<b>EXECUTIVE SUMMARY</b>	
<b>Legislative Objectives</b>	
<ul style="list-style-type: none"> <li>The proposed resolution would authorize DPH to (1) retroactively accept and expend State Vocational Rehabilitation Services Program grant funds of \$271,200 from July 1, 2013 through June 30, 2016; and (2) enter into a grant agreement with the California Department of Rehabilitation (DOR).</li> </ul>	
<b>Key Points</b>

The total grant agreement budget is \$9,765,000, which includes \$7,685,055 in State funds and \$2,079,945 in City matching funds. The program budget of \$9,675,000 includes (1) DOR program expenses, (2) the 0.8 FTE Health Program Coordinator III in DPH, and (3) services provided by three non-profit organizations under a cooperative agreement between DOR and the three non-profit organizations.</li> </ul>	
<b>Fiscal Impact</b>

<b>Recommendation</b>

## MANDATE STATEMENT

City Administrative Code Section 10.170-1 states that accepting Federal, State, or third-party grant funds in the amount of \$100,000 or more, including any City matching funds required by the grant, is subject to Board of Supervisors' approval.

California Department of General Services State Contracting Manual Chapter 3.15 states that contracts for subvention or for local assistance between the State and nonprofit organizations are exempt from the competitive bidding process.

## BACKGROUND

The State Vocational Rehabilitation Services Program provides vocational rehabilitation services to individuals with mental illness. Vocational rehabilitation services consist of:

- Situational assessments that allow clients to visit workplaces and perform limited work on a trial basis;
- Vocational assessments using interviews and questionnaires to assess employment opportunities which best fit the clients' skills and capabilities;
- Employment placement services; and
- Occupational training.

Under the State Vocational Rehabilitation Services Program, which began in 1992, the State Department of Rehabilitation (DOR) provides grant funds to pay for State program costs and to directly fund non-profit organizations that provide vocational rehabilitation services to San Francisco Department of Public Health (DPH) clients. The DOR requires the City to provide matching funds as a condition of receiving the State Vocational Rehabilitation Services Program grant funds.

The Board of Supervisors approved the acceptance and expenditure of the prior three-year State Vocational Rehabilitation Services Program grant in October 2010 (File 10-1199). As a condition of accepting the grant, DPH entered into a grant agreement with DOR in which the State provided \$7,685,055 in grant funds and the City provided \$2,079,945 in matching funds, totaling \$9,765,000 for vocational rehabilitation services, as shown in Table 1 below. Under the grant agreement, DOR entered into cooperative agreements with three non-profit organizations to provide vocational rehabilitation services to DPH clients.

<sup>1</sup> DOR case expenditures include tools, clothing and other work materials that may be necessary to assist in job placement.

In March 2012, the Board of Supervisors approved the first amendment to the grant agreement (File 12-0198) between DPH and DOR, allowing the City to accept and expend an additional \$135,600 for a 0.8 full-time-equivalent (FTE) Health Program Coordinator III position over the remaining 18 months of the agreement.

#### **DETAILS OF PROPOSED LEGISLATION**

The proposed resolution would authorize DPH to (1) retroactively accept and expend State Vocational Rehabilitation Services Program grant funds of \$271,200 from July 1, 2013 through June 30, 2016; and (2) enter into a grant agreement with DOR.

The grant funds would pay for the existing 0.8 FTE Health Program Coordinator III position from July 1, 2013 through June 30, 2016, with annual salary and benefit costs of \$90,400, totaling \$271,200 over the three-year term of the grant.

DPH is requesting retroactive approval of the proposed grant agreement because the Department was not notified of the grant award until after the fiscal year began.

As a condition of accepting the grant, DPH would enter into a three-year grant agreement with DOR from July 1, 2013 through June 30, 2016, in which DOR would allocate \$7,685,055 in grant funds and the City would allocate \$2,079,945 in matching funds, for total program funds of \$9,765,000, as shown in Table 2 below.

