3.4.4 Any financial adjustments necessitated by this audit report shall be made by Contractor to the City. 3. Background

The San Francisco Department of Public Health's (SFDPH) Behavioral Health Services (BHS) solicited proposals from qualified vendors to serve as a FISCAL INTERMEDIARY (CONTRACTOR) for check-writing services for four types of BHS services:

- 1) Private Provider Network (PPN)/ Out of Network Provider Reimbursement;
- 2) Residential Care Facilities (RCFs);
- 3) Client wraparound services and related expenses; and
- 4) Emergency Housing/Stabilization Rooms and Related Expenses Workforce and Training and Other Emergent Needs such as Mental Health and Substance Use Disorder consultations, and hospital payments for psychiatric emergency and eating disorders.

The four types of services are described as follows:

A. San Francisco Health Plan Private Provider Network (PPN)/Out of Network Provider Reimbursement:

On April 1, 1998, the Department assumed responsibility from the State for providing specialty mental health services to San Francisco Medi-Cal beneficiaries and other eligible San Francisco Mental Health Plan (SFMHP) members, including residents who are indigent and/or uninsured. Most of the providers of these services have a contract with BHS for the provision of these services. However, BHS utilizes non-contract providers to serve SFMHP members, who reside in other California counties, with emergency or urgent care needs. Since non-contract providers are not considered "**VENDORS**" in the City's accounts payable system, the SFMHP needs a FISCAL INTERMEDIARY (CONTRACTOR) mechanism to provide payment to non-contract providers, both within San Francisco County and out-of-county. A FISCAL INTERMEDIARY (CONTRACTOR) selected under this RFP will make claim payments to providers who are in the SFMHP Private Provider Network (PPN) but whose claims cannot be processed through the City's Controller's Office. (For the purposes of this RFP, a "provider" is defined as an entity that provides services directly to BHS clients.)

B. Residential Care Facilities (RCFs) and Residential Care Facilities for the Elderly (RCFEs)

BHS has as one of its longest-standing missions the goal of achieving and maintaining optimal health for its clients in non-institutional settings, such as, licensed Residential Care Facilities (RCFs) and licensed Residential Care Facilities for the Elderly (RCFEs). BHS recognizes these licensed facilities as a key component within the continuum of care that assists its clients to live in a stable community setting.

Contractor: HealthRIGHT360
 Program: Fiscal Administrator – Check Writing Services

Appendix A-1
 07/01/21 through 06/30/22

BHS needs a fiscal intermediary mechanism to provide payment to several dozen providers, both within San Francisco and out-of-county. Many of these providers are small, home-like operations that are owner-occupied licensed facilities unable to contract with the City and County of San Francisco but who are willing to enter into a Memorandum of Agreement ("MOA") regarding placement of mental health clients at their facility. BHS enters into a MOA with each participating provider and agrees to pay to the provider a daily per diem for each client or bed utilized by mental health clients. Payments are made either monthly or quarterly for services rendered during the previous month or quarter, or in some cases payments are made in advance of services rendered.

C. Client Wraparound Services and Related Expenses; Workforce and Training; and Emergent Needs
 BHS needs a FISCAL INTERMEDIARY (CONTRACTOR) to provide check writing and tracking services to support the function of providing client wraparound and related services. These fiscal management services include: direct check writing for services or expenses that will assist in a client's stabilization efforts, such as for emergency housing needs or food, and for non-emergency services such as transportation, clothing, and vocational training. Additionally, consultants are occasionally hired for amounts up to approximately \$10,000 to assist in various efforts related to the service delivery system, which may include work force or specialty training. Finally, there may be miscellaneous related costs that occur from time to time that require check writing to respond to emergent needs.

D. Emergency Housing/Stabilization Rooms and Related Expenses , including for the Department of Homeless and Supportive Housing (HSH)

The Department requires a fiscal intermediary to provide payment to several providers within San Francisco. These providers are small hotel operators who have entered into a Memorandum of Agreement ("MOA") regarding placement of clients at their buildings for a limited time period. The Department or HSH enters into a MOA with each participating provider and agrees to pay to the provider a monthly rate for a specified number of rooms. Payments are made monthly or quarterly for services rendered during the previous month, or in some cases, payments are made in advance to secure the rooms. Furthermore, housing vouchers and housing subsidies are needed for clients served by four different UCSF programs: SFGH/UCSF case management programs: Citywide Case Management, Crisis Resolution Team (CRT), Emergency Department (ED), and Community Focus are managed through this agreement.

Target populations are clients experiencing homelessness with special needs who are referred by the San Francisco Homeless Outreach Team (SFHOT). This fiscal intermediary service includes managing monthly rental payments for rooms at the Kean, Riviera and Crystal hotels and up to 30 or more additional rooms at other sites identified throughout the year as necessary.

