Re: DIGWines LLC

To Clerk of the Board, San Francisco Board of Supervisors,

I am in the process of applying for ABC license type 42 to operate DIGWines LLC, a boutique wines shop and tasting room in the Dogpatch neighborhood.

DIG will not only bring a high quality wine store to a neighborhood that currently lacks any such business, it, along with neighboring MAC clothing, will bring fresh retail business to an area that currently has few retail operations, which is completely consistent with the Planning Department's goals for the Eastern Waterfront Neighborhood.

Hours of operation will be Tuesday through Sunday, 11:00 - 7:00.

As husband to an owner of a thriving business in the area (Piccino Café) I have been part of the community for the past 4 years. I have presented my plan to the Dogpatch Neighborhood Association, which was overwhelmingly enthusiastic.

Please see the attached letter of support from the Dogpatch Neighborhood Association, as well as an additional 21 letters of support from neighbors as well as local businesses.

And please grant DIGWines LLC its PC&N requirement.

Sincerely,  
Wayne Garcia

Re: DIGWines LLC 1005 Minnesota St.

To Whom It May Concern,

We are writing on behalf of DIGWines LLC and owner Wayne Garcia's application for ABC license type 42 (on sale beer and wine) for 1005 Minnesota Street in Dogpatch.

Although DIGWines LLC is a new business, Wayne Garcia has been an important part of an existing neighborhood business for the past 4 years. As husband to one of the owners of Piccino Café, which has become a vital hub of our community, Garcia has been responsible for the restaurant's successful wine and beer program.

Several months ago Garcia presented his plan to the Dogpatch Neighborhood Association's members meeting to an overwhelmingly positive response.

We feel strongly that DIGWines LLC will bring a high quality wine store and tasting room to our neighborhood, which currently has no such place of business.

We'd like to emphasize that attracting additional retail spaces along 22<sup>nd</sup> Street, where DIGWines is physically located, is completely consistent with the Planning Department's goals for the Eastern Waterfront Neighborhood.

Please grant DIGWines LLC its PC&N requirement and help bring more vibrant businesses to our neighborhood.

Sincerely,

Janet Carpinelli  
President

Re: DIGWine LLC, 1005 Minnesota St.

To Whom It May Concern,

I fully support the ABC license type 42 for DIGGwine LLC in Dogpatch.

I have known Wayne Garcia for many years through his position as the wine buyer at Piccino, which is our favorite local place to grab lunch. Piccino was one of the first organic restaurants to dare open close to our company and they opened the door to many others who are now doing the same. Now we can have a great lunch in the hood instead of driving else where.

I'm very excited to know Wayne will be bringing another neighborhood business to Dogpatch for our community to enjoy. I am also happy that we will have a wine store in the neighborhood as my team is responsible for many parties through out the bay area and if we can taste and buy wines locally it will be much easier for us. We are so excited to finally have a wine store close by.

Please grant DIGWines LLC its PC&N requirement and help bring more vibrant businesses to our neighborhood.

Regards,

Re: DIGWines LLC

To Clerk of the Board, San Francisco Board of Supervisors;

This letter is a follow-up to my original letter of October 5, 2010, and is now revised due to a misunderstanding with the ABC as to exactly the type of license required for my business plan.

As stated in the original letter, I am applying for ABC license Type 42 to operate DIGWines LLC, a boutique wines shop and tasting room in the Dogpatch neighborhood.

The ABC also brought to my attention the need for a Type 20 license, which I have since obtained from I PREFERITI DI BORIANA MONTEPULCIANO, LLC, 1025 Kaiser Road, Napa, CA 94558. This Type 20 license has been transferred to DIGWines LLC, and is being combined with the Type 42 by the ABC in order to operate at 10005 Minnesota Street, San Francisco, CA 94107 (please see attached photocopy of license application).

DIG will not only bring a high quality wine store with special tasting events to a neighborhood that currently lacks any such business, it, along with neighboring MAC clothing, will bring fresh retail business to an area that currently has few retail operations, which is completely consistent with the Planning Department's goals for the Eastern Waterfront Neighborhood.

Hours of operation will be daily from 11:00am - 9:00pm.

Please see the attached letter of support from the Dogpatch Neighborhood Association, as well as an additional 21 letters of support from neighbors as well as local businesses.

And please grant DIGWines LLC its PC&N requirement.

Re: DIGWines LLC 1005 Minnesota St.

To Whom It May Concern,

We are writing on behalf of DIGWines LLC and owner Wayne Garcia's application for ABC license type 42 (on sale beer and wine) for 1005 Minnesota Street in Dogpatch.

Although DIGWines LLC is a new business, Wayne Garcia has been an important part of an existing neighborhood business for the past 4 years. As husband to one of the owners of Piccino Café, which has become a vital hub of our community, Garcia has been responsible for the restaurant's successful wine and beer program.

Several months ago Garcia presented his plan to the Dogpatch Neighborhood Association's members meeting to an overwhelmingly positive response.

We feel strongly that DIGWines LLC will bring a high quality wine store and tasting room to our neighborhood, which currently has no such place of business.

We'd like to emphasize that attracting additional retail spaces along 22<sup>nd</sup> Street, where DIGWines is physically located, is completely consistent with the Planning Department's goals for the Eastern Waterfront Neighborhood.

Please grant DIGWines LLC its PC&N requirement and help bring more vibrant businesses to our neighborhood.

Sincerely,

Janet Carpinelli  
President

Re: DIGWine LLC, 1005 Minnesota St.

To Whom It May Concern,

I fully support the ABC license type 42 for DIGGwine LLC in Dogpatch.

I have known Wayne Garcia for many years through his position as the wine buyer at Piccino, which is our favorite local place to grab lunch. Piccino was one of the first organic restaurants to dare open close to our company and they opened the door to many others who are now doing the same. Now we can have a great lunch in the hood instead of driving else where.

I'm very excited to know Wayne will be bringing another neighborhood business to Dogpatch for our community to enjoy. I am also happy that we will have a wine store in the neighborhood as my team is responsible for many parties through out the bay area and if we can taste and buy wines locally it will be much easier for us. We are so excited to finally have a wine store close by.

Please grant DIGWines LLC its PC&N requirement and help bring more vibrant businesses to our neighborhood.

Regards,

Samantha Smith
