## Project Description

The proposal is to establish a Community Recycling Collection Center Use (DBA “Our Planet Recycling SF”) within the Public (P) Zoning District and 40-X Height and Bulk District. Our Planet Recycling SF operates a Community Recycling Collection Center at the adjacent property, 445 Bayshore Boulevard, and will utilize the subject property to provide vehicular access to their main site location and for storage. The main operation of the recycling center will remain at their existing 445 Bayshore Boulevard location. The City has executed a year-to-year lease since 2017 with the listed business to occupy and utilize the subject property. The listed business now seeks a long-term lease with the City, and the City has granted the business consent to seek the listed Conditional Use Authorization.

## Required Commission Action

In order for the Project to proceed, the Commission must grant a Conditional Use Authorization, pursuant to Planning Code Sections 211.2 and 303 to establish a Community Recycling Collection Center use (DBA “One Planet Recycling SF”) within the Public (P) Zoning District and 40-X Height and Bulk District.

## Environmental Review

The Project is exempt from the California Environmental Quality Act (“CEQA”) as a Class 3 Categorical Exemption.

## Decision

Based upon information set forth in application materials submitted by the project sponsor and available in the case file (which is incorporated herein by reference as though fully set forth) and based upon the findings below, the Commission hereby **APPROVES Conditional Use Authorization (CUA) No. 2021-007063CUA** subject to conditions contained in the attached “EXHIBIT A” and in general conformance with plans on file, dated August of 2022, and stamped “EXHIBIT B.”

Additional Information	
<b>Notification Period</b>	March 10, 2023 to March 30, 2023 (20 days mailing, newspaper, online, and posted).
<b>Number and Nature of Public Comments Received</b>	To date, the Department has received a total of four correspondence regarding the Project. All public members have expressed concerns with regards to the listed business use and maintenance of the subject property.

Generalized Basis for Approval
The Commission finds that this Project is necessary, desirable for, and compatible with the surrounding neighborhood as follows, and as set forth in Planning Code Sections 211.2 and 303(c), and findings submitted as part of the application. The Project will support the continued viability of an established Community Recycling Collection Center use (DBA “Our Planet Recycling SF”) within the Public (P) Zoning District which aligns with the General Plan’s Environmental Protection Element’s objectives and policies. The Project will help maintain a recycling facility within the City, continue to encourage responsible and effective recycling, and eliminate waste from the City.
Department staff believes the Project would be desirable for and compatible with the surrounding neighborhood and recommends Approval with Conditions.

I hereby certify that the Planning Commission ADOPTED the foregoing Motion on July 13, 2023.

## 2. PREMISES; AS IS CONDITION

### 2.1 Lease Premises

Subject to the provisions of this Lease, City leases to Tenant and Tenant leases from City those premises identified in the Basic Lease Information and depicted on the attached Exhibit A (the "Premises"). The rentable area of the Premises specified in the Basic Lease Information shall be conclusive for all purposes hereof. The Premises shall include all improvements thereon and appurtenances thereto.

### 2.2 Accessibility Disclosures

California Civil Code Section 1938 requires commercial landlords to disclose to tenants whether the property being leased has undergone inspection by a Certified Access Specialist

("CASp") to determine whether the property meets all applicable construction-related accessibility requirements. The law does not require landlords to have the inspections performed. Tenant is hereby advised that the Premises have not been inspected by a CASp. A CASp can inspect the Premises and determine if they comply with all the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the Premises, City may not prohibit Tenant from obtaining a CASp inspection of the Premises for the occupancy or potential occupancy of Tenant if requested by Tenant. City and Tenant shall mutually agree on the arrangements for the time and manner of such CASp inspection, the payment of the CASp inspection fee, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the Premises.

### **2.3 As Is Condition**

TENANT ACKNOWLEDGES AND AGREES THAT THE PREMISES ARE BEING LEASED AND ACCEPTED IN THEIR "AS IS" CONDITION, WITHOUT REPRESENTATION OR WARRANTY OF ANY KIND, AND SUBJECT TO ALL APPLICABLE LAWS, RULES AND ORDINANCES GOVERNING THEIR USE, OCCUPANCY AND POSSESSION. TENANT REPRESENTS AND WARRANTS TO CITY THAT TENANT HAS INVESTIGATED AND INSPECTED, EITHER INDEPENDENTLY OR THROUGH AGENTS OF TENANT'S OWN CHOOSING, THE CONDITION OF THE PREMISES AND THE SUITABILITY OF THE PREMISES FOR TENANT'S INTENDED USE. TENANT HAS DETERMINED, BASED SOLELY ON ITS OWN INVESTIGATION, THAT THE PREMISES ARE SUITABLE FOR TENANT'S BUSINESS AND INTENDED USE. TENANT ACKNOWLEDGES AND AGREES THAT NEITHER CITY NOR ANY OF ITS AGENTS HAVE MADE, AND CITY HEREBY DISCLAIMS, ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, CONCERNING THE RENTABLE AREA OF THE PREMISES, THE PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PREMISES OR THE PROPERTY, THE PRESENT OR FUTURE SUITABILITY OF THE PREMISES FOR TENANT'S BUSINESS, OR ANY OTHER MATTER WHATSOEVER RELATING TO THE PREMISES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

## **3. TERM**

### **3.1 Lease Term**

The Premises are leased for a term (the "Term") commencing on the date this Lease is fully executed. The Term of this Lease shall continue on a year to year basis, unless sooner terminated pursuant to the provisions of this Lease. City shall deliver the Premises to Tenant on the Commencement Date in their then existing as is condition as further provided above, with no obligation of the City to make any improvements, repairs or alterations.

### **3.2 Commencement Date and Expiration Date**

The dates on which the Term commences and terminates pursuant hereto are referred to respectively as the "Commencement Date" and the "Expiration Date."

### **3.3 Termination**

Each party shall have the right to terminate this Lease at any time after the three (3) month anniversary of the Commencement Date by delivering no less than thirty (30) days written notice of such termination to the other party (a "Termination Notice"). In addition, if Minor Sidewalk Encroachment Permit No. 17MSE-0349, issued to Tenant by San Francisco Public Works on August 24, 2017, and attached to this Lease as Exhibit B (the "Permit"), terminates at any time during the term of this Lease, this Lease shall automatically terminate on the date of such Permit termination. Tenant shall immediately notify City in writing if the Permit terminates.

## **4. RENT**

### **4.1 Base Rent**

Throughout the Term beginning on the Commencement Date, Tenant shall pay to City the annual Base Rent specified in the Basic Lease Information, provided that such sum shall be subject to escalation pursuant to Section 4.2 (Adjustments in Base Rent) (the "Base Rent"). The Base Rent shall be paid to City in advance, without prior demand and without any deduction, setoff or counterclaim whatsoever, in equal consecutive monthly payments on or before the first day of the Term and on or before the first day of each month thereafter. All sums payable by Tenant to City hereunder shall be paid in cash or by good (cashier's or certified) check to the City and County of San Francisco in care of the Director of Property at the primary address for City specified in the Basic Lease Information, or such other place as City may designate in writing. If Tenant pays by check and such check is not honored, then City may require Tenant to make all future payments in cash or by cashier's check. If the Commencement Date occurs on a day other than the first day of a calendar month, or the Expiration Date occurs on a day other than the last day of a calendar month, then the Base Rent for such fractional month shall be prorated based on a thirty (30) day month. Within five (5) days after the parties execute this Lease, Tenant shall pay to City the Base Rent for the first full month.

### **4.2 Adjustments in Base Rent**

On each date specified in the Basic Lease Information for adjustment of the Base Rent (an "Adjustment Date"), the Base Rent payable under this Lease shall be adjusted as follows:

The Consumer Price Index Urban Wage Earners and Clerical Workers (base years 1982-1984 = 100) for San Francisco-Oakland-San Jose area published by the United States Department of Labor, Bureau of Labor Statistics ("Index") published most immediately preceding the Adjustment Date ("Adjustment Index"), shall be compared with the Index published most immediately preceding the Commencement Date ("Beginning Index").

If the Adjustment Index has increased over the Beginning Index, the Base Rent payable on and after the Adjustment Date shall be set by multiplying the Base Rent by a fraction, the numerator of which is the Adjustment Index and the denominator of which is the Beginning Index. However, in no event shall the monthly Base Rent on or after the Adjustment Date be less than one hundred and three percent (103%) nor more than one hundred and six percent (106%) of the monthly Base Rent in effect immediately prior to the Adjustment Date.

If the Index is changed so that the base year differs from that used as of the date most immediately preceding the Commencement Date, the Index shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised during the Term, such other government index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the Index had not been discontinued or revised.

### **4.3 Additional Charges**

Tenant shall pay to City any and all charges and other amounts required under this Lease as additional rent (collectively, "Additional Charges"). All such Additional Charges shall be payable to City at the same place and the same manner as the Base Rent is payable. City shall have the same remedies for a default in the payment of any Additional Charges as for a default in the payment of Base Rent. As used in this Lease, the term "Rent" shall include the Base Rent, Additional Charges and any other amounts Tenant is obligated to pay hereunder, whether or not any such amounts are specifically characterized as rent.

### **4.4 Late Charges**

If Tenant fails to pay any Rent or any portion of Rent within five (5) days following the due date, such unpaid amount shall be subject to a late payment charge equal to six percent (6%) of the unpaid amount in each instance. The late payment charge has been agreed upon by City and Tenant, after negotiation, as a reasonable estimate of the additional administrative costs and detriment that City will incur as a result of any such failure by Tenant, the actual costs thereof being extremely difficult if not impossible to determine. The late payment charge constitutes liquidated damages to compensate City for its damages resulting from such failure to pay and shall be paid to City together with such unpaid amount.

#### **4.5 Default Interest**

Any Rent, if not paid within five (5) days following the due date, shall bear interest from the due date until paid at the rate of ten percent (10%) per year or, if a higher rate is legally permissible, at the highest rate an individual is permitted to charge under law (the "Interest Rate"). However, interest shall not be payable on late charges incurred by Tenant nor on any amounts on which late charges are paid by Tenant to the extent this interest would cause the total interest to be in excess of that which an individual is lawfully permitted to charge. Payment of interest shall not excuse or cure any default by Tenant.

### **5. USE**

#### **5.1 Permitted Use**

Tenant shall use and continuously occupy the Premises during the Term solely for employee parking and storing the equipment listed on Exhibit C, and for no other purpose.

#### **5.2 No Unlawful Uses, Nuisances or Waste**

Without limiting the foregoing, Tenant shall not use, occupy or permit the use or occupancy of any of the Premises in any unlawful manner or for any illegal purpose, or permit any offensive, noisy or hazardous use or any waste on or about the Premises. Tenant shall take all precautions to eliminate any nuisances or hazards relating to its activities on or about the Premises. Tenant shall not conduct any business, place any sales display, or advertise in any manner in areas or on or about the Premises except identification signs in a location and size and design approved by City in its sole discretion.

### **6. TENANT IMPROVEMENTS**

#### **6.1 Tenant Improvement Work**

Tenant shall install security fencing and grade the Premises pursuant to the plan attached hereto as Exhibit D (such work is referred to as the "Tenant Improvement Work" or "Tenant Improvements" and such plans are referred to as the "Plans"). Tenant shall be responsible, at no cost to the City, for performing the Tenant Improvement Work in accordance with the approved Plans and the standards contained in Section 7.1 (Tenant's Alterations) below. Tenant shall further be responsible, at no cost to the City, for obtaining all permits and licenses required in connection with the Tenant Improvements. No Tenant Improvement Work shall commence in the Premises unless and until this Lease is fully executed. Tenant shall not make any material change to the approved Plans or consent to any change order during the course of construction without first obtaining City's written approval. No approval by City or any of its Agents of the Plans, any changes thereto or of any Alterations for purposes of this Lease shall be deemed to constitute approval of any federal, state or local regulatory authority with jurisdiction over the Premises or Tenant's use hereunder, and nothing herein shall limit Tenant's obligation to obtain all such regulatory approvals at no cost to the City.

#### **6.2 Local Hiring Requirements**

Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). Tenant Improvements and Alterations (as defined in Section 7.1) are subject to the Local Hiring Requirements unless the cost for such work is (i) estimated to be less than \$750,000 per building permit or (ii) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Tenant Improvement Work or any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project").

Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with the City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

### **6.3 Prevailing Wages and Working Conditions**

Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.61. Tenant shall require its Contractors and Subcontractors performing (i) labor in connection with a "public work" as defined under California Labor Code Section 1720 *et seq.* (which includes certain construction, alteration, maintenance, demolition, installation, repair, carpet laying, or refuse hauling work if paid for in whole or part out of public funds) or (ii) Covered Construction, at the Premises to (1) pay workers performing such work not less than the Prevailing Rate of Wages, (2) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (3) employ Apprentices in accordance with San Francisco Administrative Code Section 23.61 (collectively, "Prevailing Wage Requirements"). Tenant agrees to cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements.

Tenant shall include, and shall require its subtenants, and Contractors and Subcontractors (regardless of tier), to include the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Section 23.61. Each such Construction Contract shall name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any Contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. For the current Prevailing Rate of Wages, see [www.sfgov.org/olse](http://www.sfgov.org/olse) or call the City's Office of Labor Standards Enforcement at 415-554-6235.

