WHEREAS, The State of California Department of Housing and Community

Development ("Department") issued a Request for Concept Proposals for the Infill

Infrastructure Grant - Catalytic Qualifying Infill Area Program ("IIGC Program") dated

November 30, 2022, and issued Infill Infrastructure Grant - Catalytic Qualifying Infill Area

Program Guidelines and Notice of Funding Availability (collectively, the "NOFA") dated

25

1	March 15, 2023, as amended March 22, 2023, and as further amended on August 3, 2023,
2	under the IIGC Program established under Part 12.5 of Division 31 of the Health and Safety
3	Code commencing with Section 53559; and
4	WHEREAS, The Department is authorized to approve funding allocations for the IIGC
5	Program, subject to the terms and conditions of the NOFA IIGC Program Guidelines adopted
6	by the Department on March 15, 2023, as amended March 22, 2023, and as further amended
7	on August 3, 2023 ("Program Guidelines"), an application package released by the
8	Department for the IIGC Program ("Application Package"), and an IIGC Program standard
9	agreement with the State of California ("Standard Agreement"), the Department is authorized
10	to administer the approved funding allocations of the IIGC Program; and
11	WHEREAS, The IIGC Program provides infrastructure for Capital Improvements
12	Projects in support of Qualifying Infill Projects or Qualifying Infill Areas to applicants identified
13	through a competitive process for the development of projects that, per the Program
14	Guidelines, support higher-density affordable and mixed-income housing and mixed-use infill
15	developments; and
16	WHEREAS, The City and County of San Francisco, through MOHCD, submitted an
17	application to the Department in response to the NOFA (the "Application") and based on the
18	Application the Department made an award of Program funds (the "Program Award"); and
19	WHEREAS, On January 31, 2017, by Ordinance No. 18-17, the Board of Supervisors
20	approved the Development Agreement between the City and County of San Francisco, the
21	Housing Authority of the City and County of San Francisco, and Sunnydale Development Co.
22	LLC, for the Sunnydale Project , which Ordinance is on file with the Clerk of the Board of
23	Supervisors in File No. 161164 and incorporated herein by reference; and
24	WHEREAS, On January 31, 2017, by Ordinance No. 20-17, the Board of Supervisors
25	made findings for the Sunnydale Project under the California Environmental Quality Act

1	(Public Resources Code Sections 21000 et seq.) and findings of consistency with the General
2	Plan, and the eight priority policies of Planning Code, Section 101.1, which Ordinance is on
3	file with the Clerk of the Board of Supervisors in File No. 161309 and is incorporated herein by
4	reference; and
5	WHEREAS, On April 21, 2011, by Motion No. 18325 (and related actions), the San
6	Francisco Planning Commission certified the Final Environmental Impact Report for the
7	Treasure Island/Yerba Buena Island Redevelopment Project, pursuant to the California
8	Environmental Quality Act (Public Resources Code §§ 21000 et seq.), which Motion is on file
9	with the Clerk of the Planning Commission and is incorporated herein by reference; and
10	WHEREAS, On June 14, 2011, the Board of Supervisors passed, and on June 15,

WHEREAS, On June 14, 2011, the Board of Supervisors passed, and on June 15, 2011, the Mayor enacted Ordinance No. 95-11 (File No. 110226), approving the Development Agreement between the City and County of San Francisco and Treasure Island Community Development, LLC, for the Treasure Island/Yerba Buena Island Redevelopment Project, and adopting Findings of Fact, a Statement of Overriding Considerations, and a Mitigation Monitoring and Reporting Program under CEQA for the project, which Ordinance is on file with the Clerk of the Board of Supervisors and is incorporated herein by reference; and

WHEREAS, On June 28, 2011, the Treasure Island Development Authority and Treasure Island Community Development, LLC entered into the Disposition and Development Agreement ("DDA") for the Treasure Island/Yerba Buena Island Redevelopment Project, and by Resolution No. 241-11 (File No. 110291), the Board of Supervisors approved the DDA, which requires that not less than twenty-five percent (25%) of the authorized residential units be developed as affordable housing consistent with the City's housing policies, which resolution is on file with the Clerk of the Board of Supervisors and is incorporated herein by reference; and

1	WHEREAS, On October 23, 2018, by Ordinance No. 252-18, the Board of Supervisors
2	approved the Development Agreement between the City and County of San Francisco and
3	India Basin Investment LLC, for the India Basin Project, which Ordinance is on file with the
4	Clerk of the Board of Supervisors in File No. 180681 and incorporated herein by reference;
5	and
6	WHEREAS, On January 31, 2017, by Ordinance No. 261-18, the Board of Supervisors
7	made findings for the India Basin Project under the California Environmental Quality Act
8	(Public Resources Code, Sections 21000 et seq.) and findings of consistency with the
9	General Plan, and the eight priority policies of Planning Code Section 101.1, which Ordinance
10	is on file with the Clerk of the Board of Supervisors in File No. 180816 and is incorporated
11	herein by reference; and
12	WHEREAS, MOHCD desires to award funds from the Program Award to these three
13	development agreement projects across San Francisco known as the Sunnydale Project, the
14	Treasure Island Project and the India Basin Project (the "IIGC Projects"); and
15	WHEREAS, The grant terms prohibit including indirect costs in the grant budget; and
16	WHEREAS, The grant does not require an ASO amendment; and
17	WHEREAS, Through a conditional award letter dated August 22, 2023, the Department
18	made an award in the total amount of \$45,000,000 to be disbursed by HCD as a grant to the
19	City for infrastructure work as approved by HCD, subject to the terms and conditions of the
20	STD 213, Standard Agreement ("Standard Agreement"), a copy of which is on file with the
21	Clerk of the Board of Supervisors in File No. 251054; now, therefore, be it
22	RESOLVED, That the Board of Supervisors approves and authorizes the MOHCD to
23	enter into the Standard Agreement with the Department, with terms and conditions that IIGC
24	Program funds are to be used for allowable capital asset project expenditures identified in
25	Exhibit A of the Standard Agreement; and, be it

1	FURTHER RESOLVED, That the Board of Supervisors hereby waives inclusion of
2	indirect costs in the grant budget; and, be it
3	FURTHER RESOLVED, That the Board of Supervisors hereby authorizes and directs
4	the Director of the Mayor's Office of Housing and Community Development to execute the
5	Standard Agreement and related documents necessary to participate in the Program; and, be
6	it
7	FURTHER RESOLVED, That the Board of Supervisors hereby authorizes and directs
8	the Director of the Mayor's Office of Housing and Community Development to accept and
9	incur an obligation for the Program Award in an amount not to exceed \$45,000,000, and to
10	enter into, execute, and deliver an STD 213, Standard Agreement (the "Standard
11	Agreement"), and any and all other documents required or deemed necessary or appropriate
12	to secure the Program Award from the California Department of Housing and Community
13	Development and to participate in the Program, including, but not limited to, an affordable
14	housing covenant, a performance deed of trust, a disbursement agreement, and all
15	amendments thereto (collectively, the "Program Award Documents"); and, be it
16	FURTHER RESOLVED, That the Director of the Mayor's Office of Housing and
17	Community Development is hereby authorized to execute such documents; and, be it
18	FURTHER RESOLVED, That the Director of the Mayor's Office of Housing and
19	Community Development, or their designee, is hereby authorized to execute the Program
20	Award Documents and all amendments thereto on behalf of the City and County of San

Instructions

When opening this file, a yellow banner at the top may appear with a button that says, "Enable Editing", and/or "Enable Macros". It is essential that you click this box(es) so that the macros are enabled. Enabling macros is necessary for full workbook/application functionality.

WARNING: Partial functionality of this application/workbook WILL BE LOST when using Apple Mac Computers. The Department highly recommends using PC Computers and Microsoft Office 2013 or newer to complete the application.

Microsoft has recently added blocking of macros by default, if this happens when you open the application, please follow the instructions in the Word document added as an icon to the right (double-click to open).

Phase II Application must be submitted electronically via the HCD IIGC Phase II Application Portal no later than 4:00 p.m. Pacific Daylight Time on April 10, 2023.

Application must be on the Department's forms and cannot be altered or modified by the Applicant. Excel forms must be in Excel format, not a PDF document. If the Applicant discovers any errors within application, use the Application Support tab and email the entire workbook to AppSupport@hcd.ca.gov

Additional instructions and guidance are given throughout the Application in "red" text and in cell comments. Cell Notes/Comments are very important to read as some of these will provide direction when completing your application.

"Yellow" cells are for Applicant input. It is very important that you answer ALL yellow cells, failure to provide all information may disqualify your application from consideration or may negatively impact your point score. Even if an item is not applicable - "no" or "N/A" must be filled from the drop down.

Article 1. General Overview

This Solicitation sets forth specific eligibility requirements and selection criteria for the Phase II Catalytic Qualifying Infill Area Application. In addition to this Solicitation, applicants should carefully review the Request for Concept Proposals and Phase I Application in preparing a Phase II Application.

Under the Program, grants are available as gap funding for infrastructure improvements, Factory-Built Housing components, and Adaptive Reuse necessary for specific residential or mixed-use infill developments. Sites and parcels that make up Catalytic Qualifying Infill Areas must have been either previously developed (within the last ten years) or largely surrounded by sites developed with Urban Uses. Eligible improvements include, but are not limited to, the creation, development, or rehabilitation of Parks or Open Space, water, sewer or other utility service improvements, streets, roads, or transit linkages or facilities, facilities that support pedestrian or bicycle transit, traffic mitigation, sidewalk or streetscape improvements, Factory-Built Housing components, Adaptive Reuse, or site preparation or demolition.

Applicant certifies that sites and parcels that make up Catalytic Qualifying Infill Areas must have been either previously developed (within the last ten years) or largely surrounded by sites developed with Urban Uses.

Yes

Are the sites and parcels that make up Catalytic Qualifying Infill Areas previously developed (within the last ten years) **or** largely surrounded by sites developed with Urban Uses?

Surrounded with Urban Uses

The primary goal of IIGC is to promote infill housing development by providing financial assistance for Capital Improvement Projects (CIPs) that are an integral part of, or necessary to facilitate the development of Catalytic Qualifying Infill Areas. Under the Program, grants are available as gap funding for infrastructure and other capital improvements necessary for specific residential or mixed-use infill development proposals.

Are the Capital Improvement Projects (CIPs) an integral part of, or necessary to facilitate the development of a Catalytic Qualifying Infill Area?

Yes

State Relocation Requirements	§500(d)

CIP or HD#3

A Relocation Plan that conforms with the provisions of Title 25 CCR, §6038, and

CIP or HD#4

CIP or HD#5

File Name: 18. Relocation Plan

Relocation triggered for which CIP or HCD?

Article XXXIV §500(a)

Applicant(s) acknowledges that IIGC funds are not subject to Article XXXIV, Section 1 of the California Constitution, as clarified by the Public Housing Election Implementation Law (HSC Sections 37000 - 37002). The IIGC funds do not directly fund the housing units, but rather fund the infrastructure that supports the housing units. Other HCD funding sources may require Article XXXIV compliance. However, due to other public funding for IIGC Assisted Units, including other HCD funding sources, that may require Article XXXIV compliance, Recipients shall comply with Article XXXIV.

Will the Recipient ensure that a housing development or a Capital Improvement Project will comply with State Relocation Assistance Law (Title 1, GC, Division 7,

Chapter 16, commencing at §7260, and Title 25 CCR, Subchapter 1, Chapter 6, commencing at §6000) and additional requirements set forth in secion §500(d)?

California Preservation Notice Law §500(b)

Applicant(s) certifies that all Applicants and special purpose entities must, at all times, comply with, and not be in violation of, California's Preservation Notice Law (Gov. Code, Sections 65863.10, 65863.11, 65863.13).

Yes

California State Prevailing Wage Law §500(c)

Applicant/Recipient certifies that the project will comply with California's prevailing wage law (Lab. Code, Section 1720 et seq.) The Applicant/Recipient should seek professional legal advice about the law's requirements.

Are costs sufficient, pursuant to the relocation plan and included in the Project's Development Budget?

