Dear Mr. John Carroll,

I have written a cover letter for the request of a PC or N. Attached is a letter answering all questions relevant to the fact sheet. In addition, I have attached email correspondences showing the activity between my broker and I dealing with the ABC application. In addition, I also attached pictures of the required 30 day ABC signage on my front door. Please contact me at email or cell phone # above with any questions. Your help is greatly appreciated and I will do everything I can to help expedite your process. Thank you again for your time and cooperation.

Regards,

Ricky Chan

John Carroll

Office of the Clerk of the Board of Supervisors
1 Dr. Carlton B. Goodlett Place
City Hall, Room 244
San Francisco, CA 94102

Dear Mr. Carroll,

In May of 2023, my broker Jim Saxton helped Triple Chan Enterprises d.b.a. RM 212 to file the ABC application to obtain a type 48 license from seller, Tsaan Wai Lum of SF Project X, LLC. The license will be changing locations from 1414 Market Street to 690 Sacramento Street in San Francisco. The proposed operating hours will be 4pm- 12am Monday thru Sunday. On June 24th, we posted the 30 day notice on the window obligatory to ABC's requirement and it is still currently visible on the front door. My establishment has been in business as a Type 41 bar and restaurant since January 2017. As we were about the flourish, the unfortunate event of COVID loomed upon us causing the business to drop significantly. Although we were able to survive the pandemic thanks to a lenient landlord and support from family, friends and neighbors, new foot traffic was not apparent. However, companies are now enforcing more employees to return back to work so we hope that business can revive. During the past few years, costs of goods and labor have gone up tremendously as many in the food industry are struggling to survive. My partner and I have always seen potential in our area especially as Chinese Americans, we want to be able to help this area flourish so we refuse to give up. In turn, as resilient as we can be, we can't compromise our livelihood hence our decision to transition into the bar business. We want to be able to help the economy of the fidi/chinatown area and be able to help ourselves survive during this time. Hence, we hope that the city of San Francisco can help us pursue our continued efforts to maintain the livelihood for workers, neighbors and tourists visiting the downtown area.

Sincerely,

A handwritten signature in blue ink, appearing to be 'Ricky Chan', with a long, sweeping underline.

Ricky & Patrick,

Type 41:

First, date the poster in the left bottom corner, then post as close to the front door, at eye-level. When both posters are posted, take close photos, clearly showing the dates and second photo showing the front door and posters.

Sign/date if highlighted in yellow and return in the prepaid, self-addressed UPS envelope.

Live scan to be done for Ricky, Spouse and Jason. One copy to DOJ, one copy to FBI and 3rd copy is your receipt. Copy me of your completed 3rd copy in the event of loss.

Other documents are for your reference.

Type 48

Date and post same as Poster for the 41.

Complete (sign/date) only where highlighted in yellow. Return in the same UPS envelope as written above.

The ABC245 will be furnished to whoever does your Community Outreach to the Public, local governmental officials, and appearance before the Board of Supervisors.

Other documents are for your reference.

Jim,

Made a bit of a mistake. I didn't read your intro page in depth enough and accidentally mailed out the 41 form straight to the Dept of ABC. Can you please advise on what we can do now to rectify before I send back your prepaid UPS envelope?

Ricky, Patrick, Jason,

Today I will Overnight via UPS, your ABC Application documents to be notarized/signed/dated and returned. The packet should arrive at the Sacramento address Friday, but no later than Saturday/Monday.

In the packet, the first set of documents have red tags, notating that they need to signed in front of a Notary.

The second set of documents can all be signed by one person such as Patrick. There are some duplicate documents that need to be signed and returned also.

Additional documents I need are; 1) Lease, 2) Corporation Meeting Minutes showing dates of a) Issuance of Stocks and amount (check the Corporate Questionnaire ABC243), b) Appointment with Title of each Officer with dates, 3) Final Divorce Decree for Jason, 4) Check payable to ABC in the amount of \$2,788.

Enclose all of the documents, plus the outstanding items on the paragraph above, especially the check for ABC, in the prepaid self-addressed UPS envelope and return to me.

If you have any questions, simply call me.

Thanks!

Jim Saxton

Jim,

I am currently reviewing the paperwork mailed over. Just a few points/questions:

1. My lawyer is working on the Additional Documents relating to #2 below and it might need to take a few more days.
2. Where can Jason retrieve the final dividend decree?
3. I think the address you typed for my landlord is incorrect. I think it is 2322 Alemany and not Alehany. Will this matter?
4. What does "place signed" mean?
5. Do you prefer Pat to sign the untagged papers?

Thanks,
Ricky

Ricky,

Reply to questions;

1 & 2 – I don't know anything about dividends for Jason.

3 – Not important

4 – 'Place signed' means where are you (city) when you are signing that document. May be San Francisco or wherever.

5 – Patrick is the person to sign the non-tagged documents.
