Dear Mr. Young,

I am writing this email in support of Earl Shaddix and his qualifications to remain as Commissioner on the DBI Commission. I work with Mr. Shaddix in his role as the Executive Director for Economic Development on 3rd (EDoT). Mr. Shaddix is a pillar of the community and has helped multiple businesses successfully navigate the start up process and continues to work with community partners to create economic opportunities for business owners and the people of our communities.

Earl has the background, qualifications and experience to serve on the DBI Commission. The community supported his initial appointment to the commission and we encourage the DBI commission to consider Mr. Shaddix's credentials and his community contribution and reappoint him in this role. The community stands behind Mr. Shaddix and I hope that our voices are included in this decision.

I am available should you have any questions regarding my position of support for Mr. Shaddix. Again we sincerely hope the Commission considers the community response and renews this appointment.

Dear Mr. Young,

I have worked with Earl Shaddix for over 10 years in the Bayview-Hunters Point neighborhood. At Old Skool, we have always appreciated his support for the 3rd Street corridor and our local businesses - especially his work and partnership on Mendell Plaza. From facade compliance, ADA information, vacancies etc, Earl has always demonstrated a true passion to assist the community. His work and knowledge is invaluable to us as nonprofit/business owners, but also as a neighbor. He is a true connector in the neighborhood and knows how to get things done.

We fully support his appointment to the DBI Commision and believe he will do a fantastic job for San Francisco.

In community,