IIG funds are subject to California prevailing wage law, as set forth in Labor Code Section 1720 et seq. and require the payment of prevailing wages unless the project meets one of the exceptions of Labor Code 1720 (c) as determined by the Department of Industrial Relations (DIR). The DIR can be contacted via its website at

https://www.dir.ca.gov/oprl/DPreWageDetermination.htm

Nondiscrimination and Fair Housing Requirements §500(e)

Applicant/Recipient shall adopt a written non-discrimination policy. Applicant/Recipient certifies to comply with all applicable state and federal law, including, without limitation, the requirements of Title VI of the Civil Rights Act of 1964 (42 USC Section 2000d et seq.); the Americans with Disabilities Act of 1990; the Fair Housing Act; the Fair Housing Amendments Act of 1988; the California Fair Employment and Housing Act; the Unruh Civil Rights Act; GC Section 11135; Rehabilitation Act of 1973 Section 504; and all regulations promulgated pursuant to those statutes (including 24 CFR Part 100, 24 CFR Part 8, and 28 CFR Part 35)?

Yes

Americans with Disabilities Act and Physical Accessibility Requirements §500(f)

Recipients shall ensure Developer compliance with all applicable state and federal building codes and accessibility laws and standards. All Housing Developments shall adhere to the accessibility requirements set forth in: (i) California Building Code Chapters 11A and 11B; (ii) the federal Fair Housing Act (42 U.S.C. § 3601 et seq.) and its regulations at 24 Code of Federal Regulations part 100 (particularly 24 C.F.R. Section 100.205), and its design and construction requirements, including ANSI A117.1-1986, and the Fair Housing Accessibility Guidelines, March 6, 1991, in conjunction with the Supplement to Notice of Fair Housing Accessibility Guidelines: Questions and Answers About the Guidelines, June 28, 1994; and (iii) the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.) and its Title II and Title III regulations at 28 Code of Federal Regulations parts 35 and 36; and Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) and the implementing HUD regulations at 24 Code of Federal Regulations part 8. In addition, developments shall adhere to either the Uniform Federal Accessibility Standards (UFAS) (24 C.F.R. Section 8.32), or HUD's Alternative Accessibility Standard. In addition, the Applicant/Recipient shall ensure that the Project meets the following requirements:

Applicant/Recipient certifies to ensure compliance with all applicable state and federal building codes and accessibility laws and standards?

Yes

Violence Against Women Act (VAWA) §500(g)

Applicant/Recipient certifies that where applicable, Applicant/Recipient shall ensure individuals are not denied assistance, evicted, or have their assistance terminated because of their status as survivors of domestic violence, dating violence, sexual assault, or stalking, or for being affiliated with a victim, pursuant to §34 USC Section 12491.

Yes

Pet Friendly Housing Act of 2017 §500(h)

Applicant/Recipient certifies to authorize residents of the housing development to own or otherwise maintain one or more common household pets pursuant to the Pet Friendly Housing Act of 2017 (HSC Section 50466).

Article 3. Selection Criteria

A minimum point score of **70 points** must be achieved to be considered for a funding award. (depending on the type and quality of Phase II Applications received, the Department may adjust the minimum point score requirement as needed).

Application due date: 4/10/23

Total t Score: 66.20
Total Possible Score: 100.00
Tiebreaker Score: 2.00

§301. Rating and Ranking

Eligible Phase II Applications from Small Jurisdictions and Large Jurisdictions will be rated and ranked according to the selection criteria set forth in this section. The Phase II Applications from Small Jurisdictions and Large Jurisdictions will compete within their respective set-aside pools defined in §104 and will not compete against each other. The Phase II Applications that pass the initial threshold review will be scored using the Selection Criteria outlined below. The Phase II Applications determined to be incomplete, or not meeting Program eligibility criteria set forth in Article 2, including minimum point score will not be fully evaluated.

(a) Number of Housing Units – 20 points maximum

HCD will assess these points internally

ne Catalytic Qualifying Infill Area

Points will be awarded for the number of housing Units proposed in the Phase II Application to be developed within the Catalytic Qualifying Infill Area. <u>Furthermore</u>, if the number of housing Units evidenced at close of construction financing is less than the number identified in the Phase II Application, the <u>Department may reduce the Award accordingly.</u>

After the threshold review, the total number of housing Units will be ranked from highest to lowest. Each Phase II Application will be assigned to one of three scoring categories (high, medium, or low) in ranked order. Points will be assigned as follows:

High = 20 Points

Medium = 10 Points

Low = 5 Points

Proposed housing Units at Phase one application.

789 Proposed housing Units at Phase two application.

789

(b) Depth and Duration of Affordability – **20 points maximum**

20.00

The Phase II Applications will be awarded points based on the percentage of Units in the proposed Housing Development(s) restricted to occupancy by various income groups. The Phase II Applications designating only rental units in the proposed Housing Development(s) shall be scored following the calculation procedures used by TCAC. The Phase II Applications designating ownership units, or a combination of rental and ownership units, must utilize the scale set forth in paragraph (2) below. Where appropriate based on the mix of income groups, the Phase II Applications must demonstrate units affordable to Lower-Income groups are spatially integrated throughout the Housing Development.

For rental units used as the basis for point scores in the Phase II Application, Rent limits for initial occupancy and for each subsequent occupancy shall be based on unit type, applicable income limit, and area in which the Housing Development is located, following a simplified version of the calculation

(1) procedures used by TCAC. Rents shall be restricted in accordance with the Rent and income limits specified in the Phase II Application and approved by the Department and set forth in a legally binding agreement recorded against the Housing Development with a duration of at least 55 years. Rents shall not exceed 30 percent of the applicable income eligibility level.

The Phase II Applications will be scored based on the extent to which the Net Densities on the parcel or parcels to be developed in the Housing Developments in the Phase II Application exceed the required density specified in §204(b). Density calculations shall be evidenced by a date stamped map certified by a licensed State of California professional such as an architect, engineer, or surveyor.

(i) Community Outreach and Engagement – 3 points maximum

(1) Community Outreach and Engagement Activities

Points will be awarded for the extent to which the Phase II Applications demonstrate community outreach and engagement in project planning, including efforts to involve Disadvantaged Communities and Low-Income residents, particularly local community residents and businesses from the area within and surrounding the Catalytic Qualifying Infill Area. This will be evaluated based on indicators including:

- Collaboration with community-based organizations to develop the community engagement plan, publicize community engagement activities, and/or execute community engagement activities;
- Number of community engagement activities;
- Types of community engagement activities, with an emphasis on types of activities most likely to reach Disadvantaged Communities and Low-Income residents (e.g., canvassing, participating in events held by community-based organizations, holding in-person events (as opposed to online events));
- Number and types of methods of outreach and noticing of events, with an emphasis on types of methods most likely to reach Disadvantaged Communities and Low-Income residents (e.g., flyers, canvassing);
- Number of community members participating in community engagement activities, particularly from Disadvantaged Communities and Low-Income residents;
- Examples of how meaningful feedback from participants was solicited and documented;
- Activities are held at times convenient for working families;
- Translation is provided (state which language(s));
- Childcare and/or food are provided at events.

Applicants should submit a detailed narrative describing how their completed and/or planned community outreach and engagement activities involve Disadvantaged Communities and Low-Income residents, particularly from the area within and surrounding the Catalytic Qualifying Infill Area, including by addressing the indicators above. The narrative should clearly state for each activity whether it is completed or planned.

HCD to review narrative and assign score accordingly per below.

- (A) **Up to 2 points** total may be awarded for completed community outreach and engagement activities.

(2) Outcomes of Community Outreach and Engagement

Up to 2 points total may be awarded for the extent to which the proposed project addresses community-identified needs. This will be evaluated based on indicators including:

HCD to review narrative and assign score accordingly.

- Number of community needs identified through the community engagement process for Catalytic Qualifying Infill Area and/or other relevant community engagement processes;
- Number of community-identified needs addressed by the proposed project;
- Extent to which the proposed project addresses the community-identified needs;
- Number of community-based, grassroots organizations expressing support for the proposed project, particularly organizations that represent Disadvantaged Communities and/or Low-Income residents.

Applicants should submit a detailed narrative describing the community needs identified through the community engagement process and if and how the Project addresses each community-identified need.

Applicants are also encouraged to submit letters of support from local community-based, grassroots organizations describing the community engagement process and how feedback from local residents was incorporated into the project.

(j) Anti-displacement Strategies – 3 points maximum

Applicants are required to develop a housing needs and displacement vulnerability assessment and anti-displacement plan for the communities within and adjacent to the Catalytic Qualifying Infill Area. The assessment should describe the communities within and adjacent to the Catalytic Infill Area with both descriptive and quantitative information. Housing needs and displacement vulnerability should be explained using the most recent economic statistics and demographic information available (U.S. Census or other more recently collected local information is acceptable). The assessment should also describe adopted and proposed local policies and programs related to displacement, such as policies described in the jurisdiction's housing element, other government policies, and any non-governmental organization work on Anti-Displacement. The assessment must clearly state for each policy and program whether it is adopted or proposed. In order for a proposed policy or program to count towards points for this section, the assessment must include an implementation plan for the proposed policy or program, including an identified lead organization, a timeline with key milestones, and the current status of the work.

The assessment must address both direct displacement (e.g. where a residential building is demolished as part of the project, displacing residents of that building) and indirect displacement (e.g. where investment in the Catalytic Qualifying Infill Area causes costs to rise in and/or around the Catalytic Qualifying Infill Area, making the area unaffordable for existing area residents). The assessment must identify local businesses and other vulnerable local organizations (e.g. nonprofit organizations, churches, community centers) where relevant. The assessment may be an existing document that meets the goals stated above.

Applicants are also encouraged to submit letters of support from local community-based, grassroots organizations for the policies and programs adopted or proposed in the Housing Needs and Displacement Vulnerability Assessment and Anti-Displacement Plan.

HCD to review narrative and assign score accordingly.

- (A) Up to 3 points will be awarded based on the strength of the Housing Needs and Displacement Vulnerability Assessment and Anti-Displacement Plan. The Department's assessment will include consideration of the following indicators:
 - · Completeness and accuracy of the housing needs and displacement vulnerability assessment;
 - Number of publicly identified adopted anti-displacement policies and programs;
 - Number of publicly identified proposed anti-displacement policies and programs with implementation plans;
 - Extent to which adopted and proposed anti-displacement policies and programs are well suited to have an impact on the displacement vulnerabilities identified in the assessment:
 - Number of community-based, grassroots organizations expressing support for the policies and programs adopted or proposed in the Housing Needs
 and Displacement Vulnerability Assessment and Anti-Displacement Plan, particularly organizations that represent Disadvantaged Communities and/or Low-Income residents.

The narratives provided in Sections (i) and (j) will be tailored to the characteristics of the Catalytic Qualifying Infill Area and the community. For Catalytic Qualifying Infill Areas where the areas within and surrounding the project are home to many Low-Income and Moderate-Income residents, local business, and community-serving organizations, more robust community engagement and anti-displacement strategies will be expected. Applicants should describe the existing community within and surrounding the proposed Catalytic Qualifying Infill Area using Census and other data in their Housing Needs and Displacement Vulnerability Assessment and Anti-Displacement Plan.

MEMORANDUM FOR: POTENTIAL APPLICANTS

FROM: Jennifer Seeger, Deputy Director

Division of State Financial Assistance

SUBJECT: Request for Concept Proposals

Infill Infrastructure Grant - Catalytic Qualifying Infill Areas

The California Department of Housing and Community Development (Department or HCD) is requesting submittal of Concept Proposals for funding under the Infill Infrastructure Grant Catalytic Qualifying Infill Area program (IIGC).

Awards made under this solicitation will unlock available land for housing development and maximize the state's existing and ongoing investments, all of which will benefit the state's economy and further our housing production and climate resilience efforts.

HCD's mission is to promote safe, affordable homes and strong vibrant communities throughout California. For decades, too little housing has been built near high-quality jobs, transportation, and amenities in communities throughout California. As a result, many Californians must live far from key destinations like employment, healthcare and schools. This lack of connectivity between our homes and important destinations contributes to more time in cars, and more vehicle miles traveled, which has a detrimental impact on our environment.

In response, HCD is focused on efforts to address decades of housing underproduction and the increasing impacts of climate change by making strategic investments that can quickly provide housing at scale and simultaneously catalyze economic development. Encouraging infill housing not only reduces emissions from driving and alleviates the state's housing shortage, but it also improves access to daily destinations and economic opportunity for more Californians.

Many former commercial and underutilized areas have significant potential for developing housing at scale but lack the infrastructure necessary to support higher-density residential development. In addition to vacant infill parcels, IIGC proposals may include industrial or business parks, vacant shopping centers, strip malls, or scattered sites with vacant or underutilized structures.

