**ORDER NO. 178,169**

TRANSMITTING TO THE BOARD OF SUPERVISORS LEGISLATION TO AUTHORIZE DEPARTMENT OF PUBLIC WORKS TO ENTER INTO AN AGREEMENT WITH THE STATE OF CALIFORNIA TRANSPORTATION DEPARTMENT (CALTRANS) FOR PERFORMANCE OF MAINTENANCE WORK IN THE STATE RIGHT-OF-WAY AND APPROVING SAID AGREEMENT.

The City and County of San Francisco ("City") and California Department of Transportation ("Caltrans") on July 25, 1990 entered into an agreement for the City to perform maintenance works in the State Highways in and County of San Francisco.

Due to various changes in the State Highway routes in the City and the fact that the previous amount of reimbursement to the City has not been adjusted to account for inflation, the City and Caltrans believe that a new Maintenance Agreement is warranted at this time.

The Department of Public Works and Caltrans have jointly prepared this Maintenance Agreement for the following State right-of-way locations: Junipero Serra Boulevard, Nineteenth Avenue, Cross-Over Drive, By-Pass Drive, Park Presidio Boulevard, Skyline Boulevard, Sloat Boulevard, James Lick Freeway, San Jose Avenue, Bayshore Freeway, Central Freeway, Mission Street, South Van Ness Avenue, Van Ness Avenue, Lombard Street, Richardson Street, and the Southern Freeway. This Maintenance Agreement will supersede all previous Agreements or amendments thereto. Said agreement delineates the work that the City will perform and the amount the State will reimburse to the City. The Director and City Engineer, in consultation with the City Attorney's Office, have reviewed and approved this attached Agreement.

The following is hereby transmitted to the Board of Supervisors for your approval.

1. Agreement for Maintenance of State Highways in the City and County of San Francisco;
2. Exhibit "A";
3. Exhibit "B"

It is recommended that the Board of Supervisors adopt this legislation.
