20 WHEREAS, On January 5, 2021, by Ordinance No. 5-21, the Board of Supervisors
21 approved the COVID-19 Emergency Relief Program for Airport Concession Operations; and

22 WHEREAS, On March 16, 2021, by Resolution No. 21-0089, the Commission
23 approved Amendment No. 2 to the Lease which provided for (i) the exercise of the one three-
24 year option, (ii) a fee based structure for the provision of luggage carts in the Federal
25 Inspection Service (FIS) area and the termination of the Airport's payment of the Annual

1 Service Fee to Tenant, and (iii) the right of the Airport, acting through the Airport Director in
2 his discretion, to reinstate the provision of free carts in the FIS area and resume paying the
3 Annual Service Fee to Tenant if business conditions merited such a change; and

4 WHEREAS, On May 11, 2021, by Resolution No. 221-21, the Board of Supervisors
5 approved Amendment No. 2; and

6 WHEREAS, On April 4, 2023, by Resolution No. 23-0090, the Commission approved
7 Amendment No. 3 to the Lease, which adjusts the escalation of the Flat Service Fee paid by
8 Airport to Tenant for the provision of free carts in the FIS area during each year of the Option
9 Term to match the increase in the Consumer Price Index; now, therefore, be it

10 RESOLVED, That this Board of Supervisors approves Amendment No. 3 to the Airport
11 Luggage Cart Lease and Operating Agreement No. 19-0069 with Smarte Carte, Inc., a copy
12 of which is on file with the Clerk of the Board of Supervisors in File No. 230434; and, be it

13 FURTHER RESOLVED, That within thirty (30) days of the amendment being fully
14 executed by all parties, the Airport Commission shall provide the final amendment to the Clerk

**AMENDMENT NO. 3 TO
AIRPORT LUGGAGE CART LEASE AND OPERATING AGREEMENT
AT SAN FRANCISCO INTERNATIONAL AIRPORT
LEASE NO. 19-0069**

THIS AMENDMENT NO. 3 TO THE AIRPORT LUGGAGE CART LEASE AND OPERATING AGREEMENT AT SAN FRANCISCO INTERNATIONAL AIRPORT LEASE NO. 19-0069 (“this **Amendment**”), dated as of the Effective Date (as defined below), is entered by and between the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation, acting by and through its AIRPORT COMMISSION (“**City**”), as landlord, and SMARTE CARTE INC. (“**Tenant**”), as tenant.

RECITALS

A. On April 2, 2019, by Resolution No. 19-0069, the Airport Commission (“**Commission**”) awarded Lease No. 19-0069 to Tenant (“the **Lease**”). On September 24, 2019, by Resolution 409-19, the Board of Supervisors (“the **BOS**”) approved the Lease. Pursuant to the Lease, Tenant provides luggage cart services at the San Francisco International Airport (“the **Airport**”) in both the International Terminals and Domestic Terminals (as further described in the Lease, “the **Premises**”).

B. On October 6, 2020, by Resolution No. 20-0180, the Commission approved Amendment No. 1 to the Lease (“**Amendment No. 1**”) as part of the COVID-19 Emergency Rent Relief Program which provided for rent relief to address the severe economic impact of the COVID-19 pandemic. On January 5, 2021, by Ordinance No. 5-21, the BOS authorized the Airport to implement the COVID-19 Emergency Rent Relief Program and execute Amendment No. 1.

C. On March 16, 2021, by Resolution No. 21-0089, the Commission approved Amendment No. 2 to the Lease (“**Amendment No. 2**”) which: (i) authorized the conversion of luggage cart service in the Federal Inspection Service (“**FIS**”) area from a free service to a paid service and suspended the payment of the Annual Service Fee to Tenant; (ii) provided the Airport Director with the authority to, in the future if operating conditions warranted, reinstate the carts as a free service in the FIS area and resume payment of the Annual Service Fee to Tenant, and (iii) exercised the three (3) year option to extend the term of the Lease for an expiration date of December 31, 2025.

D. The Airport Director has directed Tenant to convert luggage cart service in the FIS back to a free service. Upon reinstatement of the free luggage cart service in the FIS, the Annual Service Fee will be reinstated, however, the adjustment methodology for the Flat Service Fee currently provided for in the Lease, formulated before the COVID-19 pandemic, will result in an unreasonable escalation due to year over year international enplanement growth averaging 313% for fiscal years ending June 30, 2022 and June 30, 2023. This extremely high level of enplanement growth would not have occurred but for the artificially low level of enplanements during the COVID-19 pandemic.

E. The parties desire to modify the annual adjustment for the Flat Service Fee such that it will be adjusted based upon the CPI index, as further set forth below.

F. All capitalized terms not otherwise defined herein shall have the same meaning given to them in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to amend the Lease as follows:

AGREEMENT

1. **Recitals.** The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth herein.

2. **Effective Date.** The **Effective Date** shall be the date upon which this Amendment shall have been finally approved by City pursuant to the Charter of the City. Upon the occurrence of the Effective Date, City shall insert the Effective Date below and provide a copy to Tenant:

Effective Date: _____ (to be inserted by City only)

3. **Flat Service Fee.** The Flat Service Fee during the first year of the Option Term shall be equal to \$3,651,577.00 and shall be adjusted in each subsequent year of the Lease based on CPI index – All Urban Consumers – Not Seasonally Adjusted – San Francisco/Oakland/San Jose, CA. The provisions of the “Base Rent” section of the Major Lease Term Summary of the Lease is modified accordingly.

4. **Modification of Labor Peace Card Check Rule Provision.** Section 19.20 of the Lease is hereby deleted and replaced with the following:

“19.20 **Labor Peace/Card Check Rule.** Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Airport’s Labor Peace/Card Check Rule, adopted by the Airport Commission on February 7, 2023 by Resolution No. 23-0018 (as amended, the “**Labor Peace/Card Check Rule**”). All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Labor Peace/Card Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant’s compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card

Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.”

A copy of the Labor Peace/Card Check Rule, including the Model Labor Peace/Card Check Agreement, is attached to this Amendment as Exhibit A.

5. **Entire Agreement**. This Amendment contains all of the representations and the entire agreement between the parties with respect to the subject matter of this agreement. Any prior correspondence, memoranda, agreements, warranties, or written or oral representations relating to the subject matter of the Amendment are superseded in their entirety by this Amendment. No prior drafts of this Amendment or changes between those drafts and the executed version of this Amendment shall be introduced as evidence in any litigation or other dispute resolution proceeding by any party or other person, and no court or other body should consider such drafts in interpreting this Amendment.

6. **Miscellaneous**. This Amendment shall bind, and shall inure to the benefit of, the successors and assigns of the parties hereto. This Amendment is made for the purpose of setting forth certain rights and obligations of Tenant and City, and no other person shall have any rights hereunder or by reason hereof as a third-party beneficiary of otherwise. Each party hereto shall execute, acknowledge and deliver to each other party all documents, and shall take all actions, reasonably requested by such other party from time to time to confirm or effect the matters set forth herein, or otherwise to carry out the purposes of this Amendment. This Amendment may be executed in counterparts with the same force and effect as if the parties had executed one instrument, and each such counterpart shall constitute an original hereof. No provision of this Amendment that is held to be inoperative, unenforceable, or invalid shall affect the remaining provisions, and to this end all provisions hereof are hereby declared to be severable. Time is of the essence of this Amendment. This Amendment shall be governed by the laws of the State of California. Neither this Amendment nor any of the terms hereof may be amended or modified except by a written instrument signed by all the parties hereto.

7. **Full Force and Effect**. Except as specifically amended herein, the terms and conditions of the Lease shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have executed this Amendment as of the Effective Date.

EXHIBIT A
LABOR PEACE/CARD CHECK RULE

12.1 LABOR PEACE/CARD CHECK RULE

(A) Findings

Rule 12.1 incorporates the findings in Airport Commission Resolution No. 23-0018, adopted on February 7, 2023, which find that to avoid disruption to the smooth operation of the Airport and adverse impacts to the Airport's economic viability, this Rule 12.1 requiring Covered Employers and Labor Organizations to enter into and abide by Labor Peace/Card Check Agreements through recognition in the circumstances specified below is essential for the protection of the Commission's proprietary and financial interests. Resolution No. 23-0018 is hereby incorporated by reference as though fully set forth in this Rule 12.1.

(B) Definitions

The following terms in bold font shall for the purpose of this Rule have the meaning indicated following the colon (:). All other capitalized terms have the meaning otherwise defined in Rule 1.0.

Covered Contract: a lease, sublease, or permit of Airport property at the Airport or any property owned by the Airport. Covered Contract also means a contract, subcontract, license, sublicense, operating permit, or similar agreement pursuant to which a Contractor is to provide services to the Airport or to a Contractor or subcontractor whose services are integral to the operations of the Airport or to sell goods or services in public areas of the Airport, including but not limited to: janitorial and maintenance, security, baggage and passenger screening, wheelchair assistance, baggage handling, parking lot services, shuttle vans, rental cars, ticketing agents, gate attendants, aircraft maintenance workers, ramp service workers, electricians, plumbers, airline sales personnel, baggage claim services, cart driving services, refueling, personnel, and clerical services.

Covered Employer: any person or business entity, including, without limitation, any Contractor or Tenant, as such terms are defined in Rule 1.0, that enters into a Covered Contract and which has a defined complement of employees at the Airport. For the avoidance of doubt, references to Contractor shall also refer to subcontractors.

Labor Organization: any organization of any kind, or any agency or employee representation committee or plan, in which employees participate and which exists for the purpose, in whole or in part, of dealing with Covered Employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work.

Labor Peace/Card Check Agreement: a written agreement within the meaning of the Labor Management Relations Act, 29 U.S.C. § 185(a) (or a written agreement that would qualify as such an agreement but for the fact that the Covered Employer does not meet that statute's definition of an "Employer"), between a Covered Employer and a Labor Organization providing a procedure for determining employee preference on the subject of whether to be represented by

a Labor Organization for collective bargaining, and if so, by which Labor Organization to be represented, which provides, at a minimum, the following:

- (1) Determining employee preference regarding Labor Organization representation shall be by a card check procedure conducted by a neutral third party in lieu of a formal election;
- (2) All disputes over interpretation or application of the parties' Labor Peace/Card Check Agreement and over issues regarding how to carry out the card check process or specific card check procedures shall be submitted to expedited binding arbitration. For purposes of any Labor Peace/Card Check Agreement, absent other agreement between the parties, "expedited binding arbitration" shall be conducted in accordance with the procedural arbitration standards set forth in the American Arbitration Association Labor Arbitration Rules, as amended from time to time, except that the procedural standards to select an arbitrator shall not apply. The applicable procedural standards shall include that arbitration be scheduled within 14 days of the request for arbitration, and that (a) there shall be no stenographic record of the proceedings; (b) there shall be no post-hearing briefs; and (c) the arbitrator's award shall be rendered promptly by the arbitrator, no later than seven days from the date of the closing of the hearing; and
- (3) Forbearance by any Labor Organization from economic action including strikes, picketing, boycotts, or other such interference with the business of the Covered Employer at the work site of an organizing drive covered by this Labor Peace/Card Check Rule in relation to an organizing campaign only (not as to the terms of a collective bargaining agreement), so long as the Covered Employer complies with the terms of the Labor Peace/Card Check Agreement.

Labor Peace/Card Check Rule or Rule: this Rule 12.1.

Model Labor Peace/Card Check Agreement: the model form of Labor Peace/Card Check Agreement attached to these Rules and Regulations as Appendix C.

Registered Labor Organization: any Labor Organization that has met the requirements set forth in Section 12.1(E)(1) of this Rule.

(C) Covered Employer Duties

- (1) A Covered Employer shall enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement in writing not later than 30 days from the written request. A Registered Labor Organization may make such request at any time after award of a Covered Contract by the Airport Commission, notwithstanding any further required approvals, including but not limited to by the San Francisco Board of Supervisors. Even if effective beforehand, performance under any Labor Peace/Card Check Agreement will not be required until the Covered Contract is fully approved and executed.

- (2) In the event that a Registered Labor Organization and the Covered Employer are unable to negotiate an agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Labor Peace/Card Check Agreement, automatically and without any further action required by the parties. Upon the written request by the Director, the Covered Employer and the Registered Labor Organization shall jointly or separately deliver a written statement to Director confirming their agreement to (a) be bound by the Model Labor Peace/Card Check Agreement and (b) promptly perform all obligations under such agreement.
- (3) If a Covered Employer enters into a Labor Peace/Card Check Agreement with a Labor Organization, it must offer that same agreement to any other Labor Organization seeking to represent the employees of the Covered Employer. Any Labor Organization that was not a party to the initial Labor Peace/Card Check Agreement may, at its discretion, reject the terms of a prior negotiated agreement with another Labor Organization and negotiate for a different Labor Peace/Card Check Agreement. Upon the execution of any Labor Peace Card Check Agreement, the Covered Employer shall promptly deliver a copy to Director.
- (4) At the election of the Director, not later than 30 days from the final execution and delivery of a Covered Contract, the Covered Employer shall meet with the Director and any Registered Labor Organization representing the classifications of employees anticipated to be regularly employed under the Covered Contract will be provided and any multi-employer bargaining representative for the Covered Employer, for the purposes of orienting the Covered Employer to their obligations under this Rule.
- (5) Not later than five days from written request, a Covered Employer shall provide confirmation in writing to the Director whether the Covered Employer is a party to a collective bargaining agreement with any Labor Organization, and if so, list each collective bargaining agreement to which it is a party.
- (6) Not later than five days from written request, a Covered Employer shall confirm in writing to the Director the following: (a) each Labor Organization with which the Employer/Contractor has entered into a Labor Peace/Card Check Agreement, and include a copy of all such agreements, and (b) if applicable, each Labor Organization that has requested a Labor Peace/Card Check Agreement, but where no agreement has been executed.
- (7) Not less than 30 days prior to the modification or extension of any Covered Contract, the Covered Employer shall provide written notice, with a copy to the Director, to any Registered Labor Organization or federation of labor organizations which have registered with the Director that the Covered Employer is seeking to modify or extend such Covered Contract.
- (8) A Covered Employer shall provide written notice not less than 30 days prior to entering into any subcontract, with a copy to the Director, to any Registered

Labor Organization or federation of labor organizations which has registered with the Director that the Covered Employer is seeking to enter into such subcontract.

- (9) A Covered Employer shall include in any subcontract to any Covered Contract a provision requiring the subcontractor to comply with the requirements of this Labor Peace/Card Check Rule. Upon request, Covered Employer shall provide a copy of such subcontract to the Director.
- (10) If the Director requests a meeting to discuss matters of concern to the Commission arising from compliance with this Labor Peace/Card Check Rule or any Labor Peace Card Check Agreement (including, but not limited to, any memorandum, letter agreement, or settlement in lieu thereof), Covered Employer and/or any Registered Labor Organization shall meet within five days of the request or as soon as practicable.
- (11) A Covered Employer shall undertake all further acts and efforts reasonably requested by the Director in furtherance of meeting the requirements of this Labor Peace/Card Check Rule and the Airport's goal of maintaining labor peace and harmony at the Airport, which shall include, without limitation, submitting to the Director in writing Covered Employer's plan for complying with the requirements of this Rule, as well as any regular progress updates as requested from time to time by the Director.
- (12) Notwithstanding the requirements provided in (1)–(11), any Covered Employer which has in good faith fully complied with those requirements, in the reasonable discretion of the Director, will be excused from further compliance as to a Labor Organization which has been found by an arbitrator to have violated the forbearance provisions in the applicable Labor Peace/Card Check Agreement, until and unless such finding has been vacated by any reviewing court.
- (13) Nothing in this Labor Peace/Card Check Rule shall be construed as requiring any Covered Employer, through arbitration or otherwise, to change terms and conditions of employment for its employees, or to enter into or modify a collective bargaining agreement with a Labor Organization.

(D) Director Duties

The Director shall:

- (1) Include in any Covered Contract a provision requiring the Covered Employer to abide by the requirements of this Labor Peace/Card Check Rule as a condition of entering into or modifying any Covered Contract.
- (2) Include a summary description of and reference to the requirements of this Labor Peace/Card Check Rule in requests for proposals, invitations to bid, or other types of solicitation documents regarding Covered Contracts, and require any proposer to submit with its proposal (a) a signed certification stating that it acknowledges,

understands, and will comply with all requirements of this Rule if awarded the Covered Contract; and (b) at the election of the Director, proposer's plan for maintaining labor peace for its operations at the Airport. Failure of the Director to include the description of and reference to the requirements of this Labor Peace/Card Check Rule in any such document shall not exempt any Covered Employer otherwise subject to its requirements.

- (3) Upon issuance of any request for proposal, invitation to bid, or other type of solicitation document distributed in anticipation of entering into a Covered Contract, provide written notice to any Registered Labor Organization, or federation of labor organizations which has registered with the Director, that the Airport is seeking to enter into such Covered Contract.
- (4) Not enter into or recommend to the Commission any Covered Contract with an Covered Employer without an express finding that the Covered Employer has agreed to comply with the provisions of this Labor Peace/Card Check Rule.
- (5) Consider and issue or deny exemptions from this Labor Peace/Card Check Rule as set forth in Section 12.1(F) below.

(E) Labor Organization's Duties

- (1) Any Labor Organization seeking to invoke the provisions of this Labor Peace/Card Check Rule, and to receive notifications as provided in this Rule, must register with the Director, on a form designated by the Director for that purpose, or by sending a letter signed by an agent of the Labor Organization, indicating which types of Covered Contracts the Labor Organization would like notification of, and certifying that the Labor Organization will comply with the terms of this Rule relative to such designated Covered Contract.
- (2) A federation of labor organizations wishing to receive notifications as provided in this Labor Peace/Card Check Rule shall register with the Director, on a form designated by Director for that purpose, or by sending a letter to the Director signed by an agent of the federation, indicating which types of Covered Contracts the federation of labor organizations would like notification of, and certifying that the federation of labor organizations will comply with the terms of this Rule relative to such designated Covered Contract.
- (3) Any Labor Organization or federation of Labor Organizations seeking to invoke the provisions of this Labor Peace/Card Check Rule shall agree not to undertake economic action including strikes, picketing, boycotts, or other such interference with the business of the Covered Employer in connection with an organizing drive covered by this Rule, and in relation to an organizing campaign only (not to the terms of a collective bargaining agreement), so long as the Covered Employer complies with the terms of the applicable Labor Peace/Card Check Agreement.

(F) Exemptions

The provisions of this Labor Peace/Card Check Rule shall not apply to any of the following:

- (1) A bargaining unit of any Covered Employer which has already recognized a Labor Organization for that bargaining unit;
- (2) New construction or any work covered by an Airport project labor agreement;
- (3) A Covered Employer which is obligated to enter into a card check agreement with a Labor Organization by San Francisco Administrative Code Chapter 23, Article VII, "Labor Representation Procedures in Hotel and Restaurant Development," and/or Airport Commission Policy No. 99-0198, as such procedures may be modified from time to time;
- (4) A Labor Organization that is not a Registered Labor Organization, nor any Labor Organization which does not request a Labor Peace/Card Check Agreement;
- (5) A Covered Employer's operations at the Airport which are subject to the Railway Labor Act either by a final decision by a court or agency of competent jurisdiction, or by mutual agreement between the Covered Employer and a Labor Organization, which is the exclusive bargaining representative of its employees. In such cases, the obligation to enter into a Labor Peace/Card Check Agreement shall be voluntary.
- (6) A Covered Contract to provide or sell goods, services, materials or equipment where the Covered Employer does not operate on a regular basis with a defined complement of employees at the Airport;
- (7) An agreement between the Airport and a public agency; or
- (8) A Covered Contract where the Director determines that the risk to the Airport's financial or other nonregulatory interest resulting from labor/management conflict is so minimal or speculative so as not to warrant concern for the Airport's proprietary, investment or other nonregulatory interest.

(G) Model Labor Peace/Card Check Agreement

To facilitate the requirements imposed by this Labor Peace/Card Check Rule, the Commission adopted a Model Labor Peace/Card Check Agreement attached to these Rules and Regulations as Appendix C that includes the mandatory terms and which provides protection against labor/management conflict arising out of an organizing drive, and makes such agreement available to parties required to enter into such agreement. The Director is authorized to prepare guidelines establishing standards and procedures related to this Rule. Notwithstanding this provision regarding the Model Labor Peace/Card Check Agreement or related guidelines, this Labor Peace/Card Check Rule shall be self-

executing and shall apply in the absence of or regardless of such model agreement or guidelines.

(H) Enforcement

- (1) The Director shall investigate complaints that this Labor Peace/Card Check Rule has been violated or that a Labor Peace/Card Check Agreement provision included in a Covered Contract has been breached, and may take any action necessary to enforce compliance, including but not limited to instituting a civil action.
- (2) The Director may, in the Director's sole and absolute discretion and in addition to any other remedies available to the Airport, terminate the Covered Contract upon 30-days written notice to the Covered Employer and opportunity to cure its breach where the Covered Employer has failed: (a) to give notice to Registered Labor Organizations as required by this Labor Peace/Card Check Rule, (b) to enter into a Labor Peace/Card Check Agreement as required by this Labor Peace/Card Check Rule, or refused to be bound by the Model Labor Peace/Card Check Agreement, as applicable, (c) to include in any subcontract the provision requiring compliance with this Labor Peace/Card Check Rule, (d) to abide by the terms of an arbitration award enforcing a Labor Peace/Card Check Agreement, or (e) to comply with any other requirement set forth in this Rule, including, without limitation, the Covered Employer's Duties pursuant to Section 12.1(C), and such failure continues for a period of five days from written notice of such failure from the Director.
- (3) Any challenge to the applicability of this Labor Peace/Card Check Rule to a particular Covered Employer or Labor Organization shall be brought to the Commission only after first seeking an exemption from the Director as provided for in this Rule. Any such challenge must be commenced with the Commission within 15 days after notification that such exemption has been denied by the Director.

(I) Severability

If any part or provision of this Labor Peace/Card Check Rule, or the application thereof to any person, business entity, particular facts or circumstances, is held invalid or unenforceable by any court of competent jurisdiction, the remainder of this Rule, including the application of such part or provisions to other persons, business entities, facts, or circumstances, shall not be affected or impaired thereby and shall continue in full force and effect and be enforced to the maximum extent possible so as to effect the intent of this Labor Peace/Card Check Rule, and be reformed to the extent necessary to make such part or provisions valid and enforceable. To this end, the provisions of this Rule are severable.

APPENDIX C TO AIRPORT RULES AND REGULATIONS

MODEL CARD CHECK AGREEMENT

1. Reference is made to Rule 12.1 of the Rules and Regulations of the San Francisco International Airport (**Airport Rules**) that requires Covered Employers and Registered Labor Organizations to enter into Labor Peace/Card Check Agreements under the circumstances set forth in Rule 12.1 (**Labor Peace Card Check Rule**). All capitalized terms not otherwise defined in this Model Card Check Agreement (this **Agreement**) shall have the meaning provided in Rule 12.1 or in Rule 1.0 of the Airport Rules.
2. The parties mutually recognize that national labor law guarantees employees the right to form or select any labor organization to act as their exclusive representative for the purposes of collective bargaining with their employer, or to refrain from such activity. To accommodate a decision of the employees of _____, a Covered Employer operating at or on behalf of the Airport (**Employer**), as to whether or not they wish to be represented by _____, the Registered Labor Organization seeking to represent them (**Labor Organization**), in order to avoid costly labor disputes and/or economic action that might arise, and to avoid disruption to the smooth operation of the Airport and adverse impacts to the economic viability of the Airport and/or the Airport Commission's proprietary and economic interests in the Airport, Employer shall upon request of the Labor Organization:
 - (a) provide Labor Organization with a complete and accurate list of the names, job titles, complete addresses and phone numbers of all employees of Employer, whether part time or full time, working at the facility where the employees will work, if applicable (**Facility**) no later than five days after the request;
 - (b) immediately comply with its obligation under the foregoing subsection (a) even if the Employer has not yet commenced business operations. The Employer shall not withhold names pending the actual opening for business of any or all of the Facility. Employer shall regularly update the employee lists sent to Labor Organization as hiring continues until the employee list is complete;
 - (c) allow such Labor Organization to refer applicants for employment consistent with any applicable Airport policies; and
 - (d) at such time as the Employer begins seeking, accepting, or interviewing applicants for employment, provide to such Labor Organization's members and representatives timely and reasonable access to the Facility for the purpose of providing employees with information about the Labor Organization.
3. Upon reasonable advance written notice from the Labor Organization, Employer shall allow (a) employees of the Facility, if applicable, to have reasonable access during non-working time to the Facility and information made available pursuant to Section 2 of this Agreement and (b) Labor Organization to engage in organizing at the Facility during

employees' non-working times (before work, after work, and during meals and breaks) and/or during such other periods as the parties may agree upon. For purposes of this Agreement, "organizing" includes communicating with employees before and after recognition of the Labor Organization as provided in Section 6. These provisions are sometimes referred to elsewhere in this Agreement as the **Access Provisions**.

4. Employer agrees to take an approach of strict neutrality with respect to the unionization of employees of Employer, and to not take any action, nor make any statement that will directly or indirectly state or imply any opposition by the Employer to the selection or de-selection by such employees of a collective bargaining agent, or preference for or opposition to any particular labor organization as a bargaining agent. Likewise, Labor Organization will not coerce or threaten any employee in any aspect of an organizing campaign, including, without limitation, any efforts to obtain authorization cards from employees. These provisions are sometimes referred to elsewhere in this Agreement as the **Neutrality Provisions**.
5. During the term of this Agreement, Employer agrees not to engage in a lock-out of employees, and Labor Organization agrees not to undertake Economic Action at any Facilities of Employer covered by this Agreement. **Economic Action** means any concerted action initiated or conducted by Labor Organization and/or employees acting in concert therewith to bring economic pressure to bear against Employer as part of a campaign to organize employees or prospective employees of Employer, including such activities as striking, picketing, or boycotting at the Airport, and in relation to an organizing campaign only.
6. Employer agrees to voluntarily recognize for the purpose of exclusive collective bargaining one or more Labor Organizations demonstrating that it or they represent a majority of the employees in the bargaining unit determined in a "Card Check," as set forth in this Section 6. Employer agrees that the Card Check shall take place in the bargaining unit requested by a Labor Organization provided it is an appropriate bargaining unit as that phrase has meaning under federal labor laws. Disputes over whether the requested unit is an appropriate unit and/or whether certain employees properly are included in a requested unit shall be submitted to final and binding arbitration as provided for in Section 7 below. Said Card Check shall be conducted by (a) a commissioner/mediator from the Federal Mediation and Conciliation Service (FMCS), or if FMCS is unable to do so, by a commissioner/mediator from the California State Mediation and Conciliation Service; or (b) a neutral third party mutually acceptable to the parties, provided that such neutral third party is qualified to conduct the Card Check. If the parties agree, the same arbitrator selected to settle disputes pursuant to Section 7 below may also conduct the Card Check.
7. In the event a dispute arises over the interpretation or application of the terms of the Card Check procedure, or if the parties cannot agree on specific procedures to be used in the Card Check or any other substantive or procedural issue(s) pertaining to the Card Check, including, without limitation, the eligibility standard for employees working less than a full-time schedule, the contents of authorization cards, potential disputes over the validity and/or authentication of authorization cards, etc., they shall submit such "interests" or "rights" for expedited binding arbitration, as defined in Airport Rule 12.1(B).

