RE: File Number 120499: Memorandum of Understanding (MOU) with the Service Employees
International Union, Local 1021

Dear Ms. Calvillo,

In accordance with Ordinance 92-94, I am submitting a cost analysis of the MOU between the City and County of San Francisco and the Service Employees International Union, Local 1021. The MOU applies to the period commencing July 1, 2012 through June 30, 2014, affecting 9,922 authorized positions with a salary base of approximately \$644.5 million and an overall pay and benefits base of approximately \$816.2 million.

As seen in Attachment A, our analysis projects that this amendment will result in approximately \$42,000 of cost savings to the City during FY 2012-13 and \$14,371,000 of increased costs in FY 2013-14. Our analysis assumes a scenario where premiums, overtime, step, and attrition grow consistent with wage changes.

Our analysis recognizes \$6.2 million in costs during FY 2012-13 and \$5.8 million in costs during FY 2013-14 stemming from the March 30, 2012 through June 30, 2012 contract extension which was jointly agreed by SEIU and the City to be recognized during the current negotiations.

If you have additional questions or concerns please contact me at 554-7500 or Drew Murrell of my staff at 554-7647.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Rosenfield", written over a horizontal line.

**City and County of San Francisco, and Service Employees
International Union, Local 1021
Arbitration Award Pursuant to City Charter Section A8.409-4
May 4, 2012**

On the issue of As-Needed bargaining unit members, the Board adopts the last offer of the Union, attached hereto.

The Board finds pursuant to City Charter Section A8.409-4(d) that the evidence presented and considered during the proceeding under Section A8.409-4 supports adoption of that proposal under all relevant factors.

The parties approve the form of this award.

Side Letter:

Effective as of the term of the MOU, the parties agree as follows:

A. Examinations

1. The City and the Union will jointly seek Civil Service Commission approval for the City to conduct *closed promotional* examinations to establish department-only eligible lists for the following SEIU-represented examined classifications:

- 3602 Library Page
- 2708 Custodian
- 8226 Museum Guard
- 2303 Patient Care Assistant
- 2736 Porter
- 8320 Counselor, Juvenile Hall
- 1404 Clerk

And other classifications in the bargaining unit identified by the parties within ninety (90) days of the effective date of this Agreement.

2. Only TEX 16 employees who have worked 1500 or more hours during the three years preceding the examination for their classifications will be eligible to participate in such closed promotional examinations. If such examinations are approved, the City will make its best efforts to conduct all such examinations as soon as is practicable and not later than June 30, 2014.

RW
VMS

3. The City and the Union will jointly seek Civil Service Commission approval for the establishment of "priority eligible lists" resulting from the above-referenced promotional examinations. Such priority eligible lists must be used prior to use of lists resulting from standard, open and competitive examinations, provided, however, that any holdover lists in such classes must first be exhausted.
4. The City will provide the Union with the examination schedule and will advise the Union as to the processes by which the examinations are developed, and will consider any concern raised by the Union. In addition, the City will conduct examination preparation classes to which employees eligible to participate in the examinations will be invited.

B. Limitations and Remedies:

1. Under this paragraph and without affecting examination eligibility for past employment, for hours worked on or after July 1, 2012, City use of TEX 16 ("As-Needed") employees in SEIU represented classifications will be limited to operational necessity where permanent full or part-time status is not feasible or readily available (e.g., seasonal work, sporadic work, filling in for leaves or absences, vacations, emergency overtime, disasters, or classifications which are intended for training purposes only, and as otherwise provided by Civil Service Rule 102.23.6). The City may not use As-Needed employees to avoid hiring employees in permanent status or to circumvent the denial of departmental requests to fill vacancies. Employment conditions prior to the term of this Agreement will not be sufficient standing alone to constitute a violation of this limitation, but may be admitted as evidence.
2. Violations of this side letter can be appealed through the grievance and arbitration procedure under Article IV of the MOU. An arbitrator's factual findings will be binding on the parties. For violations of this side letter, an arbitrator may order the City to implement appropriate affirmative remedies, including monetary relief. An arbitrator may not order relief that is inconsistent with, or interferes with, the authority reserved by the Charter to the Mayor, the Board of Supervisors, the Civil Service Commission, Retirement System, or Health Services System. This limitation includes any order affecting matters within the exclusive jurisdiction of the Civil Service Commission's establishment and administration of the civil service merit system on matters that are excluded from bargaining under Charter Section A8.409-3. Under this paragraph, an arbitrator may make an advisory recommendation to the Mayor or Civil Service Commission on matters that are beyond the scope of an arbitrator's authority.

SEIU, LOCAL 1021 BARGAINING HIGHLIGHTS

Term – Two-year term (July 1, 2012 to June 30, 2014).

Wages –

Fiscal Year 2012-2013: No wage increases

Fiscal Year 2013-2014:

- 2% on January 4, 2014
- 1% on March 29, 2014

Structural Reform of the City's Healthcare Benefit and Cost-Sharing Structures –

- Health care cost sharing effective July 1, 2014:
 - For “medically single employees” (Employee Only) enrolled in any plan other than the highest cost plan, the City shall only contribute ninety percent (90%) of the “medically single employee” (Employee Only) premium for the plan in which the employee is enrolled.
 - For “medically single employees” (Employee Only) enrolled in the highest cost plan, the City shall only contribute ninety percent (90%) of the “medically single employee” (Employee Only) premium for the second highest cost plan. However, in calendar year 2014 only, the City will subsidize half of the amount of this increased premium cost for “medically single employees” who elect to enroll in the highest cost plan.
 - Exception: for “medically single employees” (Employee Only) who are permanently assigned to work in remote locations outside of the health coverage areas of Kaiser and Blue Shield, the City will continue to contribute one hundred percent (100%) of the cost of the Employee-Only premium.

Floating Holidays – Employees will receive a one-time award of two additional floating holidays in Fiscal Year 2012-2013 in light of other agreements made as reflected in this document and the fact that no wage increases will occur until the second year of the Agreement.

Elimination of Travel Pay Provision – Effective July 1, 2012, the City will no longer pay employees who are San Francisco residents assigned to work at the Airport, Millbrae, Sharp Park or Sunol. Employees who received Travel Pay in Fiscal Year 2011-2012 will receive a one-time lump sum payment equal to the amount of Travel Pay they earned in Fiscal Year 2011-2012.

Relief for Individual Employees – Per previous settlement agreement, the Union recognized and credited the City for the cost of the City assuming the Layoff Impact Premium for two years by using encumbered as-needed health care funds.

As-Needed Employees – The City and the Union will jointly seek Civil Service Commission approval for the City to conduct closed promotional examinations for selected SEIU-represented classifications based on negotiated eligibility rules. In the future, City use of “As-Needed” employees in SEIU represented classifications will be limited to seasonal work, sporadic work, peak workload, filling in for leaves or absences, vacations, emergency extra workloads or overtime, disasters, and training classifications, or other situations involving fluctuating staff.

CalPERS Proposition C Contribution – Effective July 1, 2012, covered employees who are members of CalPERS agree to make pre-tax like contributions similar to those being made by members of SFERS, as required under Charter section A8.409-9.
