[Business and Tax Regulations Code - Early Care and Education Commercial Rents Tax Baseline - FYs 2025-2026 and 2026-2027]

**Ordinance modifying the baseline funding requirements for early care and education programs in Fiscal Years (FYs) 2025-2026 and 2026-2027, to enable the City to use the interest earned from the Early Care and Education Commercial Rents Tax for those baseline programs.**

Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings.

In June 2018, the voters approved Proposition C, which imposed a new tax on the gross receipts from the lease of commercial space in properties in the City (the “Tax”). The ballot measure required the City to spend 85% of the revenues from the Tax to fund quality early care and education for young children. At the time, the City already provided significant funding (the “Base Amount”) to early care and education programs (“Baseline Programs”), though there was a growing unmet need. The ballot measure directs the remaining 15% of revenues to the General Fund to support other discretionary funding priorities.

Proposition C added to that existing funding for Baseline Programs, and provided that in any given fiscal year, the City can spend Tax revenues only if it has also appropriated separate funds for Baseline Programs in an amount equal to at least the Base Amount (subject to some adjustments by the City Controller). The intent of Proposition C was to

1 ensure dedicated revenues to increase funding for quality early care and education for San  
2 Francisco children under the age of six, without those revenues supplanting existing funding.

3 While the voters authorized the Board of Supervisors to amend Proposition C by  
4 ordinance, the purpose of the measure was to “provide dedicated revenues to increase  
5 funding for quality early care and education for San Francisco children under the age of six”—  
6 that is, to supplement existing funding for early care and education above the existing  
7 baseline. Under Business and Tax Regulations Code Section 2113, the Board may amend  
8 the ordinance without a supermajority vote or any specific findings.

9 The City uses funding from a variety of sources, including State and Federal grants, for  
10 early learning scholarships, compensation for early educators, parenting support, childcare  
11 facilities, and additional programs. Despite these investments, there is still a gap in meeting  
12 the needs of families of young children and expanding quality early care and education. This  
13 requires an ongoing strategy to increase wages and benefits for early care educators; recruit  
14 and retain the workforce; expand and improve access to childcare slots for families up to  
15 200% of Area Median Income, particularly for infants and toddlers; and develop other  
16 programs that support the physical, emotional, and cognitive development of children under  
17 six. In approving this Ordinance, the Board recognizes that the voters did not intend revenues  
18 from the Tax to be used to fill other budgeting priorities, and acknowledges the goal of the  
19 measure was to establish a dedicated funding source to realize the goals of a universal  
20 early care and education system.

21 This Ordinance would allow the City to use interest earned in the Babies and Families  
22 First Fund to fund Baseline Programs previously funded from the General Fund. Doing so will  
23 further the purposes of Proposition C, as it will enable the City to redirect those General Fund  
24 monies that would have funded Baseline Programs toward other essential services for  
25 children and families, such as educational programs for children, family support services, and

1 food access programs. To that end, this Ordinance temporarily modifies the baseline  
2 requirements in Business and Tax Regulations Code Section 2112(f) and (g) for Fiscal Years  
3 2024-2025 through 2026-2027 to credit against the Base Amount interest earned in the  
4 Babies and Families First Fund.

5 In July 2023, the City enacted Ordinance No. 176-23, which temporarily modified the  
6 baseline requirements for Fiscal Years 2023-2024 and 2024-2025 to credit against the Base  
7 Amount interest earned in the Babies and Families First Fund. In June 2024, the Board  
8 enacted Ordinance No. 198-24, extending the modification for one additional fiscal year. This  
9 Ordinance supersedes Ordinance No. 198-24 as to the requirements for Fiscal Year 2025-  
10 2026, and also extends the modification for one additional fiscal year.

