21 Section 1. Environmental and Land Use Findings.

22 (a) The Planning Department has determined that the actions contemplated in this
23 ordinance comply with the California Environmental Quality Act (California Public Resources
24 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of
25 Supervisors in File No. 250540 and is incorporated herein by reference. The Board affirms
this determination.

1 (b) On _____, the Planning Commission, in Resolution No. _____,
2 adopted findings that the actions contemplated in this ordinance are consistent, on balance,
3 with the City’s General Plan and eight priority policies of Planning Code Section 101.1. The
4 Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of
5 the Board of Supervisors in File No. _____, and is incorporated herein by reference.

6 (c) Pursuant to Planning Code Section 302, the Board finds that these Planning Code
7 amendments will serve the public necessity, convenience, and welfare for the reasons set
8 forth in Planning Commission Resolution No. _____, and the Board incorporates such
9 reasons herein by reference. A copy of said resolution is on file with the Clerk of the Board of
10 Supervisors in File No. _____.
11

12 Section 2. General Background and Findings.

13 (a) San Francisco’s fragmented and protracted permitting processes hinder small
14 businesses and impede housing development. A fast, predictable, and transparent permitting
15 process will create new jobs, businesses, and homes, as well as facilitate the City’s economic
16 recovery from the COVID-19 pandemic. Commonly referred to as “PermitSF,” the City’s effort
17 to reform permitting consists of improving the customer experience by streamlining approval
18 processes; promoting government accountability to provide certainty about the delivery of
19 government services; and centralizing technology to create a single point of permitting
20 access.

21 (b) This ordinance enhances customer experience by removing barriers to ground floor
22 uses in downtown, where economic recovery continues to lag behind other neighborhoods.
23 Removing the conditional use requirement will streamline the approval of certain non-retail
24 sales and service uses—including office uses—in the C-3 (Downtown Commercial) Districts
25 through December 31, 2030.

1 (c) This ordinance also streamlines the approval of sales and service uses on the
2 upper floors in RC districts (Residential-Commercial Districts) by removing the conditional use
3 requirement for retail sales and service uses and removing the prohibition on non-retail sales
4 and service uses on the upper floors.

5 (d) Empty storefronts are currently pervasive throughout San Francisco, which is
6 having a harmful effect on the health and well-being of the City’s commercial corridors. In
7 addition, previously approved development projects are not moving forward, resulting in
8 empty land or buildings, which may become underutilized, vacant, and economically
9 unproductive for prolonged time periods.

10 (e) Occupying and activating such land or buildings with temporary activities, would
11 create an active and vital street frontage, generate economic activity, create jobs, deter crime
12 and nuisance activities, and enhance the vitality of the public realm near or within such land or
13 buildings.

14 (f) Low-barrier planning permits such as temporary use authorizations enable
15 appropriate uses, such as retail, arts, and community service organizations, to operate out of
16 unused or underused vacant storefront properties. Such activation serves the dual purposes
17 of allowing these vital services to remain and thrive in San Francisco, and activating the
18 vacant spaces.

19 (g) Activating such land or buildings with temporary uses will also help ensure the
20 proper upkeep and maintenance of such land and buildings, while encouraging property
21 owners to provide invaluable and scarce space for arts activities, light industrial uses, retail or
22 institutional uses, and other land uses.

1 Section 3. Article 2 of the Planning Code is hereby amended by revising Sections 205,
2 205.1, 205.2, 205.3, 205.4, 205.5, deleting 205.6, renumbering existing Sections 205.7, and
3 205.8 as Section 205.6 and 205.7 respectively and revising such sections, to read as follows:

4
5 **SEC. 205. TEMPORARY USES, GENERAL.**

6 (a) *Purpose.* *Sections 205 et seq. of this Code provide for streamlined consideration of time-*
7 *limited, non-permanent establishment of certain temporary uses, in specific locations, and for specified*
8 *durations, as provided below.*

9 (b) *Temporary Uses Authorized.* The *authorized* temporary uses listed in Sections 205 *et*
10 *seq. 1 through 205.7, where not otherwise permitted in the district,* may be authorized as provided
11 *therein and in this Section 205,* up to the time limits indicated. *Further time for such uses may be*
12 *authorized only by action upon a new application, subject to all the requirements for the original*
13 *application, unless otherwise indicated in Sections 205.1 through 205.7. In the event of a conflict*
14 *between the controls in Sections 205 et seq. and the controls of the applicable Zoning District, Sections*
15 *205 et seq. shall apply; provided that, pursuant to Section 703.4, Formula Retail uses are not permitted*
16 *in Neighborhood Commercial Districts.*

17 ~~(b) Action upon such uses may be authorized by the Planning Director without a public~~
18 ~~hearing.~~

19 (c) *Existing Temporary Uses.* Wherever a use exists ~~on~~ the effective date of this
20 Code or of an amendment thereto under which such use is classified as a temporary use, or
21 wherever a use is being conducted under a temporary use authorization given prior to such a
22 date, such use may be continued for the maximum term specified therefor, calculated from
23 said effective date or date of authorization. No such use shall continue thereafter unless a
24 temporary use authorization has been sought and obtained under a new application.
25 Continuance of a temporary use beyond the date of expiration of the period authorized

1 therefor, or failure to remove a structure for such temporary use within 10 days thereafter,
2 shall constitute a violation of this Code.