The below program description and request for Concept Proposals is part of a two-stage application process:

- In Phase I, Eligible Applicants will provide a Concept Proposal on a Department-provided form to be made publicly available no later than December 29, 2022. The purpose of the Concept Proposal phase is two-fold: 1) to serve as a "demand survey" to inform the Department about the diversity, scale, needs and challenges of eligible CQIAs, and 2) to describe how the proposed CQIA meets or exceeds threshold criteria and program goals outlined by statute.
- In **Phase II**, the Department will release a Notice of Funding Availability detailing programmatic requirements including specific scoring criteria. All applicants deemed eligible in Phase I will be invited to apply, unless the IIGC program promises to be significantly oversubscribed, as detailed in the below section on Invitations to Apply.

To be considered for potential funding, Catalytic Qualifying Infill Area Concept Proposals must be submitted electronically via the HCD IIGC Application Portal using the Concept Proposal Application and must include all required information as detailed in the Application. A link to the HCD IIGC Application Portal will be available at https://www.hcd.ca.gov/grants-and-funding/programs-active/infill-infrastructure-grant

The HCD IIGC Application Portal will open December 29, 2022, and close 4:00 PM Pacific Time on January 31, 2023.

Statutory Authority

The Infill Infrastructure Grant program – Catalytic Qualifying Infill Area (IIGC) implements and interprets Part 12.5 (commencing with Section 53559) of Division 31 of the Health and Safety Code (HSC) amended by AB 157 Chapter 157 Statutes of 2022, which establishes the greater Infill Infrastructure Grant Program of 2019, hereinafter referred to as the Infill Infrastructure Grant program (IIG). Section 53559.1 (c) establishes and defines the new Catalytic Qualifying Infill Area.

Potential applicants are encouraged to review relevant sections of HSC 53559 and 53559.1.

IIGC Overview and Summary of Funds Available

The purpose of the IIGC program is to provide critical infrastructure funding necessary to unlock sites for residential development.

Many former commercial and underutilized areas have great potential for the development of housing but lack the infrastructure necessary to facilitate higher-density

residential development. In addition to vacant infill parcels, IIGC proposals may include industrial or business parks, vacant shopping centers, strip malls, or scattered sites with vacant or underutilized structures.

The IIGC program supports adaptive reuse of these structures or sites by providing financial assistance for Capital Improvement Projects that are an integral part of, or necessary to facilitate the development of housing within Catalytic Qualifying Infill Areas (CQIA). Under the program, grants are available as gap funding for infrastructure improvements necessary for specific residential or mixed-use infill development proposals.

The Department is issuing this Request for Concept Proposals to achieve the following goals:

- Prequalify prospective applicants for the IIGC Notice of Funding Availability (NOFA) which the Department anticipates releasing no later than February 2023. The IIGC Phase II application process is open only to eligible applicants who receive an invitation from the Department in response to their submitted Concept Proposals. Failure to participate in the Concept Proposal process will preclude an applicant from further participation.
- 2. Assess the funding needs for this IIGC solicitation. The Department may consider an increase to per-unit grant funding amounts for IIGC funding based upon information in the Concept Proposals. Eligible applicants who submit Concept Proposals in response to this Request for Concept Proposals, but who are not invited to apply under the NOFA, may be eligible to apply for subsequent rounds should funding be made available.
- 3. The Department anticipates that data collected through the submissions in response to this Request for Concept Proposals will inform further design of the program including scope and size of proposed projects, assessment of infrastructure needs and streamlining opportunities for residential development.

In total the Department has approximately \$105 million available in fiscal year 2022-23. These funds will be allocated as follows (approximately):

- \$90 million for Large Jurisdictions
- \$15 million for Small Jurisdictions¹

A list of Small Jurisdiction and Large Jurisdiction counties is included as Appendix A.

¹ Small Jurisdiction is defined as a county with a population of less than 250,000 as of January 1, 2019, or any city within that county per Health and Safety Code Section 53559.1 (g).

Grant funds will be made available as gap funding for infrastructure and Adaptive Reuse² improvements necessary for specific residential or mixed-use infill developments. Sites and parcels that make up CQIAs must have been either previously developed or be largely surrounded by sites developed with Urban Uses. "Urban Uses" means any residential, commercial, industrial, public institutional, transit or transportation passenger facility, retail use, or any combination of those uses.

Eligible improvements include, but are not limited to, development of parks or open space, water, sewer or other utility service improvements, streets, roads, parking structures, transit linkages, transit shelters, traffic mitigation features, site preparation or demolition, sidewalks, streetscape improvements and construction and Rehabilitation³ expenses relating to repurposing non-residential buildings for residential uses. A complete list of Eligible Uses is provided in Appendix B.

It is estimated that funds will be disbursed based on the following proposed minimum and maximum award amounts; however, the Department may adjust these numbers based upon Concept Proposals submitted. The actual grant amount will be calculated based upon the information submitted in the Full Application. Final funding minimums and maximums will be announced in the Notice of Funding Availability. The Department may consider increasing per unit amounts based on the overall infrastructure needs of CQIAs as proposed.

Proposed Funding Minimum and Maximum Award Amounts								
Catalytia	Lorgo luriodiationa	Minimum	\$15 million					
Catalytic Qualifying Infill	Large Jurisdictions	Maximum	\$45 million					
Area	Small Jurisdictions	Minimum	\$5 million					
Alea		Maximum	\$15 million					

The maximum grant amount shall be determined by the total number of housing units proposed within the identified CQIA, the bedroom count of these units, and the density and affordability of the housing proposed to be developed as identified below:

² "Adaptive Reuse" means the repurposing of building structures for residential purposes, such as former office use, commercial use, or business parks. When referring to building structures, adaptive reuse means retrofitting and repurposing of existing buildings that create new residential rental units, and expressly excludes a project that involves rehabilitation of any construction affecting existing residential units that are, or have been, recently occupied.

³ "Rehabilitation" is defined in line with Section 50096 of the HSC, and includes improvements and repairs made to a residential structure acquired for the purpose of preserving its affordability.

⁴ 200% Fair Market Rent (FMR) Unit: A 200 percent FMR Unit is a rental unit with a proposed monthly rent, which is equal to or greater than 200 percent of its county's FMR as defined by HUD.

⁵ IIG Unrestricted: An unrestricted unit for the purposes of calculating grant amounts in IIG is any unit not restricted at the other levels identified in guidelines Appendix A Defined Terms, but also not meeting any of the above definitions. *Increase based on December Consumer Price Index per U.S. Bureau of Labor Statistics (BLS). https://data.bls.gov/pdq/SurveyOutputServlet?data_tool=dropmap&series_id=CUURO400SA0,CUU

Concept Proposal Requirements:

- I. The CQIA Concept Proposal must certify the following statutorily required eligibility criteria:
 - (a) The Applicant must be eligible. An Eligible Applicant is defined as a city, county, city and county, or public housing authority that has jurisdiction over a CQIA. A metropolitan planning organization may participate as a co-applicant.
 - (b) The CQIA must be located in a city, county, or city and county in which the general plan of the city, county, or city and county has an adopted housing element that the Department has determined to be in compliance or will be found to be in compliance by the Department, pursuant to Section 65585 of the Government Code by the anticipated award date.
 - (c) Identification of an eligible CQIA that meets all of the following:
 - (1) A contiguous area or multiple noncontiguous parcels located within an Urbanized Area⁶. For Large Jurisdictions, the contiguous area or noncontiguous parcels have been previously developed, or at least 75 percent of the perimeter of each parcel or area adjoins parcels that are developed or have been previously developed with Urban Uses. For Small Jurisdictions, the perimeter requirements shall be at least 50 percent of the perimeter of each parcel or area. For purposes of this paragraph, perimeters bordering navigable bodies of water and parks shall not be included in the perimeter calculation.
 - (2) No parcel within or adjoining the designated CQIA is classified as agricultural or natural working land according to the California Department of Conservation's Farmland Mapping and Monitoring Program (FMMP) Tool.
 - (3) The contiguous area or multiple noncontiguous parcels are located in an area designated for mixed-use or residential development pursuant to one of the following:
 - A general plan adopted pursuant to Section 65300 of the Government Code.
 - A sustainable communities strategy adopted pursuant to Section 65080 of the Government Code.

California Department of Housing and Community Development
Catalytic Qualifying Infill Area – Catalytic Project Proposal Solicitation (November 2022)

⁶ "Urbanized area" means an incorporated city. For sites in unincorporated areas, the site must be within a designated urban service area that is designated in the local general plan for urban development and is served by the public sewer and water.

- A specific plan adopted pursuant to Section 65450 of the Government Code.
- A Workforce Housing Opportunity Zone established pursuant to Section 65620 of the Government Code.
- A Housing Sustainability District established pursuant to Section 66201 of the Government Code.
- (4) Certification that the applicant has site control or other mechanism of authority to complete the proposed Capital Improvement Project(s) within the proposed CQIA.

II. Catalytic Qualifying Infill Area Housing Requirements – the applicant must further demonstrate the following:

- (a) No less than 15 percent of the total projected housing within the CQIA will be Affordable Units.⁷
- (b) Average residential densities on the parcels to be developed that are equal to or greater than the following densities (GOV 65583.2 (c)(3)(B)), except that a project located in a Rural Area as defined in Section 50199.21 shall include average residential densities on the parcels to be developed of at least 10 units per acre.⁸
- (c) Housing sites are free from severe adverse environmental conditions, such as the presence of toxic waste that is economically infeasible to remove or cannot be mitigated.

III. The CQIA Concept Proposal must include narrative responses addressing each of the following:

^{7 &}quot;Affordable Unit" means a Unit that is made available at an affordable rent, as defined in HSC Section 50053, to a household earning no more than 60 percent of the Area Median Income or at an affordable housing cost, as defined in HSC Section 50052.5, to a household earning no more than 120 percent of the Area Median Income. Rental units shall be subject to a recorded Covenant ensuring affordability for a duration of at least 55 years. Ownership units shall initially be sold to and occupied by a qualified household and shall be subject to a recorded Covenant that includes either a resale restriction for at least 30 years or equity sharing upon resale.

⁸ Government Code Section 65583.2(c)(3)(B) requires the following densities:

[•] For an incorporated city within a nonmetropolitan county and for a nonmetropolitan county that has a micropolitan area: sites allowing at least 15 units per acre.

[•] For an unincorporated area in a nonmetropolitan county not included in clause (1): sites allowing at least 10 units per acre.

[•] For a suburban jurisdiction: sites allowing at least 20 units per acre.

[•] For a jurisdiction in a metropolitan county: sites allowing at least 30 units per acre.

- (a) An identification of the parcel(s) within the boundaries of the proposed CQIA including:
 - (1) size
 - (2) current or planned land use
 - (3) current or planned zoning
 - (4) current ownership
 - (5) description of existing structures and whether existing structures will be adapted for residential or other uses or demolished
 - (6) description of surrounding land uses

Images, if illustrative, may be submitted with narrative.

Please note, CQIAs can be a single site, multiple contiguous parcels or scattered sites within a single jurisdiction's authority.

- (b) Description and estimated cost of the proposed Capital Improvement Project(s). Please refer to Appendix B for threshold requirements and eligible uses of IIGC program grant funds. The Capital Improvement Project must constitute a large catalytic investment to unlock land to accommodate a mix of uses, including affordable and mixed-income housing.
- (c) Description of how the applicant jurisdiction will, or has ensured streamlined entitlement processes and fast-tracked progress for future housing development within the CQIA including, but not limited to, planned or existing ordinances that facilitate the reuse of non-residential building for residential uses.
- (d) Information, to the extent known, on the proposed project schedule for the proposed Capital Improvement Project to demonstrate readiness, including:
 - (1) Estimated date(s) for key elements of Capital Improvement Project completion
 - (2) Identification of necessary environmental clearances to commence construction of the Capital Improvement Project and status of said clearances.
 - (3) Date(s) for final entitlements and planning approvals received or anticipated, allowing for commencement of construction of the Capital Improvement Project
 - (4) Date(s) for financial commitments for housing in the CQIA used in the calculation of the maximum IIG award
 - (5) Estimated construction and permanent financing closing dates of housing development(s) within the CQIA, if known.
 - (6) Other key milestone dates for the Capital Improvement Project(s) and housing proposed in the CQIA.
 - (7) Contingencies and risks that could alter or delay proposed timeline

- (e) Estimated number of housing developments, number of total housing units, number of affordable housing units, and depths of affordability within the proposed CQIA as well as proposed residential densities, if known. If exact number of housing units is unknown at the time of the submittal of the Concept Proposal, the applicant may include an anticipated range of units.
 - (1) Identification of housing developments proposed on state owned excess sites and other publicly owned land, if any, within the CQIA. A list of available excess state-owned properties is available on the Department's website.
- (f) A description of transit operations, including locations of transit stations and stops, type and frequency of service, located within proximity to the proposed housing within the CQIA.
- (g) A description of existing or planned amenities like shopping, schools, and job centers near within or in proximity to the CQIA.
- (h) A description of strategies to mitigate displacement of any existing residents and businesses within the identified CQIA.
- (i) A description of meaningful outreach and engagement utilized in the design of the CQIA in the local community.
- (j) Identification of streamlined program-level California Environmental Quality Act analysis and certification efforts that will expedite environmental reviews for the proposed housing within the C.
- (k) Description of how the CQIA and Capital Improvement Project will have a catalytic impact within the community and explanation of any potential challenges for use or access of IIGC funding, or risks to completion of the CQIA project vision.