- a. The parties may mutually agree on the selection of a neutral third party arbitrator. If the parties are unable to do so within seven days of the request for arbitration, either party may invoke the following procedure to select an arbitrator: either party may request a list of seven names from FMCS, from which the parties will strike. The party who strikes first will be determined by coin toss. The parties will alternate strikes until only one arbitrator remains. The remaining arbitrator will arbitrate the dispute.
 - b. The arbitrator shall have broad powers to determine the procedures and other substantive terms of the Card Check process for the parties as well as to resolve any and all disputes over the interpretation and application of this Agreement, provided the arbitrator shall have no authority to add to, subtract from, or modify the terms of this Agreement. The arbitrator shall apply principles of federal labor laws developed by the National Labor Relations Board (**NLRB**). Any such arbitration shall be concluded within 30 days of the demand for arbitration.
8. Employer shall abide by the results of the Card Check procedure, and hereby irrevocably waives the filing of a representation petition before the NLRB in lieu of the Card Check procedure.
9. Employer further agrees that an interest demonstrated by employees in joining a Labor Organization, membership in a Labor Organization, and/or signing or circulating authorization cards or supporting a union organizing drive, (or not doing so) pursuant to this Agreement, shall not constitute grounds for discriminatory or disparate treatment or disciplinary action, and shall not adversely impact a potential employee's ability to be hired or promoted. The Employer and Labor Organization shall agree to submit to final and binding arbitration, as provided for in Section 7 above, grievances filed by employees or Labor Organizations seeking to organize employees concerning alleged violations of this Section of the card check agreement and procedure.
10. If the Labor Organization is recognized as the exclusive collective bargaining representative pursuant to Section 6 of this Agreement, the Employer shall join a multi-employer bargaining association representing employers at the Airport which have recognized the Labor Organization as the exclusive collective bargaining representative of the applicable unit of employees. The Employer shall assign all of its bargaining rights, duties, and obligations to the association and the assignment shall be irrevocable for the duration of the Employer's contract with the Airport, including any assignment to a new employer during the contract term.
11. Employer and Labor Organization further agree that this Agreement and these mandated procedures shall be in effect and last for a term of not less than three years from the date of execution, or from the date of the effective date of the Covered Contract, whichever is longer.

12. If the Employer has complied with the terms of this Agreement, and a Labor Organization, as part of a campaign to organize the employees of Employer, engages in Economic Action against Employer at Facilities covered by this Agreement, Employer shall be excused from further compliance with the Card Check procedures required in this Agreement with respect to the organizing campaign of that Labor Organization.
13. In the event that the Employer sells, transfers, or assigns all or any part of its right, title, or interest in the Covered Contract or Facility or the operations therein, as applicable, including in the event there is a change in the form of ownership of the Employer partially within the control of the Employer, the Employer shall give the Labor Organization reasonable advance written notice thereof. The Employer further agrees that as a condition to any such sale, assignment, or transfer, the Employer will obtain from its successor or successors in interest, a written assumption of this Agreement and furnish a copy of such assumption agreement to the Labor Organization prior to or shortly after execution of the transaction.
14. This Agreement applies only to the procedures for determining employee preference regarding whether to be represented by a Labor Organization for purposes of collective bargaining and/or by which Labor Organization to be represented. This Agreement does not apply to the procedures governing the process of collective bargaining itself, once a Labor Organization has been recognized as the bargaining representative for employees of Employers subject to this Agreement.
15. Should the application of any provision of this Agreement to any particular facts or circumstances be found by a court of competent jurisdiction to be invalid or unenforceable, then (a) the validity of other provisions of this Agreement shall not be affected or impaired thereby, and (b) such provision shall be enforced to the maximum extent possible so as to effect the intent of the Parties, and shall be reformed without further action by the Parties to the extent necessary to make such provision valid and enforceable. To this end, the provisions of this Agreement are severable. In such event, the parties shall attempt to agree on substitute provisions providing the parties with as much of the benefit of their bargain as possible. If the parties cannot agree on substitute provisions, the Labor Organization may either elect to submit such unresolved dispute(s) to the arbitrator provided for in Section 7 for establishment of substitute procedures, or, at the discretion of the Labor Organization, elect to require the Employer to enter into a consent election agreement containing as many of the substantive terms of this Agreement, including but not limited to the Access Provisions and the Neutrality Provisions.

December 31, 2022 (based on 3-year Term)

(actual date to be inserted upon determination)

Reference Year: The calendar year immediately prior to the year in which this Lease is awarded: 2018.
(§ 4.16)

Permitted Use: (a) The operation of a fleet of not less than 5,500 luggage carts, equipped with brakes (the “**Luggage Carts**”), (b) the installation, maintenance, and repair of the Carts, (c) the installation, maintenance, and repair of luggage cart vending units described on the attached *Exhibit B-1* (the “**Cart Vending Units**”) in the Premises, which Cart Vending Units will automatically dispense Luggage Carts to the public; (d) the operation of the Luggage Cart Program described on the *Exhibit B-2*, including the collection and relocation of Luggage Carts, in those areas designated by the Director from time to time (the “**Permitted Operating Areas**”); and (e) the provision of the Services (as defined below). The Permitted Operating Areas initially designated by the Director are described on the attached *Exhibit B-2*. Without limiting the generality of the foregoing, Operator shall operate the Luggage Cart program in strict conformity with the requirements herein, including those set forth on *Exhibit B-2*.

The “**Services**” are described on the attached *Exhibit B-2*, and are comprised of the “**Customs Program**”, “**RAC Program**”, and the “**AirTrain Failure Contingency Program**”.

Customs Program. Operator shall provide no less than 2,000 Luggage Carts in the Federal Inspection Services (“**FIS**”) Area on an annual basis, as may be adjusted based on the passenger count utilizing the FIS area. The Luggage Carts shall be available to the arrivals international passengers free of charge in the FIS Area. Operator shall respond promptly to the Luggage Cart needs in the FIS Area. Operator shall be compensated based on the Service Fee.

RAC Program: Operator shall provide no less than 500 Luggage Carts at the Rental Car Center. With the exception of an Air Train Failure (as defined below), Operator may charge its customers \$6.00 rent for each single use of the Luggage Carts.

Air Train Failure Contingency Program. Should there be a failure in the operation of the Air Train (an “**Air Train Failure**”), and Airport finds it necessary to utilize buses to transport passengers from the Terminals to the Rental Car Center, Operator shall provide, upon notification from the Airport, Luggage Carts in the Rental Car Center, free of charge until such time as the AirTrain resumes services or as otherwise directed by the Airport. Operator shall not be compensated for this Program.

Base Rent: Per Lease Year (as defined below), the greater of the MAG (as defined below) or 19% of Gross Revenues (such sum being referred to herein as the “**Percentage Rent**”).
(§ 4)

Per Lease Year, the Annual Service Fee paid by the Airport to the Operator shall be the lower of (i) the \$1.45 per cart (as adjusted, the “**Per Cart Fee**”) distributed in the FIS area or (ii) a flat service fee (the “**Flat Service Fee**”) as follows:

- 1st year: Three Million One Hundred Dollars (\$3,100,000.00);
- 2nd year: Three Million One Hundred Twenty-Five Thousand Six Hundred Dollars (\$3,125,600.00), and
- 3rd year: Three Million Two Hundred Eighty-One Thousand Eight Hundred Eighty Dollars (\$3,281,880.00).

The Per Cart Fee of \$1.45 per luggage cart distributed in the FIS will be subject to annual adjustments based on CPI index - All Urban Consumers – Not Seasonally Adjusted – San Francisco/Oakland/San Jose, CA. The Flat Service Fee shall not be adjusted by a Consumer Price Index as it already escalates as provided for in the Lease.

If the three-year Option Term is exercised, the Annual Service Fee shall be the lesser of \$1.45 per luggage cart or an amount which is \$3,281,880.00 multiplied by the average annual rate of change in projected international enplanement activity for Fiscal Years ending 2022 through 2023. The not-to-exceed Annual Service Fee shall grow at that same rate for the second year of the Option Term. Such enplanement projections shall be calculated by the Airport Commission and shared with the Operator no less than six months before the end of the initial Term.

Lease Year: The period commencing on the first Rent Commencement Date and terminating on December 31 of the year in which the first Rent Commencement Date occurs, and each subsequent 12-month period except that the final Lease Year be less than 12 months.
(§ 4)

Minimum Annual Guarantee (“MAG”): Nine Hundred Seventy Five Thousand Dollars (\$975,000.00) per annum; (Eighty One Thousand Two Hundred Fifty Thousand Dollars (\$81,250.00) per month): (a) subject to adjustments upward as described below and (b) suspension and reinstatement under certain circumstances as described herein.
(§ 4)

MAG Adjustment Date: The first MAG adjustment shall occur on January 1st following the first full Lease Year and every January 1st thereafter.
(§ 4.3) [initial on January 1, 2021](#)

(to be inserted upon determination)

Rent: Base Rent, together with all other amounts owing by Operator to City hereunder (“**Additional Rent**”).
(§ 4)

Deposit Amount: Equal to one-half (1/2) of the initial MAG (subject to mid-term adjustment).
(§ 13)

Minimum Investment Amount: Amount sufficient to conform to the Airport's design standards and/or to the base building designs and materials. All Operator improvements within passenger view are subject to review and approval by the Design Review Committee. Operator shall accept the space as-is and shall be responsible for all improvements. Operator is also responsible for providing its own electrical and data lines at each Cart Vending Unit.
(§ 7.1)

Pest Control Services Fee: Seventy Five Dollars (\$75.00) per month, subject to adjustment as described herein.
(§ 9.4)

Resolution: Number 19-0069, approved by the Airport Commission on April 02, 2019.

**LEASE AGREEMENT
FOR THE
AIRPORT LUGGAGE CART LEASE AND OPERATING AGREEMENT
AT SAN FRANCISCO INTERNATIONAL AIRPORT**

THIS LEASE AGREEMENT (this "**Lease**"), dated as of the Effective Date, is entered into by and between Tenant, and the City and County of San Francisco, a municipal corporation, acting by and through its Airport Commission ("**City**"). This Lease is made with reference to the following facts:

A. City owns the San Francisco International Airport (the "**Airport**") located in the County of San Mateo, State of California, which Airport is operated by and through the Airport Commission (the "**Commission**"), the chief executive officer of which is the Airport Director ("**Director**"). The Airport's "Terminal Building Complex" is currently comprised of Terminal 1, Terminal 2, Terminal 3, and an International Terminal, together with connecting concourses, piers, boarding areas and extensions thereof, and satellite buildings now or hereafter constructed. Operator acknowledges that, from time to time, the Airport undergoes certain construction and renovation projects. Unless otherwise specified, the term "Airport" or "Terminal Building Complex" as used herein shall mean the Airport or the Terminal Building Complex, respectively, as the same may be expanded, contracted, improved, modified, renovated, or changed in any way. Unless otherwise specified below, references to the "City" shall mean the City, acting by and through its Airport Commission.

B. Operator desires to provide and operate the service described in the Permitted Use at the Airport, and City has determined that such service would be an accommodation and convenience for airline passengers and the public using the Terminal Building Complex or the Airport.

C. Following a competitive process, pursuant to Section 2A.173 of the San Francisco Administrative Code, the Commission has determined that Operator is the highest or best responsible bidder or proposer. Pursuant to the Resolution, Commission has awarded this Lease to Operator.

Accordingly, Operator and City agree as follows:

1. PREMISES

1.1 Extent of Leasehold. On the terms, conditions, and covenants in this Lease, City hereby leases to Operator and Operator hereby leases from City, the Premises. In addition, Operator shall possess the non-exclusive right of ingress and egress to and from the Premises as may be necessary on areas designated by Director, subject to Airport Rules and Regulations, as amended from time to time (as amended, the "**Airport Rules**"), provided that Operator's exercise of such right shall not impede or interfere unduly with the operation of the Airport by City, its Operators, customers, and other authorized occupants. Operator shall not place or install any racks, stands or other display of merchandise or trade fixtures in any Airport property outside the Premises, without the express prior consent of Director. In no event will Operator engage in any activity on the Airport outside the Premises for the recruitment or solicitation of business. For purposes of this Lease relating to Operator's responsibilities, the "**Premises**" shall mean the area(s) shown on Exhibit A, where (a) the exact boundaries are deemed to be three inches (3") inside each wall separating the Premises from the adjacent premises or the external Terminal wall, and (b) with respect to the facade and/or wall on the front of the Premises, separating the Premises from the Terminal common areas, the exact boundary is deemed to be the external face of the facade and/or wall.

1.2 Addition or Deduction of Cart Vending Unit Sites.

(a) At any time during the Term, City may require that the Premises be expanded or contracted by the addition or deduction, as the case may be, of a Cart Vending Unit Site, on the terms set forth in this Section 1.2. When required by Director, Operator shall contract and/or expand the Premises, as applicable. From and after the date specified by the Director, the Premises shall be deemed expanded or contracted, as the case may be, to reflect such changes, without need for an amendment of this Lease. To the extent Operator is required to surrender a Cart Vending Unit Site, Operator shall surrender such site in the condition required hereunder. To the extent Operator is required to add a Cart Vending Unit Site, Operator shall install therein the appropriate equipment as required hereunder. All such contraction and expansion shall be performed by Operator at Operator's sole expense, and Operator shall have no right to terminate this Lease with regard thereto.

(b) In the event a Cart Vending Unit Site is added or deducted, the Minimum Annual Guarantee shall not be adjusted. Nothing herein shall be deemed to grant Operator the right to operate beyond the Premises or Designated Operating Areas, including the BART Station without Director's consent thereto.

1.3 Changes to Airport. Tenant acknowledges and agrees that City shall have the right at all times to change, alter, expand, and contract the Airport, including the Terminal Building Complex, and that City has made no representations, warranties, or covenants to Operator regarding the design, construction, pedestrian traffic, enplanements, airline locations, or views of the Airport or the Premises. Without limiting the generality of the foregoing, Operator acknowledges and agrees that the Airport is currently undergoing, and may from time to time hereafter undergo, renovation, construction, and other Airport modifications, and may from time to time adopt rules and regulations relating to security and other operational concerns that may affect Operator's business. Although City will use reasonable efforts to minimize the effect of such changes on Operator's business, Operator acknowledges that such activity may have some effect on its operations located at the Airport. Such construction and renovation programs might involve barricading, materials storage, noise, the presence of workers and equipment, rearrangement, utility interruptions, and other inconveniences normally associated with construction and renovation. Although City will use reasonable efforts to minimize the effect of such changes on Operator's business, Operator acknowledges that such activity may have some effect on its operations located at the Airport, and Operator shall not be entitled to any rent credit or other compensation therefor. At any time and from time to time, City may, without the consent of Operator, and without affecting Operator's obligations under this Lease, at City's sole discretion, (a) change the shape, size, location, number and extent of the improvements in any portion of the Airport, including without limitation the concourses, piers, boarding areas, concession areas and security areas located within the Terminal Building, (b) build additional stories above or below the Airport buildings, including of the Terminal Building, (c) eliminate or relocate public entrances to the Premises so long as there is at all times one public entrance to the Premises, (d) construct multi-level, elevated or subterranean parking facilities, and (e) expand or contract the Airport, including redefining the Airport boundaries so as to include additional lands within the Airport or exclude lands from the Airport or both. Without limiting waivers set forth elsewhere in this Lease, Operator hereby waives all claims against City and releases City from all Losses (as defined below) that Operator suffers or incurs arising out of or in connection with any changes to the Airport or any portion of the Airport and Operator further agrees that Operator will not be entitled to any rent abatement or any other rent relief in connection with any changes to the Airport or any portion of the Airport.

1.4 Common Areas. The term "**common areas**" means all areas and facilities located within the Airport that are designated by City from time to time for the general use and convenience of the

tenants and other occupants of the Airport, airline passengers and other visitors to the Airport, such as concourses, sidewalks, elevators, escalators, moving walkways, parking areas and facilities, restrooms, pedestrian entrances, driveways, loading zones and roadways. City may, in its sole discretion, and without any liability to Operator (a) change the common areas, (b) increase or decrease the common areas (including the conversion of common areas to leaseable areas and the conversion of leaseable areas to common areas), and (c) impose parking charges. City will, in its sole discretion, maintain the common areas, establish and enforce Airport Rules concerning the common areas, close temporarily portions of the common areas for maintenance purposes, and make changes to the common areas including changes in the location of security check points, driveways, entrances, exits, parking spaces, parking areas, and the direction of the flow of traffic. City reserves the right to make additional Airport Rules affecting the Airport throughout the Term, including the requirement that Operator participate in a parking validation program.

1.5 Administrative Support Space. Upon Operator's written request, Director shall make available to Operator, at an additional cost, reasonable administrative support space, the use and occupation of which will be governed by a separate agreement. The location and size of such space shall be determined solely by the Director.

2. TERM

2.1 Commencement and Expiration. The Term shall commence on the Commencement Date and expire on the Expiration Date, unless terminated prior thereto as provided herein.

2.2 Phased Delivery and Required Opening. *Left blank by agreement of the parties.*

2.3 Late Opening Charge. In the event Operator fails to commence its operation for business on or before the Rent Commencement Date applicable to such Premises, City will incur substantial damages, the exact amount of which are extremely difficult to fix. Accordingly, for each day after the Rent Commencement Date until the day on which Operator commences operations for business, Operator shall pay to City Five Hundred Dollars (\$500.00) (in addition to Rent as provided below), as liquidated damages. The parties have agreed that this amount represents a reasonable approximation of the damages likely to be suffered by City in the event Operator shall fail to open on or before the Rent Commencement Date. In the event the Premise is not open for business on the date that is sixty (60) days after the Rent Commencement Date, City shall have the option to terminate this Lease, or to remove the applicable Premise from the Lease, exercisable by notice to Operator. In the event the applicable Premise is removed from the Lease, any Rent components based on square footage shall be reduced accordingly. Operator shall be liable for all damages associated with such termination or removal, including City's releasing costs.

2.4 Delivery Delay by City. If for any reason (including, without limitation, the existing Operator's failure to vacate timely the Premises) City cannot deliver possession of the Premises to Operator on the Commencement Date, this Lease shall remain in effect, City shall not be subject to any liability, and such failure shall not extend the Term hereof. In such event, and provided such delay is not caused by the act or omission of Operator, or Operator's principal, affiliate, contractor, employee, agent, licensee or invitee (a "**Operator Entity**"), the Rent Commencement Date shall be extended day for day to reflect such delay. After the Rent Commencement Date has occurred, upon Director's request, Operator will execute a written acknowledgment of the Commencement Date and the Rent Commencement Date.

In the event Operator fails to execute and return promptly such acknowledgment to City, the dates described therein shall be deemed conclusive.

2.5 City's Right to Extend Term. City shall have one (1) option to extend the Term by three (3) years, on the terms and conditions of this Section 2.5 (the "**Extension Option**"). To exercise an Extension Option, City must give notice (an "**Exercise Notice**") to Operator on or before the date that is one hundred and eighty (180) days prior to the Expiration Date. In no event will City be required to exercise the Extension Option.

2.6 Holding Over. If, without objection by City, Operator holds possession of the Premises after the Expiration Date, Operator shall become a tenant/operator from month to month, upon the terms of this Lease except that, the MAG shall not be applicable, and Base Rent shall be the Percentage Rent specified in the Summary during any such holdover period. No such holdover shall be deemed to operate as a renewal or extension of the Term. Such month-to-month tenancy may be terminated by City or Operator by giving thirty (30) days' notice of termination to the other at any time. Operator shall have no rights to renew or extend the Term of this Lease. During such holdover period, Operator shall continue to be compensated for providing Luggage Carts in the Customs areas as stated in the Summary at the rate in effect during the last Lease Year of the Term (or any Lease Year of the Extension Option), as adjusted by CPI.

2.7 Early Lease Termination Term.

(a) Notwithstanding the Lease provisions herein, the Director, in his sole and absolute discretion, has the authority to terminate the Lease during the Term if the use of the space is required in support of the Airport's Five-Year or Ten-Year Capital Plan, as published annually (the "**Early Lease Termination**"). In the event the Director exercises this Early Lease Termination, the Airport shall provide Operator with six (6) months' written notice of the termination date of the Lease, upon which the Lease shall terminate and Operator shall vacate the Premises in accordance with applicable Lease provisions contained herein.

(b) Under this provision only, Operator is entitled to a Lease buy-out and no other monetary payment under this Lease, at law or at equity. The buy-out is computed as the unamortized investment in "hard construction costs" as defined further in Lease Section 7.1 [Minimum Investment]. In the absence of "hard construction costs," the required Minimum Investment Amount will be used. The amortization is based on a straight-line method as applied to the Term. An example of the buy-out computation is as follows: Operator invests \$500,000 in hard construction costs and has a five year Term, and one two-year Extension Option. During the Term and with two lease years remaining of the Term, the Director exercises the Early Lease Termination provision. Using the straight line method for amortization, the buy-out to Operator shall be \$200,000 (\$500,000 divided by 5 years multiplied by two lease years remaining of the term).

3. **USE AND OPERATION**

3.1 Permitted Use. Operator shall use the Premises for the Permitted Use and for no other purpose. Operator shall, at all times, operate the Premises in strict conformance with the Permitted Use attached as Exhibit B herein. In the event Operator desires to use the Premises for any purpose other than the Permitted Use (including selling an item or service outside the scope of the Permitted Use), Operator must submit a request to Director. Director may, in his/her sole and absolute discretion approve or deny such request. Any such decision shall be binding on Operator. Without limiting the generality of this Section 3.1 or any of the requirements set forth on Exhibit B, Operator shall not operate any Facility

under any name or brand other than a name or brand specifically permitted or required herein, or as otherwise approved by Director. Without limiting Section 5 [Assignment or Subletting], Operator shall not, without the prior consent of Director, engage a third-party operator to conduct the Permitted Use or otherwise operate on the Premises.

3.2 No Exclusivity. Operator acknowledges and agrees that Operator has no exclusive rights to conduct the business of the Permitted Use and that City may arrange with others for similar activities at the Airport.

3.3 Operation of Business. Subject to the terms of this Lease, Operator will operate Operator's business in the Premises so as to maximize Gross Revenues (as defined below) and in accordance with the requirements set forth on Exhibit B relating to, among other things, merchandise requirements and price requirements. Without limiting the generality of the foregoing, Operator shall (a) conduct the business in a first-class, businesslike, safe, efficient, courteous and accommodating manner; (b) carry a wide-range stock of merchandise of top character, quantity, and quality; and (c) employ sufficient and experienced staff. In the event Director shall give notice to Operator that any of the foregoing covenants (a) - (c) are not being satisfied, Operator shall immediately discontinue or remedy the objectionable practice. In addition, Operator shall make reasonable change when requested, give directions, and assist the public generally. Operator shall take all reasonable measures in every proper manner to maintain, develop, and increase the business conducted by it. Operator will not divert or cause to be diverted any business from the Airport.

3.4 Services. Operator shall perform the Services described in Exhibit B-2.

3.5 Hours of Operation. Operator will carry on its business diligently and continuously in the Premises and will keep the Cart Vending Units and Luggage Carts operational twenty-four hours each day seven (7) days per week, including holidays. Director or his/her representative may, from time to time, may change such required hours of operation, in which event, Operator will remain open during such revised hours. Similarly, Tenant may, from time to time, request to revise its hours of operation. Operator may not, at any time, vacate or abandon the Premises.

3.6 Prices. Operator may charge \$6.00 per rental of its Luggage Cart, with certain exceptions. An exception is that Operator shall provide free of charge Luggage Carts in the FIS area of the International Terminal. Another exception is should there be an AirTrain Failure, and Airport finds it necessary to utilize buses to transport passengers from the Terminal to the Rental Car Center, Operator shall provide, upon notification from the Airport, Luggage Carts in the Rental Car Center, free of charge until such time as the AirTrain resumes services or as otherwise directed by the Airport ("**Air Train Failure Contingency Program**").

3.7 References to Airport. Operator shall not, without the prior written consent of Director, reference City or the Airport for any purpose other than the address of the business to be conducted by Operator in the Premises, nor will Operator do or permit anything in connection with Operator's business or advertising which in the judgment of City may reflect unfavorably on City or the Airport, or confuse or mislead the public as to the relationship between City and Operator.

3.8 Other Operational Requirements.

(a) Operator must keep the display cases and windows within the Premises presentable, clean, and suitably illuminated at all times.

(b) Operator must dispose of all trash and debris in areas and in containers designated by Director. If City provides common trash areas, Operator may request a permit to use the same for a charge determined by Director from time to time. Operator may not place or leave or permit to be placed or left in or upon any part of the common areas or corridors adjacent to the Premises any garbage, debris or refuse.

(c) City shall have the right to implement a consolidated distribution center for delivery of merchandise to Operator. If City elects to implement such a consolidated distribution center, Operator must use the service and pay any associated fees.

(d) Operator acknowledges that the operational requirements of the Airport as an airport facility, including without limitation security requirements, are of paramount importance. Operator acknowledges and agrees that it must conduct its business in a manner that does not conflict with the operational requirements of the Airport as an airport facility and that fully accommodates those requirements. Without limiting other waivers herein, Operator waives all claims for any Losses arising out of or connected to the operation of the Airport as an airport facility. Without limitation on the foregoing, Operator must:

- (i) comply with the Airport Rules;
- (ii) cause all deliveries and dispatches of merchandise, supplies, fixtures, equipment and furniture to be made and conveyed to or from the Premises by means and during hours established by Director in Director's sole discretion. City has no responsibility regarding the delivery or dispatch of Operator's merchandise, supplies, fixtures, equipment and furniture. Operator may not at any time park its trucks or other delivery vehicles in common areas; and
- (iii) not park within the parking areas of the Airport except in those areas, if any, designated by City pursuant to permits obtained from the Airport's Permit Bureau. Nothing herein shall imply that Operator shall be able to secure any on-Airport parking privileges.

3.9 Prohibited Activities. Without limiting any other provision herein, Operator shall not, without the prior written consent of Director: (a) use or permit the use of the Premises for the conduct of an outlet store or a second-hand store; (b) advertise any distress, fire, bankruptcy, liquidation, relocation, closing, or going-out-of-business sales; (c) use or permit the use on the Premises of any pinball machines, videogames, or other devices or equipment for amusement or recreation, or any vending machines, newspaper racks, pay telephones, or other coin, token, or credit card-operated devices; (d) cause or permit anything to be done in or about the Premises, or bring or keep anything thereon, which might (i) increase in any way the rate of fire insurance on the Terminal Building Complex or any of its contents; (ii) create a nuisance; (iii) in any way obstruct or interfere with the rights of others in the Terminal Building Complex or injure or annoy them; (e) commit or suffer to be committed any waste upon the Premises; (f) use or allow the Premises to be used for any improper, immoral, unlawful or objectionable purpose; (g) place any loads upon the floor, walls or ceiling which endanger the structure or obstruct the sidewalk, passageways, stairways or escalators, in front of, within, or adjacent to the Terminal Building Complex; (h) use any advertising or promotional medium that may be seen, heard, or otherwise experienced outside the Premises (such as searchlights, barkers or loudspeakers); (i) distribute handbills or circulars to Airport patrons or to cars in the parking lots, or engage in any other advertising in the Airport; (j) engage in any activity on the Airport outside the Premises for the recruitment or solicitation of business; or (k) do or

permit to be done anything in any way tending to injure the reputation of City or appearance of the Airport.

3.10 Audit of Operations. At any time and from time to time, City may conduct an audit of Operator's operations at the Airport (in addition to City's right to audit pursuant to Section 4.9 [Books and Records; Audit Rights]) to confirm that such operations comply with the requirements set forth in this Lease. Operator shall cooperate with such audit. In the event such audit shows that Operator is not complying with such requirements, without limiting City's ability to call a default hereunder, City may require that Operator reimburse City for the costs of such audit. Operator shall promptly remedy any noncompliance shown in any such audit.

3.11 Representative of Operator. Operator shall at all reasonable times retain in the Terminal Building Complex at least one qualified representative authorized to represent and act for it in matters pertaining to its operation, and shall keep Director informed in writing of the identity of each such person. The initial person so designated is the Initial Operator Representative.

3.12 Investigation Reports. Operator shall, if required by Director, employ, at its own cost and expense, an investigative organization approved by Director for the purpose of making investigations and observations and preparing a written report of the carrying out of any pricing policies, revenue control, and operational techniques being used on the Premises. Operator shall cause such investigation and observation to be made at such reasonable times and in the manner directed by Director, and the investigator shall deliver forthwith to Director a true and complete written copy of any such reports made to Operator.

