12 Section 1. Findings.

13 (a) Demographics and research on the numbers, conditions and needs of lesbian, gay,
14 bisexual and transgender ("LGBT") aging adults and seniors is minimal and therefore little is
15 actually known about this segment of the San Francisco population.

16 (b) The research that is available shows alarming areas of disparity in housing,
17 government and social support, medical and mental health, and other factors compared to
18 heterosexual counterparts; in particular, studies have shown an almost universal fear of being
19 out in senior facilities due to perceived intolerance and ignorance on the part of staff and other
20 seniors.

21 (c) Various advisory bodies in San Francisco have studied issues relating to LGBT
22 seniors and have recommended systemic policies to implement city-wide change in the
23 specific areas of housing, health and social services, legal status and equity, research and
24 demographics, and community within community.
25

1 (d) While some of the recommendations have been implemented, many of them have
2 not.

3 Section 2. The San Francisco Administrative Code is hereby amended by adding
4 Article XII of Chapter 5, Sections 5.110 through 5.115, to read as follows:

15 *(a) The Task Force shall consist of 4415 members, appointed by the Board of Supervisors.*

18 *community, including race, ethnicity, religion, gender identity, socio economic status, disability*
19 *(including HIV/AIDS status), and other relevant characteristics.*

20 *(b) All members of the Task Force shall be residents of the City and County, in accordance*
21 *with Section 4.101 of the Charter. The Board of Supervisors may waive the residency requirement if it*

23 *serve could not be located within the City and County.*

24
25 **SEC. 5.113. ORGANIZATION AND TERMS OF OFFICE.**

1 (a) Members of the Task Force shall serve for the life of the Task Force; provided, however,
2 that the Board of Supervisors may remove any member of the Task Force at any time.

3 (b) In the event a vacancy occurs during the term of office of any member, the Board of
4 Supervisors shall appoint a successor for the unexpired term of the office vacated.

5 (c) The Task Force shall elect its own officers and shall establish rules for its own organization
6 and procedures. The Task Force shall meet when necessary as determined by the Task Force;
7 provided, however, that the Task Force shall hold a regular meeting not less than once every month.
8 Except as provided by law, all meetings of the Task Force shall be open to the public.

9 (d) Services of the members of the Task Force shall be voluntary and members will serve
10 without compensation. Any member who misses two regularly-scheduled meetings of the Task Force
11 within a six-month period without the express approval of the Task Force at a regularly-scheduled
12 meeting will be deemed to have resigned from the Task Force.

13 (e) The Department of Aging and Adult Services shall provide administrative support to the
14 Task Force. All City departments, commissions, boards and agencies shall cooperate with the Task
15 Force in conducting its business.

18 (a) The Task Force may hold hearings and take testimony regarding LGBT senior issues and
19 related matters.

20 (b) The Task Force may create subcommittees as necessary; provided, however that the Task
21 Force shall establish working groups on: housing; health and social services; legal status and equity;
22 research and demographics; and community-within-community. The working groups shall reach out to
23 and invite other members of the community and experts who can help with the work of the Task Force
24 to participate with the working groups in an advisory role, including the special committee of the

REVISED LEGISLATIVE DIGEST

(5/24/2012, Amended in Committee)

[Administrative Code - Establishing a Lesbian, Gay, Bisexual, and Transgender Seniors Task Force]

Ordinance amending the San Francisco Administrative Code, Chapter 5, Article XII, by adding Sections 5.110 through 5.115, to establish a Lesbian, Gay, Bisexual, and Transgender Seniors Task Force and establish its powers and duties.

Existing Law

The City currently does not have a body charged with studying the needs of lesbian, gay, bisexual and transgender ("LGBT") aging adults and seniors.

Amendments to Current Law

The proposal would amend the Administrative Code to create a Lesbian, Gay, Bisexual and Transgender ("LGBT") Seniors Task Force ("the Task Force") to advise the Board of Supervisors on matters relating to the needs and concerns of senior members of the LGBT community.

The Task Force would have 15 members, appointed by the Board of Supervisors, from among LGBT seniors and aging adults and people with expertise or experience working on issues affecting LGBT seniors. Members of the Task Force would serve at the pleasure of the Board.

The Task Force would hold hearings on LGBT senior issues and related matters. It would include working groups on: housing; health and social services; legal status and equity; research and demographics; and community-within-community. The Task Force would hold a regular meeting not less than once every month.

The Task Force would specifically be charged with reviewing, updating and creating implementation plans for recommendations in existing reports, including the 2003 HRC Report on LGBT Seniors, the 2010 Ryan White HIV Care Council Report on HIV and Aging, and the 2011 Report of the SRO Task Force. Fifteen months after its first meeting, the Task Force would prepare a written report and submit it to the Board of Supervisors. The report would include action plans and timelines for implementation of recommendations, as well as cost estimates for implementation and potential funding sources to meet those costs.

The Department of Aging and Adult Services would provide administrative support to the Task Force. The ordinance would expire by operation of law, and the LGBT Senior Task Force would terminate, eighteen months after the first meeting of the Task Force.
