Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings.

(a) As San Francisco continues to grow and develop, the need increases for well-maintained public open spaces that meet the demands of existing and new residents, workers, and visitors. The Showplace Square/Potrero Hill Area Plan, a part of the Eastern Neighborhoods Area Plan, identifies the need for additional open space to enhance livability in the Plan Area.

(b) In order to provide these new open spaces, significant funding beyond existing City resources is necessary to acquire, develop, and maintain the necessary new open spaces. One potential source of funds is new residential development that could contribute to the capital costs of open space. New residential development directly impacts the existing park

1 sites with its influx of new residents. Therefore, new development in the Eastern
2 Neighborhoods is required under Planning Code Section 423 to pay the Eastern
3 Neighborhoods Infrastructure Impact Fee directly into the Eastern Neighborhoods Public
4 Benefit Fund to, among other infrastructure improvements, acquire and/or construct new open
5 space. Alternatively, project sponsors may propose to directly provide community
6 improvements to the City in lieu of fee payments. In such a case, the Planning Commission
7 may enter into an in-kind improvement agreement with the sponsor and issue a fee waiver for
8 the Eastern Neighborhoods Infrastructure Impact Fee in the amount of the cost of the
9 acquisition of property and/or proposed improvements.

10 (c) The Eastern Neighborhoods Streets and Open Space Concept Plan (Appendix A3
11 of the 2008 Showplace Square/Potrero Hill Area Plan) identified as a priority and significant
12 opportunity for new open space the approximately one-acre one block section of Daggett
13 Street between 16th and 7th Streets, owned by the Port of San Francisco and subject to the
14 public trust. Policies 5.1.1 and 5.1.2 of the Showplace Square/Potrero Hill Area Plan (2009)
15 call for the City to “[i]dentify opportunities to create new public parks and open spaces and
16 provide at least one new public park or open space serving the Showplace/Potrero” and
17 “[r]equire new residential development and commercial development to provide, or contribute
18 to the creation of publicly accessible open space.” In addition, the Showplace Open Space
19 Plan (2010) identified Daggett Street as a potential location for open space to fulfill the goals
20 of the Showplace Square/Potrero Hill Area Plan.

21 (d) On January 27, 2009, the City issued an “Eastern Neighborhoods Infrastructure
22 Prioritization Memorandum of Understanding” (“ENMOU”) between seven City agencies. This
23 MOU listed the implementation of one new open space project in the Showplace Square area
24 (generally bounded by 16th Street to the south, 7th Street to the northeast, Bryant Street to the
25 northwest, and Potrero Avenue to the west) as one of the seven priority projects for funding in

1 the Eastern Neighborhoods. On July 18, 2011, in Motion No. 2011-6-1, and June 15, 2015, in
2 Motion No. 2015-06-05, at duly noticed public meetings, the ENCAC supported the use of a
3 portion of the Eastern Neighborhoods Infrastructure Impact fee that the Project Sponsor owed
4 via an In-Kind Agreement between the City and Project Sponsor, as set forth in Planning
5 Code Section 423.3, to be allocated to the construction of the open space improvements. The
6 ENCAC recommended this action to the Planning Commission and Board of Supervisors.
7 Copies of these motions are on file with the Clerk of the Board in File No. 150644.

8 (e) On September 7, 2012, the Interagency Planning and Implementation Committee
9 ("IPIC") agreed with this recommendation.

10 (f) In 2012, the Planning Commission and Archstone Daggett Place, LLC ("Project
11 Sponsor"), which plans to develop a 453-unit rental development project on the properties
12 abutting Daggett Street, entered into an in-kind agreement to build a new open space on a
13 portion of Daggett Street in exchange for a waiver of a portion of its Eastern Neighborhoods
14 Infrastructure Impact Fee. The Planning Commission and the Project Sponsor entered into
15 the 1000 16th Street In-Kind Improvement Agreement dated as of November 29, 2012 (the
16 "In-Kind Agreement"). Project Sponsor will provide the additional cost of construction of the
17 open space improvements and maintenance of the open space as a gift to the City. On
18 November 29, 2012 and July 9, 2015, at duly noticed public hearings, the Planning
19 Commission, in Resolution Nos. 18752 and 19410 approved an In-Kind Agreement and an
20 amended In-Kind Agreement, respectively (collectively referred to herein as the "In-Kind
21 Agreements"). Copies of these resolutions and the In-Kind Agreements are on file with the
22 Clerk of the Board in File No.150644.

