Charges will accrue only after prior written authorization certified by the Controller, and the amount of City’s obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This Agreement will terminate without penalty, liability or expense of any kind to City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, liability or expense of any kind at the end of the term for which funds are appropriated. City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. Contractor’s assumption of risk of possible non-appropriation is part of the consideration for this Agreement.

THIS SECTION CONTROLS AGAINST ANY AND ALL OTHER PROVISIONS OF THIS AGREEMENT.

3.2 **Maximum Costs.** The City’s payment obligation to Contractor cannot at any time exceed the amount certified by City’s Controller for the purpose and period stated in such certification. Absent an authorized emergency per the City Charter or applicable Code, no City representative is authorized to offer or promise, nor is the City required to honor, any offered or promised payments to Contractor under this Agreement in excess of the certified maximum amount without the Controller having first certified the additional promised amount and the Parties having modified this Agreement as provided in Section 11.5, “Modification of this Agreement.”

3.3 **Compensation.**

3.3.1 Calculation of Charges. Contractor shall provide an invoice to the City for Goods delivered and/or Services completed in accordance with the accompanying Purchase Order and corresponding documents. The breakdown of charges associated with this Agreement appears in the accompanying Purchase Order and corresponding documents. In no event shall City be liable for interest or late charges for any late payments. City will not honor minimum service order charges for any Services and Goods covered under this Agreement.

3.3.2 Payment Limited to Satisfactory Services and Delivery of Goods. Contractor is not entitled to any payments from City until City approves the Goods and Services delivered pursuant to this Agreement. Payments to Contractor by City shall not excuse Contractor from its obligation to replace unsatisfactory Goods and/or cure Services provided in an unsatisfactory manner, even if the unsatisfactory character may have been apparent or detected at the time such payment was made. Goods and Services delivered pursuant to this Agreement that do not conform to the requirements of this Agreement may be rejected by City and, in such case, must be replaced by Contractor without delay at no cost to the City.

3.3.3 Withhold Payments. If Contractor fails to provide Goods and Services in accordance with Contractor's obligations under this Agreement, the City may withhold any and all payments due Contractor until such failure to perform is cured. Contractor shall not stop providing Goods and Services as a result of City's withholding of payments, as provided herein.

Invoices furnished by Contractor under this Agreement for Goods delivered and Services performed under Purchase Orders must be in a form acceptable to the Controller and City, and include a unique invoice number and a specific invoice date. Contractor's invoices shall include detailed time sheets to support all hourly rate charges or, for fixed-price Purchase Orders, detailed list(s) of completed or partially-completed Deliverables with reference to the schedule in the scope of work. Payment shall be made by City as specified in Section 3.3.8, or in such alternate manner as the Parties have mutually agreed upon in writing. All invoices must show the PeopleSoft Purchase Order ID Number, PeopleSoft Supplier Name and ID, Item numbers (if applicable), complete description of Goods delivered or Services performed, sales/use tax (if applicable), contract payment terms, and contract price. Invoices that do not include all required information or contain inaccurate information may not be processed for payment.

If LBE Subcontracting Participation Requirements apply to a contract awarded pursuant to this Solicitation, the awarded Contractor shall: (a) within three (3) business days of City's payment of any invoice to Contractor, pay LBE subcontractors as provided under Chapter 14B.7(H)(9); and (b) within ten (10) business days of City's payment of any invoice to Contractor, confirm its payment to subcontractors using the City's Supplier Portal Payment Module, unless instructed otherwise by CMD. Failure to submit all required payment information to the City's Supplier Portal Payment Module with each payment request may result in the withholding of twenty percent (20%) of subsequent payments due. (b) **Reserved (Payment Discount Terms).**

3.4 **Audit and Inspection of Records.** Contractor agrees to maintain and make available to the City, during regular business hours, accurate books and accounting records relating to the Goods and Services. Contractor will permit City to audit, examine and make copies of such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not less than five (5) years, unless required for a longer duration due to Federal, State, or local requirements of which the City will notify Contractor in writing, after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any Federal agency having an interest in the subject matter of this Agreement shall have the same rights as conferred upon City by this Section. Contractor shall pay the prevailing wage rates for the work as set by the San Francisco Board of Supervisors and the Director of the California Department of Industrial Relations (“DIR”).

3.6.2 **Wage Rates.** The latest prevailing wage rates for private employment on public contracts as determined by the San Francisco Board of Supervisors and DIR, as such prevailing wage rates may be changed during the term of this Agreement, are hereby incorporated as provisions of this Agreement. Copies of the applicable prevailing wage rates are available from the Office of Labor Standards and Enforcement (“OLSE”). See also <https://sf.gov/resource/2022/citywide-contractor-labor-laws>. Contractor agrees that it shall pay not less than the prevailing wage rates, as determined by the Board of Supervisors and DIR, to all workers employed by Contractor who perform Covered Services under this Agreement.

3.6.3 **Subcontract Requirements.** Contractor shall insert in every subcontract made for the performance of Covered Services under this Agreement a provision that said subcontractor shall pay to all persons performing labor in connection with Covered Services not less than the highest general prevailing rate of wages as determined by the Board of Supervisors and DIR for such labor and services.

3.6.4 **Posted Notices.** As required by section 1771.4 of the California Labor Code, Contractor shall post job site notices prescribed by DIR at all job sites where Covered Services are to be performed.

3.6.5 **Payroll Records.** Contractor shall keep or cause to be kept complete and accurate payroll records for all workers performing Covered Services. Such records shall include the name, address, and social security number of each worker who provided Covered Services including apprentices, their classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made, and actual wages paid. Every subcontractor who shall perform any part of Covered Services shall keep a like record of each person engaged in the execution of Covered Services under the subcontract. All such records shall at all times be available for inspection of and examination by the City and its authorized representatives and DIR.

3.6.6 **Certified Payrolls.** Contractor shall prepare certified payrolls pursuant to California Labor Code section 1776 for the period involved for all employees, including those of subcontractors, who performed the Covered Services. Contractor and each subcontractor performing Covered Services shall electronically submit certified payrolls to the City and to DIR as specified by the City and DIR. Contractor and all subcontractors that will perform Covered Services shall attend a training session provided by the City. Contractor and applicable

subcontractors shall comply with electronic certified payroll requirements (including training) at no additional cost to the City.

3.6.7 Compliance Monitoring. Covered Services performed under this Agreement are subject to compliance monitoring and enforcement of prevailing wage requirements by DIR and/or OLSE. Contractor and any subcontractors performing Covered Services will cooperate fully with DIR and/or OLSE and other City employees and agents authorized to assist in the administration and enforcement of the prevailing wage requirements. Contractor agrees that (i) OLSE shall have the right to engage in random inspections of job sites and have access to the employees of the Contractor, employee time sheets, inspection logs, payroll records and employee paychecks; (ii) Contractor shall maintain a sign-in and sign-out sheet showing which employees are present on the job site; (iii) Contractor shall prominently post at each job-site a sign informing employees that the project is subject to the City's prevailing wage requirements and that these requirements are enforced by OLSE; and (iv) OLSE may audit such records of Contractor as it reasonably deems necessary. Failure to comply with these requirements may result in penalties and forfeitures pursuant to the California Labor Code, including section 1776(g), as amended from time to time, and San Francisco Administrative Code Section 6.22(e).

3.6.8 Remedies. Should Contractor, or any subcontractor performing Covered Services, fail or neglect to pay to the persons who perform Covered Services under this Agreement or subcontract for the Covered Services, the general prevailing rate of wages as herein specified, Contractor shall forfeit and, in the case of any subcontractor so failing or neglecting to pay said wage, Contractor and the subcontractor shall jointly and severally forfeit back wages due plus the penalties set forth in Administrative Code Section 6.22(e) and/or California Labor Code section 1775. The City, when certifying any payment which may become due under the terms of this Agreement, shall deduct from the amount that would otherwise be due on such payment the amount of said forfeiture.

3.7 Reserved (Displaced Worker Protection Act).

Article 4 Goods and Services

4.1 Reserved (Primary and Secondary Contractors).

4.2 Reserved (Term Agreement – Indefinite Quantities).

4.3 Qualified Personnel. Contractor shall utilize only competent personnel under the supervision of, and in the employment of, Contractor (or Contractor's authorized subcontractors) to perform the Services. Contractor will comply with City's reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.

4.4 Goods.

4.4.1 Place of Manufacture. No article furnished hereunder shall have been made in prison or by convict labor, except Goods purchased for use by City's detention facilities. The City may require Contractor to provide within seven (7) working business days from the date they are requested to do so, information and documentation requested by Purchaser including, but not limited to: sources of supply, distribution, dealership or agency agreements

and authorizations from manufacturer(s) they claim to represent, lines of credit with financial institutions for manufacturer(s) they claim to represent, lines of credit with financial institutions and suppliers, numbers of employees, trade references, and any other information to determine the Contractor's fitness to supply the Agreement requirements.

4.4.2 **Electrical Products.** Goods must comply with all applicable laws, ordinances, and other legal requirements including (among others) the Cal-OSHA regulations in Title 8 of the Code of Regulations and, for electrical products, Sections 110.2 and 110.3 (B) of the S.F. Electrical Code.

4.4.3 **Condition of Goods.** Goods offered and furnished must be new and previously unused, and of manufacturer's latest model, unless otherwise specified herein. Contractor shall establish quality control measures, as applicable to department's operations, and promptly provide documented reports to City of any product defects or premature failures.

4.4.4 **Inspection.** All Goods supplied shall be subject to inspection and acceptance or rejection by Purchasing or any department official responsible for inspection. Non-conforming or rejected Goods may be subject to reasonable storage fees.

4.4.5 **F.O.B.** Goods shall be shipped Freight on Board, to any destination named in a Purchase Order issued by City against this Agreement. *The cost of shipment must be incorporated into the offered unit costs.*

4.4.6 **Failure to Deliver.** If Contractor fails to deliver Goods of the quality, in the manner or within the time called for by this Agreement, then City may cancel the order at no cost to the City and acquire such Goods from any source. If City is required to pay a price that exceeds the price agreed upon by this Agreement, the excess price may be charged to and collected from Contractor (or sureties on its bond, if bond has been required); the City may terminate the Agreement for default; or the City may return deliveries already made and receive a refund.

4.4.7 **Safety Data Sheets.** Where required by law or by City, Contractor will include Safety Data Sheets (SDSs) with delivery for applicable items. Failure to include the SDSs for such items will constitute a material breach of contract and may result in refusal to accept delivery.

4.4.8 **Awarded Goods.** If during the term of the Agreement, a contract item is determined to be unacceptable for a particular use, and such is documented by a City department and as determined by Purchasing, it is understood and agreed that the item will be canceled and removed from the Agreement without penalty to the City. The City's sole obligation to the supplier is payment of deliveries made prior to the cancellation date. City shall give the supplier ten (10) days' notice prior to any cancellation. The City will purchase the required replacement item from any source and in the manner as determined by Purchasing. If a contracted item has been discontinued by the manufacturer or is deemed temporarily unavailable, it will be the responsibility of the Contractor to search the marketplace and find an acceptable equal substitute in the time required for delivery and at the Agreement price. Contractor must notify Purchasing in writing, which can include email, certified mail, registered mail, or other trackable mail, of any changes in the description of article, brand, product code, or packaging. Any changes made without the approval of City will constitute a Default.

4.4.9 **Warranty.** Contractor warrants to City that the manufacturer's warranty and service will be passed on to the City at the time of delivery.

4.5 **Services.**

4.5.1 **Services Contractor Agrees to Perform.** Contractor agrees to provide the Goods and perform the Services stated in the Appendices attached to this Agreement, and each Purchase Order executed pursuant to this Agreement. Officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for, Goods and Services beyond the Goods and Services listed in the Appendices and executed Purchase Order, unless the Appendices are modified as provided in Section 11.5, "Modification of this Agreement", or the Purchase Order is modified in writing by the City and Contractor.

4.5.2 **Subcontracting.** Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All Subcontracts must incorporate the terms of Article 10 "Additional Requirements Incorporated by Reference" of this Agreement, unless inapplicable. Contractor agrees City shall have the right to communicate directly with any subcontractor(s) in connection with Technology Marketplace Transactions under this Agreement. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. In connection with performing work under this Agreement, Contractor and any authorized subcontractors shall not enter non-compete agreements prohibited by California Business and Professions Code section 16600 in which either Contractor or subcontractor are prohibited from entering into or starting a similar profession or trade in competition against the other related to the Services Contractor or any subcontractor(s) have agreed to perform under this Agreement. Services performed by Contractor or any subcontractor(s) outside of the United States must be disclosed to City with all quotes and scopes of work and shall not be permitted without prior written approval of City. Any agreement made in violation of this provision shall be null and void.