Data Access and Sharing Terms

Article 1 Access

1.1 Revision to Scope of Access (RSA):

Any added access may be granted by the City to Agency and each Agency Data User through a Revision to Scope of Access in writing and executed by both parties. Any Revision to Scope of Access shall be considered a part of and incorporated into this Agreement, governed by all its terms, by reference.

1.2 Primary and Alternate Agency Site Administrator.

Before System(s) access is granted, Agency must appoint a primary and alternate Agency Site Administrator responsible for System(s) access tasks, including but not limited to the following:

1.2.3 Completing and obtaining City approval of the Account Provisioning Request documents and/or Data Set Request documents;

1.2.4 Communicating with the SFDPH IT Service Desk;

1.2.5 Providing Agency Data User(s) details to the City;

1.2.6 Ensuring that Agency Data User(s) complete required SFDPH trainings annually;

1.2.7 Ensuring that Agency Data User(s) understand and execute SFDPH's data access confidentiality agreement; and

1.2.8 Provisioning and deprovisioning Agency Data Users as detailed herein. To start the process, the Agency Site Administrator must contact the SFDPH IT Service Desk at 628-206-7378, dph.helpdesk@sfdph.org.

1.3 SFDPH IT Service Desk.

For new provisioning requests, only Agency Site Administrators are authorized to contact the SFDPH IT Service Desk. The City reserves the right to decline any call placed by other than the Agency Site Administrator. Individual Agency Data Users are not authorized to contact the SFDPH IT Service Desk.

1.4 Deprovisioning Schedule.

Agency, through the Agency Site Administrator, has sole responsibility to deprovision Agency Data Users from the System(s) as appropriate on an ongoing basis. Agency must immediately deprovision an Agency Data User upon any event ending that Data User's need to access the System(s), including job duty change and/or termination. Agency remains liable for the conduct of Agency Data Users until deprovisioned. When deprovisioning employees via the SFDPH IT Service Desk, Agency must maintain evidence that the SFDPH IT Service Desk was notified.

1.5 Active Directory.

Agency Data Users will need an SFDPH Active Directory account in order to access each System(s). These Active Directory Accounts will be created as part of the provisioning process.

1.6 Role Based Access.

Each Agency Data User's access to the System(s) will be role-based and access is limited to that necessary for treatment, payment, and health care operations. The City will assign Agency Data User roles upon provisioning and reserves the right to deny, revoke, limit, or modify Agency Data User's access acting in its sole discretion.

1.7 Training Requirements.

Before System(s) access is granted, and annually thereafter, each Agency Data User must complete SFDPH compliance, privacy, and security training. Agency must maintain written records evidencing such annual training for each Agency Data User and provide copies upon request to the City. For questions about how to complete SFDPH's compliance, privacy, and security training, contact Compliance.Privacy@sfdph.org, (855) 729-6040.

Before Agency Data User first access to System(s), system-specific training must be completed. For training information, Agency Site Administrator may contact the SFDPH IT Service Desk,

1.8 Agency Data User Confidentiality Agreement.

Before System(s) access is granted, as part of SFDPH's compliance, privacy, and security training, each Agency Data User must complete SFDPH's individual user confidentiality, data security and electronic signature agreement form. The agreement must be renewed annually.

1.9 Corrective Action.

Agency shall take corrective action, including but not limited to termination and/or suspension of any System(s) access by any Agency Data User who acts in violation of this Agreement and/or applicable regulatory requirements.

1.10 User ID and Password.

Each Agency Data User will be assigned or create a User ID and password. Agency and each Agency Data User shall protect the confidentiality of User IDs and passwords and shall not divulge them to any other person(s). Agency is responsible for the security of the User IDs and passwords issued to or created by Agency Data Users and is liable for any misuse.

1.11 Notification of Compromised Password.

In the event that a password assigned to or created by an Agency Data User is compromised or disclosed to a person other than the Agency Data User, Agency shall upon learning of the compromised password immediately notify the City, at Compliance.Privacy@sfdph.org, (855) 729-6040. Agency is liable for any such misuse. Agency's failure to monitor each Agency Data User's ID and/or password use shall provide grounds for the City to terminate and/or limit Agency's System(s) access.

1.12 Multi Factor Authentication.

Agency and each Agency Data User must use multi-factor authentication as directed by the City to access the System(s).

1.13 Qualified Personnel.

Agency shall allow only qualified personnel under Agency's direct supervision to act as Agency Data Users with access to the System(s).

1.14 Workstation/Laptop encryption.

All workstations and laptops that process and/or store City Data must be encrypted using a current industry standard algorithm. The encryption solution must be full disk unless approved by the SFDPH Information Security Office.

