SEC. 43.1.1. TITLE. This Article may be cited as the Residential Mortgage Revenue Bond Law.

SEC. 43.1.2. PURPOSE. The Board of Supervisors hereby finds and declares that it is necessary, essential, a public purpose and a municipal affair for the City and County to make, purchase and contract for the making of below-market-interest-rate loans for the purpose of providing mortgage financing for the acquisition, construction, or rehabilitation of housing in the City and County to encourage the availability of adequate housing and home finance for persons and families, including those of low or moderate income, and to develop viable communities by providing decent housing and an enhanced living environment.

The City and County can promote such interests pursuant to this Article without adversely affecting areas outside the City and County and without conflicting with efforts by the State of California to solve problems of statewide concern.

4 **SEC. 43.5.2. AUTHORIZATION OF SHORT-TERM INDEBTEDNESS.** Following voter
5 approval or Board approval, as the case may be, of the issuance of revenue bonds by the
6 Commission pursuant to Section 9.107 of the Charter, the Commission, in anticipation of the
7 issuance of such revenue bonds, may incur short-term indebtedness in the form of
8 commercial paper, temporary notes or other forms of indebtedness subject to the limitations
9 set forth below.

10 The issuance of such short-term indebtedness, and certain of the terms and conditions
11 thereof, shall be subject to prior authorization by the Board.

12 Except as provided in Section 43.5.5, use of the proceeds of any such short-term
13 indebtedness shall be limited to the purposes for which the applicable revenue bonds were
14 approved by the voters or by the Board, as the case may be. Short-term indebtedness
15 incurred pursuant to this Article shall not result in interest costs or a maturity date exceeding
16 the limits, if any, fixed by the voters or the Board, as the case may be, with respect to the
17 applicable revenue bond approval(s).

18 Such short-term indebtedness shall be payable solely from the proceeds of the
19 applicable revenue bonds, or revenues of the Commission pledged, or to be pledged, to the
20 payment of such revenue bonds. If any of the principal of such short-term indebtedness is
21 paid from revenues of the Commission (other than revenues derived from grants) rather than
22 from the proceeds of revenue bonds, the principal amount of revenue bonds the Commission
23 is thereafter authorized to issue shall be reduced by the principal amount of short-term
24 indebtedness paid from revenues (other than revenues derived from grants).
25

1 Any pledge of revenues by the Commission for the payment of short-term
2 indebtedness may, in the sole discretion of the Director upon recommendation of the
3 Commission, be subordinate to any pledge of the Commission for its revenue bonds.

4 All indebtedness incurred pursuant to this Article shall not constitute or evidence a debt
5 of the City, nor a legal or equitable pledge, charge, lien or encumbrance upon any property of
6 the City, or upon any income, receipt, revenue of the City, except the revenues or funds, if
7 any, pledged by the Commission.

8 All short-term indebtedness incurred pursuant to this Article must additionally comply
9 with each of the following provisions:

10 (a) Shall be evidenced by notes, warrants, commercial paper or other evidences of
11 indebtedness maturing not later than five years from their issuance date; and

12 (b) Any draw on such short-term indebtedness shall be subject to approval by the
13 Director.

14 Such short-term indebtedness may be sold at the discretion of the Director, upon
15 recommendation of the Commission, by public or private sale. All other terms and conditions
16 for such short-term indebtedness shall be determined by the Director, upon recommendation
17 of the Commission.

18
19 **SEC. 43.5.3. CREDIT OR LIQUIDITY SUPPORT.** The Director, upon recommendation
20 of the Commission, may arrange for credit or liquidity support for short-term indebtedness
21 issued pursuant to this Article or may arrange for credit or liquidity support to provide an
22 additional source of repayment for such short-term indebtedness.

23 Notwithstanding anything to the contrary in this Article, any monies paid by a financial
24 institution under any agreement for credit or liquidity support (a "credit facility") shall:

1 (a) Be repaid over a period not exceeding the maximum maturity, if any, fixed by the
2 voters or the Board, as the case may be, with respect to the applicable revenue bond
3 approval;

4 (b) Bear interest at a rate that does not cause the aggregate average interest cost
5 to exceed the maximum approved interest cost on such short-term indebtedness over the
6 entire period such short-term indebtedness is outstanding; and

7 (c) Have such other terms and conditions as the Director, upon the
8 recommendation of the Commission, shall fix.

