**SEC. 209.3. RC (RESIDENTIAL-COMMERCIAL) DISTRICTS.**

These Districts are intended to recognize, protect, conserve, and enhance areas characterized by structures combining Residential uses with neighborhood-serving Commercial uses. The predominant Residential uses are preserved, while provision is made for supporting Commercial uses, usually in or below the ground story, that meet the frequent needs of nearby residents without generating excessive vehicular traffic. The compact, walkable, transit-oriented and mixed-use nature of these Districts is recognized by no off-street parking requirements. The RC Districts are composed of two separate districts, as follows:

**SEC. 210.3. PDR DISTRICTS.**

These Districts provide space for a wide variety of PDR (production, distribution and repair) and other non-residential activities in districts where these uses are free from inherent economic and operational competition and conflicts with housing, large office developments, and large-scale retail, which are not permitted in these Districts. Other uses that share operational characteristics with PDR uses are permitted in these Districts, as they require large flexible spaces and prefer separation from intensive housing districts. PDR-zoned land is also an important reservoir of space in San Francisco for new and evolving industry and activity types that cannot be foreseen today and cannot practically function or compete for space in a typical downtown office or neighborhood commercial environment. Business and activities allowed in PDR Districts generally share a need for flexible operating space that features large open interior spaces, high ceilings, freight loading docks and elevators, floors capable of bearing heavy loads, and large (often uncovered exterior) storage areas. These uses are often not ideally compatible with housing for operational reasons, including the need for significant trucking and delivery activities, 24-hour operation, and emission of noise, odors and vibrations. Importantly, PDR uses are limited in the amount of rent they can afford relative to office, retail, and residential uses, yet are important sectors of the City's economy.

15 **SEC. 249.1. FOLSOM AND MAIN RESIDENTIAL/COMMERCIAL SPECIAL USE**  
16 **DISTRICT.**

17 (a) **Purpose.** In order to convert an under-utilized and outmoded industrial area to a  
18 unique residential neighborhood close to downtown which will contribute significantly to the  
19 City's housing supply, create tapered residential buildings, provide an appropriate mixture of  
20 retail sales and personal services to support new residential development, provide a buffer of  
21 office and parking use between the bridge and freeway ramps and the housing sites, and  
22 allow the existing industrial, service and office uses to remain, there shall be the Folsom and  
23 Main Residential/Commercial Special Use District as designated on Sectional Map No. SU01  
24 of the Zoning Map of the City and County of San Francisco.

25 \* \* \* \*

1 (b) **Controls.** The following zoning controls are applicable in the  
2 Residential/Commercial Special Use District.

3 \* \* \* \*

4 (2) **Uses.**

5 (A) Permitted uses are those permitted in an RC-4 District, plus the uses  
6 listed in ~~§~~subsection (e)(1)(B) below; provided that, for newly constructed buildings or  
7 additions of ~~20% percent~~ or more of an existing building's gross floor area, at least six net  
8 square feet of residential use is provided for each one net square foot of non-residential use  
9 on any lot. Additions of less than ~~20% percent~~ of a building's gross floor area are exempt from  
10 the six-to-one residential requirements. Once granted, this exemption from the residential  
11 development requirement for building additions may not be repeated for any single property.  
12 Any addition of more than ~~20% percent~~ of gross square feet of building area shall be required  
13 to provide the housing on a six-to-one basis for all of the additional building area. All areas  
14 used for parking for either residential or non-residential uses shall be excluded in the  
15 calculation of the residential/non-residential ratio. For the purposes of application of this six-to-  
16 one ~~6-to-1~~ ratio, Hotels as defined under Section 102 shall be considered a non-residential  
17 rather than a residential use.

