

LEGISLATIVE DIGEST

[General Plan Amendment - Parkmerced]

Ordinance amending the San Francisco General Plan by amending the Urban Design Element Height Map with respect to the Parkmerced site; adopting findings, including environmental findings and findings of consistency with the General Plan and Planning Code Section 101.1.

Amendments to Current Law

The proposed legislation amends the San Francisco General Plan's Urban Design Element Height Map and the Land Use Index to conform to the new height classifications of the proposed Parkmerced Special Use District (SUD). The amendment refers the reader to the new Planning Code Section creating the SUD and Section Map HT13 of the Zoning Maps of the City and County of San Francisco.