4.5.3 **Awarded Services.** If, during the term of the Agreement, a contract service is determined to be unacceptable for a particular department, and such is documented by Purchasing, it is understood and agreed that the service will be canceled and removed from the Agreement without penalty to City. City's sole obligation to Contractor is payment for Services performed prior to the cancellation date. City shall give Contractor ten (10) days' notice prior to any cancellation. City will contract for the required service from any source and in the manner as determined by Purchasing. Contractor must notify Purchasing in writing, which can include email, certified mail, registered mail, or other trackable mail, thirty (30) days in advance of any changes in the Services required in the Agreement. Any changes made without the approval of Purchasing will constitute a default.

4.5.4 **Independent Contractor; Payment of Employment Taxes and Other Expenses.**

(a) **Independent Contractor.** For the purposes of this Section 4.5, "Contractor" shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that, at all times, Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it delivers the Goods and Services required by this Agreement and work requested by City under this Agreement. Contractor, its agents, and

employees will not represent or hold themselves out to be employees of the City at any time. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees, and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor performing any of the obligations pursuant to this Agreement, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with this Section. Should City determine that Contractor, or any agent or employee of Contractor, is not performing in accordance with the requirements of this Agreement, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor, or any agent or employee of Contractor, warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

(b) Payment of Employment Taxes and Other Expenses.

Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor, which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past Services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor, which can be applied as a credit against such liability). A determination of employment status pursuant to this Section 4.5 shall be solely limited to the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and hold harmless City and its officers, agents, and employees from and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this Section.

4.6 Assignment. The Services to be performed and Goods to be delivered by Contractor are personal in character. Neither this Agreement, nor any duties or obligations hereunder, may be directly or indirectly assigned, novated, hypothecated, transferred, or

delegated by Contractor, or its agents or employees unless first approved by City by written instrument executed and approved in the same manner as this Agreement in accordance with the Administrative Code. The City's approval of any such Assignment is subject to the Contractor demonstrating to City's reasonable satisfaction that the proposed transferee is: (i) reputable and capable, financially and otherwise, of performing each of Contractor's obligations under this Agreement and any other documents to be assigned; (ii) not forbidden by applicable law from transacting business or entering into contracts with City; and (iii) subject to the jurisdiction of the courts of the State of California. A change of ownership or control of Contractor, or a sale or transfer of substantially all of the assets of Contractor shall be deemed an Assignment for purposes of this Agreement. Contractor shall immediately notify City about any Assignment. Any purported Assignment made in violation of this provision shall be null and void.

4.7 Liquidated Damages. Contractor acknowledges that certain Technology Marketplace Transactions may require that Contractor meet specific dates for providing Deliverables under the Agreement. In such cases, Contractor agrees that its failure to adhere to the schedule specified in the Purchase Order may subject City to actual damages that are impractical or extremely difficult to ascertain. Contractor understands and agrees that City may specify in the Purchase Order, as a reasonable estimate of the loss City will incur because of Contractor's delay, a daily rate of liquidated damages. By accepting the Purchase Order, Contractor agrees that this sum shall not be considered a penalty and is an agreed upon sum of monetary damages sustained by City because of Contractor's failure to furnish Deliverables to City within the time period fixed or such extensions of time permitted in writing by City.

4.8 Bonding Requirements. The Contractor may be required on a case-by-case basis to furnish a performance bond in a form acceptable to the City, to guarantee the faithful performance of this Agreement. The bonds must be approved as to sufficiency and qualifications of the surety by the Controller and City Attorney.

4.9 Reserved (Fidelity Bond).

4.10 Emergency - Priority 1 Service. In case of an emergency that affects any part of the San Francisco Bay Area, Contractor will give the City and County of San Francisco Priority 1 service with regard to the Goods and Services procured under this Agreement unless preempted by State and/or Federal laws. Contractor will make every good faith effort in attempting to deliver products using all modes of transportation available. Contractor shall provide a twenty-four (24) hour emergency telephone number of a company representative who is able to receive and process orders for immediate delivery or will call in the event of an emergency. In addition, the Contractor shall charge fair and competitive prices for Goods and Services ordered during an emergency and not covered under the awarded Agreement.

4.11 Usage Reports by Contractor.

4.11.1 Upon request, Contractor shall prepare and submit to City an electronic report of the total Goods delivered and/or Services rendered under this Agreement during the period of time requested by City. The report must list by City department the following: (1) all Goods and Services ordered ("Order"); (2) all Goods and Services delivered; (3) the date on which each Order was placed; (4) the date on which each Order was delivered; and (5) total quantity and unit price of the Goods and/or Services contained within each Order. Contractor

must also furnish a separate similar report for the total of all items and/or Services ordered by City, which are not part of this Agreement.

4.11.2 Reserved.

4.11.3 Reserved.

4.12 **Warranty.** If equipment maintenance is required under this Agreement, Contractor warrants to City that the maintenance services will be performed with the degree of skill and care that is required by current, good, and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the maintenance services are performed so as to ensure that all maintenance services performed are correct and appropriate for the purposes contemplated in this Agreement. Contractor warrants to City that the manufacturer's warranty and service will be passed on to the City at the time of delivery.

Article 5 Insurance and Indemnity

5.1 Insurance.

5.1.1 The following insurance requirements are the minimum coverages required under this Agreement. At the individual purchase level, on a project-by-project basis, these requirements may be modified based on the Goods and/or Services the City is procuring under this Agreement. Such modifications may include the type of insurance, the required minimum limits of insurance, as well as exclusions or inclusions related to coverage. Any such changes will be stated in the accompanying Purchase Order issued under this Agreement.

5.1.2 **Required Coverages.** Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

(a) Commercial General Liability Insurance with limits not less than \$2,000,000 or more as determined by the Department each occurrence for Bodily Injury and Property Damage including Contractual Liability, Personal Injury, and Products and Completed Operations.

The policy shall, at a minimum, cover professional misconduct or lack of the requisite skill required for the performance of the Agreement and shall also provide coverage for the following risks:

(i) Network security liability arising from the unauthorized access to, use of, or tampering with computers or computer systems, including hacker attacks; and

(ii) Liability arising from the introduction of any form of malicious software including computer viruses into, or otherwise causing damage to the City's or third person's computer, computer system, network, or similar computer related property and the data, software, and programs thereon.

(b) The Commercial Automobile Liability Insurance policy shall provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that the insurance applies separately to each insured against whom claim is made or suit is brought.

(c) Reserved (Pollution Liability Insurance Primary Insurance Endorsement).

5.1.6 **Other Insurance Requirements.**

(a) Thirty (30) days' advance written notice shall be provided to the City of cancellation, intended non-renewal, or reduction in coverages, except for non-payment for which no less than ten (10) days' notice shall be provided to City. Notices shall be sent to the City address set forth in Section 11.1 entitled, "Notices to the Parties."

(b) Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three (3) years beyond the expiration of this Agreement, to the effect that, should occurrences during the Agreement term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

(c) Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

(e) Before delivering any Goods and/or commencing any Services, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

(f) If Contractor will use any subcontractor(s) to deliver Goods and/or provide Services, Contractor shall require the subcontractor(s) to provide all necessary insurance and to name the City and County of San Francisco, its officers, agents and employees, and the Contractor as additional insureds.

5.2 Indemnification.

5.2.1 Contractor shall indemnify and hold harmless City and its officers, agents and employees from and, if requested, shall defend them from and against any and all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise) arising from or in any way connected with any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute, or regulation including, but not limited to, privacy or personal identifiable information, health information, disability, and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising from Contractor's execution of subcontracts not in accordance with the requirements of this Agreement applicable to subcontractors; so long as such injury, violation, loss, or strict liability (as set forth in subsections (i) – (v) above) arises directly or indirectly from Contractor's performance of this Agreement including, but not limited to, Contractor's use of facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors, or either's agent or employee. The foregoing

indemnity shall include, without limitation, reasonable fees of attorneys, consultants, and experts and related costs, and City's costs of investigating any claims against the City.

5.2.2 In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim, which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter.

5.2.3 Contractor shall indemnify and hold City harmless from all loss and liability including attorneys' fees, court costs, and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services and/or delivery of Goods pursuant to this Agreement.

5.2.4 Under no circumstances will the City indemnify or hold harmless Contractor.

Article 6 Liability of the Parties

6.1 **Liability of City.** CITY'S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 3.3.1, "PAYMENT," OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT, OR INCIDENTAL DAMAGES INCLUDING, BUT NOT LIMITED TO, LOST PROFITS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, OR THE SERVICES PERFORMED OR GOODS DELIVERED IN CONNECTION WITH THIS AGREEMENT.

6.2 **Liability for Use of Equipment.** City shall not be liable for any damage to persons or property as a result of the use, misuse, or failure of any equipment used by Contractor or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented, or loaned by City.

6.3 **Liability for Incidental and Consequential Damages.** Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions.

Article 7 Payment of Taxes

7.1 **Contractor to Pay All Taxes.** Except for any applicable California sales and use taxes charged by Contractor to City, Contractor shall pay all taxes, including possessory interest taxes levied upon or as a result of this Agreement, or the Goods and Services delivered pursuant hereto. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by the City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 **Possessory Interest Taxes.** Contractor acknowledges that this Agreement may create a “possessory interest” for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply.

7.2.1 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

7.2.2 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a “change in ownership” for purposes of real property taxes and, therefore, may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

7.2.3 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (See, e.g., Rev. & Tax. Code § 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

7.2.4 Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

7.3 **Withholding.** Contractor agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Contractor further acknowledges and agrees that City may withhold any payments due to Contractor under this Agreement if Contractor is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Contractor, without interest, upon Contractor coming back into compliance with its obligations.

Article 8 Termination and Default

8.1 Termination for Convenience.

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination (“Notice of Termination”). The Notice of Termination shall specify the date on which termination of the Agreement shall become effective (“Termination Date”).

8.1.2 Upon receipt of the Notice of Termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the Termination Date and to minimize the liability of Contractor and City to third parties as a result of termination. All such actions shall be subject to

the prior approval of City. Such actions may include any or all of the following, without limitation:

- (a) Halting the performance of all obligations under this Agreement on and after the Termination Date.
- (b) Terminating all existing orders and subcontracts by the Termination Date, and not placing any further orders or subcontracts for Goods, materials, Services, equipment, or other items.
- (c) At City's direction, assigning to City any or all of Contractor's right, title, and interest under the orders and subcontracts terminated. Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.
- (d) Subject to City's approval, settling all outstanding liabilities and all claims arising out of the termination of orders and subcontracts.
- (e) Completing performance of any obligations that City requires Contractor to complete prior to the Termination Date.
- (f) Taking such action as may be necessary, or as the City may direct, for the protection and preservation of any property related to this Agreement, which is in the possession of Contractor and in which City has or may acquire an interest.

8.1.3 Within thirty (30) days after the Termination Date, Contractor shall submit to City an invoice, which shall set forth the cost of all Goods and Services delivered prior to City's Notice of Termination. City's payment obligation pursuant to this Section 8.1.3 shall be subject to Section 3.3.2 of this Agreement. With respect to reimbursement for Contractor's services in connection with the maintenance of equipment, in no event will the compensation paid for the month in which termination occurs be greater than the scheduled monthly fee multiplied by a fraction, the numerator of which will be the days in the month elapsed prior to the Termination Date and the denominator of which shall be thirty-one (31). Upon approval and payment of this invoice by City, City shall be under no further obligation to Contractor monetarily or otherwise.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the Termination Date, except for those costs specifically listed in Section 8.1.3. Such non-recoverable costs include, but are not limited to, anticipated profits on the Goods delivered and/or Services rendered by Contractor under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense, which is not reasonable or authorized under Section 8.1.3.

8.1.5 In arriving at the amount due to Contractor under this Section, City may deduct: (i) all payments previously made by City for the Goods delivered and/or Services rendered by Contractor's final invoice; (ii) any claim, which City may have against Contractor in connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding Section 8.1.4; and (iv) in instances in which, in the opinion of the City, the cost of any Goods delivered and/or Service rendered by Contractor under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Goods and

Services, the difference between the invoiced amount and City’s estimate of the reasonable cost of delivering the invoiced Goods and/or performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 City’s payment obligation under this Section shall survive termination of this Agreement.

8.1.7 Contractor agrees and acknowledges that cancellation or termination of any Purchase Orders issued under this Agreement are governed by provisions stated in Appendix A.

8.2 Termination for Default; Remedies.

8.2.1 Each of the following shall constitute an immediate event of default (“Event of Default”) under this Agreement or any Purchase Order issued under this Agreement:

(a) Contractor fails or refuses to perform or observe any term, covenant, or condition contained in any of the following sections of this Agreement:

3.5	Submitting False Claims.	10.10	Alcohol and Drug-Free Workplace

(b) Contractor fails or refuses to perform or observe any other term, covenant, or condition contained in this Agreement, including any obligation imposed by ordinance or statute and incorporated by reference herein, and such default is not cured within ten (10) days after written notice thereof from City to Contractor. If Contractor defaults a second time in the same manner as a prior default cured by Contractor, City may, in its sole discretion, immediately terminate this Agreement for default or grant an additional period not to exceed five (5) days for Contractor to cure the default.