Under the grant agreement between DPH and DOR, the State selects the nonprofit service providers while the City selects eligible vocational rehabilitation services program participants. For this agreement, the State has selected the following three nonprofit service providers: (1) Richmond Area Multi-Services, Inc., (2) Citywide Case Management Forensics (University of California, San Francisco - UCSF), and (3) Caminar, Inc.

When determining which non-profit organizations to select, the State considered the following criteria:

- Non-profit organizations with experience providing vocational rehabilitation services to persons with mental illness,
- Non-profit organizations that are willing to be certified by the Commission of Accreditation for Rehabilitation Facilities, which is required of any organization receiving more than \$50,000 in DOR funds,
- Non-profit organizations that have experience working with the diverse populations found in San Francisco,
- Non-profit organizations that have facilities that are Americans with Disabilities Act compliant, and
- Non-profit organizations that are financially solvent.

In order to be eligible for the services provided under the new three-year grant agreement, a San Francisco resident must: (1) have a mental illness as defined in the DSM-IV<sup>1</sup>; (2) be over the age of 18; (3) express an interest in working; and (4) demonstrate necessary skills to obtain employment.

The selected nonprofit organizations will provide services including:

- Vocational Assessment: interviews to confirm eligibility by establishing baseline educational and vocational levels, skills and interests.
- Situational Assessment: Individualized assessment of needs, strengths, weaknesses, and barriers to employment.
- Work Adjustment: Training in actual work environment.
- Employment Services: Personalized training to help clients prepare for, obtain, and maintain employment.

<sup>1</sup> DSM-IV is the Diagnostic and Statistical Manual of Mental Disorders, published by the American Psychiatric Association in 2000 that includes all currently recognized mental health disorders. According to Mr. Charles Mayer, DPH Peer-to-Peer and Vocational Programs Manager, City and State billing systems have not yet been updated to reflect the DSM-V published in 2013.

- Non-Supported Employment Job Coaching: Ancillary services to maintain employment.

DPH estimates that 200 clients will receive services each year for a three-year total of 600 clients.

## FISCAL IMPACT

\$9,765,000 in sources and uses of funds under the State Vocational Rehabilitation Services grant agreement between DPH and DOR are shown in Table 2 below, which includes \$271,200 allocated to DPH for the 0.8 FTE Health Program Coordinator III position

<b>Total Uses</b>	<b>\$3,255,000</b>	<b>\$9,765,000</b>

According to Mr. Charles Mayer, DPH Peer-to-Peer and Vocational Programs Manager, the grant-funded Health Program Coordinator III position and the City matching funds of \$693,315 per year were included in the FY 2013-14 and FY 2014-15 Annual Appropriation Ordinance that were approved by the Board of Supervisors.

Because the \$693,315 per year in City matching funds are included in the FY 2013-14 and FY 2014-15 Annual Appropriation Ordinance, the FY 2015-16 City matching funds of \$693,315 would be included in the baseline budget for DPH in FY 2015-16.

**A. Service Budget Payment of Expenditure**

1. This is a cost reimbursement Agreement for subvention services. For services satisfactorily completed, and upon receipt and approval of the invoices, the Department of Rehabilitation (DOR) agrees to reimburse the Contractor for actual expenditures incurred subject to the approved Scope of Work, Service Budget, Budget Narrative, and applicable regulations as attached or referenced hereto and made a part of this Agreement.

The Contractor's Service Budget shall include items directly related to this Agreement to include a Budget Narrative that fully explains why and how the costs are necessary to the Agreement.

**B. Submission of Invoice(s)**

1. Monthly invoices (DR 801B Service Invoice) should be submitted no later than the 20th business day for the preceding month's expenditures, with supporting documentation available upon request. A formal amendment is required if it does not meet the above criteria.
2. Staff line item salary ranges and percentage of time are projected estimates and are subject to change based on actual salary and chargeable time costs. Claim adjustments are allowable as long as the annualized total line item costs do not exceed what is allowed in Item 1 above.