Tenant shall also pay, and shall require its subtenants, and Contractors and Subcontractors (regardless of tier) to pay, the Prevailing Rate of Wage for the following activities on the Premises as set forth in and to the extent required by San Francisco Administrative Code Chapter 21C: a Public Off-Street Parking Lot, Garage or Automobile Storage Facility (as defined in Section 21C.3), a Show (as defined in Section 21C.4), a Special

Event (as defined in Section 21C.8), Broadcast Services (as defined in Section 21C.9), Commercial Vehicles, Loading and Unloading for Shows and Special Events (as defined in Section 21C.10), and Security Guard Services for Events (as defined in Section 21C.11).

## **7. ALTERATIONS**

### **7.1 Tenant's Alterations**

#### **(a) General**

Except for the Tenant Improvements, Tenant shall not make any Alterations (defined as follows) without the City's prior written consent. "Alterations" shall mean the construction or installation of any temporary or permanent structures or improvements on the Premises and any alteration of the Tenant Improvements or any existing structures or improvements on the Premises. All Alterations shall be done at Tenant's expense in accordance with plans and specifications approved by City, only by duly licensed and bonded contractors or mechanics approved by City, and subject to any conditions that City may reasonably impose. Tenant shall further obtain the prior written approval of City's Arts Commission to any Alteration to the extent the Arts Commission has jurisdiction over the design of such proposed Alteration under City's Charter Section 5.103.

#### **(b) Asbestos**

Without limiting Section 26.2 (No Hazardous Materials) below, in the event that asbestos-containing materials ("ACM") are determined to exist in or about the Premises, Tenant shall ensure that all Alterations and any asbestos related work, as defined in California Health & Safety Code Section 25914.1(b), is performed in compliance with all laws relating to asbestos, including but not limited to California Occupational Safety and Health (OSHA) regulations found in Title 8 of the California Code of Regulations, Sections 1502 and 1529. Additionally, Tenant shall distribute notifications to all employees and contractors as required pursuant to California Health & Safety Code Section 25915 et seq. informing them of the existence of ACM and that moving, drilling, boring, or otherwise disturbing ACM may present a health risk and should not be attempted by an unqualified employee. No Alterations affecting ACM-containing areas or any asbestos related work shall be performed without City's prior written consent in each instance.

#### **(c) Prevailing Wage and Local Hiring Requirements**

Tenant and its subtenants shall comply with the applicable requirements of Section 6.2 (Local Hiring Requirements) and Section 6.3 (Prevailing Wages and Working Conditions) above in the performance of any Alterations.

### **7.2 Title to Improvements**

Except for Tenant's Personal Property (as described in the next section), or as may be specifically provided to the contrary in the approved Plans, all appurtenances, fixtures, improvements, equipment, additions, and other property attached or affixed to or installed in the Premises at the Commencement Date or during the Term, including, without limitation, the Tenant Improvements and any Alterations, shall be and remain City's property. Tenant may not remove any such property at any time during or after the Term unless City so requests as further provided in Section 24 (Surrender of Premises) below.

### **7.3 Tenant's Personal Property**

All furniture, trade fixtures, equipment and articles of movable personal property installed at the Premises by or for the account of Tenant, without expense to City, and that can be removed without structural or other damage to the Premises (collectively, "Tenant's Personal Property") shall be and remain Tenant's property. Tenant may remove its Personal Property at any time during the Term, subject to the provisions of Section 24 (Surrender of Premises) below. Tenant shall pay any taxes or other impositions levied or assessed upon Tenant's Personal Property, at least ten (10) days prior to delinquency, and shall deliver satisfactory evidence of such payment to City upon request.

## **8. REPAIRS AND MAINTENANCE**

### **8.1 City's Repairs**

City shall have no obligation to maintain the Premises, any existing improvements or structures at the Premises, the Tenant Improvements, or any Alterations.

### **8.2 Tenant's Repairs**

Tenant shall maintain, at no expense to City, the Premises, the Tenant Improvements, and any Alterations in good repair and working order and in a clean, secure, safe and sanitary condition. Tenant shall promptly make all repairs and replacements: (a) at no cost to the City, (b) by licensed contractors or qualified mechanics approved by City, and (c) so that the same shall be at least equal in quality, value and utility to the original work or installation. If the cost of any such repairs or replacements is in excess of Five Thousand Dollars (\$5,000) and is due to acts or omissions of Tenant, its Agents or Invitees, then Tenant shall pay to City an administrative fee equal to ten percent (10%) of the total "hard" costs of the work. Tenant hereby waives all rights to make repairs at City's expense under Sections 1941 and 1942 of the California Civil Code or under any similar law, statute or ordinance now or hereafter in effect.

## **9. LIENS AND ENCUMBRANCES**

### **9.1 Liens**

Tenant shall keep the Premises free from any liens arising out of any work performed, material furnished or obligations incurred by or for Tenant. In the event Tenant does not, within five (5) days following the imposition of any such lien, cause the lien to be released of record by payment or posting of a proper bond, City shall have, in addition to all other remedies, the right, but not the obligation, to cause the lien to be released by such means as it shall deem proper, including, but not limited to, payment of the claim giving rise to such lien. All such sums paid by City and all expenses incurred by it in connection therewith (including, without limitation, reasonable attorneys' fees) shall be payable to City by Tenant upon demand. City shall have the right to post on the Premises any notices that City may deem proper for the protection of City, the Premises from mechanics' and material supplier's liens. Tenant shall give to City at least fifteen (15) days' prior written notice of commencement of any Alteration, repair or construction on the Premises. Tenant agrees to indemnify, defend and hold City and its Agents harmless from and against any claims for mechanic's, material supplier's or other liens in connection with any Alterations, repairs or construction on the Premises, or materials furnished or obligations incurred by or for Tenant.

### **9.2 Encumbrances**

Tenant shall not create, permit or suffer any liens or encumbrances affecting any portion of the Premises or City's interest therein or under this Lease.

## 10. UTILITIES

Tenant acknowledges there are no utilities available to the Premises, and City shall have no obligation, nor shall Tenant have the right, to provide for any utilities at the Premises.

## 11. COMPLIANCE WITH LAWS AND RISK MANAGEMENT REQUIREMENTS

### 11.1 Compliance with Laws

Tenant shall promptly comply, at no cost to the City, with all present or future laws, ordinance, resolution, regulation, requirement, proclamation, order or decree of any municipal, county, state or federal government or other governmental or regulatory authority relating to the Premises or the use or occupancy thereof (the "Legal Requirements") and with any and all recorded covenants, conditions and restrictions affecting the Premises or any portion thereof, whether in effect at the time of the execution of this Lease or adopted or recorded at any time thereafter and whether or not within the present contemplation of the parties. Tenant further understands and agrees that it is Tenant's obligation, at no cost to the City, to cause the Premises and Tenant's uses thereof to be conducted in compliance with the Americans With Disabilities Act, 42 U.S.C. Section 12101 et seq. and any other applicable disability access laws. Any Alteration made by or on behalf of Tenant pursuant to the provisions of this Section shall comply with the provisions of Section 8.2 (Tenant's Repairs) above. The parties acknowledge and agree that Tenant's obligation to comply with all Legal Requirements as provided herein is a material part of the bargained for consideration under this Lease. Tenant's obligation under this Section shall include, without limitation, the responsibility of Tenant to make substantial or structural repairs and Alterations to the Premises (including any of the Tenant Improvements or any of Tenant's Alterations), regardless of, among other factors, the relationship of the cost of curative action to the Rent under this Lease, the length of the then remaining Term hereof, the relative benefit of the repairs to Tenant or City, the degree to which the curative action may interfere with Tenant's use or enjoyment of the Premises, the likelihood that the parties contemplated the particular Legal Requirement involved, and whether the Legal Requirement involved is related to Tenant's particular use of the Premises.

### 11.2 Regulatory Approvals

#### (a) Responsible Party

Tenant understands and agrees that Tenant's use of the Premises and construction of the Tenant Improvements and any Alterations permitted hereunder may require authorizations, approvals or permits from governmental regulatory agencies with jurisdiction over the Premises. Tenant shall be solely responsible for obtaining any and all such regulatory approvals. Tenant shall not seek any regulatory approval without first obtaining the written consent of City under this Lease. Tenant shall bear all costs associated with applying for and obtaining any necessary or appropriate regulatory approval and shall be solely responsible for satisfying any and all conditions imposed by regulatory agencies as part of a regulatory approval; provided, however, any such condition that could affect use or occupancy of the Premises or City's interest therein must first be approved by City in its sole discretion. Any fines or penalties levied as a result of Tenant's failure to comply with the terms and conditions of any regulatory approval shall be immediately paid and discharged by Tenant, and City shall have no liability, monetary or otherwise, for any such fines or penalties. Tenant shall Indemnify City and the other Indemnified Parties hereunder against all Claims (as such terms are defined in Section 18.2 (Tenant's Indemnity) below) arising in connection with Tenant's failure to obtain or failure by Tenant, its Agents or Invitees to comply with the terms and conditions of any regulatory approval.

**(b) City Acting as Owner of Real Property**

Tenant further understands and agrees that City is entering into this Lease in its capacity as a property owner with a proprietary interest in the Premises and not as a regulatory agency with police powers. Nothing in this Lease shall limit in any way Tenant's obligation to obtain any required approvals from City officials, departments, boards or commissions having jurisdiction over the Premises. By entering into this Lease, City is in no way modifying or limiting Tenant's obligation to cause the Premises to be used and occupied in accordance with all applicable laws, as provided further above.

**11.3 Compliance with City's Risk Management Requirements**

Tenant shall not do anything, or permit anything to be done, in or about the Premises which would be prohibited by or increase rates under a standard form fire insurance policy or subject City to potential premises liability. Tenant shall faithfully observe, at no cost to the City, any and all requirements of City's Risk Manager with respect to Tenant's use and occupancy of the Premises, so long as such requirements do not unreasonably interfere with Tenant's use of the Premises or are otherwise connected with standard prudent commercial practices of other landlords.

**12. SUBORDINATION**

This Lease is and shall be subordinate to any reciprocal easement agreement, ground lease, facilities lease or other underlying lease and the lien of any mortgage or deed of trust and all renewals, modifications, consolidations, replacements and extensions of any of the foregoing, that may now exist or hereafter be executed by City affecting the Premises, or any part thereof, or City's interest therein, without the necessity of executing any instrument to effectuate such subordination; provided, however, upon City's request, Tenant, or Tenant's successor-in-interest, shall execute and deliver any and all instruments desired by City evidencing such subordination in the manner requested by City. Notwithstanding the foregoing, City or the holder shall, in its respective discretion, have the right to subordinate any such interests to this Lease. If any ground lease or underlying lease terminates for any reason or any mortgage or deed of trust is foreclosed or a conveyance in lieu of foreclosure is made for any reason, Tenant shall attorn to the successor-in-interest to City, at the option of such successor-in-interest. The provisions of this Section shall be self-operative and no further instrument shall be required. Tenant agrees, however, to execute and deliver, upon demand by City and in the form requested by City, any additional documents evidencing the priority or subordination of this Lease.

**13. INABILITY TO PERFORM**

No actual or constructive eviction, in whole or in part, shall entitle Tenant to any abatement or diminution of Rent or relieve Tenant from any of its obligations under this Lease. If City is unable to perform or is delayed in performing any of City's obligations under this Lease, by reason of acts of God, accidents, breakage, repairs, strikes, lockouts, other labor disputes, protests, riots, demonstrations, inability to obtain utilities or materials or by any other reason beyond City's reasonable control, no such inability or delay shall constitute an eviction under this Lease, or impose any liability upon City or its Agents by reason of inconvenience, annoyance, interruption, injury or loss to or interference with Tenant's business or use and occupancy or quiet enjoyment of the Premises or any loss or damage occasioned thereby. Tenant hereby waives and releases any right to terminate this Lease under Section 1932, subdivision 1 of the California Civil Code or any similar law, statute or ordinance now or hereafter in effect.

## **14. DAMAGE AND DESTRUCTION**

### **14.1 Damage and Destruction**

If the Premises is damaged by fire or other casualty, then City shall repair the same provided that funds for such repairs are appropriated by City's Board of Supervisors, in its sole discretion, for such purpose and that such repairs can be made within two hundred ten (210) days after the date of such damage (the "Repair Period"). In the event such conditions are satisfied, this Lease shall remain in full force and effect except that Tenant shall be entitled to a proportionate reduction of Base Rent during the period of such repairs based upon the extent to which such damage and the making of such repairs materially interferes with Tenant's use or occupancy of the Premises.

City shall use reasonable efforts to notify Tenant within ninety (90) days after the date of such damage whether or not such repairs can be made within the Repair Period, and City's determination thereof shall be binding on Tenant. If such repairs cannot be made within the Repair Period, City shall have the option to notify Tenant of: (a) City's intention to repair such damage and diligently prosecute such repairs to completion within a reasonable period after the Repair Period, subject to the Board of Supervisor's appropriation of all necessary funds, in which event this Lease shall continue in full force and effect and the Base Rent shall be reduced as provided herein; or (b) City's election to terminate this Lease as of a date specified in such notice, which date shall be not less than thirty (30) nor more than sixty (60) days after notice is given by City. In case of termination, the Base Rent shall be reduced as provided above, and Tenant shall pay such reduced Base Rent up to the date of termination.