3.13 Compliance with Laws. Operator shall promptly, at its sole expense, cause the Premises (including any permitted Alterations (as defined below)), and Operator's and any Operator Entity's use of the Premises and operations at the Airport under the Lease, to comply at all times with all Laws (as defined below). Notwithstanding the foregoing, this Section 3.13 shall not impose on Operator any liability to make any structural alterations to the Terminal's roof, foundation, bearing and exterior walls and subflooring; or heating, ventilating, air conditioning, plumbing, electrical, fire protection, life safety, security and other mechanical, electrical and communications systems of the Terminal (collectively "**Building Systems**"), except to the extent the same is (i) installed by Operator or Operator Entity, or (ii) necessitated by Operator's Alterations or by any act or omission of Operator or any Operator Entity. As used herein, the term "**Laws**" shall mean all applicable present and future laws, ordinances, rules, judgments, decrees, injunctions, regulations, permits, authorizations, orders and requirements, to the extent applicable to Operator or the Premises or any portion of any of them whether or not in the contemplation of the parties, including, without limitation, all consents or approvals required to be obtained from, and all rules and regulations of, and all building and zoning laws of, all federal, state, county and municipal governments, the departments, bureaus, agencies or commissions thereof, authorities, board of officers, any national or local board of fire underwriters, or any other body or bodies exercising similar functions, including the Occupational Safety and Health Act and all other applicable laws relating to workplace safety or toxic materials, substances or wastes, Title XV (commencing with Section 3082) of the California Civil Code relating to works of improvement and all other applicable laws relating to construction projects, the provisions of the American with Disabilities Act, 42 U.S.C. Section 12101 et seq. and any governmental regulations with respect thereto (the "**ADA**") (including, without limitation, the requirements under the ADA for the purposes of "public accommodations", as that term is used in the ADA), the provisions of Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.) and any governmental regulations with respect thereto, Title 24 of the California Administrative Code, all Environmental Laws, the Airport Rules, the Operator Improvement Guide (including any design

criteria) as the same may be amended from time to time (the “**TI Guide**”), and the requirements referenced in Section 19 [City and Other Governmental Provisions] hereof.

3.14 Termination for Convenience. Notwithstanding anything to the contrary herein, City has the option, in its sole discretion, and without cause, to reduce, expand, and/or terminate the Services, which option shall be exercised by the giving of notice to Operator at least ten days prior to the desired effective date of the reduction, expansion and/or termination. In such event, the Service Fee shall be reduced, increased, or terminated accordingly, and Operator shall be entitled to no other compensation with respect to such reduction, expansion and/or termination. Upon receipt of the notice, Operator shall commence and perform, with diligence, all actions necessary on the part of Operator to effect the termination of the Services on the date specified by City and to minimize the liability of Operator and City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions shall include, without limitation: (1) Halting the performance of all services and other work under this Agreement on the date(s) and in the manner specified by City; (2) Not placing any further orders or subcontracts for materials, services, equipment or other items; (3) Terminating all existing orders and subcontracts; (4) At City’s discretion, assigning to City any or all of Operator’s right, title, and interest under the orders and subcontracts terminated. Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts; (5) Subject to City’s approval, settling all outstanding liability and all claims arising out of the termination or orders and subcontracts; (6) Completing performance of any services or work that City designates to be completed prior to the date of termination specified by City; (7) Taking such action as may be necessary, or as the City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Operator and in which City has or may acquire an interest.

3.15 Qualified Personnel. The Services shall be performed only by competent personnel under the supervision and in the employment of Operator. Operator will comply with City’s reasonable requests regarding assignment of personnel, but all personnel, including those assigned at City’s request, must be supervised by Operator. Operator shall commit adequate resources to complete the project within the project schedule specified in this Agreement.

3.16 Responsibility for Equipment. City shall not be responsible for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Operator, or by any of its employees, even though such equipment be furnished, rented or loaned to Operator by City.

3.17 Independent Contractor; Payment of Taxes and Other Expenses. Operator shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Operator is liability for the acts and omissions of itself, its employees and its agents. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Operator. Any terms in this Agreement referring to direct from City shall be construed as providing for direction as to policy and the result of Operator’s work only, and not as to the means by which such a result is obtained. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Operator is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Operator which can be applied against this liability. City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Operator for City, upon notification of such fact by City, Operator shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Operator under this Agreement (again, offsetting any amounts already paid by Operator which can be applied as a credit

against such liability). A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Operator shall not be considered an employee of City. Notwithstanding the foregoing, should any court, arbitrator, or administrative authority determine that Operator is an employee for any other purpose, then Operator agrees to a reduction in City's financial liability so that City's total expenses under this Agreement are not greater than they would have been had the court, arbitrator, or administrative authority determined that Operator was not an employee.

4. RENT

4.1 Definitions. For purposes of this Lease, the following capitalized terms shall have the following meanings:

(a) "**Gross Revenues**" means:

- (i) All revenues achieved from the rental of Luggage Carts from or at the Airport, including those issued from the Cart Vending Units, whether such operations are operated by a subtenant or a concessionaire, or by any other person or entity, as may herein be provided, whether such sales be for cash or on credit, and in case of sales on credit whether or not payment is actually made; plus,
- (ii) The full amount of all deposits forfeited by customers in connection with any business of Operator in, on, about or from the Premises; plus,
- (iii) all revenues achieved from the placement of advertising on the Luggage Carts and/or Cart Vending Units, if the same is permitted by Director as provided in Section 10; plus
- (iv) Branding fees, marketing fees, merchandising fees, promotional allowances, retail display allowances (RDA) and any type of ancillary advertising or product placement fees/allowances arising out of or in connection with Operator's operations at the Premises.

The following shall not be included in Gross Revenues: Cash or credit refunds to customers on transactions (not to exceed the actual rental charge) otherwise included in Gross Revenues; any retail sales taxes applicable to the rental transaction; the Annual Service Fee paid by the City to the Operator; and revenue achieved from the sale of used equipment.

(b) "**MAG Adjustment Date**" has the meaning given it in the Summary.

(c) "**Enplanements**" means the total number of passengers boarding airline carriers.

(d) "**First Month**" means the month in which the first Rent Commencement date occurs.

(e) "**Lease Year**" means the period commencing on the first Rent Commencement Date and terminating on December 31st of the year in which the first Rent Commencement Date occurs, and each subsequent 12 month period except that the final Lease Year may be less than 12 months.

(f) "**Consumer Price Index**" means that index published by the United States Department of Labor, Bureau of Labor Statistics known as "*All Urban Consumers-Not Seasonally Adjusted- San Francisco/Oakland/San Jose, CA.*" In the event such index is discontinued, then "**Consumer Price Index**" shall mean an index chosen by Director which is, in Director's reasonable judgment, comparable to the index specified above.

(g) "**Base Index**" means the most recent Consumer Price Index published immediately prior to the first Rent Commencement Date.

(h) "**Comparison Index**" means the most recent Consumer Price Index available at the time of MAG Adjustment review.

4.2 Monthly Rent Payments. Operator shall pay, as rent for the Premises, estimated monthly Base Rent in advance, on or before the first (1st) day of each calendar month of the Term, as set forth below:

(a) On or before the Rent Commencement Date and the first (1st) day of each calendar month thereafter, Operator shall pay the current monthly Minimum Annual Guarantee to the City's Rent Payment Address.

(b) On or before the twentieth (20th) day of each calendar month after the First Month, concurrently with its submission of the Sales Reports described below covering the prior calendar month, Operator shall pay to City the deficiency, if any, between the Base Rent payable by Operator with respect to such prior calendar month (based on the Gross Revenues achieved with respect to such prior month), and the amount actually paid by Operator pursuant to the foregoing subsection (a) with respect to such month.

(c) All payments hereunder shall be paid to City's Rent Payment Address, or at such other place as City may from time to time designate in writing.

(d) All Rent shall be paid in lawful money of the United States, free from all claims, demands, setoffs, or counterclaims of any kind.

(e) Any Rent not paid when due shall be subject to a service charge equal to the lesser of the rate of one and one-half percent (1½%) per month, and the maximum rate permitted by law. Acceptance of any service charge shall not constitute a waiver of Operator's default on the overdue amount or prevent City from exercising any of the other rights and remedies available to City.

4.3 Adjustments to Minimum Annual Guarantee. On each MAG Adjustment Date, the Minimum Annual Guarantee will be adjusted such that the Minimum Annual Guarantee with respect to the upcoming Lease Year shall be increased to equal the following amount:

$$\text{MAG} \quad \times \quad \frac{\text{Comparison Index}}{\text{Base Index}}$$

Notwithstanding anything to the contrary herein, in no event will the Minimum Annual Guarantee for any Lease Year be lower than the Minimum Annual Guarantee with respect to the prior Lease Year.

4.4 Construction Period Operations. *Left blank by agreement of the parties.*

4.5 Rent Prior to Rent Commencement Date. *Left blank by agreement of the parties.*

4.6 Sales Reports. On or before the twentieth (20th) calendar day of each month after the First Month, Operator shall submit to City, at City's Sales Report Address, a report (the "**Sales Report**") showing all Gross Revenues achieved with respect to the prior month by location, segregated by each source or general type of article sold or service rendered. Such report shall be certified as being true and correct by Operator and shall otherwise be in form and substance satisfactory to Director. As described below, City shall have the right, in addition to all other rights herein, to impose a fine in the event Operator shall fail to submit such Sales Report timely.

4.7 Annual Certification of Sales and Adjustment. Within ninety (90) days after the end of each Lease Year, Operator shall submit to Director at City's Deposit/Annual Report Notice Address a year-end revenue report certified by an independent Certified Public Accountant or senior officer showing Gross Revenues achieved with respect to the prior Lease Year ("**Annual Report**"). If such report shows that the total Base Rent actually paid by Operator with respect to the prior Lease Year was less than the Base Rent payable with respect to such year, then Operator shall immediately pay to City such deficiency. If such report shows that the total Base Rent actually paid by Operator with respect to such prior Lease Year exceeded the Base Rent payable with respect to such year, then such excess shall be applied as a rent credit to amounts next coming due. Notwithstanding anything to the contrary herein, in no event will the Base Rent payable to City be less than the Minimum Annual Guarantee. In addition, Operator shall submit to City such other financial or other reports as Director may reasonably require. Operator shall also certify any Gross Revenues earned prior to the Rent Commencement Date and a true-up for that period alone will take place in the manner stated immediately above.

4.8 Cart Vending Unit Requirement. Without limiting other provisions herein relating to the Cart Vending Unit requirements, each Cart Vending Unit shall be of a type approved by Director in writing and shall register every transaction made in, on, about or from the Premises, including subject to inspection by Director or his/her agent. Each rental or other transaction from the Vending Unit must be recorded at the time of each rental or other transaction, in the presence of the customer. City shall have the right during business hours to examine the totals of the Cart Vending Unit transaction record(s) including computerized transaction records or other similar electronic devices if used) used in the Premises and to inspect for compliance with this section.

4.9 Books and Records; Audit Rights.

(a) Operator shall maintain for a period of five (5) years after the Expiration Date, or, in the event of a claim by City, until such claim of City for payments hereunder shall have been fully ascertained, fixed and paid, separate and accurate daily records of Gross Revenues, whether for cash, credit, or otherwise. Operator must require each subtenant, concessionaire, licensee, and assignee to maintain the same records. All such books and records shall be kept in accordance with "generally accepted accounting principles," consistently applied, showing in detail all business done or transacted in, on, about or from or pertaining to the Premises, and Operator shall enter all receipts arising from such business in regular books of account, and all entries in any such records or books shall be made at or about the time the transactions respectively occur. The books and source documents to be kept by Operator must include records of inventories and receipts of merchandise, daily receipts from all sales

and other pertinent original sales records and records of any other transactions conducted in or from the Premises by all persons or entities conducting business in or from the Premises. Pertinent original sales records include: (i) cash register tapes, including tapes from temporary registers, (ii) serially pre-numbered sales slips, (iii) the original records of all mail and telephone orders at and to the Premises, (iv) settlement report sheets of transactions with subtenants, concessionaires, licensees and assignees, (v) original records indicating that merchandise returned by customers was purchased at the Premises by such customers, (vi) memorandum receipts or other records of merchandise taken out on approval, (vii) detailed original records or any exclusions or deductions from Gross Revenues, (viii) sales tax records, and (ix) all other sales records, if any, that would normally be examined by an independent accountant pursuant to generally accepted auditing standards in performing an audit of Gross Revenues. Operator must keep the required books, source documents and records of Gross Revenues available for inspection by City and its agents and employees at the Premises or at another location within the continental United States at all times during regular business hours. In addition, Operator shall maintain monthly and annual reports of Gross Revenues derived from its operation under this Lease, using a form and method as is directed by Director. Such forms and methods shall be employed by Operator throughout the term of this Lease. Upon Director's written request, Operator shall make available immediately to City and/or its auditors any and all books, records and accounts pertaining to its operations under this Lease. The intent and purpose of the provisions of this section are that Operator shall keep and maintain records which will enable City and City's Controller to ascertain, determine and audit, if so desired by City, clearly and accurately, Gross Revenues achieved, and the adequacy of the form and method of Operator's reporting thereof.

(b) Should any examination, inspection, and audit of Operator's books and records by City disclose an underpayment by Operator of the total Base Rent due, Operator shall promptly pay to City such deficiency, and if such deficiency exceeds two percent (2%) of the total Base Rent due, Operator shall also promptly reimburse City for all costs incurred in the conduct of such examination, inspection, and audit. Further, should any examination, inspection, and audit of Operator's books and records by City disclose an underpayment by Operator of the total Base Rent due and such deficiency exceeds five percent (5%) of the total Base Rent due, City shall have the right to terminate this Lease. In the event that City deems it necessary to utilize the services of legal counsel in connection with collecting the reimbursement for such examination, inspection, and audit, then Operator shall reimburse City for reasonable attorneys' fees and litigation expenses as part of the aforementioned costs incurred.

4.10 Other Reports and Submissions. Operator shall furnish City with such other financial or statistical reports as Director or his/her representative from time to time may reasonably require. Upon request by Director, Operator shall furnish to City copies of its quarterly California sales and use tax returns covering the Premises operations as well as that pertinent portion of both the California and Federal income tax returns and possessory interest tax returns on the Premises operations at the time of filing, and any amendments thereto. All copies of such returns must be certified as exact copies of the original documents by a Certified Public Accountant. Operator and all subtenants (to the extent permitted) shall also promptly notify Director of and furnish to City copies of any audit reports covering this facility conducted by the California Franchise Tax Board or the Board of Equalization.

4.11 Food and Beverage Cleaning Fee. *Left blank by agreement of the parties.*

4.12 Food Court Infrastructure Fee. *Left blank by agreement of the parties*

4.13 Additional Rent. Operator shall pay to City any and all charges and other amounts under this Lease as additional rent, at the same place where Base Rent is payable. City shall have the same

remedies for a default in the payment of any such additional charges as for a default in the payment of Base Rent.

4.14 Prepay Rent. Notwithstanding anything to the contrary herein, in the event Operator shall fail to pay any Rent when due hereunder, Director shall have the right to require Operator to pay estimated monthly Rent (including Base Rent, utility charges, and all other amounts) one (1) month in advance of when such payment would otherwise be due. Such prepayment would be based on the highest monthly Rent previously due from Operator. Such right shall be exercised by a notice from Director to Operator, which notice may be given any time after such default by Operator, regardless of whether the same is cured by Operator.

4.15 Nature of Lease. Under no circumstances will City be expected or required to make any payment of any kind with respect to Operator's use or occupancy of the Premises, except as may be otherwise expressly set forth herein. Except as may be specifically and expressly provided otherwise in this Lease, no occurrence or situation arising during the Term, nor any present or future Law, whether foreseen or unforeseen, shall relieve Operator from its liability to pay all of the sums required by this Lease, or relieve Operator from any of its other obligations under this Lease, or give Operator the right to terminate this Lease in whole or in part. Operator waives any rights now or hereafter conferred upon it by any existing or future Law to terminate this Lease or to receive any abatement, diminution, reduction, or suspension of payment of such sums, on account of such occurrence or situation. Except as otherwise expressly provided herein, this Lease shall continue in full force and effect, and the obligations of Operator hereunder shall not be released, discharged or otherwise affected, by reason of: (a) any damage to or destruction of the Premises or any portion thereof or any improvements thereon, or any taking thereof in eminent domain; (b) any restriction or prevention of or interference with any use of the Premises or the improvements or any part thereof; (c) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other proceeding relating to City, Operator or any constituent partner of Operator or any sublessee, licensee or concessionaire or any action taken with respect to this Lease by a trustee or receiver, or by any court, in any proceeding; (d) any claim that Operator or any other person has or might have against City; (e) any failure on the part of City to perform or comply with any of the terms hereof or of any other agreement with Operator or any other person; (f) any failure on the part of any sublessee, licensee, concessionaire, or other person to perform or comply with any of the terms of any sublease or other agreement between Operator and any such person; (g) any termination of any sublease, license or concession, whether voluntary or by operation of law; or (h) any other occurrence whatsoever, whether similar or dissimilar to the foregoing in each case whether or not Operator shall have notice or knowledge of any of the foregoing. The obligations of Operator hereunder shall be separate and independent covenants and agreements. Operator hereby waives to the full extent permitted by applicable law, all rights now or hereafter conferred by statute, including without limitation the provisions of Civil Code Sections 1932 and 1933, to quit, terminate or surrender this Lease or the Premises or any part thereof, or to any abatement, suspension, deferment, diminution or reduction of any rent hereunder.

4.16 Severe Decline in Enplanements.

(a) Defined Terms. For purposes of this Section, the following capitalized terms shall have the following meanings:

- (i) **"Relevant Boarding Area"** shall have the meaning given it in the Summary.

- (ii) “**Enplanements**” shall mean the total number of passengers boarding airline carriers. For purposes of this Section 4.16, all Enplanement comparisons shall be done by Relevant Boarding Area.
- (iii) “**Reference Month(s)**” shall mean the corresponding month in the Reference Year.
- (iv) “**Reference Year**” shall have the meaning given it in the Summary.
- (v) “**Percentage Rent**” shall have the meaning given it in the Summary.
- (vi) “**Severe Decline in Enplanements for Three Months**” shall mean that the actual Enplanements achieved during a one month period is less than 80% of the actual Enplanements of the same Reference Month in the Reference Year, and such shortfall continues for three (3) consecutive months.
- (vii) “**Enplanement Stabilization for Two Months**” means that actual Enplanements for a particular month equals or exceeds 80% of the actual Enplanements of the same Reference Month in the Reference Year, and such threshold is achieved for two (2) consecutive months.

(b) MAG Suspension. If at any time during the term, there is a Severe Decline in Enplanements for Three Months, then the MAG shall be temporarily suspended as follows:

- (i) The MAG suspension shall be effective on the first day of the month immediately following the Severe Decline in Enplanements for Three Months.
- (ii) During such MAG suspension period, Operator shall be required to pay only the Percentage Rent, unless and until the MAG is reinstated as provided below. On or before the 20th day of each month, Operator will submit to City a Sales Report showing Operator’s Gross Revenues achieved with respect to the prior month, together with the Percentage Rent calculated on such Gross Revenues, cumulated by Lease Year.
- (iii) If the Lease provides that the Percentage Rent is based on a tiered gross revenue structure, for purposes of determining the Percentage Rent payable, the annual Gross Revenues shall continue to cumulate as provided in the Lease. For example, if Operator’s Lease Year is November 1 through October 31, then for purposes of calculating Percentage Rent for April 2003, all gross revenues achieved to date (from November 1 through April 30) will be cumulated.

(c) MAG Reinstatement. Once there is Enplanement Stabilization for Two Months, then the MAG is reinstated, and will continue unless and until there is another Severe Decline in Enplanements for Three Months, as follows:

- (i) Such MAG reinstatement will be effective on the first day of the month following an Enplanement Stabilization for Two Months.

(ii) In the event the MAG is reinstated after the commencement of a "Lease Year" or other period of time for annual gross revenue accumulation specified in the Lease, the MAG will be pro-rated accordingly.

(d) Determination of Enplanements and "True-Ups". The parties acknowledge that Enplanements for a particular month are not usually determined as of the first day of the following month. Accordingly, unless and until the MAG is suspended as provided herein, Operator shall continue to pay the MAG as and when required hereunder. If and when a MAG is later suspended pursuant to Section 4.16(b), then City shall issue a rent credit to reflect any resulting overpayment in rent. If and to the extent Operator has any outstanding obligations to City hereunder, City may decline to issue such rent credit or reduce the rent credit by the amount outstanding. If and when the MAG is reinstated, Operator shall pay to City within five (5) days after City shall have given notice to Operator of such reinstatement, the deficiency, if any, between the Percentage Rent paid by Operator and the MAG, for the month(s) following such reinstatement.

(e) Enplanement Determinations. Director shall have the sole discretion as to the Enplanement calculations, and whether there exists a Severe Decline in Enplanements for Three Months and/or an Enplanement Stabilization for Two Months.

(f) No Effect. The MAG suspension shall have no effect on (i) any adjustments specified in this Lease to be made to the MAG; or (ii) the Deposit Amount.

(g) Effect of Default. Notwithstanding anything to the contrary herein, in the event Operator shall default under this Lease or any Other Agreement, the Director may immediately reinstate the MAG, without giving to Operator the benefit of any notice or right to cure as may otherwise be provided under this Lease or Other Agreement.

(h) Subtenants. Without limiting the provisions of Section 5 [Assignment or Subletting] if Operator subleases any portion of the Premises, Operator shall offer to such subtenant(s) the same types of MAG suspension as are provided herein.

(i) Example. The following is intended merely to provide an example of the mechanics of the foregoing provisions, and the numbers provided are not intended to be projections or guarantees. Assume (a) the Premises are in Boarding Area F, (b) the Lease is awarded on February 15, 2003, and (c) Reference Year Enplanements for Boarding Area F, by Reference Month in the Reference Year (January 1- December 31, 2002) are:

	<u>Jan</u> <u>2002</u>	<u>Feb</u> <u>2002</u>	<u>Mar</u> <u>2002</u>	<u>Apr</u> <u>2002</u>	<u>May</u> <u>2002</u>	<u>Jun</u> <u>2002</u>	<u>Jul</u> <u>2002</u>	<u>Aug</u> <u>2002</u>	<u>Sep</u> <u>2002</u>	<u>Oct</u> <u>2002</u>	<u>Nov</u> <u>2002</u>	<u>Dec</u> <u>2002</u>
Enp (‘000)	800	800	800	900	1,100	1,200	1,300	1,200	1,100	900	800	900

Assume further that actual Enplanements for Boarding Area F by Reference Month for 2005 are as follows:

	<u>Jan</u> <u>2005</u>	<u>Feb</u> <u>2005</u>	<u>Mar</u> <u>2005</u>	<u>Apr</u> <u>2005</u>	<u>May</u> <u>2005</u>	<u>Jun</u> <u>2005</u>	<u>Jul</u> <u>2005</u>	<u>Aug</u> <u>2005</u>	<u>Sep</u> <u>2005</u>	<u>Oct</u> <u>2005</u>	<u>Nov</u> <u>2005</u>	<u>Dec</u> <u>2005</u>
--	---------------------------	---------------------------	---------------------------	---------------------------	---------------------------	---------------------------	---------------------------	---------------------------	---------------------------	---------------------------	---------------------------	---------------------------

Enp (‘000)	900	900	700	700	800	800	900	1100	700	800	700	800
% of Ref. Month	112.5	112.5	87.5	77.8	72.2	72.2	69.2	91.7	63.6	88.9	87.5	88.9

(j) Then, there occurs a Severe Decline in Enplanements for Three Months with respect to the months April 2005 – June 2005, and the MAG shall be suspended effective July 1, 2005. There occurs an Enplanement Stabilization for Two Months with respect to the months October 2005 – November 2005, and the MAG shall be reinstated effective December 1, 2005.

4.17 Compensation to Operator.

(a) With respect to the Services provided by Operator to City, compensation in the form of the Annual Service Fee in the amount set forth in the Summary shall be made in monthly payments on or before the twentieth (20th) day of each month for providing Luggage Carts for passengers free of charge in the FIS Area of the International Terminal, that the Director in his or her sole discretion, concludes has been performed as of the last day of the immediately preceding month. Notwithstanding anything to the contrary herein, in the event City elects to reduce, expand, or terminate the Services as described in Section 3.14, the Service Fee shall be reduced, increased, or terminated based on the allocation of the Annual Service Fee described in the Summary.

(b) No charges shall be incurred under this Lease nor shall any payments become due to Operator until reports, services, or both, required under this Lease are received from Operator and approved by Director as being in accordance with this Lease. City may withhold payment to Operator in any instance in which Operator has failed or refused to satisfy any obligation provided for under this Lease. City shall have the right to set-off against compensation owing to Operator any amounts owing from Operator to City which are not paid when due. In no event shall City be liable for interest or late charges for any late payments.

(c) Invoices furnished by Operator under this Lease must be in a form acceptable to the Controller of the Airport (the “**Controller**”), and must include the Contract Progress Payment Authorization number. All amounts paid by City to Operator shall be subject to audit by City. Payment shall be made by City to Operator at the Operator’s Notice Address.

The Controller is not authorized to pay invoices submitted by Operator prior to Operator’s submission of San Francisco Human Rights Commission (“**HRC**”) Form 7. If HRC Form 7 is not submitted with Operator’s invoice, the Controller will notify the department, the Director of HRC and Operator of the omission. If Operator’s failure to provide HRC Form 7 is not explained to the Controller’s satisfaction, the Controller will withhold 20% of the payment due pursuant to that invoice until HRC Form 7 is provided. Following City’s payment of an invoice, Operator has ten days to file an affidavit using HRC Form 9 verifying that all subcontractors have been paid and specifying the amount.

4.18 Guaranteed Maximum Costs. The City’s compensation obligation hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification. Except as may be provided by City ordinances governing emergency conditions, the City and its employees and officers are not authorized to request Operator to perform services or to provide materials, equipment and supplies that would result in Operator performing services or providing materials, equipment and supplies that are beyond the scope of the services, materials, equipment and

supplies agreed upon in this Lease unless the agreement is amended in writing and approved as required by law to authorize the additional services, materials, equipment and supplies. The City is not required to reimburse Operator for services, materials, equipment or supplies that are provided by Operator which are beyond the scope of the services, materials equipment and supplies agreed upon in this Lease and which were not approved by a written amendment to this Lease having been lawfully executed by the City. The City and its employees and officers are not authorized to offer or promise to Operator additional funding for this Lease which would exceed the maximum amount of funding provided for in this Lease for Operator's performance under this Lease. Additional funding for this Lease in excess of the maximum provided in this Lease shall require lawful approval and certification by the Controller of the City and County of San Francisco. The City is not required to honor any offered or promised additional funding for a contract which excess the maximum provided in the contract which requires lawful approval and certification of the Controller when the lawful approval and certification by the Controller has not been obtained. The Controller is not authorized to make payments on any contract for which funds have not been certified as available in the budget or by supplemental appropriation.

4.19 Payment Does Not Imply Acceptance of Work. The granting of any payment by City, or the receipt thereof by Operator, shall in no way lessen the liability of Operator to replace unsatisfactory work, equipment, or materials although the unsatisfactory character of such work, equipment or materials may not have been apparent or detected at the time such payment was made. Materials, equipment, components, or workmanship that does not conform to the requirements of this Lease may be rejected by City and in such case must be replaced by Operator without delay.

5. ASSIGNMENT OR SUBLETTING

5.1 No Assignment. Operator shall not assign, sublet, encumber, or otherwise transfer, whether voluntary or involuntary or by operation of law, the Premises or any part thereof, or any interest herein, without City's prior written consent, which consent may be granted or denied in City's sole and absolute discretion (the term "**Transfer**" shall mean any such assignment, subletting, encumbrance, or transfer). City's consent to one Transfer shall not be deemed a consent to subsequent Transfers. Any Transfer made without City's consent shall constitute a default hereunder and shall be voidable at City's election. Notwithstanding or limiting the foregoing, the City will allow any tenant (including Operator), including an individual or entity with any level of ownership in an Airport tenancy, to hold a maximum of eight (8) retail or food and beverage, or a combination therein, leases at the Airport at any given time. This policy does not include subleases..