## 11 12 Section 2. Modification of Baseline Provisions in Proposition C.

13 Pursuant to Business and Tax Regulations Code Section 2113, the Board of  
14 Supervisors temporarily modifies Article 21 of the Business and Tax Regulations Code to  
15 credit against the Base Amount, as that term is defined in Section 2103, interest earned in the  
16 Babies and Families First Fund in Fiscal Years 2025-2026 and 2026-2027 in the following  
17 amounts: for Fiscal Year 2025-2026, up to \$16,900,000, and for Fiscal Year 2026-2027, up to  
18 \$16,900,000. These credits shall not be applied against the Base Amount in any Fiscal Year  
19 where the cash balance in the Babies and Families First Fund as of July 1 of that Fiscal Year  
20 is less than \$200 million.

21  
22 Section 3. Direction to the Clerk of the Board of Supervisors. Upon enactment of this  
23 ordinance, the Clerk of the Board of Supervisors shall place a copy of this ordinance in File  
24 Number 240604, and shall note on the Board's website referencing the passage of Ordinance  
25 No. 198-24 and that this ordinance supersedes Ordinance No. 198-24.

1           Section 4. Effective Date. This ordinance shall become effective 30 days after  
2 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the  
3 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board  
4 of Supervisors overrides the Mayor's veto of the ordinance.

## **LEGISLATIVE DIGEST**

[Business and Tax Regulations Code - Early Care and Education Commercial Rents Tax Baseline - FYs 2025-2026 and 2026-2027]

**Ordinance modifying the baseline funding requirements for early care and education programs in Fiscal Years (FYs) 2025-2026 and 2026-2027, to enable the City to use the interest earned from the Early Care and Education Commercial Rents Tax for those baseline programs.**

### **Existing Law**

In June 2018, the voters approved Proposition C, which imposed a new tax on the gross receipts from the lease of commercial space in properties in the City. The ballot measure required the City to spend 85% of the revenues from the tax to fund quality early care and education for young children through the City's Babies and Families First Fund. When the voters adopted Proposition C, the City already provided funding to early care and education programs. Proposition C referred to that funding as the "Base Amount" of money to pay for "Baseline Programs." Proposition C added to that existing funding for Baseline Programs. The ballot measure stated that in any given fiscal year, the City can spend tax revenues only if it has also appropriated separate funds for Baseline Programs in an amount equal to at least the Base Amount (subject to some adjustments by the City Controller).

Since the passage of Proposition C, the City has collected interest on the tax revenues in the Babies and Families First Fund. Like the revenues from the tax, that interest must be used to pay for early care and education programs.

Proposition C authorized the Board of Supervisors to amend the measure by ordinance in the future. In July 2023, the Board of Supervisors adopted Ordinance No. 176-23, which allowed the City to temporarily modify the baseline requirements for Fiscal Years 2023-2024 and 2024-2025 to credit against the Base Amount interest earned in the Fund. In June 2024, the Board enacted Ordinance No. 198-24, extending the modification for one additional fiscal year.

### **Amendments to Current Law**

Similar to Ordinance Nos. 175-23 and 198-24, the proposed ordinance would supersede Ordinance No. 198-24 as to the requirements for Fiscal Year 2025-2026, and extend the temporarily modification of the baseline requirements for Fiscal Year 2026-2027 to credit against the Base Amount interest earned in the Babies and Families First Fund. This modification would allow the City to appropriate funds from the tax to support Baseline

Programs without also appropriating separate funds at the level June 2018 Proposition C would have otherwise required.

**MANDATE STATEMENT**

Charter Section 2.105 requires that legislative acts in San Francisco be by ordinance, subject to approval by a majority of the Board of Supervisors.

Business and Tax Regulations Code Section 2113 states that amendments to or repeal of Article 21 of the Business and Tax Regulations Code are subject to Board of Supervisors approval by ordinance without voter approval.

**BACKGROUND****Commercial Rents Tax**

The Early Care and Education Commercial Rents Tax was authorized by the voters in June 2018 with the passage of Proposition C and went into effect on January 1, 2019. The validity of the tax was litigated and resolved in the City's favor. The law is codified in Article 21 of the Business and Tax Regulation Code.

The commercial rents tax applies to businesses leasing commercial space that are subject to the City's gross receipts tax and is in addition to gross receipts or payroll taxes paid by non-residential businesses in the City. Of the revenues, 15 percent is transferred to the General Fund and 85 percent is deposited into the Babies and Families First Fund and must be spent on early care and education.

