FY 2018-2019 Recurring State Grants

Recurring State Grants (completed annually), is required by San Francisco Department of Public Health in order for all departments to receive continued funding for their grants for the upcoming FY 2018-2019. Although these grants are already in the budget, it is a requirement by the State of California that we renew the signed resolution annually.

Again, it is not necessary to review these grants as they are already in the budget but a signature from the Controller's Office is required.

Please contact me at richelle-lynn.mojica@sfdph.org when this has been processed and approved.

Thank You.