Invitations to Apply

The Department will review Concept Proposals to determine program eligibility. Applicants with Concept Proposals that meet general eligibility requirements will be invited to submit Full Applications. However, to the extent the Department receives Concept Proposals in excess of 250 percent of available funds, invitations to apply will be prioritized based on projects that can demonstrate shovel readiness of the proposed Capital Improvement Project.

Concept Proposals invited to submit a Full Application will be evaluated based on their ability to demonstrate exemplary consistency with program goals and will be prioritized in the award selection process. Please note, that Concept Proposals not receiving invitations to apply for the 2022-23 NOFA may be eligible to apply for funding under a 2023-24 NOFA cycle should funds be available.

HCD will invite qualified applicants to submit Full Applications according to the timeline provided above. An Eligible Applicant who is invited to apply must submit a Full Application which is substantially consistent with the Concept Proposal. Proposal components identified in HSC 53559(f)(1)(B) identified as ranking criteria may not be significantly modified in the Full Application unless the modification would result in a higher score (e.g., a higher number of affordable units, greater depth of affordability, higher net densities). In no instance shall a Full Application include fewer number of housing units than described in the Concept Proposal.

Appeals

No appeals of the Department's decision on invitations to apply will be accepted.

Negative Points and Disencumbrance Policies

The Department's Negative Points Policy (Administrative Notice Number 2022-01) and Disencumbrance Policy (Administrative Notice Number 2022-02), dated March 30, 2022 and published on the Department's website, are hereby incorporated by this reference as if set forth in full herein, and shall apply with equal force as all other provisions set forth herein.

If the Sponsor/Recipient/Applicant is subject to a negative points assessment based on the criteria outlined in the Department's <u>Negative Points Policy</u> or is determined to be ineligible for funding, HCD shall notify the Sponsor/Recipient/Applicant in writing during the application review period.

Appendix B Capital Improvement Project Definition and Eligible Uses

- (a) Capital Improvement Project means the construction, rehabilitation, demolition, relocation, preservation, acquisition, or other physical improvement of a capital asset, as defined in Section 16727 (a) of the Government Code, that is an integral part of, or necessary to facilitate the development of housing within a CQIA.
- (b) The applicant must demonstrate that the Capital Improvement Project is an integral part of, or necessary to facilitate the development of the CQIA identified in the application.
- (c) Capital Improvement Project sites are free from severe adverse environmental conditions, such as the presence of toxic waste that is economically infeasible to remove or cannot be mitigated.
- (d) Capital Improvement Projects comply with site control requirements as set forth at UMR Sections 8303 and 8316 with the additional requirements that the Applicant shall demonstrate that the Developer of proposed housing with an on-site Capital Improvement Project for which the Applicant is applying for grant funding, will have site control at the time of Full Application and shall maintain site control throughout the term of the Award.
- (e) Funds shall be used only for approved eligible costs that are incurred on the Capital Improvement Projects as set forth below.
- (f) Capital Improvement Project costs must be reasonable and necessary. Costs must be reasonable compared to similar infrastructure projects of modest design in the general area of the Capital Improvement Projects.
- (g) Eligible costs include the construction, Rehabilitation, demolition, relocation, preservation, acquisition, or other physical improvements of the following:
 - (1) The creation, development, or rehabilitation of parks or open space.
 - (2) Water, sewer, or, internet, and other utility service improvements, including relocation of such improvements.
 - (3) Streets, roads, and bridges.
 - (4) Transit linkages or facilities, including, but not limited to, related access plazas or pathways, and bus or transit shelters.
 - (5) Facilities that support pedestrian or bicycle transit, including bike lanes, crosswalk improvements, and pedestrian scaled lighting.
 - (6) Traffic mitigation improvements, including roundabouts, turn lanes, or raised islands.

- (7) Sidewalk or streetscape improvements, including, but not limited to, the construction or resurfacing of sidewalks and streets or the installation of lighting, signage, or other related amenities.
- (8) Adaptive Reuse building construction and Rehabilitation expenses necessary to facilitate the repurposing of existing non-residential buildings for residential uses.
- (9) Site preparation or demolition related to the Capital Improvement Project or housing utilized in the calculation of maximum IIG grant funds.
- (10) Purchase of modular or manufactured housing units
- (11) Structured Parking, including:
 - (A) Structured Parking spaces that are required replacement of Transit Station parking spaces (including replacement required by a transit agency), or public Structured Parking required as a condition of approval for the housing utilized in the calculation of maximum IIGC grant funds within one-half mile of a Major Transit Stop or Transit Station, not to exceed \$50,000 per space.
 - (B) Residential Structured Parking and mechanical parking lifts. The minimum residential per unit parking spaces in Structured Parking, as required by local land-use entitlement approval, not to exceed one parking space per residential unit, and not to exceed \$50,000 per permitted space.
- (12) Required environmental remediation necessary for the development of the Capital Improvement Projects or housing utilized in the calculation of maximum IIGC grant funds, where the total cost of the remediation and regulatory oversight does not exceed 50 percent of the Program grant amount.
- (13) Soft costs such as those incidentally but directly related to construction or other pre-development components including, but not limited to, planning, engineering, construction management, architectural, and other design work, required mitigation expenses such as mitigation design or testing, appraisals, legal expenses, and necessary easements. Soft costs shall not exceed 15 percent of costs associated with the funding request for the Capital Improvement Project.
- (14) Impact fees required by local ordinance are eligible for Program funding only if used for the identified Capital Improvement Projects. Funded impact fees may not exceed 5 percent of the Program Award.
- (h) The following costs are not eligible for Program funding:
 - Developer fees or profit.

- (2) Costs of new housing or mixed-use structure construction and Rehabilitation not including Adaptive Reuse, or modular or manufactured housing costs as described above.
- (3) Soft costs related to ineligible costs.
- (4) In-lieu fees for local inclusionary programs.

EXHIBIT A

AUTHORITY, PURPOSE, AND SCOPE OF WORK

1. Authority & Purpose

- A. This Standard Agreement, STD. 213 (hereinafter "Agreement") is the result of Recipient's application ("Application") for funding under the Infill Infrastructure Grant Program of 2019 ("Program") pursuant to:
 - Part 12.5 of Division 31 of the Health and Safety Code (commencing with Section 53559);
 - ii. The Request for Concept Proposals for Infill Infrastructure Grant -Catalytic Qualifying Infill Areas dated November 30, 2022 (the "Phase I Solicitation") issued by the State of California, Department of Housing and Community Development ("Department"); and
 - iii. The Infill Infrastructure Grant Program Catalytic Qualifying Infill Area Program Guidelines and Notice of Funding Availability Phase II Application Solicitation dated March 15, 2023 (the "Phase II Solicitation"), as may be amended from time to time.

Subdivisions (A)(i) through (A)(iii) above, of this Exhibit A shall referred to hereafter collectively as the "Program Requirements."

- B. In accepting this grant award, the Recipient agrees to comply with the Program Requirements and the terms and conditions of this Agreement, and the Disbursement Agreement, which is more particularly described in Exhibit B, attached hereto.
- C. Exhibit B, Exhibit C, Exhibit D, and Exhibit E are incorporated herein by this reference, and are attached hereto except for Exhibit C which may be viewed digitally as stated on page 1 of this Agreement.

2. Definitions

Capitalized terms herein shall have the meaning of the definitions set forth in the Guidelines, in addition:

Infill Infrastructure Grant Program – Catalytic Qualifying Infill Area (IIGC)

Phase I Concept Proposal: 11/30/2022

Phase II Application Solicitation: 03/15/2023, Amended 03/22/2023

Approved Date: 05/12/2023

EXHIBIT A

- A. "Capital Improvement Project" means the capital improvement project which Recipient proposed to be funded in the Application and which is further described in Exhibit E under Provision A-E.1.
- B. "Catalytic Qualifying Infill Area" means the geographic area described in Recipient's Application and within which is located the real property on which the Recipient shall develop the Project.
- C. "Covenant" means the Department's Declaration of Restrictive Covenants for the Development and Operation of Affordable Housing to be provided by the Department, containing affordability restrictions consistent with those proposed in the Application and containing such other terms and conditions as the Department deems necessary to achieve compliance with Program Requirements and this Agreement.
- D. "Developer" means the Recipient, or an entity who is contractually obligated to the Recipient to develop and own the Housing Development(s). The Developer must have the capacity and experience to develop and own affordable housing and must have site control which complies with Section 204(d) of the Phase II Solicitation, before construction commences on any part of the Project, and through occupancy of the Housing Development(s).
- E. "Housing Development(s)" means the residential housing described in the Application to be developed and constructed by the Recipient, or other Developer, within the Catalytic Qualifying Infill Area containing the number of units and bedrooms resulting net density and depth of affordability described in Exhibit E under Provision A-E.2.
- F. "Project" means, collectively, the Capital Improvement Project and Housing Development(s).
- G. "Recipient" refers to the entity or entities who submitted the Application and to whom the Department issued an award letter in connection with the Phase II Solicitation. In the case of joint applicants, "Recipient" shall refer to each applicant. Each joint applicant shall be jointly and severally liable for all obligations of a Recipient as set forth herein. In the case of joint applicants, all such applicants shall collectively comprise and be deemed a joint venture.

H. "Section" or "section" in reference to the Phase II Solicitation shall initially refer to that specific numbered section of the Phase II Solicitation adopted on and dated March 15, 2023. If and when the Department amends any section of the Phase II Solicitation, all references herein to any such section shall be deemed to refer to the section as amended, either in whole or in part, as may be applicable. To the extent that any Phase II Solicitation section (Sections) provision is amended, and thereafter assigned a new section number, any reference herein to the old Phase II Solicitation section number shall be interpreted to refer instead to the Phase II Solicitation section that is intended to replace the content and substance of the former section.

3. Scope of Work

- A. The Scope of Work ("Work") for this Agreement shall consist of the development and construction by the Recipient, or on behalf of the Recipient, of both the Capital Improvement Project and Housing Development(s) as defined in Section 2 of this Exhibit A.
- B. The Capital Improvement Project is an integral part of or is necessary for the completion of the Housing Development(s). The Recipient is responsible for and shall ensure the completion of the both the Capital Improvement Project and the Housing Development(s) in compliance with Program requirements and the criteria set forth in this Agreement. The Department reserves the right to review and approve all Work to be performed by the Recipient, or contracted by the Recipient, in relation to this Agreement. Any substantial revision to the Work shall be submitted in writing for review and approval by the Department and shall require an amendment to this Agreement.
- C. The Department, the Recipient and other parties as required by the Department, shall enter into a Disbursement Agreement governing, among other things, the disbursement of Program funds, as more particularly described in Exhibit B, attached hereto.

4. Proximity to Amenities and Transit

In response to submissions in the Application, the Department awarded rating points to catalytic qualifying infill areas for proximity of the proposed housing developments to transit (Phase II Solicitation, Section 301(d)) and to amenities (Phase II Solicitation, Section 301(e)). At the request of the Department, Recipient shall provide evidence sufficient to support such award of points by the Department. The Department may refuse to commence or continue the disbursement of Program funds unless and until Recipient responds to such a request in a manner satisfactory to the Department.

5. Performance Milestones

Recipient shall ensure the completion of each phase of construction and development identified in Exhibit E under Provision A-E.3 (collectively, "Performance Milestones"). Each Performance Milestone must be completed by the date set forth as the deadline therefor, or as set forth in the Disbursement Agreement if the Performance Milestones are updated and modified by the Disbursement Agreement. Recipient may apply to the Department for an extension of these deadlines based on good cause shown and best efforts and assurances from the Recipient for timely completion of the remaining Performance Milestones.

6. State Contract Coordinator

The State Contract Coordinator for this Agreement is the Infill Infrastructure Grant Program of 2019 Section Chief, Division of Financial Assistance, or the Chief's designee. Unless otherwise informed, any notice, report, or other communication required by this Agreement shall be mailed by first class to the State Contract Coordinator at the address specified in Exhibit E under Provision A-E.4.