If at any time during the last twelve (12) months of the Term of this Lease, the Premises is damaged or destroyed, then either City or Tenant may terminate this Lease by giving written notice to the other party of its election to do so within thirty (30) days after the date of the occurrence of such damage; provided, however, Tenant may terminate only if such damage or destruction substantially impairs its use or occupancy of the Premises for the uses permitted hereunder. The effective date of termination shall be specified in the notice of termination; which date shall not be more than thirty (30) days from the date of the notice.

Notwithstanding anything to the contrary in this Lease, City shall have no obligation to repair the Premises in the event the damage or destruction is attributable to any act or omission of Tenant, its Agents or Invitees. In no event shall City be required to repair any damage to Tenant's Personal Property or any paneling, decorations, railings, floor coverings, or any Tenant Improvements or Alterations installed or made on the Premises by or at the expense of Tenant. In the event the Premises is substantially damaged or destroyed and City intends to rebuild for public purposes inconsistent with this Lease, City may terminate this Lease upon written notice to Tenant.

### **14.2 Waiver**

City and Tenant intend that the provisions of this Section govern fully in the event of any damage or destruction and accordingly, City and Tenant each hereby waives the provisions of Section 1932, subdivision 2, Section 1933, subdivision 4 and Sections 1941 and 1942, of the Civil Code of California or under any similar law, statute or ordinance now or hereafter in effect.

## **15. EMINENT DOMAIN**

### **15.1 Definitions**

(a) "Taking" means a taking or damaging, including severance damage, by eminent domain, inverse condemnation or for any public or quasi-public use under law. A

Taking may occur pursuant to the recording of a final order of condemnation, or by voluntary sale or conveyance in lieu of condemnation or in settlement of a condemnation action.

(b) "Date of Taking" means the earlier of (i) the date upon which title to the portion of the Premises taken passes to and vests in the condemnor or (ii) the date on which Tenant is dispossessed.

(c) "Award" means all compensation, sums or anything of value paid, awarded or received for a Taking, whether pursuant to judgment, agreement, settlement or otherwise.

(d) "Improvements Pertaining to the Realty" means machinery or equipment installed for use on the Premises that cannot be removed without a substantial economic loss or without substantial damage to the property on which it is installed, regardless of the method of installation. In determining whether particular property can be removed "without a substantial economic loss," the value of the machinery or equipment in place and considered as part of the realty should be compared with its value if it were removed and sold.

## **15.2 General**

If during the Term or during the period between the execution of this Lease and the Commencement Date, there is any Taking of all or any part of the Premises or any interest in this Lease, the rights and obligations of the parties hereunder shall be determined pursuant to this Section. City and Tenant intend that the provisions hereof govern fully in the event of a Taking and accordingly, the parties each hereby waive any right to terminate this Lease in whole or in part under Sections 1265.110, 1265.120, 1265.130 and 1265.140 of the California Code of Civil Procedure or under any similar law now or hereafter in effect.

## **15.3 Total Taking; Automatic Termination**

If there is a total Taking of the Premises, then this Lease shall terminate as of the Date of Taking.

## **15.4 Partial Taking; Election to Terminate**

(a) If there is a Taking of any portion (but less than all) of the Premises, then this Lease shall terminate in its entirety under either of the following circumstances: (i) if all of the following exist: (A) the partial Taking renders the remaining portion of the Premises untenable or unsuitable for continued use by Tenant, (B) the condition rendering the Premises untenable or unsuitable either is not curable or is curable but City is unwilling or unable to cure such condition, and (C) Tenant elects to terminate; or (ii) if City elects to terminate; provided, however, that this Lease shall not terminate if Tenant agrees to, and does, pay full Rent and Additional Charges, without abatement, and otherwise agrees to, and does, fully perform all of its obligations hereunder.

(b) If there is a partial Taking of a substantial portion of the Premises, City shall have the right to terminate this Lease in its entirety.

(c) Either party electing to terminate under the provisions of this Section 15 shall do so by giving the other party written notice to the other party before or within thirty (30) days after the Date of Taking, and thereafter this Lease shall terminate upon the later of the thirtieth (30th) day after such written notice is given or the Date of Taking.

## **15.5 Termination of Lease; Rent and Award**

Upon termination of this Lease in its entirety pursuant to Section 15.3 (Total Taking; Automatic Termination), or pursuant to an election under Section 15.4 (Partial Taking; Election to Terminate) above, then: (a) Tenant's obligation to pay Rent shall continue up until the date of termination and thereafter shall cease, and (b) City shall be entitled to the entire Award in connection therewith (including, but not limited to, any portion of the Award made for the value of the leasehold estate created by this Lease and any Improvements Pertaining to the Realty), and Tenant shall have no claim against City for the value of any unexpired term of this Lease, provided that Tenant may make a separate claim for compensation, and Tenant shall receive any Award made specifically to Tenant, for Tenant's relocation expenses or the interruption of or damage to Tenant's business or damage to movable Tenant's Personal Property.

## **15.6 Partial Taking; Continuation of Lease**

If there is a partial Taking of the Premises under circumstances where this Lease is not terminated in its entirety under Section 15.4 (Partial Taking; Election to Terminate) above, then this Lease shall terminate as to the portion of the Premises so taken, but shall remain in full force and effect as to the portion not taken, and the rights and obligations of the parties shall be as follows: (a) Base Rent shall be reduced by an amount that is in the same ratio to the Base Rent as the area of the Premises taken bears to the area of the Premises prior to the Date of Taking; provided, however, in no event shall the monthly Base Rent be reduced to less than seventy-five percent (75%) of the monthly Base Rent immediately prior to the Date of Taking, and (b) City shall be entitled to the entire Award in connection therewith (including, but not limited to, any portion of the Award made for the value of the leasehold estate created by this Lease), and Tenant shall have no claim against City for the value of any unexpired term of this Lease, provided that Tenant may make a separate claim for compensation, and Tenant shall receive any Award made specifically to Tenant, for Tenant's relocation expenses or the interruption of or damage to Tenant's business or damage to movable Tenant's Personal Property.

## **15.7 Temporary Takings**

Notwithstanding anything to contrary in this Section, if a Taking occurs with respect to all or any part of the Premises for a limited period of time not in excess of one hundred eighty (180) consecutive days, this Lease shall remain unaffected thereby, and Tenant shall continue to pay Rent and to perform all of the terms, conditions and covenants of this Lease. In the event of such temporary Taking, Tenant shall be entitled to receive that portion of any Award representing compensation for the use or occupancy of the Premises during the Term up to the total Rent owing by Tenant for the period of the Taking, and City shall be entitled to receive the balance of any Award.

## **16. ASSIGNMENT AND SUBLETTING**

### **16.1 Restriction on Assignment and Subletting**

Tenant shall not directly or indirectly (including, without limitation, by merger, acquisition or other transfer of any controlling interest in Tenant), voluntarily or by operation of law, sell, assign, encumber, pledge or otherwise transfer any part of its interest in or rights with respect to the Premises or its leasehold estate hereunder (collectively, an "Assignment"), or permit or license any portion of the Premises to be used or occupied by anyone other than itself, or sublet any portion of the Premises (collectively, "Sublease"), without City's prior written consent in each instance, as provided hereinbelow. Notwithstanding the foregoing, Tenant may Assign this Lease or Sublet any or all portions of the Premises to any Tenant's Affiliate (as defined below) without obtaining the consent of City by giving City written notice of its intent thereof at least fifteen (15) business days before the proposed effective date of such transfer. As

used in this Section, the term "Tenant's Affiliate" shall mean, any of the following: (a) any person or entity owning, directly or indirectly, fifty percent (50%) or more of the ownership interests of Tenant (an "Owning Person"), (b) any entity, fifty percent (50%) or more of the ownership interests of which are owned, directly or indirectly, by any Owning Person, (c) any entity, fifty percent (50%) or more of the ownership interests of which are owned, directly or indirectly, by Tenant.

## **16.2 Notice of Proposed Transfer**

If Tenant desires to enter into an Assignment or a Sublease, it shall give written notice (a "Notice of Proposed Transfer") to City of its intention to do so. The Notice of Proposed Transfer shall identify the proposed transferee and state the terms and conditions of the proposed Assignment or Sublease. Tenant shall deliver to City with its request for City's consent the proposed Assignment or Sublease and current financial statements of the proposed Transferee, prepared by an independent certified public accountant, and promptly upon City's request for same, any additional documents or information reasonably related to the proposed transaction or Transferee.

## **16.3 City's Response**

Within twenty (20) business days after City's receipt of the Notice of Proposed Transfer (the "Response Period"), City may elect, by written notice to Tenant, to: (a) sublease the portion of the Premises specified in the Notice of Proposed Transfer on the terms and conditions set forth in such notice, except as otherwise provided in Section 16.4 (Sublease or Recapture Space), or (b) terminate this Lease as to the portion (including all) of the Premises that is specified in the Notice of Proposed Transfer, with a proportionate reduction in Base Rent (a "Recapture").

If City declines to exercise either of its options provided above, then Tenant shall have ninety (90) days following the earlier of (i) City's notice that it will not elect either such option or (ii) the expiration of the Response Period, to enter into such Assignment or Sublease, subject to City's prior written approval of the proposed assignee or subtenant (collectively, "Transferee") and the terms and conditions of the proposed Sublease or Assignment. However, fifty percent (50%) of any rent or other consideration realized by Tenant under any such Assignment or Sublease in excess of the Base Rent and Additional Charges payable hereunder (or the amount thereof proportionate to the portion of the Premises subject to such Sublease or Recapture) shall be paid to City, after Tenant has recovered any reasonable brokers' commissions and the reasonable cost of any leasehold improvements that Tenant has incurred in connection with such Sublease or Recapture. Tenant shall provide City with such information regarding the proposed Transferee and the Assignment or Sublease as City may reasonably request. City agrees that it will not unreasonably withhold its approval of any proposed Transferee.

If after City declines to exercise any of the foregoing options Tenant desires to enter into such Assignment or Sublease on terms and conditions materially more favorable to Tenant than those contained in the Notice of Proposed Transfer, then Tenant shall give City a new Notice of Proposed Transfer, which notice shall state the terms and conditions of such Assignment or Sublease and identify the proposed Transferee, and City shall again be entitled to elect one of the options provided in clauses (a) and (b) at any time within twenty (20) business days after City's receipt of such new Notice of Proposed Transfer.

In the event City elects either of the options provided in clauses (a) or (b), City shall be entitled to enter into a lease, sublease or assignment agreement with respect to the Premises (or portion thereof specified in such new Notice of Proposed Transfer) with the proposed Transferee identified in Tenant's notice.

Notwithstanding the foregoing, if any event of default by Tenant is outstanding hereunder at the time of Tenant's Notice of Proposed Transfer (or if any event shall have occurred which with the giving of notice or the passage of time or both would constitute such a default), then City may elect by notice to Tenant to refuse to consent to Tenant's proposed Transfer and pursue any of its right or remedies hereunder or at law or in equity.

#### **16.4 Sublease or Recapture Space**

If City elects to Sublease or Recapture from Tenant as described in Section 16.3 (City's Response) the following shall apply:

(a) In the case of a Sublease, (i) City shall have the right to use the portion of the Premises covered by the Notice of Proposed Transfer (the "Sublease Space") for any legal purpose, (ii) the rent payable by City to Tenant shall be the lesser of (A) the amount in the Notice of Proposed Transfer or (B) the Base Rent payable by Tenant under this Lease at the time of the Sublease (or the amount thereof proportionate to the Sublease Space if for less than the entire Premises), (iii) City may make alterations and improvements to the Sublease Space and may remove any such alterations or improvements, in whole or in part, prior to or upon the expiration of the Sublease, provided that City shall repair any damage or injury to the Sublease Space caused by such removal, (iv) City shall have the right to further sublease or assign the Sublease Space to any party, without the consent of Tenant, and (v) Tenant shall pay to City on demand any costs incurred by City in physically separating the Sublease Space (if less than the entire Premises) from the balance of the Premises and in complying with any applicable laws or regulations relating to such separation.

(b) In the case of Recapture, (i) the portion of the Premises subject to the Recapture (the "Recapture Space") shall be deleted from the Premises for all purposes hereunder, and Tenant and City shall be relieved of all their rights and obligations hereunder with respect to the Recapture Space except to the extent the same would survive the Expiration Date or other termination of this Lease pursuant to the provisions hereof, and (ii) City shall pay any cost incurred in physically separating the Recapture Space (if less than the entire Premises) from the balance of the Premises and in complying with any applicable governmental laws or regulations relating to such separation.

#### **16.5 Effect of Sublease or Assignment**

No Sublease or Assignment by Tenant nor any consent by City thereto shall relieve Tenant, or any guarantor, of any obligation to be performed by Tenant under this Lease. Any Sublease or Assignment not in compliance with this Section shall be void and, at City's option, shall constitute a material default by Tenant under this Lease. The acceptance of any Base Rent or other payments by City from a proposed Transferee shall not constitute consent to such Sublease or Assignment by City or a recognition of any Transferee, or a waiver by City of any failure of Tenant or other transferor to comply with this Section. If there is an Assignment or Sublet, whether in violation of or in compliance with this Section, in the event of default by any Transferee, or any successor of Tenant, in the performance or observance of any of the terms of this Lease or any Sublease or Assignment agreement, City may proceed directly against Tenant without the necessity of exhausting remedies against such Transferee or successor.