23 (g) The Showplace Square/Potrero Hill area will benefit greatly from this new local
24 amenity, facilitated by the Project Sponsor's adjacent new residential development, as
25

1 adequate resources have not been available to fund a significant new open space in this Plan
2 Area.

3 (h) Daggett Street, which was transferred to the City under the Burton Act, was subject
4 to the public trust and placed in the jurisdiction of the Port of San Francisco. In order to
5 support new open space uses on Daggett Street, the City worked with the Port and California
6 State Lands Commission to lift the public trust from Daggett Street in exchange for the City's
7 payment of the appraised fair market value of \$1,675,000 to the Port. In exchange for such
8 payment, the Port agreed to remove the public trust and transfer jurisdiction of Daggett Street
9 to the City.

10 (i) Once construction of the open space improvements is complete, jurisdiction over
11 the portion of Daggett Street that will be vacated (the "Vacation Area") and will transfer to the
12 Real Estate Division of the Office of the City Administrator ("RED"). RED will manage the
13 Vacation Area as a public open space and intends to request the Board to designate the
14 Vacation Area as a City Plaza under Administrative Code Section 94, the San Francisco
15 Plaza Program, once RED has identified a steward for the Board's consideration and
16 approval. The Vacation Area is proposed to be zoned as public/open space use, while the
17 remaining street right-of-way portion of Daggett Street will continue as a public street under
18 the jurisdiction of Public Works.

19 (j) To facilitate establishment of the Daggett Park open space, this legislation would
20 conditionally change the zoning of a portion of Daggett Street between 16th Street and 7th
21 Street from the adjacent zoning district of UMU (Urban Mixed Use)/68-X Height and Bulk
22 District to P (Public)/OS (Open Space). This zoning change would become operative on the
23 effective date of the street vacation of the northern portion of this street segment in
24 accordance with Public Works Code Section 787 and California Streets and Highways Code
25 Sections 8300 et seq. The street vacation, Public Works SUR Map No. 2015-002 showing the

1 area to be vacated, and other related approvals and actions are in companion legislation on
2 file with the Board of Supervisors in Clerk's File No. 150644 and incorporated herein by
3 reference.

4 (k) For purposes of the actions set forth in this legislation, the Board adopts the
5 California Environmental Quality Act ("CEQA") (Public Resources Code Sections 21000 et
6 seq.) findings that it adopted in companion legislation on file with the Clerk of the Board of
7 Supervisors File No. 150644, and incorporated herein by reference.

8 (l) On July 2, 2015, the Planning Commission, in Resolution No. 19406, adopted
9 findings that the actions contemplated in this ordinance are consistent, on balance, with the
10 City's General Plan and eight priority policies of Planning Code Section 101.1. The Board
11 adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the
12 Board of Supervisors in File No. 150586, and is incorporated herein by reference.

13 (m) In Resolution No. 19406, the Planning Commission also determined, in
14 accordance with Planning Code Section 302, that the ordinance will serve the public
15 necessity, convenience, and general welfare. The Board adopts this determination as its own.
16

17 Section 2. Under Sections 106 and 302(c) of the Planning Code, the Zoning Map of
18 the City and County of San Francisco is amended as follows:

LEGISLATIVE DIGEST
(Substituted 9/8/2015)

[Planning Code, Zoning Map – Rezoning a Portion of Daggett Street to Public Use/Open Space Zoning]

Ordinance amending the Planning Code by revising the Zoning Map to rezone a portion of Daggett Street between 16th Street and 7th Street from Urban Mixed Use/68-X Height and Bulk District to Public/Open Space as part of the establishment of Daggett Park; and making findings under the California Environmental Quality Act, and findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.

Existing Law

Daggett Street between 16th and 7th Streets is currently zoned UMU (Urban Mixed Use) with a height and bulk district of 68 feet-X bulk. This zoning reflects the zoning designation of the properties adjacent to both sides of the street.