7. Recipient Contract Coordinator

The Recipient's Contract Coordinator for this Agreement is listed in Exhibit E under Provision A-E.5. Unless otherwise informed, any notice, report, or other communication required by this Agreement may be mailed by first class mail or sent through a commercial courier to the contact at the address specified in Exhibit E under Provision A-E.5.

EXHIBIT B

BUDGET DETAIL AND PAYMENT PROVISIONS

1. Project Budget

The preliminary projected budget ("Budget") as referenced in this Exhibit contains the cost items for the design, development, and construction of the approved Capital Improvement Project, including the sources and uses of funds ("Sources and Uses"). The financial information for the foregoing Budget is contained in Exhibit E under Provision B-E.1 in a table entitled "PROJECT BUDGET."

2. Contract Amount

- A. For the purpose of performing the Work, the Department agrees to provide the amount identified on page one, Section 3, of this Agreement (STD Form 213) in the form of a grant for the uses identified in the Budget. In no instance shall the Department be liable for any costs for the Work in excess of this amount, or for any unauthorized or ineligible costs. Nor shall the Department have any obligation to pay for cost overruns or increases which result in a total cost for the Capital Improvement Project in excess of that set forth in the Budget.
- B. The Department may approve a request from the Recipient to reallocate funds between authorized activities and itemized amounts stated in the Budget. Changes in aggregate of ten percent (10%) or less of the total grant amount between activity categories during the term of this Agreement, and expenditures pursuant thereto, may be made only after the Department's express written approval, but do not require a written amendment to this Agreement.

3. Other Funding Sources

A. To the extent that the Sources and Uses include funds other than Program funds, those funds shall be expended and applied to Project costs as provided in the Budget. Recipient agrees that it will make best efforts to ensure that such other funds specified in the Budget are available for disbursement as provided in this Agreement, and approved for the use specified in the Budget, or as provided for in the Disbursement Agreement described below to the extent the Budget and the Sources and Uses are

updated and modified by the Disbursement Agreement. The Recipient shall provide evidence and assurance of the commitment and availability of such other sources of funding identified in the Sources and Uses as provided in the Disbursement Agreement. The terms and conditions of all construction financing to be used in conjunction with the Program funds shall be subject to the Department's review and approval.

B. The Department may require the Recipient to provide an Estoppel Letter, acceptable to the Department, as assurance to the Department that the amount of owner equity or developer funds proposed by the Recipient at application stage and relied upon by the Department in reviewing the financial feasibility of the project, continues to be committed to the project.

4. Completion Dates

- A. All Program funds must be disbursed no later than the date set forth in in Exhibit E under Provision B-E.2 (the "Disbursement Deadline"). Funds which have not been disbursed as of the Disbursement Deadline, will no longer be available for this Project. All invoices for payment must be submitted to the Department no later than three (3) months prior to the Disbursement Deadline to ensure payment processing.
- B. This Agreement shall expire on the date set forth in Section 2 of the STD 213 of this Agreement.

5. Method of Payment

- A. Payment shall be made as progress payments as set forth in the Disbursement Agreement. Recipient shall request payment for Work completed on forms provided by the Department and subject to such documentation as the Department may require.
- B. The Department shall not authorize payments unless it determines that the Program funds shall be expended in compliance with the terms and provisions of the Phase II Solicitation, this Agreement, and the Disbursement Agreement.

- C. The Department shall not authorize payment(s) for pre-development and/or soft costs until the Department has received from the Recipient:
 - i. An executed construction contract; and
 - ii. Evidence, acceptable to the Department, demonstrating that construction period funding sources have been secured, or will be, or have been, converted to permanent funding sources.

6. <u>Disbursement Agreement</u>

- A. The Recipient, the Department and such other parties as may be reasonably required by the Department, shall enter into a Disbursement Agreement in a form provided by the Department. The Disbursement Agreement shall contain a specific description of the Capital Improvement Project and an updated Budget, including an updated table of Sources and Uses, and the specific terms and conditions for the disbursement of Program funds.
- B. The Disbursement Agreement must be executed by the date set forth in in Exhibit E under Provision B-E.3.

IIG GENERAL TERMS AND CONDITIONS

GENERAL

1. Effective Date, Commencement of Work and Completion Dates

This Agreement is effective upon approval by the Department representative's signature on page one of the fully executed Standard Agreement, STD 213. The recipient represents and warrants that construction of the Capital Improvement Project was not commenced as of the deadline for submittal of applications set forth in the Phase II Solicitation. The Recipient agrees that the Work shall be completed as specified in this Agreement, subject to the termination date specified on page one, number two, of this Agreement, unless a written request for an extension is submitted and the Department grants approval in writing at least ninety (90) days prior to the termination or expiration date of this Agreement. Any extension to the termination or expiration date shall require an amendment to this Agreement.

2. <u>Termination</u>

The Department may terminate this Agreement at any time for cause by giving at least fourteen (14) days' notice in writing to the Recipient. Cause shall consist of violations by Recipient of any terms and/or special conditions of this Agreement, to include without limitation Section 49 of this Exhibit D. Unless otherwise approved in writing by the Department, upon termination or expiration of this Agreement, any unexpended funds received by the Recipient must be returned to the Department within fourteen (14) days of the written notice of termination.

3. Infill Infrastructure Grant Documents

In addition to this Agreement the Recipient shall execute and enter into a Disbursement Agreement, which shall govern the terms, disbursement and use of the Program funds, the Covenant described below, and other additional agreements and documents as the Department may deem reasonable and necessary to meet the requirements of the Program and the terms and conditions of this Agreement. The Department may request, and if requested, the Recipient shall execute and record a performance deed of trust ensuring the completion of Housing Development(s) or the Capital Improvement Project. Said performance deed of trust shall be recorded against the entire legal parcel underlying the Project, which it ensures is being constructed.

4. <u>Covenant</u>

Prior to the disbursement of Program funds, the Recipient, and such other parties as the Department may reasonably require, shall execute a Covenant, which shall require the development and construction of the Housing Development(s) with the number of units and the number of bedrooms per unit, the affordability restrictions, the net density described in Exhibit E under Provision A-E.2, and having such other uses and amenities for which points were granted to the Application, or which were used to meet threshold requirements for funding. The Covenant shall be recorded against fee title of the parcel or parcels of real property on which each Housing Development is to be located and shall be binding on all successors, transferees, and assignees acquiring an interest in the Housing Development(s) as follows:

- A. For rental Housing Development(s), the Covenant shall require the continuation of the affordability of the Housing Development(s) for a period of not less than fifty-five (55) years from the date of the filing of a Notice of Completion for the Housing Development(s).
- B. For homeownership Housing Development(s), the Covenant shall require the continuation of the affordability for a period of not less than thirty (30) years from the date of the filing of a Notice of Completion for the Housing Development(s). Recipient must ensure the affordability of homeownership units through a resale restriction or equity sharing upon resale.
- C. In addition to the Covenant, the Department may request, and if requested, the Recipient shall execute and record a performance deed of trust ensuring the completion of the Housing Development(s) or the Capital Improvement Project. Said performance deed of trust shall be recorded against the entire legal parcel underlying the object, which it ensures is being constructed. Alternatively, the Department may require that the Covenant contain a power of sale clause, which may be exercised in the event that the Housing Development(s) or Capital Improvement Project are not timely completed, or in the event of an uncured breach of this Agreement.

5. Reliance on Developer(s)

If Recipient is relying on one or more Developers to develop, construct, own, and operate the Housing Development(s), Recipient is solely responsible for

reviewing Developer's plans, specifications, contracts, and all other documents generated in connection with the Housing Development(s) and ensuring they are in compliance with Program Requirements and Performance Milestones

6. Site Control

- A. The Recipient and/or the Developer must have and maintain site control which complies with Sections 203 and 204 of the Phase II Solicitation, and which the Department determines to be sufficient, to ensure the timely commencement and completion of the Capital Improvement Project and the Housing Development(s). The Recipient shall also obtain all licenses, easements and rights-of-way or other interests required for completion of the Capital Improvement Project and the Housing Development(s) and provide evidence of such instruments prior to the first disbursement of Program funds.
- B. If the Recipient's or the Developer's site control is a leasehold, the lease must comply with 25 C.C.R. § 8316. Recipient must provide a copy of the ground lease for the Department's review and approval. The lessor and lessee will be required to sign the Department's standard lease rider which shall be recorded against the fee interest in the property subject to the leasehold.

7. Appraisals

Recipient shall, at the request of the Department, provide an appraisal of the real property to be acquired as part of the Capital Improvement Project or the Housing Development(s), prepared in a form, and by a qualified appraiser, acceptable to the Department.

8. Relocation Plan

If there is or will be any residential or commercial displacement directly or indirectly caused by the development of the Capital Improvement Project or the Housing Development(s), or both, as defined in state law, the Recipient shall provide a relocation plan conforming to the requirements of state law and regulations issued by the Department in Subchapter 1 (commencing with Section 6000) of Chapter 6 of Division 1 of Title 25 of the California Code of Regulations. The relocation plan shall be subject to the review and approval of the Department prior to the initial disbursement of Program funds. In addition to actions that satisfy the regulatory requirements, the relocation plan shall contain a line-item

budget. The project and/or the development budget shall contain sufficient funds to pay all costs of relocation benefits and assistance as set forth in the relocation plan accepted by the Department.

9. Article XXXIV

The Recipient shall submit to the Department evidence satisfactory to the Department that the requirements of Article XXXIV of the California Constitution are inapplicable or have been satisfied as to the Housing Development(s).

10. <u>Environmental Conditions</u>

The Recipient shall, prior to initial distribution, provide to the Department the following:

- A. All Environmental Site Assessment ("ESA") Reports (to include Phase I, II, III, supplemental or update assessments and reports) for the Capital Improvement Project and the Housing Development(s), in conformance with ASTM Standard Practice E 1527, evaluating whether the Capital Improvement Project is affected by any recognized environmental conditions.
- B. Documentation and/or a certification satisfactory to the Department that all Environmental Site Assessment Report recommendations including remediation and/or mitigation work have been completed.
- C. All Mitigation requirements required as a result of the Final Environmental Impact Report ("EIR") or a Mitigated Negative Declaration if applicable and evidence satisfactory to the Department that all mitigation requirements have been satisfied.

11. <u>Compliance with State and Federal Laws, Rules, Guidelines and</u> Regulations

The Recipient agrees to comply with all State and Federal laws, rules and regulations that pertain to construction, health and safety, labor, fair employment practices, equal opportunity, and all other matters applicable to the Capital Improvement Project and Housing Development(s), the Recipient, its Contractors or Subcontractors, and any grant activity, including the requirements set forth in section 500 of the Phase II Solicitation.

12. <u>Litigation</u>

- A. The provisions of this Agreement shall be severable. If any provision of this Agreement, or an underlying obligation, is held invalid by a court of competent jurisdiction, such invalidity, at the sole discretion of the Department, shall not affect any other provisions of this Agreement and the remainder of this Agreement shall remain in full force and effect.
- B. The Recipient shall notify the Department immediately of any claim or action undertaken by or against it, which affects or may affect this Agreement or the Department and shall take such action with respect to the claim or action as is consistent with the terms of this Agreement and the interests of the Department.

13. <u>Insurance</u>

The Recipient shall have and maintain in full force and effect forms of insurance, at such levels and for such periods, in accordance with the Disbursement Agreement.

14. Change of Conditions

Notwithstanding the Department's obligations to provide payments pursuant to Exhibit B hereof, the Department reserves the right to evaluate the Capital Improvement Project's need for Program funds based on new information or funding sources. If the Department determines that the Program funds, or a portion thereof, are no longer necessary to complete the Capital Improvement Project, the Department may reduce the amount of the grant accordingly. If the Department determines that the Capital Improvement Project or Housing Development(s) is no longer financially feasible, the Department may terminate this Agreement and the grant commitment issued by the Department.

15. Obligations of Recipient with Respect to Certain Third-Party Relationships

The Recipient shall remain fully obligated under the provisions of this Agreement notwithstanding its designation of any third party or parties for the undertaking of all or any part of the Capital Improvement Project and Housing Development(s) with respect to which assistance is being provided under this Agreement. Recipient's contracts with such third parties must require that the Department be put on notice of any changes and delays which will put the project out of compliance with Performance Milestone deadlines. The Recipient shall comply with all lawful requirements of the Department necessary to ensure the completion, occupancy and use of the Capital Improvement Project and Housing Development(s) in accordance with this Agreement.

