

**Item 6 – File 11-0575**

**DEPARTMENT:** AIR - AIRPORT

**BUDGET REVIEW EXECUTIVE SUMMARY**

**YEAR ONE: FY 2011-12**

**Budget Changes**

The department's proposed \$755,782,848 budget for FY 2011-12 is \$8,034,926 or 1.1 percent more than the original FY 2010-11 budget of \$747,747,922.

**Personnel Changes**

The number of FTEs in FY 2011-12 is 1,382.52 or 88.93 more than the 1,293.59 FTEs in FY 2010-11. This represents a 6.9 percent increase in FTEs from the original FY 2010-11 budget.

**Revenue Changes**

Airport revenues, consistent with expenditures, have increased by \$8,034,926 or 1.1 percent, from the original FY 2010-11 budget of \$747,747,922 to the proposed FY 2011-12 budget of \$755,782,848.

**YEAR TWO: FY 2012-13**

**Budget Changes**

The department's proposed \$826,281,224 budget for FY 2012-13 is \$70,498,376 or 9.3 percent more than the original FY 2011-12 budget of \$755,782,848.

**Personnel Changes**

The number of FTEs in FY 2012-13 is 1,386.82 or 4.30 more than the 1,382.52 FTEs in FY 2011-12.

**Revenue Changes**

Airport revenues, consistent with expenditures, have increased \$70,498,376 or 9.3 percent, from the original FY 2011-12 budget of \$755,782,848 to the proposed FY 2012-13 budget of \$826,281,224.

**RECOMMENDED REDUCTIONS**

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$1,420,070 in FY 2011-12 and \$1,494,554 in FY 2012-13. These reductions would still allow an increase of \$6,614,856 or 0.9 percent in the Department's FY 2011-12 budget and \$69,003,822 or 9.1 percent in the Department's FY 2012-13 budget.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST  
FOR AMENDMENT OF BUDGET ITEMS, FISCAL YEARS 2011-12 & 2012-13**

**FY 2011-12**

The Airport's proposed FY 2011-12 budget is \$8,034,926 more than the FY 2010-11 budget. The Airport has proposed new or increased programs in FY 2011-12, as noted below, offset by other reductions:

- The newly-renovated Terminal 2 opened on April 14, 2011. The Airport's FY 2010-11 and FY 2011-12 budget included 20 new positions to be funded in FY 2011-12, which was the second year of the two-year budget, for the operation and maintenance of Terminal 2. The Airport's FY 2011-12 budget also includes new expenditures for the Terminal 2 flight information display system and other automated systems.
- The Airport is expanding the role of the Contracts Administration Unit to assist Airport staff with competitive contracting processes for construction and professional services contracts. The Airport is adding two new Contracts Administration Unit positions in FY 2011-12.
- The Airport is adding five new positions to the Airport's Electric Shop and increasing expenditures for materials for fire protection system maintenance. These positions will be responsible for maintaining the fire alarm, fire protection, and smoke control systems at the Airport.
- The Airport is expanding the Equal Employment Opportunity program, which includes the Training and Development Center and Airport Academy to provide career services and professional development to Airport employees. The Airport is adding one new position to this program.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST  
FOR AMENDMENT OF BUDGET ITEMS, FISCAL YEARS 2011-12 & 2012-13**

**DEPARTMENT:** AIR – AIRPORT

**FY 2012-13**

The Airport's proposed FY 2012-13 budget is \$70,498,376 more than the FY 2011-12 budget, largely due to increases in capital projects and debt service payments. The Airport will also have increased costs associated with the new Terminal 2 and its facility maintenance needs, including water and power from the Public Utilities Commission that alone are projected to increase from the FY2011-2012 budget by \$2,744,492.

**DEPARTMENT PERSONNEL SUMMARY:**

The number of FTEs in FY 2011-12 is 1,382.52 or 88.93 more than the 1,293.59 FTEs in FY 2010-11. The number of FTEs in FY 2012-13 is 1,386.82 or 4.30 more than the 1,382.52 FTEs in FY 2011-12.

As noted above, the Airport's FY 2011-12 budget includes 20 new positions that were previously approved by the Board of Supervisors for the second-year (FY 2011-12) of the two-year FY 2010-11 and FY 2011-12 budget, and eight new positions for the Contracts Administration Unit, Equal Employment Opportunity program, and Electric Shop. The Airport has also reduced Attrition Savings to allow for increased hiring in the Personnel unit and Facilities division. As noted in the attached Recommendations, the Budget and Legislative Analyst recommends increased Attrition Savings in FY 2011-12 and FY 2012-13.