1.15 Server Security.

Servers containing unencrypted City Data must have sufficient administrative, physical, and technical controls in place to protect that data, based upon a risk assessment/system security review.

1.16 Removable media devices.

All electronic files that contain City Data must be encrypted using a current industry standard algorithm when stored on any removable media or portable device (i.e. USB thumb drives, CD/DVD, smart devices tapes etc.).

1.17 Antivirus software.

All workstations, laptops and other systems that process and/or store City Data must install and actively use a comprehensive anti-virus software solution with automatic updates scheduled at least daily.

1.18 Patch Management.

All workstations, laptops and other systems that process and/or store City Data must have operating system and application security patches applied, with system reboot if necessary. There must be a documented patch management process that determines installation timeframe based on risk assessment and vendor recommendations.

1.19 System Timeout.

The system must provide an automatic timeout, requiring reauthentication of the user session after no more than 20 minutes of inactivity.

1.20 Warning Banners.

All systems containing City Data must display a warning banner each time a user attempts access, stating that data is confidential, systems are logged, and system use is for business purposes only. User must be directed to log off the system if they do not agree with these requirements.

1.21 Transmission encryption.

All data transmissions of City Data outside the Agency's secure internal network must be encrypted using a current industry standard algorithm. Encryption can be end to end at the network level, or the data files containing City Data can be encrypted. This requirement pertains to any type of City Data in motion such as website access, file transfer, and e-mail.

1.22 No Faxing/Mailing.

City Data may not be faxed or mailed.

1.23 Intrusion Detection.

All systems involved in accessing, holding, transporting, and protecting City Data that are accessible via the Internet must be protected by a comprehensive intrusion detection and prevention solution of the City.

1.24 Security of PHI.

Agency is solely responsible for maintaining data security policies and procedures, consistent with those of the City that will adequately safeguard the City Data and the System. Upon request, Agency will provide such security policies and procedures to the City. The City may examine annually, or in response to a security or privacy incident, Agency's facilities, computers, privacy and security policies and procedures and related records as may be necessary to be assured that Agency is in compliance with the terms of this Agreement, and as applicable HIPAA, the HITECH Act, and other federal and state privacy and security laws and regulations. Such examination will occur at a mutually acceptable time agreed upon by the parties but no later than ten (10) business days of Agency's receipt of the request.

1.25 Data Security and City Data

Agency shall provide security for its networks and all internet connections consistent with industry best practices, and will promptly install all patches, fixes, upgrades, updates and new versions of any security

software it employs. For information disclosed in electronic form, Agency agrees that appropriate safeguards include electronic barriers (e.g., "firewalls", Transport Layer Security (TLS), Secure Socket Layer [SSL] encryption, or most current industry standard encryption, intrusion prevention/detection or similar barriers).

1.26 Data Privacy and Information Security Program.

Without limiting Agency's obligation of confidentiality as further described herein, Agency shall be responsible for establishing and maintaining a data privacy and information security program, including physical, technical, administrative, and organizational safeguards, that is designed to: (i) ensure the security and confidentiality of the City Data; (ii) protect against any anticipated threats or hazards to the security or integrity of the City Data; (iii) protect against unauthorized disclosure, access to, or use of the City Data; (iv) ensure the proper disposal of City Data; and, (v) ensure that all of Agency's employees, agents, and subcontractors, if any, comply with all of the foregoing. In no case shall the safeguards of Agency's data privacy and information security program be less stringent than the safeguards and standards recommended by the National Institute of Standards and Technology (NIST) Cybersecurity Framework and the Health Information Technology for Economic and Clinical Health Act (HITECH).

1.27 Disaster Recovery.

Agency must establish a documented plan to protect the security of electronic City Data in the event of an emergency. Emergency means any circumstance or situation that causes normal computer operations to become unavailable for use in performing the work required under this agreement for more than 24 hours.

1.28 Supervision of Data.

City Data in paper form shall not be left unattended at any time, unless it is locked in a file cabinet, file room, desk or office. Unattended means that information is not being observed by an Agency Data User authorized to access the information. City Data in paper form shall not be left unattended at any time in vehicles or planes and shall not be checked in baggage on commercial airplanes.

1.29 As Is Access.

The City provides Agency and each Agency Data User with System(s) access on an "as is" basis with no guarantee as to uptime, accessibility, or usefulness. To the fullest extent permissible by applicable law, the City disclaims all warranties, express or implied, including, without limitation, implied warranties of merchantability, fitness for a particular purpose, title and non-infringement.

1.30 No Technical or Administrative Support.

Except as provided herein, the City will provide no technical or administrative support to Agency or Agency Data Users for System(s) access.

