Section.

(ii) The MCO requires the Bank to pay the Bank’s employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and the Bank is obligated to keep informed of the then-current requirements. Any subcontract entered into by the Bank shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is the Bank’s obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against the Bank.

(iii) The Bank shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(iv) The Bank shall maintain employee and payroll records as required by the MCO. If the Bank fails to do so, it shall be presumed that the Bank paid no more than the minimum wage required under State law.

(v) The City is authorized to inspect the Bank’s job sites and conduct interviews with employees and conduct audits of the Bank.

(vi) The Bank’s commitment to provide the Minimum Compensation is a material element of the City’s consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Bank fails to comply with these requirements. The Bank agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for the Bank’s noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(vii) The Bank understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement

for violating the MCO, the Bank fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Bank fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(viii) The Bank represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(ix) The City may conduct random audits of the Bank. Random audits shall be (A) noticed in advance in writing; (B) limited to ascertaining whether Covered Employees are paid at least the minimum compensation required by the MCO; (C) accomplished through an examination of pertinent records at a mutually agreed upon time and location within ten days of the written notice; and (D) limited to one audit of the Bank every two years for the duration of this Agreement. Nothing in this Agreement is intended to preclude the City from investigating any report of an alleged violation of the MCO.

(l) *Requiring Health Benefits for Covered Employees.* Unless exempt, the Bank agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (“HCAO”), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated herein by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at <http://www.sfgov.org/lwlh.htm>. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(i) For each Covered Employee, the Bank shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If the Bank chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(ii) Notwithstanding the above, if the Bank is a small business as defined in Section 12Q.3(d) of the HCAO, it shall have no obligation to comply with part (i) above.

(iii) The Bank’s failure to comply with the HCAO shall constitute a material breach of this Agreement. The City shall notify the Bank if such a breach has occurred. If, within 30 days after receiving City’s written notice of a breach of this Agreement for violating the HCAO, the Bank fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Bank fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in Section 12Q.5(f)(1-5). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(iv) Any subcontract entered into by the Bank shall require the subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations

substantially the same as those set forth in this Section. The Bank shall notify City's Office of Contract Administration when it enters into such a subcontract and shall certify to the Office of Contract Administration that it has notified the subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on subcontractor through the subcontract. The Bank shall be responsible for its subcontractors' compliance with this Chapter. If a subcontractor fails to comply, the City may pursue the remedies set forth in this Section against the Bank based on the subcontractor's failure to comply, *provided* that City has first provided the Bank with notice and an opportunity to obtain a cure of the violation.

(v) The Bank shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to the Bank's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(vi) The Bank represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(vii) The Bank shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(viii) The Bank shall keep itself informed of the current requirements of the HCAO.

(ix) The Bank shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on subcontractors and subtenants, as applicable.

(x) The Bank shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(xi) The Bank shall allow City to inspect the Bank's job sites and have access to the Bank's employees in order to monitor and determine compliance with HCAO.

(xii) The City may conduct random audits of the Bank to ascertain its compliance with HCAO. The Bank agrees to cooperate with City when it conducts such audits.

(xiii) If the Bank is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but the Bank later enters into an agreement or agreements that cause the Bank's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Bank and the City to be equal to or greater than \$75,000 in the fiscal year.

(m) *Prohibition on Political Activity with City Funds.* In accordance with San Francisco Administrative Code Chapter 12.G, the Bank may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, “Political Activity”) in the performance of the services provided under this Agreement. The Bank agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City’s Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event the Bank violates the provisions of this Section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement, and (ii) prohibit the Bank from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider the Bank’s use of profit as a violation of this Section.

(n) *Graffiti Removal.* Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City’s property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and its residents, and to prevent the further spread of graffiti.

The Bank shall remove all graffiti from any real property owned or leased by such Bank in the City and County of San Francisco within forty-eight (48) hours of the earlier of such Bank’s (i) discovery or notification of the graffiti or (ii) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require any Bank to breach any lease or other agreement that it may have concerning its use of the real property. The term “graffiti” means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner’s authorized agent, and which is visible from the public right-of-way. “Graffiti” shall not include: (A) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (B) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. Section 101 et seq.).

Any failure of the Bank to comply with this Section of this Agreement shall constitute a material breach of this Agreement.

(o) *Food Service Waste Reduction Requirements.* The Bank agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and

implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, the Bank agrees that if it breaches this provision, the City will suffer actual damages that will be impractical or extremely difficult to determine; further, the Bank agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that the City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by the City because of such Bank's failure to comply with this provision.

(p) *Preservative-treated Wood Containing Arsenic.* The Bank may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. The Bank may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude the Bank from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

(q) *Nondisclosure of Private Information.* The Bank agrees to comply fully with and be bound by all of the provisions of Chapter 12M of the San Francisco Administrative Code (the "Nondisclosure of Private Information Ordinance"), including the remedies provided. The provisions of the Nondisclosure of Private Information Ordinance are incorporated herein by reference and made a part of this Agreement as though fully set forth. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in the Nondisclosure of Private Information Ordinance. Consistent with the requirements of the Nondisclosure of Private Information Ordinance, the Bank agrees to all of the following:

(i) Neither the Bank nor any of its Subcontractors shall disclose Private Information obtained from the City in the performance of this Agreement to any other Subcontractor, person, or other entity, unless one of the following is true:

- (1) the disclosure is authorized by this Agreement;
- (2) the Bank received advance written approval from the Contracting Department to disclose the information; or
- (3) the disclosure is required by law or judicial order.

(ii) Any disclosure or use of Private Information authorized by this Agreement shall be in accordance with any conditions or restrictions stated in this Agreement. Any disclosure or use of Private Information authorized by a Contracting Department shall be in accordance with any conditions or restrictions stated in the approval.

(iii) Private Information shall mean any information that: (1) could be used to identify an individual, including without limitation, name, address, social security number, medical information, financial information, date and location of birth, and names of relatives; or (2) the law forbids any person from disclosing.

(iv) Any failure of the Bank to comply with the Nondisclosure of Private Information Ordinance shall be a material breach of this Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate this Agreement, debar the Bank, or bring a false claim action against the Bank.

(r) *Proprietary or Confidential Information of City.* The Bank agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the City and its obligations, (g) with the consent of the City or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Bank on a non-confidential basis from a source other than the City. For the purposes of this Section, "Information" means all information received from the City relating to the City or its business, other than any such information that is available to the Bank on a non-confidential basis prior to disclosure by the City; *provided* that, in the case of information received from the City after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(s) *Submitting False Claims; Monetary Penalties.* Pursuant to San Francisco Administrative Code Section 21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for three times the amount of damages which the City sustains because of the false claim. A contractor, subcontractor or consultant who submits a false claim shall also be liable to the City for the costs, including attorneys' fees, of a civil action brought to recover any of those penalties or damages, and may be liable to the City for a civil

penalty of up to \$10,000 for each false claim. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (i) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (ii) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (iii) conspires to defraud the City by getting a false claim allowed or paid by the City; (iv) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (v) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

(t) *Subcontracting.* Except as otherwise provided in this Agreement, the Bank is prohibited from subcontracting this Agreement or any part of it unless such subcontracting is first approved by City in writing. Neither party shall, on the basis of this Agreement, contract on behalf of or in the name of the other party. An agreement made in violation of this provision shall confer no rights on any party and shall be null and void.

(u) *Non-Waiver of Rights.* The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

(v) *City a Third Party Beneficiary.* The City is hereby designated as a third party beneficiary for the purpose of enforcing all of the obligations of the Bank contained in this Exhibit C to this Agreement.

For the avoidance of doubt, PPAs are not Basic Documents.

“*Benchmark*” means, initially, LIBO Rate; provided that if a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred with respect to LIBO Rate or the then-current Benchmark, then “Benchmark” means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to clause (b) or clause (c) of Section 2.11.

“*Benchmark Replacement*” means, for any Available Tenor, the first alternative set forth in the order below that can be determined by the Bank for the applicable Benchmark

Replacement Date:

(1) the sum of: (a) Term SOFR and (b) the related Benchmark Replacement Adjustment;

(2) the sum of: (a) Daily Simple SOFR and (b) the related Benchmark Replacement Adjustment;

(3) the sum of: (a) the alternate benchmark rate that has been selected by the Bank and the Commission as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement for the then-current Benchmark for dollar-denominated syndicated credit facilities at such time and (b) the related Benchmark Replacement Adjustment.

provided that, in the case of clause (1), such Unadjusted Benchmark Replacement is displayed on a screen or other information service that publishes such rate from time to time as selected by the Bank in its reasonable discretion; provided further that, notwithstanding anything to the contrary in this Agreement or in any other Basic Document, upon the occurrence of a Term SOFR Transition Event, and the delivery of a Term SOFR Notice, on the applicable Benchmark Replacement Date the “Benchmark Replacement” shall revert to and shall be deemed to be the sum of (a) Term SOFR and (b) the related Benchmark Replacement Adjustment, as set forth in clause (1) of this definition (subject to the first proviso above).

If the Benchmark Replacement as determined pursuant to clause (1), (2) or (3) above would be less than the Floor, the Benchmark Replacement will be deemed to be the Floor for the purposes of this Agreement and the other Basic Documents.