18 (B) The use provisions applicable to an RC-4 District shall be applicable  
19 to the "Residential/Commercial" Subdistrict with the following modifications or additions:

20 \* \* \* \*

21 (vii) ~~Trade Shops and~~ Catering uses shall be permitted as of right  
22 above or below the ground floor, and shall require Conditional Use authorization at the ground  
23 floor;

1     **SEC. 249.33. VAN NESS & MARKET RESIDENTIAL SPECIAL USE DISTRICT.**

2           (a) Purpose. There shall be a Van Ness & Market Residential Special Use District,  
3 which is comprised of the parcels zoned C-3-G in the Market Octavia Better Neighborhoods  
4 Plan area, and whose boundaries are designated on Sectional Map Nos. SU02 and SU07 of  
5 the Zoning Map of the City and County of San Francisco. This District is generally comprised  
6 of parcels focused at the intersections of Van Ness Avenue at Market Street and South Van  
7 Ness Avenue at Mission Street, along with parcels on both sides of Market and Mission  
8 Streets between 9th and Division Streets. This District is intended to be a transit-oriented,  
9 high-density neighborhood with a significant residential presence and a mix of neighborhood-  
10 serving uses. New development and major expansions must be predominantly residential.  
11 Other non-residential uses that are allowed and encouraged, include arts, institutional, and  
12 retail uses. Retail controls allow for smaller retail use sizes in order to emphasize  
13 neighborhood-serving character. These uses compliment the transit rich infrastructure in the  
14 area, which includes the Van Ness MUNI Metro Station and the intersection of several major  
15 transit corridors including Van Ness, Market Street, Mission Street and other major bus lines.  
16 This area is encouraged to transition from largely a back-office and warehouse support  
17 function to downtown into a more mixed-use residential district, and serves as a transition  
18 zone to the lower scale residential and neighborhood commercial areas to the west of the C-3.  
19 A notable amount of large citywide commercial and office activity will remain in the area,  
20 including government offices supporting the Civic Center and City Hall. This area was initially  
21 identified in the Downtown Plan of the General Plan as an area to encourage housing  
22 adjacent to the downtown. As part of the city’s Better Neighborhoods Program, this concept  
23 was fully articulated in the Market and Octavia Area Plan, and is described therein.

24           (b) **Use Controls.**

25           \* \* \* \*

1                   (9) **Micro-Retail.** “Micro-Retail” shall mean a Retail Use, other than a Formula  
2 Retail Use, measuring no less than 100 gross square feet, no greater than 1,000 gross square  
3 feet and a 10 foot minimum depth from the front façade.

4                   (A) **Applicability.** Micro-Retail controls shall apply to projects with new  
5 construction or alterations to greater than 50% of an existing building if located on a lot of at  
6 least 20,000 square feet.

7                   (B) **Controls.**

8                   (i) **Amount.** Applicable development projects shall have at least  
9 one Micro-Retail unit for every 20,000 gross square feet of lot area, rounded to the nearest  
10 unit.

11                   (ii) **Location and Design.** All Micro-Retail units shall be on the  
12 ground floor, independently and directly accessed from a public right-of-way or a publicly-  
13 accessible open space, and designed to be accessed and operated independently from other  
14 spaces or uses on the subject property. For projects adjacent to Privately Owned Publicly  
15 Accessible Open Spaces, free standing kiosks are allowed to meet this requirement through  
16 Planning Commission approval through a 309 exception.

17                   (iii) **Exemption.** Any projects providing ground floor uses that are  
18 larger than 1,000 gross square feet and defined as Arts Activities, Child Care Facility,  
19 Community Facility, ~~Instructional Service~~, Public Facility, School or Social Service are exempt  
20 from the Micro-Retail requirement.

21                   (iv) **Exceptions.** Exceptions to the micro-retail requirement may  
22 be granted pursuant to the procedures of Section 309.

