Re: The Argentum Project LLC
Liquor License "PCN" Request
Transfer Type 20

To the Clerk of the Board,

The purpose of this letter is to respectfully request to be placed on the Board's calendar for Public Convenience and Necessity approval with regard to our transfer Type 20 Off-Sale Beer and Wine license. We are taking over the premises at 47 6th Street, and wish to operate as a café and convenience market to serve the professionals and visitors of this area.

This neighborhood is thriving with business, yet there are none like ours within several blocks in each direction. We will cater to the residents and tourists who spend their days in this part of town to find the convenience of a café with high quality spirits so popular in our current cocktail culture.

Our desired hours of operation are 6:00am - 6:00pm. We will vigilantly monitor the surrounding area to ensure the safety of our business and customers at all times and maintain a lawful business.

We seek the SF Board of Supervisor's affirmative ruling that our application serves the public convenience and necessity of our City.

Sincerely,

Dimitrios Kalessis, Manager
