1. Terms and Conditions

## AWARD INFORMATION

**Incorporation:** In addition to the federal laws, regulations, policies, and CDC General Terms and Conditions for Non-research awards at <https://www.cdc.gov/grants/federalregulationspolicies/index.html>, the Centers for Disease Control and Prevention (CDC) hereby incorporates Notice of Funding Opportunity (NOFO) number CK19-1904, entitled Epidemiology and Laboratory Capacity (ELC), which is hereby made a part of this Non-research award, hereinafter referred to as the Notice of Award (NoA).

**Component Funding:** Additional funding in the amount \$499,203,180 is approved for the Year 01 budget period, which is August 1, 2019 through July 31, 2020

**COVID-19** Paycheck Protection Program and Health Care Enhancement Act Response Activities:

E. Cross-Cutting Emerging Issues: \$499,203,180

Recipients have **30 months** from the date of this NoA to expend all funds awarded herein

**Budget/Workplan Revision Requirement:** Within 30 days of this NoA, the recipient must submit a revised budget with a narrative justification outlining response activities. Failure to submit the required information in a timely manner may adversely affect the future funding of the project. If the information cannot be provided by the due date, you are required to contact your ELC Project Officer and Grant Management Specialist. The revised budget must be uploaded in GrantSolutions as an amendment to allow issuance of a revised NoA.

**Pre-Award Costs:** Pre-award costs dating back to January 20, 2020 – when CDC first activated its Emergency Operations Center (EOC) – and directly related to the COVID-19 outbreak response are allowable.

**Indirect Costs:** Indirect cost will be approved based on current approved negotiated indirect cost rate agreement.

**Overtime:** Because overtime costs are a very likely and reasonable expense during the response to COVID-19, CDC will allow recipients to include projected overtime in their budgets. Recipients should be careful to estimate costs based on current real-time needs and will still be required to follow federal rules and regulations in accounting for the employees' time and effort.

### **Additional Term and Condition:**

A recipient of a grant or cooperative agreement awarded by the Department of Health and Human Services (HHS) with funds made available under the Coronavirus Preparedness and Response Supplemental Appropriations Act, 2020 (P.L. 116-123); the Coronavirus Aid, Relief, and Economic Security Act, 2020 (the "CARES Act") (P.L. 116-136); and/or the Paycheck Protection Program and Health Care Enhancement Act (P.L. 116-139) agrees, as applicable to the award, to: 1) comply with existing and/or future directives and guidance from the Secretary regarding control of the spread of COVID-19; 2) in consultation and coordination with HHS, provide, commensurate with the condition of the individual, COVID-19 patient care regardless of the individual's home jurisdiction and/or appropriate public health measures (e.g., social distancing, home isolation); and 3) assist the United States Government in the implementation and enforcement of federal orders related to quarantine and isolation.

In addition, to the extent applicable, Recipient will comply with Section 18115 of the CARES Act, with respect to the reporting to the HHS Secretary of results of tests intended to detect SARS-CoV-2 or to diagnose a possible case of COVID-19. Such reporting shall be in accordance with guidance and direction from HHS and/or CDC.

Further, consistent with the full scope of applicable grant regulations (45 C.F.R. 75.322), the

purpose of this award, and the underlying funding, the recipient is expected to provide to CDC copies of and/or access to COVID-19 data collected with these funds, including but not limited to data related to COVID-19 testing. CDC will specify in further guidance and directives what is encompassed by this requirement.

This award is contingent upon agreement by the recipient to comply with existing and future guidance from the HHS Secretary regarding control of the spread of COVID-19. In addition, recipient is expected to flow down these terms to any subaward, to the extent applicable to activities set out in such subaward.

#### **Unallowable Costs:**

- Clinical care
- Publicity and propaganda (lobbying):
  - Other than for normal and recognized executive-legislative relationships, no funds may be used for:
