Pursuant to Charter Article 8A.106, the Board of Supervisors (Board) may allow the MTA's budget to take effect without any action on its part, or it may reject the MTA's budget by a seven-elevenths' vote. The Board may only approve or reject the entire budget, and has no discretion to modify or reject specific expenditures contained therein. However, additional General Fund support to the MTA over the base amount stipulated in the Charter is subject to normal budgetary review and amendment under the general financial provisions of the Charter.

Approval of expenditures related to these sources follows the general provisions of the Charter, under which the Board may modify proposed expenses at the level of appropriation.