#### **16.6 Assumption by Transferee**

Each Transferee (other than City) shall assume all obligations of Tenant under this Lease and shall be liable jointly and severally with Tenant for the payment of the Base Rent and Additional Charges, and for the performance of all the terms, covenants and conditions to be performed on Tenant's part hereunder. No Assignment shall be binding on City unless Tenant or Transferee has delivered to City a counterpart of the Assignment and an instrument in recordable

form that contains a covenant of assumption by such Transferee satisfactory in form and substance to City. However, the failure or refusal of such Transferee to execute such instrument of assumption shall not release such Transferee from its liability as set forth above. Tenant shall reimburse City on demand for any reasonable costs that may be incurred by City in connection with any proposed Sublease or Assignment, including, without limitation, the costs of making investigations as to the acceptability of the proposed Transferee and legal costs incurred in connection with the granting of any requested consent.

### **16.7 Indemnity for Relocation Benefits**

Without limiting Section 16.6 (Assumption by Transferee) above, Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall Indemnify City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

## **17. DEFAULT; REMEDIES**

### **17.1 Events of Default**

Any of the following shall constitute an event of default (the "Event of Default") by Tenant hereunder:

(a) a failure to pay Base Rent or Additional Charges when due, and such failure continues for three (3) days after the date of written notice by City. However, City shall not be required to provide such notice more than twice during any twelve (12)-month period, and any such failure by Tenant after Tenant has received two (2) such notices in such twelve (12)-month period shall constitute a default by Tenant hereunder without any further action by City or opportunity of Tenant to cure except as may be required by Section 1161 of the California Code of Civil Procedure;

(b) a failure to comply with any other covenant, condition or representation made under this Lease and such failure continues for fifteen (15) days after the date of written notice by City, provided that if such default is not capable of cure within such fifteen (15)-day period, Tenant shall have a reasonable period to complete such cure if Tenant promptly undertakes action to cure such default within such fifteen (15)-day period and thereafter diligently prosecutes the same to completion within sixty (60) days after the receipt of notice of default from City. City shall not be required to provide such notice more than twice in any twelve (12)-month period with respect to any material non-monetary defaults and after the second notice in any calendar year, any subsequent failure by Tenant during such twelve (12)-month period shall constitute an Event of Default hereunder;

(c) a vacation or abandonment of the Premises for a continuous period in excess of five (5) business days; or

(d) an appointment of a receiver to take possession of all or substantially all of the assets of Tenant, or an assignment by Tenant for the benefit of creditors, or any action taken or suffered by Tenant under any insolvency, bankruptcy, reorganization, moratorium or other debtor relief act or statute, whether now existing or hereafter amended or enacted, if any such receiver, assignment or action is not released, discharged, dismissed or vacated within sixty (60) days.

## 17.2 Remedies

Upon the occurrence of an Event of Default City shall have the following remedies, which shall not be exclusive but shall be cumulative and shall be in addition to any other remedies now or hereafter allowed by law or in equity:

(a) City may terminate Tenant's right to possession of the Premises at any time by written notice to Tenant. Tenant expressly acknowledges that in the absence of such written notice from City, no other act of City, including, but not limited to, its re-entry into the Premises, its efforts to relet the Premises, its reletting of the Premises for Tenant's account, its storage of Tenant's Personal Property and trade fixtures, its acceptance of keys to the Premises from Tenant, its appointment of a receiver, or its exercise of any other rights and remedies under this Section 17.2 or otherwise at law, shall constitute an acceptance of Tenant's surrender of the Premises or constitute a termination of this Lease or of Tenant's right to possession of the Premises.

Upon such termination in writing of Tenant's right to possession of the Premises, this Lease shall terminate and City shall be entitled to recover damages from Tenant as provided in California Civil Code Section 1951.2 or any other applicable existing or future Legal Requirement providing for recovery of damages for such breach, including but not limited to the following:

- (i) The reasonable cost of recovering the Premises; plus
- (ii) The reasonable cost of removing Tenant's Alterations, trade fixtures and improvements; plus
- (iii) All unpaid rent due or earned hereunder prior to the date of termination, less the proceeds of any reletting or any rental received from subtenants prior to the date of termination applied as provided in Section 17.2(b) below, together with interest at the Interest Rate, on such sums from the date such rent is due and payable until the date of the award of damages; plus
- (iv) The amount by which the rent which would be payable by Tenant hereunder, including Additional Charges under Section 4.3 (Additional Charges) above, as reasonably estimated by City, from the date of termination until the date of the award of damages, exceeds the amount of such rental loss as Tenant proves could have been reasonably avoided, together with interest at the Interest Rate on such sums from the date such rent is due and payable until the date of the award of damages; plus
- (v) The amount by which the rent which would be payable by Tenant hereunder, including Additional Charges under Section 4.3 (Additional Charges) above, as reasonably estimated by City, for the remainder of the then term, after the date of the award of damages exceeds the amount such rental loss as Tenant proves could have been reasonably avoided, discounted at the discount rate published by the Federal Reserve bank of San Francisco for member banks at the time of the award plus one percent (1%); plus
- (vi) Such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by applicable law, including without limitation any other amount necessary to compensate City for all the detriment proximately caused by Tenant's failure to perform its obligations under this Lease which in the ordinary course of things would be likely to result therefrom.

(b) City has the remedy described in California Civil Code Section 1951.4 (a landlord may continue the lease in effect after the tenant's breach and abandonment and recover

rent as it becomes due, if the tenant has the right to sublet and assign subject only to reasonable limitations), and may continue this Lease in full force and effect and may enforce all of its rights and remedies under this Lease, including, but not limited to, the right to recover rent as it becomes due. After the occurrence of an Event of Default, City may enter the Premises without terminating this Lease and sublet all or any part of the Premises for Tenant's account to any person, for such term (which may be a period beyond the remaining term of this Lease), at such rents and on such other terms and conditions as City deems advisable. In the event of any such subletting, rents received by City from such subletting shall be applied (i) first, to the payment of the costs of maintaining, preserving, altering and preparing the Premises for subletting, the other costs of subletting, including but not limited to brokers' commissions, attorneys' fees and expenses of removal of Tenant's Personal Property, trade fixtures and Alterations; (ii) second, to the payment of rent then due and payable hereunder; (iii) third, to the payment of future rent as the same may become due and payable hereunder; and (iv) fourth, the balance, if any, shall be paid to Tenant upon (but not before) expiration of the term of this Lease. If the rents received by City from such subletting, after application as provided above, are insufficient in any month to pay the rent due and payable hereunder for such month, Tenant shall pay such deficiency to City monthly upon demand. Notwithstanding any such subletting for Tenant's account without termination, City may at any time thereafter, by written notice to Tenant, elect to terminate this Lease by virtue of a previous Event of Default.

During the continuance of an Event of Default, for so long as City does not terminate Tenant's right to possession of the Premises and subject to Section 16 (Assignment and Subletting) and the options granted to City thereunder, City shall not unreasonably withhold its consent to an assignment or sublease of Tenant's interest in the Premises or in this Lease.

(c) During the continuance of an Event of Default, City may enter the Premises without terminating this Lease and remove all Tenant's Personal Property, Alterations and trade fixtures from the Premises and store them at Tenant's risk and expense. If City removes such property from the Premises and stores it at Tenant's risk and expense, and if Tenant fails to pay the cost of such removal and storage after written demand therefor and/or to pay any rent then due, then after the property has been stored for a period of thirty (30) days or more City may sell such property at public or private sale, in the manner and at such times and places as City deems commercially reasonable following reasonable notice to Tenant of the time and place of such sale. The proceeds of any such sale shall be applied first to the payment of the expenses for removal and storage of the property, the preparation for and the conducting of such sale, and for attorneys' fees and other legal expenses incurred by City in connection therewith, and the balance shall be applied as provided in Section 17.2(b) above.

Tenant hereby waives all claims for damages that may be caused by City's reentering and taking possession of the Premises or removing and storing Tenant's Personal Property pursuant to this Section 17.2, and Tenant shall indemnify, defend and hold City harmless from and against any and all Claims resulting from any such act. No reentry by City shall constitute or be construed as a forcible entry by City.

(d) City may require Tenant to remove any and all Alterations from the Premises or, if Tenant fails to do so within ten (10) days after City's request, City may do so at Tenant's expense.

(e) City may cure the Event of Default at Tenant's expense, it being understood that such performance shall not waive or cure the subject Event of Default. If City pays any sum or incurs any expense in curing the Event of Default, Tenant shall reimburse City upon demand for the amount of such payment or expense with interest at the Interest Rate from the date the sum is paid or the expense is incurred until City is reimbursed by Tenant. Any amount due City under this subsection shall constitute additional rent hereunder.

### **17.3 Waiver of Redemption**

Tenant hereby waives, for itself and all persons claiming by and under Tenant, all rights and privileges which it might have under any present or future Legal Requirement to redeem the Premises or to continue this Lease after being dispossessed or ejected from the Premises.

### **17.4 City's Right to Cure Tenant's Defaults**

If Tenant defaults in the performance of any of its obligations under this Lease, then City may, at its sole option, remedy such default for Tenant's account and at Tenant's expense by providing Tenant with three (3) days' prior written or oral notice of City's intention to cure such default (except that no such prior notice shall be required in the event of an emergency as determined by City). Such action by City shall not be construed as a waiver of such default or any rights or remedies of City, and nothing herein shall imply any duty of City to do any act that Tenant is obligated to perform. Tenant shall pay to City upon demand, as additional rent, all costs, damages, expenses or liabilities incurred by City, including, without limitation, reasonable attorneys' fees, in remedying or attempting to remedy such default. Tenant's obligations under this Section shall survive the termination of this Lease.

## **18. WAIVER OF CLAIMS; INDEMNIFICATION**

### **18.1 Limitation on City's Liability; Waiver of Claims**

City shall not be responsible for or liable to Tenant, and Tenant hereby assumes the risk of, and waives and releases City and its Agents from all Claims (as defined below) for, any injury, loss or damage to any person or property in or about the Premises by or from any cause whatsoever including, without limitation, (a) any act or omission of persons occupying adjoining City property, (b) theft, (c) explosion, fire, steam, oil, electricity, water, gas or rain, pollution or contamination, and (d) any other acts, omissions or causes. Nothing in this Section shall relieve City from liability caused solely and directly by the gross negligence or willful misconduct of City or its Agents, but City shall not be liable under any circumstances for any consequential, incidental or punitive damages.

### **18.2 Tenant's Indemnity**

Tenant, on behalf of itself and its successors and assigns, shall indemnify, defend and hold harmless ("Indemnify") City including, but not limited to, all of its boards, commissions, departments, agencies and other subdivisions, and all of its and their Agents, and their respective heirs, legal representatives, successors and assigns (individually and collectively, the "Indemnified Parties"), and each of them, from and against any and all liabilities, losses, costs, claims, judgments, settlements, damages, liens, fines, penalties and expenses, including, without limitation, direct and vicarious liability of every kind (collectively, "Claims"), incurred in connection with or arising in whole or in part from: (a) any accident, injury to or death of a person, including, without limitation, employees of Tenant, or loss of or damage to property, howsoever or by whomsoever caused, occurring in or about the Premises; (b) any default by Tenant in the observation or performance of any of the terms, covenants or conditions of this Lease to be observed or performed on Tenant's part; (c) the use or occupancy or manner of use or occupancy of the Premises by Tenant, its Agents or Invitees or any person or entity claiming through or under any of them; (d) the condition of the Premises; (e) any construction or other work undertaken by Tenant on the Premises whether before or during the Term of this Lease; or (f) any acts, omissions or negligence of Tenant, its Agents or Invitees, in, on or about the Premises, all regardless of the active or passive negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on, the Indemnified Parties, except to the extent that such Indemnity is void or otherwise unenforceable under applicable law in effect on or validly retroactive to the date of this Lease and further except only such Claims as are caused

exclusively by the willful misconduct or gross negligence of the Indemnified Parties. The foregoing Indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any Claim. Tenant specifically acknowledges and agrees that it has an immediate and independent obligation to defend the City from any claim which actually or potentially falls within this indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to Tenant by City and continues at all times thereafter. Tenant's obligations under this Section shall survive the termination of this Lease.

## **19. INSURANCE**

### **19.1 Tenant's Insurance**

(a) Tenant, at no cost to the City, shall procure and keep in effect at all times during the Term insurance as follows:

(i) Commercial general liability insurance with limits not less than Two Million Dollars (\$2,000,000) each occurrence combined single limit for bodily injury and property damage, including contractual liability, independent contractors, broad-form property damage, fire damage legal liability (of not less than Fifty Thousand Dollars (\$50,000)), personal injury, products and completed operations, and explosion, collapse and underground (XCU).

(ii) Worker's Compensation Insurance with Employer's Liability Limits not less than One Million Dollars (\$1,000,000) each accident.