(c) Contractor (i) is generally not paying its debts as they become due; (ii) files, or consents by answer or otherwise to the filing against it of a petition for relief or reorganization or arrangement, or any other petition in bankruptcy or for liquidation, or to take advantage of any bankruptcy, insolvency, or other debtors’ relief law of any jurisdiction; (iii) makes an assignment for the benefit of its creditors; (iv) consents to the appointment of a custodian, receiver, trustee, or other officer with similar powers of Contractor or of any substantial part of Contractor’s property; or (v) takes action for the purpose of any of the foregoing.

(d) A court or government authority enters an order (i) appointing a custodian, receiver, trustee, or other officer with similar powers with respect to Contractor or with respect to any substantial part of Contractor’s property; (ii) constituting an order for relief or approving a petition for relief, or reorganization, arrangement or any other petition in bankruptcy or for liquidation, or to take advantage of any bankruptcy, insolvency or other debtors’ relief law of any jurisdiction; or (iii) ordering the dissolution, winding-up, or liquidation of Contractor.

8.2.2 On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, where applicable, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default; Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. City shall have the right to offset from any amounts due to Contractor under this Agreement or any other agreement between City and Contractor: (i) all damages, losses, costs, or expenses incurred by City as a result of an Event of Default; (ii) any liquidated damages levied upon Contractor pursuant to the terms of this Agreement; and (iii) any damages imposed by any ordinance or statute that is incorporated into this Agreement by reference, or into any other agreement with the City. This Section 8.2.2 shall survive termination of this Agreement.

8.2.3 All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules, and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

8.2.4 Any notice of default must be sent by registered mail to the address set forth in Article 11.

8.2.5 Contractor agrees and acknowledges that cancellation or termination of any Purchase Orders issued under this Agreement are governed by provisions stated in Appendix A.

8.3 **Non-Waiver of Rights.** The omission by either Party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof or of any Purchase Order issued under this Agreement by the other Party at the time designated, shall not be a waiver of any such default or right to which the Party is entitled, nor shall it in any way affect the right of the Party to enforce such provisions thereafter.

Article 9 Rights in Deliverables

9.1 **Ownership of Results.** Any interest of Contractor or its subcontractors, in the Deliverables, including any drawings, plans, specifications, blueprints, studies, reports, memoranda, computation sheets, computer files, and media or other documents prepared by Contractor or its subcontractors for the purposes of this Agreement, shall become the property of and will be transmitted to City. 11.6.1 Negotiation; Alternative Dispute Resolution. The Parties will attempt in good faith to resolve any dispute or controversy arising out of or relating to the performance of Services or delivery of the Goods under this Agreement. If the Parties are unable to resolve the dispute, then, pursuant to San Francisco Administrative Code Section 21.36, Contractor may submit to the Contracting Officer a written request for administrative review and documentation of the Contractor's claim(s). Upon such request, the Contracting Officer shall promptly issue an administrative decision in writing, stating the reasons for the action taken and informing the Contractor of its right to judicial review. 11.11 **Severability.** Should the application of any provision of this Agreement to any particular facts or circumstances be found by a court of competent jurisdiction to be invalid or unenforceable, then (i) the validity of other provisions of this Agreement shall not be affected or impaired thereby; and (ii) such provision shall be enforced to the maximum extent possible so as to effect the intent of the Parties, and shall be reformed without further action by the Parties to the extent necessary to make such provision valid and enforceable.

Contractor agrees that in the event of discrepancy, inconsistency, gap, ambiguity, or conflicting language between the City's terms and conditions and Contractor's terms included in the TMBid or Contractor's terms of use, the City's terms shall take precedence. When applicable and upon City's sole and absolute discretion, City reserves the right to incorporate additional terms and conditions to each accompanying Purchase Order and applicable Term Sheet(s). All changes to Purchase Orders must be done in writing through the re-issuance of a revised Purchase Order.

Contractor shall not respond to Legal Requests related to City without first notifying City other than to notify the requestor that the information sought is potentially covered under a non-disclosure agreement. Contractor shall retain and preserve City Data in accordance with the City's instruction and requests including, without limitation, any retention schedules and/or litigation hold orders provided by the City to Contractor, independent of where the City Data is stored.

This is a material term of this Agreement. Contractor agrees to indemnify and hold harmless City and City's officers, directors, employees, agents, successors, and permitted assigns from and against any and all (including, but not limited to, Federal, State, or third party) civil monetary penalties, assessments, repayment obligations, losses, damages, settlement agreements, and expenses (including reasonable attorneys' fees) arising from the exclusion, suspension, ineligibility, or other sanction of Contractor and/or Contractor's workforce (including those who oversee Contractor's workforce, supervisors, and governing body members) from participation in any Federal or State assistance program.

Article 13 Data and Security

13.1 **Nondisclosure of Private, Proprietary, or Confidential Information.**

13.1.1 **Protection of Private Information.** If this Agreement requires City to disclose "Private Information" to Contractor within the meaning of Chapter 12M, Contractor and subcontractor shall use such information only in accordance with the restrictions stated in Chapter 12M and in this Agreement, and only as necessary in performing the Services or delivery of the Goods under this Agreement. Contractor is subject to the enforcement and penalty provisions in Chapter 12M.

13.1.2 Confidential Information. In the performance of Services or delivery of the Goods pursuant to this Agreement, Contractor may have access to City's proprietary or Confidential Information, the disclosure of which to third parties may damage City. If City discloses proprietary or Confidential Information to Contractor, or Contractor collects such information on City's behalf, such information must be held by Contractor in confidence and used only in performing the Agreement. Contractor shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary or Confidential Information.

13.2 Payment Card Industry ("PCI") Requirements. Contractors collecting electronic payments on behalf of the City or providing Services and products that handle, transmit, or store cardholder data are subject to the following requirements.

13.2.1 Applications shall be compliant with the Payment Application Data Security Standard (PA-DSS) and validated by a Payment Application Qualified Security Assessor (PA-QSA). A Contractor whose application has achieved PA-DSS certification must then be listed on the PCI Councils list of PA-DSS approved and validated payment applications.

13.2.2 Gateway providers shall have appropriate Payment Card Industry Data Security Standards (PCI DSS) certification as service providers (<https://www.pcisecuritystandards.org/index.shtml>). Compliance with the PCI DSS shall be achieved through a third-party audit process. The Contractor shall comply with Visa Cardholder Information Security Program (CISP) and MasterCard Site Data Protection (SDP) programs.

13.2.3 For any Contractor that processes PIN Debit Cards, payment card devices supplied by Contractor shall be validated against the PCI Council PIN Transaction Security (PTS) program.

13.2.4 For items 13.2.1 to 13.2.3 above, Contractor shall provide a letter from their qualified security assessor (QSA) affirming their compliance and current PCI or PTS compliance certificate.

13.2.5 Contractor shall be responsible for furnishing City with an updated PCI compliance certificate thirty (30) calendar days prior to its expiration.

13.2.6 Bank Accounts. Collections that represent funds belonging to the City and County of San Francisco shall be deposited, without detour to a third party's bank account, into a City and County of San Francisco bank account designated by the Office of the Treasurer and Tax Collector.

13.3 Business Associate Agreement. The Parties acknowledge that City is a Covered Entity as defined in the Healthcare Insurance Portability and Accountability Act of 1996 ("HIPAA") and is required to comply with the HIPAA Privacy Rule governing the access, use, disclosure, transmission, and storage of protected health information (PHI) and the Security Rule under the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 ("the HITECH Act"). Contractor or, where applicable, its subcontractor(s) will be required to enter into a Business Associate Agreement, substantially in the form attached hereto as Appendix B, if the Contractor or, where applicable, its subcontractor(s) will do at least one or more of the following:

1. Create, receive, maintain, or transmit PHI for or on behalf of City (including storage of PHI, digital or hard copy, even if Contractor does not view the PHI or only does so on a random or infrequent basis);
2. Receive or retain access to PHI, from City or another Business Associate of City, as part of providing Goods and Services to or for City including legal, actuarial, accounting, consulting, data aggregation, management, administrative, accreditation, or financial; or
3. Transmit PHI data for City and require access on a regular basis to such PHI (such as health information exchanges (HIEs), e-prescribing gateways, or electronic health record vendors).

Under such circumstances, and for purposes of this Agreement, Contractor is a Business Associate of City as defined under HIPAA. As such, Contractor must comply with and complete the Business Associate Agreement and attestations attached to this Agreement.

13.4 Protected Health Information. Where applicable, Contractor, all subcontractors, all agents and employees of Contractor shall comply with all federal and state laws regarding the transmission, storage, and protection of all private health information, if any, disclosed to Contractor by City in the performance of this Agreement. Contractor agrees that any failure of Contractor to comply with the requirements of federal, and/or state, and/or local privacy laws shall be a material breach of the Agreement. In the event that City pays a regulatory fine, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible use or disclosure of protected health information given to Contractor or its subcontractors or agents by City, Contractor shall indemnify City for the amount of such fine or penalties or damages including costs of notification. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement.

13.5 Management of City Data.

13.5.1 Use of City Data. Contractor agrees to hold City Data received from, or created or collected on behalf of the City in strictest confidence. Contractor shall not use or disclose City Data except as permitted or required by the Agreement or as otherwise authorized in writing by the City. Any work by Contractor or its authorized subcontractors using, or sharing or storage of, City Data outside the continental United States is prohibited, absent prior written authorization by the City. Access to City Data must be strictly controlled and limited to Contractor's staff assigned to this project on a need-to-know basis only. City Data shall not be distributed, repurposed, or shared across other applications, environments, or business units of Contractor. Contractor is provided a limited non-exclusive license to use the City Data solely for performing its obligations under the Agreement and not for Contractor's own purposes or later use. Nothing herein shall be construed to confer any license or right to the City Data, by implication, estoppel or otherwise, under copyright or other intellectual property rights, to any third party. Unauthorized use of City Data by Contractor, subcontractors, or other third parties is prohibited. For purpose of this requirement, the phrase "unauthorized use" means the data mining or processing of data, stored or transmitted by the service, for commercial purposes, advertising or advertising-related purposes, or for any purpose other than security or service delivery analysis that is not explicitly authorized.

13.6 Disposition of City Data. Upon request of City, or termination or expiration of this Agreement and pursuant to any document retention period required by this Agreement, Contractor shall promptly, but in no event later than thirty (30) calendar days, return all City

Data given to, or collected or created by Contractor on City's behalf, which includes all original media. Once Contractor has received written confirmation from City that City Data has been successfully transferred to City, Contractor shall within ten (10) business days clear or purge all City Data from its servers and any hosted environment Contractor has used in performance of this Agreement including its subcontractor's environment(s), work stations that were used to process the data or for production of the data, and any other work files stored by Contractor in whatever medium. Contractor shall provide City with written certification that such purge occurred within five (5) business days of the purge. Secure disposal shall be accomplished by "clearing," "purging," or "physical destruction" in accordance with National Institute of Standards and Technology (NIST) Special Publication 800-88 or most current industry standard.

13.7 Ownership of City Data. The Parties agree that as between them, all rights, including all intellectual property rights, in and to the City Data and any derivative works of the City Data is the exclusive property of the City. Use of Artificial Intelligence (AI) to perform professional services under this Agreement shall be permitted solely upon written approval of City. Use of City Data to train AI under this Agreement shall be permitted solely upon written approval of the City.

13.8 Cybersecurity Risk Assessment. Where applicable, City may require Cybersecurity Risk Assessment (CRA) be performed for each entity manufacturing the Goods, performing technical functions related to the performance of the Goods, and/or accessing City's networks and systems under this Agreement. Where Contractor performs an active role in any of these activities, CRA may also be required for Contractor.

To conduct a CRA, City may collect prior to execution or at any time throughout the duration of this Agreement, one of the following two reports:

1. **SOC-2 Type 2 Report:** Report on Controls at a Service Organization Relevant to Security, Availability, Processing Integrity, Confidentiality, or Privacy; or
2. **City's Cyber Risk Assessment Questionnaire:** Contractor's responses to City's Cyber Risk Assessment Questionnaire.

The above reports may be requested prior to execution or at any time throughout the duration of this Agreement. The reports will be evaluated by the awarding department and the City's Department of Technology to identify existing or potential cyber risks to City. Should such risks be identified, City shall afford Contractor an opportunity to cure such risk within a period of time deemed reasonable to City. Failure by Contractor to remedy the identified risks within such period of time shall constitute a material breach of this Agreement, and City may terminate this Agreement for default. Such remediation and continuing compliance shall be subject to City's on-going review and audit through industry-standard methodologies including, but not limited to: on-site visits, review of the entities' cybersecurity program, penetration testing, and/or code reviews.

13.9 Loss or Unauthorized Access to City's Data; Security Breach Notification. Contractor shall comply with all applicable laws that require the notification to individuals in the event of unauthorized release of personal identifiable information or other event requiring notification. Contractor shall notify City of any actual or potential exposure or misappropriation of City's Data (any "Leak") within twenty-four (24) hours of the discovery of such, but within twelve (12) hours if the Data Leak involved personal identifiable information. Contractor, at its

own expense, will reasonably cooperate with City and law enforcement authorities to investigate any such Leak and to notify injured or potentially-injured parties. Contractor shall pay for the provision to the affected individuals of twelve (12) months of free credit monitoring services, if the Leak involved information of a nature reasonably necessitating such credit monitoring. The remedies and obligations set forth in this Section are in addition to any other City may have. City shall conduct all media communications related to such Leak.

Article 14 MacBride And Signature

By signing this Agreement, Contractor confirms that Contractor has read and understood that the City urges companies doing business in Northern Ireland to resolve employment inequities and to abide by the MacBride Principles, and urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement on the day first mentioned above.

Procedures and Requirements

The Technology Marketplace is a pool of IT contractors that provide Goods and/or Services to City departments on an as-needed basis. Contractor is responsible for responding to City's requests for quotations, bids, or proposals for Goods and Services. When a Technology Marketplace Transaction results in a Purchase Order ("PO"), Contractor shall be responsible for procuring the Good and/or Service and for ensuring that all Goods are delivered and Services provided in accordance with the City's specifications, terms, and conditions. POs are awarded to Technology Marketplace contractors in accordance with the policies of the Office of Contract Administration ("OCA" or "Purchasing") and applicable laws and regulations of City as they may be amended from time to time.

After contract award, a competitive solicitation will be required for all Technology Marketplace Transactions greater than a \$10,000 threshold, which may be revised during the term of this Agreement. Transactions shall not exceed \$2,500,000 unless otherwise authorized by the Purchaser – such limit may be revised during the term of this Agreement at the sole discretion of the City.

All terms and conditions in this Appendix A shall be incorporated into every Technology Marketplace Transaction PO.

A. Ordering, delivery, invoicing, and related procedures

1. Ordering

- b. Contractors shall not accept verbal orders from City or any order that is not in the form of a written PO.
- c. Within three (3) business days after receipt of an order, Contractor must verify the accuracy of the order and provide written or electronic notification of Contractor's acceptance or rejection of the order and delivery dates.
- d. If an item is discontinued, Contractor must notify Purchasing and the end user department within three (3) business days of receipt of an order or upon notification by the manufacturer or distributor (whichever comes first) that the order cannot be filled. Contractor must not fill the order with a substitute item without the prior written approval of Purchasing. Items that are substituted without approval may be returned at no cost to the City and the order cancelled.

2. Delivery of Goods

- a. **Location of Delivery.** All Goods shall be delivered inside the building designated in the Purchase Order, and the delivery shall require a signature from a City staff or representative confirming receipt.
- b. **Delivery Lead Time.** Goods shall be delivered in accordance with the terms of Contractor's quote and City's Purchase Order.

- c. **Notice of Delivery.** Prior to all deliveries, Contractor shall provide scheduled delivery dates to the ordering department. Any deliveries made without prior scheduling will be rejected by the department with no additional costs incurred.
- d. **Hours of Delivery.** Unless requested otherwise by City in the Purchase Order, all deliveries shall be made and accepted at the City location indicated by the ordering department between the hours of 8:00 A.M. and 2:00 P.M.
- e. **Substitutions.** No substitutions will be allowed unless approved in advance in writing by City.
- f. **Emergency Deliveries.** Emergency deliveries shall be delivered by best means possible. Should the emergency delivery cause City to incur additional costs not contemplated by this Agreement, Contractor shall obtain City's prior approval. Contractor shall notify City of the estimated time of delivery.
- g. **Complete Orders.** Orders must be delivered in total, unless a prior written authorization for partial shipment has been received from the ordering department.
- h. **Back Orders.** Contractor shall notify the ordering department immediately if it is unable to deliver the items and/or quantity ordered. Contractor must notify and obtain approval from the ordering department prior to delivery of any back-ordered items. Department may reject back-ordered items at no additional costs incurred to the City. If back-ordered items are delayed in excess of five (5) business days, City may reject partial shipment or cancel the item(s) at no additional cost to the City.
- i. **Packing Slips for Goods.** All deliveries must include a packing slip and provide the following information:
 1. Complete description including manufacturer's name and part number,
 2. Quantity ordered,
 3. Agreement number and contract item numbers,
 4. Back-ordered items and amount back-ordered,
 5. Date back-ordered items will be delivered, and
 6. Purchase Order number.

3. Invoicing

- a. Invoices may be submitted only after delivery of Goods or provision of Services, as set forth in the scope of work, is complete.
- b. **With respect to Goods,** a packing slip must be included with each shipment of Goods and must show the order number, a complete list of items delivered, and the Department name and contact person. The order number must also appear on the outside of the package.
- c. **With respect to Services,** a detailed list of Services performed, Deliverables met, the Department name and contact person and, where applicable, timesheets signed by the department authorizing payment for the Services must be included with each invoice.

4. Change Orders

- a. **"Change Order"** means a written instrument signed by City that modifies the applicable Term Sheet and the Agreement through an adjustment to one or more of the following: (i) the project schedule, (ii) the scope of work, (iii) the acceptance criteria, or (iv) other requirements specified in the applicable Term Sheet and the Agreement.

- b. **City Proposed Change Order.** The City may at any time, by written order, and without notice to Contractor's sureties, submit a Change Order to Contractor. Within ten (10) working days of receiving a proposed Change Order, Contractor shall submit to City a written cost estimate, which shall include any adjustments to the project price, the project schedule, the scope of work, the acceptance criteria, or any other obligations of Contractor as applicable.

5. Cancellations of Purchase Orders

- a. **Before Delivery of Goods or Performance of Services.** City may, without incurring any fees, penalties or other costs, cancel any PO for Goods and/or Services, other than POs of customized Goods, prior to scheduled delivery of a Good or, with respect to the performance of Services, any time prior to the performance of the Services. With respect to customized Goods, City may terminate the PO at any time but shall compensate Contractor for reasonable expenses incurred by Contractor in the performance of fulfilling the PO between the dates of issuance and cancellation.
- b. **For Convenience.** City shall have the option, in its sole discretion, to terminate any PO, at any time during the term thereof, for City's convenience and without cause by giving Contractor written notice of such termination. In the event of such termination, Contractor will be paid for the Goods delivered and Services performed pursuant to the PO to the satisfaction of the City up to the date of termination. City will not be liable for costs incurred by Contractor after receipt of Notice of Termination. Such non-recoverable costs include, but are not limited to, anticipated profits on the PO, post-termination employee salaries, post-termination administrative expenses, or any other cost that is not authorized or reasonable.
- c. **For Cause.** If Contractor fails to perform any of its obligations under a PO, City may terminate the PO and all of Contractor's rights thereunder. Termination will be effective after ten (10) days written notice to Contractor. If a PO is terminated for cause, City will pay Contractor for Goods delivered and/or Services performed to the satisfaction of the City up to the date of termination. City may offset from any such amounts due Contractor any costs City has or will incur due to Contractor's non-performance. Any such offset by City will not constitute waiver of any other remedies City may have against Contractor for financial injury or otherwise under this Agreement or the PO.

6. Title and Warranties

- a. **Warranties.** Contractors shall transfer all warranties offered by manufacturers to the City on all Goods within forty-eight (48) hours (excluding weekends) of delivery to City. The Contractor must also offer any additional warranty services offered by a manufacturer for purchase.
- b. **Passage of Title**

Contractor must pass title of licenses to software purchased to the City within forty-eight (48) hours (excluding weekends) of delivery and the City must be eligible for all benefits of ownership including free services provided under manufacturer's warranties within forty-eight (48) hours (excluding weekends) of delivery of Goods.

2. If after forty-eight (48) hours the City cannot obtain service under the manufacturer's warranty, because title has not been properly passed to the City by the Contractor or the Contractor has not properly recorded ownership, the City shall immediately notify the Contractor. Contractor will have twenty-four (24) hours to record title of the Good properly, repair the Good, or replace the non-working Good with a comparable working product.
- c. **Liquidated Damages.** The timely transfer to City of manufacturer warranties and title to licenses procured through a PO is a material term of this Agreement. Contractor acknowledges that City, in its sole discretion, may include a liquidated damages provision in any PO to compensate City for actual damages that will be impractical or extremely difficult to determine. Contractor agrees that any such liquidated damages clause is not a penalty, but a reasonable estimate of the loss that City will incur based on the delay, established in light of the circumstances existing at the time the PO was issued. City may deduct a sum representing the liquidated damages from any money due to Contractor under this Agreement or any other contract between City and Contractor.

7. No Automatic Renewal. To the extent a Purchase Order issued under this Agreement involves the maintenance of equipment, and notwithstanding anything to the contrary contained in this Agreement or the Purchase Order (including, without limitation, any terms and conditions of Contractor attached hereto): (a) in no event shall the term of the Purchase Order be longer than the initial term expressly stated in the Purchase Order; (b) any automatic renewal or extension (whether or not conditioned upon any notice or absence thereof from either Party) or any similar "evergreen" provision shall be deemed null and void ab initio; and (c) the term of the Purchase Order shall not be extended or renewed except by written agreement duly authorized, executed, and delivered by City. In the event of any inconsistency within this Agreement or the Purchase Order relating to the duration of the initial term hereof, the shorter initial term shall govern. If no initial term is stated in the Purchase Order, then the term shall be one (1) year from the date on which the term commences.

If an individual or an individual's representative submits a request for an accounting directly to BA or its agents or subcontractors, BA shall forward the request to CE in writing within five (5) calendar days.

i. Access to Protected Information. BA shall make Protected Information maintained by BA or its agents or subcontractors in Designated Record Sets available to CE for inspection and copying within (5) days of request by CE to enable CE to fulfill its obligations under state law [Health and Safety Code § 123110] and the Privacy Rule including, but not limited to, 45 C.F.R. section 164.524 [45 C.F.R. §164.504(e)(2)(ii)(E)]. If BA maintains Protected Information in electronic format, BA shall provide such information in electronic format as necessary to enable CE to fulfill its obligations under the HITECH Act and HIPAA Regulations including, but not limited to, 42 U.S.C. section 17935(e) and 45 C.F.R. section 164.524.

j. Amendment of Protected Information. Within ten (10) days of a request by CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, BA and its agents and subcontractors shall make such Protected Information available to CE for amendment and incorporate any such amendment or other documentation to enable CE to fulfill its obligations under the Privacy Rule including, but not limited to, 45 C.F.R section 164.526. If an individual requests an amendment of Protected Information directly from BA, or its agents or subcontractors, BA must notify CE in writing within five (5) days of the request and of any approval or denial of amendment of Protected Information maintained by BA, or its agents or subcontractors [45 C.F.R. § 164.504(e)(2)(ii)(F)].

k. Governmental Access to Records. BA shall make its internal practices, books, and records relating to the use and disclosure of Protected Information available to CE and to the Secretary of the U.S. Department of Health and Human Services (the "Secretary") for purposes of determining BA's compliance with HIPAA [45 C.F.R. § 164.504(e)(2)(ii)(I)]. BA shall provide CE a copy of any Protected Information, and other documents and records that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.

l. Minimum Necessary. BA, and its agents and subcontractors shall request, use, and disclose only the minimum amount of Protected Information necessary to accomplish the

intended purpose of such use, disclosure, or request. [42 U.S.C. § 17935(b); 45 C.F.R. §164.514(d).] BA understands and agrees that the definition of “minimum necessary” is in flux and shall keep itself informed of guidance issued by the Secretary with respect to what constitutes “minimum necessary” to accomplish the intended purpose in accordance with HIPAA and HIPAA Regulations.

m. Data Ownership. BA acknowledges that BA has no ownership rights with respect to the Protected Information.

n. Notification of Breach. BA shall notify CE within five (5) calendar days of any breach of Protected Information; any use or disclosure of Protected Information not permitted by the BAA; any Security Incident (except as otherwise provided below) related to Protected Information; and any use or disclosure of data in violation of any applicable federal or state laws by BA, or its agents or subcontractors. The notification shall include, to the extent possible, the identification of each individual whose unsecured Protected Information has been, or is reasonably believed by the BA to have been, accessed, acquired, used, or disclosed, as well as any other available information that CE is required to include in notification to the individual, the media, the Secretary, and any other entity under the Breach Notification Rule and any other applicable state or federal laws including, but not limited, to 45 C.F.R. section 164.404 through 45 C.F.R. section 164.408, at the time of the notification required by this paragraph or promptly thereafter as information becomes available. BA shall take (i) prompt corrective action to cure any deficiencies, and (ii) any action pertaining to unauthorized uses or disclosures required by applicable federal and state laws. [42 U.S.C. § 17921; 42 U.S.C. §17932; 45 C.F.R. §164.410; 45 C.F.R. §164.504(e)(2)(ii)(C); 45 C.F.R. §164.308(b).]

o. Breach Pattern or Practice by Business Associate’s Subcontractors and Agents. Pursuant to 42 U.S.C. section 17934(b) and 45 C.F.R. section 164.504(e)(1)(iii), if the BA knows of a pattern of activity or practice of a subcontractor or agent that constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or this BAA, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the contractual arrangement with its subcontractor or agent, if feasible. BA shall provide written notice to CE of any pattern of activity or practice of a subcontractor or agent that BA believes constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or this BAA within five (5) calendar days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

3. Termination.

a. Material Breach. A breach by BA of any provision of this BAA, as determined by CE, shall constitute a material breach of the Agreement and this BAA and shall provide grounds for immediate termination of the Agreement and this BAA, any provision in the AGREEMENT to the contrary notwithstanding. [45 C.F.R. § 164.504(e)(2)(iii).]

b. Judicial or Administrative Proceedings. CE may terminate the Agreement and this BAA, effective immediately, if (i) BA is named as defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations, or other security or privacy laws; or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations, or other security or privacy laws are made in any administrative or civil proceeding in which the Party has been joined.

c. Effect of Termination. Upon termination of the Agreement and this BAA for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA, and its agents and subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections and satisfy the obligations of Section 2 of this BAA to such information, and limit further use and disclosure of such PHI to those purposes that make the return or destruction of the information infeasible [45 C.F.R. § 164.504(e)(2)(ii)(J)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed in accordance with the Secretary's guidance regarding proper destruction of PHI. Per the Secretary's guidance, the City will accept destruction of electronic PHI in accordance with the standards enumerated in the NIST SP 800-88, Guidelines for Media Sanitization. The City will accept destruction of PHI contained in paper records by shredding, burning, pulping, or pulverizing the records so that the PHI is rendered unreadable, indecipherable, and otherwise cannot be reconstructed.

d. Civil and Criminal Penalties. BA understands and agrees that it is subject to civil or criminal penalties applicable to BA for unauthorized use, access, or disclosure of Protected Information in accordance with the HIPAA Regulations and the HITECH Act including, but not limited to, 42 U.S.C. 17934 (c).

e. Disclaimer. CE makes no warranty or representation that compliance by BA with this BAA, HIPAA, the HITECH Act, or the HIPAA Regulations or corresponding California law provisions will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

4. Amendment to Comply with Law.

The Parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Agreement or this BAA may be required to provide for procedures to ensure compliance with such developments. The Parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations, and other applicable state or federal laws relating to the security or confidentiality of PHI. The Parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either Party, the other Party agrees to promptly enter into negotiations concerning the terms of an amendment to this BAA embodying written assurances consistent with the updated standards and requirements of HIPAA, the HITECH Act, the HIPAA

regulations, or other applicable state or federal laws. CE may terminate the Agreement upon thirty (30) days written notice in the event (i) BA does not promptly enter into negotiations to amend the Agreement or this BAA when requested by CE pursuant to this Section; or (ii) BA does not enter into an amendment to the Agreement or this BAA providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

5. Reimbursement for Fines or Penalties.

In the event that CE pays a fine to a state or federal regulatory agency, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible access, use, or disclosure of PHI by BA, or its subcontractors or agents, then BA shall reimburse CE in the amount of such fine, penalties, or damages within thirty (30) calendar days from City's written notice to BA of such fines, penalties, or damages.

This Equipment Lease Term Sheet (“Term Sheet”) is attached, and incorporated as though fully set forth therein, to each Purchase Order for equipment lease hereby issued by the City and County of San Francisco (“City”) under Contractor’s OCA Technology Marketplace Master Agreement (“Agreement”) to which this Term Sheet is attached. The terms and conditions of the Agreement apply to this Term Sheet. Capitalized terms used in this Term Sheet that are not otherwise defined have the meanings given them in the Agreement.

Now, THEREFORE, the parties agree as follows:

1. Definitions. Where any word or phrase defined below, or a pronoun used in place thereof, is used in any part of this Term Sheet, it shall have the meaning herein set forth.

a. “Agreement” means the Agreement to which this Term Sheet is attached and this Term Sheet, including all attached appendices, and all applicable City Ordinances and Mandatory City Requirements, which are specifically incorporated into this Term Sheet by reference as provided herein.

b. “City” or “the City” means the City and County of San Francisco, a municipal corporation, acting by and through both its Director of the Office of Contract Administration or the Director’s designated agent, hereinafter referred to as “Purchasing” and the requesting department.

c. “Contractor” or “Lessor” means Lessor. In required or standard City contracting terms, the word “Contractor” may appear, and it is to be construed as meaning the Lessor.

d. “Term Sheet” shall mean this document, the accompanying Purchase Order, all attached exhibits, and all applicable City Ordinances and Mandatory City Requirements in the Agreement that are specifically incorporated into this Term Sheet by reference, as provided herein.

e. “Purchase Order” means the accompanying Purchase Order and any other corresponding documents submitted by Contractor to City (“Corresponding Documents”) in response to a request for quote by City for the equipment lease Services described in the Purchase Order. The Purchase Order is issued by City to Contractor pursuant to the Agreement, which is identified in the Purchase Order. The Purchase Order and all Corresponding Documents are incorporated into this Term Sheet as though fully set forth herein.

2. Term. The term of this Term Sheet shall reflect the term of the equipment lease Services set forth in the accompanying Purchase Order and corresponding documents, unless earlier terminated in accordance with the provisions of this Term Sheet or the applicable Agreement.

3. City's Payment Obligation. In no event will the City make an advance payment. In the event any payment of any amount of monies is required by any vendor or manufacturer prior to acceptance of the equipment by the City, Lessor is to advance such amounts. The City will make a good faith effort to pay all invoices within thirty days of billing. In no event will the City pay any late fees or charges for payments made after the thirty (30) day period. Lessor and the City understand and intend that the obligations of the City to pay rental payments hereunder shall constitute a current expense of the City and shall not in any way be construed to be a debt of the City in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the City, nor shall anything contained herein constitute a pledge of the general tax revenues, funds, or monies of the City. The City shall pay rental payments, exclusively from legally available funds, to Lessor or, in the event of an authorized assignment by Lessor to its assignee, according to the terms of this Agreement, upon presentation of invoices furnished by Lessor in a form acceptable to the Controller. Each invoice must have a unique identifying number. Payments will be made in United States Dollars by warrant drawn on the Treasurer of City and County of San Francisco. Rental payments shall be in consideration for the City's use of the equipment during the applicable fiscal year in which such payments are due. In no event shall the amount of this Term Sheet exceed the amount stated in the Agreement. The breakdown of costs associated with this Term Sheet appears in the Agreement between City and Contractor, to which this Term Sheet is attached.

4. Maintenance. Unless otherwise specified by the Purchase Order or its Corresponding Documents, the City shall be responsible for all service, repair, and maintenance of the equipment. If the City is responsible for service, repair, and maintenance, the City, at its sole cost and expense, shall keep the equipment in good operating order, repair, condition, and appearance and shall furnish any and all parts, mechanisms, or devices required to keep the equipment in good mechanical and working order. If the City deems it necessary, the City shall enter into an appropriate maintenance service agreement covering all items of equipment and shall maintain maintenance service on the equipment for the term of this Term Sheet, for which payment shall be due and payable by the City.

5. Use, Licenses. The City will not use or operate the equipment leased under this Term Sheet and the Agreement improperly, carelessly, in violation of any applicable law, or in a manner contrary to that contemplated by this Term Sheet or the Agreement.

6. Delivery of Equipment; Transportation. It is the responsibility of the Lessor to arrange with the manufacturer and/or vendor for the delivery and any installation of the equipment. Charges for delivery and installation are the responsibility of the Lessor. However, the City will reimburse Lessor for reasonable delivery and installation charges after the equipment leased under this Term Sheet and the Agreement is accepted and upon proper presentation of invoices unless such charges are included in the cost of the equipment. The equipment to be provided under this Term Sheet and the Agreement is to be delivered to a location as designated by the City and installed and made ready for operation.

7. Installation. If Installation is applicable, the Lessor will arrange with the manufacturer and/or vendor to prepare site, obtain all permits and licenses, if any, necessary for the installation and operation of the equipment, furnish, assemble and install the equipment as necessary at the

location as designated by the City. Manufacturer and/or vendor must comply with all State laws and local ordinances in installing the equipment.

8. Relocation of Equipment. Lessor agrees that the City may upon reasonable notice to Lessor, relocate the equipment or any item or items thereof to any location or locations within the geographical boundaries of the City where the City has offices at the City's sole discretion and cost. Prior to any such relocation the City agrees to execute or obtain and to deliver to Lessor such documents, which Lessor reasonably requests to protect Lessor's right, title, and interest in the equipment.

9. Lessor's Removal and the City's Surrender of the Equipment. At the end of the term of this Term Sheet or the Agreement, or unless sooner terminated, the City agrees to surrender the equipment in as good a condition as when furnished, reasonable wear and tear excepted. Lessor agrees, at Lessor's cost to accept and remove the equipment as provided in this Term Sheet and the Agreement. Lessor's failure to accept and remove the equipment shall entitle the City to remove the equipment and place it in any storage facility in San Francisco at Lessor's sole expense, and Lessor shall hold the City free and harmless from any expense or damages of any kind occasioned thereby and arising therefrom.

10. Force Majeure. Lessor shall not be liable for failure to furnish equipment ready for use on the date specified or to remove in accordance with the terms of this Term Sheet and the Agreement, nor shall City be liable for delay in installation or removal when such failures are due to causes beyond the reasonable control of either such as acts of God, acts of civil or military authority, fires, strikes, floods, epidemics, quarantine, war, riot, delays in transportation, care shortages, and inability due to causes beyond its reasonable control to obtain necessary labor, materials or manufacturing facilities, and in such event the party under obligations to perform shall perform as soon as such cause is removed.

11. The City's Right to Use Other Equipment Simultaneously with the Equipment. The City does not grant Lessor an exclusive right during the term of this Term Sheet and the Agreement to supply the City with any other equipment. The City reserves the right to lease or purchase similar or different equipment from any other supplier or lessors, which may be used contemporaneously with any item of equipment leased hereunder.

12. Disclaimer of Warranties. Lessor hereby assigns to the City for and during the term of this Term Sheet and the Agreement, to the extent permitted by law, all manufacturer's or vendor's warranties or guaranties, express or implied, issued on or applicable to the equipment leased under this Term Sheet and the Agreement, and Lessor authorizes the City to obtain the customary services furnished in connection with such warranties or guaranties at the City's expense. Lessor authorizes the City, to the extent permitted by law, to enforce in its own name any warranty, representation, or other claim enforceable against the manufacturer or vendor. The City acknowledges that the equipment has been purchased by Lessor on behalf of the City in accordance with the City's specifications. The City shall look directly to the manufacturer or vendor for any warranties or any service for the equipment.

13. Enjoyment of the Equipment. Provided that and so long as the City is not in default under this Lease, Lessor hereby covenants to provide the City during the term of this Term Sheet and the Agreement with quiet use and enjoyment of the equipment, and the City shall during the term of this Term Sheet and the Agreement peaceably and quietly have and hold and enjoy the equipment, without suit, trouble or hindrance from Lessor, except as expressly set forth in this Term Sheet and the Agreement. Any assignee of Lessor shall not interfere with the City's quiet use and enjoyment during the term of this Term Sheet and the Agreement so long as the City is not in default pursuant to this Term Sheet and the Agreement.

14. Title to the Equipment. Title to the equipment and any and all additions, repairs, replacements, or modifications thereto shall be held in the name of Lessor, and the City shall have no right, title, or interest in the equipment or any additions, repairs, replacements, or modifications thereto except as expressly set forth in this Term Sheet and the Agreement.

15. Liability for Damage to Equipment. It is understood and agreed that the City is responsible for loss of or damage to any Lessor owned equipment involved, only as caused by the negligent or wrongful actions of City's officers, agents, and employees.