1.31 City Audit of Agency and Agency Data Users.

The City acting in its sole discretion may audit Agency and Agency Data Users at any time. If an audit reveals an irregularity or security issue, the City may take corrective action including but not limited to termination of such Agency's and/or Agency Data User's access to the System(s) permanently or until the City determines that all irregularities have been satisfactorily cured. Agency and each Agency Data User understands that the City may create and review an audit trail for each Agency Data User, including but not limited to, noting each Agency Data User's ID(s), the patient information accessed, and/or the date accessed. Agency and each Agency Data User understands that any inappropriate access or use of patient information, as determined by the City, may result in the temporary and/or permanent termination of Agency's or such Agency Data User's access to the System(s). Agency remains liable for all inappropriate System(s) access, misuse and/or breach of patient information, whether in electronic or hard-copy form.

1.32 Minimum Necessary.

Agency and each Agency Data User shall safeguard the confidentiality of all City Data that is viewed or obtained through the System(s) at all times. Agency and each Agency Data User shall access patient information in the System(s) only to the minimum extent necessary for its assigned duties and shall only disclose such information to persons authorized to receive it, as minimally necessary for treatment, payment and health care operations.

1.33 No Re-Disclosure or Reporting.

Agency may not in any way re-disclose SFDPH Data or otherwise prepare reports, summaries, or any other material (in electronic or hard-copy format) regarding or containing City Data for transmission to any other requesting individuals, agencies, or organizations without prior written City approval and where such re-disclosure is otherwise permitted or required by law.

1.34 Health Information Exchange.

If Agency is qualified to enroll in a health information exchange, the City encourages Agency to do so in order to facilitate the secure exchange of data between Agency's electronic health record system (EHR) and the City's Epic EHR.

1.35 Subcontracting.

Agency may not subcontract any portion of Data Access Agreement, except upon prior written approval of City. If the City approves a subcontract, Agency remains fully responsible for its subcontractor(s) throughout the term and/or after expiration of this Agreement. All Subcontracts must incorporate the terms of this Data Access Agreement. To the extent that any subcontractor would have access to a System, each such subcontractor's access must be limited and subject to the same governing terms to the same extent as Agency's access. In addition, each contract between Agency and that subcontractor must, except as the City otherwise agrees, include a Business Associate Agreement requiring such subcontractor to comply with all regulatory requirements regarding third-party access, and include a provision obligating that subcontractor to (1) defend, indemnify, and hold the City harmless in the event of a data breach in the same manner in which Agency would be so obligated, (2) provide cyber and technology errors and omissions insurance with limits identified in Article 5, and (3) ensure that such data has been destroyed, returned, and/or protected as provided by HIPAA at the expiration of the subcontract term.

Article 2 Indemnity

2.1 Medical Malpractice Indemnification.

Agency recognizes that the System(s) is a sophisticated tool for use only by trained personnel, and it is not a substitute for competent human intervention and discretionary thinking. Therefore, if providing patient treatment, Agency agrees that it will:

1. Read information displayed or transmitted by the System accurately and completely;
2. Ensure that Agency Data Users are trained on the use of the System;
3. Be responsible for decisions made based on the use of the System;
4. Verify the accuracy of all information accessed through the System using applicable standards of good medical practice to no less a degree than if Agency were using paper records;
5. Report to the City as soon as reasonably practicable all data errors and suspected problems related to the System that Agency knows or should know could adversely affect patient care;

6. Follow industry standard business continuity policies and procedures that will permit Agency to provide patient care in the event of a disaster or the System unavailability;

7. Use the System only in accordance with applicable standards of good medical practice.

Agency agrees to indemnify, hold harmless and defend City from any claim by or on behalf of any patient, or by or on behalf of any other third party or person claiming damage by virtue of a familial or financial relationship with such a patient, regardless of the cause, if such claim in any way arises out of or relates to patient care or outcomes based on Agency's or an Agency Data User's System access.

Article 3 Proprietary Rights and Data Breach

3.1 Ownership of City Data.

The Parties agree that as between them, all rights, including all intellectual property rights in and to the City Data and any derivative works of the City Data shall remain the exclusive property of the City.

3.2 Data Breach; Loss of City Data.

The Agency shall notify City immediately by telephone call plus email upon the discovery of a breach (as herein). For purposes of this Section, breaches and security incidents shall be treated as discovered by Agency as of the first day on which such breach or security incident is known to the Agency, or, by exercising reasonable diligence would have been known to the Agency. Agency shall be deemed to have knowledge of a breach if such breach is known, or by exercising reasonable diligence would have been known, to any person, other than the person committing the breach, who is an employee or agent of the Agency.

Agency shall take:

- i. prompt corrective action to mitigate any risks or damages involved with the breach or security incident and to protect the operating environment; and
- ii. any action pertaining to a breach required by applicable federal and state laws.