(iii) Business automobile liability insurance with limits not less than One Million Dollars (\$1,000,000) each occurrence combined single limit for bodily injury and property damage, including owned and non-owned and hired vehicles, as applicable, if Tenant uses automobiles in connection with its use of the Premises.

(iv) Business Interruption Insurance insuring that the Rent will be paid to City for a period of at least one (1) year if Tenant is unable to operate its business at the Premises. Such insurance shall also cover business interruptions due to failures or interruptions in telecommunications services, strikes, employee lockouts, riots, or other civil commotion.

(v) Licensed professionals (i.e., architects, engineers, certified public accountants, etc.) shall provide professional liability insurance with limits not less than \$1,000,000 each claim with respect to negligent acts, errors or omissions in connection with professional services to be provided under this Lease or to the Premises.

(b) Should any of the required insurance be provided under a claims-made form, Tenant shall maintain such coverage continuously throughout the Term and, without lapse, for a period of three (3) years beyond the expiration or termination of this Lease, to the effect that, should occurrences during the Term give rise to claims made after expiration or termination of this Lease, such claims shall be covered by such claims-made policies.

(c) Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general aggregate limit shall double the occurrence or claims limits specified above.

(d) All liability insurance policies shall be endorsed to provide the following:

(i) Name as additional insured the City and County of San Francisco, its officers, agents and employees.

(ii) That such policies are primary insurance to any other insurance available to the additional insureds, with respect to any claims arising out of this Lease, and that insurance applies separately to each insured against whom claim is made or suit is brought.

(e) Each insurance policy required pursuant to Section 19.1(a) above shall be issued by an insurance company licensed in the State of California and with a general policyholders' rating of "A-" or better and a financial size ranking of "Class VIII" or higher in the most recent edition of Best's Insurance Guide.

(f) All insurance policies required to be maintained by Tenant hereunder shall be endorsed to provide thirty (30) days' prior written notice of cancellation for any reason, intended non-renewal, or reduction in coverage to both Tenant and City. Notice to City shall be mailed to the address(es) for City set forth in the Basic Lease Information.

(g) Tenant shall deliver to City certificates of insurance and additional insured policy endorsements from insurers in a form satisfactory to City, evidencing the coverage required hereunder, on or before the Commencement Date, together with complete copies of the policies promptly upon City's request, and Tenant shall provide City with certificates or policies thereafter at least thirty (30) days before the expiration dates of expiring policies. In the event Tenant shall fail to procure such insurance, or to deliver such policies or certificates, City may procure, at its option, without waiving any rights or remedies which City may have for Tenant's default hereunder, the same for the account of Tenant, and the cost thereof shall be paid to City within five (5) days after delivery to Tenant of bills therefor.

(h) Upon City's request, Tenant and City shall periodically review the limits and types of insurance carried pursuant to this Section. If the general commercial practice in the City and County of San Francisco is to carry liability insurance in an amount or coverage materially greater than the amount or coverage then being carried by Tenant for risks comparable to those associated with the Premises, then Tenant shall, at City's request, increase the amounts or coverage carried by Tenant to conform to such general commercial practice.

(i) Tenant's compliance with the provisions of this Section shall in no way relieve or decrease Tenant's liability under Section 18.2 (Tenant's Indemnity), or any of Tenant's other obligations under this Lease.

(j) Notwithstanding anything to the contrary in this Lease, if any of the required insurance coverage lapses, this Lease shall terminate upon three (3) days' notice to Tenant, unless Tenant renews the insurance coverage within notice period.

## **19.2 Tenant's Personal Property**

Tenant shall be responsible, at no cost to the City, for separately insuring Tenant's Personal Property.

## **19.3 City's Self Insurance**

Tenant acknowledges that City self-insures against casualty, property damage and public liability risks and agrees that City may at its sole election, but shall not be required to, carry any third party insurance with respect to the Premises or otherwise.

## **19.4 Waiver of Subrogation**

Notwithstanding anything to the contrary in this Lease, City and Tenant (each a "Waiving Party") hereby waives any right of recovery against the other party for any loss or damage relating to the Premises or any operations or contents therein, whether or not such loss is caused

by the fault or negligence of such other party, to the extent such loss or damage is covered by third party insurance that is required to be purchased by the Waiving Party under this Lease or is actually covered by insurance held by the Waiving Party or its agents. Each Waiving Party agrees to obtain a waiver of subrogation rights endorsements from applicable insurance carriers issuing policies relating to the Premises; provided, the failure to obtain any such endorsement shall not affect the above waiver.

## **20. ACCESS BY CITY**

City reserves for itself and any of its designated Agents, the right to enter the Premises as follows: (a) on a regular basis without advance notice to supply any necessary or agreed-upon service to be provided by City hereunder; (b) on an occasional basis, at all reasonable times after giving Tenant reasonable advance written or oral notice, to show the Premises to prospective tenants or other interested parties, to post notices of non-responsibility, to conduct any environmental audit of Tenant's use of the Premises, to repair, alter or improve any part of the Premises, and for any other lawful purpose; and (c) on an emergency basis without notice whenever City believes that emergency access is required. City shall have the right to use any means that it deems proper to open doors in an emergency in order to obtain access to any part of the Premises, and any such entry shall not be construed or deemed to be a forcible or unlawful entry into or a detainer of, the Premises, or an eviction, actual or constructive, of Tenant from the Premises or any portion thereof. Tenant shall not alter any lock or install any new or additional locking devices without the prior written consent of City. Tenant shall provide City with a key to open all locks installed in the Premises (excluding Tenant's vaults, safes or special security areas, if any, designated by Tenant in writing to City).

## **21. CERTIFICATES**

### **21.1 Tenant's Estoppel Certificates**

Tenant, at any time and from time to time upon not less than ten (10) days' prior notice from City, shall execute and deliver to City or to any party designated by City a certificate stating: (a) that Tenant has accepted the Premises, (b) the Commencement Date and Expiration Date of this Lease, (c) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that the Lease is in full force and effect as modified and stating the modifications), (d) whether or not there are then existing any defenses against the enforcement of any of Tenant's obligations hereunder (and if so, specifying the same), (e) whether or not there are any defaults then existing under this Lease (and if so specifying the same), (f) the dates, if any, to which the Base Rent and Additional Charges have been paid, and (g) any other information that may be required.

### **21.2 City's Certificates**

City, at any time and from time to time upon not less than ten (10) days' prior notice from Tenant, shall execute and deliver to Tenant or to any party designated by Tenant a certificate stating: (a) the Commencement Date and Expiration Date of this Lease, (b) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that the Lease is in full force and effect as modified and stating the modifications), (c) whether or not there are any defaults then existing under this Lease (and if so specifying the same), (d) the dates, if any, to which the Base Rent and Additional Charges have been paid, and (e) any other information that may be required.

22. [Intentionally deleted]

**23. SECURITY DEPOSIT**

Upon execution of this Lease, Tenant shall deposit with City the sum specified as the security deposit in the Basic Lease Information (the "Security Deposit"), in cash, to secure Tenant's faithful performance of all terms, covenants and conditions of this Lease. Tenant agrees that City may (but shall not be required to) apply the Security Deposit in whole or in part to remedy any damage to the Premises caused by Tenant, its Agents or Invitees, or any failure of Tenant to perform any other terms, covenants or conditions contained herein (including, but not limited to, the payment of Rent or other sum due hereunder either before or after a default), without waiving any of City's other rights and remedies hereunder or at law or in equity and without any obligation. Tenant waives the provisions of Section 1950.7 of the California Civil Code or any similar law, statute or ordinance now or hereafter in effect and agrees that Landlord may retain any portion of Security Deposit reasonably necessary to compensate Landlord for any other foreseeable or unforeseeable loss or damage caused by the acts or omissions of Tenant, its Agents or Invitees. Without limiting the foregoing, Tenant understands and agrees that Landlord may apply some or all of the Security Deposit to the payment of future Rent following a Tenant default.

Should City use any portion of the Security Deposit to cure any default by Tenant hereunder, Tenant shall immediately replenish the Security Deposit to the original amount. If the Base Rent is increased pursuant to any of the provisions of this Lease, Tenant shall increase the amount of the Security Deposit accordingly. City's obligations with respect to the Security Deposit are solely that of debtor and not trustee. City shall not be required to keep the Security Deposit separate from its general funds, and Tenant shall not be entitled to interest on the Security Deposit. The amount of the Security Deposit shall in no way limit the liabilities of Tenant under any provision of this Lease.

**24. SURRENDER OF PREMISES**

Upon the Expiration Date or other termination of this Lease, Tenant shall peaceably quit and surrender to City the Premises together with the Tenant Improvements and all Alterations approved by City in good order and condition, except for normal wear and tear after Tenant having made the last necessary repair required on its part under this Lease, and further except for any portion of the Premises condemned and any damage and destruction for which Tenant is not responsible hereunder. The Premises shall be surrendered free and clear of all liens and encumbrances other than liens and encumbrances existing as of the date of this Lease and any other encumbrances created by City. Immediately before the Expiration Date or other termination of this Lease, Tenant shall remove all of Tenant's Personal Property as provided in this Lease, and repair any damage resulting from the removal; provided, City in its sole discretion shall have the right to reserve ownership of any telecommunications equipment, wire, cabling and/or conduit installed in the Premises by or on behalf of Tenant. If such removal is not completed at the expiration or other termination of this Lease, City may remove the same at Tenant's expense. Notwithstanding anything to the contrary in this Lease, City can elect at any time prior to the Expiration Date or within five (5) days after termination of this Lease, to require Tenant to remove, at Tenant's sole expense, all or part of the Tenant Improvements, Alterations or other improvements or equipment constructed or installed by or at the expense of Tenant including, but not limited to, any telecommunications equipment, wires, cabling and/or conduit installed in the Premises by or on behalf of Tenant. Tenant shall promptly remove such items and shall repair, at no cost to the City, any damage to the Premises resulting from such removal, or if Tenant fails to repair, City may do so, at Tenant's expense. Tenant's obligations under this Section shall survive the Expiration Date or other termination of this Lease. Any items of Tenant's Personal Property remaining in the Premises after the Expiration Date or sooner termination of this Lease may, at City's option, be deemed abandoned and disposed of in

accordance with Section 1980 et seq. of the California Civil Code or in any other manner allowed by law.

Concurrently with the surrender of the Premises, Tenant shall, if requested by City, execute, acknowledge and deliver to City a quitclaim deed to the Premises and any other instrument reasonably requested by City to evidence or otherwise effect the termination of Tenant's leasehold estate hereunder and to effect such transfer or vesting of title to the Tenant Improvements or other improvements or equipment which remain part of the Premises. The terms of this Section shall survive the expiration or sooner termination of this Lease.

## **25. HAZARDOUS MATERIALS**

### **25.1 Definitions**

As used herein, the following terms shall have the meanings set forth below:

(a) "Environmental Laws" shall mean any present or future federal, state, local or administrative law, rule, regulation, order or requirement relating to Hazardous Material (including, without limitation, its use, handling, transportation, production, disposal, discharge or storage), or to health and safety, industrial hygiene or the environment, including, without limitation, soil, air and groundwater conditions.

(b) "Hazardous Material" shall mean any material that, because of its quantity, concentration or physical or chemical characteristics, is at any time now or hereafter deemed by any federal, state or local governmental authority to pose a present or potential hazard to human health, welfare or safety or to the environment. Hazardous Material includes, without limitation, any material or substance defined as a "hazardous substance," or "pollutant" or "contaminant" pursuant to the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA", also commonly known as the "Superfund" law), as amended, (42 U.S.C. Section 9601 et seq.) or pursuant to Section 25316 of the California Health & Safety Code; any "hazardous waste" listed pursuant to Section 25140 of the California Health & Safety Code; and petroleum, including crude oil or any fraction thereof, natural gas or natural gas liquids.

(c) "Investigate and Remediate" ("Investigation" and "Remediation") shall mean the undertaking of any activities to determine the nature and extent of Hazardous Material that may be located in, on, under or about the Premises or that has been, are being or threaten to be Released into the environment, and to clean up, remove, contain, treat, stabilize, monitor or otherwise control such Hazardous Material.

(d) "Release" when used with respect to Hazardous Material shall include any actual or imminent spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into or inside the Premises, or in, on, under or about any other part of the Premises or into the environment.

### **25.2 No Hazardous Materials**

Tenant covenants and agrees that neither Tenant nor any of its Agents or Invitees shall cause or permit any Hazardous Material to be brought upon, kept, used, stored, generated or disposed of in, on or about the Premises, or transported to or from the Premises. Tenant shall give immediate written notice to City of: (a) any action, proceeding or inquiry by any governmental authority (including, without limitation, the California State Department of Health Services, the State or any Regional Water Quality Control Board, the Bay Area Air Quality Management district or any local governmental entity) against Tenant with respect to the presence or Release or suspected presence or Release of Hazardous Material on the Premises or

the migration thereof from or to other property; (b) all demands or claims made or threatened by any third party against Tenant or the Premises relating to any loss or injury resulting from any Hazardous Materials; (c) any Release of Hazardous Material on or about the Premises or any other part of the Premises has occurred that may require any Investigation or Remediation; and (d) all matters of which Tenant is required to give notice pursuant to Section 25359.7 of the California Health and Safety Code.