16. Taxes. The City will only pay California sales and use taxes. The Lessor is to add California sales and use taxes to the monthly payment and the tax must be properly identified on each monthly invoice. Any other taxes presently in effect that may be levied upon this Term Sheet, a Technology Marketplace Transaction, or the equipment or Services delivered pursuant hereto shall be borne by the Lessor. The Lessor will be responsible for all property taxes. In the event any taxes or charges are enacted after the date of execution of this Term Sheet and the accompanying Purchase Order, those taxes or charges shall be borne as mutually agreed. The Lessor will indemnify and hold City harmless from any fines, penalties, or interest thereon imposed during the term of this Term Sheet and the accompanying Purchase Order, or in connection with termination of this Term and the accompanying Purchase Order by any federal, State, or local government or taxing authority. The taxes covered by this Section shall only include those attributable to the equipment. Under no circumstances will the City pay any taxes imposed on, based on, or measured by the net income of the Lessor.

17. Assignment. Notwithstanding any other provision in this Term Sheet, in no event shall all or any portion of this Term Sheet or the accompanying Purchase Order be assigned without the prior written approval of Purchasing and the City Attorney. Furthermore, in no event shall Lessor effect a public offering of certificates of participation, municipal securities, or other debt instruments presenting fractionalized interests in this Term Sheet and the accompanying Purchase Order. For purposes of this Section, a public offering shall occur when the certificates of participation, municipal securities, or other debt instruments are either: (a) offered or sold to more than twenty investors; or (b) offered or sold in denominations of less than \$10,000.

(c) **Critical Milestones.** Contractor acknowledges and understands that the Project Schedule contains certain time-sensitive milestones (“Critical Milestones”) that must be attained by certain dates; otherwise, the City will suffer financial harm. Milestones that are Critical Milestones are so indicated in the Project Schedule. Notwithstanding City’s ability to assess liquidated damages for Contractor’s failure to meet any Critical Milestone, the time period for achieving final Acceptance shall be set forth in the accompanying Purchase Order and Corresponding Documents. In addition to any other remedy provided under this Term Sheet and the Agreement, Contractor’s inability to achieve final Acceptance of the System in accordance with the accompanying Purchase Order and Corresponding Documents will be cause for immediate termination of this Term Sheet and the Agreement, and City shall be entitled to a full refund of any amounts paid to Contractor under this Term Sheet and the Agreement for the portion(s) of the Programs that are not accepted.

4.5.2 **Progress Reports.** Contractor will provide City with written status reports advising the City of its progress, which reports will be delivered in accordance with each Task Order issued pursuant to the Purchase Order and Corresponding Documents.

4.5.3 **Project Managers.** Contractor and City shall each designate a “Project Manager”, who shall be accessible by telephone throughout the duration of the Agreement and shall be available 9 a.m. to 5 p.m., Monday through Friday, excluding City-designated holidays. These hours may be adjusted by mutual agreement of City and Contractor.

(a) The City's Project Manager will be authorized to make binding decisions for the City regarding this Term Sheet and the Agreement and will: (1) review all specifications, technical materials and other documents submitted by Contractor, request necessary corrections, and approve such documents; (2) provide requested City information and data and assume responsibility on the adequacy of the same; (3) advise Contractor of City's requirements; and (4) upon request, provide access to City's staff, facility, and hardware. City's Project Manager shall have the right to manage and direct any aspect of the project as may be necessary, in his or her opinion, to safeguard the interest of the City. City's Project Manager shall communicate all of his or her concerns to Contractor's Project Manager. In the event Contractor believes that any direction being given by City's Project Manager shall impair the performance of the project or any phase thereof, Contractor shall immediately inform the City's Project Manager of its concern. Except as specifically provided under this Term Sheet and the Agreement, City's Project Manager's management of the project shall not relieve Contractor of any obligations or liabilities set forth in this Term Sheet and the Agreement and the Appendices or Exhibits thereto.

(b) Throughout the term of this Term Sheet and the Agreement, whenever the Contractor's Project Manager is not on site, he or she must be available by phone or e-mail. Whenever the Contractor's Project Manager will be unavoidably absent or otherwise unavailable by phone or e-mail for more than eight hours, then a substitute Project Manager must be designated to respond to telephone calls and e-mails from the City. Contractor shall use its best efforts to maintain the same Project Manager until final Acceptance of the Programs.

4.5.4 Changing Project Managers. The City and Contractor shall use their best efforts to maintain the same Project Manager until final Acceptance of the System. However, if a Party needs to replace its Project Manager, the Party shall provide the other Party written notice thereof at least forty-five (45) days prior to the date the Project Manager shall be replaced. Such notice shall provide all the required information above. Notwithstanding the foregoing, the Parties have the right to appoint temporary Project Managers in connection with short term unavailability, sick leave, or reasonable vacations. Parties shall notify each other in advance of any such temporary appointments. City may require Contractor to replace its Project Manager by giving Contractor notification thereof, and City's objective reasons therefor.

4.5.5 Qualified Personnel/Staffing. Work under this Term Sheet and the Agreement shall be performed only by competent personnel appropriately trained in technical skills to perform their duties under the supervision of, and in the employment of, Contractor. Contractor will comply with City's reasonable requests regarding assignment of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. The personnel of each Party, when on the premises of the other, shall comply with the security and other personnel regulations of the Party on whose premises such individual is located.

4.5.6 Meetings. From the commencement date of the project until the final Acceptance of the Programs, the Project Managers shall communicate at times and locations designated by City to discuss the progress of the Project. Until the final Acceptance of the project, the Project Managers shall communicate, as required by the City, to discuss any operational problems or defects that City has encountered. City shall have the right to call a meeting at any time by providing Contractor forty-eight (48) hours written notice thereof. Such notice shall provide the time, place, and the purpose of the meeting. Contractor and City's

project team must be available to meet as often as is necessary to facilitate timely completion of the project.

4.5.7 Inspection. City's Project Manager shall have the right to inspect and/or test, at any time, all Work, Deliverables and materials to be provided for the project, and the manufacture, assembly, and installation of such Deliverables and materials. City's Project Manager's inspection shall be based on compliance with this Term Sheet and the Agreement. City's Project Manager's right to inspect all aspects of the Project shall not relieve Contractor of its obligation to furnish material and workmanship in accordance with this Term Sheet and the Agreement. City's Project Manager may reject any portion of the Project, which fails to meet any applicable standard.

(a) **Defects Post-Inspection.** Notwithstanding any previous inspection, acceptance, or payment by the City for any Work, or Deliverables found to be in non-compliance with this Term Sheet and the Agreement, or found to be defective before final Acceptance of the project, such Work or Deliverables shall be repaired or replaced within a reasonable period of time by Contractor at its own cost and expense.

(b) **Special Testing Tools.** Contractor shall furnish all tools, labor and material, which Contractor deems necessary to inspect any Deliverables, Work, or material. Unless purchased by the City as part of the project, Contractor shall provide all test equipment needed to verify Deliverables or Work at its sole cost and expense. The equipment provided by Contractor for performance test shall currently be certified as "calibrated" by the test equipment manufacturer, or its authorized calibration service agent. Unless purchased by the City, all test equipment shall remain the property of Contractor.

4.5.8 Right to Stop Work. City's Project Manager shall have the right to stop any Work on the project if: (i) City notifies Contractor of a defect in the Work or Deliverables and after such notice, Contractor fails to promptly commence correction of any identified defects in the Work or Deliverables, or (ii) Contractor fails to carry out any portion of the project in accordance with this Term Sheet and the Agreement. All stop work orders from the City shall be in writing and signed by City's Project Manager. City shall specifically state the cause for the order to stop work. Upon receiving a stop work order, Contractor shall immediately cease working on that portion of the Work specified in the order, until the cause for such order has been eliminated. City's right to stop any work on the project shall not give rise to a duty on the part of the City to exercise this right for the benefit of Contractor, or any other person or entity. In the event City's Project Manager orders work to be stopped without proper justification, City shall reimburse Contractor for the actual and direct costs incurred by Contractor due to the delay. Furthermore, Contractor will be entitled to a time extension equal to the number of days of delay that City caused due to the unjustified work stoppage. In no event will a stop work order extend beyond 30 days.

4.5.9 City Facilities. If specified in the Purchase Order and Corresponding Documents, City will provide facilities or equipment for Contractor's use during the term of this Term Sheet and the conditions upon which access will be granted.

4.6 Maintenance Services. Contractor will provide maintenance services for the Programs in accordance with the terms and conditions of Appendix A of the Agreement, Purchase Order, and Corresponding Documents. Such services, if any, shall commence upon

Acceptance of the Programs by City or, upon expiration of the performance warranty provided herein.

4.6.1 Infringement Indemnification. If notified promptly in writing of any judicial action brought against City based on an allegation that City's use of the Programs infringes a patent or copyright, or any rights of a third party, or constitutes misuse or misappropriation of a trade secret or any other right in intellectual property (infringement), Contractor will hold City harmless and defend such action at its expense. Contractor will pay the costs and damages awarded in any such action or the cost of settling such action, provided that Contractor shall have sole control of the defense of any such action and all negotiations or its settlement or compromise. If notified promptly in writing of any informal claim (other than a judicial action) brought against City based on an allegation that City's use of the Programs constitutes Infringement, Contractor will pay the costs associated with resolving such claim and will pay the settlement amount (if any), provided that Contractor shall have sole control of the resolution of any such claim and all negotiations for its settlement. In the event that a final injunction shall be obtained against City's use of the Programs by reason of Infringement, or in Contractor's opinion City's use of the Programs is likely to become the subject of Infringement, Contractor may at its option and expense (a) procure for City the right to continue to use the Programs as contemplated hereunder, (b) replace the Programs with non-infringing, functionally equivalent substitute Programs, or (c) suitably modify the Programs to make its use hereunder non-infringing while retaining functional equivalency to the unmodified version of the Programs. If none of these options is reasonably available to Contractor, then this Term Sheet and the accompanying Purchase Order may be terminated at the option of either Party hereto and Contractor shall refund to City all amounts paid under this Term Sheet and the accompanying Purchase Order for the development and license of the infringing Programs.

4.7 Warranties.

4.7.1 Warranty of Title. Contractor warrants that the Programs developed pursuant to this Term Sheet and the Agreement will, prior to its transfer to City, be the sole and exclusive property of Contractor.

4.7.2 Warranty of Authority; No Conflict. Each Party hereby warrants to the other that it is authorized to enter into this Term Sheet and the Agreement and that its performance thereof will not conflict with any other agreement.

4.7.3 Warranty of Performance Specifications; Warranty Services. Contractor hereby warrants that when fully implemented, the developed Programs, configuration, customization and services performed by Contractor pursuant to this Term Sheet and the Agreement, when fully implemented, including technical and functional system integration that includes planning, fit/gap analysis, design, configuration, enhancements and custom programming, and developed interfaces (collectively "System Integration and Customization"), will perform in accordance with the required functionality defined in the Appendices of the Agreement, Purchase Order, and Corresponding Documents during a one year period following the issuance of written Acceptance by City. Upon City issuing written notice to Contractor of a warranty breach under this section, Contractor shall correct and repair the configuration and customized code provided by Contractor during the Warranty Period, at no charge to the City, within thirty (30) days following the notice, provided that:

(a) The problem encountered occurs within one year of the acceptance of such provided System Integration and Customization.

(b) The root cause analysis indicates the problem is in the system not meeting the System Integration and Customization requirements where the Contractor has responsibility (e.g., a problem caused by the developed, configured or customized COTS software or hardware component not meeting requirements, a defect in the configuration or code created by the Contractor).

Full correction of the system defect is to be completed by Contractor unless otherwise approved by the City, and the corrected code shall be appropriately tested to verify that no regression errors are introduced. Contractor shall warrant against Version Locking due to customization of the system.

Article 5 Termination and Default

5.1 Termination for Convenience.

5.1.1 Within thirty (30) days after the specified termination date, Contractor shall submit to City an invoice, which shall set forth each of the following as a separate line item:

(a) The reasonable cost to Contractor, without profit, for all Services prior to the specified termination date, for which Services City has not already tendered payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor’s direct costs for Services. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.

(b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.

(c) The reasonable cost to Contractor of handling material or equipment returned to the vendor, delivered to the City or otherwise disposed of as directed by the City.

A deduction for the cost of materials to be retained by Contractor, amounts realized from the sale of materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the Services or other work.

5.2 **Survival.** This Section and the following Sections of this Term Sheet listed below shall survive termination or expiration of this Term Sheet and the Agreement:

Article 4	Intellectual Property Rights of the Parties

Article 6 Intellectual Property Rights of the Parties

6.1 **License of the Programs.** Upon receipt of final payment for all Services rendered by Contractor under this Term Sheet and the Agreement, Contractor hereby grants to City, in perpetuity, an irrevocable, nonexclusive, right and license to use for internal purposes only a machine-readable copy of the Programs and Documentation in connection with the City's business.

6.2 **Sale of the Programs.** Upon receipt of final payment for the Programs or System, Contractor will convey to City good and marketable title to the Programs or the System free and clear of all liens, claims, and encumbrances.

