LEGISLATIVE DIGEST

[Police Code – Vehicle Press Cards]

Ordinance amending San Francisco Police Code Sections 939, 939.1, 939.3, 939.5, and 939.7, and repealing Sections 939.2, 939.4, and 939.6 to remove the Chief of Police's authority to issue or regulate Vehicle Press Cards.

Existing Law

Under existing law, the Chief of Police is authorized to establish procedures for the application, issuance, reissuance, and revocation of Vehicle Press Cards to News-Gathering Vehicles. Display of a Vehicle Press Card exempts a parked vehicle from residential parking time restrictions, payment at parking meters, yellow and white curb zone restrictions, and overtime parking restrictions if the employee is on duty and the vehicle is parked the required distance from the employee's place of employment or residence. The Chief of Police collects all permit fees associated with administering the program.

Amendments to Current Law

This legislation would remove the Chief of Police's authority to issue or regulate Vehicle Press Cards.

Background Information

The Charter grants the SFMTA exclusive authority to adopt regulations to limit parking and establish parking privileges and locations subject to such privileges. If these Police Code provisions are amended, the SFMTA intends to adopt legislation to establish procedures for the application, issuance, reissuance, and revocation of Vehicle Press Permits to News-Gathering Vehicles and regulate the use of such permits. The SFMTA would set the permit fee and collect all revenues associated with administering the program.

**The Honorable Members of the Board of Supervisors
City and County of San Francisco
City Hall, Room 244
1 Dr. Carlton Goodlett Place
San Francisco, CA 94102**

***Subject: Amending San Francisco Police Code Sections 939, 939.1, 939.3, 939.5 and
repealing Sections 939.2, 939.4 and 939.6 to remove the Chief of Police's
authority to issue or regulate vehicle press permits***

Honorable Members of the Board of Supervisors:

The purpose of this briefing is to provide information to support the San Francisco Municipal Transportation Agency's request that the Board of Supervisors amend San Francisco Police Code Sections 939, 939.1, 939.3, 939.5 and repeal Sections 939.2, 939.4 and 939.6 to remove the Chief of Police's authority to issue or regulate vehicle press permits.

Background:

Under existing law, the Chief of Police is authorized to establish procedures for the application, issuance, reissuance, and revocation of press permits for news-gathering vehicles ("Vehicle Press Cards"). Display of a Vehicle Press Card exempts a parked vehicle from residential parking time restrictions, payment at parking meters, yellow and white curb zone restrictions, and overtime parking restrictions if the employee is actively gathering news and the vehicle is parked the required distance from the employee's place of employment or residence. The Chief of Police collects all permit fees associated with administering the program. The Police Department estimates approximately 500 permits are issued per year at \$50 each.

The Charter grants the SFMTA exclusive authority to adopt regulations to limit parking and establish parking privileges and locations subject to such privileges. This provision went into effect on January 1, 2008. If these Police Code provisions are amended, the SFMTA intends to adopt legislation to establish procedures for the application, issuance, reissuance, and revocation of vehicle press permits and regulate the use of such permits. The SFMTA would set the permit fee and collect all revenues associated with administering the program.

In order to best streamline and enforce on-street parking permits in the City, the SFMTA proposes to become the issuing agency for vehicle press cards as authorized by the City's Charter. Decentralized parking permit issuance makes it difficult for the Agency to improve parking management in the City and is not

consistent with the City's Charter. As the agency that enforces parking regulations, it is helpful if the SFMTA also issues and regulates on-street parking permits. Under this proposal, the Police Department would continue to issue individual press passes for the purpose of permitting these individuals to be admitted within police lines, and the SFMTA would coordinate with the Police Department to streamline issuance of a Vehicle Press Card for these individuals.

Notification:

The SFMTA has received concurrence from the San Francisco Police Department regarding this change. In addition, all permit holders have been notified of this proposed change.

Legislation Required:

Division I – Board of Supervisors

Repeals the San Francisco Police Code Sections regulating the issuance of Vehicle Press Cards.

Division II – SFMTA Board of Directors

Amendment to Division II of the San Francisco Transportation Code establishing regulations for the issuance of Vehicle Press Card parking permits by the SFMTA and establishing an administrative permit fee. A copy of the proposed Division II ordinance is attached for your reference.

Funding Impact:

The SFMTA will adopt a cost recovery fee for the administration of this permit program. The fee will be \$52 for Fiscal Year 2013, \$54 for Fiscal Year 2014 and subject to the SFMTA approved cost increase indexing plan going forward.

Recommendation:

The San Francisco Municipal Transportation Agency (SFMTA) recommends the Board of Supervisors amend San Francisco Police Code Sections 939, 939.1, 939.3, 939.5 and repealing Sections 939.2, 939.4 and 939.6 to remove the Chief of Police's authority to issue or regulate Vehicle Press Card parking permits.

Sincerely,

Edward D. Reiskin
Director of Transportation
