LEGISLATIVE DIGEST
(First Draft, 05/21/24)

[Charter Amendment - Inspector General in Controller's Office; Expanding Controller's Investigative Powers]

Describing and setting forth a proposal to the voters at an election to be held on November 5, 2024, to amend the Charter of the City and County of San Francisco to establish the position of Inspector General in the Controller's Office; to provide that the Inspector General be nominated by the Controller subject to approval by the Board of Supervisors and the Mayor; to authorize the Inspector General to initiate and lead investigations regarding potential violations of laws or policies involving fraud, waste, abuse, or misconduct; to expand the authority of the Controller's Office to issue subpoenas; and to authorize the Controller's Office to execute search warrants to the extent permitted by State law.

Existing Law

The Controller oversees the financial affairs of the City. The Controller's duties under the Charter include operating a whistleblower program to receive and investigate complaints concerning the quality and delivery of government services, wasteful and inefficient City government practices, misuse of City funds, and improper activities by City officers and employees. The Charter also requires the Controller, as City Services Auditor, to monitor the level and effectiveness of services the City provides to its residents. But the Charter does not otherwise require the Controller's Office to initiate, lead, or coordinate investigations regarding potential violations of laws or policies involving fraud, waste, abuse, or misconduct. Other City departments, including the City Attorney, District Attorney, and Ethics Commission currently have jurisdiction to investigate various types of public integrity matters.

The Charter currently gives the Controller authority to examine records of City boards, commissions, officers, and departments. But the Charter does not authorize the Controller to issue subpoenas to third parties, such as City contractors, permittees or lobbyists. Also, State law authorizes employees of the Controller's Office to execute search warrants under certain circumstances, but the Charter currently does not mention search warrants.

The Charter also establishes a separate department, not connected to the Controller's Office, called the Office of Inspector General. That office investigates complaints involving employees of the Sheriff's Office.

Amendments to Current Law

The proposed Charter amendment would establish the position of Inspector General in the Controller's Office. The Controller would appoint the Inspector General, subject to approval

by the Mayor and Board of Supervisors. The Inspector General would be an employee of the Controller's Office, subject to supervision and removal by the Controller.

The Inspector General would be responsible for reviewing complaints, for leading and coordinating investigations, and for collaborating with the City Services Auditor and the staff investigating whistleblower and citizen complaints on audits, inspections, and monitoring—all with the purpose of preventing and detecting fraud, waste, abuse, and misconduct. Also, the Inspector General would consult with the Ethics Commission, City Attorney, and District Attorney regarding those departments' investigative strategies in criminal, civil, and administrative matters involving fraud, waste, or abuse. The Inspector General would generally refer matters to those departments, but could also investigate those matters in coordination with the department that receives the referral.

The Inspector General would be able to hold public hearings regarding fraud, waste, abuse, or misconduct, and to make recommendations to the Mayor, Board of Supervisors, and other agencies regarding City laws and policies that impact public integrity in City government. And the Inspector General would issue public reports on these matters at least twice a year.

The Charter amendment would also expand the Controller's authority to issue subpoenas to third parties—including City contractors, permittees, and lobbyists—about matters affecting the conduct of any department or office of the City. The Charter amendment would also authorize employees of the Controller's Office to execute search warrants consistent with State law.

The measure would also rename the Office of Inspector General that investigates matters involving Sheriff's Office employees as the Office of Sheriff's Inspector General.

[Charter Amendment - Inspector General in Controller’s Office; Expanding Controller’s Investigative Powers]

Describing and setting forth a proposal to the voters at an election to be held on November 5, 2024, to amend the Charter of the City and County of San Francisco to establish the position of Inspector General in the Controller’s Office; to provide that the Inspector General be nominated by the Controller subject to approval by the Board of Supervisors and the Mayor; to authorize the Inspector General to initiate and lead investigations regarding potential violations of laws or policies involving fraud, waste, abuse, or misconduct; to expand the authority of the Controller’s Office to issue subpoenas; and to authorize the Controller’s Office to execute search warrants to the extent permitted by State law.