6.3 **Ownership of Underlying Modules.** The foregoing conveyance of title is subject to Contractor's retention of ownership of all modules developed by Contractor as a utility routine or generalized interface and not specifically for City.

6.4 **City's Data.** Any data or other materials furnished by the City for use by Contractor under this Term Sheet and the Agreement shall remain the sole property of the City and will be held in confidence in accordance with Section 3.7 ("Warranties") of this Term Sheet. Such materials shall be returned to City upon Acceptance of the Programs. Contractor shall within fifteen (15) calendar days purge or physically destroy all City data it acquired from the City from its servers or files and provide City with written certification within five (5) calendar days that such purge and/or physical destruction has occurred. Secure disposal shall be accomplished by "purging" or "physical destruction," in accordance with National Institute of Standards and Technology (NIST) Special Publication 800-88 or most current industry standard.

6.6 **Competition.** Nothing in this Term and Sheet and the Agreement shall be construed so as to preclude Contractor from developing, using, or marketing software that is competitive with that prepared for City hereunder, irrespective of whether such software is similar in functionality or design, or is otherwise related to the Programs developed by Contractor for City pursuant to this Term Sheet and the Agreement.

6.7 **Royalty Payments.** If applicable, Contractor shall pay to City royalty payments as identified in the accompanying Purchase Order and Corresponding Documents.

Article 7 General Provisions

7.1 **Compliance with Americans with Disabilities Act.** Contractor acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to people with disabilities. Contractor shall provide the services specified in this Term Sheet and the Agreement in a manner that complies with the ADA and any and all other applicable federal, state, and local disability rights legislation. Contractor agrees not to discriminate against people with disabilities in the provision of services, benefits, or activities provided under this Term Sheet and the Agreement and further agrees that any violation of this

prohibition on the part of Contractor, its employees, agents or assigns will constitute a material breach of this Term Sheet. Contractor shall adhere to the requirements of the Americans with Disabilities Act of 1990 (ADA), as amended (42 U.S.C. Sec. 1201 et seq.) and Section 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. Sec. 794d).

a. Contractor shall provide Support Services **and provide Upgrades** during the term of this Maintenance Agreement for the Software.

b. During the term of this Maintenance Agreement, Contractor will furnish Error, Defect or Malfunction correction in accordance with the Priority Categories listed below, based on the City's determination of the severity of the Error, Defect or Malfunction and Contractor's reasonable analysis of the priority of the Error, Defect or Malfunction.

1) Priority 1: An Error, Defect or Malfunction which renders the Software inoperative; or causes the Software to fail catastrophically.

2) Priority 2: An Error, Defect or Malfunction which substantially degrades the performance of the Software, but does not prohibit the City's use of the Software.

3) Priority 3: An Error, Defect or Malfunction which causes only a minor impact on the use of the Software.

c. Contractor will furnish Error, Defect or Malfunction correction in accordance with the following protocols:

1) Priority 1 Protocol: Within two hours, Contractor assigns a product technical specialist(s) to diagnose and correct the Error, Defect or Malfunction; thereafter, Contractor shall provide ongoing communication about the status of the correction; shall proceed to immediately provide a Fix, a Patch or a Workaround; and exercise all commercially reasonable efforts to include a Fix or Patch for the Error, Defect or Malfunction in the next Subsequent Release. Contractor will escalate resolution of the problem to personnel with successively higher levels of technical expertise until the Error, Defect or Malfunction is corrected.

2) Priority 2 Protocol: Within four hours, Contractor assigns a product technical specialist(s) to diagnose the Error, Defect or Malfunction and to commence correction of the Error, Defect or Malfunction; to immediately provide a Workaround; to provide escalation procedures as reasonably determined by Contractor's staff; and to exercise all commercially reasonable efforts to include a Fix or Patch for the Error, Defect or Malfunction in the next Software maintenance release.

3) Priority 3 Protocol: Contractor may include a Fix or Patch in the next Software major release.

3. City Responsibilities Related to Support. City shall use reasonable efforts to make available to Contractor reasonable access to the equipment on which City experienced the Error, Defect or Malfunction, the Software Product and all relevant documentation and records. City shall also provide reasonable assistance to Contractor, including sample output and diagnostic information, in order to assist Contractor in providing Support Services. City shall be responsible for the interface between the Software and other software products installed on City equipment. Unless otherwise agreed in writing between City and Contractor, City is responsible for installing, managing and operating any Software delivered under this Maintenance Agreement.

4. Payment Does Not Imply Acceptance of Work. The granting of any payment by City, or the receipt thereof by Contractor, shall in no way lessen the liability of the Contractor to replace unsatisfactory work, equipment, or materials although the unsatisfactory character of such work, equipment or materials may not have been apparent or detected at the time such payment was made. Materials, equipment, components, or workmanship that did not conform to the requirements of this Maintenance Agreement may be rejected by City and in such case must be replaced by Contractor without delay.

(3) **Periodic Payment License.** If the license fee specified in the Purchase Order and Corresponding Documents is payable in periodic payments, there will be no

additional charge for maintenance and Support Services during the period for which such periodic payments are payable or the first year of the term, whichever is longer.

(4) **Lump Sum Payment Licenses.** If the license fee specified in the Purchase Order and Corresponding Documents is payable in one lump sum, there will be no additional charge for the maintenance and Support Services during the first year of the term.

Article 4 License

4.1 Grant of License.

4.1.1 **Grant of License.** Subject to the terms and conditions of this Term Sheet and the Agreement, Contractor grants City a non-exclusive and non-transferable license to use the Licensed Software. City acknowledges and agrees that the Licensed Software is the proprietary information of Contractor and that this Term Sheet and the Agreement grants City no title or right of ownership in the Licensed Software.

Contractor agrees that in the event it discontinues its obligations under the terms of this Term Sheet and the Agreement, except as expressly provided for in Article 8 (“Termination and Default”) of the Agreement, or ceases to market and/or provide maintenance and Support Services for the Licensed Software, and there is no successor in interest by merger, operation of law, assignment, purchase, or otherwise, it will provide City, without charge, one (1) copy of the then-current Source Code for all of the programs and all supporting Documentation for the Licensed Software then operating and installed at City’s locations. If City should obtain the Source Code and the Documentation pursuant to this section, the only use made of the Source Code and the Documentation will be for the proper maintenance of the Licensed Software in connection with City’s use of the Licensed Software as provided for, and limited by, the provisions of this Term Sheet and the Agreement.

Notwithstanding anything to the contrary in the Purchase Order and Corresponding Documents, and upon written request by City in the accompanying Purchase Order, in furtherance of its obligations as stated above, Contractor will provide to City a copy of the Source Code, which corresponds to the most current version of the Licensed Software. Contractor agrees to update, enhance, or otherwise modify such Source Code promptly upon its release of a new version of the Licensed Software to its other licensees such that the Source Code is maintained as corresponding to the newest released version of the Licensed Software. City’s right to possession of the Source Code will be governed by the accompanying Purchase Order.

4.1.4 **Transfer of Products.** City may move the Licensed Software and supporting materials to another City site.

4.1.7 **Authorized Modification.** City shall also be permitted to develop, use and modify Application Program Interfaces ("APIs"), macros, and user interfaces. For purposes of this Term Sheet and the Agreement, such development shall be deemed an authorized modification. Contractor shall make no claim under this Term Sheet and the Agreement to ownership of any APIs, macros, or other interfaces developed by or at the direction of the City.

Contractor has no general objection to the City's use of third-party programs in conjunction with the Licensed Software under this Term Sheet and the Agreement. Contractor recognizes that City has and will license third party-programs that City will use with Contractor's products. Based on information provided to Contractor as to the execution of this Term Sheet and the Agreement, Contractor agrees that such use does not constitute an unauthorized modification or violate the licenses granted under this Term Sheet and the Agreement.

4.2 **Delivery.**

4.2.1 **Delivery.** One copy of each of the Licensed Software products in computer readable form shall be shipped to the City not later than thirty (30) days upon issuance of the accompanying Purchase Order. Program storage media (magnetic tapes, disks, and the like) and shipping shall be provided at no charge by Contractor.

4.2.2 **Installation.** If applicable, and upon written request by City in the accompanying Purchase Order, Contractor shall install the programs in accordance with the terms set forth in the accompanying Purchase Order.

4.2.3 **Risk of Loss.** If any of the Licensed Software products are lost or damaged during shipment or before installation is completed, Contractor shall promptly replace such products, including the replacement of program storage media if necessary, at no additional charge to the City. If any of the Licensed Software products are lost or damaged while in the

possession of the City, Contractor will promptly replace such products without charge, except for program storage media, unless supplied by the City.

4.3 **Acceptance Testing.** After Contractor has installed and configured the Licensed Software pursuant to this Term Sheet and the Agreement, the City shall have a period of **thirty (30)** days (“Acceptance Testing Period”) from the date of installation to verify that the Licensed Software substantially performs to the specifications contained in the Documentation. In the event that the City determines that the Licensed Software does not meet such specifications, the City shall notify the Contractor in writing, and Contractor shall modify or correct the Licensed Software so that it satisfies the Acceptance criteria. The date of Acceptance will be that date upon which City provides Contractor with written notice of satisfactory completion of Acceptance testing. If City notifies Contractor after the Acceptance Testing Period that the Licensed Software does not meet the Acceptance criteria of this section, then City shall be entitled to terminate this license in accordance with the procedures specified in Section 8.2 (“Termination for Default; Remedies”) of the Agreement, and shall be entitled to a full refund of the license fee.

In the event a final injunction is obtained against City's use of the SaaS Application and Services by reason of Infringement, or in Contractor's opinion City's use of the SaaS Application and Services is likely to become the subject of Infringement, Contractor may at its option and expense: (a) procure for City the right to continue to use the SaaS Application and Services as contemplated hereunder, (b) replace the SaaS Application and Services with a non-infringing, functionally equivalent substitute SaaS Application and Services, or (c) suitably modify the SaaS Application and Services to make its use hereunder non-infringing while retaining functional equivalency to the unmodified version of the SaaS Application and Services. If none of these options is reasonably available to Contractor, then this Term Sheet and accompanying Purchase Order may be terminated at the option of either Party hereto and Contractor shall refund to City all amounts paid under this Term Sheet and accompanying Purchase Order for the license of such infringing SaaS Application and/or Services. Any unauthorized modification or attempted modification of the SaaS Application and Services by City or any failure by City to implement any improvements or updates to the SaaS Application and Services, as supplied by Contractor, shall void this indemnity unless City has obtained prior written authorization from Contractor permitting such modification, attempted modification, or failure to implement. Contractor shall have no liability for any claim of Infringement based on City's use or combination of the SaaS Application and Services with products or data of the type for which the SaaS Application and Services was neither designed nor intended to be used, unless City has obtained prior written authorization from Contractor permitting such use.

5.2 Warranties of Contractor.

5.2.1 **Warranty of Authority; No Conflict.** Each Party warrants to the other that it is authorized to enter into this Term Sheet and the Agreement and that its performance of this Term Sheet and the Agreement will not conflict with any other agreement.

professional, competent, and timely manner by Contractor personnel appropriately qualified and trained to perform such services. In the event of a breach of the foregoing warranty relating to any service under this Term Sheet and the Agreement within twelve (12) months from the date of provision of such services, Contractor shall, at its sole cost and expense, re-perform such services.

5.2.3 Compliance with Description of Services. Contractor represents and warrants that the SaaS Application and Services specified in this Term Sheet and the Agreement and all updates and improvements to the SaaS Application and Services will comply in all material respects with the specifications and representations specified in the Documentation (including performance, capabilities, accuracy, completeness, characteristics, specifications, configurations, standards, functions, and requirements) as set forth (i) herein or in any amendment hereto, and (ii) the updates thereto.

5.2.4 Title. Contractor represents and warrants to City that it is the lawful owner or license holder of all Software, materials, and property identified by Contractor as Contractor-owned and used by it in the performance of the SaaS Services contemplated hereunder and has the right to permit City access to or use of the SaaS Application and Services and each component thereof. To the extent that Contractor has used Open Source Software (“OSS”) in the development of the SaaS Application and Services, Contractor represents and warrants that it is in compliance with any applicable OSS license(s) and is not infringing.

5.2.5 Disabling Code. Contractor represents and warrants that the SaaS Application and Services, and any information, reports or other materials provided to Authorized Users as a result of the operation of the SaaS Application and Services, including future enhancements and modifications thereto, shall be free of any Disabling Code.

5.2.6 Warranty of Suitability for Intended Purpose. Contractor warrants that the SaaS Application and Services will be suitable for the intended purpose of this Term Sheet and the Agreement.

