9 WHEREAS, On May 2, 1997, the Board of Supervisors passed Resolution No. 380-97,  
10 authorizing the Mayor's Treasure Island Project Office to establish a nonprofit public benefit  
11 corporation known as the Treasure Island Development Authority (the "Authority") to act as a  
12 single entity focused on the planning, redevelopment, reconstruction, rehabilitation, reuse and  
13 conversion of former Naval Station Treasure Island (the "Base") for the public interest,  
14 convenience, welfare and common benefit of the inhabitants of the City and County of San  
15 Francisco; and,

16 WHEREAS, Under the Treasure Island Conversion Act of 1997, which amended  
17 Section 33492.5 of the California Health and Safety Code and added Section 2.1 to Chapter  
18 1333 of the Statutes of 1968 (the "Act"), the California legislature (i) designated the Authority  
19 as a redevelopment agency under California redevelopment law with authority over the Base  
20 upon approval of the City's Board of Supervisors, and, (ii) with respect to those portions of the  
21 Base which are subject to the Tidelands Trust, vested in the Authority the authority to  
22 administer the public trust for commerce, navigation and fisheries as to such property; and,

23 WHEREAS, Geomatrix Consultants, Inc. ("Geomatrix") was selected by the City's  
24 Department of Public Works ("DPW") as an "as-needed" contractor to provide environmental  
25 review and remediation activities based on a public Request for Proposals process; and,

1           WHEREAS, Geomatrix performed services under a contract with DPW for several  
2 agencies and locations, including Treasure Island; and,

3           WHEREAS, On February 12, 2003, because of Geomatrix's knowledge of the Navy's  
4 environmental remediation program at the Base, the Authority authorized the Executive  
5 Director to execute a new contract with Geomatrix for an amount not to exceed \$541,000 to  
6 (a) assist the Authority in drafting a Request for Qualifications for a guaranteed fixed price  
7 contractor (the "GFP Contractor") to perform environmental remediation services, (b) assist  
8 the Authority in evaluating bids and negotiating a remediation contract with the GFP  
9 Contractor, (c) participate in the negotiations with the Navy for an Environmental Services  
10 Cooperative Agreement in connection with an Early Transfer of the Base, and (d) monitor the  
11 Navy's on-going environmental remediation program; and

12           WHEREAS, On June 9, 2004, the Authority extended the term of the Geomatrix  
13 contract for an additional two (2) months; and,

14           WHEREAS, On December 8, 2004, the Authority retroactively extended the term of the  
15 contract through June 30, 2005 and increased the not-to-exceed amount of the contract to  
16 \$719,000; and,

17           WHEREAS, On July 13, 2005, the Authority retroactively extended the term of the  
18 contract through June 30, 2006 and increased the not-to-exceed amount of the contract to  
19 \$899,000; and,

20           WHEREAS, On May 31, 2006, the Authority extended the term of the contract through  
21 June 30, 2007 and increased the not-to-exceed amount of the contract to \$1,097,000; and,

22           WHEREAS, The Authority believes that the on-going role of Geomatrix is important and  
23 merits amendment of the existing contract in order to (a) maintain the continuity of oversight of  
24 the Navy's environmental remediation program at a time when the Navy has budgeted  
25 significant funds in the coming fiscal year, (b) avoid the potential challenges associated with

1 the learning curve inherent in selecting and bringing a new engineering contractor up to  
2 speed, and (c) continue assisting the Authority in negotiating a guaranteed fixed-price  
3 remediation contract with a GFP Contractor; and,

4 WHEREAS, The Authority wishes to amend the contract with Geomatrix to extend the  
5 term through June 30, 2008, increase the not-to-exceed amount to \$1,277,000, and modify  
6 the scope of services of the contract, consistent with the Authority's need for on-going  
7 monitoring of the Navy's environmental cleanup program; and,

8 WHEREAS, On May 9, 2007 at a properly noticed meeting, the Authority authorized  
9 the Director of Island Operations to execute the amendment to the contract with Geomatrix to  
10 extend the term thereof through June 30, 2008, increase the not-to-exceed amount of the  
11 contract to \$1,277,000 and modify the scope of services; and,

12 WHEREAS, The Authority's organizational documents require the Board of  
13 Supervisors' approval of any contract that the Authority enters into prior to the adoption of a  
14 redevelopment plan for the Base if the value of the contract is worth more than \$1,000,000 or  
15 has a term of ten years or more; and,

16 WHEREAS, The contract, as amended by the proposed amendment, is a contract for  
17 an amount in excess of \$1,000,000; now, therefore, be it

18 RESOLVED, That the San Francisco Board of Supervisors hereby approves the  
19 amendment to the Geomatrix contract; and,

20 FURTHER RESOLVED, That the San Francisco Board of Supervisors hereby  
21 authorizes the Director of Island Operations for the Authority to execute and enter into the  
22 amendment to the Geomatrix contract in substantially the form of the amendment to the  
23 Geomatrix contract filed with the Clerk of the Board in File No. \_\_\_\_\_, and any  
24 additions, amendments or other modifications to such amendment (including, without  
25 limitation, its exhibits) that the Director of Island Operations of the Authority or her designee

1 determines, in consultation with the City Attorney, are in the best interests of the Authority and  
2 do not otherwise materially increase the obligations or liabilities of the Authority, and are  
3 necessary or advisable to effectuate the purpose and intent of this resolution.