16. Waivers

No waiver of any breach of this Agreement shall be held to be a waiver of any prior or subsequent breach. The Department's failure to enforce at any time the provisions of this Agreement or to require at any time performance by the Recipient of these provisions shall in no way be construed as a waiver of such provisions nor affect the validity of this Agreement or the right of the Department to enforce these provisions.

17. <u>Identity of Interests</u>

As a condition of disbursement, Recipient shall execute a Certification & Legal Status Form ("Certificate") listing all relationships constituting an identity of interest with entities providing goods or services in connection with Recipient's performance of the Scope of Work. The Certificate shall be in a form provided by the Department. At the Department's request, Recipient shall submit contracts, instruments, documents, correspondence, or other writings relating to Recipient's relationship with entities listed in the Certificate. The existence and nature of such relationships shall be subject to the review and approval of the Department to the extent necessary to ensure compliance with Program requirements and this Agreement.

DESIGN

18. Architect

The Recipient shall utilize the services of an architect and/or an engineer to provide professional design and engineering services for the Capital Improvement Project and Housing Development(s). Recipient must ensure that an architect and/or an engineer supervise the construction work, conduct periodic site visits, prepare periodic inspection reports, verify the validity of the construction Contractor's payment requests, prepare or review change orders, and, upon completion of construction, provide the certification described in Section 35, of this Exhibit D. At the request of the Department, Recipient shall submit all contracts for these services to the Department for its review and approval.

Additionally, after construction completion, but prior to conversion to permanent financing, the Recipient shall provide to the Department a certification of compliance with the accessibility requirements of Section 500(f) of the Phase II Solicitation, signed by the Recipient or Developer and the project architect as well as third party documentation confirming compliance by a Certified Access

Specialist (CASp) with demonstrated experience meeting federal accessibility standards, or by an architect with demonstrated experience meeting federal accessibility standards.

19. Plans and Specifications and Project Cost Estimates

At the request of the Department, the Recipient shall submit for the Department's review and approval all plans, specifications, and project cost estimates for the Capital Improvement Project and Housing Development(s). The Capital Improvement Project and Housing Development(s) shall be constructed in substantial compliance with the plans and specifications, subject to any change order(s) accepted by the Department where such acceptance is required.

20. Reasonable Development Costs

At the request of the Department, the Recipient shall provide evidence acceptable to the Department that the total costs of the Capital Improvement Project and Housing Development(s) are reasonable and necessary for the proposed improvements. To verify cost reasonableness, the Department may require qualified third-party verification of cost, or evidence of the competitive bidding of major cost components and appraisals.

21. Adaptability and Accessibility

The Capital Improvement Project and Housing Development(s) shall comply with all applicable federal, state, and local laws regarding adaptability and accessibility for persons with disabilities in the design, construction, and rehabilitation of projects, including accessibility requirements set forth at Section 500(f) of the Phase II Solicitation.

22. Acoustics Report

Upon request, the Recipient shall provide the Department with an acoustics report for the Housing Development(s) in a form acceptable to the Department.

23. Approval by Public Works Department

Where approval by a local public works department, or its equivalent, is required for the Capital Improvement Project, the Recipient must submit, prior to the disbursement of Program funds, a statement from that department, or other documentation acceptable to the Department, indicating that the Capital Improvement Project has been approved by that department.

CONSTRUCTION

24. Construction Contract

Except for work performed by its own employees, the Recipient shall enter into a written construction contract or contracts ("Construction Contract(s)") with a duly licensed contractor or contractors ("Contractor(s)") for the construction work of the Capital Improvement Project and the Housing Development(s). The Construction Contract(s) shall require, where applicable, prevailing wages be paid in conformance with Labor Code Section 1720 et seq. and applicable provisions of this Agreement. The Construction Contract(s) and any amendments thereto shall be subject to prior written approval of the Department.

25. Contractor's Assurance of Completion

The Contractor(s) shall provide security to assure completion of the Capital Improvement Project by furnishing the Recipient with Performance and Payment Bonds, or a Letter of Credit, which shall remain in effect during the entire term of the Construction Contract(s), and which shall be in a form and from an issuer, which is acceptable to the Department. The Performance Bond shall be in an amount at least equal to 100 percent (100%) of the approved construction costs included in the Construction Contract(s) to provide security for the faithful performance of the Construction Contract(s) including a warranty period of at least twelve (12) months after completion. The Payment Bond shall be in an amount at least equal to 100 percent (100%) of the approved construction costs included in the Construction Contract(s) to provide security for the payment of all persons performing labor on the Capital Improvement Project and Housing Development(s) and furnishing materials in connection with the Construction Contract. A Letter of Credit shall be in an amount equal to at least 20 percent (20%) of the approved construction costs included in the Construction Contract(s), in the form of an unconditional irrevocable, stand-by letter of credit. The Department shall be named as an additional obligee in the Bonds or an additional beneficiary under the Letter of Credit.

26. Broadband

Recipient shall ensure that the Housing Development(s) is physically capable of accommodating broadband service with at least a speed of 25 megabits per second for downloading and 3 megabits per second for uploading. Internet Service and its ongoing fee are not required.

27. Prevailing Wages

For the purposes of the State Prevailing Wage Law (Labor Code Sections 1720 – 1781), a grant under the Program shall be considered public funding for the construction, rehabilitation, demolition, relocation, preservation, or other physical improvement of the Capital Improvement Project and subject to the provisions of the State Prevailing Wage Law. Program funding of a Capital Improvement Project shall not necessarily, in and of itself, be considered public funding of a Housing Development(s) unless such funding is otherwise considered public funding under the State Prevailing Wage Law. It is not the intent of the Department to subject Housing Development(s) to the State Prevailing Wage Law by reason of Program funding of the Capital Improvement Project in those circumstances where such public funding would not otherwise make the Housing Development(s) subject to the State Prevailing Wage Law. Although the use of Program funds does not require compliance with federal Davis-Bacon wages, other funding sources may require compliance with federal Davis-Bacon wages. The Recipient shall prepare a plan for compliance with this section, which plan shall be subject to the review and approval of the Department.

28. <u>Construction Phase Information</u>

If requested by the Department, the Recipient shall provide the Department:

- A. Information during the construction period including but not limited to all change orders and modifications to the construction documents and all inspection reports of the Capital Improvement Project. Upon written notice to Recipient, the Department may require its advance written approval of all future change orders and modifications. Deviations from the plans and specifications which have the effect of reducing the quality, life or utility of a specified item or system must receive the prior written approval of the Department. Should change orders be submitted to the Department for its approval, they shall be deemed accepted if not responded to in writing within 10 (ten) business days of receipt by the Department. Recipient shall not authorize or approve any change orders rejected by the Department where the Department's approval is required.
- B. Information during the construction period including but not limited to all change orders and modifications to the construction documents, all inspection reports prepared by the Housing Development(s) architect and other consultants, and information relative to the Housing Development(s) income, expenses, occupancy, relocation benefits and expenses, contracts, operations, and conditions of the Housing Development(s). Upon written notice to Recipient, the Department may require its advance written approval of all future change orders and modifications. Deviations

from the plans and specifications which have the effect of reducing the quality, life or utility of a specified item or system must receive the prior written approval of the Department. Should change orders be submitted to the Department for its approval, they shall be deemed accepted if not responded to in writing within 10 business days of receipt by the Department. Recipient shall not authorize or approve any change orders rejected by the Department where the Department's approval is required.

29. Signage and Photographs

Recipient shall place signs on the construction site for the Capital Improvement Project and Housing Development(s) stating that the Department is providing financing through the Infill Infrastructure Grant Program in an appropriate location(s), typeface and size containing the message set forth in Exhibit E under provision D-E.1.

The sign shall be maintained in a prominent location visible and legible to the public through construction completion. If the job sign includes the acknowledgment and/or logo of one or more other public lenders or grantors, the Department acknowledgement and logo shall also be displayed in a similar size and layout. A copy of the Department logo can be obtained by contacting the Department Contract Manager.

Upon installation of the sign, the Recipient shall submit a digital photograph thereof to the Department. The Recipient will also provide the Department, upon its request, with copies of any photographs that may be taken of the Capital Improvement Project and the Housing Development(s) by or on behalf of the Recipient or its architect. The Recipient will provide an acceptable written consent and release agreement, authorizing use of said photographs, all at no expense to the Department.

INSPECTION OF GRANT ACTIVITIES

30. Site Inspection

The Department reserves the right, upon reasonable notice, to inspect the Capital Improvement Project site and any structures or other improvements thereon to determine whether the Capital Improvement Project site meets the requirements of Program and this Agreement. If the Department reasonably determines that the site is not acceptable for the proposed Capital Improvement Project in accordance with the Phase II Solicitation, the Department reserves the right to cancel its funding commitment and this Agreement.

31. Capital Improvement Project and Housing Development(s) Inspection

- A. The Department and any authorized representative of the Department shall have the right, during construction and thereafter, to enter upon and inspect the construction of the Capital Improvement Project and Housing Development(s) to ensure that the construction is being and has been performed in accordance with the applicable Federal, State, and/or local requirements, the Phase II Solicitation and the terms of this Agreement. Such right to inspect shall include, but shall not be limited to, the right to inspect all work done, all materials and equipment used or to be used, and all books and records, including payroll records, maintained in connection with the construction work. Such right of inspection shall be exercised in a reasonable manner.
- B. The Recipient shall be required to correct all circumstances found by such inspections not to conform to the applicable Program requirements, and to withhold payment to the Contractor and/or Subcontractor(s) until action(s) to correct the non-conforming circumstances is/are corrected by the Recipient and approved by the Department.
- C. The Department reserves the right to withhold payment for any costs found not to conform to applicable Program requirements until such actions have been taken to correct the non-conforming circumstances and such corrective actions have been approved by the Department.
- D. The Department shall have no affirmative duty to inspect the Capital Improvement Project or the Housing Development(s) and shall incur no liability for failing to do so. Once having undertaken any inspection, neither the Department, nor any representative of the Department shall incur any liability for failing to make any such inspection properly, or for failing to complete any such inspection. The fact that such inspection may or may not have occurred shall not relieve the Recipient, the contractor, the construction lender, the architect, the structural engineer, the locality, or anyone else of any obligation to inspect the Capital Improvement Project and Housing Development(s).

32. Audit/Retention and Inspection

- A. The Department, its representatives or employees, or its delegatee shall have the right to review, obtain, and copy all records pertaining to performance of the Agreement. Recipient shall provide the Department or its delegatee with any relevant information requested and shall permit the Department or its delegatee access to its premises, upon reasonable notice, during normal business hours for the purpose of interviewing employees and inspecting and copying such books, records, accounts, and other material. Recipient further agrees to maintain such records for a minimum period of four (4) years after recordation of the Notice of Completion of the Housing Development, unless a longer period of records retention is stipulated.
- B. Payment for any cost which is not authorized by this Agreement or which cannot be adequately documented shall be disallowed and must be reimbursed to the Department or its designee by the Recipient.
- C. At any time during the term of this Agreement, the Department may perform or cause to be performed a financial audit of any and all phases of the Capital Improvement Project or the Housing Development(s). At the Department's request, the Recipient shall provide, at its own expense, a financial audit prepared by a certified public accountant.
- D. The audit shall be performed by a qualified State, Department, local or independent auditor. The Agreement for audit shall include a clause, which permits access by the Department to the independent auditor's working papers.
- E. If there are audit findings, the Recipient shall submit a detailed response to the Department for each audit finding. The Department will review the response and, if it agrees with the response, the audit process ends, and the Department will notify the Recipient in writing. If the Department is not in agreement, the Recipient will be contacted in writing and will be informed as to the corrective actions required to cure any audit deficiencies. This action could include the repayment of disallowed costs or other remediation.
- F. If so, directed by the Department upon termination of this Agreement, the Recipient shall cause all records, accounts, documentation, and all other materials relevant to this Agreement to be delivered to the Department as depository.

COMPLETION OF CONSTRUCTION

33. Relocation Plan Implementation Report

The Recipient shall provide a report, in a form acceptable to the Department, summarizing the actions taken and identifying all recipients of relocation assistance and benefits, and the amounts paid, and benefits provided, to or on behalf of each recipient.

34. Architect Certification

Where required by the Department, the Recipient shall cause the Capital Improvement Project and Housing Development(s) architect(s) or other appropriate professional to certify to the Department, in a form acceptable to the Department, that all construction is completed in accordance with the "as-built" Plans and Specifications and in compliance with all applicable federal, state, and local laws relating to disabled accessibility.