“*Benchmark Replacement Adjustment*” means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement for any applicable Interest Period and Available Tenor for any setting of such Unadjusted Benchmark Replacement:

(1) for purposes of clauses (1) and (2) of the definition of “Benchmark Replacement,” the first alternative set forth in the order below that can be determined by the Bank:

(a) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) as of the Reference Time such Benchmark Replacement is first set for such Interest Period that has been selected or recommended by the Relevant Governmental Body for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for the applicable Corresponding Tenor;

agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein), (b) any reference herein to any Person shall be construed to include such Person's successors and assigns, (c) the words "herein," "hereof" and "hereunder," and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Agreement and (e) the words "asset" and "property" shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights.

Section 1.4 **Interest Rates; LIBOR Notification.** The interest rate on Eurodollar Loans is determined by reference to the LIBO Rate, which is derived from the London interbank offered rate. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the "***IBA***") for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on Eurodollar Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate. Upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, Section 2.11(b) and (c) provide the mechanism for determining an alternative rate of interest. The Bank will promptly notify the Commission, pursuant to Section 2.11(e), of any change to the reference rate upon which the interest rate on Eurodollar Loans is based. However, the Bank does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of "LIBO Rate" or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 2.11(b) or (c), whether upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.11(d)), including without limitation,

whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the LIBO Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

ARTICLE 2

THE CREDITS

Section 2.1 **Commitments**. Subject to the terms and conditions set forth herein, the Bank agrees to make Loans to the Commission from time to time during the Availability Period in an aggregate principal amount that will not result (after giving effect to any application of proceeds of such Borrowing pursuant to Section 2.7) in the Revolving Credit Exposure exceeding the Commitment. Within the foregoing limits and subject to the terms and conditions set forth herein, the Commission may borrow, prepay and reborrow Loans.

Section 2.2 **Loans and Borrowings**.

(a) Subject to Section 2.4(d), Section 2.5(d) and Section 2.11, at the time of each Borrowing, the Commission may elect to incur a Loan as an ABR Loan or a Eurodollar Loan.

(b) At the commencement of each Interest Period for any Eurodollar Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$100,000 and not less than \$1,000,000. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of \$25,000 and not less than \$100,000; provided that an ABR Borrowing may be in an aggregate amount that is equal to the entire unused balance of the Commitment or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.4(d). Borrowings of more than one Type may be outstanding at the same time; provided that there shall not at any time be more than a total of 10 Eurodollar Borrowings outstanding.

(c) Notwithstanding any other provision of this Agreement, the Commission shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

Section 2.3 **Requests for Revolving Borrowings**. To request a Borrowing, the Commission shall notify the Bank of such request by telephone (a) in the case of a Eurodollar Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 11:00 a.m., New York City time, one Business Day before the date of the proposed Borrowing; provided that any such notice of an ABR Borrowing to finance the reimbursement of an LC Disbursement as contemplated by Section 2.4(d) may be given not later than 10:00 a.m., New York City time, on the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Bank of a written Borrowing Request in a form approved by the Bank and signed by the Commission.

Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.2:

- (i) the aggregate amount of the requested Borrowing;
- (ii) the date of such Borrowing, which shall be a Business Day;
- (iii) whether such Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing;
- (iv) in the case of a Eurodollar Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and
- (v) the location and number of the Commission's account to which funds are to be disbursed.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Borrowing, then the Commission shall be deemed to have selected an Interest Period of one month's duration. Subject to satisfaction of the terms and conditions of Section 3.2, the Bank shall make available to, or for the account of, the Commission the amount of each Borrowing no later than 2:00 p.m., New York City time, on the applicable Borrowing date.

Section 2.4 **Letters of Credit.**

(a) **General.** Subject to the terms and conditions set forth herein, the Commission may request the issuance of Letters of Credit as the applicant thereof for the support of its PPA payment obligations, in a form reasonably acceptable to the Bank, at any time and from time to time during the Availability Period. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Commission to, or entered into by the Commission with, the Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. Notwithstanding anything herein to the contrary, the Bank shall have no obligation hereunder to issue, and shall not issue, any Letter of Credit the proceeds of which would be made available to any Person (i) to fund any activity or business of or with any Sanctioned Person, or in any country or territory that, at the time of such funding, is the subject of any Sanctions or (ii) in any manner that would result in a violation of any Sanctions by any party to this Agreement.

(b) **Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions.** To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Commission shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the Bank) to the Bank (reasonably in advance of the requested date of issuance, amendment, renewal or extension, but in any event no less than five Business Days) a notice requesting the issuance of a

Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the Bank, the Commission also shall submit a letter of credit application on the Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Commission shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension the Revolving Credit Exposure shall not exceed the Commitment. Notwithstanding the preceding requirements of this Section 2.4(b), the Bank acknowledges that it has received all of the information it has requested in order to amend the Existing JPMorgan Letters of Credit on the Closing Date.

(c) Expiration Date. Unless otherwise expressly agreed to by the Bank, each Letter of Credit shall expire (or be subject to termination by notice from the Bank to the beneficiary thereof) at or prior to the close of business on the date that is five Business Days prior to the Maturity Date.

(d) Reimbursement. If the Bank shall make any LC Disbursement in respect of a Letter of Credit, the Commission shall reimburse such LC Disbursement by paying to the Bank an amount equal to such LC Disbursement not later than 1:00 p.m., New York City time, on the date that such LC Disbursement is made, if the Commission shall have received notice of such LC Disbursement prior to 10:00 a.m., New York City time, on such date, or, if such notice has not been received by the Commission prior to such time on such date, then not later than 1:00 p.m., New York City time, on the Business Day immediately following the day that the Commission receives such notice, if such notice is not received prior to such time on the day of receipt; provided that, if such LC Disbursement is not less than \$100,000, the Commission may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Borrowing in an equivalent amount and, to the extent so financed, the Commission's obligation to make such payment shall be discharged and replaced by the resulting ABR Borrowing (such ABR Borrowing, a "*Reimbursement Loan*").

(e) Obligations Absolute. The Commission's obligation to reimburse LC Disbursements as provided in paragraph (d) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Commission's obligations hereunder. Neither the Bank nor any of its Related Parties, shall have

any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Bank; provided that the foregoing shall not be construed to excuse the Bank from liability to the Commission to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Commission to the extent permitted by applicable law) suffered by the Commission that are caused by the Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or wilful misconduct on the part of the Bank (as finally determined by a court of competent jurisdiction), the Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(f) Disbursement Procedures. The Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Bank shall promptly notify the Commission by telephone (confirmed by telecopy) of such demand for payment and whether the Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Commission of its obligation to reimburse the Bank with respect to any such LC Disbursement.

(g) Interim Interest. If the Bank shall make any LC Disbursement, then, unless the Commission shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the reimbursement is due and payable at the rate per annum set forth in Section 2.10(d) for ABR Loans and such interest shall be due and payable on the date when such reimbursement is payable.

Section 2.5 Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Commission may elect to convert such Borrowing (other than an ABR Borrowing of a Reimbursement Loan) to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Commission may elect different options with respect to different portions of the affected Borrowing (other than an ABR Borrowing of a Reimbursement Loan) and the Loan comprising each such portion shall be considered a separate

Borrowing.

(b) To make an election pursuant to this Section, the Commission shall notify the Bank of such election by telephone by the time that a Borrowing Request would be required under Section 2.3 if the Commission were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Bank of a written Interest Election Request in a form approved by the Bank and signed by the Commission.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.2:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Commission shall be deemed to have selected an Interest Period of one month's duration.

(d) If the Commission fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Bank so notifies the Commission, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing and (ii) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto; provided, however, that the actions specified in clauses (i) and (ii) immediately above shall apply automatically without notice from the Bank if the Event of Default that has occurred and is continuing is an Event of Default described in Section 6.1(e) or Section 6.1(f).

Section 2.6 **Termination and Reduction of Commitment.**

(a) Unless previously terminated, the Commitment shall terminate on the Maturity Date.

(b) The Commission may at any time terminate, or from time to time reduce, the Commitment; provided that (i) each reduction of the Commitment shall be in an amount that is an integral multiple of \$100,000 and not less than \$1,000,000 and (ii) the Commission shall not terminate or reduce the Commitment if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.8, the Revolving Credit Exposure would exceed the Commitment.

(c) The Commission shall notify the Bank of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Each notice delivered by the Commission pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitment delivered by the Commission may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Commission (by notice to the Bank on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitment shall be permanent.

Section 2.7 **Repayment of Loans; Evidence of Debt.**

(a) The Commission hereby unconditionally promises to pay to the Bank the then unpaid principal amount of each Loan (other than a Reimbursement Loan) on the Maturity Date. The Commission hereby unconditionally promises to pay to the Bank with respect to each Reimbursement Loan the Reimbursement Loan Amortization Payment Amount for such Reimbursement Loan on each applicable Reimbursement Loan Payment Date.

(b) The Bank shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Commission to the Bank resulting from each Loan made by the Bank, the Type of each Loan and the Interest Period, if any, applicable thereto and the amounts of principal and interest payable and paid to the Bank from time to time hereunder. The entries made in such account or accounts shall be *prima facie* evidence of the existence and amounts of the obligations recorded therein; provided that the failure of the Bank to maintain such account or accounts or any error therein shall not in any manner affect the obligation of the Commission to repay the Loans in accordance with the terms of this Agreement.