9
10 **SEC. 43.5.4. MAXIMUM SHORT-TERM INDEBTEDNESS.** The maximum principal
11 amount of all short-term indebtedness outstanding and incurred under this Article, including
12 any amounts outstanding under any credit facility, together with the outstanding principal
13 amount of related revenue bonds, shall not at any time exceed the maximum principal amount
14 of the applicable revenue bonds approved by the voters or the Board, as the case may be.
15

16 **SEC. 43.5.5. REFUNDING SHORT-TERM INDEBTEDNESS.** The Commission, with
17 the prior approval of the Director, may issue commercial paper, refunding notes, warrants, or
18 other evidences of short-term indebtedness, in anticipation of the issuance of revenue bonds,
19 for the purpose of paying and redeeming, at or prior to maturity, outstanding short-term
20 indebtedness issued in accordance with this Article. Notwithstanding the preceding sentence,
21 any short-term indebtedness issued to refund outstanding short-term indebtedness may not:

22 (a) Exceed the interest cost limitation set forth in Section 43.5.2; and

23 (b) Exceed the limitation on the maximum principal amount of short-term
24 indebtedness set forth in Section 43.5.4; and
25

1 (c) Mature more than five years from the original date of issuance of the original
2 short-term indebtedness it is refunding.

3 Short-term indebtedness issued to refund outstanding short-term indebtedness may be
4 refunded by the Commission in accordance with this Section 43.5.5.

12 **SEC. 43.6.1. DECLARATION OF POLICY.** It is hereby declared to be the policy of the
13 City to permit the refunding of outstanding revenue bonds whenever such refunding is
14 expected to result in net debt service savings calculated as provided in this Article. This Article
15 is enacted pursuant to the powers reserved to the City under Sections 3, 5 and 7 of Article XI
16 of the Constitution of the State of California and the Charter.

17
18 **SEC. 43.6.2. NAME.** This Article shall be known as the San Francisco Refunding

24 issued to refund water revenue bonds issued under Section 9.109 of the Charter shall be
25 issued under Section 9.109 of the Charter, as amended by the procedures herein. Refunding

5 Sections 54380 through 54388, inclusive, and Sections 54354.5, 54422, 54424, 54515 and
6 54522, any references to said Sections, and any provisions of said Revenue Bond Law of

11 Bond Law of 1941 (as in effect on June 5, 1984 except as in this Article otherwise expressly
12 provided) are hereby incorporated in this Article by reference and made a part hereof. The
13 legislative body may authorize the issuance of the refunding bonds by means of an indenture,
14 resolution, ordinance, order, agreement or other instrument in writing and, if the legislative
15 body establishes the minimum savings to be generated by the issuance of such refunding
16 bonds, may delegate to appropriate officials or officers of the City or of the legislative body the
17 authority to determine the final terms, amounts, maturities, interest rates and other provisions
18 of said refunding bonds.

19
20 **SEC. 43.6.4. AMENDMENTS.** Certain provisions of said Revenue Bond Law of 1941
21 (as in effect on June 5, 1984), as incorporated herein, are revised, as follows:

22 (a) Section 54402(b) of said Revenue Bond Law of 1941 (as in effect on June 5,

6 is revised to read as follows:

7 The legislative body may sell the bonds at a price above or below

11 read as follows:

12 § 54317. Legislative body, definition

13 "Legislative body" means the commission, board or other governing
14 body that adopted the resolution authorizing the issuance of the bonds to
15 be refunded, and any successor to such commission, board or other
16 governing body.

17 § 54318. Resolution, definition

18 "Resolution" means, unless the context otherwise requires, the
19 instrument providing the terms and conditions for the issuance of the

3 by the commission, board or other governing body, there shall be presented to the Board of

5 board or other governing body setting forth the minimum amount of savings to be generated in
6 terms of scheduled principal and interest payments by the issuance of the refunding bonds.
7

8 **SEC. 43.6.6. NET DEBT SAVINGS CALCULATION.** (a) Acting under the provisions
9 of the Charter or under any other provision of general State law, the Board of Supervisors
10 may provide for the issuance of refunding bonds for the purpose of refunding any outstanding
11 revenue bonds of the City or its commissions. No voter approval shall be required for any
12 such refunding bonds which provide net debt service savings to the City on a present value
13 basis calculated as provided in such provisions of general State law or by other ordinance of
14 the Board of Supervisors or as hereinafter provided in this Section 43.6.6. Subject to the
15 foregoing limitation, the principal amount of the refunding bonds (in aggregate or with respect
16 to any maturity) may be more than, less than or the same as the principal amount of the
17 bonds to be refunded.

18 (b) Net debt service savings shall be calculated by comparing the present value of
19 the aggregate debt service on the refunding bonds to that of the refunded bonds as of the
20 dated date of the refunding bonds using an assumed rate of interest equal to the yield on the
21 refunding bonds. To the extent required, the present value of any funds contributed to the
22 refunding by the City shall be deducted from the savings calculation. Notwithstanding any
23 provision of general State law to the contrary, this Section 43.6.6 shall provide an alternative
24 means of calculating debt service savings to any procedure contained in general State law.