35. Cost Certification

At the request of the Department, the Recipient shall submit a Capital Improvement Project and Housing Development(s) cost certification that shall have been audited by an independent certified public accountant in accordance with the requirements of the Department and the California Tax Credit Allocation Committee, if applicable. The Recipient (and the developer or builder if there is an identity of interest with the Recipient) shall keep and maintain records of all construction costs not representing work done under the Construction Contract and to make such records available for review by the Department.

36. Recorded Notice of Completion

The Recipient shall provide to the Department a certified copy of any Notice of Completion for the Housing Development(s) recorded in the county in which the Housing Development(s) is located.

37. "As-Built" Plans and Specifications

Upon completion, at the request of the Department, the Recipient shall submit "as-built" plans and specifications for the Capital Improvement Project and Housing Development(s) acceptable to the Department.

HOUSING DEVELOPMENT(S) REQUIREMENTS

38. <u>Confirmation of Permitted Housing Units</u>

Conditions precedent to the first disbursement of Program funds shall include receipt of all required public agency entitlements. The housing units to be developed in the Housing Development(s) must be completed, as evidenced by receipt of a certificate of occupancy, within the period established in this Agreement.

39. Proximity to Amenities

To ensure the Recipient's Housing Development(s) meets or exceeds the proximity to amenities proposed in the Application, the Recipient shall submit evidence to the Department for approval prior to the final disbursement of funds that the amenities will be in service and located in distances consistent with representations in the Application when the Housing Development(s) is completed.

40. Access to Transit

To ensure the Recipient's Housing Development(s) meets or exceeds the access to transit distance proposed in the Application, the Recipient shall submit evidence to the Department for approval prior to the final disbursement of funds that the transit stations or major transit stops meet the definitions in Section 102 of the Phase II Solicitation. The evidence shall substantiate completion of the transit stations identified in the Application no more than five years from the deadline for submittal of applications set forth in the Phase II Solicitation, and pursuant to the definition of Transit Station as set forth in the Phase II Solicitation in Section 102.

41. Fiscal Integrity

If Recipient is relying on a Developer or Developers to own and operate the Housing Development(s), the contract between the Recipient and Developer(s) must require the Housing Developments to have, and continue to have, Fiscal Integrity (as that term is defined in the Phase II Solicitation) consistent with planned rents in the units subject to affordability restrictions imposed by this Agreement.

42. Affirmatively Furthering Fair Housing

Recipient must develop, own, and operate the Housing Development(s) in a manner which is consistent with Affirmatively Furthering Fair Housing as that term is defined in Section 102 of the Phase II Solicitation. If Recipient is relying on Developer(s) to develop, own, and operate the Housing Development(s), Recipient must contractually obligate the Developer(s) to do so in a manner which is consistent with Affirmatively Furthering Fair Housing.

REPORTING REQUIREMENTS

43. Reports on Capital Improvement Project

Recipient shall submit, upon request of the Department, a periodic performance report regarding the construction of the Capital Improvement Project, including, but not limited to, substantiation of grant expenditures and housing outcomes, including levels of affordability as provided in the Application. The reports will be filed on forms provided by the Department.

44. Reports on Housing Development(s)

Recipient and all Developers shall submit to the Department periodic reports, as required by the Department, but not less than annually, describing the development, construction, and occupancy of the Housing Development(s). The report shall include, but not limited to, information regarding unit affordability and occupancy, construction and permanent financing evidenced by commitment letters, and a construction and completion schedule demonstrating compliance with this Agreement and the Phase II Solicitation. The reports will be filed on forms provided by the Department.

45. <u>Updated Information</u>

Recipient shall provide the Department updated documentation for any substantial change in the information previously provided relating to the Capital Improvement Project and the Housing Development(s) and the conditions described above.

46. Monitoring Requirements

The Department shall perform regular monitoring of the Housing Development(s) and/or fiscal monitoring of the grant pursuant to Section 702 of the Phase II Solicitation. The Recipient agrees to cooperate with any such monitoring and

provide reasonable access to all Capital Improvement Project files, records, documents and other information to employees or representatives of the Department. The Recipient shall resolve any monitoring findings to the Department's satisfaction by the deadlines set by the Department.

REPAYMENT OF GRANT FUNDS

47. Breach of this Agreement

In the event of a breach or violation by the Recipient of any of the provisions of this Agreement, the Department may give written notice to the Recipient to cure the breach or violation within a period of not less than thirty (30) days. If the breach or violation is not cured to the satisfaction of the Department within the specified period, the Department, at its option, may declare a default of the Agreement and may seek remedies for the default, including the following:

- A. The Department may terminate this Agreement and demand repayment of the Program funds to the extent that Work for costs to be paid by Program funds as provided in Exhibit B remains unperformed or uncompleted. Recipient shall be liable for all costs to complete all such uncompleted or unperformed Work.
- B. The Department may seek, in a court of competent jurisdiction, an order for specific performance of the defaulted obligation or the appointment of a receiver to complete the Capital Improvement Project in accordance with Program requirements.
- C. The Department may seek such other remedies as may be available under this Agreement or in law or equity.

48. Cancellation

This Agreement may be cancelled by the Department under any of the following conditions:

- A. An uncured breach or violation by Recipient of this Agreement or the Disbursement Agreement.
- B. The objectives and requirements of the Program cannot be met by continuing the commitment or this Agreement.
- C. Construction of the Capital Improvement Project or Housing Development(s) cannot proceed in a timely fashion in accordance with the Performance Milestones in Exhibit A of this Agreement.

B. Housing Element

[DELETE IF INAPPLICABLE] At time of award, Recipient was undergoing Department review of its housing element, or was receiving Department technical assistance to bring its housing element into compliance with Article 10.6 (commencing with Section 65580) of Chapter 3 of Division 1 of Title 7 of the Government Code. Prior to any disbursement of Program Funds, Recipient must receive a final housing element certification from the Department.

C. <u>Adaptive Reuse Ordinances</u>

[DELETE IF INAPPLICABLE] At time of Application, Recipient submitted evidence that the development of the Capital Improvement Project and/or Housing Development(s) would be facilitated by [INSERT DESCRIPTION OF ORDINANCES AND OTHER ZONING AND BUILDING PROVISIONS] which were not yet in existence, but which were planned. The Department awarded points based upon these planned ordinances and/or zoning and building provisions. Prior to any disbursement of Program Funds, Recipient must submit evidence satisfactory to the Department that the ordinances and/or zoning and building provisions which garnered points at the application stage exist and are in full effect as contemplated in the Application.

D. Other Departmental Funding

In the event the Project is, or has been, awarded additional Departmental funding, any and all such funding will be cross defaulted to and among one another in the respective loan or grant documents. A default under one source of Departmental funding shall be a default under any and all other sources of Departmental funding in the Project.

Eric D. Shaw, Director, Mayor's Office of Housing and Community Development City and County of San Francisco 1 South Van Ness Avenue, 5th Floor San Francisco, CA 94103

Dear Eric D. Shaw:

RE: Conditional Award Commitment and Acceptance of Terms and Conditions Infill Infrastructure Grant Program – Catalytic Qualifying Infill Area Notice of Funding Availability, March 15, 2023, and as Subsequently Amended City and County of San Francisco – San Francisco CQIA (CCSF CQIA) Contract No. 23-IIGC-17922

The California Department of Housing and Community Development (**Department**) issued a Notice of Funding Availability on March 15, 2023, and subsequently amended, for the Infill Infrastructure Grant Program – Catalytic Qualifying Infill Area (**IIGC**). The Department is pleased to inform you of this conditional award to the City and County of San Francisco. This conditional award is a grant in the amount of \$45,000,000 (**Conditional Award**) for the above-referenced **Capital Improvement Project** and includes the following:

Program	Award Amount	Contract Number
Infill Infrastructure Grant Program – Catalytic	\$45,000,000	23-IIGC-17922
Qualifying Infill Area (IIGC)		

The Conditional Award is based on and subject to the Applicant representations and the Terms and Conditions of Conditional Award, both as further specified and described in this notice of the Conditional Award (**Conditional Award Commitment**). This Conditional Award may only be accepted by timely delivery of a fully executed Acceptance of Terms and Conditions of Conditional Award form to the Department (an execution copy of this form is enclosed herein).

I. Applicant representations – Basis of Conditional Award

In response to the IIGC NOFA, the Recipient submitted an application for financing of the Capital Improvement Project (that application, and all communications and documentation submitted to the Department in support thereof, the **Application**).

The Department is making this Conditional Award to the Recipient on the basis of, and in reliance upon, the representations, warranties, projections, and descriptions that the Recipient submitted as part of the Application (**Applicant representations**).

The Department may rescind this Conditional Award if the Department discovers, at any time prior to disbursement of the Conditional Award, that the Applicant representations included material misrepresentations or omissions, regardless of whether or not such misrepresentations or omissions were innocent, unintentional, and/or based upon belief.

II. Terms and Conditions of Conditional Award

The Department may rescind this Conditional Award if any of the terms and conditions enumerated in this Section II (**Terms and Conditions of Conditional Award**) are not timely satisfied. TIME IS OF THE ESSENCE IN THE SATISFACTION OF THESE TERMS AND CONDITIONS OF CONDITIONAL AWARD.

The Terms and Conditions of Conditional Award and their corresponding timelines are described below. All timelines shall be calculated in calendar days. Any deadline falling on a weekend or State of California holiday shall be extended to the next business day.

If the Terms and Conditions of this Conditional Award are timely satisfied, the Department will (i) promptly provide a written notification to the Recipient via electronic mail; and (ii) circulate an execution copy of an STD 213, Standard Agreement for all appropriate signatures and approvals in accordance with the timeline specified at Section III of this Conditional Award Commitment.

A. Timely Execution of Acceptance of Terms and Conditions of Conditional Award Form

The Recipient shall execute and deliver a copy of the enclosed Acceptance of Terms and Conditions of Conditional Award to the Department within ten (10) calendar days of the date upon this Conditional Award Commitment. The Department will deem this condition to be unsatisfied if it receives an executed Acceptance of Terms and Conditions of Conditional Award that has been substantively modified, altered, or amended in any way. The signed Acceptance of Terms and Conditions of Conditional Award form must be submitted lnfill@hcd.ca.gov.

B. Timely Delivery of Resolution and Organizational Documents

The Recipient shall deliver to the Department, within sixty (60) calendar days of the date upon this Conditional Award Commitment, legally sufficient Resolution and Organizational Documents, as further described and specified below. Specifically, the Recipient shall deliver a duly adopted authorizing resolution, as well as a complete and duly filed or adopted set of organizational documents and all amendments (**Resolution and Organizational Documents**), for each of the following entities as applicable: each Recipient entity; the ultimate Recipient of the Conditional Award funds (**Recipient**); and each separate legal entity that is part of the Recipient's or Recipient's organizational structure. Each entity's resolution must constitute, to the Department's reasonable satisfaction, an unconditional, duly adopted, and legally binding Resolution of the entity to accept the total amount of these Conditional Award funds, to fully participate in the relevant Department program, and to be legally bound by the requirements of the Department program. The Department may agree to an extension of fifteen (15) calendar days based on the Recipient's demonstration of necessity.

Note: A Local Public Entity, as defined in the IIGC Program Guidelines, is not required to submit a complete and duly filed or adopted set of organizational documents and amendments. Both the Conditional Award and this Conditional Award Commitment are subject to Health and Safety Code section 50406, subdivision (p), as subsequently amended.

The Department will post resolution templates on its website as informational guidance. Please note that use of the resolution templates is not compulsory. However, use of the provided templates will assist in the timely review and approval of the Standard Agreement. While entities may choose to use modified language in their resolutions, Recipients should be aware that this may delay preparation of the Standard Agreement or, if deemed insufficient, may result in the need to submit a revised resolution.

At any point prior to disbursement, the Department may also require the Recipient to resubmit the Resolution and Organizational Documents if the original submittals were determined to be inaccurate or incomplete.

III. Delivery of Standard Agreement

In an effort to be responsive to each Recipient's closing needs and to ensure timely commitment of funds, the Department commits to delivering an execution copy of the Standard Agreement relative to this Conditional Award within ninety (90) calendar days of receiving all required documents, including all legally sufficient Resolutions and

ADOPTING FINDINGS RELATED TO THE CERTIFICATION OF A FINAL ENVIRONMENTAL IMPACT REPORT FOR THE PROPOSED TREASURE ISLAND/YERBA BUENA ISLAND PROJECT.