(c) The Bank may request that Loans made by it be evidenced by a promissory note. In such event, the Commission shall prepare, execute and deliver to the Bank a promissory note payable to the Bank and in a form approved by the Bank. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 7.3) be represented by one or more promissory notes in such form.

Section 2.8 **Prepayment of Loans.**

(a) The Commission shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with paragraph (b) of this Section.

(b) The Commission shall notify the Bank by telephone (confirmed by telecopy) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of prepayment, or (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, one Business Day before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.6, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.6. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.2. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.10.

Section 2.9 **Fees.** The Commission agrees to pay to the Bank the fees and other amounts set forth in the Fee Agreement at the time and in the manner set forth in the Fee Agreement. The Fee Agreement is, by this reference, incorporated herein in its entirety as if set forth herein in full. All fees and other amounts payable under the Fee Agreement shall be paid in immediately available funds. Fees paid shall not be refundable under any circumstances.

Section 2.10 **Interest.**

(a) The Loans comprising each ABR Borrowing (other than Reimbursement Loans) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) The Reimbursement Loans shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(d) Notwithstanding the foregoing, upon the occurrence of an Event of Default, the interest rate payable on the Loans shall be a per annum rate equal to the rate otherwise applicable to such Loan as provided in the preceding paragraphs (a), (b) and (c) of this Section 2.10 plus 3%, and all other Obligations hereunder shall bear interest at a rate per annum equal to 3% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section 2.10.

(e) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and upon termination of the Commitment; provided that (i) interest accrued pursuant to paragraph (d) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Loan prior to the end

of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Bank, and such determination shall be conclusive absent manifest error.

(g) Anything herein to the contrary notwithstanding, the amount of interest payable hereunder for any interest period shall not exceed the Maximum Rate. If for any interest period the applicable interest rate would exceed the Maximum Rate, then (i) such interest rate will not exceed but will be capped at such Maximum Rate and (ii) in any interest period thereafter that the applicable interest rate is less than the Maximum Rate, any Obligation hereunder will bear interest at the Maximum Rate until the earlier of (x) payment to the Bank of an amount equal to the amount which would have accrued but for the limitation set forth in this Section and (y) the Maturity Date. Upon the Maturity Date or, if no Revolving Credit Exposure is outstanding, on the date the Commitment is permanently terminated, in consideration for the limitation of the rate of interest otherwise payable hereunder, to the extent permitted by Applicable Law, the Commission shall pay to the Bank a fee in an amount equal to the amount which would have accrued but for the limitation set forth in this Section 2.10(g) that has not previously been paid to the Bank in accordance with the immediately preceding sentence.

Section 2.11 **Alternate Rate of Interest.**

(a) Subject to clauses (b), (c), (d), (e), (f) and (g) of this Section 2.11, if prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(i) the Bank determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable (including because the LIBO Screen Rate is not available or published on a current basis), for such Interest Period; provided that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Bank determines that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to the Bank of making or maintaining its Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Bank shall give notice thereof to the Commission by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until the Bank notifies the Commission that the circumstances giving rise to such notice no longer exist, (A) any Interest Election Request that

requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Eurodollar Borrowing shall be ineffective and (B) if any Borrowing Request requests a Eurodollar Revolving Borrowing, such Borrowing shall be made as an ABR Borrowing; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then the other Type of Borrowings shall be permitted.

(b) Notwithstanding anything to the contrary herein or in any other Basic Document (and any Swap Contract shall be deemed not to be a “Basic Document” for purposes of this Section 2.11), if a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) or (2) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Basic Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Basic Document and (y) if a Benchmark Replacement is determined in accordance with clause (3) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Basic Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Commission without any amendment to, or further action or consent of any other party to, this Agreement or any other Basic Document.

(c) Notwithstanding anything to the contrary herein or in any other Basic Document and subject to the proviso below in this paragraph, if a Term SOFR Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Basic Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Basic Document; provided that, this clause (c) shall not be effective unless the Bank has delivered to the Commission a Term SOFR Notice. For the avoidance of doubt, the Bank shall not be required to deliver a Term SOFR Notice after a Term SOFR Transition Event and may do so in its sole discretion.

(d) In connection with the implementation of a Benchmark Replacement, the Bank will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Basic Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Basic Document.

(e) The Bank will promptly notify the Commission of (i) any occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming

Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (d) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Bank pursuant to this Section 2.11, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Basic Document, except, in each case, as expressly required pursuant to this Section 2.11.

(f) Notwithstanding anything to the contrary herein or in any other Basic Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR or LIBO Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Bank in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Bank may modify the definition of “Interest Period” for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Bank may modify the definition of “Interest Period” for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(g) Upon the Commission’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Commission may revoke any request for a Eurodollar Borrowing of, conversion to or continuation of Eurodollar Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Commission will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR.

Section 2.12 **Increased Costs.**

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, the Bank (except any such reserve requirement reflected in the Adjusted LIBO Rate);

(ii) impose on the Bank or the London interbank market any other condition,

cost or expense (other than Taxes) affecting this Agreement or Loans made by the Bank or any Letter of Credit; or

(iii) subject the Bank to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to the Bank of making, continuing, converting or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to the Bank of issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by the Bank hereunder (whether of principal, interest or otherwise), then the Commission will pay to the Bank such additional amount or amounts as will compensate the Bank for such additional costs incurred or reduction suffered.

(b) If the Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on the Bank's capital or on the capital of the Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or the Letters of Credit issued by, the Bank, to a level below that which the Bank or the Bank's holding company could have achieved but for such Change in Law (taking into consideration the Bank's policies and the policies of the Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Commission will pay to the Bank such additional amount or amounts as will compensate the Bank or the Bank's holding company for any such reduction suffered.

(c) A certificate of the Bank setting forth the amount or amounts necessary to compensate the Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Commission and shall be conclusive absent manifest error. The Commission shall pay the Bank, as the case may be, the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Failure or delay on the part of the Bank to demand compensation pursuant to this Section shall not constitute a waiver of the Bank's right to demand such compensation; provided that the Commission shall not be required to compensate the Bank pursuant to this Section for any increased costs or reductions incurred more than 270 days prior to the date that the Bank notifies the Commission of the Change in Law giving rise to such increased costs or reductions and of the Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.13 **Break Funding Payments**. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto or (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant

hereto (regardless of whether such notice may be revoked under Section 2.8(b) and is revoked in accordance therewith), then, in any such event, the Commission shall compensate the Bank for the loss, cost and expense attributable to such event. In the case of a Eurodollar Loan, such loss, cost or expense to the Bank shall be deemed to include an amount determined by the Bank to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which the Bank would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of the Bank setting forth any amount or amounts that the Bank is entitled to receive pursuant to this Section shall be delivered to the Commission and shall be conclusive absent manifest error. The Commission shall pay the Bank the amount shown as due on any such certificate within 30 days after receipt thereof.

Section 2.14 **Payments Free of Taxes.**

(a) Any and all payments by or on account of any obligation of the Commission under any Basic Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of the Commission) requires the deduction or withholding of any Tax from any such payment by the Commission, then the Commission shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Commission shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.14) the Bank receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) The Commission shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Bank timely reimburse the Bank for, Other Taxes.

(c) As soon as practicable after any payment of Taxes by the Commission to a Governmental Authority pursuant to this Section 2.14, the Commission shall deliver to the Bank the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Bank.

(d) The Commission shall indemnify the Bank, within 30 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by the Bank or required to be withheld or deducted from a payment to the Bank and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or

legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Commission by the Bank shall be conclusive absent manifest error.

(e) If the Bank determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.14 (including by the payment of additional amounts pursuant to this Section 2.14), it shall pay to the Commission an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.14 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Bank and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). The Commission, upon the request of the Bank, shall repay to the Bank the amount paid over pursuant to this paragraph (e) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that the Bank is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (e), in no event will the Bank be required to pay any amount to the Commission pursuant to this paragraph (e) the payment of which would place the Bank in a less favorable net after-Tax position than the Bank would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require the Bank to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Commission or any other Person.

(f) Each party's obligations under this Section 2.14 shall survive any assignment of rights by the Bank, the termination of the Commitment and the repayment, satisfaction or discharge of all obligations under any Basic Document.

(g) For purposes of this Section 2.14, the term "*applicable law*" includes FATCA.

Section 2.15 **Payments Generally.**

(a) The Commission shall make each payment required to be made by it hereunder or under the Fee Agreement (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.12, 2.13 or 2.14, or otherwise) prior to 12:00 noon, New York City time, on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the discretion of the Bank, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Bank at its offices at 270 Park Avenue, New York, New York, except that payments pursuant to Sections 2.12, 2.13, 2.14 and 7.5 shall be made directly to the Persons entitled thereto. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Bank to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, and (ii) second, ratably towards payment of principal and unreimbursed LC Disbursements then due hereunder.

Section 2.16 **Mitigation Obligation.** If the Bank requests compensation under Section 2.12, or if the Commission is required to pay any Indemnified Taxes or additional amounts to the Bank or any Governmental Authority for the account of the Bank pursuant to Section 2.14, then the Bank shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of the Bank, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Sections 2.12 or 2.14, as the case may be, in the future and (ii) would not subject the Bank to any unreimbursed cost or expense and would not otherwise be disadvantageous to the Bank. The Commission hereby agrees to pay all reasonable costs and expenses incurred by the Bank in connection with any such designation or assignment.