Amendments to Current Law

This legislation would rezone the northerly portion of Daggett Street between 16th and 7th Streets to P (Public) use and a height/bulk designation of OS (Open Space). The rezoning would be conditioned upon the final and effective date of companion legislation that proposes to vacate this portion of this Street in accordance with local law and the California Streets and Highways Code. The ordinance also would make findings under the California Environmental Quality Act, the City's General Plan, the eight priority policies of Planning Code Section 101.1, and the public necessity findings of Planning Code Section 302.

Background Information

This legislation would facilitate implementation of the Daggett Park project as identified in the Showplace Square Open Space Plan, which is a component of the Eastern Neighborhoods Area Plan.

WHEREAS, on June 2, 2015 Supervisor Cohen (hereafter "legislative sponsor") introduced a proposed Ordinance under Board of Supervisors (hereinafter "Board") File Number 150586 that would amend the Zoning Map Sheet ZN08 and Height Map Sheet HT08 of the City and County of San Francisco to rezone the Daggett Street Right-of-Way from Urban Mixed Use (UMU)/68-X Height and Bulk to Public (P)/Open Space (OS); and affirming the Planning Department's determination under the California Environmental Quality Act, and making findings of consistency with the General Plan, Planning Code Section 302 and the eight priority policies of Planning Code, Section 101.1; and

Whereas, on July 2, 2015, the San Francisco Planning Commission (hereinafter "Commission") conducted a duly noticed public hearing at a regularly scheduled meeting to consider the proposed Ordinance and recommended approval of the proposed Ordinance; and

Whereas, the Planning Department (hereinafter "Department") determined that the Project received California Environmental Quality Act (CEQA) clearance under Planning Department Case No. 2003.0527 Daggett Place Final Environmental Impact Report, and that no further environmental review is necessary; and

Whereas, the Commission has heard and considered the testimony presented to it at the public hearing and has further considered written materials and oral testimony presented on behalf of the applicant, Department staff, and other interested parties; and

Whereas, all pertinent documents may be found in the files of the Department, as the custodian of records, at 1650 Mission Street, Suite 400, San Francisco; and

Whereas, the Commission has reviewed the proposed Ordinance; and

FINDINGS

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

1. As San Francisco continues to grow and develop, the need increases for well-maintained public open spaces that meet the demands of existing and new residents, workers, and visitors. The Showplace Square/Potrero Hill Area Plan, a part of the Eastern Neighborhoods Area Plan, identifies the need for additional open space to enhance livability in the Plan Area.
2. The June 2010 Showplace Square Open Space Plan identified a significant opportunity for new open space on the approximately one-acre section of Daggett Street between 16th and 7th Streets, owned by the Port of San Francisco and subject to the public trust. The Eastern Neighborhoods Community Advisory Community (ENCAC), as well as various City agencies, recommended use of the Eastern Neighborhoods Infrastructure Impact Fee to support a new open space on this publicly-owned site.
3. In 2012, the Planning Commission and Archstone Daggett Place, LLC ("Project Sponsor"), which is developing a 453-unit rental development project, entered into an in-kind agreement on the properties abutting Daggett Street, to build a new open space and shared public way in this location in exchange for a waiver of a portion of its Eastern Neighborhoods Infrastructure Impact Fee. The Planning Commission and the Project Sponsor entered into the 1000 16th Street In-Kind Improvement Agreement dated as of November 29, 2012 (the "In-Kind Agreement"). Project Sponsor will provide the additional cost of construction of the initial park improvements and shared public way and maintenance of the open space as a gift to the City.

Daggett Shared Public Way and Open Space

SF Board Of Supervisors Land Use Committee
September 14th, 2015

Project Location

392

The Daggett Project: Overview

Daggett Shared Public Way and Open Space:

- Total area almost 0.9 acres:
 - Daggett open space
 - Daggett Street shared public way

Amenities and design features include:

- Ample seating opportunities
- Universal accessibility
- A fenced-off dog run
- “Mission Marsh Bears”, a public art piece
- Drought-resistant trees and landscaping
- One-way “Shared Public Way” to create a pedestrian-oriented environment while allowing vehicle access

Daggett Project Timeline and Actions

2009: Community Priority

Eastern Neighborhoods Community Advisory Committee (ENCAC) identified need and prioritizes the project

2011: Partnership

City partnered with land owner via a development in-kind fee waiver for a portion of the project costs

