7 WHEREAS, Breast cancer prevention in the form of periodic mammograms is critically  
8 important to women's health; and

9 WHEREAS, the equipment currently available for mammograms in San Francisco is  
10 both limited and dated, resulting in waits averaging four months for local women to be tested  
11 and generally discouraging regular preventative testing; and

12 WHEREAS, the Avon Products Foundation has contributed \$10 million to San  
13 Francisco General Hospital to create a state-of-the-art Women's Imaging Center which  
14 provide one of the nation's best mammography centers; and,

15 WHEREAS, the San Francisco General Foundation, a non-profit community group  
16 dedicated to supporting San Francisco General Hospital, played a critical role in attracting this  
17 generous gift from Avon Products Foundation, and

18 WHEREAS, This Women's Imaging Center will enable high-technology digital  
19 mammograms that will greatly decrease the wait to make an appointment thus encouraging  
20 regular mammograms, and hence improving the provision of breast cancer prevention  
21 services to low-income women; and,

22 WHEREAS, This Women's Imaging Center will greatly increase the probability of early  
23 detection of breast cancer for those women tested, which is critical for effective treatment and  
24 long-term health of these women, now, therefore, be it