5.2 Changes in Operator. The merger of Operator with any other entity or the transfer of any controlling ownership interest in Operator, or the assignment or transfer of a substantial portion of the assets of Operator, whether or not located on the Premises, shall constitute a Transfer. Without limiting the generality of the foregoing, if Operator is a partnership, a withdrawal or change, voluntary, involuntary or by operation of law of the partner or partners owning twenty-five percent (25%) or more of the partnership, or the dissolution of the partnership, or the sale or transfer of at least twenty-five percent (25%) of the value of the assets of Operator, shall be deemed a Transfer. If Operator is a corporation or limited liability company, any dissolution, merger, consolidation or other reorganization of Operator, or the sale or other transfer of a controlling percentage of the capital stock or membership interests of Operator, or the sale or transfer of at least twenty-five percent (25%) of the value of the assets of Operator, shall be deemed a Transfer. The phrase "**controlling percentage**" means the ownership of, and the right to vote, stock or interests possessing at least twenty-five percent (25%) of the total combined voting power of all classes of Operator's capital stock or interests issued, outstanding and entitled to vote

for the election of directors. Without limiting the restrictions on asset transfers, this paragraph shall not apply to stock or limited liability company interest transfers of corporations or limited liability companies the stock or interests of which is traded through an exchange or over the counter.

5.3 No Release. In no event will City's consent to a Transfer be deemed to be a release of Operator as primary obligor hereunder.

5.4 Subleasing. Without limiting City's discretion in approving or disapproving a proposed Transfer, if and to the extent City permits Operator to sublease the Premises, the following shall apply: (a) Prior to negotiating a sublease agreement, Operator must submit to City a sublease proposal for City's approval, which approval may be granted or withheld in City's absolute and sole discretion; (b) Every sublease must be on a Standard Sublease Agreement form approved by Director, and the actual sublease must be approved by Director; (c) Each and every covenant, condition or obligation imposed upon Operator by this Lease and each and every right, remedy or benefit afforded City by this Lease will not be impaired or diminished as a result of any sublease agreement; (d) No subtenant shall be obligated to pay to Operator, and Operator shall not be permitted to charge any rent, percentage rent, bonus rent, key money, administration fee, or the like, which exceeds, in the aggregate, the total sums that Operator pays to City under this Lease for the portion of the Premises subleased by the subtenant under its sublease agreement (the "**Excess Rent**"). If, notwithstanding the foregoing prohibition, Operator receives any Excess Rent, Operator shall pay the same to City; (e) Operator assigns to City all rent and other payments due from all subtenants under any sublease agreements; provided however, Operator is hereby granted a license to collect rents and other payments due from subtenants under their sublease agreements until the occurrence of an Event of Default, regardless of whether a notice of that default has been given by City. At any time, at Director's option, City may notify a subtenant of this assignment and upon such notice the subtenant will pay its rent other payments directly to City. City will credit Operator with any rent received by City under such assignment, but the acceptance of any payment on account of rent from any subtenants as a result of an Event of Default will in no manner whatsoever serve to release Operator from any liability under this Lease. No payment of rent or any other payment by a subtenant directly to City or other acceptance of such payments by City, regardless of the circumstances or reasons therefor, will in any manner whatsoever be deemed an attornment by the subtenants to City in the absence of either a specific written agreement signed by City to such an effect.

5.5 Excess Rent. City shall receive fifty percent (50%) of all Excess Rent payable in connection with any Transfer. "**Excess Rent**" means the excess of (a) all consideration received by Operator from a Transfer over (b) Rent payable under this Lease after deducting reasonable Operator improvements paid for by Operator, reasonable attorneys' fees and any other reasonable out-of-pocket costs paid by Operator as a result of the Transfer (but specifically excluding any Rent paid to City while the Premises is vacant).

5.6 Acceptance of Rent. The acceptance of rent by City from any person or entity does not constitute a waiver by City of any provision of this Lease or a consent to any Transfer. City's consent to one Transfer will not be deemed to be a consent to any subsequent Transfer. If Operator defaults in the performance of any of the terms of this Lease, City may proceed directly against the transferor (or if there has been more than one Transfer, then each transferor) without necessity of exhausting remedies against Operator. City may consent to subsequent Transfers or amendments or modifications to this Lease with transferees, without notifying transferor (or if there has been more than one Transfer, then each transferor) and without obtaining its or their consent thereto and such action shall not relieve any transferor of liability under this Lease as amended.

5.7 Waiver. Operator waives the provisions of Civil Code Section 1995.310 with respect to remedies available to Operator should City fail to consent to a Transfer.

6. TAXES, ASSESSMENTS AND LIENS

6.1 Taxes.

(a) Operator recognizes and understands that this Lease may create a possessory interest subject to property taxation and that Operator may be subject to the payment of property taxes levied on such interest. Operator further recognizes and understands that any Transfer permitted under this Lease and any exercise of any option to renew or other extension of this Lease may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Operator shall pay all taxes of any kind, including possessory interest taxes, that may be lawfully assessed on the leasehold interest hereby created and to pay all other taxes, excises, licenses, permit charges and assessments based on Operator's usage of the Premises, all of which shall be paid when the same become due and payable and before delinquency.

(b) Operator shall report any Transfer, or any renewal or extension hereof, to the County of San Mateo Assessor within sixty (60) days after such Transfer transaction, or renewal or extension. Operator further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements under applicable law with respect to possessory interests and any applicable rules and regulations of the Internal Revenue Service and the Securities and Exchange Commission in connection with any tax-exempt Airport revenue bonds financing the property leased to Operator hereunder. Operator agrees to make an irrevocable election not to claim depreciation or an investment credit with respect to any property leased hereunder.

6.2 Other Liens. Operator shall not permit or suffer any liens to be imposed upon the limitation, mechanics', material suppliers' and tax liens, as a result of its activities without promptly discharging the same. Notwithstanding the foregoing, Operator may in good faith contest any such lien if Operator provides a bond in an amount and form acceptable to City in order to clear the record of any such liens. Operator shall assume the defense of and indemnify and hold harmless City against any and all liens and charges of any and every nature and kind which may at any time be established against said premises and improvements, or any part thereof, as a consequence of any act or omission of Operator or as a consequence of the existence of Operator's interest under this Lease.

7. INVESTMENTS; ALTERATIONS

7.1 Minimum Investment. Prior to the Rent Commencement Date, Operator, at Operator's sole cost and expense, shall refurbish, redecorate and modernize the interiors and exteriors of the Premises, and otherwise complete the initial improvements necessary and appropriate to commence operations in the Premises (the "**Initial Improvements**"), at a minimum cost of the Minimum Investment Amount or less than said amount provided Operator complies with the Concessions Design Guidelines and receives Design Review Committee approval. As-Built drawings of fire sprinkler and fire alarm systems must be submitted to Building Inspection and Code Enforcement ("**BICE**") in AUTOCAD ".DWG" format within 30 days of issuance of a Temporary Certificate of Occupancy (TCO). Within ninety (90) days after substantial completion of the Initial Improvements, Operator must provide to City an AUTOCAD file and an electronic PDF file in accordance with the requirements as specified in the Operator Improvement Guide and an affidavit, signed under penalty of perjury by both Operator *and* Operator's general contractor, architect or construction manager, stating the hard construction costs paid by Operator to complete the Initial Improvements, together with copies of paid invoices and lien waivers

substantiating the costs stated in the affidavit. Such "hard construction costs," which must equal or exceed the Minimum Investment Amount, may include architectural and engineering fees, provided the credit for such costs against the Minimum Investment Amount shall not exceed fifteen percent (15%) of the Minimum Investment Amount. The minimum investment may not include financial costs, interest, inventory, pre-opening expenses, inter-company charges related to construction, business interruption, overhead, or debt service on any construction loan, or any charges paid by Operator to an affiliate. If Director disputes the amount of investment claimed by Operator, Director may, at City's expense, hire an independent appraiser to determine the cost of the investment. If the independent appraiser determines that the investment is less than the Minimum Investment Amount, the deficiency, as well as City's costs of hiring such independent appraiser, will be paid to City by Operator within sixty (60) days of City's written notice of the appraiser's determination. At any time, upon three (3) business days' notice, City or its representatives may audit all of Operator's books, records and source documents related to the hard construction costs paid by Operator to complete the Initial Improvements. If the audit reveals that the hard construction costs paid by Operator were less than those stated in Operator's affidavit, then Operator must pay City for the costs incurred by City in connection with the audit plus any additional deficiency discovered between the hard construction costs paid by Operator and the Minimum Investment Amount. City, at City's sole discretion, may require that Operator comply with the terms of a Operator Work Letter setting forth additional terms relating to Operator's construction of the Initial Improvements, and Operator hereby agrees to comply with any such Operator Work Letter.

7.2 City's Approval Rights. Operator shall not make or suffer to be made any alterations, additions, or improvements to the Premises or any part thereof or attach any fixtures or equipment thereto, including the Initial Improvements (collectively, "**Alterations**") without City's prior written consent. Without limiting the generality of the foregoing, the initial layout and design of all Alterations shall conform to Commission's established architectural design scheme for the Terminal Building Complex, the Airport's Concessions Design Guidelines and the provisions of Airport's TI Guide. Prior to the construction of any Alterations (including the Initial Improvements), Operator shall submit detailed plans and specifications to the Airport's Design Review Committee and BICE for approval. Operator shall include with its plans and specifications schematic renderings of the public retail area, materials, a color board(s) and a detailed layout of the overall merchandising plan. All decisions by the Airport's Design Review Committee shall be made subject to the approval of the Airport Commission. City's approval rights will extend to and include architectural and aesthetic matters and City reserves the right to reject any designs submitted and to require Operator to resubmit designs and layout proposals until they meet City's approval. The Rent Commencement Date shall not be extended if City elects to reject any designs or layout proposals submitted. In the event of disapproval by City of any portion of the plans and specifications, Operator will promptly submit necessary modifications and revisions thereof. No changes or alterations will be made in said plans or specifications after approval by City. City agrees to act within a reasonable period of time upon such plans and specifications and upon requests for approval of changes or alterations in said plans or specifications. One copy of plans for all improvements or subsequent changes therein or alterations thereof will, within fifteen (15) days after approval thereof by City, be signed by Operator and deposited with City as an official record thereof. In the event Operator fails to have its Initial Improvement designs approved by the Airport's Design Review Committee and BICE by the date that is thirty (30) days in advance of the Commencement Date, the Director may elect to impose fines of two hundred fifty dollars (\$250) per day until such time that approvals are received. All Alterations shall be effected through the use of contractors approved by City who shall furnish to City upon demand such completion bonds and labor and material bonds as City may require so as to assure completion of the Alterations on a lien-free basis. If the estimated cost of any Alterations exceeds \$750,000 per building permit, unless otherwise exempt, Operator agrees to comply with the Local Hiring Requirements as described in Section 19.28 of this Lease. Without limiting the requirements set forth

above, Operator acknowledges and agrees that Operator may be required to obtain approvals for any desired Alterations from BICE.

7.3 Structures and Fixtures. Operator shall, at its sole cost and expense, design, erect, construct and install all fixtures, furnishings, carpeting, decorations, finishings, equipment, counters, or other necessary Alterations for its operation under this Lease. All construction shall be in conformity with the latest edition of the Airport TI Guide, and in conformity with the approved plans and specifications submitted by Operator, and shall meet all applicable local building codes and ordinances as well as all other Laws. Operator shall submit complete plans and specifications to Director, and prior to the commencing any construction work, obtain Director's written approval of said plans and specifications. Operator shall make no change or alteration in the plans and specifications without prior written approval of Director. If Operator fails to construct, furnish or decorate the premises in accordance with the approved plans and specifications, Operator shall be given up to sixty (60) days to bring the premises to the condition described in the plans and specifications after which time the Director may impose a two hundred fifty dollars (\$250) per day fine until such time that the premises, fixtures and furnishings are brought in accordance with the approved plans and specifications. In the event that Operator fails to submit plans and specifications which meet the approval of City within thirty (30) days after the Effective Date, City may terminate this Lease. Nothing herein contained shall be construed to delay or otherwise affect the Commencement Date or the Rent Commencement Date.

7.4 Notice and Permits. Operator shall give written notice to Director not less than seven (7) days prior to the commencement of any work in construction, alteration or repairs of the Premises, in order that City may post appropriate notices of non-responsibility, and agrees that such notices may remain posted until the acceptance of such work by City. Operator shall obtain, and pay all fees for all permits required by the City or other legal jurisdictions, for improvements that it is required to construct or install, and it shall furnish copies of all such permits to City prior to the commencement of any work.

7.5 Title to Alterations. Title to all Alterations of such a nature as cannot be removed without damage to the Terminal, including all carpeting, decorations, finishings, and counters, shall vest in City on the Expiration Date. All other equipment of such nature as to constitute trade fixtures shall remain the property of Operator. On the Expiration Date, Operator may remove said trade fixtures or Director may require that Operator remove same at Operator's expense. Prior to the Rent Commencement Date, Operator shall submit to Director a proposed list of such trade fixtures; said list may be subsequently amended during the term of this Lease to reflect any changes in said trade fixtures. Operator agrees and understands that "fixture" is defined as a thing affixed to premises that is bolted, nailed, screwed, cemented and/or plastered. For the purpose of this Lease, fixtures shall include slat wall, counters and the like, attached to the physical structure of the premises in any matter whatsoever. On the Expiration Date, all fixtures, other than those deemed trade fixtures by City, shall become the property of City. Operator shall be liable to City for City's costs for storing, removing and disposing of Operator's personal property, and of restoration of the Premises.

7.6 Effect of Alterations on Airport. If and to the extent that Operator's activities or proposed Alterations trigger an obligation or requirement on the part of City to make changes to the Airport premises (including ADA requirements), Operator shall indemnify, defend, and hold harmless City from and against any and all Losses (as defined below) arising out of such activities or Alterations.

7.7 Mid-Term Refurbishment *Left blank by agreement of the parties.*

7.8 Labor Harmony. The parties acknowledge that it is of the utmost importance to City, Operator, and all those occupying or to occupy space in the Domestic and International Terminals that

there be no interruption in the progress of the construction work. Accordingly, City and Operator agree as follows:

(a) In any contract or undertaking which Operator may make with a contractor for work in the Premises, provision shall be made for the dismissal from the job of workmen whose work is unskilled or otherwise objectionable, in the Director's (and, for this purpose, "the Director" shall include a reference to the Airport's Architect) reasonable judgment. Operator shall cause any such workmen to be discharged from the project within twenty-four (24) hours after Director shall give notice to Operator requiring such discharge.

(b) Operator shall use, and Operator shall require its contractor and subcontractors to use, their respective best efforts to prevent work stoppages on the Premises, and/or elsewhere on the Airport, to the extent attributable to work being performed on the Premises, irrespective of the reason of any such stoppage. In the event that the conduct or presence of any employee(s) of Operator or Operator's contractor(s) or subcontractor(s) causes a labor dispute or work stoppage, Operator shall have such employee(s) immediately removed from the Airport upon Director's request.

(c) Operator shall include, and shall cause its contractor to include, the following clause in all contracts with its general contractors and subcontractors:

Harmony Clause

There shall be no manifestations on the project of any dispute between any labor organization and any Operator contractor or subcontractor, including but not limited to, any area standards picketing against said contractor or subcontractor. Should there be any manifestation of a labor dispute between any Operator contractor or subcontractor and any union, which results in a stoppage of work on the part of said contractor or subcontractor's employees or the employees of any other employer or supplier on the project or at the Airport, which in the sole judgment of the Director will cause, or is likely to cause, unreasonable delay in the progress of construction or operation of any business at the Airport, then upon written notice from Director, Operator shall declare the contractor or subcontractor in default of its contract, and upon such notice, Operator shall have the right to take such steps as are necessary to finish the uncompleted portion of the work to be performed by the contractor or subcontractor.

(d) Without limiting the generality of indemnities elsewhere in this Lease, Operator shall indemnify, defend, and hold harmless City and each City Entity for any and all Losses which arise from the actions taken pursuant to this Section 7.8.

8. UTILITIES

8.1 Services Provided. City shall provide in the Terminal Building Complex the following utility services: reasonable amounts of water, electricity, telephone, sewage outlets, heating, ventilation, and air conditioning, to a point determined by the Director. All extensions of the facilities requested by Operator for said utility services from said points shall be at the sole cost and expense of Operator. In the event of any change desired by Operator as to said points of supply by City, the expense of making such changes or alterations shall be at the sole cost of Operator.

8.2 Utility Costs. Operator shall pay the whole cost for all utility services as invoiced to Operator by City and for such other special services which it may require in the Premises, and Operator hereby expressly waives the right to contest any utility rates.

8.3 Shared Telecommunications Services. Operator acknowledges that City has implemented a shared telecommunications service program (“**STS Program**”) to provide telecommunications services. The STS Program may involve City’s provision of telephone, telefacsimile, local access, long distance service, internet, intranet, and other computer and telecommunications services. In such event, at City’s option, Operator shall participate in the STS Program by engaging City or its agent to provide such services at Operator’s expense, provided that the charges for such services are generally competitive. Further, Operator shall pay to City when invoiced, the Airport Communication Infrastructure Charge, as the same may be modified from time to time. All payments for STS services shall be due and payable when invoiced by City.

8.4 Waiver of Damages. Operator hereby expressly waives any and all claims for damages arising or resulting from failures or interruptions of utility services to the Premises, including electricity, gas, water, plumbing, sewage, telephone, communications, heat, ventilation, air conditioning, or for the failure or interruption of any public or passenger conveniences. Without limiting the generality of the foregoing, Operator shall have no rights to abate Rent or terminate this Lease in the event of any interruption or failure of utility services.

9. MAINTENANCE AND REPAIR

9.1 “As-Is” Condition. OPERATOR SPECIFICALLY ACKNOWLEDGES AND AGREES THAT CITY IS LEASING THE PREMISES TO OPERATOR ON AN “AS IS WITH ALL FAULTS” BASIS AND THAT OPERATOR IS NOT RELYING ON ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, FROM CITY OR ITS AGENTS, AS TO ANY MATTERS CONCERNING THE PREMISES, INCLUDING: (i) the quality, nature, adequacy and physical condition and aspects of the Premises, including, but not limited to, landscaping, utility systems, (ii) the quality, nature, adequacy, and physical condition of soils, geology and any groundwater, (iii) the existence, quality, nature, adequacy and physical condition of utilities serving the Premises, (iv) the development potential of the Premises, and the use, habitability, merchantability, or fitness, suitability, value or adequacy of the Premises for any particular purpose, (v) the zoning or other legal status of the Premises or any other public or private restrictions on use of the Premises, (vi) the compliance of the Premises or its operation with any applicable codes, laws, regulations, statutes, ordinances, covenants, conditions and restrictions of any governmental or quasi-governmental entity or of any other person or entity, (vii) the presence of Hazardous Materials on, under or about the Premises or the adjoining or neighboring property, (viii) the quality of any labor and materials used in any improvements on the real property, (ix) the condition of title to the Premises, and (x) the agreements affecting the Premises, including covenants, conditions, restrictions, ground leases, and other matters or documents of record or of which Operator has knowledge.

9.2 Accessibility Disclosure. California Civil Code Section 1938 requires commercial landlords to disclose to Operators whether the property being leased has undergone inspection by a Certified Access Specialist (“**CASp**”) to determine whether the property meets all applicable construction-related accessibility requirements. The law does not require landlords to have the inspections performed. Operator is hereby advised that the Premises have not been inspected by a CASp. Pursuant to California Civil Code Section 1938(e), City provides the following disclosure to Operator: “A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state

law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or Operator from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or Operator, if requested by the lessee or Operator. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.” In the event Operator elects to obtain a CASp inspection of the Premises, Operator shall provide notice of such to City, and Operator agrees that Operator shall bear the cost of the inspection and any necessary repairs within the Premises.

9.3 Operator’s Maintenance Obligations. Operator, at all times during the Term and at Operator’s sole cost and expense, shall keep the Premises and every part thereof in good condition and repair, and in compliance with applicable Laws, including the replacement of any facility of City used by Operator which requires replacement by reason of Operator’s use thereof, excepting (a) ordinary wear and tear, and (b) damage due to casualty with respect to which the provisions of Section 14 [Damage or Destruction] shall apply. Operator hereby waives all right to make repairs at the expense of City or in lieu thereof to vacate the Premises as provided by California Civil Code Section 1941 and 1942 or any other law, statute or ordinance now or hereafter in effect. In addition, if it becomes reasonably necessary during the term of this Lease, as determined by Director, Operator will, at its own expense, redecorate and paint fixtures and the interior of the Premises and improvements, and replace fixtures, worn carpeting, curtains, blinds, drapes, or other furnishings. Without limiting the generality of the foregoing, at all times, Operator shall be solely liable for the facade of the Premises separating the Premises from the Terminal common areas, including the external face thereof, all windows and display areas therein, and all finishes thereon. As provided below in Section 15.4 [City’s Right to Perform], in the event Operator fails to perform its maintenance and repair obligations hereunder, City shall have the right to do so, at Operator’s expense. The parties acknowledge and agree that Operator’s obligations under this Section are a material part of the bargained-for consideration under this Lease. Operator’s compliance obligations shall include, without limitation, the obligation to make substantial or structural repairs and alterations to the Premises (including the Initial Improvements), regardless of, among other factors, the relationship of the cost of curative action to the Rent under this Lease, the length of the then remaining Term hereof, the relative benefit of the repairs to Operator or City, the degree to which curative action may interfere with Operator’s use or enjoyment of the Premises, the likelihood that the parties contemplated the particular requirement involved, or the relationship between the requirement involved and Operator’s particular use of the Premises. No occurrence or situation arising during the Term, nor any present or future requirement, whether foreseen or unforeseen, and however extraordinary, shall relieve Operator of its obligations hereunder, nor give Operator any right to terminate this Lease in whole or in part or to otherwise seek redress against City. Operator waives any rights now or hereafter conferred upon it by any existing or future requirement to terminate this Lease, to receive any abatement, diminution, reduction or suspension of payment of Rent, or to compel City to make any repairs to comply with any such requirement, on account of any such occurrence or situation.

9.4 Operator’s Pest Management Obligations. Operator shall, at all times during the Term of the Lease and at Operator’s sole cost and expense, keep the Premises and every part thereof in a clean and sanitary condition, including having a pest control program in place in accordance to the Airport’s standards. Operator shall contract with the Airport to provide pest control services and shall pay a monthly Pest Control Services Fee for such services. The Pest Control Services Fee may be adjusted from time to time at the sole discretion of the Director. Operator must adhere to the following set of standards in accordance with the City and County of San Francisco (CCSF) Environment Code, Chapter 3, including but not limited to the following:

(a) Using pesticides on the CCSF allowed list only when application is made on City property, i.e. SFO.

(b) Any pesticide exemption must be granted by the San Francisco Department of Environment before using non-approved pesticides.

(c) All posting requirements regarding pesticide application must be adhered to prior to use.

(d) Pesticide use reports shall be made to Airport IPM (Integrated Pest Management) staff by the 10th of the month following application.

10. SIGNS AND ADVERTISING

10.1 Signs and Advertising. Operator may, at its own expense, install and operate necessary and appropriate identification signs on the Premises, subject to the approval of Director and the requirements of the TI Guide, including but not limited to, the approval of the number, size, height, location, color and general type and design. Such approval shall be subject to revocation by Director at any time. Without express written consent of Director, Operator shall not display any advertising, promotional, or informational pamphlets, circulars, brochures or similar materials.

10.2 Prohibition of Tobacco Advertising. Operator acknowledges and agrees that no advertising of cigarettes or tobacco products is allowed on the Premises. This advertising prohibition includes the placement of the name of a company producing, selling or distributing cigarettes or tobacco products or the name of any cigarette or tobacco product in any promotion of any event or product. This advertising prohibition does not apply to any advertisement sponsored by a state, local, nonprofit or other entity designed to (i) communicate the health hazards of cigarettes and tobacco products, or (ii) encourage people not to smoke or to stop smoking.

10.3 Prohibition of Alcoholic Beverage Advertising. Operator acknowledges and agrees that no advertising of alcoholic beverages is allowed on the Premises. For purposes of this Section, "alcoholic beverage" shall be defined as set forth in California Business and Professions Code Section 23004, and shall not include cleaning solutions, medical supplies and other products and substances not intended for drinking. This advertising prohibition includes the placement of the name of a company producing, selling or distributing alcoholic beverages or the name of any alcoholic beverage in any promotion of any event or product. This advertising prohibition does not apply to any advertisement sponsored by a state, local, nonprofit or other entity designed to (i) communicate the health hazards of alcoholic beverages, (ii) encourage people not to drink alcohol or to stop drinking alcohol, or (iii) provide or publicize drug or alcohol treatment or rehabilitation services.

11. **PROMOTIONAL PROGRAM** *Left blank by agreement of the parties.*

12. WAIVER; INDEMNITY; INSURANCE

12.1 Waiver. Operator, on behalf of itself and its assigns, waives its rights to recover from and releases and discharges City and all City Entities and their respective heirs, successors, personal representatives and assigns, from any and all Losses whether direct or indirect, known or unknown, foreseen or unforeseen, that may arise on account of or in any way connected with (a) the physical or environmental condition of the Premises or any law or regulation applicable thereto, (b) any damage that may be suffered or sustained by Operator or any person whosoever may at any time be using or

occupying or visiting the Premises, or in or about the Airport, or (c) any act or omission (whether negligent, non-negligent or otherwise) of Operator or any Operator Entity, whether or not such Losses shall be caused in part by any act, omission or negligence of any of City, Commission, its members, or any officers, agents, and employees of each of them, and their successors and assigns (each, a “**City Entity**”), except if caused by the sole gross negligence or willful misconduct of City. In connection with the foregoing waiver, Operator expressly waives the benefit of Section 1542 of the California Civil Code, which provides as follows: “A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.”

12.2 Indemnity. In addition to, and not in limitation of the foregoing, Operator shall forever indemnify, defend, hold and save City and each City Entity free and harmless of, from and against any and all Losses caused in whole or in part by or arising out of (a) any act or omission of Operator or any Operator Entity, including Operator’s contractors and/or agents, (b) Operator’s use of the Premises or operations at the Airport, or (c) any default by Operator or any Operator Entity hereunder, whether or not Losses shall be caused in part by any act, omission or negligence of City or any City Entity. The foregoing indemnity shall not extend to any Loss caused by the sole gross negligence or willful misconduct of City.

12.3 Losses. For purposes hereof “**Losses**” shall mean any and all losses, liabilities, judgments, suits, claims, damages, costs and expenses (including reasonable attorneys’ fees, investigation costs, remediation costs, and court costs), of any kind or nature.

12.4 Immediate Obligation to Defend. Operator specifically acknowledges that it has an immediate and independent obligation to defend City or the City Entity from any claim which is actually or potentially within the scope of the indemnity provision of this Section 12 or any other indemnity provision under this Lease, even if such allegation is or may be groundless, fraudulent or false, and such obligation arises at the time such claim is tendered to Operator and continues at all times thereafter.

12.5 Notice. Without limiting the foregoing waiver and indemnity, each party hereto shall give to the other prompt and timely written notice of any Loss coming to its knowledge which in any way, directly or indirectly, contingently or otherwise, affects or might affect either, and each shall have the right to participate in the defense of the same to the extent of its own interest.

12.6 Insurance. Operator shall procure and maintain during the Term the following insurance:

(a) Workers’ Compensation Insurance with Employer’s Liability limits not less than \$1,000,000 each accident.

(b) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products Liability and Completed Operations Coverages.

(c) Commercial Automobile Liability Insurance with limits not less than \$2,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including owned, non-owned, and hired auto coverages.

(d) Property Insurance on all causes of loss-special form covering all Premises Operator improvements, fixtures, and equipment insuring against the perils of fire, lightning, extended coverage perils, vandalism and malicious mischief in the demised premises in an amount equal to the full replacement value of Operator improvements, fixtures and equipment.

(e) Business Interruption Insurance insuring that the Base Rent will be paid to City for a period of at least one (1) year if Operator is unable to operate its business at the Premises. Said insurance shall also cover business interruptions due to failures or interruptions in telecommunications services, strikes, employee lockouts, riots, or other civil commotion. To calculate Base Rent during any such interruption of business, the Gross Revenues for the 12-month period immediately preceding the incident causing the business interruption shall be used.

