Dear Ms. Gibson:

On October 22, 2019, Supervisor Peskin introduced the following proposed legislation:

File No. 191075

Ordinance amending the Planning Code to create the Intermediate Length Occupancy residential use characteristic; amending the Administrative Code to clarify existing law regarding the enforceability of fixed-term leases in rental units covered by the just cause protections of the Residential Rent Stabilization and Arbitration Ordinance (the "Rent Ordinance"), prohibit the use of rental units for temporary occupancies by non-tenants, require landlords to disclose in advertisements for such units that the units are subject to the Rent Ordinance, and authorize enforcement through administrative and/or civil penalties; requiring the Controller to conduct a study to analyze the impacts of new Intermediate Length Occupancy units in the City; affirming the Planning Department's determination under the California Environmental Quality Act; and making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1, and findings of public necessity, convenience, and welfare under Planning Code, Section 302.

This legislation is being transmitted to you for environmental review.
