

Environment Department Building Performance Standards Adoption Grant – Accept & Expend

Board of Supervisors Meeting
January 14, 2025

SAN FRANCISCO

ENVIRONMENT

DEPARTMENT

Inflation Reduction Act of 2022 (IRA) Assistance for the Adoption of the Latest and Zero Building Energy Codes

- Grant Award Amount: \$19,994,217
- Funding source(s): US Department of Energy, State and Community Energy Programs
- **Scope:** San Francisco will partner with the City of Berkeley and regional entities to adopt, implement, and enforce Building Performance Standards (BPS) that reduce energy use and carbon emissions locally; deliver technical assistance to disadvantaged communities; and prepare Alameda County and the Bay Area for adoption. San Francisco targets a 90% emissions reduction from compliant buildings by 2040.

Overview:

- **Grant Summary:** Continue STD Prevention and Control for Health Departments (PCHD) funding, which supports disease investigation for HIV and sexually transmitted infections (STI)
- **Funder:** Centers for Disease Control and Prevention (CDC)
- **Grant Increase Amount:** \$1,212,299
 - Total award: \$13,635,302
- **Timeline:** January 1, 2019 – February 28, 2026

Agenda Item 15 – File 241199 (SFDPH)

NIDA Clinical Trials Network: Big South/West Node

Overview:

- **Grant Summary:** Determine the efficacy of a combination of extended-release injection medication compared to placebo injections for the treatment of cocaine use disorder
- **Funder:** National Institutes of Health (NIH), through the University of Texas Southwestern Medical Center
- **Timeline:** March 1, 2024 – February 28, 2025
- **Grant Increase Amount:** \$13,431
 - Total award: \$104,508

Agenda Item 16 – File 241216 (SFDPH)

Comprehensive Opioid, Stimulant, and Substance Use Site-Based Program

Overview:

- **Grant Summary:** Create Overdose Fatality Review with OCME and other City partners, which will 1) review overdose fatality data, 2) increase collaboration with City partners, and 3) identify additional ways to prevent overdoses
- **Funder:** US Department of Justice (DOJ)
- **Amount:** \$1,600,000
- **Timeline:** October 1, 2024 – September 30, 2027

Recreational Trails Program Grant

Twin Peaks Promenade

Grant Award: \$1,493,692

Purpose:

- Build new recreational trails
- Connect to regional trail systems.

Grant Administration:

- Federal Highway Administration via California State Parks Department.

Grant period:

- Sept. 24, 2024 through March 15, 2027.

Grant Funds support:

- Construction of Twin Peaks Promenade
- Support delivery of larger project that includes renovation of three park trails.

Grant Requirements:

- Trail must remain public open space permanently.
- Federal compliance and 48.32% matching funds required.

Priority Conservation Area Grant Visitation Avenue Pedestrian and Bicycle Safety Improvement Project.

Grant award: \$750,000

Purpose:

- Build new bicycle and pedestrian facilities in Priority Conservation Areas.
- Reduce vehicle trips through improved connectivity.

Grant Administration:

- Federal Highway Administration via Metropolitan Transportation Commission

Grant period:

- Contract execution through 2029

Grant Funds Support:

- New sidewalks and bike lanes on Visitation Avenue (McLaren Park).
- Multiuse path connecting Herz Playground and future links to Sunnydale.

Grant Requirements:

- Federal environmental and procurement compliance
- 11.47% matching funds

Agenda Item 9 – File 250032 (SFHSA)