Section 2.17 **Extension of Commitment Period.** The Maturity Date may be extended an unlimited number of times, in each case in the manner set forth in this Section 2.17. Upon receipt of written request of the Commission to extend the Maturity Date, received not less than one hundred twenty (120) days prior to the then current Maturity Date, the Bank will use its commercially reasonable efforts to notify the Commission of its response within thirty (30) days of receipt of the request therefor (the Bank's decision to be made in its sole and absolute discretion and on such terms and conditions as to which the Bank and the Commission may agree); provided, however, that the failure of the Commission to receive a written confirmation from the Bank within the time established therefor shall be deemed a denial of such request. Any extension of the Maturity Date will be deemed to be on the existing terms of this Agreement unless the Bank and the Commission have entered into a written agreement confirming a change in any term of this Agreement.

Section 2.18 **Pledge; Security of Obligations.** The CleanPowerSF Net Revenues are hereby pledged by the Commission to the payment of the Obligations without priority or distinction of one Obligation over another Obligation. The pledge of the CleanPowerSF Net Revenues herein made shall be irrevocable until the Commitment has expired or been terminated and the principal of and interest on each Loan and all fees payable hereunder shall have been paid in full and all Letters of Credit shall have expired or terminated, in each case, without any pending draw, and all LC Disbursements shall have been reimbursed. Notwithstanding any other provision of this Agreement to the contrary, all Obligations are limited obligations of the Commission payable solely from CleanPowerSF Revenues.

ARTICLE 3

CONDITIONS PRECEDENT

Section 3.1 **Conditions Precedent to Effectiveness.** The obligation of the Bank to make Loans and to issue Letters of Credit (including the amendments to the Existing JPMorgan Letters of Credit) hereunder shall not become effective until the date on which each of the following conditions is satisfied:

(a) *Opinions.* The Bank has received (i) an opinion of the City Attorney of the City dated the Closing Date and addressed to the Bank (or on which the Bank may rely) to the effect that (A) the Commission is duly organized and validly existing as a commission of the City pursuant to the Charter with full legal power and authority to execute and deliver the Basic Documents; (B) the Basic Documents executed by the Commission on or prior to the Closing Date are valid and binding agreements of the Commission enforceable against the Commission in accordance with their respective terms, subject to bankruptcy, insolvency, moratorium or other laws affecting creditors' rights, to general principles of equity and to limitations on remedies against public agencies; (C) no authorization, approval, consent or order of any agency or body having jurisdiction over the Commission (including the California Public Utilities Commission and the California Independent System Operator) is required in connection with the CCA Program, the IP or the execution and delivery of the Basic Documents which has not been obtained; (D) the execution, delivery and performance of the Basic Documents do not conflict with any law or material agreements to which the Commission is a party or cause a default under any material documents to which the Commission is a party; and (E) no litigation is pending or, to the best knowledge of the City Attorney, threatened against the Commission threatening its existence or power, the CCA Program, the IP or the power and authority of the Commission to enter into and perform its obligations under the Basic Documents or in which a final adverse decision could materially adversely affect the business, operations or financial condition of the Commission, such opinion (or, in lieu thereof, a reliance letter) to be addressed to the Bank, dated the Closing Date and in form and substance satisfactory to the Bank; and (ii) an opinion of Orrick Herrington & Sutcliffe LLP, special counsel to the Commission, dated the Closing Date and addressed to the Bank in the form attached hereto as Exhibit B.

(b) *Documents.* The Bank has received executed copies of the Basic Documents executed by the Commission on or prior to the Closing Date certified by the Secretary of the Commission, the Clerk of the Board or any Authorized Representative or the Board, as applicable, as being complete and in full force and effect on and as of the Closing Date.

(c) *Defaults; Representations and Warranties.* On and as of the Closing Date, the representations of the Commission set forth in Article Four hereof are true and correct in all material respects on and as of the Closing Date with the same force and effect as if made on and as of such date and no Default or Event of Default has occurred and is continuing or would result from the execution and delivery of this Agreement and the Fee Agreement.

(d) *No Litigation.* No action, suit, investigation or proceeding is pending or, to the knowledge of the Commission, threatened (i) in connection with the CCA Program, the IP or the

Basic Documents or any transactions contemplated thereby or (ii) against or affecting the Commission, the result of which could have a material adverse effect on the business, operations or condition (financial or otherwise) of the Commission or its ability to perform its obligations under the Basic Documents.

(e) *No Material Adverse Change.* Since the date of the 2017 Audited Financial Statements, (i) no material adverse change has occurred in the status of the business, operations or condition (financial or otherwise) of the Commission or its ability to perform its obligations under the Basic Documents and (ii) no law, regulation, ruling or other action (or interpretation or administration thereof) of the United States, the State of California or any political subdivision or authority therein or thereof is in effect or has occurred, the effect of which would be to prevent the Bank from fulfilling its obligations under this Agreement or the Letters of Credit.

(f) *Certificate.* The Bank has received (i) certified copies of all proceedings of the Commission authorizing the execution, delivery and performance of the Basic Documents and the transactions contemplated thereby and (ii) a certificate or certificates of one or more Authorized Representatives dated the Closing Date certifying the accuracy of the statements made in Section 3.1(c), (d), (e) and (i) hereof and further certifying the name, incumbency and signature of each individual authorized to sign this Agreement, the Fee Agreement and the other documents or certificates to be delivered by the Commission pursuant hereto or thereto, on which certification the Bank may conclusively rely until a revised certificate is similarly delivered, and that the conditions precedent set forth in this Section 3.1 have been satisfied.

(g) *Payment of Fees; Existing JPMorgan Obligations.* The Bank has received all fees and expenses due and payable to the Bank and/or its legal counsel pursuant to the Fee Agreement. All Existing JPMorgan Obligations shall have been paid in full in immediately available funds.

(h) *Financial Statements.* The Bank has received the 2017 Audited Financial Statements, internally prepared quarterly budget reports of the Commission for the most recent fiscal quarter end, if not previously provided.

(i) *[Reserved].*

(k) *Other Matters.* The Bank has received such other statements, certificates, agreements, documents and information with respect to the Commission and matters contemplated by this Agreement as the Bank may have requested.

The execution and delivery of this Agreement by the Bank signifies its satisfaction with the conditions precedent set forth in this Section 3.1.

Section 3.2 **Conditions Precedent to Each Credit Event.** The obligation of the Bank

to make a Loan on the occasion of any Borrowing, and of the Bank to issue, amend, renew or extend any Letter of Credit, is subject to the satisfaction of the following conditions:

(a) The representations and warranties of the Commission set forth in this Agreement shall be true and correct on and as of the date of such Borrowing or the date of issuance, amendment, renewal or extension of such Letter of Credit, as applicable.

(b) At the time of and immediately after giving effect to such Borrowing or the issuance, amendment, renewal or extension of such Letter of Credit, as applicable, no Default shall have occurred and be continuing.

Each Borrowing and each issuance, amendment, renewal or extension of a Letter of Credit shall be deemed to constitute a representation and warranty by the Commission on the date thereof as to the matters specified in paragraphs (a) and (b) of this Section 3.2.

ARTICLE 4

REPRESENTATIONS AND WARRANTIES

In order to induce the Bank to issue the Letters of Credit, the Commission represents and warrants to the Bank as follows:

Section 4.1 **Organization, Powers, Etc.** The Commission (a) is a commission of the City and County of San Francisco organized and existing under the Charter; (b) has the full legal right, power and authority to (i) own and operate the CleanPowerSF Program and control its properties and to carry on its business as now conducted and as contemplated to be conducted, including without limitation, by the CCA Program and the IP, (ii) execute, deliver and perform its obligations under the Basic Documents and (iii) provide for the security of this Agreement and the Fee Agreement pursuant to the Charter; and (c) has complied with all Laws in all matters related to such actions of the Commission as are contemplated by the CCA Program, the IP and the Basic Documents. The CleanPowerSF Program is a Separate System.

Section 4.2 **Authorization, Absence of Conflicts, Etc.** The adoption of the CCA Program, the implementation of the IP and the execution, delivery and performance by the Commission of the Basic Documents (a) have been duly authorized by all necessary action on the part of the Commission, (b) do not conflict with, or result in a violation of, any Laws, including the Charter, or any order, writ, rule or regulation of any court or governmental agency or instrumentality binding upon or applicable to the Commission which violation would result in a Material Adverse Effect and (c) do not conflict with, result in a violation of, or constitute a default under, any resolution, agreement or instrument to which the Commission is a party or by which the Commission or any of its property is bound which, in any case, would result in a Material Adverse Effect.

Section 4.3 **Binding Obligations.** The Basic Documents are valid and binding obligations of the Commission (assuming due authorization, execution and delivery by the other

parties thereto) enforceable against the Commission in accordance with their respective terms, except to the extent, if any, that the enforceability thereof may be limited by (i) any applicable bankruptcy, insolvency, reorganization, moratorium or other similar law of the State or federal government affecting the enforcement of creditors' rights generally heretofore or hereafter enacted, (ii) the fact that enforcement may also be subject to the exercise of judicial discretion in appropriate cases and (iii) the limitations on legal remedies against public agencies of the State.