12.7 Form of Policies. Before commencing the Initial Improvements or other operations under this Lease, Operator shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Operator's liability hereunder. City may, upon reasonable notice and reasonable grounds increase or change the required insurance hereunder, in which event Operator shall obtain such required insurance. Without limiting the generality of the foregoing, all Commercial General Liability Insurance and Commercial Automobile Liability Insurance policies shall be endorsed to provide the following:

(a) Name as additional insured the City and County of San Francisco, the Airport Commission and its members, and all of the officers, agents, and employees of each of them (collectively, "**Additional Insureds**");

(b) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Lease, and that insurance applies separately to each insured against whom claim is made or suit is brought.

(a) The insurance company shall give thirty (30) days prior written notice to the City for cancellation, non-renewal, or reduction in scope of limits or coverage, except for 10 days prior written notice of cancellation for nonpayment of premiums.

12.8 Subrogation. Notwithstanding anything to the contrary herein, Operator waives any right of recovery against City for any loss or damage to the extent the same is required to be covered by Operator's insurance hereunder. Operator shall obtain from its insurer a waiver of subrogation the insurer may have against City or any City Entity in connection with any Loss covered by Operator's property insurance and worker's compensation insurance policies.

13. **DEPOSIT**

13.1 Form of Deposit. On or before the date specified by the Director, Operator will deliver to Director, at City's Deposit/Annual Report Notice Address, a security deposit (the "**Deposit**") in the Deposit Amount. Such Deposit shall be in the form of (a) a surety bond payable to City, naming City as obligee, in the form attached as Exhibit C-1, and otherwise in form satisfactory to City's City Attorney, and issued by a surety company satisfactory to Director, or a (b) letter of credit naming City as beneficiary, in the form attached as Exhibit C-2, and otherwise in form satisfactory to City's City Attorney, issued by a bank satisfactory to Director. Notwithstanding the foregoing, as may be provided in the Airport Commission Policy on Concession Deposits (Resolution No. 04-0153, August 3, 2004) as the

same may be amended from time to time, Operator shall be permitted to submit as the Deposit alternative forms of deposit as specified therein. Such Deposit shall be kept in full force and effect during the Term to ensure the faithful performance by Operator of all covenants, terms, and conditions of this Lease, including payment of Rent. The sum designated as the "Deposit" is and will remain the sole and separate property of City until actually repaid to Operator (or at City's option, the last assignee (if any) of Operator's interest hereunder), said sum not being earned by Operator until all provisions precedent for its payment to Operator have been fulfilled. For Deposits in the form of a bond or letter of credit, Operator shall cause the surety company or bank issuing such bond or letter of credit to give Director notice in writing by registered mail at least forty-five (45) days prior to the expiration date of such bond or letter of credit of its intention not to renew said bond or letter of credit.

13.2 Maintenance of Deposit. Operator shall cause the Deposit to be increased on January 1st following the first full Lease Year to an amount equal to one-half (1/2) of the adjusted MAG, all at Operator's cost, except that during any holdover period, the Deposit Amount shall equal one-half (1/2) of Operator's previous 12 months' Rent. Operator shall cause the bond or letter of credit to be kept in full force and effect during the Term and any holdover period to ensure the faithful performance by Operator of all covenants, terms, and conditions of this Lease, including payment of Rent. If and to the extent City accepts a Deposit which has an expiration date or cancellation/termination provision, Operator shall cause the surety company or bank issuing such bond or letter of credit to give Director notice in writing by registered mail at least forty-five (45) days prior to the expiration date of such bond or letter of credit of its intention not to renew or to cancel or terminate said bond or letter of credit. Operator shall cause such bond or letter of credit to be renewed, extended, or replaced, at Operator's sole cost, at least thirty (30) days before the expiration date or cancellation date of the bond or letter of credit, with another bond or letter of credit that complies with the requirements herein. If Operator fails to do so, City may, without notice to Operator, draw on the entirety of the Deposit and hold the proceeds thereof as security hereunder. Operator shall cause all notices to be given to City under this Section 13 to be given to City at City's Deposit/Annual Report Notice Address.

13.3 Use of Deposit. If Operator fails to pay Rent or otherwise defaults with respect to any provision of this Lease, City may use, apply or retain all or any portion of the Deposit for the payment of Rent or other charge in default or for the payment of any other sum to which City may become obligated by reason of Operator's default or to compensate City for any loss or damage which City may suffer thereby. If City so uses or applies all or any portion of the Deposit, Operator, within ten (10) days after request therefore, shall deposit other security acceptable to Director with City in an amount sufficient to restore the Deposit to the full amount thereof, and Operator's failure to do so shall be a breach of this Lease. City shall not be required to keep the Deposit or any proceeds thereof, as applicable, separate from its general accounts. Any proceeds of the Deposit is and will remain the sole and separate property of City until actually repaid to Operator, said sum not being earned by Operator until all provisions precedent for its payment to Operator have been fulfilled. If Operator performs all of Operator's obligations hereunder, the Deposit, or the proceeds thereof, or so much thereof as has not theretofore been applied by City, shall be returned, without payment of interest or other increment for its use, to Operator (or, at City's option, to the last assignee, if any, of Operator's interest hereunder) within sixty (60) days after the expiration of the Term, and after Operator has vacated the Premises. No trust relationship is created herein between City and Operator with respect to the Deposit or any proceeds thereof. Operator waives to the fullest extent permitted by law the provisions of California Civil Code Section 1950.7 or other similar laws, which provide that a landlord may claim from a security deposit only those sums reasonably necessary to remedy a default in the payment of rent, to repair damage caused by a Operator, or to clean the premises.

13.4 Other Agreements. If Operator defaults with respect to any provision of any other agreement between City and Operator, including the Other Agreements, City may use, apply or retain all or any portion of the Deposit for payment of any sum owing to City or to which City may become obligated by reason of Operator's default or to compensate City for any loss or damage which City may suffer thereby. Likewise, if Operator defaults with respect to any provision under this Lease, City may use, apply, or retain all or any portion of any deposit provided under any other agreement between City and Operator, including the Other Agreements, for payment of any sum owing to City or to which City may become obligated by reason of Operator's default or to compensate City for any loss or damage which City may suffer thereby. In the event the Deposit or any other deposit is so used, Operator shall deposit other security acceptable to Director with City in an amount sufficient to restore the Deposit to the full amount thereof.

14. DAMAGE OR DESTRUCTION

14.1 Partial Destruction of Premises.

(a) In the event the improvements on the Premises are damaged by any casualty which is required to be insured against pursuant to this Lease, then Operator shall repair such damage as soon as reasonably possible, at its own cost, and this Lease shall continue in full force and effect.

(b) In the event such improvements are damaged by any casualty not covered under an insurance policy required to be maintained pursuant to this Lease, then City may, at City's option, either

(i) repair such damage as soon as reasonably possible at City's expense, in which event this Lease shall continue in full force and effect, or (ii) give written notice to Operator within sixty (60) days after the date of occurrence of such damage of City's intention to terminate this Lease. Such termination shall be effective as of the date specified in such notice.

(c) Notwithstanding the foregoing, if such damage is caused by an act or omission to act of Operator or a Operator Entity, then Operator shall repair such damage, promptly at its sole cost and expense.

(d) In the event City elects to terminate this Lease pursuant to this Section 14.1, Operator shall have the right within ten (10) days after receipt of the required notice to notify City of Operator's intention to repair such damage at Operator's expense, without reimbursement from City, in which event this Lease shall continue in full force and effect and Operator shall proceed to make such repairs as soon as reasonably possible. If Operator does not give such notice within the ten (10) day period, this Lease shall be terminated as of the date specified in City's notice. City shall not be required to repair any injury or damage by fire or other cause, or to make any restoration or replacement of any paneling, decorations, office fixtures, partitions, railings, ceilings, floor covering, equipment, machinery or fixtures or any other improvements or property installed in the Premises by Operator or at the direct or indirect expense of Operator. Operator shall be required to restore or replace same in the event of damage.

14.2 Total Destruction of Premises. If the improvements on the Premises are totally destroyed during the Term from any cause whether or not covered by the insurance required herein (including any destruction required by any authorized public authority), this Lease shall automatically terminate as of the date of such total destruction.

14.3 Partial Destruction of Terminal Building. If fifty percent (50%) or more of the Terminal Building shall be damaged or destroyed by an insured risk, or if fifteen percent (15%) or more of the Terminal Building shall be damaged or destroyed by an uninsured risk, notwithstanding that the Premises may be unaffected thereby, each of City and Operator may elect to terminate this Lease by giving notice to the other within ninety (90) days from the date of occurrence of such damage or destruction, in which event the Term of this Lease shall expire on a mutually agreed upon date and Operator shall thereupon surrender the Premises to City as required hereunder.

14.4 Damage Near End of the Term. If during the last year of the Term the improvements on the Premises are partially destroyed or damaged, City may at City's option terminate this Lease as of the date of occurrence of such damage by giving written notice to Operator of City's election to do so within thirty (30) days after the date of occurrence of such damage. In the event City elects to terminate this Lease pursuant hereto, Operator shall have the right within ten (10) days after receipt of the required notice to notify City in writing of Operator's intention to repair such damage at Operator's expense, without reimbursement from City, in which event this Lease shall continue in full force and effect and Operator shall proceed to make such repairs as soon as reasonably possible.

14.5 No Abatement of Rent; Operator's Remedies.

(a) If the Premises are partially destroyed or damaged, Operator shall have no claim against City for any damage suffered by reason of any such damage, destruction, repair or restoration. Operator waives California Civil Code Sections 1932(2) and 1933(4) providing for termination of hiring upon destruction of the thing hired.

(b) In no event will Operator be entitled to an abatement of Rent resulting from any damage, destruction, repair, or restoration described herein.

15. DEFAULT; REMEDIES

15.1 Event of Default. The occurrence of any one or more of the following events shall constitute a breach of this Lease and an "**Event of Default**" hereunder:

(a) Operator shall fail duly and punctually to pay Rent, or to make any other payment required hereunder, when due to City, and such failure shall continue beyond the date specified in a written notice of such default from Director, which date shall be no earlier than the third (3rd) day after the effective date of such notice. Notwithstanding the foregoing, in the event there occurs two (2) defaults in the payment of Rent or other payment during the Term, thereafter Operator shall not be entitled to, and City shall have no obligation to give, notice of any further defaults in the payment of Rent or other payment. In such event, there shall be deemed to occur an Event of Default immediately upon Operator's failure to duly and punctually pay Rent or other payment hereunder; or

(b) Operator shall become insolvent, or shall take the benefit of any present or future insolvency statute, or shall make a general assignment for the benefit of creditors, or file a voluntary petition in bankruptcy, or a petition or answer seeking an arrangement for its reorganization, or the readjustment of its indebtedness under the federal bankruptcy laws, or under any other law or statute of the United States or of any state thereof, or consent to the appointment of a receiver, trustee, or liquidator of any or substantially all of its property; or

(c) A petition under any part of the federal bankruptcy laws, or an action under any present or future insolvency law or statute, shall be filed against Operator and shall not be dismissed within thirty (30) days after the filing thereof; or

(d) There shall occur a Transfer without the prior approval of the City; or

(e) Operator shall voluntarily abandon, desert or vacate the Premises; or

(f) Any lien shall be filed against the Premises as a result of any act or omission of Operator, and shall not be discharged or contested by Operator in good faith by proper legal proceedings within twenty (20) days after receipt of notice thereof by Operator; or

(g) Operator shall fail to provide, maintain, increase, or replace, the Deposit as required herein; or

(h) Operator shall fail to obtain and maintain the insurance required hereunder, or provide copies of the policies or certificates to City as required herein; or

(i) Operator shall fail to keep, perform and observe each and every other promise, covenant and agreement set forth in this Lease, and such failure shall continue for a period of more than three (3) days after delivery by Director of a written notice of such failure (the "**First Notice**"); or if satisfaction of such obligation requires activity over a period of time, if Operator fails to commence the cure of such failure within three (3) days after receipt of the First Notice, or thereafter fails to diligently prosecute such cure, or fails to actually cause such cure within one hundred twenty (120) days after the giving of the First Notice; or

(j) Operator shall use or give its permission to any person to use any portion of Airport or the Terminal Buildings used by Operator under this Lease for any illegal purpose, or any purpose not approved by Director; or

(k) There shall occur a default under any other agreement between Operator and City, including the Other Agreements, if any, and such default is not cured as may be provided in such agreement; provided, however, that nothing herein shall be deemed to imply that Operator shall be entitled to additional notice or cure rights with respect to such default other than as may be provided in such other agreement.

15.2 Statutory Notices. Notwithstanding anything to the contrary in this Section 15, any written notice, other than as specifically set forth in this Section 15, required by any statute or law now or hereafter in force is hereby waived by Operator to the fullest extent available under law. Any notice given by City pursuant to Section 15.1 may be the notice required or permitted pursuant to Section 1161 *et seq.* of the California Code of Civil Procedure or successor statutes, and the provisions of this Lease will not require the giving of a notice in addition to the statutory notice to terminate this Lease and Operator's right to possession of the Premises. The periods specified in Section 15.1 within which Operator is permitted to cure any default following notice from City will run concurrently with any cure period provided by applicable laws.

15.3 Remedies. Upon the occurrence and during the continuance of an Event of Default, City shall have the following rights and remedies in addition to all other rights and remedies available to City at law or in equity:

(a) City shall have the rights and remedies provided by California Civil Code Section 1951.2 (damages on termination for breach), including the right to terminate Operator's right to possession of the Premises. In the event this Lease is so terminated, City may recover from Operator the following damages:

- (i) The "**worth at the time of the award**" of the unpaid Rent earned to the time of termination hereunder;
- (ii) The "**worth at the time of the award**" of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Operator proves could be reasonably avoided;
- (iii) The "**worth at the time of the award**" of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of such rental loss that Operator proves could be reasonably avoided; and
- (iv) Any other amount necessary to compensate City for all the detriment proximately caused by Operator's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom.

For purposes of the foregoing, the "**worth at the time of award**" of the amounts referred to in clauses (i) and (ii) above is computed by allowing interest at the lower of 18% per annum and the highest rate legally permitted under applicable law. The "**worth at the time of award**" of the amount referred to in clause (iii) above is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus 1% (one percent). Notwithstanding any other provisions hereof, any efforts by City to mitigate damages caused by Operator's breach of this Lease shall not constitute a waiver of City's right to recover damages hereunder and shall not affect the right of City to indemnification pursuant to the provisions of Section 12 [Waiver; Indemnity; Insurance] hereof. For purposes of calculating City's damages comprising Base Rent based on Gross Revenues, that amount will be computed by determining the highest Base Rent accruing in any Lease Year during the immediately preceding three Lease Years or such shorter period if the Term prior to termination was less than three Lease Years. Operator agrees that Operator's obligations under this Lease, including the payment of Base Rent, are independent covenants and are not conditioned on the covenants or warranties of City.

(b) City shall have the right and remedy described in California Civil Code Section 1951.4. City may elect not to terminate this Lease and let this Lease continue, in which case City may enforce all its rights and remedies under this Lease, including the right to recover Rent as it becomes due under this Lease. Acts of maintenance or preservation or efforts to relet the Premises or the appointment of a receiver upon the initiative of City to protect City's interest under this Lease shall not constitute a termination of Operator's right to possession.

(c) City shall have the right and power, as attorney in fact for Operator, to enter and to sublet the Premises, to collect rents from all subtenants and to provide or arrange for the provision of all services and fulfill all obligations of Operator (as permitted in accordance with the terms of this Lease) and City is hereby authorized on behalf of Operator, but shall have absolutely no obligation, to provide such services and fulfill such obligations and to incur all such expenses and costs as City deems

necessary in connection therewith. Operator shall be liable immediately to City for all costs and expenses City incurs in collecting such rents and arranging for or providing such services or fulfilling such obligations. City is hereby authorized, but not obligated, to relet the Premises or any part thereof on behalf of Operator, to incur such expenses as may be necessary to effect a relet and make said relet for such term or terms, upon such conditions and at such rental as City in its sole discretion may deem proper. Operator shall be liable immediately to City for all reasonable costs City incurs in reletting the Premises required by the reletting, and other costs. If City relets the Premises or any portion thereof, such reletting shall not relieve Operator of any obligation hereunder, except that City shall apply the rent or other proceeds actually collected by it as a result of such reletting against any amounts due from Operator hereunder to the extent that such rent or other proceeds compensate City for the nonperformance of any obligation of Operator hereunder. Such payments by Operator shall be due at such times as are provided elsewhere in this Lease, and City need not wait until the termination of this Lease, by expiration of the Term hereof or otherwise, to recover them by legal action or in any other manner. City may execute any lease made pursuant hereto in its own name, and the lessee thereunder shall be under no obligation to see to the application by City of any rent or other proceeds, nor shall Operator have any right to collect any such rent or other proceeds. City shall not by any reentry or other act be deemed to have accepted any surrender by Operator of the Premises or Operator's interest therein, or be deemed to have otherwise terminated this Lease, or to have relieved Operator of any obligation hereunder, unless City shall have given Operator express written notice of City's election to do so as set forth herein.

(d) City shall have the right to have a receiver appointed upon application by City to take possession of the Premises and to collect the rents or profits therefrom and to exercise all other rights and remedies pursuant to this Section 15.3.

(e) City shall have the right to enjoin, and any other remedy or right now or hereafter available to a landlord against a defaulting Operator under the laws of the State of California or the equitable powers of its courts, and not otherwise specifically reserved herein.

(f) City may elect to terminate any other agreement between Operator and City, including the Other Agreements, if any.

15.4 City's Right to Perform. All agreements and provisions to be performed by Operator under any of the terms of this Lease shall be at its sole cost and expense and without any abatement of Rent. If Operator shall fail to make any payment or perform any act on its part to be performed hereunder and such failure shall continue for ten (10) days after notice thereof by City, City may, but shall not be obligated to do so, and without waiving or releasing Operator from any obligations of Operator, make any such payment or perform any such other act on Operator's part to be made or performed as provided in this Lease. All sums so paid by City and all necessary incidental costs shall be deemed additional rent hereunder and shall be payable to City on demand, and City shall have (in addition to any other right or remedy of City) the same rights and remedies in the event of the nonpayment thereof by Operator as in the case of default by Operator in the payment of Rent.

15.5 Rights Related to Termination. In the event of any termination based on any breach of the covenants, terms and conditions contained in this Lease, City shall have the option at once and without further notice to Operator to enter upon the Premises and take exclusive possession of same. City may remove or store any personal property located therein, at the sole cost and expense of Operator without City being liable to Operator for damage or loss thereby sustained by Operator. Upon such termination by City, all rights, powers and privileges of Operator hereunder shall cease, and Operator shall immediately vacate any space occupied by it under this Lease, and Operator shall have no claim of any

kind whatsoever against City or any City Entity by reason of such termination, or by reason of any act by City or any City Entity incidental or related thereto. In the event of the exercise by City of such option to terminate, Operator shall have no right to or claim upon any improvements or the value thereof, which may have been previously installed by Operator in or on the Premises.

15.6 Cumulative Rights. The exercise by City of any remedy provided in this Lease shall be cumulative and shall in no way affect any other remedy available to City under law or equity.

15.7 Prepayment. As provided in Section 4.12 [Prepay Rent], if Operator defaults in the payment of Rent, City may require prepayment of Rent. Such right shall be in addition to and not in lieu of any and all other rights hereunder, or at law or in equity.

15.8 Fines. If Operator defaults under any of the Lease terms specified below, Director may elect to impose the fines described below on the basis of per violation per day:

<u>Violation</u>	<u>Section</u>	<u>Fine</u>
Violation of Premises Clause	1	\$300
Violation of Use Section	3	\$300
Failure to open Facility by the Rent Commencement Date	2.3	\$500
Failure to cause operations or Premises to comply with Laws	3.13	\$300
Failure to submit required documents and reports, including Sales Reports and Annual Reports	4	\$100
Construction or Alterations without City approval	7	\$500
Failure to submit any as-built drawings on a timely basis	7.1	\$500
Failure to obtain DRC and BICE approval 30 days prior to Commencement Date	7.2	\$250
Failure to build to DRC approved plans	7.3	\$250
Failure to make required repairs	9	\$300
Unauthorized advertising or signage	10	\$100
Failure to obtain/maintain insurance	12	\$300
Failure to obtain or maintain Deposit	13	\$300
Failure to abide by any other term in this Lease		\$300

Director's right to impose the foregoing Fines shall be in addition to and not in lieu of any and all other rights hereunder, in the Airport Rules, or at law or in equity. City shall have no obligation to Operator to impose Fines on or otherwise take action against any other Operator at the Airport. Such Fines shall constitute Additional Rent.

15.9 City Lien. Operator hereby grants to City a lien upon and security interest in all fixtures, chattels and personal property of every kind now or hereafter to be placed or installed in or on the Premises, and agrees that in the event of any default on the part of Operator City has all the rights and remedies afforded the secured party by the chapter on "Default" of the Uniform Commercial Code in the

state wherein the Premises are located on the date of this Lease and may, in connection therewith, also (a) enter on the Premises to assemble and take possession of the collateral, (b) require Operator to assemble the collateral and make its possession available to the City at the Premises, (c) enter the Premises, render the collateral, if equipment, unusable and dispose of it in a manner provided by the Uniform Commercial Code on the Premises. Operator agrees to execute such instruments as City may request to perfect such lien, and designates also Director his attorney-in-fact for purposes of executing such documents.

15.10 Commencement of Legal Actions. Any legal action by City to enforce any obligation of Operator or in the pursuit of any remedy hereunder shall be deemed timely filed if commenced at any time prior to one (1) year after the expiration or termination of the Term hereof or prior to the expiration of the statutory limitation period that would be applicable except for this Section 15.10, whichever period expires later.

15.11 Waiver of Notice. Except as otherwise expressly provided in this Section 15, Operator hereby expressly waives, so far as permitted by law, the service of any notice of intention to enter or re-enter provided for in any statute, or of the institution of legal proceedings to that end, and Operator, for and on behalf of itself and all persons claiming through or under Operator, also waives any right of redemption or relief from forfeiture under California Code of Civil Procedure Sections 1174 or 1179, or under any other present or future law, if Operator is evicted or City takes possession of the Premises by reason of any default by Operator hereunder.

16. SURRENDER

Operator shall at the end of the Term surrender to City the Premises in “broom clean” condition with all Alterations, additions and improvements thereto in the same condition as when received, ordinary wear and tear and damage by fire, earthquake, act of God, or the elements excepted. Operator shall abide by the vacating instructions in the Operator Improvement Guide and shall remove all trade dress, signage inserts, equipment and furnishings not permanently affixed to the base building or chattels. Additionally, Operator shall be responsible for ensuring that its telecommunications cables and all other low voltage special systems cables are capped off and service discontinued. If Operator utilized a hood, grease receptacle, or grease interceptor in the operation of its business, all items must be professionally cleaned with a receipt for same submitted to City. Subject to City’s right to require removal pursuant to Section 7 [Investments; Alterations] hereof, all Alterations and improvements installed in the Premises by Operator (other than Operator’s trade fixtures), shall, without compensation to Operator, then become City’s property free and clear of all claims to or against them by Operator or any third person. In the event that Operator shall fail to remove its personal property, including trade fixtures, on or before the Expiration Date, such personal property shall become City’s property free and clear of all claims to or against them by Operator or any third person. In such event, City shall not be responsible for any Losses related to such personal property, and City may sell or otherwise dispose of such personal property. If any of the surrender requirements of this Section are not met, City may at its sole discretion deduct reasonable costs for the work from the Operator’s Deposit.

17. HAZARDOUS MATERIALS

17.1 Definitions. As used herein, the following terms shall have the meanings hereinafter set forth:

(a) “**Environmental Laws**” shall mean any federal, state, local or administrative law, rule, regulation, order or requirement relating to industrial hygiene, environmental conditions or Hazardous Materials, whether now in effect or hereafter adopted, including the Comprehensive

Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. Sections 9601, et seq.), the Resources Conservation and Recovery Act of 1976 (42 U.S.C. Section 9601, et seq.), the Clean Water Act (33 U.S.C. Section 1251, et seq.), the Safe Drinking Water Act (14 U.S.C. Section 401, et seq.), the Hazardous Materials Transportation Act (49 U.S.C. Section 1801, et seq.), the Toxic Substance Control Act (15 U.S.C. Section 2601, et seq.), the California Hazardous Waste Control Law (California Health and Safety Code Section 25100, et seq.), the Porter-Cologne Water Quality Control Act (California Water Code Section 13000, et seq.), and the Safe Drinking Water and Toxic Enforcement Act of 1986 (California Health and Safety Code Section 25249.5, et seq.)

(b) **“Hazardous Material”** shall mean any material that, because of its quantity, concentration or physical or chemical characteristics, is deemed by any federal, state or local governmental authority to pose a present or potential hazard to human health or safety or to the environment. “Hazardous Material” includes, without limitation, any material or substance defined as a “hazardous substance,” or “pollutant” or “contaminant” pursuant to any Environmental Law; any asbestos and asbestos containing materials; petroleum, including crude oil or any fraction thereof, natural gas or natural gas liquids; and any materials listed in the Airport’s TI Guide.

(c) **“Release”** when used with respect to Hazardous Material shall include any actual or imminent spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into or inside the Building, or in, on, under or about the Property.

(d) **“Pre-Existing Condition”** means the existence of any Hazardous Materials on the Premises immediately prior to the Commencement Date.

17.2 Operator’s Covenants.

(a) Neither Operator nor any Operator Entity shall cause any Hazardous Material to be brought upon, kept, used, stored, generated or disposed of in, on or about the Premises or the Airport, or transported to or from the Premises or the Airport; provided that Operator may use such substances as are customarily used in retail sales so long as such use is in compliance with all applicable Environmental Laws and the Airport’s TI Guide.

(b) Operator shall handle Hazardous Materials discovered or introduced on the Premises during the Term in compliance with all Environmental Laws and the Airport’s TI Guide. Operator shall protect its employees and the general public in accordance with all Environmental Laws.

(c) In the event Operator becomes aware of the actual or possible Release of Hazardous Materials on the Premises or elsewhere on the Airport, Operator shall promptly give notice of the same to City. Without limiting the generality of the foregoing, Operator shall give notice to City of any of the following: (i) notice of a Release of Hazardous Materials given by Operator, any subtenant, or other occupant to any governmental or regulatory agency; (ii) notice of a violation or potential or alleged violation of any Environmental Law received by Operator, any subtenant, other occupant on the Premises from any governmental or regulatory agency; (iii) any inquiry, investigation, enforcement, cleanup, removal, other action that is instituted or threatened by a government or regulatory agency; (iv) any claim that is instituted or threatened by a third party against Operator, any subtenant, or other occupant on the Premises that relates to Hazardous Materials; and (v) any notice of termination, expiration, or material amendment to any environmental operating permit or license necessary for the use of the Premises.

(d) Any items containing Hazardous Materials in use by Operator, which are customarily used in retail, must be disposed of in a manner consistent with all applicable Environmental Laws.

(e) At Director's request, Operator shall provide information necessary for City to confirm that Operator is complying with the foregoing covenants.

17.3 Environmental Indemnity. Operator shall indemnify, defend, and hold harmless City from and against any and all Losses arising during or after the Term as a result of or arising from: (a) a breach by Operator of its obligations contained in the preceding Section 17.2 [Operator's Covenants], or (b) any Release of Hazardous Material from, in, on or about the Premises or the Airport caused by the act or omission of Operator or any Operator Entity, or (c) the existence of any Hazardous Materials on the Premises, except to the extent that Operator can demonstrate that such Hazardous Materials constitutes a Pre-Existing Condition.

17.4 Environmental Audit. Upon reasonable notice, Director shall have the right but not the obligation to conduct or cause to be conducted by a firm acceptable to Director, an environmental audit or any other appropriate investigation of the Premises for possible environmental contamination. Such investigation may include environmental sampling and equipment and facility testing, including the testing of secondary contamination. No such testing or investigation shall limit Operator's obligations hereunder or constitute a release of Operator's obligations therefor. Operator shall pay all costs associated with said investigation in the event such investigation shall disclose any Hazardous Materials contamination as to which Operator is liable hereunder.

