 - B. The Department held a public scoping meeting on June 2, 2015 in order to solicit public comment on the scope of the 1500 Mission Street Project's environmental review.
 - C. On November 9, 2016, the Department published the Draft Environmental Impact Report (hereinafter "DEIR") and provided public notice in a newspaper of general circulation of the availability of the DEIR for public review and comment and of the date and time of the Planning Commission public hearing on the DEIR; this notice was mailed to the Department's list of persons requesting such notice.
 - D. Notices of availability of the DEIR and of the date and time of the public hearing were posted near the project site on November 9, 2016.
 - E. On November 9, 2016, copies of the DEIR were mailed or otherwise delivered to a list of persons requesting it, to those noted on the distribution list in the DEIR, to adjacent property owners, and to government agencies, the latter both directly and through the State Clearinghouse.