Developer gifts balance of improvements and the maintenance to the City

On-going: City Process

City has coordinated internally and worked with State to utilize Daggett Street Right of Way (RoW)

Pending BoS Approvals

Open Space opens Summer 2016

Eastern Neighborhoods Background

- The Eastern Neighborhoods Area Plan identifies open space need.
- Development in the Eastern Neighborhoods pays the Eastern Neighborhoods Infrastructure Impact Fee or project sponsors may propose to directly provide community improvements to the City in lieu of fee payments.
- **“Eastern Neighborhoods Infrastructure Prioritization Memorandum of Understanding” (2009)** between seven City agencies listed the implementation of one new open space project in the Showplace Square area as one of the seven priority projects for funding in the Eastern Neighborhoods.
 - The June 2010 Eastern Neighborhoods Area Plan prioritized Daggett between 16th and 7th for open space.
 - In 2011 the Planning Commission entered into an in-kind improvement agreement with the sponsor and approved a fee waiver.

Daggett Open Space Background

- Public meetings, workshops and approvals around this project:
 - **May 16 2011:** The Eastern Neighborhoods Community Advisory Committee (“ENCAC”) Showplace Open Space Plan meeting
 - **July 18, 2011:** The ENCAC considered In-Kind Agreement for Daggett, included design presentation
 - **September 7, 2011:** Additional public meeting on Daggett design.
 - Art Commission’s Civic Design Review, which are public meetings
 - **January 1, 2012:** Phase I Design Review
 - **February 13, 2012:** Phase II Design Review
- In 2011 and again in 2015:
 - ENCAC supported the use of the Eastern Neighborhoods Infrastructure Impact fee via an In-Kind Agreement between the City and Project Sponsor

396

Daggett Project Process

- Realize one of the main community infrastructure needs: more open space to support local growth
- A local-serving open space on Daggett would not be Public Trust compliant
 - City utilized the SB 815 to lift the Public Trust (State Lands action, 2014); City awarded State Housing-Related Parks grant: \$1.6 million and local \$75,000 to fill funding gap
- Project keeps open space 100% publically accessible, and would be proposed to BoS to be adopted via Plaza Program

The Plaza Program

- **Plaza Program established 2014 as Chapter 94 of Admin Code**
- **Involve community-based stewards**
 - Support local stewardship efforts
 - All plazas and potential plaza stewards need Board of Supervisor adoption/approval
- **Coordinate City efforts**
 - Streamline event permitting processes to encourage activation
 - Provide a long-term “home” for existing plaza projects created through various City programs:
 - City Plazas: Real Estate jurisdiction – as a license agreement
 - Street Plaza: Public Works jurisdiction – as a Plaza Encroachment permit
- **A City Plaza requires a rezone (unless unfeasible) to Public (P) and Open Space (OS) height and bulk designation**

City Management

In-Kind Maintenance Agreement

Maintenance covenant/declaration recorded to developer's land:

Runs with the land

Daggett Open Space

(Real Estate Jurisdiction zoned P/OS):

Maintenance License Agreement would allow property owner to enter land to maintain
Plaza Program Steward License Agreement would allow use (events, etc.)

Shared Public Way
(Public Works Right of Way Jurisdiction):

Adjacent property owner right to maintain through a Major Encroachment Permit

Improvement Cost and In-Kind Fee Waiver

Detail	Balance
Total Improvement Costs	\$4,899,999
Less Shared Public Way Cost (Required for project)	(\$963,036)
Total Open Space Improvement Cost	\$3,936,963
Less fee waiver	(\$2,369,144)
Remainder: Is considered by law a gift to City, which requires City acceptance	\$1,567,819

- Additional gift: Perpetual maintenance

Re: Daggett Park
To BOS Land Use Committee

The Potrero Dogpatch Merchants Association (PDMA) respectfully urges you to approve the ordinances that will enable the construction of Daggett Park. This proposed park is a sorely-needed open space for the northern part of Potrero/ Showplace. Currently, the sole open space in that neighborhood is the somewhat decrepit Jackson Park, a space that is primarily used as a baseball field. Daggett Park will be open to the whole neighborhood; it has been very attractively designed, it was unanimously approved at the ENCAC and it will be an asset to both current and future residents of the area.

Yours sincerely,

Keith Goldstein
President, PDMA