3.2.3 Investigation of Breach and Security Incidents: The Agency shall immediately investigate such breach or security incident. As soon as the information is known and shall inform the City of:

- i. what data elements were involved, and the extent of the data disclosure or access involved in the breach, including, specifically, the number of individuals whose personal information was breached; and
- ii. a description of the unauthorized persons known or reasonably believed to have improperly used the City Data and/or a description of the unauthorized persons known or reasonably believed to have improperly accessed or acquired the City Data, or to whom it is known or reasonably believed to have had the City Data improperly disclosed to them; and
- iii. a description of where the City Data is believed to have been improperly used or disclosed; and
- iv. a description of the probable and proximate causes of the breach or security incident; and
- v. whether any federal or state laws requiring individual notifications of breaches have been triggered.

3.2.4 Written Report: Agency shall provide a written report of the investigation to the City as soon as practicable after the discovery of the breach or security incident. The report shall include,

but not be limited to, the information specified above, as well as a complete, detailed corrective action plan, including information on measures that were taken to halt and/or contain the breach or security incident, and measures to be taken to prevent the recurrence or further disclosure of data regarding such breach or security incident.

3.2.5 Notification to Individuals: If notification to individuals whose information was breached is required under state or federal law, and regardless of whether Agency is considered only a custodian and/or non-owner of the City Data, Agency shall, at its sole expense, and at the sole election of City, either:

- i. make notification to the individuals affected by the breach (including substitute notification), pursuant to the content and timeliness provisions of such applicable state or federal breach notice laws. Agency shall inform the City of the time, manner and content of any such notifications, prior to the transmission of such notifications to the individuals; or
- ii. cooperate with and assist City in its notification (including substitute notification) to the individuals affected by the breach.

3.2.6 Sample Notification to Individuals: If notification to individuals is required, and regardless of whether Agency is considered only a custodian and/or non-owner of the City Data, Agency shall, at its sole expense, and at the sole election of City, either:

- i. electronically submit a single sample copy of the security breach notification as required to the state or federal entity and inform the City of the time, manner and content of any such submissions, prior to the transmission of such submissions to the Attorney General; or
- ii. cooperate with and assist City in its submission of a sample copy of the notification to the Attorney General.

3.3 Media Communications

City shall conduct all media communications related to such Data Breach, unless in its sole discretion, City directs Agency to do so.

 - b. The first paragraph immediately following Exclusion j.(6) of SECTION I – COVERAGES, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY under Subsection 2. Exclusions

3. The Damage to Premises Rented to You Limit shown on the Declarations is deleted and replaced by \$1,000,000. \$1,000,000 is the only limit of liability for Damage to Premises Rented to You and this limit will not be combined with the limit shown on the Declarations for this coverage. This is the most we will pay for all damage proximately caused by the same event, whether such damage results from fire, lightning, explosion, smoke, or leaks from automatic fire protective systems or any combination thereof.

Provided, however, that if you assume liability in a contract or agreement regarding the rental or lease of a premises on behalf of your client, this Damage to Premises Rented by You limit is superceded and replaced by the limit of insurance provided by **Section I. Limited Rental Lease Agreement Contractual Liability** of this endorsement. The term client as used in this section has the same meaning as provided by **Section I. Limited Rental Lease Agreement Contractual Liability** herein.

B. Extended "Property Damage"

SECTION I – COVERAGES, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY, Subsection 2. **Exclusions**, Paragraph a. is deleted and replaced by the following:

SECTION I – COVERAGES, COVERAGE C MEDICAL PAYMENTS, Subsection 2. **Exclusions**, Exclusion e. **Athletic Activities** is deleted and replaced with the following:

The most we will reimburse you for defense costs that you incur in the defense of an “employee” who is alleged to be directly involved in a criminal proceeding is \$25,000, subject to an aggregate limit of \$25,000 for all reimbursements that we make during the policy period on behalf of all “employees”, regardless of the numbers of “employees”, claims or “suits” brought or persons or organizations making claims or bringing “suits”.

 - (1) That is a joint venture or partnership,
 - (2) That is an “insured” under any other automobile policy,
 - (3) That has exhausted its Limits of Insurance under any other automobile policy, or
 - (4) That has been acquired or formed by you for more than 180 days unless you have given us written notice of the acquisition or formation by the end of such 180 day period or the end of the policy period, whichever occurs first.

Coverage does not apply to “bodily injury” or “property damage” that results from an “accident” that occurred before you formed or acquired the organization, or an “accident” that occurs before or after the end of the policy period.

B. EMPLOYEES AS INSUREDS

For covered “autos”, paragraph 1. of the BUSINESS AUTO COVERAGE FORM and paragraph 3. of the GARAGE COVERAGE FORM, under **Coverage A – Who Is An Insured**, are amended as follows:

Any “employee” of yours while using a covered “auto” you don’t own, hire or borrow in your business or your personal affairs.