17.5 Closure Permit. Prior to the termination or expiration of this Lease, Director shall have the right to require Operator to file with the City an application for a Closure Permit for decontamination of the site and investigation and removal of all Hazardous Materials in compliance with the Airport's TI Guide, the Airport Rules, and all Laws. The Closure Permit may require a plan for long-term care and surveillance of any contamination allowed to remain at the Premises or Airport property and an acknowledgment of responsibility and indemnification for any and all Losses associated with any such contamination. Without limiting the foregoing provision, City reserves the right to require Operator to, and in such event Operator shall, at Operator's sole cost and expense, decontaminate the Premises and remove any Hazardous Materials discovered during the Term, except those Hazardous Materials which constitute Pre-Existing Conditions. Such removal shall be performed to the Director's reasonable satisfaction.

18. EMINENT DOMAIN

18.1 Definitions. For purposes of this Section 18, the following capitalized terms shall have the following meanings:

(a) "**Award**" means all compensation, sums or value paid, awarded or received for a Taking, whether pursuant to judgment, agreement, settlement or otherwise.

(b) "**Date of Taking**" means the earlier of: (a) the date upon which title to the portion of the Premises taken passes to and vests in the condemnor, and (b) the date on which Operator is dispossessed

(c) "**Taking**" means a taking or damaging, including severance damage, by eminent domain, inverse condemnation or for any public or quasi-public use under applicable Laws. A Taking

may occur pursuant to the recording of a final order of condemnation, or by voluntary sale or conveyance in lieu of condemnation or in settlement of a condemnation action.

18.2 General. If during the Term or during the period between the execution of this Lease and the Commencement Date, any Taking of all or any part of the Premises or any interest in this Lease occurs, the rights and obligations of the parties hereunder shall be determined pursuant to this Section 18. City and Operator intend that the provisions hereof govern fully in the event of a Taking and accordingly, the Parties each hereby waives any right to terminate this Lease in whole or in part under Sections 1265.120 and 1265.130 of the California Code of Civil Procedure or under any similar Law now or hereafter in effect.

18.3 Total Taking; Automatic Termination. If a total Taking of the Premises occurs, then this Lease shall terminate as of the Date of Taking.

18.4 Partial Taking; Election to Terminate.

(a) If a Taking of any portion (but less than all) of the Premises occurs, then this Lease shall terminate in its entirety if all of the following exist: (i) the partial Taking renders the remaining portion of the Premises inoperable or unsuitable for continued use by Operator for the Permitted Use; (ii) the condition rendering the Premises inoperable or unsuitable either is not curable or is curable but City is unwilling or unable to cure such condition; and (iii) City elects to terminate.

(b) If a partial Taking of a material portion of the Terminal occurs, City shall have the right to terminate this Lease in its entirety.

(c) City's elections to terminate this Lease pursuant to this Section 18 shall be exercised by City's giving notice to Operator on or before the date that is one hundred twenty (120) days after the Date of Taking, and thereafter this Lease shall terminate upon on the thirtieth (30th) day after such notice is given.

18.5 Operator's Monetary Obligations; Award. Upon termination of this Lease pursuant to an election under Section 18.4 [Partial Taking; Election to Terminate] above, then: (a) Operator's obligation to pay Base Rent shall continue up until the date of termination, and thereafter shall cease, and (b) City shall be entitled to the entire Award in connection therewith (including any portion of the Award made for the value of the leasehold estate created by this Lease), and Operator shall have no claim against City for the value of any unexpired term of this Lease, provided that Operator may make a separate claim for compensation, and Operator shall receive any Award made specifically to Operator, for Operator's relocation expenses or the interruption of or damage to Operator's business or damage to Operator's personal property.

18.6 Partial Taking; Continuation of Lease. If a partial Taking of the Premises occurs and this Lease is not terminated in its entirety under Section 18.4 [Partial Taking; Election to Terminate] above, then this Lease shall terminate as to the portion of the Premises so taken, but shall remain in full force and effect as to the portion not taken, and the rights and obligations of the Parties shall be as follows: (a) the Minimum Annual Guarantee shall be adjusted by Director to reflect the Taking, and (b) City shall be entitled to the entire Award in connection therewith (including, but not limited to, any portion of the Award made for the value of the leasehold estate created by this Lease). Operator shall have no claim against City for the value of any unexpired Term of this Lease, provided that Operator may make a separate claim for compensation. Operator shall retain any Award made specifically to Operator for

Operator's relocation expenses or the interruption of or damage to Operator's business or damage to Operator's personal property.

18.7 Temporary Takings. Notwithstanding anything to contrary in this Section, if a Taking occurs with respect to all or any part of the Premises for a limited period of time not in excess of one hundred eighty (180) consecutive days, this Lease shall remain unaffected thereby, and Operator shall continue to pay Rent, and to perform all of the terms, conditions and covenants of this Lease. In the event of such temporary Taking, City shall be entitled to receive any Award.

19. CITY AND OTHER GOVERNMENTAL PROVISIONS

19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Operator acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Operator shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Operator fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Operator shall be liable for liquidated damages for each violation in any amount equal to Operator's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Operator acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Operator at the Airport, including any statements relating to the potential success or profitability of such venture. Operator represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Operator acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Operator hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Operator's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies

with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will City or any City Entity be liable to Operator or any Operator Entity for any consequential, incidental, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "**Sponsor's Assurance Agreement**" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Operator understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A - Office of the Secretary of Transportation, Part 21, as amended, as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Operator agrees as follows: "*Operator in its operation at and use of San Francisco International Airport, covenants that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) that in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended.*"

(b) This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR part 23. (i) The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Operator assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any

employment activities covered in 14 CFR Part 152, Subpart E. Operator assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Operator assures that it will require that its covered sub-organizations provide assurances to Operator that they similarly will undertake affirmative action programs and that they will require assurances from their sub-organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 City's Nondiscrimination Ordinance.

(a) In the performance of this agreement, Operator agrees not to discriminate against any employee, City and County employee working with Operator, applicant for employment with Operator, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Operator, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Operator shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Operator shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants/suboperators and other subcontractors to comply with such provisions. Operator's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Operator does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Operator hereby represents that prior to execution of this Lease (i) Operator executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Operator shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Operator understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person

was discriminated against in violation of the provisions of this Lease may be assessed against Operator and/or deducted from any payments due Operator.

19.11 Conflict of Interest. Through its execution of this Agreement, Operator acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify Landlord.

19.12 Prevailing Rates of Wage. Operator shall abide by Airport Commission Policy No. 80-0031, requiring that Operator pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease.

19.13 Declaration Regarding Airport Private Roads. Operator hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off and on ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.14 No Relocation Assistance; Waiver of Claims. Operator acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Operator fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Operator shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Operator shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.15 Drug-Free Workplace. Operator acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Operator or any Operator Entity shall constitute a default hereunder.

19.16 Compliance with Americans With Disabilities Act. Operator acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Operator shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Operator agrees not to discriminate against disabled persons in the provision of services, benefits or activities

provided under this Lease, and further agree that any violation of this prohibition on the part of Operator, its employees, agents or assigns shall constitute a material breach of this Lease.

19.17 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

19.18 Pesticide Prohibition. Operator shall comply with the provisions of Section 308 of Chapter 3 of the San Francisco Environment Code (the "**Pesticide Ordinance**") which (i) prohibit the use of certain pesticides on City property, (ii) require the posting of certain notices and the maintenance of certain records regarding pesticide usage and (iii) require Operator to submit to the Airport an integrated pest management ("**IPM**") plan that (a) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Operator may need to apply to the Premises during the terms of this Lease, (b) describes the steps Operator will take to meet the City's IPM Policy described in Section 300 of the Pesticide Ordinance and (c) identifies, by name, title, address and telephone number, an individual to act as Operator's primary IPM contact person with the City. In addition, Operator shall comply with the requirements of Sections 303(a) and 303(b) of the Pesticide Ordinance.

19.19 First Source Hiring Ordinance. Operator shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Operator concurrently herewith, and incorporated herein by reference.

19.20 Labor Peace/Card Check Rule. Without limiting the generality of other provisions herein requiring Operator to comply with all Airport Rules, Operator shall comply with the Airport's Labor Peace/Card Check Rule, adopted on February 1, 2000, pursuant to Airport Commission Resolution No. 00-0049 (the "**Labor Peace/Card Check Rule**"). Capitalized terms not defined in this provision are defined in the Labor Peace/Card Check Rule. To comply with the Labor Peace/Card Check Rule, Operator shall, among other actions: (a) Enter into a Labor Peace/Card Check Agreement with any Labor Organization which requests such an agreement and which has registered with the Director or his/her designee, within thirty (30) days after the Labor Peace/Card Check Agreement has been requested; (b) Not less than thirty (30) days prior to the modification of this Lease, Operator shall provide notice by mail to any Labor Organization or federation of labor organizations which have registered with the Director or his/her designee ("**registered labor organization**"), that Operator is seeking to modify or extend this Lease; (c) Upon issuing any request for proposals, invitations to bid, or similar notice, or in any event not less than thirty (30) days prior to entering into any Subcontract, Operator shall provide notice to all registered labor organizations that Operator is seeking to enter into such Subcontract; and (d) Operator shall include in any subcontract with a Subcontractor performing services pursuant to any Covered Contract, a provision requiring the Subcontractor to comply with the requirements of the Labor Peace/Card Check Rule. If the Director determines that Operator shall have violated the Labor Peace/Card Check Rule, the Director shall have the option to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.21 Requiring Minimum Compensation.

(a) Operator agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (the "MCO"), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Operator's obligations under the MCO is set forth in this Section. Operator is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Operator to pay Operator's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Operator is obligated to keep informed of the then-current requirements. Any subcontract entered into by Operator shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Operator's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Operator.

(c) Operator shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Operator shall maintain employee and payroll records as required by the MCO. If Operator fails to do so, it shall be presumed that the Operator paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Operator's premises and conduct interviews with employees and conduct audits of Operators.

(f) Operator's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Operator fails to comply with these requirements. Operator agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Operator's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Operator understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Operator fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Operator fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Operator represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Operator is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Operator later enters Operator an agreement or agreements that cause Operator to exceed that amount in a fiscal year, Operator shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Operator and this department to exceed \$25,000 in the fiscal year.

19.22 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, Operators, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.23 Requiring Health Benefits for Covered Employees. Operator agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (the "HCAO"), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Operator shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Operator chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Operator is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Operator's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Operator if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Operator fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Operator fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Operator shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Operator shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Operator shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Operator based on the Subcontractor's failure to comply,

provided that City has first provided Operator with notice and an opportunity to obtain a cure of the violation.

(e) Operator shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Operator's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Operator represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Operator shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Operator shall keep itself informed of the current requirements of the HCAO.

(i) Operator shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Operator shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Operator shall allow City to inspect Operator's premises and have access to Operator's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Operator to ascertain its compliance with HCAO. Operator agrees to cooperate with City when it conducts such audits.

(m) If Operator is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Operator later enters into an agreement or agreements that cause Operator's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Operator and the City to be equal to or greater than \$75,000 in the fiscal year.

19.24 Notification of Limitations on Contributions. By executing this Agreement, Operator acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to (a) a City elected official if the lease must be approved by that official, (b) a candidate for that City elective office, or (c) a committee controlled by that elected official or a candidate for that office, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Operator acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Operator further acknowledges that (i) the

prohibition on contributions applies to each prospective party to the lease; any person on Operator's board of directors, any of Operator's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Operator; any subtenant listed in the lease; and any committee that is sponsored or controlled by Operator; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Operator is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Operator certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Operator, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing.

19.25 Food Service Waste Reduction Ordinance. *Left Blank by Agreement of the Parties*

19.26 Multi-Employer Bargaining Group Participation. *Left blank by agreement of the parties*

19.27 Worker Retention Policy. Operator acknowledges the Airport's Worker Retention Policy and agrees to comply with its requirements.

19.28 Local Hire Policy. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$750,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Operator agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Operator shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Operator shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Operator shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Operator's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.29 Green Building Requirements. Operator acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Operator hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design ("LEED") certification.

19.30 Local Business Enterprise (LBE) Utilization; Liquidated Damages.

(a) The LBE Ordinance. Operator shall comply with all the requirements of the Local Business Enterprise and Non-Discrimination in Contracting Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the

“**LBE Ordinance**”), provided such amendments do not materially increase Operator’s obligations or liabilities, or materially diminish Operator’s rights, under this Lease. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Lease as though fully set forth in this section. Operator’s willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of Operator’s obligations under this Lease and shall entitle City, subject to any applicable notice and cure provisions set forth in this Lease, to exercise any of the remedies provided for under this Lease, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Lease expressly provides that any remedy is exclusive. In addition, Operator shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

(b) **Enforcement.** If Operator willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Lease pertaining to LBE participation, Operator shall be liable for liquidated damages in an amount equal to Operator’s net profit on this Lease, or 10% of the total amount of this Lease, or \$1,000, whichever is greatest. The Director of the City’s Human Rights Commission or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the “**Director of HRC**”) may also impose other sanctions against Operator authorized in the LBE Ordinance, including declaring the Operator to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Operator’s LBE certification. The Director of HRC will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to Administrative Code §14B.17. By entering into this Lease, Operator acknowledges and agrees that any liquidated damages assessed by the Director of the HRC shall be payable to City upon demand. Operator further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to Operator on any contract with City. Operator agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Lease, and shall make such records available for audit and inspection by the Director of HRC or the Controller upon request.

20. GENERAL PROVISIONS

20.1 **Notices.** Except as otherwise specifically provided in this Lease, any notice, consent, request, demand, or other correspondence given under this Lease shall be in writing and given by delivering the notice in person or by commercial courier, or by sending it by first-class mail, certified mail, return receipt requested, or overnight courier, return receipt requested, with postage prepaid or by electronic mail (if an electronic mail address is provided), to: (a) Operator at Operator’s Notice Address; or (b) City at City’s Notice Address; or (c) such other address as either Operator or City may designate as its new address for such purpose by notice given to the other in accordance with this Section. Any notice hereunder shall be deemed to have been given and received and effective two (2) days after the date when it is mailed, if sent by first-class, certified mail, one day after the date when it is mailed if sent by overnight courier, or upon the date personal or electronic mail delivery is made. For convenience of the parties, copies of notices may also be given by facsimile to the number set forth in the Summary or such other number as may be provided from time to time; provided, however, neither party may give binding notice by facsimile.

20.2 **No Implied Waiver.** No failure by either party to insist upon the strict performance of any obligation of the other party under this Lease or to exercise any right, power or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or of such term, covenant or condition. No express written waiver of any default or the performance of any provision hereof shall affect any other default or performance, or cover any other period of time, other than the default, performance or period of time specified in such express waiver.

20.3 Entire Agreement. The parties intend that this Lease (including all of the attached exhibits, which are made a part of this Lease) shall be the final expression of their agreement with respect to the subject matter hereof and may not be contradicted by evidence of any prior or contemporaneous written or oral agreements or understandings. The parties further intend that this Lease shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including prior drafts hereof and changes therefrom) may be introduced in any judicial, administrative or other legal proceeding involving this Lease.

20.4 Amendments. Except as specifically provided herein, neither this Lease nor any term or provisions hereof may be changed, waived, discharged or terminated, except by a written instrument signed by the party against which the enforcement of the change, waiver, discharge or termination is sought.

20.5 Interpretation of Lease. The captions preceding the articles and sections of this Lease and in the table of contents have been inserted for convenience of reference only and such captions shall in no way define or limit the scope or intent of any provision of this Lease. This Lease has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein and shall be interpreted to achieve the intents and purposes of the parties, without any presumption against the party responsible for drafting any part of this Lease. Provisions in this Lease relating to number of days shall be calendar days. Use of the word "**including**" shall mean "including, without limitation." References to statutes, sections, ordinances or regulations are to be construed as including all statutory, ordinance, or regulatory provisions consolidating, amending, replacing, succeeding or supplementing the statute, section, ordinance or regulation. Whenever the singular number is used in this Lease and when required by the context, the same includes the plural, the plural includes the singular, and the masculine gender includes the feminine and neuter genders, and the word "**person**" shall include corporation, partnership, firm, limited liability company, and association.

20.6 Successors and Assigns. Subject to the provisions of Section 5 [Assignment or Subletting], the terms, covenants and conditions contained in this Lease shall bind and inure to the benefit of Operator and City and, except as otherwise provided herein, their personal representatives and successors and assigns.

20.7 No Third-Party Beneficiaries. There are no third-party beneficiaries to this Lease.

20.8 No Joint Venture. It is expressly agreed that City is not, in any way or for any purpose, a partner of Operator in the conduct of Operator's business or a member of a joint enterprise with Operator, and does not assume any responsibility for Operator's conduct or performance of this Lease.

20.9 Brokers. Neither party has had any contact or dealings regarding the leasing of the Premises, nor any communication in connection therewith, through any licensed real estate broker or other person who could claim a right to a commission or finder's fee in connection with the lease contemplated herein. In the event that any broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings or communication, the party through whom the broker or finder makes his/her claim shall be responsible for such commission or fee and shall indemnify, defend, and hold harmless the other party from any and all Losses incurred by the indemnified party in defending against the same. The provisions of this Section shall survive any termination or expiration of this Lease.

20.10 Severability. If any provision of this Lease or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons, entities or circumstances other than those as to which it is

invalid or unenforceable, shall not be affected thereby, and each other provision of this Lease shall be valid and be enforceable to the full extent permitted by law.

20.11 Governing Law. This Lease shall be construed and enforced in accordance with the laws of the State of California and the Charter of the City and County of San Francisco.

20.12 Attorneys' Fees. In the event that either City or Operator fails to perform any of its obligations under this Lease or in the event a dispute arises concerning the meaning or interpretation of any provision of this Lease, the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder (whether or not such action is prosecuted to judgment), including, without limitation, court costs and reasonable attorneys' fees. For purposes of this Lease, reasonable fees of attorneys of City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney. Without limiting the generality of the foregoing, Operator shall also pay all costs and expenses incurred by City related to City's participation in or monitoring of any Operator bankruptcy, insolvency, or similar proceeding involving creditors' rights generally and any proceeding ancillary thereto. This Section shall survive expiration or earlier termination of this Lease.

20.13 Cumulative Remedies. All rights and remedies of either party hereto set forth in this Lease shall be cumulative, except as may otherwise be provided herein.

20.14 Time of Essence. Time is of the essence with respect to all provisions of this Lease in which a definite time for performance is specified.

20.15 Reservations by City. City may (a) at any time, upon reasonable advance written or oral notice, enter the Premises to show the Premises to prospective Operators or other interested parties, to post notices of non-responsibility, to re-measure the Premises, to repair any part of the Premises or adjoining areas, to install equipment for adjoining areas, and for any other lawful purpose; (b) without advance notice, enter the Premises to conduct an environmental audit, operational audit, or general inspection, or in an emergency. City shall use reasonable efforts to minimize disruption in Operator's business. Such entry shall not constitute a forcible or unlawful entry into or a detainer of the Premises, or an eviction, actual or constructive of Operator from the Premises. City reserves the exclusive right to use all areas of the Airport not comprising the Premises, and the exterior walls and roofs the Premises. City reserves the exclusive right to use such areas together with the right to install, maintain, use, repair, and replace pipes, ducts, conduits, wires, columns, and structural elements serving other parts of the Airport in and through the Premises. This reservation in no way affects maintenance obligations imposed in this Lease.

20.16 Survival of Indemnities. Expiration or termination of this Lease shall not affect the right of either party to enforce any and all indemnities and representations and warranties given or made to the other party under this Lease, nor shall it effect any provision of this Lease that expressly states it shall survive termination hereof. Each party hereto specifically acknowledges and agrees that, with respect to each of the indemnities contained in this Lease, the indemnitor has an immediate and independent obligation to defend the indemnitees from any claim which actually or potentially falls within the indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to the indemnitor by the indemnitee. Further, Operator's obligation to make payments to City in respect of accrued charges (including those which have not yet

been billed) and to make repairs (including those relating to the return of the Premises to City) which are accrued at the expiration or earlier termination of this Lease shall survive the expiration or earlier termination of this Lease.

20.17 Quiet Enjoyment and Title. Operator, upon paying the Rent hereunder and performing the covenants hereof, shall peaceably and quietly have, hold and enjoy the Premises and all appurtenances during the full Term as against all persons or entities claiming by and through City. Operator expressly acknowledges that Operator's right to quiet possession of the Premises does not preclude City's right to make changes and additions to the Airport, including the Premises, and to do work in the Premises as permitted by this Lease.

20.18 No Right of Redemption. Operator waives any right of redemption or reinstatement of Operator under any present or future case law or statutory provision (including Code of Civil Procedure Sections 473 and 1179 and Civil Code Section 3275) in the event Operator is dispossessed from the Premises for any reason. This waiver applies to future statutes enacted in addition or in substitution to the statutes specified herein.

20.19 Accord and Satisfaction. The payment by Operator or the receipt by City of a lesser amount than the rent stipulated in this Lease may be, at City's sole option, deemed to be on account of the earliest due stipulated rent, or deemed to be on account of rent owing for the current period only, notwithstanding any instructions by or on behalf of Operator to the contrary, which instructions shall be null and void, and no endorsement or statement on any check or any letter accompanying any such check or payment will be deemed an accord and satisfaction, and City may accept such check or payment without prejudice to City's right to recover the balance of such rent or payment or pursue any other remedy available in this Lease, at law or in otherwise, including possession of the Premises. City may accept any partial payment from Operator without invalidation of any contractual notice required to be given herein (to the extent such contractual notice is required) and without invalidation of any notice given or required to be given pursuant to applicable law. In such event, if City shall receive any such partial payment after it shall have commenced an action against Operator, City may amend its action as contemplated by Section 1161.1(c) of the California Civil Code to reflect any such partial payment, and no such payment shall limit any of City's rights to continue the action.

20.20 Joint and Several Liability. The liabilities hereunder of the entities and/or person(s) comprising Operator shall be joint and several.

20.21 Estoppel Statements. Within ten (10) days after request therefor by City, Operator shall deliver, in recordable form, an estoppel statement certifying that this Lease is in full force and effect; the date of Operator's most recent payment of Rent, and that Operator has no defenses or offsets outstanding, or stating those claimed, and any other information reasonably requested. Failure to deliver said statement within the specified period shall be conclusive upon Operator that: (i) this Lease is in full force and effect, without modification except as may be represented by City; (ii) there are no uncured defaults in City's performance and Operator has no right of offset, counterclaim or deduction against Rent hereunder; and (iii) no more than one month's Base Rent has been paid in advance. Notwithstanding the conclusiveness of Operator's failure to deliver such statement, Operator's failure shall constitute a breach of this Lease.

20.22 Authority. If Operator signs as a corporation, a limited liability company, or a partnership, each of the persons executing this Lease on behalf of Operator does hereby covenant and warrant that Operator is a duly authorized and existing entity, that Operator has and is duly qualified to do business in California, that Operator has full right and authority to enter into this Lease, and that each and all of the

persons signing on behalf of Operator are authorized to do so. Upon City's request, Operator shall provide City evidence reasonably satisfactory to City confirming the foregoing representations and warranties.

20.23 Consents. If City is required to reasonably grant consent or approval, but does not do so, Operator's sole and exclusive remedy is to seek specific performance and in no event will City be liable for any monetary damages.

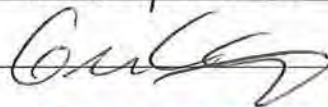

20.24 Options Personal. If and to the extent Operator has an option to extend the Term of this Lease, such option is personal to the original Operator and may be exercised only by the original Operator while occupying the Premises who does so without the intent of thereafter making any Transfer, and may not be exercised by or assigned, voluntarily or involuntarily, by or to any person or entity other than Operator, unless the foregoing prohibition is waived by Director. The options, if any, herein granted to Operator are not assignable separate and apart from this Lease, nor may any option be separated from this Lease in any manner, either by reservation or otherwise.

20.25 Counterparts. This Lease may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

A. GENERAL INFORMATION

1. GOVERNING CODES AND REQUIREMENTS

All Construction work performed at the San Francisco International Airport (SFO) shall comply with the requirements of the current California Code Regulations (CCR), Title 24, and Americans with Disability Act (ADA). The work must also comply with the requirements of the SFO Operator Improvement Guide (TIG), a supplemental Airport document governing some aspects of Operator construction, the California Uniform Retail Food Facilities Law (CURFFL) and the terms and conditions of the Lease, including but not limited to Section 7 [Investments; Alterations].

Operators must obtain approval from the SFO Infrastructure Review Committee (IRC) and a building permit from SFO Building Inspection and Code Enforcement (BICE). Food and Beverage Concessions must complete plan review and obtain a Health Permit from the San Mateo County Environmental Health Department. Operators are encouraged to secure a Green Business Certificate from the County of San Mateo.

Design of Concessions Operator improvements shall be developed in accordance with the Design Review Committee Guidelines.

2. RIGHTS OF WAY

Any Operator will need to obtain approval from any other tenants whose leased premises lie above or below occupied or restricted space to accommodate Operator's mechanical equipment and grease exhaust system. Operator plumbing and waste lines will not be allowed to cross above or go through Special Systems or Operator Wiring Rooms. These paths of travel will need to be reviewed with BICE for acceptance.

3. EXISTING UTILITY RESPONSIBILITY

Operator is responsible to remove any and all abandoned or no longer in use utilities within the leasable footprint including above and below the tenant space.

a. Electrical

Upon approval of a shutdown request from SFO the breakers and all associated wiring shall be removed from the entire run and a pull string shall be installed with this operation. The conduit may remain from the distribution panel to within 2' outside the tenant lease line. The conduit end outside the tenant space shall be capped and both ends of the conduit run shall be labeled with the panel location number and terminated space identification number. Any existing J box or pull can that will remain in the space shall be accessible and the box information shall be preserved on the box.

b. Data

Any existing phone or box that has been identified and confirmed with ITT as not in use nor serving any other spaces the tenant may remove it. All the cabling shall be removed from the conduit to the point of origin and a pull string shall be installed with this operation. The conduit shall be removed from the tenant space to a point of 2' outside the lease line and capped. Both ends of this abandoned conduit shall be identified with the location of the data room and the terminated space identification number. Any J box or pull can remaining within the tenant space shall be accessible and the box information shall be preserved on the box.

c. Plumbing

The Operator assumes responsible to remove any and all abandon sanitary, grease waste or vent lines that were previously left within the leasable space, which includes above and below the tenant space. Operator shall maintain the identification and access of any valve that can't be relocated outside of the tenant space.

d. Mechanical

Any and all pneumatic lines or equipment that are confirmed to be not reused within the tenants space shall be removed and the Operator shall properly plug off the unused lines at the source as to keep the base building system operational. All unit identification shall be maintaining on any remaining units.

B. BUILDING SYSTEMS

1. PLUMBING

a. Domestic COLD WATER

Potable cold water will be available to Food and Beverage. Operator water usage is metered by the Airport and the meter is provided and installed by the Airport. Operator shall extend water service to and within the demised premises as needed. Operator's domestic water system must be chlorinated and approved prior to connection to the Airport's water system. Hot water shall be provided by the Operator.

b. Sanitary SEWER

The Operator is responsible to replace all piping from every fixture connection to the wye connection of the main branch line. All new piping shall be of materials that will not be adversely effected by waste being introduced into the system, special consideration shall be given to all waste from bars, soda fountain and juicers. All piping shall be labeled including tenant space name & number every 10 feet and at point of connections.

c. Grease WASTE

The Operator is responsible to replace all piping from every fixture connection to the wye connection of the main branch line. The Operator is responsible for installing and maintaining a complete grease waste interceptor system if the existing space is not equipped with one. There are two locations for the interceptor; within the kitchen using model (Thermaco Big Dipper System or approved equal) or at an SFO approved location on the ramp. The Operator contractor shall perform confirmation dye testing for any interceptor installations at locations where above ground sanitary connections are not present. The Airport will determine which type of interceptor is required depending on the anticipated grease production of the restaurant. New piping shall be of materials that will not allow grease to coat the interior of the pipe. All piping shall be labeled including tenant space name & number every 10 feet and at point of connections. The GI unit itself shall have a plaque with the space name & number including a 24-hour contact number attached to it.

d. Natural GAS

General. SFO is committed to reducing greenhouse gas emissions across its operations, including among its tenants. The Airport operates using SF Public Utilities Commission greenhouse gas-free electric power and promotes the use of electric commercial cooking equipment over emission-intensive natural gas alternatives. Natural gas will be provided upon request to tenants operating concessions designated as food and beverage tenants and

other select tenant locations within the Terminal. Food and beverage uses designated as Specialty Coffee or Café will not have gas service available.

