Subject: Charter Amendment - Possible Amendment of Election Date required for File No. 220633 Charter Amendment - Forfeiture of Pension Benefits

President Peskin:

I wanted to follow up on an old Charter Amended from 2022. It currently lists an incorrect Election Date and I believe that it needs to be amended to list the March 5, 2024 election day. Please let me know how you wish to proceed.

220633

Charter Amendment (Third Draft) to amend the Charter of the City and County of San Francisco to provide for the forfeiture of City-funded pension benefits of a member of the San Francisco Employees' Retirement System upon a finding by clear and convincing evidence after an administrative hearing that the member committed bribery, embezzlement, extortion, or wire fraud in connection with the member's duties as a City employee or officer, or committed perjury in connection with or to conceal any such crime; and providing all time and service beginning with the date when the member first engaged in the specified criminal conduct or perjury through the date of the adverse administrative decision shall be excluded from the computation of the service to be credited to the member for the purpose of determining whether such member qualifies for retirement and calculating benefits; at an **election to be held on November 7, 2023.**
