15 two in New York City that have been operated by the non-profit organization OnPoint NYC for
16 over a year; and

11 Code, the Board of Supervisors hereby waives application of the Behested Payment

13 Department of Public Health so that they may solicit donations from private organizations,
14 grantmakers, and foundations to support the opening and operation of safe consumption sites
15 by local non-profits in San Francisco; and be it

16 FURTHER RESOLVED, That granting this waiver serves the public interest by
17 preventing and reducing overdose deaths, reducing criminality in areas surrounding the sites,
18 and improving overall street conditions; and, be it

19 FURTHER RESOLVED, That granting this waiver does not create an appearance of
20 impropriety.