C. LIABILITY COVERAGE EXTENSIONS – SUPPLEMENTARY PAYMENTS

Supplementary Payments (2) and (4) under paragraphs **A.2.a** of the BUSINESS AUTO COVERAGE FORM and **A.4.a** of the GARAGE COVERAGE FORM, are replaced by the following:

- (2) Up to \$2,500 for cost of bail bonds (including bonds for related traffic law violations) required because of an “accident” we cover. We do not have to furnish these bonds.
- (4) All reasonable expenses incurred by the “insured” at our request, including actual loss of earnings, up to \$500 a day because of time off from work.

D. PREJUDGMENT INTEREST COVERAGE

The following paragraph is added to **Section II, LIABILITY COVERAGE, Supplementary Payments** under items **A.2.a.** of the BUSINESS AUTO COVERAGE FORM and **A.4.a.** of the GARAGE COVERAGE FORM:

- (7) Prejudgment interest awarded against the “insured” on that part of the judgment we pay. If we make an offer to pay the applicable limit of insurance, we will not pay any prejudgment interest based on that period of time after the offer.

E. AMENDMENT OF FELLOW EMPLOYEE LIABILITY EXCLUSION

Paragraph **B.5. Exclusions – Fellow Employee** does not apply if the “bodily injury” results from the use of a covered “auto” you own or hire. The insurance provided under this provision is excess over any other collectible insurance.

F. ADDITIONAL INSURED BY CONTRACT, PERMIT OR AGREEMENT

The following is added to **A.1. Who Is An Insured** of **Section II – Liability Coverage** of the BUSINESS AUTO COVERAGE FORM and **A.3.a.** and **A.3.b.** if **Section II – Liability Coverage** of the GARAGE COVERAGE FORM:

Any person or organization that you are required to name as an additional insured in a written contract or agreement that is executed or signed by you prior to a “bodily injury” or “property damage” occurrence is an “insured” for liability coverage. However, with respect to covered “autos”, such person or organization is an insured only to the extent that person or organization qualifies as an “insured” under **A.1. Who is an Insured** of **Section II – Liability Coverage** of the BUSINESS AUTO COVERAGE FORM or **A.3.** of **Section II – Liability Coverage** of the GARAGE COVERAGE FORM.

If specifically required by the written contract or agreement referenced in the paragraph above, any coverage provided by this endorsement to an additional insured shall be primary and any other valid and collectible insurance available to the additional insured shall be non-contributory with this insurance. If the written contract does not require this coverage to be primary and the additional insured’s coverage to be non-contributory, then this insurance will be excess over any other valid and collectible insurance available to the additional insured.

II. SECTION III – PHYSICAL DAMAGE COVERAGE of the BUSINESS AUTO COVERAGE FORM and **SECTION IV – PHYSICAL DAMAGE COVERAGE** of the GARAGE COVERAGE FORM are amended by adding the following:

A. HIRED CAR PHYSICAL DAMAGE

If hired "autos" are covered "autos" for Liability Coverage and if Comprehensive, Specified Causes of Loss or Collision Coverages are provided under this Coverage Form for any "auto" you own, then the Physical Damage Coverages provided are extended to "autos" you hire, subject to the following limit and applicable deductible:

The most we will pay for any one "accident" or "loss" to any hired "auto" is the lesser of:

1. the actual cash value of the hired "auto". An adjustment for depreciation and physical condition will be made in determining actual cash value in the event of a total "loss";
2. the cost to restore the hired "auto" to its "pre-accident physical condition"; or
3. \$50,000.

If a repair or replacement part restores the hired "auto" to better than its "pre-accident physical condition" we will not pay for the amount of the "betterment".

The deductible will be equal to the largest deductible applicable to any owned "auto" for that coverage. No deductible applies to "loss" caused by fire or lightning. Hired Auto Physical Damage coverage is excess over any other collectible insurance. Subject to the above limit, deductible and excess provisions, we will provide coverage equal to the broadest coverage applicable to any covered "auto" you own.

B. PHYSICAL DAMAGE COVERAGE EXTENSIONS

Paragraph 4. – Coverage Extension of A. Coverage of the BUSINESS AUTO COVERAGE FORM and paragraph 3. – Coverage Extension – Loss of Use Expenses of Coverage A. Coverage of the GARAGE COVERAGE FORM is replaced by the following:

Coverage Extensions

a. Transportation Expenses

We will pay up to \$50 per day to a maximum of \$1,500 for temporary expense incurred by you because of the total theft of a covered "auto". We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage. We will pay for temporary transportation expenses incurred during the period beginning 24 hours after the theft and ending, regardless of the policy's expiration, when the covered "auto" is returned to use or we pay for its "loss."

b. Loss of Use Expenses

For Hired Auto, Physical Damage, we will pay expenses for which an "insured" becomes legally responsible to pay for loss of use of a vehicle rented or hired without a driver, under a written rental contract or agreement. We will pay for loss of use expenses if caused by:

- (1) Other than collision if the Declarations indicate that Comprehensive Coverage is provided for any covered "auto";
- (2) Specified Causes of Loss only if the Declarations indicate that Specified Causes of Loss Coverage is provided for any covered "auto"; or
- (3) Collision only if the Declarations indicate that Collision Coverage is provided for any covered "auto."