21 City Services Auditor, the Controller shall be responsible for monitoring the level and
22 effectiveness of services rendered by the City to its residents, as set forth in Appendix F to this
23 Charter.

24 (d) Should the Controller determine at any time during the fiscal year that the revenues
25 of the General Fund, or any special, sequestered, or other fund are insufficient or appear to be

1 insufficient to support the remaining anticipated expenditure from that fund for the fiscal year for
2 any department, function, or program, the Controller shall reduce or reserve all or a portion of
3 the expenditure appropriation until such time as the Controller determines that the anticipated
4 revenues for the remainder of that fiscal year are sufficient to support the level of expenditure
5 anticipated for the remainder of the fiscal year. Whenever the Controller makes a reduction or
6 reservation, the Controller shall so inform the Mayor and Board of Supervisors within 24 hours.

7 (e) The Controller shall exercise general supervision over the accounts of all officers,
8 commissions, boards, and employees of the City and County charged in any manner with the
9 receipt, collection, or disbursement of City and County funds or other funds, in their capacity as

22 government of the City and County and its effect upon the cost of government. Such analysis
23 shall be issued in sufficient time to permit inclusion in the voters' information pamphlet.

24 (h) The Controller shall issue from time to time such periodic or special financial reports
25 as may be requested by the Mayor or Board of Supervisors.

1 (i) All disbursements of funds in the custody of the Treasurer must be authorized by the
2 Controller. No officer or employee shall bind the City and County to expend money unless there
3 is a written contract or other instrument and unless the Controller shall certify that sufficient
4 unencumbered balances are available in the proper fund to meet the payments under such
5 contract or other obligation as these become due, or that ~~the Controller~~~~he or she~~ expects
6 sufficient unencumbered balances to be available in the proper fund during the course of the
7 budgetary cycle to meet the payments as they become due.

8 (j) The Controller's Office shall include an Inspector General whose responsibilities
9 shall include reviewing complaints, leading and coordinating investigations, and collaborating
10 with the City Services Auditor on audits, inspections, and monitoring, all with the purpose of
11 preventing and detecting fraud, waste, abuse, and misconduct.

12 (1) The Controller shall appoint the Inspector General, subject to approval by

19 whistleblower and citizen complaints under Section F1.107, and the Controller may assign the
20 Inspector General to supervise those employees and/or employees supporting investigation work
21 in the City Services Audit Unit under Section F1.101.

22 (3) The Inspector General shall consult regularly, individually or jointly as
23 circumstances warrant, with the Ethics Commission, City Attorney, and/or District Attorney to
24 coordinate the departments' investigative strategies in criminal, civil, and administrative matters
25 involving fraud, waste, or abuse to the extent feasible. The Inspector General shall refer

1 investigations that the Inspector General has initiated or complaints that the Inspector General
2 has received to the Ethics Commission, City Attorney, or District Attorney as provided in Section
3 FI.107. After receiving such a referral, the Ethics Commission, City Attorney, and District
4 Attorney shall report quarterly to the Inspector General on the progress of the investigation, and
5 shall report to the Inspector General at the conclusion of the investigation, to the extent
6 providing such reports would not compromise the investigation. These reports shall be
7 considered confidential information to the extent permitted by state law.

8 (4) The Inspector General may hold public hearings regarding fraud, waste,
9 abuse, or misconduct.

10 (5) The Inspector General shall submit a public report at least twice each
11 calendar year to the Mayor and Board of Supervisors regarding the Inspector General's
12 activities and the outcomes of other City agencies' public integrity investigations to the extent
13 those activities and outcomes are not confidential under federal, State, or local law. In these
14 reports or at any other time, the Inspector General may make recommendations to the Mayor,
15 Board of Supervisors, and City and County agencies regarding City ordinances, rules,
16 regulations, or policies that impact public integrity in City government.

17 (6) In carrying out the objectives set forth in this Section 3.105, the Inspector