Section 4.4 **Governmental Consent or Approval**. No consent, approval, permit, authorization or order of, or registration or filing with, any court or government agency, authority or other instrumentality not already obtained, given or made is required on the part of the Commission for the adoption of the CCA Program, the implementation of the IP or the execution, delivery and performance by the Commission of the Basic Documents.

Section 4.5 **Absence of Material Litigation**. There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, arbitrator or governmental or other board, body or official pending or, to the best knowledge of the Commission, threatened against or affecting the Commission questioning the validity of the Charter, the adoption of the CCA Program, the implementation of the IP or the execution, delivery and performance by the Commission of the Basic Documents or any proceeding taken or to be taken by the Commission or the Board in connection therewith, or seeking to prohibit, restrain or enjoin the adoption of the CCA Program, the implementation of the IP or the execution, delivery and performance by the Commission of the Basic Documents, or which could reasonably be expected to result in any material adverse change in the financial condition, operations or prospects of the CleanPowerSF Program, or wherein an unfavorable decision, ruling or finding would in any way materially adversely affect the transactions contemplated by the Basic Documents (any such action or proceeding being herein referred to as "*Material Litigation*").

Section 4.6 **Financial Condition**. The most recent audited financial statements of the CleanPowerSF Program delivered (or deemed delivered) to the Bank (the "*Audited Financial Statements*") were prepared in accordance with GAAP applied on a consistent basis throughout the periods involved and were subject to certification by independent certified public accountants of nationally recognized standing or by independent certified public accountants otherwise acceptable to the Bank. The most recent unaudited financial statements of the CleanPowerSF Program delivered (or deemed delivered) to the Bank were prepared on a consistent basis and, unless otherwise specified in Schedule 5.1(a), in accordance with GAAP. The data on which such financial statements and budget reports are based were true and correct in all material respects. The Audited Financial Statements and the budget reports present fairly the net position of the CleanPowerSF Program as of the date they purport to represent and the revenues, expenses and changes in fund balances and in net position for the periods then ended. Since the date of the most recent Audited Financial Statements delivered to the Bank, no material adverse change has occurred in the business, operations or condition (financial or otherwise) of the CleanPowerSF Program.

Section 4.7 **Incorporation of Representations and Warranties**. The representations and warranties of the Commission set forth in the Basic Documents (other than this Agreement and the Fee Agreement) are true and accurate in all material respects on the Closing Date, as

fully as though made on the Closing Date. The Commission makes, as of the Closing Date, each of such representations and warranties to, and for the benefit of, the Bank, as if the same were set forth at length in this Section 4.7 together with all applicable definitions thereto. No amendment, modification or termination of any such representations, warranties or definitions contained in the Basic Documents (other than this Agreement and the Fee Agreement) will be effective to amend, modify or terminate the representations, warranties and definitions incorporated in this Section 4.7 by this reference, without the prior written consent of the Bank.

Section 4.8 **Accuracy and Completeness of Information.** The IP, the Basic Documents and all certificates, financial statements, documents and other written information furnished to the Bank by or on behalf of the Commission in connection with the transactions contemplated hereby were, as of their respective dates, complete and correct in all material respects to the extent necessary to give the Bank true and accurate knowledge of the subject matter thereof and did not contain any untrue statement of a material fact.

Section 4.9 **No Default.**

(a) No Default or Event of Default under this Agreement has occurred and is continuing.

(b) No “event of default” has occurred and is continuing under any other material mortgage, indenture, contract, agreement or undertaking respecting the CleanPowerSF Program to which the Commission is a party or which purports to be binding on the Commission or on any of the property of the CleanPowerSF Program.

Section 4.10 **No Proposed Legal Changes.** There is no amendment or, to the knowledge of the Commission, proposed amendment to the Constitution of the State, any State law or the Charter or any administrative interpretation of the Constitution of the State, any State law, or the Charter, or any judicial decision interpreting any of the foregoing, the effect of which could reasonably be expected to have a Material Adverse Effect.

Section 4.11 **Compliance with Laws, Etc.** The Commission is in compliance with the Investment Policy and all Laws applicable to the Commission, non-compliance with which could reasonably be expected to have a Material Adverse Effect. In addition, no benefit plan maintained by the Commission for its employees is subject to the provisions of ERISA, and the Commission is in compliance with all Laws in respect of each such benefit plan.

Section 4.12 **Environmental Matters.** In the ordinary course of its business, the Commission conducts an ongoing review of Environmental Laws on the business, operations and the condition of its property, in the course of which it identifies and evaluates associated liabilities and costs (including, but not limited to, any capital or operating expenditures required for cleanup or closure of properties currently or previously owned or operated, any capital or operating expenditures required to achieve or maintain compliance with environmental protection standards imposed by law or as a condition of any license, permit or contract, any related constraints on operating activities, including any periodic or permanent shutdown of any facility or reduction in the level of or change in the nature of operations conducted thereat and

any actual or potential liabilities to third parties, including employees, and any related costs and expenses). On the basis of such review, the Commission does not believe that Environmental Laws are likely to have a Material Adverse Effect.

Section 4.13 **Regulation U**. The Commission is not engaged in the business of extending credit for the purpose of purchasing or carrying margin stock (within the meaning of Regulation U issued by the Board of Governors of the Federal Reserve System).

Section 4.14 **Liens**. This Agreement creates a valid Lien on and pledge of the CleanPowerSF Net Revenues to secure the payment and performance of the Commission's obligations under this Agreement and the Fee Agreement, and no filings, recordings, registrations or other actions are necessary on the part of the Commission, the Bank or any other Person to create or perfect such Lien. Except for the Lien over CleanPowerSF Revenues contained in this Agreement, Liens over CleanPowerSF Revenues securing Parity Debt, Subordinate Debt and Affiliate Loans permitted by this Agreement and the Lien over CleanPowerSF Excess Revenues securing the Existing Power Enterprise Loan, there is no pledge of or Lien on CleanPowerSF Revenues. There is no pledge of or Lien on CleanPowerSF Net Revenues that ranks senior to the obligations hereunder or under the Fee Agreement.

Section 4.15 **Sovereign Immunity**. The Commission is not entitled to immunity from legal proceedings to enforce the Basic Documents (including, without limitation, immunity from service of process or immunity from jurisdiction of any court otherwise having jurisdiction) and is subject to claims and suits for damages in connection with its obligations under the Basic Documents.

Section 4.16 **Usury**. The terms of the Basic Documents regarding the calculation and payment of interest and fees do not violate any applicable usury laws.

Such insurance must include casualty, liability and workers’ compensation and be in amounts and with deductibles and exclusions customary and reasonable for governmental entities of similar size and with similar operations as the Commission. The Commission shall, upon request of the Bank, furnish evidence of such insurance to the Bank. The Commission shall also procure and maintain at all times adequate fidelity insurance or bonds on all officers and employees handling or responsible for any CleanPowerSF Revenues or funds of the CleanPowerSF Program, such insurance or bond to be in an aggregate amount at least equal to the maximum amount of such CleanPowerSF Revenues or funds at any one time in the custody of all such officers and employees or in the amount of one million dollars (\$1,000,000), whichever is less. Fiscal Year sufficient to pay (to the extent not paid from other available moneys) any and all amounts the Commission is obligated to pay or set aside from CleanPowerSF Revenues by law or contract in such Fiscal Year. If CleanPowerSF adjusts generation rates and the cumulative integer of adjustments is 5% or greater (compared to its most recently adopted annual budget), it shall be required to promptly provide the Bank notice as soon as possible, and in no event later than five (5) Business Days after such adjustment, an updated twelve (12) month projection of CleanPowerSF Revenues.

(o) *Payment of Taxes, Etc.* The Commission shall pay and discharge, or cause to be paid and discharged, all taxes, assessments and other governmental charges which may hereafter be lawfully imposed upon the Commission on account of the CleanPowerSF Program or any portion thereof and which, if unpaid, might impair the security of this Agreement and the Fee Agreement, but nothing herein contained will require the Commission to pay any such tax, assessment or charge so long as it in good faith contests the validity thereof. The Commission shall duly observe and comply with all valid material requirements of any Governmental Authority relative to the CleanPowerSF Program or any part thereof.

(p) *Notice of Rating and Rating Change.* The Commission shall at all times maintain at least one CleanPowerSF rating with a Rating Agency (which may be a CleanPowerSF issuer rating or a rating on long-term unenhanced CleanPowerSF Program Debt). Section 7.3 **Survival of Covenants; Successors and Assigns.**

(a) All covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto will survive the making of any Loan, and LC Disbursement or the issuance of any Letter of Credit and will continue in full force and effect until all of the Obligations hereunder are paid in full. Whenever in this Agreement any of the parties hereto is referred to, such reference will, subject to the last sentence of this Section, be deemed to include the successors and assigns of such party, and all covenants, promises and agreements by or on behalf of the Commission which are contained in this Agreement will inure to the benefit of the successors and assigns of the Bank. The Commission may not transfer its rights or obligations under this Agreement without the prior written consent of the Bank. The Bank may transfer or

assign some or all of its rights and obligations under this Agreement and the Fee Agreement with, so long as no Event of Default has occurred and is continuing, the prior written consent of the Commission (which consent may not be withheld unreasonably), provided that the Bank shall be responsible for all costs solely relating to such transfer or assignment. This Agreement is made solely for the benefit of the Commission and the Bank, and no other Person (including, without limitation, any PPA Counterparty) will have any right, benefit or interest under or because of the existence of this Agreement.