1 **SEC. 249.35A. FULTON STREET GROCERY STORE SPECIAL USE DISTRICT.**

2 (a) Purpose. In order to provide for the consideration of a neighborhood-serving  
3 grocery store of moderate size in a location accessible to the Hayes Valley and Western  
4 Addition neighborhoods, there shall be a Fulton Street Grocery Store Special Use District,  
5 consisting of Lots 001 and 058 through 198, inclusive of Assessor's Block 0794, between  
6 Laguna and Octavia Streets, as designated on Sectional Map 2SU of the Zoning Map. This  
7 Special Use District would enable the consideration of a project containing a grocery store in a  
8 district that does not permit such uses. This Special Use District would conditionally permit a  
9 grocery store that is a formula retail use, in order to allow consideration of a grocery store that  
10 is affordable to the neighborhood. This one-time lift of the ban on formula retail is intended to  
11 support an affordable grocery store that is committed to serving and hiring from the  
12 neighborhood. According to the U.S. Census Bureau's 2017 American Community Survey,  
13 the median household income in the surrounding neighborhood is \$24,041, and over one-third  
14 of residents in the neighborhood live below the poverty line.

15 \* \* \* \*

16 (d) **Controls.** The following controls apply to projects meeting the criteria of subsection  
17 (c) and to any subsequent alterations or changes of use in a building approved under this  
18 Section 249.35A.

19 \* \* \* \*

20 (4) All subsequent changes of use shall require Conditional Use authorization  
21 from the Planning Commission. The only Non-Residential Uses that may be permitted in the  
22 space initially approved for a Grocery store shall include ~~Trade Shop and~~ Institutional Uses,  
23 excluding Medical Cannabis Dispensaries, and Hospitals, except that General Retail Sales  
24 and Services, Pharmacy, or General or Specialty Grocery uses may be permitted.

7 Section 4. PLANNING CODE AMENDMENTS TO ZONING TABLES FOR  
8 NEIGHBORHOOD COMMERCIAL DISTRICTS, NEIGHBORHOOD COMMERCIAL TRANSIT  
9 DISTRICTS, AND MIXED USE DISTRICTS.

10 Consistent with Section 3 of this ordinance, which deletes from Section 102 of the

13 District Zoning tables in the Planning Code are revised to delete “Cat Boarding,” “Gym,”  
14 “Services, Instructional,” and “Trade Shop,” where those terms appear in the tables, and also  
15 to delete from the tables the related references to Section 102 and to zoning controls by story,  
16 so that the entire row for the deleted term is deleted. These deletions are illustrated in the  
17 following hypothetical zoning control table where an asterisk represents the control by story to

## LEGISLATIVE DIGEST

[Planning, Business and Tax Regulations, Police Codes - Small Business Recovery Act]

**Ordinance amending the Planning, Business and Tax Regulations, and Police Codes to adopt and implement the Small Business Recovery Act by, among other things, 1) expanding streamlined review and inspection procedures to principally permitted storefront uses citywide; 2) deleting separate definitions of “Cat Boarding,” “Gym,” “Trade Shop,” and “Services, Instructional” from the Planning Code; 3) allowing permitted conditional uses to continue after three years of abandonment; 4) allowing Outdoor Activity Areas on rooftops; 5) allowing accessory catering uses in Restaurants; 6) allowing accessory dwelling units on the ground floor in Neighborhood Commercial, Chinatown Business, and Chinatown Visitor Districts; 7) allowing temporary outdoor entertainment, arts and recreation activities, 8) deleting certain conditional use finding requirements for Nighttime Entertainment use; 9) deleting conditional use findings related to formula retail concentrations in certain districts; 10) requiring expedited permit processing for commercial uses on the ground floor; 11) shortening the time for the Historic Preservation Commission to request review of minor alteration permits and certificates of appropriateness; 12) extending time for limited live performances from 10 p.m. to 11 p.m.; 13) allowing additional One-Time Entertainment Permits and One-Time Outdoor Amplified Sound Permits; 14) exempting single individual performances without amplification from permit requirements; and affirming the Planning Department’s determination under the California Environmental Quality Act; and making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1, and findings of public necessity, convenience, and welfare under Planning Code, Section 302.**

### Existing Law

Currently, section 32 of the Business and Tax Regulations Code requires streamlined review of principally permitted storefront uses in Neighborhood Commercial and Neighborhood Commercial Transit Districts.