### **25.3 Tenant's Environmental Indemnity**

If Tenant breaches any of its obligations contained in this Section, or, if any act or omission of Tenant, its Agents or Invitees, results in any Release of Hazardous Material in, on, under or about the Premises in violation of any applicable Environmental Laws, then, without limiting Tenant's Indemnity contained in Section 18.2 (Tenant's Indemnity), Tenant shall, on behalf of itself and its successors and assigns, Indemnify the Indemnified Parties, and each of them, from and against all Claims (including, without limitation, damages for decrease in value of the Premises, the loss or restriction of the use of rentable or usable space or of any amenity of the Premises and sums paid in settlement of claims, attorneys' fees, consultants' fees and experts' fees and costs) arising during or after the Term of this Lease and relating to such Release. The foregoing Indemnity includes, without limitation, costs incurred in connection with activities undertaken to Investigate and Remediate Hazardous Material and to restore the Premises to its prior condition, fines and penalties assessed for the violation of any applicable Environmental Laws, and any natural resource damages. Without limiting the foregoing, if Tenant or any of its Agents or Invitees, causes or permits the Release of any Hazardous Materials in, on, under or about the Premises, Tenant shall immediately and at no expense to City take any and all appropriate actions to return the Premises affected thereby to the condition existing prior to such Release and otherwise Investigate and Remediate the Release in accordance with all Environmental Laws. Tenant specifically acknowledges and agrees that it has an immediate and independent obligation to defend the City from any claim which actually or potentially falls within this indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to Tenant by the City and continues at all times thereafter. Tenant shall afford City a full opportunity to participate in any discussions with governmental regulatory agencies regarding any settlement agreement, cleanup or abatement agreement, consent decree, or other compromise or proceeding involving Hazardous Material.

### **25.4 Survival of Obligation**

Tenant's obligations under this Section 26 shall survive the Expiration Date or other termination of this Lease.

26. [Intentionally deleted]

## **27. GENERAL PROVISIONS**

### **27.1 Notices**

Any notice given under this Lease shall be effective only if in writing and given by delivering the notice in person or by sending it first-class mail or certified mail with a return receipt requested or by overnight courier, return receipt requested, with postage prepaid, to: (a) Tenant, (i) at Tenant's address set forth in the Basic Lease Information, if sent prior to Tenant's taking possession of the Premises, or (ii) at the Premises if sent on or subsequent to Tenant's taking possession of the Premises, or (iii) at any place where Tenant or any Agent of Tenant may be found if sent subsequent to Tenant's vacating, abandoning or surrendering the Premises; or (b) City, at City's address set forth in the Basic Lease Information; or (c) to such other address as either City or Tenant may designate as its new address for such purpose by

notice given to the other in accordance with the provisions of this Section at least ten (10) days prior to the effective date of such change. Any notice hereunder shall be deemed to have been given two (2) days after the date when it is mailed if sent by first class or certified mail, one day after the date it is made if sent by overnight courier, or upon the date personal delivery is made. For convenience of the parties, copies of notices may also be given by telefacsimile to the telephone number set forth in the Basic Lease Information or such other number as may be provided from time to time; however, neither party may give official or binding notice by facsimile. Tenant shall promptly provide City with copies of any and all notices received regarding any alleged violation of laws or insurance requirements or any alleged unsafe condition or practice.

### **27.2 No Implied Waiver**

No failure by City to insist upon the strict performance of any obligation of Tenant under this Lease or to exercise any right, power or remedy arising out of a breach thereof, irrespective of the length of time for which such failure continues, no acceptance of full or partial Base Rent or Additional Charges during the continuance of any such breach, and no acceptance of the keys to or possession of the Premises prior to the expiration of the Term by any Agent of City, shall constitute a waiver of such breach or of City's right to demand strict compliance with such term, covenant or condition or operate as a surrender of this Lease. No express written waiver of any default or the performance of any provision hereof shall affect any other default or performance, or cover any other period of time, other than the default, performance or period of time specified in such express waiver. One or more written waivers of a default or the performance of any provision hereof shall not be deemed to be a waiver of a subsequent default or performance. Any consent by City hereunder shall not relieve Tenant of any obligation to secure the consent of City in any other or future instance under the terms of this Lease.

### **27.3 Amendments**

Neither this Lease nor any terms or provisions hereof may be changed, waived, discharged or terminated, except by a written instrument signed by the party against which the enforcement of the change, waiver, discharge or termination is sought. No waiver of any breach shall affect or alter this Lease, but each and every term, covenant and condition of this Lease shall continue in full force and effect with respect to any other then-existing or subsequent breach thereof. Whenever this Lease requires or permits the giving by City of its consent or approval, the Director of Property, or his or her designee shall be authorized to provide such approval, except as otherwise provided by applicable law, including the Charter. Any amendments or modifications to this Lease, including, without limitation, amendments to or modifications to the exhibits to this Lease, shall be subject to the mutual written agreement of City and Tenant, and City's agreement may be made upon the sole approval of the Director of Property, or his or her designee; provided, however, material amendments or modifications to this Lease (a) changing the legal description of the Premises, (b) increasing the Term, (c) increasing the Rent, (d) changing the general use of the Premises from the use authorized under Section 5.1 (Permitted Use) of this Lease, and (e) any other amendment or modification which materially increases the City's liabilities or financial obligations under this Lease shall additionally require the approval of the City's Board of Supervisors.

### **27.4 Authority**

If Tenant signs as a corporation or a partnership, each of the persons executing this Lease on behalf of Tenant does hereby covenant and warrant that Tenant is a duly authorized and existing entity, that Tenant has and is qualified to do business in California, that Tenant has full right and authority to enter into this Lease, and that each and all of the persons signing on behalf of Tenant are authorized to do so. Upon City's request, Tenant shall provide City with evidence reasonably satisfactory to City confirming the foregoing representations and warranties.

## **27.5 Parties and Their Agents; Approvals**

The words "City" and "Tenant" as used herein shall include the plural as well as the singular. If there is more than one Tenant, the obligations and liabilities under this Lease imposed on Tenant shall be joint and several. As used herein, the term "Agents" when used with respect to either party shall include the agents, employees, officers, contractors and representatives of such party, and the term "Invitees" when used with respect to Tenant shall include the clients, customers, invitees, guests, licensees, assignees or subtenants of Tenant. All approvals, consents or other determinations permitted or required by City hereunder shall be made by or through City's Director of Property unless otherwise provided in this Lease, subject to applicable law.

## **27.6 Interpretation of Lease**

The captions preceding the articles and sections of this Lease and in the table of contents have been inserted for convenience of reference only and such captions shall in no way define or limit the scope or intent of any provision of this Lease. This Lease has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein and shall be interpreted to achieve the intents and purposes of the parties, without any presumption against the party responsible for drafting any part of this Lease. Provisions in this Lease relating to number of days shall be calendar days, unless otherwise specified, provided that if the last day of any period to give notice, reply to a notice or to undertake any other action occurs on a Saturday, Sunday or a bank or City holiday, then the last day for undertaking the action or giving or replying to the notice shall be the next succeeding business day. Use of the word "including" or similar words shall not be construed to limit any general term, statement or other matter in this Lease, whether or not language of non-limitation, such as "without limitation" or similar words, are used.

## **27.7 Successors and Assigns**

Subject to the provisions of this Lease relating to Assignment and Subletting, the terms, covenants and conditions contained in this Lease shall bind and inure to the benefit of City and Tenant and, except as otherwise provided herein, their personal representatives and successors and assigns; provided, however, that upon any sale, assignment or transfer by City named herein (or by any subsequent landlord) of its interest in the Premises as owner or lessee, including any transfer by operation of law, City (or any subsequent landlord) shall be relieved from all subsequent obligations and liabilities arising under this Lease subsequent to such sale, assignment or transfer.

## **27.8 Brokers**

Neither party has had any contact or dealings regarding the leasing of the Premises, or any communication in connection therewith, through any licensed real estate broker or other person who could claim a right to a commission or finder's fee in connection with the lease contemplated herein except as identified in the Basic Lease Information, whose commission, if any is due, shall be paid pursuant to a separate written agreement between such broker and the party through which such broker contracted. In the event that any broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings or communication, the party through whom the broker or finder makes a claim shall be responsible for such commission or fee and shall indemnify the other party from any and all Claims incurred by the indemnified party in defending against the same. The provisions of this Section shall survive any termination of this Lease.

### **27.9 Severability**

If any provision of this Lease or the application thereof to any person, entity or circumstance shall be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons, entities or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each other provision of this Lease shall be valid and be enforceable to the fullest extent permitted by law, except to the extent that enforcement of this Lease without the invalidated provision would be unreasonable or inequitable under all the circumstances or would frustrate a fundamental purpose of this Lease.

### **27.10 Governing Law**

This Lease shall be construed and enforced in accordance with the laws of the State of California and the City's Charter.

### **27.11 Entire Agreement**

This instrument, including the exhibits hereto, which are made a part of this Lease, contains the entire agreement between the parties and all prior written or oral negotiations, understandings and agreements are merged herein. The parties further intend that this Lease shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including prior drafts hereof and changes therefrom) may be introduced in any judicial, administrative or other legal proceeding involving this Lease. Tenant hereby acknowledges that neither City nor City's Agents have made any representations or warranties with respect to the Premises or this Lease except as expressly set forth herein, and no rights, easements or licenses are or shall be acquired by Tenant by implication or otherwise unless expressly set forth herein.

### **27.12 Attorneys' Fees**

In the event that either City or Tenant fails to perform any of its obligations under this Lease or in the event a dispute arises concerning the meaning or interpretation of any provision of this Lease, the defaulting party or the non-prevailing party in such dispute, as the case may be, shall pay the prevailing party reasonable attorneys' and experts' fees and costs, and all court costs and other costs of action incurred by the prevailing party in connection with the prosecution or defense of such action and enforcing or establishing its rights hereunder (whether or not such action is prosecuted to a judgment). For purposes of this Lease, the terms "court costs and reasonable attorneys' fees" shall mean the fees and expenses of counsel to the Parties, which may include printing, duplicating and other expenses, air freight charges, hiring of experts, and fees billed for law clerks, paralegals, librarians and others not admitted to the bar but performing services under the supervision of an attorney. The term "court costs and attorneys' fees" shall also include, without limitation, all such fees and expenses incurred with respect to appeals, mediation, arbitrations, and bankruptcy proceedings, and whether or not any action is brought with respect to the matter for which such fees and costs were incurred. For the purposes of this Lease, reasonable fees of attorneys of City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

### **27.13 Holding Over**

If Tenant retains possession of any portion of the Premises after the expiration or the earlier termination of this Lease, then unless City expressly agrees to the holdover in writing, Tenant shall pay City, on a month-to-month basis Base Rent equal to two hundred percent

(200%) of the latest Base Rent payable by Tenant hereunder prior to such expiration, together with an amount estimated by City for the monthly Additional Charges payable under this Lease, and shall otherwise be on the terms and conditions herein specified so far as applicable (except for those pertaining to the Term and any Extension Options). Any failure by Tenant to surrender, discontinue using, or, if required by City, any failure to remove any property or equipment following written demand for the same by City, shall constitute continuing possession for purposes hereof. Tenant acknowledges that the foregoing provisions shall not serve as permission for the Tenant to hold over, nor serve to extend the term of this Lease beyond the end on the term hereof. Any holding over without City's consent shall constitute a default by Tenant and entitle City to exercise any or all of its remedies as provided herein, notwithstanding that City may elect to accept one or more payments of Rent, and whether or not such amounts are at the holdover rate specified above or the rate in effect at the end of the Term of this Lease.

Any holding over after the expiration of the Term with the express consent of City shall be construed to automatically extend the Term of this Lease on a month-to-month basis at a Base Rent equal to one hundred fifty percent (150%) of the latest Base Rent payable by Tenant hereunder prior to such expiration, together with an amount estimated by City for the monthly Additional Charges payable under this Lease, and shall otherwise be on the terms and conditions herein specified so far as applicable (except for those pertaining to the Term and any Extension Options). Tenant's obligations under this Section shall survive the expiration or termination of this Lease.

#### **27.14 Time of Essence**

Time is of the essence with respect to all provisions of this Lease in which a definite time for performance is specified.

#### **27.15 Cumulative Remedies**

All rights and remedies of either party hereto set forth in this Lease shall be cumulative, except as may otherwise be provided herein.

#### **27.16 Survival of Indemnities**

Termination of this Lease shall not affect the right of either party to enforce any and all indemnities and representations and warranties given or made to the other party under this Lease, nor shall it affect any provision of this Lease that expressly states it shall survive termination hereof.

#### **27.17 Signs**

Tenant agrees that it will not erect or maintain, or permit to be erected or maintained, any signs, notices or graphics upon or about the Premises without City's prior written consent, which City may withhold or grant in its sole discretion.

#### **27.18 Relationship of the Parties**

City is not, and none of the provisions in this Lease shall be deemed to render City, a partner in Tenant's business, or joint venturer or member in any joint enterprise with Tenant. Neither party shall act as the agent of the other party in any respect hereunder. This Lease is not intended nor shall it be construed to create any third party beneficiary rights in any third party, unless otherwise expressly provided.