(b) Notwithstanding the foregoing, the Bank will be permitted to grant to one or more financial institutions (each a “*Participant*”) a participation or participations in all or any part of the Bank’s rights and benefits and obligations under this Agreement, the Fee Agreement, the Loans and the Letters of Credit on a participating basis but not as a party to this Agreement (a “*Participation*”) without the consent of the Commission. In the event of any such grant by the Bank of a Participation to a Participant, the Bank shall remain responsible for the performance of its obligations hereunder and under the Letters of Credit, and the Commission may continue to deal solely and directly with the Bank in connection with the Bank’s rights and obligations under this Agreement, under the Fee Agreement and under the Letters of Credit. The Commission agrees that each Participant will, to the extent of its Participation, be entitled to the benefits of this Agreement as if such Participant were the Bank; provided that no Participant will have the right to declare, or to take actions in response to, an Event of Default under Section 6.1 hereof; and provided, further, that the Commission’s liability to any Participant (including, without limitation, amounts payable pursuant to Sections 2.12, 2.13 and 2.14) will not in any event exceed that liability which the Commission would owe to the Bank but for such participation.

Section 7.4 **Reserved.**

Section 7.5 **Liability of Bank; Indemnification.**

(a) To the extent permitted by the law of the State, the Commission assumes all risks of the acts or omissions of the PPA Counterparties with respect to the use of the Letters of Credit or the use of proceeds thereunder; provided that this provision is not intended to and will not preclude the Commission from pursuing such rights and remedies as it may have against the PPA Counterparties under any other agreements. Neither the Bank nor any of its respective officers or directors will be liable or responsible for (i) the use of any Letter of Credit, the LC Disbursements or the Loans or the transactions contemplated hereby and by the other Basic Documents or for any acts or omissions of any PPA Counterparty, (ii) the validity, sufficiency or genuineness of any documents determined in good faith by the Bank to be valid, sufficient or genuine, even if such documents, in fact, prove to be in any or all respects invalid, fraudulent, forged or insufficient, (iii) payments by the Bank against presentation of requests for LC Disbursements or requests which the Bank in good faith has determined to be valid, sufficient or genuine and which subsequently are found not to comply with the terms of this Agreement or (iv) any other circumstances whatsoever in making or failing to make payment hereunder; provided that the Commission is not required to indemnify the Bank for any claims, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the gross negligence or willful misconduct of the Bank.

(b) To the extent permitted by the law of the State, the Commission indemnifies and holds harmless the Bank from and against any and all direct, as opposed to consequential, claims, damages, losses, liabilities, costs and expenses (including specifically reasonable attorneys' fees) which the Bank may incur (or which may be claimed against the Bank by any Person whatsoever) by reason of or in connection with the execution, delivery and performance of the Basic Documents, the Letters of Credit and the transactions contemplated thereby; provided that the Commission is not required to indemnify the Bank to the extent, but only to the extent, any such claim, damage, loss, liability, cost or expense is caused by the Bank's willful misconduct or gross negligence as determined by a final order of a court of competent jurisdiction. The Bank is expressly authorized and directed to honor any demand for payment which is made under any Letter of Credit without regard to, and without any duty on its part to inquire into the existence of, any disputes or controversies between the Commission, any PPA Counterparty or any other Person or the respective rights, duties or liabilities of any of them or whether any facts or occurrences represented in any of the documents presented under any Letter of Credit are true and correct.

(c) To the fullest extent permitted by Applicable Law, the Commission shall not assert, and waives, any claim against the Bank, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, any Letter of Credit, any Basic Document or any agreement or instrument contemplated thereby, the transactions contemplated thereby or the use of the proceeds thereof.

(d) The obligations of the Commission under this Section 7.5 will survive the termination of this Agreement.

Section 7.6 **Expenses**. Upon receipt of a written invoice, the Commission shall promptly pay (i) the reasonable fees and expenses of counsel to the Bank incurred in connection with the preparation, execution and delivery and administration of this Agreement, the Letters of Credit, the Fee Agreement and the other Basic Documents as set forth in the Fee Agreement, (ii) the reasonable out-of-pocket expenses of the Bank incurred in connection with the preparation, execution and delivery and administration of this Agreement, the Letters of Credit, the Fee Agreement and the other Basic Documents (provided that such expenses to be paid in connection with the preparation and execution and delivery will not exceed the amount specified in the Fee Agreement), (iii) the fees and disbursements of counsel to the Bank with respect to advising the Bank as to its rights and responsibilities under the Basic Documents after the occurrence of a Default or an Event of Default and (iv) all costs and expenses, if any, in connection with the administration and enforcement of the Basic Documents, including in each case the fees and disbursements of counsel to the Bank. In addition, and notwithstanding the foregoing, the Commission agrees to pay, after the occurrence of an Event of Default, all costs and expenses (including attorneys' fees and costs of settlement) incurred by the Bank in enforcing any obligations or in collecting any payments due from the Commission hereunder or under the Fee Agreement by reason of such Event of Default or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "workout" or of any insolvency or bankruptcy proceedings. The obligations of the Commission under this Section 7.6 will survive the termination of this Agreement.

Section 7.7 **No Waiver; Conflict.** Neither any failure nor any delay on the part of the Bank in exercising any right, power or privilege hereunder, nor any course of dealing with respect to any of the same, will operate as a waiver thereof or preclude any other or further exercise thereof, nor will a single or partial exercise thereof, preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The remedies herein provided are cumulative and not exclusive of any remedies provided by law. To the extent of any conflict between this Agreement and any other Basic Documents, this Agreement will control solely as between the Commission and the Bank.

Section 7.8 **Modification, Amendment, Waiver, Etc.** No modification, amendment or waiver of any provision of this Agreement will be effective unless the same is in writing and signed in accordance with Section 7.1 hereof.

Section 7.9 **Dealings.** The Bank and its affiliates may accept deposits from, extend credit to and generally engage in any kind of banking, trust or other business with the Commission and/or any PPA Counterparty regardless of the capacity of the Bank hereunder or under any Letter of Credit.

Section 7.10 **Severability.** Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction will, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction, and all other remaining provisions hereof will be construed to render them enforceable to the fullest extent permitted by law. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic or legal effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 7.11 **Counterparts.** This Agreement may be executed in two or more counterparts, each of which constitutes an original, but when taken together constitute but one agreement, and any of the parties hereto may execute this Agreement by signing any such counterpart. Delivery of an executed counterpart of a signature page of this Agreement by telecopy, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Bank to accept electronic signatures in any form or format without its prior written consent.

Section 7.12 **Table of Contents; Headings.** The table of contents and the section and subsection headings used herein have been inserted for convenience of reference only and do not

constitute matters to be considered in interpreting this Agreement.

Section 7.13 **Entire Agreement.** This Agreement and the Fee Agreement represents the final agreement between the parties hereto with respect to the subject matter hereof and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties hereto as to such subject matter.

Section 7.14 **Governing Law Waiver of Jury Trial.**

(a) THIS AGREEMENT SHALL BE DEEMED TO BE A CONTRACT UNDER, AND FOR ALL PURPOSES SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO CONFLICTS OF LAWS PROVISIONS (OTHER THAN NEW YORK GENERAL OBLIGATIONS LAWS 5-1401 AND 5-1402); PROVIDED, THAT THE OBLIGATIONS OF THE COMMISSION HEREUNDER SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA WITHOUT REGARD TO CHOICE OF LAW RULES.

(b) TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF THE PARTIES HERETO WAIVES ITS RIGHT TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THE BASIC DOCUMENTS OR ANY OF THE TRANSACTIONS CONTEMPLATED THEREBY, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW OR STATUTORY CLAIMS. IF AND TO THE EXTENT THAT THE FOREGOING WAIVER OF THE RIGHT TO A JURY TRIAL IS UNENFORCEABLE FOR ANY REASON IN SUCH FORUM, EACH OF THE PARTIES HERETO CONSENTS TO THE ADJUDICATION OF ALL CLAIMS PURSUANT TO JUDICIAL REFERENCE AS PROVIDED IN CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 638, AND THE JUDICIAL REFEREE IS EMPOWERED TO HEAR AND DETERMINE ALL ISSUES IN SUCH REFERENCE, WHETHER FACT OR LAW. EACH OF THE PARTIES HERETO REPRESENTS THAT IT HAS REVIEWED THIS WAIVER AND CONSENT AND, FOLLOWING CONSULTATION WITH LEGAL COUNSEL ON SUCH MATTERS, KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS AND CONSENTS TO JUDICIAL REFERENCE. IN THE EVENT OF LITIGATION, A COPY OF THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT OR TO JUDICIAL REFERENCE UNDER CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 638 AS PROVIDED HEREIN.