**FIVE YEAR FINANCIAL PLAN:**

The Airport anticipates a 9 percent increase in international and domestic passenger traffic from FY 2011-12 through FY 2015-16.

**Revenues**

The Airport receives operating revenue from airlines and other sources, including lease agreements, fees, concessions, passenger facility charges<sup>1</sup>, and other revenues.

- The Airport receives 41 percent of its revenue from airlines through various fees and charges. Under the Airport's break even policy, the airlines must pay for budget deficits through increased fees but are reimbursed for budget surpluses through lower future fees. The Airport had a budget surplus of \$49 million at the close of FY 2009-10, which will be reflected in future fees paid by the airlines.
- The Airport receives 25 percent of its revenues from the sale of concessions, including duty free shops, food and beverage, parking and other concessions. 15 percent of concession revenues are transferred to the City's General Fund. The Airport expects an 8 percent increase in concession revenues in FY 2011-12 due to increased passenger traffic. The Airport expects lesser increases in concession revenues in FY 2012-13 through FY 2015-16.
- The Airport receives 34 percent of its revenues from leasing a variety of facilities, such as cargo buildings and maintenance facilities, and other sources.

---

<sup>1</sup> Federal law allows airports to impose a fee on the number of passenger boardings to fund capital projects approved by the Federal Aviation Administration.

**RECOMMENDATIONS OF THE BUDGET & LEGISLATIVE ANALYST  
FOR AMENDMENT OF BUDGET ITEMS, FISCAL YEARS 2011-12 & 2012-13**

**DEPARTMENT:** AIR – AIRPORT

**Expenditures**

The Airport's major expenditure increases over the next five years are for (1) increased retirement and health benefit costs for Airport, Fire Department, and Police Department employees assigned to the Airport, and (2) debt service payments for capital projects, including the renovation of Terminal 2 which re-opened in April 2011. The Airport expects expenditure increases of approximately 4.5 percent per year from FY 2011-12 through FY 2015-16 due to wage and benefit increases, debt service, capital outlay, and other operating expenses. The Airport does not expect an increase in Full Time Equivalent (FTE) positions during this five-year period.

As noted above, under the Airport's break even policy, fees charged by the Airport to the airlines are set at a level sufficient to pay for Airport expenditures. In the event of a budget deficit, the Airport increases fees to the airlines and in the event of a budget surplus, the Airport reduces future fees (or reduces future fee increases) to the airlines.

**COMMENTS:**

The Budget and Legislative Analyst's recommended reductions to the proposed budget total \$1,420,070 in FY 2011-12 and \$1,494,554 in FY 2012-13. These reductions would still allow an increase of \$6,614,856 or 0.9 percent in the Department's FY 2011-12 budget and \$69,003,822 or 9.1 percent in the Department's FY 2012-13 budget.

Premium Pay										\$168,000	\$84,000	\$84,000		
Miscellaneous														
Mandatory Fringe Benefits										\$13,356	\$6,678	\$6,678		
	<i>Total Savings</i>				\$0			<i>Total Savings</i>				\$90,678		
								<p>Employees covered by the Memoranda of Understanding (MOUs) between the City and the labor unions for the Consolidated Crafts, Electrical Workers, Plumbers and Steamfitters, Laborers, and other employee unions receive lead worker premium pay if (1) the employee is assigned to be lead in a crew of at least two employees of the same classification, or (2) plans, designs, sketches, lays out, details, estimates, or orders materials. In the Budget and Legislative Analyst's pending performance audit of City Departments' Management of Lead Worker Premium Pay and Standby Pay, the Budget and Legislative Analyst found that City departments lack effective management oversight of lead worker assignments. Many lead worker assignments are rotated among all or most of the employees in a classification without adequate distinction between the lead worker and other employees within the classification. Also, City departments may pay lead worker premiums to employees who supervise no other employees but are considered to "plan, design, sketch, lay out, detail, estimate, or order materials".</p> <p>The Budget and Legislative Analyst recommends that the Department of Human Resources meet and confer with the respective labor unions prior to the expiration of the subject MOUs on June 30, 2012 to (1) define the responsibilities and span of control of a lead worker assignment and qualifications of lead workers, and (2) negotiate revised MOU provisions. A reduction in lead worker premium pay would result in an estimated savings of \$84,000, or 50 percent, from \$168,000 in FY 2011-12 to \$84,000 in FY 2012-13.</p>