MOVED, that the San Francisco Planning Commission (hereinafter "Commission") hereby CERTIFIES the Final Environmental Impact Report identified as Case No. 2007.0903E (hereinafter "Project"), based upon the following findings:

- 1. The City and County of San Francisco, acting through the Planning Department (hereinafter "Department") fulfilled all procedural requirements of the California Environmental Quality Act (Cal. Pub. Res. Code Section 21000 et seq., hereinafter "CEQA"), the State CEQA Guidelines (Cal. Admin. Code Title 14, Section 15000 et seq., (hereinafter "CEQA Guidelines") and Chapter 31 of the San Francisco Administrative Code (hereinafter "Chapter 31").
 - A. The Department determined that an Environmental Impact Report (hereinafter "EIR") was required and provided public notice of that determination by publication in a newspaper of general circulation on January 26, 2008.
 - B. On July 12, 2010, the Department published the Draft Environmental Impact Report (hereinafter "DEIR") and provided public notice in a newspaper of general circulation of

1650 Mission St. Suite 400 San Francisco, CA 94103-2479

Reception: 415.558.6378

Fax:

415.558.6409

Planning Information: 415.558.6377 Hearing Date: April 21, 2011

the availability of the DEIR for public review and comment and of the date and time of the Planning Commission public hearing on the DEIR; this notice was mailed to the Department's list of persons requesting such notice.

- C. Notices of availability of the DEIR and of the date and time of the public hearing were posted near the project site by Department staff on July 12, 2010.
- D. On July 12, 2010, copies of the DEIR were mailed or otherwise delivered to a list of persons requesting it, to those noted on the distribution list in the DEIR, to adjacent property owners, and to government agencies, the latter both directly and through the State Clearinghouse.
- E. Notice of Completion was filed with the State Secretary of Resources via the State Clearinghouse on July 12, 2010.
- 2. The Commission held a duly advertised public hearing on said DEIR on August 12, 2010, at which opportunity for public comment was given, and public comment was received on the DEIR. The period for acceptance of written comments ended on September 10, 2010.
- The Department prepared responses to comments on environmental issues received at the public hearing and in writing during the 59-day public review period for the DEIR, prepared revisions to the text of the DEIR in response to comments received or based on additional information that became available during the public review period, and corrected errors in the DEIR. This material was presented in a Comments and Responses document, published on March 10, 2011, distributed to the Commission and all parties who commented on the DEIR, and made available to others upon request at the Department.
- A Final Environmental Impact Report has been prepared by the Department, consisting of the Draft Environmental Impact Report, any consultations and comments received during the review process, any additional information that became available, and the Comments and Responses document all as required by law.
- Following publication of the Environmental Impact Report, the Project's structure and financing were changed from a Redevelopment Plan and financing mechanism to an Area Plan to be included within the San Francisco General Plan and partial financing through an Infrastructure Financing District. These changes in turn result in the amount of affordable housing units to be reduced from approximately 2,400 units to 2,000 units. A memorandum describing these changes and other minor Project changes since publication of the EIR has been prepared and distributed by the Department which describes and evaluates these changes and presents minor amendments to the text of the EIR to reflect the changes. The memorandum demonstrates and concludes that the revisions to the Project would not substantially change the analysis and conclusions of the EIR. No new significant impacts or substantial increase in the severity of already identified significant impacts, no new mitigation measures, and no new alternatives result from these changes. Thus recirculation of the EIR for public review and comment is not required.

Motion No. 18325 Hearing Date: April 21, 2011

- 6. Project Environmental Impact Report files have been made available for review by the Commission and the public. These files are available for public review at the Department at 1650 Mission Street, and are part of the record before the Commission.
- 7. On April 21, 2011, the Commission reviewed and considered the Final Environmental Impact Report and hereby does find that the contents of said report and the procedures through which the Final Environmental Impact Report was prepared, publicized, and reviewed comply with the provisions of CEQA, the CEQA Guidelines, and Chapter 31 of the San Francisco Administrative Code.
- 8. The Planning Commission hereby does find that the Final Environmental Impact Report concerning File No. 2007.0903E reflects the independent judgment and analysis of the City and County of San Francisco, is adequate, accurate and objective, and that the Comments and Responses document contains no significant revisions to the DEIR, and hereby does CERTIFY THE COMPLETION of said Final Environmental Impact Report in compliance with CEQA and the CEQA Guidelines.
- 9. The Commission, in certifying the completion of said Final Environmental Impact Report, hereby does find that the project described in the Environmental Impact Report:
 - A. Will result in the following significant and unavoidable project-specific environmental impacts:
 - 1) Alteration of scenic vistas of San Francisco and San Francisco Bay from public vantage points along the eastern shoreline of San Francisco, Telegraph Hill, the East Bay shoreline, and from the Bay Bridge east span.
 - 2) Impairment of the significance of an historical resource by demolition of the Damage Control Trainer.
 - 3) Construction impacts on the transportation and circulation network, including increased delay and congestion on the Bay Bridge near the ramps during the peak periods, and disruption to transit, pedestrian, bicycle, and vehicular traffic on the Islands due to roadway closures.
 - 4) Significant contribution to existing LOS E operating conditions during the weekday PM peak hour and during the Saturday peak hour at the eastbound off-ramp on the west side of Yerba Buena Island.
 - Under conditions without the TI/YBI Ramps Project, traffic impacts at the two westbound on-ramps.
 - 6) Under conditions with the Ramps Project, traffic impacts during the AM and PM peak hours at the ramp meter at the westbound on-ramp on the east side of Yerba Buena Island.

SAN FRANCISCO
PLANNING DEPARTMENT

Hearing Date: April 21, 2011

- 7) Queuing at the Bay Bridge toll plaza during the weekday AM peak hour, with and without the TI/YBI Ramps Project.
- 8) Queuing on San Francisco streets approaching Bay Bridge during the weekday PM peak hour with and without the TI/YBI Ramps Project.
- 9) Traffic impact at the following nine intersections:
 - Intersection of First/Market;
 - Intersection of First/Mission;
 - Intersection of First/Folsom;
 - Intersection of First/Harrison/I-80 Eastbound On-Ramp;
 - Intersection of Bryant/Fifth/I-80 Eastbound On-Ramp; and
 - Intersection of Fifth/Harrison/I-80 Westbound Off-Ramp
 - Intersection of Folsom/Essex;
 - Intersection of Bryant/Sterling; and
 - Intersection of Second/Folsom.
- 10) Exceedance of the available transit capacity of Muni's 108-Treasure Island bus line serving the Islands during the AM, PM and Saturday peak hours.
- 11) AC Transit operations on Hillcrest Road between Treasure Island and the eastbound onramp to the Bay Bridge without the Ramps Project.
- 12) AC Transit operations on Treasure Island Road and Hillcrest Road between Treasure Island and the eastbound on-ramp to the Bay Bridge with the Ramps Project.
- 13) Traffic congestion in downtown San Francisco, which would increase travel time and would impact operations of the following three bus lines:
 - Muni 27-Bryant;
 - Muni 30X-Marina Express; and
 - Muni 47-Van Ness bus line.
- 14) Exceedance of the capacity utilization standard on Muni's 108-Treasure Island bus line serving the Islands from a shift from auto to transit modes, resulting from parking

Hearing Date: April 21, 2011

shortfall on the Islands and leading to an increase in transit travel demand during the peak hours.

- 15) Construction noise levels above existing ambient conditions.
- 16) Exposure of persons and structures to excessive ground-borne vibration or ground-borne noise levels during construction from on-shore pile "impact activities," such as pile driving and deep dynamic compaction, and vibro-compaction.
- 17) Increase in ambient noise levels in the project vicinity above existing ambient noise levels from project-related traffic and ferry noise.
- 18) Violation of air quality standards.
- 19) Exposure of sensitive receptors to substantial levels of toxic air contaminants.
- 20) Exposure of sensitive receptors to substantial levels of PM2.5.
- 21) Violation of air quality standards during project operations.
- 22) Exposure of sensitive receptors to substantial pollutant concentrations.
- 23) Potential conflict with adopted plans related to air quality.
- 24) Temporary wind hazard impacts during phased construction.
- 25) Potential exposure of publicly accessible locations within the Project Site to wind hazards
- 26) Potential adverse impacts on movement of rafting waterfowl from ferry operations.
- B. Will contribute considerably to the following cumulative environmental impacts:
- 1) Potential cumulative construction-related traffic impacts in the project vicinity.
- 2) Cumulative traffic impacts at the eastbound off-ramp on the west side of Yerba Buena Island.
- 3) Under conditions without the Ramps Project, cumulative traffic impacts at the two westbound on-ramps.
- 4) Under conditions with the Ramps Project, cumulative traffic impacts during the AM and PM peak hours at the ramp meter at the westbound on-ramp on the east side of Yerba Buena Island.
- 5) Cumulative queuing impacts at the Bay Bridge toll plaza during the AM and PM peak hours.

Dear Eric D. Shaw:

RE: Infill Infrastructure Grant Program – Catalytic Qualifying Infill Area – Round 10 Project: San Francisco CQIA (CCSF CQIA)
Contract No. 23-IIGC-17922
Unit Mix Change
Change in Qualified Infill Area

The California Department of Housing and Community Development (Department) previously awarded the City and County of San Francisco (City and County) *\$45,000,000* on August 22, 2023, under the Infill Infrastructure Grant Program Guidelines and Notice of Funding Availability Phase II Application Solicitation.

On June 20, 2025, the Department was notified of a six-months extension request to the performance milestone requirements as outlined in the IIG Solicitation dated March 15, 2023, Article 6, Section 600 (a), specifically execution of a Standard Agreement and Disbursement Agreement within 2 years of Award. Section 600(a)(8) allows the Department to grant an extension under exceptional circumstances. The Department approved the six-months extension request through February 22, 2026. The change was memorialized and approved in the Change Circumstance Letter (CCL) dated August 12, 2025.

On July 29, 2025, the Department was notified of changes in the unit mix. The unit mix was changed by increasing the total number of Housing Development (HD) by 3 from 5 to 8. The Anchor Housing Development (HD) #1, India Basin, decreased units by 211 units from 392 to 181. HD #4, Portero Block R, with 86 units is removed and replaced by Treasure Island IC4.3 with 150 units, HD #5, Portero Block Q, with 127 units is removed and replaced with Treasure Island E1.2 with 100 units. HD #6 Treasure Island BHB with 120 market units, HD #7, Island Basin Flats with 150 homeownership units, and HD #8, Island Basin Midrise, 150 market rate units, are added. This will result in an additional 246 units, with the total number of units increasing from 789 to 1,035. Program staff completed an analysis to ensure no impact on the grant award, affordability, net density factor or score.

1. The total Units in the Qualified Infill Area (QIA) comprise of 8 Housing Developments (HD), totaling 1,035 Units. As revised, Project CQIA meets the requirements of Guideline Section 204(a), with at least 15 percent affordable units (504 affordable units / 1,035 total units = 48.69%).

	CCL #1:						
	Homeowner	Rental	Total Units				
HD1	0	392	392				
HD 2	0	89	89				
HD 3	0	95	95				
HD4	0	86	86				
HD 5	0	127	127				
HD 6	0	0	0				
HD 7	0	0	0				
HD8	0	0	0				
HD 9	0	0	0				
HD 10	0	0	0				
Totals	0	789	789				

Revised Unit Mix:						
	Homeowner	Rental	Total Units			
HD1	0	181	181			
HD 2	0	89	89			
HD 3	0	95	95			
HD4	0	150	150			
HD 5	0	100	100			
HD 6	0	120	120			
HD 7	150	0	150			
HD8	0	150	150			
HD 9	0	0	0			
HD 10	0	0	0			
Totals	150	885	1035			

- 2. The original application award provided an IIG Total Units Base Grant Limit with Adjustment Factor of \$50,739,580 allowing a maximum Grant limit of \$45,000,000. The revised application award provided an IIG Total Units Base Grant Limit with Adjustment Factor of \$49,935,496 allowing a maximum Grant limit of \$45,000,000. The amount requested for the Capital Improvement Project is and was \$45,000,000. The NOFA requires the awarding of the lessor of the two. The revised unit mix changed the NDF from 1.48 to 1.52, which did not impact the eligible grant amount or award of \$45,000,000.
- 3. NOFA Rating and Ranking Section 301 (a), Number of Housing Units, (b), Depth and Affordability, and (c), Net Density, did not have the scores impacted with the overall score remaining at 82. This score remains unchanged and is still ranked high enough to successfully receive an award.

As a result, the changes requested as described above have been reviewed and approved by the Department. Negative points will not be assessed for any changes listed above for this Project.