(c) The covenants and waivers made pursuant to this Section 7.14 are irrevocable and unmodifiable, whether in writing or orally, and are applicable to any subsequent amendments, renewals, supplements or modifications of this Agreement. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

Section 7.15 **Governmental Regulations.** The Commission shall (a) ensure that no Person who owns a controlling interest in or otherwise controls the Commission is or will be listed on the Specially Designated Nationals and Blocked Person List or other similar lists

maintained by the Office of Foreign Assets Control (“OFAC”), the Department of the Treasury or included in any Executive Order that prohibits or limits the Bank from making any advance or extension of credit to the Commission or from otherwise conducting business with the Commission and (b) ensure that the proceeds of LC Disbursements under the Letters of Credit are not used to violate any of the foreign asset control regulations of OFAC or any enabling statute or Executive Order relating thereto. Further, the Commission shall comply, and cause any of its subsidiaries to comply, with all applicable Bank Secrecy Act laws and regulations, as amended.

Section 7.16 **USA PATRIOT Act**. The Bank notifies the Commission that, pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”), it is required to obtain, verify and record information that identifies the Commission, which information includes the name and address of the Commission and other information that will allow the Bank to identify the Commission in accordance with the Act. The Commission agrees to provide such documentary and other evidence of the Commission’s identity as may be requested by the Bank at any time to enable the Bank to verify the Commission’s identity or to comply with any Applicable Law or regulation, including, without limitation, the Act.

Section 7.17 **Electronic Transmissions**. The Bank is authorized to accept and process any amendments, transfers, assignments of proceeds, LC Disbursements, consents, waivers and all documents relating to the Letters of Credit which are sent to Bank by electronic transmission, including SWIFT, electronic mail, telex, telecopy, courier, mail or other computer-generated telecommunications and such electronic communication will have the same legal effect as if written and will be binding upon and enforceable against the Commission. The Bank may, but shall not be obligated to, require authentication of such electronic transmission or that the Bank receives original documents prior to acting on such electronic transmission.

Section 7.18 **Assignment to Federal Reserve Bank**. The Bank may assign and pledge all or any portion of the obligations owing to it hereunder to any Federal Reserve Bank or the United States Treasury as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any Operating Circular issued by such Federal Reserve Bank, provided that any payment in respect of such assigned obligations made by the Commission to the Bank in accordance with the terms of this Agreement will satisfy the Commission’s obligations hereunder in respect of such assigned obligation to the extent of such payment. No such assignment will release the Bank from its obligations hereunder.

Section 7.19 **City Requirements**. The Bank agrees to the City’s contracting requirements, as provided in Exhibit D attached hereto.

Section 7.20 **Arm’s Length Transaction**. The transaction described in this Agreement is an arm’s length, commercial transaction between the Commission and the Bank in which: (i) the Bank is acting solely as a principal (i.e., as a lender) and for its own interest; (ii) the Bank is not acting as a municipal advisor or financial advisor to the Commission; (iii) the Bank has no fiduciary duty pursuant to Section 15B of the Securities Exchange Act of 1934 to the Commission with respect to this transaction and the discussions, undertakings and procedures

FORM OF OPINION OF ORRICK, HERRINGTON & SUTCLIFFE LLP

March 29, 2018

JPMorgan Chase Bank, N.A.
New York, New York

Re: Credit Agreement, dated as of March 29, 2018, between
Public Utilities Commission of the City and County of San Francisco
and JPMorgan Chase Bank, N.A.

Ladies and Gentlemen:

This letter is addressed to JPMorgan Chase Bank, N.A. (the “*Bank*”), pursuant to Section 3.1(a)(ii) of the Credit Agreement, dated as of March 29, 2018 (the “*Credit Agreement*”), between the Bank and the Public Utilities Commission of the City and County of San Francisco (the “*Commission*”). Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Credit Agreement.

In such connection, we have reviewed the Master Trust Indenture, the Credit Agreement, the Fee Agreement, certificates of the Commission and others, opinions of your counsel and of counsel to the Commission and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the date hereof. Accordingly, this letter speaks only as of its date and is not intended to, and may not, be relied upon or otherwise used in connection with any such actions, events or matters. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, any parties other than the Commission. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents, and of the legal conclusions contained in the opinions, referred to in the second paragraph hereof. Furthermore, we have assumed compliance with all covenants and agreements contained in the Credit Agreement and the Fee Agreement. We call attention to the fact that the rights and obligations under the Credit Agreement and the Fee Agreement and their enforceability may be subject to bankruptcy, insolvency, receivership, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors’ rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against cities and counties in the State of California. We express no opinion with respect to any indemnification, contribution, liquidated damages,

penalty (including any remedy deemed to constitute a penalty), right of setoff, arbitration, judicial reference, choice of law, choice of forum, choice of venue, non-exclusivity of remedies, waiver or severability provisions contained in the foregoing documents, nor do we express any opinion with respect to the state or quality of title to or interest in any of the assets described in or as subject to the lien of the Credit Agreement or the accuracy or sufficiency of the description contained therein of, or the remedies available to enforce liens on, any such assets.

Based on and subject to the foregoing and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Credit Agreement and the Fee Agreement constitute valid and binding obligations of the Commission.
2. The Credit Agreement creates a valid pledge, to secure the payment of the Obligations, of the CleanPowerSF Net Revenues.
3. The CleanPowerSF Program constitutes a “Separate System” as defined in the Master Trust Indenture.

This letter is furnished by us as bond counsel to the Commission. No attorney-client relationship has existed or exists between our firm and the Bank in connection with the Credit Agreement or the Fee Agreement by virtue of this letter. We disclaim any obligation to update this letter. This letter is delivered to you as the Bank, is solely for the benefit of the Bank and is not to be used, circulated, quoted or otherwise referred to or relied upon for any other purpose or by any other person. This letter is not intended to, and may not, be relied upon by any party to whom it is not specifically addressed.

Very truly yours,

ORRICK, HERRINGTON & SUTCLIFFE LLP

(ii) *Subcontracts.* The Bank shall incorporate by reference in all subcontracts made in fulfillment of its obligations hereunder the provisions of Sections 12B.2(a), 12B.2(c)-(k) and 12C.3 of the San Francisco Administrative Code and shall require all subcontractors to comply with such provisions. The Bank's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(iii) *Non-Discrimination in Benefits.* The Bank does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(iv) *HRC Form.* The Bank shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

(v) *Incorporation of Administrative Code Provisions by Reference.* The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. The Bank shall comply fully with and be bound by all of the provisions that apply to this

Agreement under such Chapters of the San Francisco Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, the Bank understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against the Bank and/or deducted from any payments due the Bank; *provided, however*, that such damages shall not be set off against the payment of rental or other contract related to Commercial Paper Notes or other debt obligations of the City.

(c) *Limitations on Contributions.* Through execution of this Agreement, the Bank acknowledges that it is familiar with Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City, including the Commission, for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (A) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (B) a candidate for the office held by such individual, or (C) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. The Bank acknowledges that the foregoing restriction applies only if the contract or combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. The Bank further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of the Bank's board of directors; the Bank's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in the Bank; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by the Bank. Additionally, the Bank acknowledges that the Bank must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126 of the City's Campaign and Governmental Conduct Code.

(d) *MacBride Principles Northern Ireland.* Pursuant to San Francisco Administrative Code Section 12F.5, the City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this Agreement on behalf of the Bank acknowledges and agrees that he or she has read and understood this Section.

(e) *Conflict of Interest.* Through its execution of this Agreement, the Bank hereby acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 *et seq.* and Section 1090 *et seq.* of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.

(f) *Earned Income Credit (“EIC”) Forms.* San Francisco Administrative Code section 12O requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found.

(i) The Bank shall provide EIC Forms to each Eligible Employee at each of the following times: (A) within thirty days following the date on which this Agreement becomes effective (unless the Bank has already provided such EIC Forms at least once during the calendar year in which such effective date falls); (B) promptly after any Eligible Employee is hired by the Bank; and (C) annually between January 1 and January 31 of each calendar year during the term of this Agreement.

(ii) Failure to comply with any requirement contained in the immediately preceding paragraph shall constitute a material breach by the Bank of the terms of this Agreement. If, within thirty days after the Bank receives written notice of such a breach, the Bank fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty days, the Bank fails to commence efforts to cure within such period or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under this Agreement or under applicable law.

(iii) Any subcontract entered into by the Bank shall require the subcontractor to comply, as to the subcontractor’s Eligible Employees, with each of the terms of this Section.

(iv) Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Section 12O of the San Francisco Administrative Code.

(g) *Local Business Enterprise Utilization; Liquidated Damages.*

(i) *The LBE Ordinance.* The Bank shall comply with all the requirements of the Disadvantaged Business Enterprise Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the “LBE Ordinance”), *provided* such amendments do not materially increase the Bank’s obligations or liabilities, or materially diminish the Bank’s rights, under this Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Agreement as though fully set forth in this Section. The Bank’s willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of the Bank’s obligations under this Agreement and shall entitle City, subject to any applicable notice and cure provisions set forth in this Agreement, to exercise any of the remedies provided for under this Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Agreement expressly provides that any remedy is exclusive. In addition, the Bank shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

(ii) *Compliance and Enforcement.* If the Bank willfully fails to comply with

any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Agreement pertaining to LBE participation, the Bank shall be liable for liquidated damages in an amount equal to the Bank's net profit on this Agreement, or 10% of the total amount of this Agreement, or \$1,000, whichever is greatest. The Director of the City's Human Rights Commission or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the "Director of HRC") may also impose other sanctions against the Bank authorized in the LBE Ordinance, including declaring the Bank to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Bank's LBE certification. The Director of HRC will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to the San Francisco Administrative Code Section 14B.17.