### **27.19 Light and Air**

Tenant covenants and agrees that no diminution of light, air or view by any structure that may hereafter be erected (whether or not by City) shall entitle Tenant to any reduction of the Base Rent or Additional Charges under this Lease, result in any liability of City to Tenant, or in any other way affect this Lease or Tenant's obligations hereunder.

### **27.20 No Recording**

Tenant shall not record this Lease or any memorandum hereof in the public records.

### **27.21 [Intentionally deleted]**

### **27.22 Public Transit Information**

Tenant shall establish and carry on during the Term a program to encourage maximum use of public transportation by personnel of Tenant employed on the Premises, including, without limitation, the distribution to such employees of written materials explaining the convenience and availability of public transportation facilities adjacent or proximate to the Premises and encouraging use of such facilities, all at Tenant's sole expense.

### **27.23 Taxes, Assessments, Licenses, Permit Fees and Liens**

(a) Tenant recognizes and understands that this Lease may create a possessory interest subject to property taxation and that Tenant may be subject to the payment of property taxes levied on such interest.

(b) Tenant agrees to pay taxes of any kind, including possessory interest taxes, that may be lawfully assessed on the leasehold interest hereby created and to pay all other taxes, excises, licenses, permit charges and assessments based on Tenant's usage of the Premises that may be imposed upon Tenant by law, all of which shall be paid when the same become due and payable and before delinquency.

(c) Tenant agrees not to allow or suffer a lien for any such taxes to be imposed upon the Premises or upon any equipment or property located thereon without promptly discharging the same, provided that Tenant, if so desiring, may have reasonable opportunity to contest the validity of the same.

(d) San Francisco Administrative Code Sections 23.38 and 23.39 require that City report certain information relating to the creation, renewal, extension, assignment, sublease, or other transfer of this Lease to the County Assessor within sixty (60) days after any such transaction, and that Tenant report certain information relating to such matters to City within thirty (30) days after the applicable transaction. Tenant agrees to provide such information as may be requested by City to enable it to comply with this requirement.

### **27.24 Non-Liability of City Officials, Employees and Agents**

No elective or appointive board, commission, member, officer, employee or other Agent of City shall be personally liable to Tenant, its successors and assigns, in the event of any default or breach by City or for any amount which may become due to Tenant, its successors and assigns, or for any obligation of City under this Agreement.

## **27.25 Non-Discrimination in City Contracts and Benefits Ordinance**

### **(a) Covenant Not to Discriminate**

In the performance of this Lease, Tenant agrees not to discriminate against any employee, any City employee working with Tenant, or applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

### **(b) Subleases and Other Subcontracts**

Tenant shall include in all Subleases and other subcontracts relating to the Premises a non-discrimination clause applicable to such Subtenant or other subcontractor in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

### **(c) Non-Discrimination in Benefits**

Tenant does not as of the date of this Lease and will not during the term of this Lease, in any of its operations in San Francisco, on real property owned by City, or where the work is being performed for the City elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

### **(d) CMD Form**

As a condition to this Lease, Tenant shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Contract Monitoring Division. Tenant hereby represents that prior to execution of this Lease, (i) Tenant executed and submitted to the CMD Form CMD-12B-101 with supporting documentation, and (ii) the CMD approved such form.

### **(e) Incorporation of Administrative Code Provisions by Reference**

The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to non-discrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of Fifty

Dollars (\$50) for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

#### **27.26 No Relocation Assistance; Waiver of Claims**

Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully RELEASES, WAIVES AND DISCHARGES forever any and all Claims against, and covenants not to sue, City, its departments, commissions, officers, directors and employees, and all persons acting by, through or under each of them, under any laws, including, without limitation, any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws (including, but not limited to, California Government Code Section 7260 et seq.), except as otherwise specifically provided in this Lease with respect to a Taking.

#### **27.27 MacBride Principles - Northern Ireland**

The provisions of San Francisco Administrative Code §12F are incorporated herein by this reference and made part of this Lease. By signing this Lease, Tenant confirms that Tenant has read and understood that the City urges companies doing business in Northern Ireland to resolve employment inequities and to abide by the MacBride Principles, and urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

#### **27.28 Tropical Hardwood and Virgin Redwood Ban**

The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environment Code, Tenant shall not provide any items to the construction of Tenant Improvements or the Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environment Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

#### **27.29 Restrictions on the Use of Pesticides**

Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant shall not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the term of this Lease, (ii) describes the steps Tenant will take to meet the City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address and telephone number, an individual to act as the Tenant's primary IPM contact person with the City. Tenant shall comply and shall require all of Tenant's contractors to comply, with the IPM plan approved by the City and shall comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, such provisions of the IPM Ordinance: (a) provide for the use of pesticides only as a last resort, (b) prohibit the use or application of pesticides on property owned by the City, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most

If Tenant or Tenant's contractor will apply pesticides to outdoor areas at the Premises, Tenant must first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and any such pesticide application shall be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

### **27.30 First Source Hiring Agreement**

Tenant and City are parties to the First Source Agreement attached to this Lease as Exhibit E pursuant to San Francisco Administrative Code, Chapter 83 (the "First Source Agreement"). Any default by Tenant under the First Source Agreement shall be a default under this Lease.

### **27.31 Sunshine Ordinance**

In accordance with Section 67.24(e) of the San Francisco Administrative Code, contracts, contractors' bids, leases, agreements, responses to Requests for Proposals, and all other records of communications between City and persons or firms seeking contracts will be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract, lease, agreement or other benefit until and unless that person or organization is awarded the contract, lease, agreement or benefit. Information provided which is covered by this Section will be made available to the public upon request.

### **27.32 Conflicts of Interest**

Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which would constitute a violation of said provisions, and agrees that if Tenant becomes aware of any such fact during the term of this Lease Tenant shall immediately notify the City.

### **27.33 Charter Provisions**

This Lease is governed by and subject to the provisions of the Charter of the City and County of San Francisco.

### **27.34 Prohibition of Alcoholic Beverage Advertising**

Tenant acknowledges and agrees that no advertising of alcoholic beverages is allowed on the Premises. For purposes of this section, "alcoholic beverage" shall be defined as set forth in California Business and Professions Code Section 23004, and shall not include cleaning solutions, medical supplies and other products and substances not intended for drinking. This advertising prohibition includes the placement of the name of a company producing alcoholic beverages or the name of any alcoholic beverage in any promotion of any event or product.

### **27.35 Counterparts**

This Lease may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

### **27.36 Effective Date**

This Lease shall become effective on the date upon which this Lease is duly executed and delivered by the parties hereto.

### **27.37 Requiring Health Benefits for Covered Employees**

Unless exempt, Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated herein by reference and made a part of this Lease as though fully set forth. The text of the HCAO is available on the web at <http://www.sfgov.org/olse/hcao>. Capitalized terms used in this Section and not defined in this Lease shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(d) of the HCAO, it shall have no obligation to comply with subsection (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this Lease. City shall notify Tenant if such a breach has occurred. If, within thirty (30) days after receiving City's written notice of a breach of this Lease for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty (30) days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in Section 12Q.5(f)(1-5). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Purchasing Department when it enters into such a Subcontract and shall certify to the Purchasing Department that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's compliance or anticipated compliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall keep itself informed of the current requirements of the HCAO.

(h) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(i) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least five (5) business days to respond.

(j) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(k) If Tenant is exempt from the HCAO when this Lease is executed because its amount is less than Twenty-Five Thousand Dollars (\$25,000), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach Seventy-Five Thousand Dollars (\$75,000), all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the Contracting Department to be equal to or greater than Seventy-Five Thousand Dollars (\$75,000) in the fiscal year.

#### **27.38 Notification of Limitations on Contributions**

Through its execution of this Lease, Tenant acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing of any land or building to or from the City whenever such transaction would require approval by a City elective officer, the board on which that City elective officer serves, or a board on which an appointee of that individual serves, from making any campaign contribution to (a) the City elective officer, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Tenant acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Tenant further acknowledges that the prohibition on contributions applies to each Tenant; each member of Tenant's board of directors, and Tenant's chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Tenant; any subcontractor listed in the contract; and any committee that is sponsored or controlled by Tenant. Additionally, Tenant acknowledges that Tenant must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. Tenant further agrees to provide to City the name of each person, entity or committee described above.

The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

### **27.40 Resource-Efficient City Buildings**

Tenant acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Sections 700 to 713 relating to green building requirements for the design, construction, and operation of buildings owned or leased by City. Accordingly, Tenant acknowledges that City contractors and lessees may not use Disposable Food Service Ware that contains Polystyrene Foam in City Facilities and while performing under a City contract or lease, and shall instead use suitable Biodegradable/Compostable or Recyclable Disposable Food Service Ware. This provision is a material term of this Lease.

### **27.42 San Francisco Packaged Water Ordinance**

Tenant agrees to comply with San Francisco Environment Code Chapter 24 ("Chapter 24"). Tenant shall not sell, provide or otherwise distribute Packaged Water, as defined in Chapter 24 (including bottled water), in the performance of this Agreement or on City property unless Tenant obtains a waiver from the City's Department of the Environment. If Tenant violates this requirement, the City may exercise all remedies in this Agreement and the Director of the City's Department of the Environment may impose administrative fines as set forth in Chapter 24.

### **27.43 Criminal History in Hiring and Employment Decisions**

(a) Unless exempt, Tenant agrees to comply with and be bound by all of the provisions of San Francisco Administrative Code Chapter 12T (Criminal History in Hiring and Employment Decisions; "Chapter 12 T"), which are hereby incorporated as may be amended from time to time, with respect to applicants and employees of Tenant who would be or are performing work at the Premises.

(b) Tenant shall incorporate by reference the provisions of Chapter 12T in all subleases of some or all of the Premises, and shall require all subtenants to comply with such

provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant and subtenants shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

(d) Tenant and subtenants shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection (c) above. Tenant and subtenants shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

(e) Tenant and subtenants shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Tenant or subtenant at the Premises, that the Tenant or subtenant will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(f) Tenant and subtenants shall post the notice prepared by the Office of Labor Standards Enforcement ("OLSE"), available on OLSE's website, in a conspicuous place at the Premises and at other workplaces within San Francisco where interviews for job opportunities at the Premises occur. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the Premises or other workplace at which it is posted.

(g) Tenant and subtenants understand and agree that upon any failure to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T or this Lease, including but not limited to a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Lease.

(h) If Tenant has any questions about the applicability of Chapter 12T, it may contact the City's Real Estate Division for additional information. City's Real Estate Division may consult with the Director of the City's Office of Contract Administration who may also grant a waiver, as set forth in Section 12T.8.

#### **27.44 Cooperative Drafting**

This Lease has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Lease reviewed and revised by legal counsel. No party shall be considered the drafter of this Lease, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Lease.

#### **28.48 Vending Machines; Nutritional Standards**

Tenant shall not install or permit any vending machine on the Premises without the prior written consent of the Director of Property. Any permitted vending machine must comply with the food nutritional and calorie labeling requirements set forth in San Francisco Administrative Code section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant agrees to incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 28.48 shall be deemed a material breach of this Lease. Without limiting Landlord's other rights and remedies under this Lease, Landlord shall have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

#### **28.49 All-Gender Toilet Facilities**

If applicable, Tenant shall comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of any new building on City-owned land and within existing buildings leased by the City where extensive renovations are made. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and "extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by this section. If Tenant has any question about applicability or compliance, Tenant should contact the Director of Property for guidance.

Edwin M. Lee, Mayor

Form B: First Source Hiring Agreement  
For Tenant/Concessionaire/Franchisee/Easement Holder of City Property

This First Source Hiring Agreement (this "Agreement"), is made as of 12/06/2017, by and between Our Planet Recycling SF LLC (the "Lessee"), and the First Source Hiring Administration, (the "FSHA"), collectively the "Parties":

RECITALS

WHEREAS, Lessee plans to occupy the property owned or controlled by the City and County of San Francisco ("City") at Alemany & Tompkins Ave ("Premises") pursuant to a lease between Lessee and City dated November 14, 2017 ("Lease") which requires a First Source Hiring Agreement between Lessee and FSHA; and,

WHEREAS, as a material part of the consideration given by Lessee under the Lease, Lessee has agreed to execute this Agreement and the First Source Employer's Projection of Entry-Level Positions form attached to this Agreement as *Exhibit A* (the "Projection Form") and participate in the Workforce System managed by the Office of Economic and Workforce Development ("OEWD") as established by the City and County of San Francisco pursuant to Chapter 83 of the San Francisco Administrative Code ("Chapter 83"); and

WHEREAS, Lessee is required to provide notice of the requirements of Chapter 83 in leases, subleases and other occupancy contracts for use of the Premises;

NOW, THEREFORE, in consideration of the mutual covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Parties covenant and agree as follows:

1. DEFINITIONS

For purposes of this Agreement, initially capitalized terms shall be defined as follows:

- a. **Entry Level Position:** Any non-managerial position that requires no education above a high school diploma or certified equivalency, and less than two (2) years training or specific preparation, and shall include temporary, permanent, trainee and intern positions.
- b. **Workforce System:** The First Source Hiring Administrator established by the City and managed by OEWD.
- c. **Referral:** A member of the Workforce System who has been identified by OEWD as having the appropriate training, background and skill sets for a Lessee specified Entry Level Position.

