Dear Supervisors,

I'm writing in support of the 185 workers in the Golden Gate Bridge, Highway and Transportation District who were served WARN act notices in September and may be facing layoffs. Please vote yes on Supervisor Preston's resolution on Tuesday, and send a strong message to the Golden Gate Bridge Board that we need to protect these skilled workers.

There are not a lot of trained bus drivers, sailors, and machinists or others in the Bay Area anymore. These are trained professionals with real experience and knowledge. By laying them off we risk losing them to other cities and it will be difficult to replace them.

San Francisco is a Union town. Do not do these workers wrong. The Board of Supervisors has affirmed their commitment to labor during this budget cycle and has stood firmly against layoffs. These workers deserve the same.

This is a time of extreme crisis—from wildfires to the pandemic, working people are under the greatest stress since 2008. Fear and anxiety run high, and many of these workers have families that can not afford this new disaster. Environmentally speaking, it's crucial that we prioritize mass transit.

As a working class citizen of San Francisco, please send a strong message to the Golden Gate Bridge Board and tell them to NOT lay off these workers.

Thank you for your time

The loss of demand for these jobs is temporary but the loss of these workers may be permanent. There are not a lot of trained bus drivers, sailors, and machinists or others in the Bay Area anymore. These are trained professionals with real experience and knowledge. By laying them off we risk losing them to other cities and it will be difficult to replace them.

It is absolutely egregious that 100s of hours of calls to reduce SFPD staffing - jobs which are overwhelmingly held by people who do not live in San Francisco - fell on deaf ears, but we are considering eliminating hundreds of good and necessary union jobs.

As a working class citizen of San Francisco, please send a strong message to the Golden Gate Bridge Board and tell them to NOT lay off these workers.

Sincerely,

Jason Kruta
