Meeting Procedures

The Board of Supervisors is the legislative body of the City and County of San Francisco. The Board has several standing committees where ordinances and resolutions are the subject of hearings at which members of the public are urged to testify. The full Board does not hold a second public hearing on measures which have been heard in committee.

Board procedures do not permit: 1) persons in the audience to vocally express support or opposition to statements by Supervisors or by other persons testifying; 2) ringing and use of cell phones, pagers, and similar sound-producing electronic devices; 3) bringing in or displaying signs in the meeting room; and 4) standing in the meeting room.

Each member of the public will be allotted the same maximum number of minutes to speak as set by the President or Chair at the beginning of each item or public comment, excluding City representatives, except that public speakers using translation assistance will be allowed to testify for twice the amount of the public testimony time limit. If simultaneous translation services are used, speakers will be governed by the public testimony time limit applied to speakers not requesting translation assistance. Members of the public who want a document placed on the overhead for display should clearly state such and subsequently remove the document when they want the screen to return to live coverage of the meeting.

IMPORTANT INFORMATION: The public is encouraged to testify at Committee meetings. Persons unable to attend the meeting may submit to the City, by the time the proceedings begin, written comments regarding the agenda items above. These comments will be made a part of the official public record and shall be brought to the attention of the Board of Supervisors. Written communications should be submitted to the Clerk of the Board, Clerk of a Committee or its members: 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102. APPROVAL OF MEETING MINUTES

Approval of the [March 17, 2015](#), Board Meeting Minutes.

SPECIAL ORDER 2:00 P.M. - Mayor's Appearance Before The Board

Pursuant to Charter Section 3.100(7), the Mayor shall appear, in person, at one regularly scheduled meeting of the Board of Supervisors each month to engage in formal policy discussions with members of the Board. This item will be read at the Board Meeting on the second Tuesday of each month, unless rescheduled by the Mayor and the Board President. The Mayor and the Board may not discuss matters that have already been considered in Committee and that are on the Board's Agenda as an action item.

By supermajority vote of the Board of Supervisors (8 votes), the Board may, by oral motion, allow an eligible District Supervisor to ask a question that was not previously posed if the question relates to a sudden or unexpected incident or occurrence raising formal, time-sensitive policy questions that were not anticipated prior to the posting of this agenda. Public comment for this item will take place during general public comment.

1. [150361](#) [Formal Policy Discussions - April 21, 2015]

Pursuant to Charter, Sections 2.103 and 3.100(7), and Administrative Code, Section 2.11, the Mayor shall answer the following eligible questions submitted from Supervisors representing Districts 1 and 3. The Mayor may address the Board initially for up to five minutes. Discussion shall not exceed five minutes per Supervisor.

1. Mr. Mayor, last year San Francisco passed groundbreaking legislation that will raise our minimum wage as well as provide predictable scheduling and job retention protections for part-time and on-call chain store workers. In order for these new rights to have any impact we need to ensure that our ability to enforce these laws is sufficient. This means that staffing levels at the Office of Labor Standards Enforcement have to be increased but it also means that we need to fund community based organizations that can supplement our ability to reach out to workers who may be reticent to claim their rights.

Can we count on your office to fund for these critical needs through our upcoming budget process? (Supervisor Mar, District 1)

2. Mr. Mayor, Current plans for the Central Subway will end the T Line at Chinatown. That will leave Fisherman's Wharf, North Beach, Russian and Telegraph Hills and north Chinatown with only the current surface transit service and without transfer opportunities for bus lines serving neighborhoods to the West.

Last fall's report by the San Francisco County Transit Authority, the San Francisco Municipal Transit Authority, and the San Francisco Planning Department provide compelling evidence of the need to continue the Central Subway to Fisherman's Wharf. By extending the subway just two more stops, ridership is projected to increase on the T Line from 74,000 folks per day, to 115,000 per day. This is a significant increase in ridership, providing added pedestrian safety to the surface streets by reducing pedestrian and vehicle traffic through some of our heaviest thoroughfares in some of our most dense neighborhoods in the City.

Extending the Central Subway will cut the commute time between Moscone Center and Fisherman's Wharf in half. 8,400 people work in Fisherman's Wharf on any given day, and nearly 200 jobs in Fisherman's Wharf went unfilled at the end of last year because of the current commute to the northeast neighborhood. These numbers don't include the millions of visitors per year reported by our visitor's centers, and convention and travel organizations.

Considering the compelling data, and enthusiastic support from residents, what can the City do to signal its seriousness in moving forward with extending our Central Subway and T-Line? (Supervisor Christensen, District 3)

Discussion: The Mayor shall DISCUSS eligible questions with the Board of Supervisors.

CONSENT AGENDA

All matters listed hereunder constitute a Consent Agenda, are considered to be routine by the Board of Supervisors and will be acted upon by a single roll call vote of the Board. There will be no separate discussion of these items unless a member of the Board so requests, in which event the matter shall be removed from the Consent Agenda and considered as a separate item.

Questions on the Consent Agenda are on final passage, first reading, adoption, or approved, as indicated.