## 2. OEWD WORKFORCE SYSTEM PARTICIPATION

- a. Lessee shall notify OEWD's Business Team of every available Entry Level Position and provide OEWD 10 business days to recruit and refer qualified candidates prior to advertising such position to the general public. Lessee shall provide feedback including but not limited to job seekers interviewed, including name, position title, starting salary and employment start date of those individuals hired by the Lessee no later than 10 business days after date of interview or hire. Lessee will also provide feedback on reasons as to why referrals were not hired. Lessee shall have the sole discretion to interview any Referral by OEWD and will inform OEWD's Business Team why specific persons referred were not interviewed. Hiring decisions shall be entirely at the discretion of Lessee.
- b. This Agreement shall be in full force and effect throughout the term of the Lease.

## 3. GOOD FAITH EFFORT TO COMPLY WITH ITS OBLIGATIONS HEREUNDER

Lessee will make good faith efforts to comply with its obligations under this Agreement. Determination of good faith efforts shall be based on all of the following:

- a. Lessee will execute and deliver this Agreement and the Projection Form to OEWD upon entering into the Lease. Lessee will also accurately complete and submit the Projection Form annually to reflect employment conditions.
- b. Lessee agrees to register with OEWD's Referral Tracking System, upon execution of this Agreement.
- c. Lessee shall notify OEWD's Business Services Team of all available Entry Level Positions 10 business days prior to posting with the general public. The Lessee must identify a single point of contact responsible for communicating Entry Level Positions and take active steps to ensure continuous communication with OEWD's Business Services Team.
- d. If Lessee's operations create Entry Level Positions, Lessee will use good faith efforts to meet the hiring goals established by the FSHA for filling open Entry Level Positions with First Source referrals. Specific hiring decisions shall be the sole discretion of the Lessee.
- e. Nothing in this Agreement shall be interpreted to prohibit the continuation of existing workforce training agreements or to interfere with consent decrees, collective bargaining agreements, or existing employment contracts. In the event of a conflict between this Agreement and an existing agreement, the terms of the existing agreement shall supersede this Agreement.

Lessee's failure to meet the criteria set forth in this Section 3 does not impute "bad faith" and shall trigger a review of the referral process and compliance with this Agreement. Failure and noncompliance with this Agreement will result in penalties as defined in Chapter §3, Lessee agrees to review Chapter §3, and execution of this Agreement denotes that Lessee agrees to its terms and conditions.

	Supporting documents are available for review on the San Francisco Property Information Map, which can be accessed at <a href="https://sfplanninggis.org/pim/">https://sfplanninggis.org/pim/</a> . Individual files can be viewed by clicking on the Planning Applications link, clicking the "More Details" link under the project's environmental record number (ENV) and then clicking on the "Related Documents" link. Once signed and dated, this document constitutes an exemption pursuant to CEQA Guidelines and Chapter 31 of the SF Admin Code. Per Chapter 31, an appeal of an exemption determination to the Board of Supervisors shall be filed within 30 days after the Approval Action occurs at a noticed public hearing, or within 30 days after posting on the Planning Department's website a written decision or written notice of the Approval Action, if the approval is not made at a noticed public hearing.	

## STEP 7: MODIFICATION OF A CEQA EXEMPT PROJECT

### TO BE COMPLETED BY PROJECT PLANNER

In accordance with Chapter 31 of the San Francisco Administrative Code, when a California Environmental Quality Act (CEQA) exempt project changes after the Approval Action and requires a subsequent approval, the Environmental Review Officer (or his or her designee) must determine whether the proposed change constitutes a substantial modification of that project. This checklist shall be used to determine whether the proposed changes to the approved project would constitute a "substantial modification" and, therefore, be subject to additional environmental review pursuant to CEQA.

### MODIFIED PROJECT DESCRIPTION

Modified Project Description:

### DETERMINATION IF PROJECT CONSTITUTES SUBSTANTIAL MODIFICATION

Compared to the approved project, would the modified project:

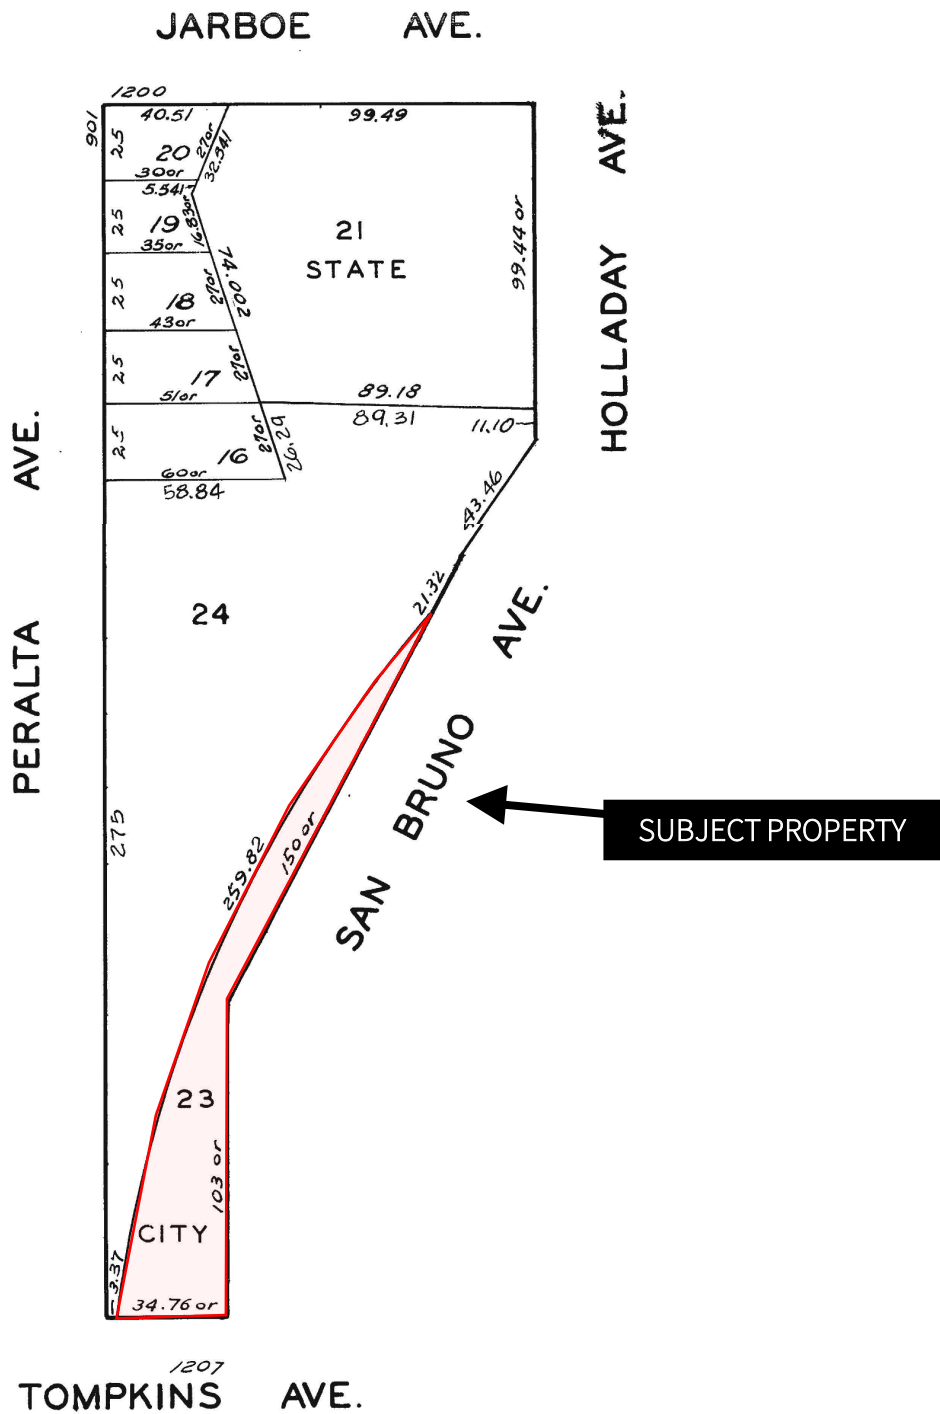

<input type="checkbox"/>	Result in expansion of the building envelope, as defined in the Planning Code;
<input type="checkbox"/>	Result in the change of use that would require public notice under Planning Code Sections 311 or 312;
<input type="checkbox"/>	Result in demolition as defined under Planning Code Section 317 or 19005(f)?
<input type="checkbox"/>	Is any information being presented that was not known and could not have been known at the time of the original determination, that shows the originally approved project may no longer qualify for the exemption?

**If at least one of the above boxes is checked, further environmental review is required**

### DETERMINATION OF NO SUBSTANTIAL MODIFICATION

<input type="checkbox"/>	The proposed modification would not result in any of the above changes.
If this box is checked, the proposed modifications are exempt under CEQA, in accordance with prior project approval and no additional environmental review is required. This determination shall be posted on the Planning Department website and office and mailed to the applicant, City approving entities, and anyone requesting written notice. In accordance with Chapter 31, Sec 31.08j of the San Francisco Administrative Code, an appeal of this determination can be filed to the Environmental Review Officer within 10 days of posting of this determination.

### WHAT IS A CONDITIONAL USE AUTHORIZATION?

A Conditional Use refers to a use that is not principally permitted in a particular Zoning District. Conditional Uses require a Planning Commission hearing in order to determine if the proposed use is necessary or desirable to the neighborhood, whether it may potentially have a negative effect on the surrounding neighborhood, and whether the use complies with the San Francisco General Plan. During this public hearing the Planning Commission will “condition” the use by applying operational conditions that may minimize neighborhood concerns as well as other conditions that may be required by the Department and the Planning Code. Conditional Use Authorizations are entitlements that run with the property, not the operator.

### WHEN IS A CONDITIONAL USE AUTHORIZATION NECESSARY?

For each Zoning District, the Planning Code contains use charts that list types of uses and whether each is permitted as of right (P), conditionally permitted (C), or not permitted (NP or blank). In addition to those particular uses, the Conditional Use Authorization process is utilized for various other applications included but not limited to dwelling unit removal, Planned Unit Developments (PUD's), and for off-street parking in certain Zoning Districts. Please consult a planner at the Planning counter at the Permit Center for additional information regarding these applications.

### FEES

Please refer to the [Planning Department Fee Schedule](#) available at [www.sfplanning.org](http://www.sfplanning.org). For questions related to the Fee Schedule, you can call the Planning counter at 628.652.7300 or email [pic@sfgov.org](mailto:pic@sfgov.org) where planners are able to assist you.

Fees will be determined based on the estimated construction costs. Should the cost of staff time exceed the initial fee paid, an additional fee for time and materials may be billed upon completion of the hearing process or permit approval. Additional fees may also be collected for preparation and recordation of any documents with the San Francisco Assessor-Recorder's office and for monitoring compliance with any conditions of approval.

### Action(s) Requested

Action(s) Requested (Including Planning Code Section(s) which authorizes action)

**We have a lease with the City Real Estate division since 2017 month to month base along with the encroachment permit. This property gives us access to our main yard and we are requesting for a long term lease with the City.**

### Conditional Use Findings

Pursuant to Planning Code Section 303(c), before approving a conditional use authorization, the Planning Commission needs to find that the facts presented are such to establish the findings stated below. In the space below and on separate paper, if necessary, please present facts sufficient to establish each finding.

1. That the proposed use or feature, at the size and intensity contemplated and at the proposed location, will provide a development that is necessary or desirable for, and compatible with, the neighborhood or the community. If the proposed use exceeds the non-residential use size limitations for the zoning district, additional findings must be provided per Planning Code Section 303(c)(1)(A-C).

**We are only using the land to access our main lot which is land locked by this property. There is no development proposed or planned.**

2. That such use or feature as proposed will not be detrimental to the health, safety, convenience or general welfare of persons residing or working in the vicinity, or injurious to property, improvements or potential development in the vicinity, with respect to aspects including but not limited to the following:
  - a. The nature of the proposed site, including its size and shape, and the proposed size, shape and arrangement of structures;
  - b. The accessibility and traffic patterns for persons and vehicles, the type and volume of such traffic, and the adequacy of proposed off-street parking and loading;
  - c. The safeguards afforded to prevent noxious or offensive emissions such as noise, glare, dust and odor;
  - d. Treatment given, as appropriate, to such aspects as landscaping, screening, open spaces, parking and loading areas, service areas, lighting and signs.

**There aren't features that would be detrimental to the surrounding areas as we are using the land to access our property and using to store some of our items.**

3. That such use or feature as proposed will comply with the applicable provisions of this Code and will not adversely affect the General Plan.

**Anything that has been done or will be done has gotten permission from the City or the correct department. Also the understanding is that the City Real Estate is happy with the current situation as the land is better maintained now.**

4. The use or feature satisfies any criteria specific to the use of features listed in Planning Code Section 303(g), et seq.

**There is no new building or structures proposed as the land is being used for access to our current property.**
