

The background of the slide is a collage of architectural-related images. On the left, there's a close-up of a red and black drafting pen resting on a set of blueprints. The blueprints show various lines, dimensions, and technical drawings. On the right, there's a blurred image of a rolled-up blueprint, showing architectural details and handwritten notes. The overall color palette is light and professional, with a focus on blue and white tones from the blueprints, accented by the red and black of the drafting tools.