The airport system is designed to support up to 1,500,000 btu/hr at 0.25 psig. The natural gas system operates at 7" water column or 0.25 psig pressure and is available at tenant lease line. Operator is responsible for the purchase and installation of a SFO approved gas meter and extending the gas service from the POC in the gas meter room into the demised premises as needed and acquiring an acceptance green tag for the installed system from BICE. The Operator gas usage is metered by the Airport. Labeling of this line with the space name and number is required every 10 feet and at point of connection.

Operator must also submit to the ZERO Committee an executed PG&E Authorization to Receive Customer Information to allow the Airport's tracking of natural gas used onsite, and keep such authorization active during the term of the tenancy.

2. FIRE SPRINKLERS

The Airport will provide a "wet type" Fire Sprinkler System complying with the requirements of the NFPA 13 and the Airport Fire Marshal. The Operator shall install a hydraulically calculated fire sprinkler system throughout the leased premises, reviewed and approved by the Airport Fire Marshal. Sprinklers shall be concealed or flush pendant quick response type heads. Tamper switches shall be provided for all valves normally in the open position and shall be PPDT self-storing type devices. All components of the fire sprinkler system shall be UL listed. The tenant's subcontractor is required to submit a shutdown request 3 days prior of any scheduled work performed on the Airport sprinkler system.

3. HVAC SYSTEMS & CONTROLS

The Terminal is serviced by a central heating, ventilation and air conditioning (HVAC) system. The system is a variable volume conditioned air system fed from multiple air handlers. Return air shall have transfer air duct from each tenant space to ceiling return air plenum. The supply air system allowance at 63°F and 1.1 CFM per square foot. The tenant is required to have their mechanical engineer of record provide a letter to the SFFD stating that their system will not affect the base building smoke control system. Operator spaces shall be designed for overhead supply air system (mixing ventilation) or for displacement ventilation depending on location within the Terminal (refer to utility point of connection drawings). Hot Water piping is available for re-heat coils at temperatures at 150° (secondary side). Victaulic couplings will not be permitted on hot water system. Operator will connect Operator's HVAC system at the designated location(s) of the base building's conditioned supply air duct system and extend system as necessary throughout the leased premises providing VAV terminal boxes and necessary DDC controls to maintain proper temperature and maximize energy conservation in the space. Should Operators need additional tempered air beyond the capacity of the base building system, Operators must install their own supplemental roof top equipment at an approved Airport location. The Operator is responsible to contract with a licensed roofing contractor for any repairs to the roof. The food service Operators are responsible for providing make-up air system interlocked with the Operator's grease exhaust system so that the exhaust system cannot operate without the make-up air system operating. The Operator's HVAC design shall comply with the TIG and building codes. Operator shall also be responsible for compliance with SFO sustainable goals and objectives. HVAC design shall comply with LEED standards and California Title 24 for energy efficiency and air quality. To control odor migration, the make-up air system is to be designed such that the make-up air quantity plus outside air capacity of the Operator's HVAC system equals 80 percent of the exhaust air quantity. The Operator's premises (enclosed spaces) are to be 0.05" water column negative pressure with respect to the terminal or concourse area.

Operator's mechanical equipment shall be sound and vibration attenuated. The Operator shall submit plans, specifications and load calculations to BICE for permitting. The Operator shall prepare an Air Balance Report for its mechanical systems as part of the required BICE permit closeout submittals. Operator is required to use a licensed air balancing subcontractor.

a. Grease EXHAUST

Where required, a Operator will install a grease exhaust system "Smog Hog" that complies with NFPA 96, CBC, CMC and CHC requirements, including hood design, duct design, equipment mounting requirements and fire extinguishing system. The hoods must be UL rated, IR approved capable of capturing 90% of the grease from the exhaust air at the hood. Operator is responsible for the maintenance of the grease exhaust systems. As part of the BICE permitting process, the system manufacturer must warrant in writing that the proposed system will extract, at a minimum, 90% of the air laden grease prior to the issuance of a building permit. The Airport will work with Operators to determine an appropriate location for Operator's roof penetration. Screening of this equipment will need to be provided by the tenant and reviewed by the DRC. The Operator is responsible to contract with a licensed roofing contractor for any repairs to the base building roof and include a complete walk off mat route around all roof equipment for maintenance.

4. ELECTRICAL

The Operator will receive either a 3 phase, 4 wire 277/480V or 120/208 electrical service for their spaces fed from a Operator Metering Switchboard located in the Airport Metering Room. Operators will be allowed a connected maximum load of 72W per square foot in food preparation areas and a maximum of 15W per square foot in seating areas. The Operator shall provide all electrical information on proposed Operator equipment to BICE to verify the actual load with the available service. The tenant shall provide documentation to SFO that the existing breaker, shut trip, and relay has been tested and certified prior to its reuse in the existing distribution gear.

If the Operator requires electrical service greater than noted above, Airport staff will work with the Operator's Designer on a case by case basis to provide the capacity required. Any additional electrical equipment and associated work necessary to accommodate the request shall be provided by the tenant. Emergency electrical power will NOT be available for Operator use. Emergency lighting shall be designed using devices approved under the applicable codes. If an existing space has any SFO emergency circuits within their space the tenant electrical contractor will need to remove these circuits to the closest junction box outside of their space and have it approved by BICE.

Operator shall be responsible for procurement and installation of all other work required to provide a complete electrical distribution system including feeder circuit breakers and electrical meter circuit transformers (CT's) in the Airport's Operator Metering Switchboard and feeder wiring from the Switchboard to the Operator's Distribution Panel.

The Airport will install the Operator Meter and energize the service to the space upon BICE approval of the Operator's electrical system installation. Operator will contact the Airport Electrical Shop at (650) 821-5489 to schedule installation of the SFO provided meter into the metering panel after the Operator's electrical system has been approved by BICE Inspectors.

a. Equipment REQUIREMENTS

Note that the Airport specifies all products to be installed shall match the Airport Electrical Rooms existing equipment including, but not limited to the following:

For a 277/480V electrical service connection, the Operator shall install a maximum of 200A feeder circuit breaker in the Operator Metering Switchboard. Ground fault breakers within the Airport's 277/480V Operator Metering Switchboard shall be Square D model Power Pact type HJ with GFM (ground fault module add-on) or match the existing panel gear. The Operator may transform the 480V service to another voltage from the Operator's Distribution Panel. Operator's Distribution Panel and all other Operator installed electrical equipment shall be located within the lease line as indicated on the Operator's lease outline drawings. Or an approved Electrical closet designated for tenant equipment.

For a 120/208V electrical service connection, the Operator shall install a maximum 50A feeder circuit breaker in the Operator Metering Switchboard. Breakers within the Airport's Operator Metering Switchboard shall be Square D model SE R ET, or match the existing panel gear. Operator's Distribution Panel and all other Operator installed electrical equipment shall be located within the lease line as indicated on the Operator's lease outline drawings.

Electrical meter circuit transformers (CTs) are sized according to the service load: for 100A service use 100:5 CT. CT wiring should be lengthened when necessary with color coded twisted pair #16 gauge using butt splices (not wire nuts) and clearly labeled where terminated at the shorting block. CT ratio shall be labeled at the shorting block where the CTs are terminated.

5. FIRE ALARM

Operators shall provide a fire alarm system and terminal box inside their premises and connect all required fire alarm devices to allow for Airport monitoring and control functions of both the Airport's and the Operator's fire alarm system. Operator is required to design towards the latest NFPA 72 requirements and the TIG use the same fire alarm system as the base building's fire alarm system (Simplex) and must be able to communicate with the base building Fire Alarm Control Panel (FACP). Operator must use the base building fire alarm subcontractor (Simplex) for all FA tie-ins to the base building fire alarm system. Operators shall meet interim fire alarm requirements and conditions per the TIG until Operator's system is tied-in to the base building fire alarm system.

- ITB – BA/A – BA/G are Class A for strobe and mapnet devices
- The remaining Terminal Buildings are Class B

6. TELECOMMUNICATIONS & DATA

The Airport's Information Technology and Telecommunication Department (ITT) provide a multitude of Shared Operator Services (STS) via Airport Infrastructure and Network Transport. Services include, voice grade services, DS1 to OC12 SONET Transport, Ethernet Connectivity, Common Use Connectivity and DirecTV and/or Comcast Cable TV Services throughout the Airport Campus.

For all Operator IT service requests (Move, Ads or Changes) contact the Airport ITT Provisioning Group at 650-821-HELP (4357) Option 1, or sfohelpdesk@flysfso.com.

The Operator is responsible for the installation of their Telecommunication and Data System throughout the leased premises and or utilizing the existing conduit or providing a new conduit from the leased premises to the designated Airport Operator Wiring Closet (TWC) and/or Special Systems Room (SSR). Any necessary equipment must be housed within the leased premises. General technical recommendations on Voice and Data Cabling at SFO are as follows:

- a. Copper Feeder Cable from the Operator space for Voice and SONET Transport Service: the Operator is recommended to furnish and install a single 25 pair (or greater) copper feeder cable, inside of a 2" (or greater) conduit, from the Airport TWC and/or SSR to a backboard located inside of the Operator space.
- b. The 25-pair cable inside of the Airport TWC and/or SSR will need to be terminated on an Airport provided 110 or 66 style termination block by the Operator. The location of where the Operator can terminate their feeder cable inside of the Airport's TWC and/or SSR will be designated by SFO's ITT Department (650) 821-4361. Inside of the Operator's space, it is recommended that the feeder cable be terminated on a 66 or 110 style termination block. The Operator shall install the termination block on an accessible communication backboard or 19-inch relay rack.
- c. If Ethernet/Internet Services will be required within the Operator space, in addition to the Voice Feeder Cable, individual CAT 5e/6/6A Data Cables or Single Mode / Multi Mode fiber shall be installed in the supplied utility stub for communications so Data services from SFO can be distributed into this space. If more than four (4) individual internet connections are required, then a network switch shall be installed in the Operator space which can be fed by Fiber or Copper to the closest Airport TWC and/or SSR for Ethernet/Internet Service. The necessity of installing any combination of these cables and how and where to terminate them within the designated Airport TWC and/or SSR shall be discussed with SFO's ITT Department (650) 821-4361.
- d. The individual CAT5e/6/6A and/or Single Mode/Multi Mode Fiber cabling inside of the Airport TWC and/or SSR will need to be terminated on an Airport provided Ethernet Patch Panel and/or Fiber LIU by the Operator unless otherwise directed by SFO ITT. The location of where the Operator can terminate their cable inside of the Airport's TWC will be designated by SFO's ITT Department (650) 821-4361. Inside of the Operator's space, it is recommended that the cable be terminated on Ethernet Patch Panels and/or Fiber LIU's on an accessible communication backboard or 19-inch relay rack.

Copper Station Cabling Inside of a Operator Space: The Operator is required to furnish and install one (1) CAT 5e/6/6A cable per voice or data jack inside the Operator's space. All voice CAT 5e cables should be terminated on the same block as the Operator's feeder cable. All Data CAT 5e/6/6A cables should be terminated on a patch panel or a multi-port surface mount block close to the Operator's network equipment. The Airport recommends the installation of two (2) Voice CAT 5e and two (2) Data CAT 5e/6/6A Cables per communications outlet.

Coaxial Cable for Cable TV Service: If the Operator requires Cable TV Services inside of their space, they will need to install the following to get service from the Airport's HDTV Service Provider who is the sole provider of TV Services at SFO. Inside of the same 2" Telecommunication Conduit feeding the designated Operator Space from the closest Airport TWC and/or SSR, the Operator will need to furnish and install a single RG-11 or RG-6 quad-shielded Coaxial Cable (which will be dictated by SFO due to distance and quantities of devices) to a backboard that is located inside of the Operator space. This cable will be used to distribute TV services to up to eight (8) receivers within the same Operator space. If more than eight (8) receivers within the same Operator space are required, a second RG-11 quad-shielded Coaxial Cable will have to be installed by the Operator.

The Operator needs to provide the following Communication Drawings within their BICE Submittal package:

- a. The location of the Operator Communications Backboard, Voice, Data and Cable TV outlets with callouts inside of their proposed space.
- b. A single line riser diagram showing the conduit(s) run from the Operator space to the designated Airport TWC and/or SSR, including what will be installed in the conduit.

7. SOLID WASTE MANAGEMENT

The Airport is required by City Ordinance achieving zero waste by 2020. Operators are required to cooperate with the Airport to maximize the rate of solid waste recycling and source separation.

Operators shall maximize recycling and composting within their leasehold by providing separate, labeled containers for recyclables, compostable, and landfill waste/trash. Operators shall source separate each type of material in the designated recycling, compost, or landfill waste/trash container and shall be responsible for ensuring that all employees and patrons do the same. Operators are prohibited from disposing of recyclable or compostable items into any landfill waste/trash compactor or container anywhere in the Airport including, but not limited to, their leasehold and designated Materials Recovery Area. Operator is required to minimize solid waste to landfill and maximize composting and recycling and shall submit to the ZERO Committee a Zero Waste Management Plan to achieve zero waste from its operations. Operator shall design the space for source separation of the following materials: (a) Compostable; (b) Recyclable; (c) Cardboard; and (d) Landfill. Operator is required to provide recycling, composting and landfill receptacles within its Premises and shall ensure these source separated materials are deposited in the appropriate collection container within the designated courtyard / Materials Recovery Area.

8. COOKING OIL WASTE

The Airport will provide a cooking oil storage tank serviced under contract to the Airport. Food and Beverage Operators are required to purchase model 2500C Casino Oil Caddy from Darling International to transport cooking oil waste from their kitchens to the storage tanks. Operators shall be responsible to transport caddy oil material from their kitchen to the storage tank location. Caddies are available from Darling International at (415) 647-4890, or <http://www.darlingii.com/UsedOilStorage.aspx>.

9. TENANT DOORS AND LOCKS

The Operator is responsible for maintaining the rating of all of their base-building doors. Spaces with existing store front glass doors may be reused but will be the sole responsibility of the tenant to maintain them or remove to replace with an approved equal type glass door. Any modification of a door by the tenant which changes the rating of a door is prohibited. It will be the responsibility of the tenant to furnish and install a replacement door of equal or greater quality, to replace any base-building door which they may have modified for their own use. Any added doors, door hardware or modifications to doors which open on public, or secure common areas such as lobbies, tenant corridors and storage areas, must match the existing SFIA hardware in appearance and standard. Cylindrical and tubular locks, or any lock requiring an ANSI 161 prep, are prohibited. Only mortise locks are permitted.

Locks must conform to the SFIA standard:

- SCHLAGE L-9000 Series, with 17A lever trim and 630 or 318 finish
- VON DUPRIN 98, 98XP or 35 Series panic devices
- SARGENT S2 Series mortise cipher locks

No SFIA lock or security device shall be removed, or altered in any way without the written

consent of the SFIA Lock shop. Installation of doors and locks will follow the standards established by the Airport Carpenter and Locksmith Shops. It is the tenant's responsibility to inform your locksmith contractors of the standards. All locks which are for the exclusive use of the tenant shall be rekeyed and combined by the tenant's locksmith, unless the Airport requires access, or if the door accesses a secure or sterile area.

C. TENANT LEASEHOLD DESIGN AND CONSTRUCTION

1. GENERAL

Operator shall design, engineer and construct, at its sole expense, all improvements and alterations necessary for Operator to conduct the Permitted Use in the Premises, in accordance with all applicable Laws, Codes and other requirements. Workshops and meetings are delineated herein that will provide information about the process, criteria and schedule that should enable Operators and their Consultants to accomplish their responsibilities in a timely, cost effective manner. It is the Operator's responsibility to manage their project, consultants and contractors. Attendance at all workshops and meetings is mandatory.

2. DESIGN

Plan Development and Approvals. The Operator shall engage architectural/engineering professionals licensed by the State of California, experienced in food, retail or other concession service design to prepare Operator's leasehold improvement plans. The Operator is responsible for obtaining all necessary approvals including Airport Design Review Committee (DRC) design approval, SFO Infrastructure Review Committee approval (IRC), building permit issued by Building Inspection and Code Enforcement (BICE), and a Health permit issued by the San Mateo County Environmental Health Department when required. BICE will not accept an application for a building permit without prior design approval by the Airport's DRC and IRC. Operator is required to comply with the Airport's sustainability requirements as further detailed below, which must be coordinated with the Airport's ZERO committee.

- a. **Lease Outlines.** The Airport will distribute Operator Lease Outline Drawings to enable Operator's design consultants to prepare Operator's leasehold improvement plans.
- b. **Operator Verification of Existing Conditions.** Operator shall physically survey the demised premises at the earliest opportunity after signing of Operator Lease to verify existing conditions and acknowledge the results in writing on an Airport-provided form.
- c. **Operator Signage Requirements.** Operators shall submit to the DRC for review graphics for their blade and storefront signage logos.
- d. **Design Review Committee Approval.** Upon completion of Operator's leasehold design, Operator shall submit plans for review by Revenue Development and Management (RDM) Property Manager. Property Manager will review plans to ensure Operator's design meets space requirements and Permitted Use as defined in Operator's Lease. The Property Manager will then schedule a DRC meeting wherein the Operator will present initial renderings and material boards. Operators shall complete the design review process in a timely manner and the Airport will provide Operators with the estimated opening date upon signing of Operator's lease and will inform Operator in writing of any changes to said date.
- e. **ZERO Committee Approval.** SFO's ZERO (Zero Energy & Resilient Outcomes) Committee is responsible for ensuring all projects align with the Guiding Principles of

Sustainability and contribute to the attainment of the Airport's 5-Year Strategic Plan goals of becoming a zero net energy, zero carbon and zero waste to landfill campus. To that end, Operators must electronically submit a Sustainability Project Narrative (noting areas of alignment with SFO's Guiding Principles of Sustainability and SFO's Sustainable Planning, Design and Construction Guidelines), Green Business Checklist, LEED Scorecard (SF GS-6 Form representing the project's LEED Checklist, CALGreen Checklist), Energy Performance Target, and a Construction and Demolition Debris Management Plan (CDDMP) to the ZERO Committee for review during schematic design. Operator will present these materials to the ZERO Committee Operator Sub-Committee and be expected to provide a Final Diversion Report (Construction and Demolition Debris Report), PG&E Authorization to Receive Customer Information, Final LEED Scorecard and other materials as requested by the ZERO Committee. Sustainability requirements are more defined in Section C.4 herein. A Zero Committee application shall be submitted to the Property Manager who will forward it to the Zero Committee's Operator Sub-Committee for review.

- f. **Infrastructure Review Committee Approval.** Concurrent with the DRC review process, Operator shall submit a scope of work to the IRC on the appropriate form. The IRC will review Operator infrastructure projects for compliance to Airport standards, rules and regulations and will ensure the protection of the Airport's infrastructure.
- g. **BICE Review and Permitting.** Operator shall submit complete Construction Documents to BICE for review and permitting. BICE will review Operator's plans for conformance with local, state and federal code requirements as defined in Part 1 A. Governing Codes. Upon satisfaction of BICE reviews and requirements, including submittal of the "Conformed Drawings" in AutoCAD.DWG version 2002 or higher, Operator will be issued building permit. Construction inspection requirements will be defined in the Building Permit. Operator shall provide the Operator Coordinator with one ½ size set and one electronic set of permit drawings prior to starting construction on site.
- h. **San Mateo County Health Permit.** Food and Beverage Concessions shall submit an application to the County of San Mateo for a Health Permit, concurrent with their BICE review. San Mateo County Health Permit requirements and processes can be found at www.co.sanmateo.ca.us.
- i. **ABC Liquor License Permit.** Operators seeking a transfer, renewal, or new Liquor License may go to: <http://www.abc.ca.gov/>. Information regarding zoning as it applies to ABC forms, contact Tiare Pena at the San Mateo County Planning Department (650) 363-1850. Posting of liquor license notices shall be coordinated with the Operator Coordinator.

3. CONSTRUCTION

- a. **Notice That Premises Are Ready For Operator's Work.** The Airport shall provide written notification to Operator that the tenant premises are ready for Operator's Work. Operator will physically survey the premises with a representative of the Airport and acknowledge in writing to the Airport that the space is acceptable.
- b. **Operator Contractor Insurance.**
 - i. **Insurance.** Prior to the issuance of a building permit from SFIA's Building Inspection and Code Enforcement (BICE) Operator Contractor shall provide proof of the following insurance:

1. Workers' Compensation Insurance with Employer's Liability limits not less than \$1,000,000 each accident, illness or injury.
 2. Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products Liability and Completed Operations Coverage's.
 3. Commercial Automobile Liability Insurance with limits not less than \$2,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Employer's non-ownership liability and hired auto coverage's.
 4. Builder's Risk Insurance on an all risk form, with coverage and limits equal to one hundred percent (100%) of the completed value to date of the work to be completed under this Operator Work Letter.
- c. **Local Hiring Ordinance.** Per the San Francisco Local Hiring Ordinance (LHO), construction cannot start on any projects with an estimated cost of \$750,000 or more, until the Operator has submitted the appropriate forms to the Airport Employment Quality & Standards office.
 - d. **Preconstruction Meeting.** Operator and Operator's contractor shall attend a preconstruction meeting on site prior to beginning construction.
 - e. **Construction Coordination Meetings.** Operator and/or Operator's contractor is required to attend construction coordination meetings to ensure coordination of Operator work and related SFO tenants.
 - f. **Construction Safety.** Operator's contractors will comply with all local, state and federal OSHA guidelines to support San Francisco International Airport's core value "Safety and Security is our first priority." All tenant contractors shall present a jobsite construction safety program to the tenant coordinator prior to starting any work at SFO.
 - g. **Deliveries.** All Operator deliveries will be coordinated with ADM and Airport Operations during the weekly construction meeting.
 - h. **Airport ID Badging.** All construction workers are required to have an Airport ID badge while working at the airport.
 - i. **Operator Construction Schedule.** Operator shall submit a construction schedule at the preconstruction meeting. Operator shall submit schedule updates to the Operator Coordinator on a monthly basis until completion of Operator Work.
 - j. **Barricades.** Upon receipt of notification from the Airport that the premises are ready for Operator Work, Operator shall install a construction barricade along openings at the lease line. Operator is responsible for maintenance, demolition, and disposal at completion of Operator Work. Operator is responsible for mitigation dust control.
 - k. **Security.** Operators and Operator contractors are responsible for storing and security of all equipment and materials within the construction site.
 - l. **Demolition, Cutting, Patching, and Fireproofing.** The Operator will notify the tenant coordinator at least one week in advance of any demolition, cutting and or patching that may be necessary outside the confines of the leased premises to facilitate Operator's construction. The Operator is responsible for maintaining the integrity of any required

fire caulking and fireproofing within the confines of the leased premises. Any fireproofing that is removed by the Operator or its subcontractors will need to be repaired by a licensed fireproofing subcontractor at the sole cost to the tenant. It is the tenants responsible for keeping the exterior floor and areas adjacent to the construction barricade clean and free of dust and debris.

- m. **Ceilings and access Doors.** Operator shall install finish ceilings throughout the premises. Operator is responsible for providing access doors to any base building systems that may exist within the demised premises.
- n. **Floor Finishes.** Operator shall install finish flooring throughout the leased premises. Operator shall install a waterproof membrane under Operator's finish flooring in all areas that have water service, such as kitchens, bars, etc. Operators' finished floor shall conform to adjoining Airport floor finishes.
- o. **As-Built Drawings.** One (1) set of as-built drawings depicting the fire sprinkler and fire alarm system must be submitted in electronic AutoCAD.DWG format to BICE within 30 days of issuance of the Temporary Certificate of Occupancy (TCO). One (1) set of all other as-built drawings must be submitted in electronic CAD format to the designated Airport Property Manager within ninety (90) days of issuance of TOC. Electronic files on either a CD or Travel Disk in CAD format should be mailed to the Operators' Property Manager at: Revenue Development and Management, San Francisco International Airport, 575 North McDonnell Road, Suite 3-329, San Francisco, CA. 94128.
- p. **Indemnity.** Operator's release and indemnification of Airport as set forth in Sections 12.1 and 12.2 of the Lease also shall apply with respect to any and all Losses related in any way to any act or omission of Operator, its contractor, subcontractor, engineer, consultant, employee or agent, or anyone directly or indirectly employed by any of them, with respect to Operator's Work, or in connection with Operator's non-payment of any amount arising out of or related to Operator's Work.
- q. **Sustainability Requirements.** SFO is committed to prudent environmental stewardship and has integrated sustainable planning, design, construction, and operational strategies into its physical facilities. It is anticipated that this process will result in exceptional project outcomes that provide long-term positive environmental, social, and financial benefits. Operator is encouraged to contribute to these sustainable development efforts, and to use creative and innovative design, construction, and operational strategies to create aesthetically pleasing and environmentally responsible space in alignment with SFO's sustainability goals.

(1.) All tenants are required to comply with the following:

- a. Sustainability Narrative: Operator shall review SFO's sustainability goals and guidelines and shall submit to the Airport for ZERO Committee approval a narrative describing how Operator's design and operations will meet these goals and guidelines. Relevant Airport documents include:
 - (i) Guiding Principles of Sustainability as described in San Francisco International Airport's Delivering Exceptional Projects – Our Guiding Principles (pg. 49-54), located at <http://www.sfoconstruction.com/>.

- (ii.) SFO Sustainable Planning, Design and Construction Guidelines located at <http://www.flysfo.com/community-environment/environmental-sustainability-reports>.
- b. California Building Standards: Operator shall provide documentation to the ZERO Committee to demonstrate compliance with the California Building Standards Code (California Code of Regulations (CCR) Title 24) Part 6 (Energy) and Part 11 (CALGreen).
- c. LEED Scorecard: Operator shall submit to BICE, SF Environment and the ZERO Committee a "LEED Scorecard" (Green Submittal 6 (GS-6)) to demonstrate compliance with Chapter 7 of the San Francisco Environment Code.
- d. Green Business Program: Operator shall register its business with the California Green Business Program (<http://greenbusinessca.org/>), complete all applicable requirements for certification, including but not limited to those related to energy conservation and performance, and provide a checklist to the ZERO Committee. Operators that are certified through the Green Business Program will be recognized on program websites, receive a certificate to display and electronic logo for use, and be recognized at an annual Airport event.
- e. Construction and Demolition Debris Management:
 - (i.) Operator shall divert a minimum of 75% construction and demolition debris from landfill. Operator's General Contractor shall be required to prepare a Construction and Demolition Debris Management Plan (CDDMP), submit monthly Construction and Demolition Debris Recovery Worksheets, and submit a Final Diversion Report (Construction and Demolition Debris Report) consistent with the standards set forth Sections 7 and 14 of the San Francisco Environment Code along with providing copies to the ZERO Committee.
 - (ii.) Operator shall obtain the required City Construction and Demolition Debris Forms from:
 - D. San Francisco Department of the Environment (SF Environment)
 - E. Construction & Demolition Recovery Specialist
 - F. 1455 Market Street, Suite 1200, San Francisco, CA 94103
 - G. Phone: 415.355.3710
 - H. <http://www.sfenvironment.org/c&d>
- f. Toxics Reduction and Pollution Prevention: All projects that include furniture and/or interior surfaces (e.g., countertops, doorknobs, handles, wall paints, carpet) within the project scope shall comply with the attributes defined within the Chapter 7 of the San Francisco Environment Code (e.g., emission of volatile organic compounds, fluorinated chemicals, antimicrobial chemicals, required ecolabels, etc.).
- g. Green Cleaning: Operator's General Contractor shall use green cleaning methods in conformance with the product manufacturers' recommendations and in compliance with SFO's Green Cleaning Program. Operator shall develop a Green Cleaning Plan in compliance with the San Francisco International Airport's Green Cleaning Program and shall provide regular staff training in the implementation of this program.

