20 Section 1. Findings.

21 (a) Environmental and Land Use Findings.

22 (1) The Planning Department has determined that the Planning Code  
 23 amendment proposed in this ordinance is subject to a Categorical Exemption from the  
 24 California Environmental Quality Act (California Public Resources Code Sections 21000 et  
 25 seq., hereinafter "CEQA") pursuant to Section 15308 of California Code of Regulations,  
 Title 14, Sections 15000 et seq., the Guidelines for implementation of the statute, for actions  
 by regulatory agencies for protection of the environment (in this case, landmark designation).  
 Said determination is on file with the Clerk of the Board of Supervisors in File No. 260682 and

1 is incorporated herein by reference. The Board of Supervisors affirms this determination.

2 (2) Pursuant to Planning Code Section 302, the Board of Supervisors finds that  
3 the proposed landmark designation of Lange House will serve the public necessity,  
4 convenience, and welfare for the reasons set forth in Historic Preservation Commission  
5 Resolution No. 1597, recommending approval of the proposed designation, which is  
6 incorporated herein by reference.

7 (3) The Board of Supervisors finds that the proposed landmark designation of  
8 the Lange House is consistent with the General Plan and with Planning Code  
9 Section 101.1(b) for the reasons set forth in Historic Preservation Commission Resolution  
10 No. 1597, which is incorporated herein by reference.

11 (b) General Findings.

12 (1) On March 3, 2026, the Board of Supervisors adopted Resolution  
13 No. 109-26, initiating landmark designation of Lange House as a San Francisco Landmark  
14 pursuant to Section 1004.1 of the Planning Code. On March 6, 2026, the Mayor approved the  
15 resolution. Said resolution is on file with the Clerk of the Board of Supervisors in File  
16 No. 260062.

17 (2) Pursuant to Charter Section 4.135, the Historic Preservation Commission  
18 has authority “to recommend approval, disapproval, or modification of landmark designations  
19 and historic district designations under the Planning Code to the Board of Supervisors.”

20 (3) The Landmark Designation Fact Sheet dated May 20, 2026 was prepared  
21 by Planning Department Preservation staff. All preparers meet the Secretary of the Interior’s  
22 Professional Qualification Standards for historic preservation program staff, as set forth in  
23 Code of Federal Regulations Title 36, Part 61, Appendix A. The report was reviewed for  
24 accuracy and conformance with the purposes and standards of Article 10 of the Planning  
25

1 Code. A copy of the Landmark Designation Fact Sheet is on file with the Clerk of the Board of  
2 Supervisors in File No. 260682 and is incorporated herein by reference.

3 (4) The Historic Preservation Commission, at its regular meeting of  
4 May 20, 2026, reviewed Planning Department staff's analysis of the historical significance of  
5 Lange House set forth in the Landmark Designation Fact Sheet.

6 (5) On May 20, 2026, after holding a public hearing on the proposed  
7 designation and having considered the specialized analyses prepared by Planning  
8 Department staff and the Landmark Designation Fact Sheet, the Historic Preservation  
9 Commission recommended designation of Lange House as a landmark consistent with the  
10 standards set forth in Section 1004 of the Planning Code, by Resolution No. 1597. Said  
11 resolution is on file with the Clerk of the Board of Supervisors in File No. 260682.

12 (6) The Board of Supervisors hereby finds that Lange House has a special  
13 character and special historical, cultural, architectural, and aesthetic interest and value, and  
14 that its designation as a landmark will further the purposes of and conform to the standards  
15 set forth in Article 10 of the Planning Code. In doing so, the Board of Supervisors hereby  
16 incorporates by reference the findings of the Landmark Designation Fact Sheet.

17  
18 Section 2. Designation.

19 Pursuant to Section 1004.3 of the Planning Code, the Lange House, located at 199  
20 Carl Street, Assessor's Parcel Block No. 1273, Lot No. 034, is hereby designated as a San  
21 Francisco landmark consistent with the standards set forth in Section 1004. Appendix A to  
22 Article 10 of the Planning Code is hereby amended to include this property.

23  
24 Section 3. Required Data.

1 (a) The description, location, and boundary of the landmark site consists of the  
2 footprint of the Lange House, located on Assessor's Parcel Block No. 1273, Lot No. 034, on  
3 the south side of Carl Street between Stanyan and Shrader Streets in San Francisco's Cole  
4 Valley neighborhood, as shown in the Landmark Designation Fact Sheet.

5 (b) The characteristics of the landmark that justify its designation are described and  
6 shown in the Landmark Designation Fact Sheet and other supporting materials contained in  
7 Planning Department Record Docket No. 2026-002398DES. In brief, the Lange House,  
8 located at 199 Carl Street, is eligible for local designation as an exemplary example of Queen  
9 Anne architecture, the first known property designed by architect of merit August Nordin, and  
10 for its early association with Cole Valley history. The property was constructed in 1900 in Cole  
11 Valley on a lot which used to be a five-acre ranch and dairy. The original owner was F.W.N.  
12 Lange, a German immigrant who arrived in San Francisco in 1864. In 1870, Lange purchased  
13 nine acres in what became the four blocks bound by Stanyan, Carl, Cole and Grattan Street.  
14 The property lies at the southeast corner of Carl and Stanyan Streets. The property retains a  
15 great deal of integrity, with exemplary Queen Anne features including a complex roof shape  
16 with rounded tower, angled bay windows, scroll-sawn brackets and machine-made wooden  
17 ornamentation, and classical columns at porch supports.

18 (c) The particular features that should be preserved, or replaced in kind as determined  
19 necessary, are those generally shown in photographs and described in the Landmark  
20 Designation Fact Sheet, which can be found in Planning Department Record Docket  
21 No. 2026-002398DES, and which are incorporated in this designation by reference as though  
22 fully set forth herein. This designation does not identify any interior character-defining  
23 features. Specifically, the features that are character-defining and shall be preserved or  
24 replaced in kind are the exterior elevations, form, massing, structure, rooflines, architectural  
25 ornament, and materials of the main house, identified as:

- 1 (1) Corner location of the house on the property;
- 2 (2) Three-story height over basement;
- 3 (3) Complex roof shape;
- 4 (4) Rounded corner tower with decorative under scaling and witches cap;
- 5 (5) West facing bay;
- 6 (6) Asymmetrical facade;
- 7 (7) Enclosed entry portico with wooden balustrade, semi-circular windows with
- 8 decorative glass above square windows, with decorative surrounds, above
- 9 cement block base with indented rectangular ornamentation below sunburst
- 10 motif, and capped cement brick stairwell;
- 11 (8) Horizontal wood siding;
- 12 (9) Second story balconies with balustrades and decorative wooden urns;
- 13 (10) Decorative façade features including wooden brackets, dentils, cornice
- 14 molding, colonnettes, and plaster moldings; and
- 15 (11) Double hung wood windows with ogee lugs.

16  
17 Section 4. Effective Date.

18 This ordinance shall become effective on the 31st day after enactment. Enactment  
19 occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or  
20 does not sign the ordinance within 10 days of receiving it, or the Board of Supervisors  
21 overrides the Mayor’s veto of the ordinance.