However, the most we will pay for any expenses for loss of use is \$50 per day, to a maximum of \$1,500. The insurance provided by this provision is excess over any other collectible insurance.

c. Extra Expense

We will also pay for the expense of returning a stolen covered "auto" to you.

C. PERSONAL EFFECTS COVERAGE

The following paragraph is added as **A.5.** of the BUSINESS AUTO COVERAGE FORM and **A.4.** of the GARAGE COVERAGE FORM, **Personal Effects Coverage**:

5. We will pay up to \$500 for "loss" to wearing apparel and other personal effects which are:

- a. owned by an "insured"; and
- b. in or on your covered "auto".

This coverage applies only in the event of a total theft of your covered "auto." No deductible applies to this coverage.

D. ACCIDENTAL DISCHARGE OF AIRBAG

The following is added to **Section B. Exclusions**:

However, the exclusion relating to mechanical breakdown does not apply to the accidental discharge of an airbag.

E. LEASE/LOAN GAP COVERAGE

If a long term leased or financed "auto" is a covered "auto", we will pay, in the event of a total "loss", your additional legal obligation to the lessor or financial institution for any difference between the actual cash value of the "auto" at the time of the "loss" and the "outstanding balance" of the lease or loan.

"Outstanding balance" means the amount you owe on the lease or loan at the time of "loss" less any amounts:

1. representing taxes;
2. overdue payments;
3. penalties, interest or charges resulting from overdue payments;
4. additional mileage charges;
5. excess wear and tear charges;
6. lease termination fees;
7. security deposits not refunded by the lessor or financial institution;
8. costs for extended warranties, Credit Life Insurance, Health, Accident or Disability Insurance purchased with the loan or lease;
9. carry-over balances from previous loans or leases;
10. final payment due under a "balloon loan";
11. the dollar amount of any unrepaired damage which occurred prior to the "total loss" of a covered "auto"; and
12. any refunds payable or paid to you as a result of the early termination of a lease or loan agreement or as a result of the early termination of any warranty or extended agreement on a covered "auto."

"Total loss" means a "loss" in which the cost of repairs plus the salvage value exceeds the actual cash value.

"Balloon loan" is a loan with periodic payments that are insufficient to repay the balance over the term of the loan, thereby requiring a large final payment.

F. DEDUCTIBLE AMENDMENTS

The following are added to paragraph **D. Deductible** of the BUSINESS AUTO COVERAGE FORM:

If another policy or coverage form that is not an automobile policy or coverage form issued by this company applies to the same "accident", the following applies:

1. If the deductible under this coverage is the smaller (or smallest) deductible, it will be waived;
2. If the deductible under this coverage is not the smaller (or smallest) deductible, it will be reduced by the amount of the smaller (or smallest) deductible.

If a Comprehensive or Specified Causes of Loss Coverage "loss" from one "accident" involves two or more covered "autos", only the highest deductible applicable to those coverages will be applied to the "accident," if the cause of the loss is covered for those vehicles. This provision only applies if you carry Comprehensive or Specified Causes of Loss Coverage for those vehicles, and does not extend coverage to any covered "autos" for which you do not carry such coverage.

No deductible applies to glass if the glass is repaired, in a manner acceptable to us, rather than replaced.

G. TOWING AND LABOR

We will pay up to the following limits for towing and labor costs incurred each time a covered "auto" of the private passenger type or light truck is disabled:

1. \$100 for a covered "auto" rated and classified as a private passenger type vehicle.
2. \$150 for a covered "auto" rated and classified as a light truck type. For the purpose of this coverage light trucks are defined as a truck with a gross vehicle weight of 10,000 lbs. or less as defined by the manufacture as the maximum loaded weight the auto is designed to carry.

However, the labor must be performed at the place of disablement.

