TO ESTABLISH THE
DOGPATCH & NORTHWEST POTRERO HILL GREEN BENEFIT DISTRICT

1. We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the "DOGPATCH & NORTHWEST POTRERO HILL GREEN BENEFIT DISTRICT" (hereafter "Dogpatch & NWPH GBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the Dogpatch & NWPH GBD* (hereafter "Plan").
 2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the improvements and activities for a ten year period as described in the Plan if the proposed District is established by the Board of Supervisors following the ballot election and public hearing.
 3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 *et seq.* "Property and Business Improvement District Law of 1994" as augmented by City and County of San Francisco Business and Tax Regulation Code Article 15A Public Realm Landscaping, Improvement and Maintenance Assessment Districts "Green Benefit Districts").
 4. We understand that upon receiving signed petitions in support of the Dogpatch & NWPH GBD by a minimum of property owners who will pay more than thirty percent (30%) of the proposed assessments, the San Francisco Board of Supervisors may initiate proceedings to establish the District. These proceedings will include an official balloting of property owners under which a majority of weighted property owners who return a ballot may authorize the Board of Supervisors to establish the District. This petition does not represent a final decision.
