Re: File No. 210310 Retroactive Acceptance of In-Kind Gift for Housing Consultant Services

Honorable Members of the San Francisco Board of Supervisors,

[File No. 210310](#) is a Resolution approving the Department of Homelessness and Supportive Housing (HSH) to accept an in-kind gift of housing consultant services to support the City's emergency rehousing strategy in a value not to exceed \$125,000 from Tipping Point Community in a term of December 2020 – December 2021.

As the City moves from response to recovery, ensuring guests in the SIP hotels and specifically the SIP Rehousing Cohort are offered stable exits has been a shared priority of City and Community partners. Tipping Point Community generously offered an in-kind gift of housing consultant services to HSH in December 2020 in recognition of this critical work. In December 2020, the Board of Supervisors approved a release of Prop C funds to support immediate needs including new rehousing resources through the Flexible Housing Pool Subsidy and Rapid Rehousing (RRH).

Given the shared goal to bring rehousing resources online as quickly as possible and accelerate the rate of referrals, HSH took quick action to begin working with the housing consultant selected by TPC while simultaneously beginning to draft legislation to accept these services.

We respectfully request retroactive approval to accept an in-kind gift of housing consultant services to support the City's emergency rehousing strategy in an amount not to exceed \$125,000 from Tipping Point Community in a term of December 2020 – December 2021 ([File No. 210310](#)).