Proposition C (June 2018) also requires the City to maintain a baseline level of early care and education spending, based on funding levels in FY 2017-18 and adjusting annually by the percent change in the City's aggregate discretionary revenues. Baseline spending is funded by the General Fund, the Public Education and Enrichment Fund, the Children and Youth Fund. The City may suspend growth in the early care and education baseline funding if the City's projected budget deficit at the time of the Joint Report of the Five-Year Financial Plan exceeds \$200 million, adjusted annually by the percent change in the City's aggregate discretionary revenues. According to the December 2024 Joint Report, the deficit trigger early care and education baseline is \$206.3 million. Because the March 2024 Update to the Joint Report projected the City's General Fund deficit at \$272.3 million for FY 2025-26, growth in early care and education baseline for FY 2025-26 would be paused, regardless of any legislative action.

**Prior Board Actions**

In July 2023, the Board of Supervisors approved an ordinance that modified the early care and education baseline funding requirement in FY 2023-24 and FY 2024-25 in two ways (File 23-0661). The ordinance allowed up to \$20 million interest earned on fund balance in FY 2023-24 and up to \$10 million in FY 2024-25 as a credit against early care and education baseline spending. The General Fund savings were used to fund nutrition assistance programs provided by the Human Services Agency. The 2023 ordinance also suspended growth in early care and education baseline spending amount in FY 2024-25. Growth in the baseline spending requirement was suspended in

FY 2023-24 due to the projected deficit in 2023, so the baseline spending amount remains at the FY 2022-23 level (\$93.8 million).

In 2024, the Board of Supervisors approved an ordinance that allowed interest earned in the Babies and Families First Fund to reduce early care and education baseline spending requirements by up to \$16.6 million in FY 2024-25 and up to 16.9 million in FY 2025-26, so long as the fund balance was above \$300 million.

### DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would allow the City to use interest earned in the Babies and Families First Fund to reduce early care and education baseline spending requirements by up to \$16.9 million in FY 2025-26 and FY 2026-27. The credits would not be applied if the fund balance is below \$200 million.

### FISCAL IMPACT

Exhibit 1 below shows the proposed change in the early care and education baseline spending requirement.

#### Exhibit 1: Proposed Changes in Early Care & Education Baseline Spending

ECE Baseline	FY 2025-26	FY 2026-27
Baseline Spending Amount	93,800,000	99,300,000
Credit from Interest	(16,900,000)	(16,900,000)
Adjusted Baseline Spending	76,900,000	82,400,000
Budgeted Baseline Spending	78,000,000	83,000,000

Source: Proposed Ordinance, Proposed FY 2025-26 – FY 2026-27 Budget, Controller's Office

The primary fiscal impact of the proposed ordinance is to reduce early care and education baseline spending by the amount of interest earned on the Babies and Families First fund balance. The proposed FY 2025-26 – FY 2026-27 budget assumes the adjusted baseline spending requirement and funds that spending primarily with Public Education & Enrichment (PEEF) funding (89%), the Children's Fund, and the General Fund. Baseline spending is budgeted in DEC, DCYF, and HSA.

#### Fund Balance

We estimate that the Babies & Families First Fund will have a fund balance of approximately \$474 million starting July 1, 2025. This large fund balance is the source of the interest revenue being used to offset baseline spending that would otherwise have to be funded by the General Fund. The balance is primarily due to an accumulation of funding from a hold on spending during litigation regarding the validity of the tax (which has since been resolved in the City's favor). The prior mayoral administration created a plan to spend down the fund balance by expanding childcare subsidies, however the plan is being revised by the new administration. As of this writing, \$399.5 million is on Mayor, Controller, and Board of Supervisors reserves, with the

majority of the reserve being held by the Mayor's Office pending finalization of the new spending plan. Monies in the Babies and Families First Fund may only be used for early care and education programs.

**RECOMMENDATION**

Approval of the proposed ordinance is a policy matter for the Board of Supervisors.
