17 Be it ordained by the People of the City and County of San Francisco:

18 Section 1. Land Use and Environmental Findings.

19 (a) The Planning Department has determined that the action contemplated in this
 20 ordinance comply with the California Environmental Quality Act (California Public Resources
 21 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of
 22 Supervisors in File No. ____ and is incorporated herein by reference. The Board affirms this
 23 determination.

24 (b) On _____, the Planning Commission, in Resolution No. _____,
 25 adopted findings that the action contemplated in this ordinance are consistent, on balance,
 with the City's General Plan and eight priority policies of Planning Code Section 101.1. The

1 Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of
2 the Board of Supervisors in File No. _____, and is incorporated herein by reference.

3 (c) Pursuant to Planning Code Section 302, this Board finds that this Planning Code
4 amendment will serve the public necessity, convenience, and welfare for the reasons set forth
5 in Planning Commission Resolution No. _____, and the Board adopts such reasons
6 as its own. A copy of said resolution is on file with the Clerk of the Board of Supervisors in
7 File No. _____ and is incorporated herein by reference.

8
9 Section 2. General Findings.

10 (a) Section 759 of the Planning Code contains controls for the Divisadero Street
11 Neighborhood Commercial Transit District (“Divisadero NCT”). When the district was initially
12 established as the Divisadero Street Neighborhood Commercial District in 2014 by Ordinance
13 No. 227-14 (originally codified in Section 746 of the Planning Code), the district incorporated
14 the controls in Section 783, the Divisadero Street Alcohol Restricted Use District (“RUD”), and
15 then deleted Section 783. The RUD was established in 2004 by Ordinance No. 41-04 and
16 contained strict limitations on alcohol establishments within the district, including a prohibition
17 on new liquor stores.

18 (b) On October 2, 2003, the Planning Commission, in Resolution No. 16672, adopted
19 findings and made recommendations regarding the RUD. The Planning Commission’s
20 recommendations included that the mixed-use development at Fell Street and Broderick
21 Street be exempt from the RUD controls. A copy of said resolution is on file with the Clerk of
22 the Board of Supervisors in File No. 031151 and is incorporated herein by reference.

23 (c) The mixed-use development at Fell Street and Broderick Street is located on the
24 westernmost extension of the Divisadero NCT, the only place where the district borders
25 Broderick Street. It does not contain any frontage along or direct pedestrian access from

1 Divisadero Street. The mixed-use development is also the only development within the
 2 Divisadero NCT that has dedicated off-street parking and pedestrian access from Broderick
 3 Street.

4 (d) As indicated by the Planning Commission’s recommendation 20 years ago to
 5 exempt the mixed-use development at Fell Street and Broderick Street from the controls on
 6 liquor stores in the RUD, the Board of Supervisors finds that allowing new liquor stores at the
 7 buildings within the development will not result in pedestrian or vehicle obstruction along the
 8 Divisadero Street corridor.

9 (e) The Board of Supervisors further finds that changing economic conditions within
 10 the Divisadero NCT, including recovery from the COVID-19 pandemic and the growth of
 11 online retail sales and financing applications replacing traditional brick-and-mortar storefronts,
 12 warrant relaxing the prohibition of liquor stores at this location.

13
 14 Section 3. Article 7 of the Planning Code is hereby amended by revising Section 759,
 15 to read as follows:

16 **SEC. 759. DIVISADERO STREET NEIGHBORHOOD COMMERCIAL TRANSIT**
 17 **DISTRICT.**

LEGISLATIVE DIGEST

[Planning Code - Divisadero Street Neighborhood Commercial Transit District]

Ordinance amending the Planning Code to permit liquor stores in the buildings with off-street parking accessed on Broderick Street within the Divisadero Street Neighborhood Commercial Transit District; affirming the Planning Department’s determination under the California Environmental Quality Act; and making public necessity, convenience, and welfare findings under Planning Code, Section 302, and findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.

Existing Law

New liquor stores are not permitted throughout the Divisadero Street Neighborhood Commercial Transit District (“Divisadero NCT”). Liquor stores that were operating within the Divisadero NCT when the controls were established in 2004 are permitted to relocate to a new ground floor location within the district with a Conditional Use authorization, provided they have not abandoned the use by ceasing operation for more than 180 days.

Amendments to Current Law

The Proposed Legislation would permit the establishment of new liquor stores on the ground floor of the mixed use development with off-street parking accessed on Broderick Street, at the westernmost edge of the Divisadero NCT.

Background Information

The Divisadero NCT incorporated the strict alcohol controls of the 2004 Divisadero Street Alcohol Restricted Use District (“RUD”). A main purpose of the RUD’s controls was to limit pedestrian and vehicle disruption caused by liquor stores along Divisadero Street. When the Planning Commission considered the RUD ordinance, it recommended exempting the mixed-use development at Fell and Broderick Streets. Unlike the rest of the district, the development is accessible from an off-street parking lot on Broderick Street and is not directly accessible by pedestrians or vehicles from Divisadero Street.