By entering into this Agreement, the Bank acknowledges and agrees that any liquidated damages assessed by the Director of the HRC shall be payable to City upon demand. The Bank further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to the Bank on any contract with City.

The Bank agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Agreement, and shall make such records available for audit and inspection by the Director of HRC or the Controller upon request.

(h) *Drug-Free Workplace Policy.* The Bank acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on Commission or City premises. The Bank agrees that any violation of this prohibition by the Bank, its employees, agents or assigns will be deemed a material breach of this Agreement.

(i) *Compliance with Americans with Disabilities Act.* The Bank acknowledges that, pursuant to the Americans with Disabilities Act ("ADA"), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. The Bank shall provide the services specified in this Agreement in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. The Bank agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Agreement and further agrees that any violation of this prohibition on the part of the Bank, its employees, agents or assigns will constitute a material breach of this Agreement.

(j) *Sunshine Ordinance.* In accordance with San Francisco Administrative Code Section 67.24(e), contracts, contractors' bids, responses to solicitations and all other records of communications between the Commission or the City and persons or firms seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

(k) *Requiring Minimum Compensation for Covered Employees.*

(i) The Bank agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (“MCO”), as set forth in San Francisco Administrative Code Chapter 12P (“Chapter 12P”), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of the Bank’s obligations under the MCO is set forth in this Section. The Bank is required to comply with all the provisions of the MCO, irrespective of this listing of obligations in this Section.

(ii) The MCO requires the Bank to pay the Bank’s employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and the Bank is obligated to keep informed of the then-current requirements. Any subcontract entered into by the Bank shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is the Bank’s obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against the Bank.

(iii) The Bank shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(iv) The Bank shall maintain employee and payroll records as required by the MCO. If the Bank fails to do so, it shall be presumed that the Bank paid no more than the minimum wage required under State law.

(v) The City is authorized to inspect the Bank’s job sites and conduct interviews with employees and conduct audits of the Bank.

(vi) The Bank’s commitment to provide the Minimum Compensation is a material element of the City’s consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Bank fails to comply with these requirements. The Bank agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for the Bank’s noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(vii) The Bank understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement

for violating the MCO, the Bank fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Bank fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(viii) The Bank represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(ix) The City may conduct random audits of the Bank. Random audits shall be (A) noticed in advance in writing; (B) limited to ascertaining whether Covered Employees are paid at least the minimum compensation required by the MCO; (C) accomplished through an examination of pertinent records at a mutually agreed upon time and location within ten days of the written notice; and (D) limited to one audit of the Bank every two years for the duration of this Agreement. Nothing in this Agreement is intended to preclude the City from investigating any report of an alleged violation of the MCO.

(l) *Requiring Health Benefits for Covered Employees.* Unless exempt, the Bank agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (“HCAO”), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated herein by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at <http://www.sfgov.org/lwlh.htm>. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(i) For each Covered Employee, the Bank shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If the Bank chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(ii) Notwithstanding the above, if the Bank is a small business as defined in Section 12Q.3(d) of the HCAO, it shall have no obligation to comply with part (i) above.

(iii) The Bank’s failure to comply with the HCAO shall constitute a material breach of this Agreement. The City shall notify the Bank if such a breach has occurred. If, within 30 days after receiving City’s written notice of a breach of this Agreement for violating the HCAO, the Bank fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Bank fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in Section 12Q.5(f)(1-5). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(iv) Any subcontract entered into by the Bank shall require the subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations

substantially the same as those set forth in this Section. The Bank shall notify City's Office of Contract Administration when it enters into such a subcontract and shall certify to the Office of Contract Administration that it has notified the subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on subcontractor through the subcontract. The Bank shall be responsible for its subcontractors' compliance with this Chapter. If a subcontractor fails to comply, the City may pursue the remedies set forth in this Section against the Bank based on the subcontractor's failure to comply, *provided* that City has first provided the Bank with notice and an opportunity to obtain a cure of the violation.

(v) The Bank shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to the Bank's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(vi) The Bank represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(vii) The Bank shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(viii) The Bank shall keep itself informed of the current requirements of the HCAO.

(ix) The Bank shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on subcontractors and subtenants, as applicable.

(x) The Bank shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(xi) The Bank shall allow City to inspect the Bank's job sites and have access to the Bank's employees in order to monitor and determine compliance with HCAO.

(xii) The City may conduct random audits of the Bank to ascertain its compliance with HCAO. The Bank agrees to cooperate with City when it conducts such audits.

(xiii) If the Bank is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but the Bank later enters into an agreement or agreements that cause the Bank's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Bank and the City to be equal to or greater than \$75,000 in the fiscal year.

(m) *Prohibition on Political Activity with City Funds.* In accordance with San Francisco Administrative Code Chapter 12.G, the Bank may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, “Political Activity”) in the performance of the services provided under this Agreement. The Bank agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City’s Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event the Bank violates the provisions of this Section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement, and (ii) prohibit the Bank from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider the Bank’s use of profit as a violation of this Section.

(n) *Graffiti Removal.* Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City’s property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and its residents, and to prevent the further spread of graffiti.

The Bank shall remove all graffiti from any real property owned or leased by such Bank in the City and County of San Francisco within forty-eight (48) hours of the earlier of such Bank’s (i) discovery or notification of the graffiti or (ii) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require any Bank to breach any lease or other agreement that it may have concerning its use of the real property. The term “graffiti” means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner’s authorized agent, and which is visible from the public right-of-way. “Graffiti” shall not include: (A) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (B) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. Section 101 et seq.).

Any failure of the Bank to comply with this Section of this Agreement shall constitute a material breach of this Agreement.

(o) *Food Service Waste Reduction Requirements.* The Bank agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and

implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, the Bank agrees that if it breaches this provision, the City will suffer actual damages that will be impractical or extremely difficult to determine; further, the Bank agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that the City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by the City because of such Bank's failure to comply with this provision.

(p) *Preservative-treated Wood Containing Arsenic.* The Bank may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. The Bank may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude the Bank from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

(q) *Nondisclosure of Private Information.* The Bank agrees to comply fully with and be bound by all of the provisions of Chapter 12M of the San Francisco Administrative Code (the "Nondisclosure of Private Information Ordinance"), including the remedies provided. The provisions of the Nondisclosure of Private Information Ordinance are incorporated herein by reference and made a part of this Agreement as though fully set forth. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in the Nondisclosure of Private Information Ordinance. Consistent with the requirements of the Nondisclosure of Private Information Ordinance, the Bank agrees to all of the following:

(i) Neither the Bank nor any of its Subcontractors shall disclose Private Information obtained from the City in the performance of this Agreement to any other Subcontractor, person, or other entity, unless one of the following is true:

- (1) the disclosure is authorized by this Agreement;
- (2) the Bank received advance written approval from the Contracting Department to disclose the information; or
- (3) the disclosure is required by law or judicial order.

(ii) Any disclosure or use of Private Information authorized by this Agreement shall be in accordance with any conditions or restrictions stated in this Agreement. Any disclosure or use of Private Information authorized by a Contracting Department shall be in accordance with any conditions or restrictions stated in the approval.

(iii) Private Information shall mean any information that: (1) could be used to identify an individual, including without limitation, name, address, social security number, medical information, financial information, date and location of birth, and names of relatives; or (2) the law forbids any person from disclosing.

(iv) Any failure of the Bank to comply with the Nondisclosure of Private Information Ordinance shall be a material breach of this Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate this Agreement, debar the Bank, or bring a false claim action against the Bank.

(r) *Proprietary or Confidential Information of City.* The Bank agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the City and its obligations, (g) with the consent of the City or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Bank on a non-confidential basis from a source other than the City. For the purposes of this Section, "Information" means all information received from the City relating to the City or its business, other than any such information that is available to the Bank on a non-confidential basis prior to disclosure by the City; *provided* that, in the case of information received from the City after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(s) *Submitting False Claims; Monetary Penalties.* Pursuant to San Francisco Administrative Code Section 21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for three times the amount of damages which the City sustains because of the false claim. A contractor, subcontractor or consultant who submits a false claim shall also be liable to the City for the costs, including attorneys' fees, of a civil action brought to recover any of those penalties or damages, and may be liable to the City for a civil

penalty of up to \$10,000 for each false claim. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (i) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (ii) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (iii) conspires to defraud the City by getting a false claim allowed or paid by the City; (iv) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (v) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

(t) *Subcontracting.* Except as otherwise provided in this Agreement, the Bank is prohibited from subcontracting this Agreement or any part of it unless such subcontracting is first approved by City in writing. Neither party shall, on the basis of this Agreement, contract on behalf of or in the name of the other party. An agreement made in violation of this provision shall confer no rights on any party and shall be null and void.

(u) *Non-Waiver of Rights.* The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

(v) *City a Third Party Beneficiary.* The City is hereby designated as a third party beneficiary for the purpose of enforcing all of the obligations of the Bank contained in this Exhibit C to this Agreement.