H. RENTAL REIMBURSEMENT

Section III – Physical Damage Coverage Item A. Coverage of the BUSINESS AUTO COVERAGE FORM or **Section IV – Physical Damage Coverage Item A. Coverage** of the GARAGE COVERAGE FORM is amended by adding the following:

This coverage applies only to a covered "auto" rated and classified as a private passenger or light truck type as follows:

1. We will pay for rental reimbursement expenses incurred by you for the rental of a private passenger or light truck type "auto" because of "loss" to a covered private passenger or light truck type "auto". Payment applies in addition to the otherwise applicable amount of each coverage you have on a covered private passenger or light truck type "auto". We will pay only for those covered "autos" for which you carry comprehensive and collision coverage. Payment applies in addition to the otherwise applicable amount of each coverage you have on a covered "auto". No deductibles apply to this coverage.
2. We will pay only for those expenses incurred during the policy period beginning 24 hours after the "loss" and ending, regardless of the policy's expiration, with the lesser of the following number of days:
 - a. The number of days reasonably required to repair or replace the covered private passenger or light truck type "auto". If "loss" is caused by theft, this number of days is added to the number of days it takes to locate the covered private passenger or light truck type "auto" and return it to you; or
 - b. 30 days.
3. Our payment is limited to the lesser of the following amounts:
 - a. Necessary and actual expenses incurred, or
 - b. \$50 per day, up to a maximum of \$1,500.
4. This coverage does not apply while there are spare or reserve private passenger or light truck type "autos" available to you for your operations.
5. If "loss" results from the total theft of a covered "auto" of the private passenger or light truck type, we will pay under this coverage only that amount of your rental reimbursement expenses which is not already provided under **Section III – Physical Damage Coverage, A. Coverage, 4. Coverage Extension**.

For purposes of this Rental Reimbursement coverage, light truck is defined as a truck with a gross vehicle weight of 10,000 lbs. or less as defined by the manufacture as the maximum loaded weight the auto is designed to carry.

III. SECTION IV – BUSINESS AUTO CONDITIONS and SECTION V – GARAGE CONDITIONS are amended as follows:

A. NOTICE OF AND KNOWLEDGE OF OCCURRENCE

1. Your obligation in paragraph **A.2.a., Loss Conditions – Duties in the Event of Accident, Claim, Suit or Loss**, relative to notification requirements applies only when the "accident" or "loss" is known to:
 - a. You, if you are an individual;
 - b. A partner, if you are a partnership;
 - c. A member, if you are a Limited Liability Company; or
 - d. An executive officer or insurance manager, if you are a corporation.
2. Your obligation in paragraph **A.2.b., Loss Conditions – Duties in the Event of Accident, Claim, Suit or Loss** relative to providing us with documents concerning a claim or "suit" will not be considered breached unless the breach occurs after such claim or "suit" is known to:
 - a. You, if you are an individual;
 - b. A partner, if you are a partnership;
 - c. A member, if you are a Limited Liability Company; or
 - d. An executive officer or insurance manager, if you are a corporation.

B. UNINTENTIONAL FAILURE TO DISCLOSE HAZARDS

The following is added to paragraph **B.2. General Conditions – Concealment, Misrepresentation or Fraud**:

If you unintentionally fail to disclose any hazards existing at the inception date of your policy, we will not deny coverage under this Coverage Form because of such failure.

C. HIRED CAR – COVERAGE TERRITORY

Item (5).(a) of paragraph **B.7. General Conditions – Policy Period, Coverage Territory** is replaced by the following:

(5).(a) A covered “auto” is leased, hired, rented or borrowed without a driver for a period of 30 days or less; and

D. WAIVER OF SUBROGATION

The Transfer of Rights of Recovery Against Others To Us Loss Condition is amended by adding the following:

We waive any right of recovery we may have against any person or organization to the extent required of you by a written contract or agreement executed prior to any “accident” because of payments we make for damages under this coverage form.

IV. SECTION V – DEFINITIONS of the BUSINESS AUTO COVERAGE FORM and SECTION VI – DEFINITIONS of the GARAGE COVERAGE FORM are amended as follows:

A. MENTAL ANGUISH

The definition of “bodily injury” in the DEFINITIONS section is replaced by the following:

“Bodily Injury” means bodily injury, sickness or disease sustained by any person, including mental anguish and death resulting from any of these.

B. ADDITIONAL DEFINITIONS

The following definitions are added:

“Betterment” means the amount of increase to the pre-damaged or pre-loss cash value of an “auto” attributed to the use of replacement parts which are of a type that are normally subject to repair and replacement during the useful life of an “auto” including but not limited to tires and batteries.

“Pre-accident physical condition” means the operational safety, function and appearance of the “auto” immediately prior to when the damage in question was sustained.

V. CANCELLATION CONDITION

Paragraph **A.2.** of the **COMMON POLICY CONDITION – CANCELLATION** applies except as follows:

If we cancel for any reason other than nonpayment of premium, we will mail or deliver to the First Named Insured written notice of cancellation at least 60 days before the effective date of cancellation. This provision does not apply in those states that require more than 60 days prior notice of cancellation.