3 (d) Calculation of Time. ~~Unless otherwise specified, t~~The time periods referenced in this
4 ~~Sections 205 et seq. 1 through 205.3 and Sections 205.5 through 205.7~~ are consecutive hours or
5 consecutive calendar days; they are not the total number of hours or days that the use is in
6 operation. Therefore, a 24-hour authorization that begins at 6:00 a.m. expires at 6:00 a.m. the
7 following day, even if the use was in operation only eight hours of that 24-hour period.
8 Similarly, a 60-day authorization expires after 60 calendar days even though the use may only
9 have been open for business three days per week during that 60-day period. Hours or days of
10 unused authorization cannot be stored or credited.

11 (e) ~~Any temporary uses authorized pursuant to this Section 205 and Sections 205.1 through~~
12 ~~205.7 shall not be required to comply with any Planning Code requirements that are not expressly~~
13 ~~applicable to such temporary uses under this Section 205 and Sections 205.1 through 205.7, provided,~~
14 ~~however, any temporary uses authorized pursuant to this Section 205 and Sections 205.1 through 205.7~~
15 ~~shall be subject to all applicable initiative ordinances approved by the voters of the City and County of~~
16 ~~San Francisco.~~

17 (f) Application, Appeals, and Renewal. The Planning Director or the Planning Director's
18 designee shall have authority to approve or deny an application for temporary use authorization, and
19 may act upon an application without a public hearing. ~~The decision of the Planning Director to~~
20 authorize or deny ~~authorization of~~ any temporary use pursuant to ~~this~~ Sections 205 et seq. ~~and~~
21 ~~Sections 205.1 through 205.7~~ may be appealed to the Board of Appeals within 15 days after the
22 date of the decision by filing a written notice of appeal with that body. The Planning Director or
23 Director's designee may authorize additional time for a temporary use by action upon a new
24 application, subject to all the requirements for the original application, unless otherwise indicated in
25 Sections 205 et seq.

1 (f) **No Conversion, Change, Discontinuance, or Abandonment of Use.** The approval or
2 commencement of a temporary use authorized under Sections 205 et seq. shall not be considered a
3 conversion, discontinuance, abandonment, or change of the authorized land use(s) preceding the
4 temporary use authorized under Sections 205 et seq. Any property for which the temporary use is
5 authorized shall retain its preceding authorized land use(s).

6 (g) **Multiple Temporary Uses.** Authorization of an Interim Activity under Sections 205 et seq.
7 at a given property or for a given use shall not preclude the concurrent authorization of any other
8 temporary uses recognized in this Section.

9 (h) **Additional Permits.** Authorization of a temporary use under Sections 205 et seq. does not
10 waive the requirement to obtain any additional permit that may be required by the San Francisco
11 municipal Code, including but not limited to permits required by the Health Code or Building Code.

12
13 **SEC. 205.1. TEMPORARY USES: SIXTY-DAY LIMIT.**

14 A temporary use may be authorized for a period not to exceed 60 days for any of the
15 following uses:

2 ~~prior Pop-Up Retail use began its occupancy of the same commercial space.~~

15 limited to Pop-Up Retail, Entertainment, or Arts Activity uses, permitted within either a vacant space
16 last occupied by a Non-Residential use or a space occupied by a legally established Non-Residential

21 ~~Code, notwithstanding Sections 182 and 183 of this Code. Any property for which the Interim Activity~~
22 ~~is authorized shall retain its authorized land use(s). Such authorized land uses, including any~~

24 ~~temporary use authorization.~~

1 ~~(g)~~ **Fenestration, Transparency, and Visibility Requirements.** Construction
2 proposed in connection with the Interim Activity shall not cause noncompliance or exacerbate
3 existing noncompliance with respect to fenestration, transparency, or any other visibility

10 the Eligible Area.~~

11 ~~(g*t*)~~ **Extension of Initial Period.** Upon the Planning Director's or the Director's

15 Interim Activity to exceed the Initial Period unless or until the applicant either withdraws the

18 ~~Period up to two times (the first time being the extension referenced in the previous sentence) such that~~
19 ~~each extension of the Initial Period may be up to 12 months, each extension shall require a separate~~
20 ~~determination of the Planning Director according to this Section 205.5(i), and the authorization of the~~
21 ~~Interim Activity may not exceed a total duration of 60 months.~~

22 ~~(j) Other Temporary Uses. Authorization of an Interim Activity pursuant to this Section 205.5~~