Currently, the Planning Code:

- includes specific definitions for “Cat Boarding,” “Gym,” “Trade Shop,” and “Services, Instructional” (Planning Code § 102)
- provides that conditional uses that are discontinued or abandoned for three years can only be restored with a new conditional use authorization (§ 178)
- allows outdoor activity areas at the ground level (§ 202.2)
- allows Limited Restaurants to include accessory catering uses (§ 204.3)
- prohibits accessory dwelling units on the ground floor in Neighborhood Commercial, Chinatown Business, and Chinatown Visitor Districts (§ 207)

- requires specific conditional use findings for Eating and Drinking Uses, for Nighttime Entertainment, General Entertainment and other Entertainment uses, and for Formula Retail uses (related to concentrations of Formula Retail uses in certain districts) (§§ 303, and 303.1)
- allows expedited permit processing for conditional use authorization applications that comply with specific requirements (§ 303.2)
- requires neighborhood notice for certain building permit applications in residential, Neighborhood Commercial, Neighborhood Commercial Transit and in Eastern Neighborhoods Mixed Use Districts (§ 311)
- requires the Historic Preservation Commission to request review of minor alteration permits and certificates of appropriateness within 20 days (§§ 1006.2 and 1111.1)

Currently, under Article 15 of the Police Code, Limited Live Performances must conclude by 10 p.m., unless extended. Applicants may obtain no more than 12 One-Time Entertainment Permits and One-Time Outdoor Amplified Sound Permits in a 12-month period; and performances by single individuals with no amplification must obtain a permit.

### **Amendments to Current Law**

This ordinance would amend section 32 of the Business and Tax Regulations Code to require streamlined review of principally permitted storefront uses citywide, not just in Neighborhood Commercial and Neighborhood Commercial Transit Districts.

In addition, the ordinance would amend the Planning Code to:

- delete the specific definitions and use categories for “Cat Boarding,” “Gym,” “Trade Shop,” and “Services, Instructional.” Instead, cat boarding and trade shops would be considered a General Retail Sales and Service use, and gyms and instructional services would be considered a Personal Service use. The ordinance would delete references to the definitions throughout the Planning Code, including in zoning district tables. (Planning Code § 102 and throughout)
- delete the requirement that conditional uses are abandoned after three years (§ 178)
- establish that places of entertainment that are deemed to be a Continuing Entertainment Operations Establishment by the Entertainment Commission may continue operation regardless of zoning (new § 193)
- allow outdoor activity areas on rooftops within the boundaries of the property (§ 202.2)
- allow Restaurants to include accessory catering uses (§ 204.3)
- authorize temporary uses in outdoor areas for Entertainment, Arts and Recreation Activities (new § 205.8)
- allow accessory dwelling units on the ground floor in the commercial space in Neighborhood Commercial, Chinatown Business, and Chinatown Visitor Districts as long as the commercial space maintains a depth of at least 25 feet (§ 207)
- allow temporary outdoor entertainment, arts and recreation activities (new § 205.8)

- delete requirements for specific conditional use findings for Eating and Drinking Uses; delete specific conditional use findings required for Nighttime Entertainment, General Entertainment and other entertainment Uses; delete certain findings requirements related to the concentration of formula retail uses (§§ 303, 303.1)
- expand the types of conditional use permits that can be expedited to include commercial uses on the first story, and the first and second story if the commercial use would operate on both stories (§ 303.2)
- remove the neighborhood notification requirement for changes of use in Eastern Neighborhood Mixed Use Districts (§ 311)
- reduce the time the Historic Preservation Commission must request review of minor alteration permits and certificates of appropriateness to 10 days (§§ 1006.2, 1111.1)

Finally, the ordinance amends Article 15 of the Police Code to allow limited live performances until 11 p.m., except in certain districts; to allow issuance of additional One-Time Entertainment Permits and One-Time Outdoor Amplified Sound Permits; to exempt single individual performances with no amplification from permit requirements; and to allow the Entertainment Commission to deem certain entertainment uses as a Continuing Entertainment Operations Establishment which allows continued operation without additional zoning reviews.

#### Background Information

These amendments implement the Small Business Recovery Act.