- h. Code Compliance: In addition to and without limiting the foregoing sustainability requirements, Operator shall comply with all applicable green building laws, codes, ordinances, rules and regulations, including but not limited to, those required under the San Francisco Environment Code and the 2016 California Building Standards Code (Title 24 of the California Code of Regulations), Part 6 (Energy Code) and Part 11- (CALGreen).
<https://law.resource.org/pub/us/code/bsc.ca.gov/>
- (2.) For tenant improvement projects of 10,000 gross square feet or more LEED v4 ID+C minimum Gold level certification is required.
- a. Operator shall be responsible for all work and costs related to the LEED certification.
 - b. The LEED certification shall conform to the standards set forth in San Francisco Environment Code Chapter 7, and Operator shall coordinate with the San Francisco Department of the Environment (“SF Environment”) and ZERO Committee on the LEED certification and documentation requirements, including, but not limited to, the preparation and submission of a LEED Scorecard. The LEED Scorecard is to be submitted at the conclusion of each design phase and at project close-out, along with required documentation and a copy of the project LEED certificate.
 - c. Operator shall demonstrate that the project achieves the following LEED credits required through Chapter 7 of the San Francisco Environment Code(i) LEED prerequisite Fundamental Commissioning and Verification and Enhanced and Monitoring-Based Commissioning;
 - (i.) LEED credit for Construction and Demolition (C&D) Debris Management – diverting 75% C&D Material from the landfill;
 - (ii.) LEED credit for Enhanced Indoor Air Quality Strategies, LEED credit for Construction Indoor Air Quality Management Plan, and LEED credit Indoor Air Quality Assessment Option 2: Air Testing.
 - (iii.) LEED credit for Low Emitting Materials.
 - d. SFO has been registered with the Green Business Certification Inc. (GBCI) using the Campus Master Site Program. SFO will provide Operator with access to the GBCI online website for use by Operator in registering and certifying its project. Operator shall be responsible for adding its team to this website and for providing LEED administration for its project on this website. Once Operator has registered the project on this website, it will be able to utilize a number of pre-approved LEED v4 ID+C pre-requisites and credits.
- (3.) For tenant improvement projects less than 10,000 gross square feet, Operator is not required to achieve LEED certification but is required to submit the LEED Scorecard that demonstrates the maximum LEED credits that are practicable for the project and pursue these credits through the design and construction process as required by Chapter 7 of the San Francisco Environment Code. The LEED Scorecard is to be submitted to the BICE, SF Environment and ZERO Committee during the conceptual design phase and as a final as-built indicating all LEED credits that would be achieved if the project had been certified.

Sustainable Innovation Credit: Operators who show considerable effort in incorporating sustainability into their design and operation are eligible to submit for a Sustainable Innovation Credit through RDM. SFO does not guarantee acceptance of Sustainable Innovation Credit to any tenant prior to applying.

END OF DOCUMENT

**AMENDMENT NO. 1 TO SFO CONCESSION LEASE (SERVICES)
[COVID-19 Emergency Rent Relief Program]**

This LEASE AMENDMENT NO. 1 (this "Amendment") is dated as of the Effective Date (as defined below) and entered into by and between Smarte Carte, Inc. ("Tenant") and City and County of San Francisco, acting by and through its Airport Commission ("City" or "Airport").

RECITALS:

A. Tenant and City are parties to Airport Luggage Cart Lease and Operating Agreement – Lease No. 19-0069 (as amended, the "Lease").

B. The parties desire to modify the Lease to address the devastating financial impacts of the COVID-19 pandemic and the dramatic and rapid reduction in enplanements at the Airport, resulting in the shutdown of many of the Airport concessions. Modifying the Lease to forgive certain payments due under the Lease will improve the financial feasibility of the Lease and preserve Tenant's ability to continue operations at the Airport, which is of considerable value to both parties. Providing such rent relief is also consistent with the written guidance provided all airport sponsors by the Federal Aviation Administration encouraging temporary rent abatements and minimum annual guarantee waivers.

C. On October 6, 2020, by Resolution No. 20-1080⁰¹⁸⁰⁹ (the "Commission Resolution"), the Airport Commission ("Commission") adopted the COVID-19 Emergency Rent Relief Program (the "COVID-19 Rent Relief Program") which provides for the rent relief set forth in this Amendment. On January 5, 2021, by Ordinance No. 5-21, the San Francisco Board of Supervisors authorized the Airport to implement the COVID-19 Rent Relief Program (the "Rent Relief Ordinance"). The Rent Relief Ordinance authorizes the Airport Director to enter into this Amendment without further approval by the Board of Supervisors under Charter Section 9.118 and without modifying the Lease to include Administrative Code and Environmental Code Requirements that were enacted since the most recent modification to the Lease.

D. This Amendment also provides the State of California accessibility disclosures required by California Civil Code Section 1938.

E. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. **Recitals.** The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

- 1 -

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by the Airport as set forth below (the “Effective Date”).

3. COVID-19 Rent Relief Amounts. Upon the satisfaction of the COVID-19 Rent Relief Program Requirements (as defined below) no later than August 31, 2021 (the “COVID-19 Rent Relief Program Deadline”) or such later date as determined by the Airport Director in his reasonable discretion in accordance with Section 8 of this Amendment, Tenant’s obligation to pay the following amounts under the Lease will be entirely waived and forgiven (such amounts, “COVID-19 Rent Relief Amounts”):

(a) for the month of March 2020, payments of Minimum Annual Guarantee only, and Percentage Rent shall remain due and payable (and if such Percentage Rent remains unpaid as of the Effective Date, then such amount shall be paid no later thirty (30) days from the Effective Date);

(b) for the months of April and May 2020, all payments of Minimum Annual Guarantee and Percentage Rent, and all payments for fees and utilities (including electricity, water/sewage, gas and ITT charges), whether under the Lease or separate permit;

(c) for the period commencing April 1, 2020 through December 31, 2020, all payments for Promotional Fees, Storage Space Fees, and refuse/garbage fees, to the extent such fees are applicable to Tenant, whether under the Lease or separate permit.

4. COVID-19 Rent Relief Program Requirements.

(a) In order to receive the benefit of the COVID-19 Rent Relief Amounts under this Amendment, Tenant must have satisfied each of the following conditions (the “COVID-19 Rent Relief Program Requirements”) and satisfy the Rent Relief Reporting Requirements (as set forth in Section 4(b) below) no later than the COVID-19 Rent Relief Program Deadline:

(i) if Tenant ceased operation due to the COVID-19 pandemic, then Tenant must reopen and recommence operations and continue to operate at the Airport in conformance with the schedule provided by the Airport, as the schedule may be modified by the Airport Director from time to time, in his sole and absolute discretion;

(ii) Tenant must remain in good standing under the Lease and not in default of any obligations under the Lease or any other agreements between Tenant and City (including the payment of all rent and other obligations, other than the COVID-19 Rent Relief Amounts), beyond any applicable notice and cure periods, and not be in any unresolved dispute with the City, in each case at all times prior to and upon the COVID-19 Rent Relief Program Deadline, as determined by the Airport Director in his sole and absolute discretion;

(iii) Tenant must expend at least 33% of the total aggregate amount of Minimum Annual Guarantee waived under this Amendment on “payroll costs, as defined in the Coronavirus Aid, Relief and Economic Security Act of 2020, or the “CARES Act” (the “**Rent Relief Payroll Requirement**”); and

(iv) Tenant must participate in the SFO employee rehiring program, which provides priority to rehiring of Tenant’s employees laid off as a result of the COVID-19 pandemic (the “**Tenant Employee Rehiring Requirement**”).

(b) In order to satisfy the Rent Relief Payroll Requirement and the Tenant Employee Rehiring Requirement, Tenant must comply with the requirements and complete the documentation as and when required (including, for the avoidance of doubt, monthly reporting on payroll and rehiring efforts), as set forth on **Exhibit A** attached hereto (the “**Rent Relief Reporting Requirements**”).

5. Failure to Satisfy Requirements of COVID-19 Rent Relief Program. In the event Tenant shall fail to satisfy any of the COVID-19 Rent Relief Program Requirements as of the COVID-19 Rent Relief Program Deadline (or such earlier date that it is evident that Tenant will be unable to satisfy such requirements even with the passage of time (i.e. Tenant fails to reopen for business when required)), Tenant shall remit to City all amounts of COVID-19 Rent Relief Amounts that would have otherwise been waived and forgiven under the COVID-19 Rent Relief Program, as set forth in this Amendment, no later than thirty (30) days of written demand from Airport.

6. Credit for Rent Relief Amounts Already Paid; Credit Date. To the extent any waived and forgiven amounts under this Amendment have already been paid by Tenant, such amounts shall only be credited towards future obligations of Rent and related fees due from Tenant (for the avoidance of doubt, only upon satisfaction of the COVID-19 Rent Relief Requirements, as set forth below). Upon satisfaction of the COVID-19 Rent Relief Program Requirements, all Rent and other fees waived under this Amendment will be credited towards Tenant’s account, contemplated to occur on or after the COVID-19 Rent Relief Program Deadline.

7. Replacement of COVID-19 Rent Deferral Program. The COVID-19 Rent Relief Program set forth in this Amendment replaces the terms of all rent deferral and/or forbearance previously offered to Tenant, including the forbearance of rent and other fees set forth in the letter from the Airport Director to all concession tenants dated March 18, 2020 (the “**COVID-19 Rent Forbearance Letter**”). In the event that Tenant shall execute this Amendment and enter into the COVID-19 Rent Relief Program, but shall subsequently fail to meet the COVID-19 Rent Relief Program Requirements by the COVID-19 Rent Relief Program Deadline, then the terms of the COVID-19 Rent Forbearance Letter shall remain in effect, and Tenant shall remit the COVID-19 Rent Relief Amounts in accordance with Section 5 of this Amendment.

8. Adjustments to COVID-19 Rent Relief Program. Tenant acknowledges and agrees that in accordance with Commission Resolution and the Rent Relief Ordinance, the Director may make necessary and appropriate adjustments to the COVID-19 Rent Relief Program to ensure that it: (i) is implemented in a consistent manner and fairly applied to all Airport concessionaires; and (ii) continues to meet the operational requirements of the Airport and the goals of the Commission set forth in establishing the COVID-19 Rent Relief Program. Further, the Director may implement in his discretion modifications to the COVID-19 Rent Relief Program necessitated by changes in applicable law, regulation or guidance (including, without limitation, FAA guidance), as the same may be amended from time to time. Notwithstanding the foregoing, consistent with the Commission Resolution and the Rent Relief Ordinance, the Director must seek further approval of the Commission for any material change to the terms and conditions of the COVID-19 Rent Relief Program or the financial relief being offered.

9. Accessibility Disclosures. California Civil Code Section 1938 requires commercial landlords to disclose to tenants whether the property being leased has undergone inspection by a Certified Access Specialist (“CASp”) to determine whether the property meets all applicable construction-related accessibility requirements. The law does not require landlords to have the inspections performed. Tenant is advised that the Premises have not been inspected by a CASp. A CASp may inspect the Premises and determine if it complies with all the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the Premises, City may not prohibit Tenant from obtaining a CASp inspection of the Premises for the occupancy or potential occupancy of Tenant if requested by Tenant. City and Tenant will mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the CASp inspection fee, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the Premises.

10. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

11. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by facsimile or other electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

COVID-19 Emergency Rent Relief Program for Airport Concession Operators Payroll and Rehiring Program Requirements (SFO Priority Rehire Program)

SFO's Rent Relief Program supports the viability of concessionaires and addresses their employees' economic insecurity.

To be eligible for the rent relief, each concessionaire is required to comply with the following payroll and rehiring requirements (known as the SFO Priority Rehire Program):

- 1. Baseline Staffing and Payroll Information:** Within **five (5) business days** of a concessionaire's lease amendment execution, a baseline staffing and payroll report reflecting the period of December 2019 through the end of March 2020 must be submitted. This report will list employees on payroll during this period, employee contact information, date of hire, date of lay-off/furlough/separation, and employment occupation classification for each employee. **This needs to be submitted only once.**

- 2. Payroll Reports:** On a **monthly** basis, a complete record of payroll costs paid to every employee, including those in the baseline staffing information, must be submitted. *Payroll reports are to include salary, wages, commissions, or similar compensation; cash tips or the equivalent (based on employer records of past tips or, in the absence of such records, a reasonable, good-faith employer estimate of such tips); payment for vacation, parental, family, medical, or sick leave; allowance for separation or dismissal; payment for the provision of employee benefits consisting of group health care coverage, including insurance premiums, and retirement; payment of state and local taxes assessed on compensation of employees; and for an independent contractor or sole proprietor, wage, commissions, income, or net earnings from self-employment or similar compensation. These reports are to be accompanied by a signed certifying statement (see attached). **Please submit your monthly payroll by the 15th of every month for the previous month.**

- 3. Summary of Hiring Activities and Expenditures:** On a **monthly** basis, submit the "SFO Priority Rehire Program Monthly Submittal Form" with answers to the re-hiring effort and payroll costs table and a signature certifying the submission of all supporting documentation. **Please submit the SFO Priority Rehire Program Monthly Questionnaire by the 15th of every month for the previous month.**

For assistance with hiring employees, please contact community@flysfo.com.

If any concessionaire that elects to participate in the Rent Relief Program fails to satisfy the requirements by August 31, 2021, then any amounts deferred under the Airport's COVID-19 Rent Deferral Program will become immediately due and payable and the concessionaire will be ineligible for all other benefits associated with the Rent Relief Program.

**AMENDMENT NO. 2 TO
AIRPORT LUGGAGE CART LEASE AND OPERATING AGREEMENT
AT SAN FRANCISCO INTERNATIONAL AIRPORT
LEASE NO. 19-0069**

THIS AMENDMENT NO. 2 TO THE AIRPORT LUGGAGE CART LEASE AND OPERATING AGREEMENT AT SAN FRANCISCO INTERNATIONAL AIRPORT LEASE NO. 19-0069 (this “**Amendment**”), dated as of the Effective Date (as defined below), is entered by and between the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation, acting by and through its AIRPORT COMMISSION (“**City**”), as landlord, and SMARTE CARTE INC. (“**Tenant**”), as tenant.

RECITALS

A. On April 2, 2019, by Resolution No. 19-0069, the Airport Commission (“**Commission**”) awarded Lease No. 19-0069 to Tenant (the “**Lease**”). On September 24, 2019, by Resolution 409-19, the Board of Supervisors (the “**BOS**”) approved the Lease. Pursuant to the Lease, Tenant provides luggage cart services at the San Francisco International Airport (the “**Airport**”) in both the International Terminals and Domestic Terminals (as further described in the Lease, the “**Premises**”).

B. On October 6, 2020, by Resolution No. 20-0180, the Commission approved Amendment No. 1 to SFO Concession Lease (Services) (“**Amendment No. 1**”) as part of the COVID-19 Emergency Rent Relief Program which provided for rent relief to address the severe economic impact of the COVID-19 pandemic. On January 5, 2021, by Ordinance No. 5-21, the BOS authorized the Airport to implement the COVID-19 Emergency Rent Relief Program and execute Amendment No. 1.

C. Airport operating revenues continues to be severely impacted due to the reduction in travel caused by the COVID-19 pandemic. To reduce spending and generate additional revenues to the Airport, City and Tenant desire to amend the Lease to: (i) convert the luggage cart service in the Federal Inspection Service (FIS) area from a free service to a paid service and terminate the payment of the Annual Service Fee to Tenant; (ii) provide the Airport Director with the authority to, in the future if operating conditions warrant, reinstate the carts as a free service in the FIS area and resume payment of the Annual Service Fee to Tenant, and (iii) exercise the three (3) year option to extend the term of the Lease.

D. All capitalized terms not otherwise defined herein shall have the same meaning given to them in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to amend the Lease as follows:

AGREEMENT

1. **Recitals.** The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth herein.
2. **Effective Date.** The “**Effective Date**” shall be the date upon which this Amendment shall have been finally approved by City pursuant to the Charter of the City. Upon the occurrence of the Effective Date, City shall insert the Effective Date below and provide a copy to Tenant:

Effective Date: JUN 04 2021 (to be inserted by City only)

3. **Term.** City hereby exercises the one, three (3) year option to extend the term of the Lease, and the new Expiration Date is December 31, 2025.
4. **Luggage Cart Program in FIS Area.** Notwithstanding anything to the contrary in the Lease, including, without limitation, the Lease Summary and Exhibits B-1 [Use and Operational Requirements] and B-2 [Description of Services], as of the Effective Date: (i) Luggage Cart services in the FIS Area shall no longer be provided on a free basis, but shall be subject to the charges for such services consistent with the remainder of the Airport pursuant to the terms of the Lease and (ii) no Annual Service Fee shall be paid to Tenant. All other operational requirements of service in the FIS Area remain unmodified.
5. **Authority of Airport Director to Reinstate Free Luggage Cart Service in the FIS Area.** Notwithstanding Section 4 of this Amendment, upon thirty (30) days’ written notice, the Airport Director shall have the right to direct Tenant to reinstate the provision of free Luggage Cart services in the FIS Area, and upon such reinstatement, City shall resume payment of the Annual Service Fee to Tenant. During the term (as extended), if business conditions merit such change, the Airport Director, in his discretion, shall have the continuing authority to further suspend or reinstate the provision of free Luggage Car services in the FIS Area and the payment of the Annual Service Fee to Tenant upon thirty (30) days written notice of such election.
6. **Additional City and Other Governmental Provisions.** The following provisions are hereby incorporated as new sections of the Article 19 of the Lease:

“19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K (“**Chapter 12K**”), the Consideration of Salary History Ordinance or “Pay Parity Act.” Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee’s salary history without that employee’s authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter

12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant is required to comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses and any other contracts for work to be performed in the Premises entered into by Tenant.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An “all-gender toilet facility” means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and “extensive renovations” means any renovation where the construction cost exceeds fifty percent (50%) of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. The Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation for its employees in the Premises. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. The Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant retains full responsibility to monitor its compliance and their contractor’s and subcontractor’s compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.”

7. Entire Agreement. This Amendment contains all of the representations and the entire agreement between the parties with respect to the subject matter of this agreement. Any prior correspondence, memoranda, agreements, warranties, or written or oral representations relating to the subject matter of the Amendment are superseded in their entirety by this Amendment. No prior drafts of this Amendment or changes between those drafts and the executed version of this Amendment shall be introduced as evidence in any litigation or other dispute resolution proceeding by any party or other person, and no court or other body should consider such drafts in interpreting this Amendment.

8. Miscellaneous. This Amendment shall bind, and shall inure to the benefit of, the successors and assigns of the parties hereto. This Amendment is made for the purpose of setting

forth certain rights and obligations of Tenant and City, and no other person shall have any rights hereunder or by reason hereof as a third-party beneficiary of otherwise. Each party hereto shall execute, acknowledge and deliver to each other party all documents, and shall take all actions, reasonably requested by such other party from time to time to confirm or effect the matters set forth herein, or otherwise to carry out the purposes of this Amendment. This Amendment may be executed in counterparts with the same force and effect as if the parties had executed one instrument, and each such counterpart shall constitute an original hereof. No provision of this Amendment that is held to be inoperative, unenforceable or invalid shall affect the remaining provisions, and to this end all provisions hereof are hereby declared to be severable. Time is of the essence of this Amendment. This Amendment shall be governed by the laws of the State of California. Neither this Amendment nor any of the terms hereof may be amended or modified except by a written instrument signed by all the parties hereto.

9. **Full Force and Effect.** Except as specifically amended herein, the terms and conditions of the Lease shall remain in full force and effect.

AIRPORT COMMISSION
CITY AND COUNTY OF SAN FRANCISCO
RESOLUTION NO. 23-0090

**APPROVAL OF AMENDMENT NO. 3 TO THE AIRPORT LUGGAGE CART LEASE
AND OPERATING AGREEMENT NO. 19-0069 WITH SMARTE CARTE INC.**

WHEREAS, on April 2, 2019, by Resolution No. 19-0069, the Airport Commission (Commission) awarded the Luggage Cart Lease and Operating Agreement (the Lease) to Smarte Carte Inc. (Tenant) to operate the luggage cart service at San Francisco International Airport (Airport) for a term of three years, expiring December 31, 2022, with one 3-year option; and

WHEREAS, on October 6, 2020, by Resolution No. 20-0180, the Commission approved Amendment No. 1 to the Lease (Amendment No. 1) as part of the COVID-19 Emergency Rent Relief Program, which provided rent relief to address the severe economic impact of the COVID-19 pandemic; and

WHEREAS, on January 5, 2021, by Ordinance No. 5-21, the San Francisco Board of Supervisors authorized the Airport to implement the COVID-19 Emergency Rent Relief Program and execute Amendment No. 1; and

WHEREAS, on March 16, 2021, by Resolution No. 21-0089, the Commission approved Amendment No. 2 to the Lease (Amendment No. 2) which: (i) authorized the conversion of luggage cart service in the Federal Inspection Service (FIS) area from a free service to a paid service, (ii) provided the Airport Director the authority to, in the future if operating conditions warranted, reinstate the carts as a free service in the FIS area and resume payment of the Annual Service Fee to Tenant, and (iii) exercised the three (3) year Option Term for an expiration date of December 31, 2025; and

WHEREAS, at the direction of the Airport Director, Tenant will reinstate the free luggage cart service in the FIS area in May or June 2023, and with that reinstatement will be the reinstatement of the Airport paying Tenant an Annual Service Fee for the free luggage cart service; and

WHEREAS, the existing methodology in the Lease for an annual escalation in the Flat Service Fee is no longer appropriate as it provides that the escalation be based upon the average rate of change in projected international enplanement activity for Fiscal Years 2022 and 2023 and that rate of change is 95.2% solely due to the recovery from the extremely low level of enplanements caused by the pandemic; and

AIRPORT COMMISSION

CITY AND COUNTY OF SAN FRANCISCO

RESOLUTION NO 23-0090

WHEREAS, Staff recommends changing the escalation methodology for the annual change in the Flat Service Fee to be based upon the same Consumer Price Index, All Urban Consumers – Not Seasonally Adjusted – San Francisco/Oakland/San Jose, CA, used for the Minimum Annual Guarantee and Per Cart Fee annual adjustments; now, therefore, be it

RESOLVED, that this Commission hereby approves Amendment No. 3 to the Lease, which modifies the adjustment methodology for the Flat Service Fee associated with the provision of free luggage carts in the FIS; and, be it further

RESOLVED, that this Commission hereby directs the Commission Secretary to forward Amendment No. 3 to the Board of Supervisors for approval pursuant to Section 9.118 of the Charter of the City and County of San Francisco.

FROM: Airport Director

SUBJECT: Approval of Amendment No. 3 to the Airport Luggage Cart Lease and Operating Agreement No. 19-0069 with Smarte Carte Inc.

DIRECTOR'S RECOMMENDATION: (1) APPROVE AMENDMENT NO. 3 TO THE AIRPORT LUGGAGE CART LEASE AND OPERATING AGREEMENT NO. 19-0069 WITH SMARTE CARTE INC., MODIFYING THE METHODOLOGY USED FOR ESCALATING THE FLAT SERVICE FEE ASSOCIATED WITH THE PROVISION OF FREE LUGGAGE CART SERVICE IN THE FEDERAL INSPECTION SERVICE AREA, AND (2) DIRECT THE COMMISSION SECRETARY TO REQUEST APPROVAL OF THE AMENDMENT BY THE BOARD OF SUPERVISORS PURSUANT TO SECTION 9.118 OF THE CHARTER OF THE CITY AND COUNTY OF SAN FRANCISCO.

Executive Summary

Smarte Carte Inc. (Smarte Carte or Tenant) currently operates the luggage cart service at San Francisco International Airport (Airport) under the Airport Luggage Cart Lease and Operating Agreement No. 19-0069 (Lease). Historically, carts are rented in the Domestic Terminals, garages, and Rental Car Center and Tenant pays rent to the Airport for such operations. Additionally, Tenant provides luggage carts for free in the Federal Inspection Service (FIS) area, and Airport pays Tenant an Annual Service Fee, consisting of the lesser of a Per Cart Fee or a Flat Service Fee.

The Lease was competitively procured and entered into before the pandemic. It specified that the Flat Service Fee would escalate in 2023, 2024, and 2025 based on the average annual rate of change in projected international enplanement activity for Fiscal Years 2022 and 2023. In the post-pandemic recovery environment, that average rate of change is 95.2%. The rate was originally contemplated to be in the single digits, but for the pandemic, such an escalation is not reasonable and would result in the Flat Service Fee being so large as to be meaningless. Staff is recommending that a different escalation methodology be applied to the Flat Service Fee.

THIS PRINT COVERS CALENDAR ITEM NO. 11

Background

On April 2, 2019, by Resolution No. 19-0069, the Commission awarded the Lease to Tenant with an initial term of three years with one 3-year option to extend the term exercisable at the Commission's discretion. The base term commenced on January 1, 2020. Tenant provides luggage carts for rent in the Domestic Terminals, garages, and Rental Car Center, for which it pays the Airport the greater of a Minimum Annual Guarantee of \$1,084,831.78 or 19% of Gross Receipts. Historically, Tenant provides luggage carts for free in the FIS area, for which Airport pays Tenant the lesser of a Per Cart Fee or a Flat Service Fee. The Per Cart Fee is \$1.47, and the Flat Service Fee was \$3,281,880.00 before it was suspended as further described below.

On October 6, 2020, by Resolution No. 20-0180, the Commission approved Amendment No. 1 to the Lease (Amendment No. 1) as part of the COVID-19 Emergency Rent Relief Program which provided for rent relief to address the severe economic impact of the COVID-19 pandemic. On January 5, 2021, by Ordinance No. 5-21, the San Francisco Board of Supervisors authorized the Airport to implement the COVID-19 Emergency Rent Relief Program and execute Amendment No. 1.

On March 16, 2021, by Resolution No. 21-0089, the Commission approved Amendment No. 2 to the Lease (Amendment No. 2) which: (i) authorized the conversion of luggage cart service in the FIS area from a free service to a paid service for which percentage rent would be assessed, and suspended the payment of the Annual Service Fee to Tenant; (ii) provided the Airport Director with the authority to, in the future if operating conditions warranted, reinstate the carts as a free service in the FIS area and resume payment of the Annual Service Fee to Tenant, and (iii) exercised the three (3) year option to extend the term of the Lease for an expiration date of December 31, 2025.

On January 3, 2023, the Airport notified Tenant that it should reinstate the free luggage cart service in the FIS as soon as practical. The transition requires the purchase of additional carts and adding staff. Tenant advises the resumption of the free luggage cart service will commence in May or June 2023. With the reinstatement of the free luggage cart program comes the reinstatement of Airport paying Tenant an Annual Service Fee for that portion of its operation.

The Lease is in the first year of the Option Term, and the Flat Service Fee is set to adjust annually based upon the average annual rate of change of projected international enplanement activity for Fiscal Years 2022 and 2023. That rate of change, as originally contemplated would have been in the single digits or very low double digits but in the pandemic recovery era is 313%. Such an escalation is not reasonable and would result in the Flat Service Fee being so large as to be meaningless.

Proposal

Staff recommends amending the Lease to provide that the Flat Service Fee is adjusted for each year of the Option Term and any subsequent year based upon the Consumer Price Index – All

Urban Consumers – Not Seasonally Adjusted – San Francisco/Oakland/San Jose, CA. This index is used to adjust both the Minimum Annual Guarantee and the Per Cart Fee.

For Calendar Year 2023, using the Consumer Price Index would result in the Flat Service Fee changing from \$3,281,880.00 to \$3,651,577.00, as opposed to \$13,554,164.00 under the existing Lease language. The Airport will pay Smarte Carte the lesser of the Flat Service Fee or the Per Cart Fee. It is likely in 2023 that the Per Cart Fee will be the lesser fee, at about \$2,500,000.00.

Recommendation

I recommend the Commission adopt the accompanying Resolution (i) approving Amendment No. 3 to the Airport Luggage Cart Lease and Operating Agreement No. 19-0069 with Smarte Carte Inc., which modifies the methodology for adjusting the Flat Service Fee for the provision of free luggage carts in the FIS area, and (ii) directing the Commission Secretary to request approval of the Amendment by the Board of Supervisors pursuant to Section 9.118 of the Charter of the City and County of San Francisco.