Article 6 Termination; Disposition of Content; Survival

6.1 Termination for Cause and/or Convenience. City shall have the right, without further obligation or liability to Contractor:

6.1.1 To immediately terminate this Term Sheet and the accompanying Purchase Order if Contractor commits any breach of this Term Sheet and the accompanying Purchase Order or default (see Section 8.2 of the Agreement) and fails to remedy such breach or default within ten (10) days after written notice by City of such breach (“ten (10) day cure period”), in which event, Contractor shall refund to City all amounts paid under this Term Sheet and the accompanying Purchase Order for the SaaS Application and/or Services in the same manner as if City ceased to use the SaaS Application due to infringement under Section 5.1 of this Term Sheet. At City’s sole election, the ten (10) day cure period will *not* apply to termination for data breach and/or breach of confidentiality; or

6.1.2 To terminate this Term Sheet and the accompanying Purchase Order upon thirty (30) days prior written notice for City’s convenience and without cause, provided that except for termination due to an uncured breach as set forth in this Section and in the event of

Infringement, City shall not be entitled to a refund of any amounts previously paid under this Term Sheet and the accompanying Purchase Order.

6.2 Bankruptcy. In the event that Contractor shall cease conducting business in the normal course, become insolvent, make a general assignment for the benefit of creditors, suffer or permit the appointment of a receiver for its business or assets or shall avail itself of, or become subject to, any proceeding under the Federal Bankruptcy Act or any other statute of any state relating to insolvency or the protection of rights of creditors, then at City's option this Term Sheet and the Agreement shall terminate and be of no further force and effect. Upon termination of this Term Sheet and the accompanying Purchase Order pursuant to this Section, Contractor shall within forty-eight (48) hours return City's Data in an agreed-upon machine readable format. Once Contractor has received written confirmation from City that City's Data has been successfully transferred to City, Contractor shall within thirty (30) calendar days clear, purge, or physically destroy all City Data from its hosted servers or files, and provide City with written certification within five (5) calendar days that such clear, purge, and/or physical destruction has occurred. Secure disposal shall be accomplished by "clearing," "purging," or "physical destruction" in accordance with National Institute of Standards and Technology (NIST) Special Publication 800-88 or most current industry standard.

6.3 Transition Services and Disposition of City Data. Notwithstanding anything to the contrary set forth in the accompanying Purchase Order and Corresponding Documents, upon expiration or termination of the SaaS Services under this Term Sheet:

6.3.1 Contractor may immediately discontinue the SaaS Services and City shall immediately cease accessing the SaaS Application and Services. Contractor shall within five (5) calendar days of the expiration or termination of the SaaS Services return City's data in an agreed-upon machine readable format. This provision shall also apply to all City Data that is in the possession of subcontractors, agents, or auditors of Contractor. Such data transfer shall be done at no cost to the City. Once Contractor has received written confirmation from City that City's Data has been successfully transferred to City, Contractor shall within thirty (30) calendar days clear, purge, or physically destroy all City Data from its hosted servers or files, and provide City with written certification within five (5) calendar days that such clear or purge, and/or physical destruction has occurred. Secure disposal shall be accomplished by "clearing," "purging", or "physical destruction" in accordance with National Institute of Standards and Technology (NIST) Special Publication 800-88 or most current industry standard.

6.3.2 Contractor shall provide to City and/or Successor Service Provider assistance requested by City to affect the orderly transition of the SaaS Services, in whole or in part, to City or to Successor Service Provider. During the transition period, SaaS and City Data access shall continue to be made available to City without alteration. Such Transition Services shall be provided on a time and materials basis if the City opts to return to its own servers or City chooses a Successor Service Provider. Transition costs may include: (a) developing a plan for the orderly transition of the terminated SaaS Services from Contractor to Successor Service Provider; (b) if required, transferring the City Data to Successor Service Provider; (c) using commercially reasonable efforts to assist City in acquiring any necessary rights to legally and physically access and use any third-party technologies and documentation then being used by Contractor in connection with the Services; (d) using commercially reasonable efforts to make available to City, pursuant to mutually agreeable terms and conditions, any third-party services then being used by Contractor in connection with the SaaS Services; and (e) such other activities

upon which the Parties may agree. Notwithstanding the foregoing, should City terminate this Term Sheet, City may elect to use the Services for a period of no greater than six (6) months from the date of termination at a reduced rate of twenty (20%) percent off of the then-current Services Fees for the terminated Services. All applicable terms and conditions of this Term Sheet shall apply to the Transition Services. This Section 6.3.2 shall survive the termination of this Term Sheet.

6.4 **Survival.** This Section and the following Sections of this Term Sheet listed below, shall survive termination or expiration of this Term Sheet and the Agreement:

6.5	Data Rights
-----	-------------

6.5 **Data Rights.**

6.5.1 Preexisting Data of each Party that will be included as a Deliverable under this Term Sheet and the Agreement will be identified in the Purchase Order and Corresponding Documents. Preexisting Data of the City may only be used by Contractor for purposes of the scope of work of this Term Sheet, unless such data is otherwise publicly available.

Access to City's Confidential Information must be strictly controlled and limited to Contractor's staff assigned to this project on a need-to-know basis only. Contractor is provided a limited non-exclusive license to use the City Data solely for performing its obligations under the Agreement and not for Contractor's own purposes or later use. The SaaS Application shall be capable of creating a digital, reusable copy of the City Data, in whole and in parts, as a platform independent and machine-readable file. Such file formats include, without limitation, plain text files such as comma-delimited tables, extensible markup language, and javascript object notation. City Data that is stored in binary formats, including without limitation portable document format, JPEG, and portable network graphics files, shall instead be reproducible in the same format in which it was loaded into the SaaS Application. This reusable copy must be made available in a publicly documented and non-proprietary format, with a clearly-defined data structure and a data dictionary for all terms of art contained in the data. For purposes of this section, non-proprietary formats include formats for which royalty-free codecs are available to End Users. Contractor warrants that City shall be able to extract City Data from the SaaS Application on demand, but no later than twenty-four (24) hours of City's request, without charge and without any conditions or contingencies whatsoever (including but not limited to the payment of any fees to Contractor).

7.1.4 Backup and Recovery of City Data. As a part of the SaaS Services, Contractor is responsible for maintaining a backup of City Data and for an orderly and timely recovery of such data in the event of data corruption or interruption of the SaaS Services. Unless otherwise described in this Term Sheet, the Agreement and/or accompanying Purchase Orders, Contractor shall maintain a contemporaneous backup of City Data that can be recovered within the requirements in this Term Sheet and the Agreement and as outlined in this Term Sheet, the Agreement, and/or accompanying Purchase Orders and maintaining the security of City Data as further described herein. Contractor's backup of City Data shall not be considered in calculating storage used by City.

7.1.5 Data Breach; Loss of City Data. Notwithstanding anything to the contrary set forth in the Agreement and accompanying Purchase Orders, in the event of any Data Breach, act, SaaS Software Error, omission, negligence, misconduct, or breach that compromises or is suspected to compromise the security, confidentiality, or integrity of City Data or the physical, technical, administrative, or organizational safeguards put in place by Contractor that relate to the protection of the security, confidentiality, or integrity of City Data, Contractor shall, as applicable:

(j) Contractor shall retain and preserve City Data in accordance with the City's instruction and requests, including without limitation any retention schedules and/or litigation hold orders provided by the City to Contractor, independent of where the City Data is stored.

(k) City shall conduct all media communications related to such Data Breach, unless in its sole discretion, City directs Contractor to do so.

Contractor understands and agrees that, in the performance of the work or Services under this Term Sheet and the Agreement may involve access to City Data that is Confidential Information. Contractor and any subcontractors or agents shall use Confidential Information only in accordance with all applicable local, state and federal laws restricting the access, use, and disclosure of Confidential Information and only as necessary in the performance of this Term Sheet and the Agreement. Contractor's failure to comply with any requirements of local, state, or federal laws restricting access, use, and disclosure of Confidential Information shall be deemed a material breach of this Term Sheet and the Agreement, for which City may terminate this Term Sheet and the Agreement. In addition to termination or any other remedies set forth in this Term Sheet and the Agreement or available in equity or law, the City may bring a false claim action against Contractor pursuant to Chapters 6 or 21 of the Administrative Code, or debar Contractor. Contractor agrees to include all of the terms and conditions regarding Confidential Information contained in this Term Sheet and the Agreement in all subcontractor or agency contracts providing Services under this Term Sheet and the Agreement.

Subject to San Francisco Administrative Code Section 67.24(e), any state open records or freedom of information statutes, and any other applicable laws, Contractor agrees to hold all Confidential Information in strict confidence and not to copy, reproduce, sell, transfer, otherwise dispose of, give, or disclose such Confidential Information to third-parties other than its employees, agents, or authorized subcontractors who have a need to know in connection with this Term Sheet and the Agreement or to use such Confidential Information for any purposes whatsoever other than the performance of this Term Sheet and the Agreement. Contractor agrees to advise and require its respective employees, agents, and subcontractors of their obligations to keep all Confidential Information confidential.

7.2.3 Nondisclosure. Contractor shall implement reasonably required safeguards as identified by any audit of Contractor’s data privacy and information security program or promptly notify City in writing if Contractor is unable to implement mitigation measures to address the issue(s). Upon any such notification, City shall have the right, without further obligation or liability to Contractor, to terminate this Term Sheet and the Agreement. In the case of a Force Majeure Event, Contractor shall immediately commence disaster recovery services as described in Section 7.4 of this Term Sheet.

8.2 Duration. In a Force Majeure Event, the non-performing Party shall be excused from further performance or observance of the obligation(s) so affected for as long as such circumstances prevail and such Party continues to use its best efforts to recommence performance or observance whenever and to whatever extent possible without delay. Any Party so delayed in its performance shall immediately notify the Party to whom performance is due by telephone (to be confirmed in writing within two (2) days of the inception of such delay) and describe at a reasonable level of detail the circumstances causing such delay.

8.3 Effect. If a Force Majeure Event substantially prevents, hinders, or delays performance of the Services as critical for more than fifteen (15) consecutive days, then at City’s option: (i) City may terminate any portion of this Term Sheet and the accompanying Purchase Order so affected and the charges payable hereunder shall be equitably adjusted to reflect those terminated Services; or (ii) City may terminate this Term Sheet and the accompanying Purchase Order without liability to City or Contractor as of a date specified by City in a written notice of

termination to Contractor. Contractor shall not have the right to any additional payments from City for costs or expenses incurred by Contractor as a result of any force majeure condition that lasts longer than three (3) days.

In the event that a disaster occurs and Contractor fails to restore the hosting services within twenty-four (24) hours of the initial disruption to Services, City may, in its discretion, deem such actions to be a material default by Contractor incapable of cure, and City may immediately terminate this Term Sheet and the accompanying Purchase Order. For purposes of this Term Sheet, a “disaster” shall mean an interruption in the hosting services or the inability of Contractor to provide City with the SaaS Application and hosting services for any reason that could not be remedied by relocating the SaaS Application and hosting services to a different physical location outside the proximity of its primary Data Center.

Contractor shall provide electronic notification within 2 hours of discovery and subsequent monthly reporting of any incidents or breaches that had occurred within the environment or to the hosted application. In the event of a breach, Contractor shall follow the procedures set forth in Article 7 of this Term Sheet.

G. Availability of SaaS Services. Contractor (or its Hosting Service contractor) shall host the SaaS Services on computers owned or controlled by Contractor (or its contractor) and shall provide the City with access to both a production environment with SaaS Application and data and a test environment with SaaS Application via Internet-access to use according to the terms herein.

1. **Hosted System Uptime.** Other than Scheduled SaaS Maintenance Services as outlined in Section III, emergency maintenance described below, Force Majeure as described in this Term Sheet and lack of Internet availability as described below, Contractor shall provide uptime to the SaaS Application and Hosted Service to achieve a 99.9% Service Level Availability.

2. **Scheduled SaaS Maintenance.**

i. Contractor shall conduct Scheduled SaaS Maintenance during the following hours: Saturdays between 12 AM (Pacific Time) and 8 AM (Pacific Time), with the same exclusions noted in subsection 1, above.

ii. Scheduled SaaS Maintenance shall not exceed an average of 4 hours per month over a twelve (12) month period except for major scheduled upgrades.

3. **Unscheduled SaaS Maintenance.** Contractor shall use commercially reasonable efforts to prevent more than one (1) hour of continuous down time during business hours in any month for which unscheduled SaaS maintenance is required. If Contractor fails to meet this obligation for a period of three (3) successive calendar months, Contractor shall furnish City with a Performance Credit in the amount of 10% of the Services Fees (as calculated on a monthly basis for the reporting month).

4. **Emergency Maintenance.** If Force Majeure Events or emergencies arise or continue, Contractor shall be entitled to take any actions that Contractor, in good faith, determines is necessary or advisable to prevent, remedy, mitigate, or otherwise address actual or potential harm, interruption, loss, threat, security, or like concern to any of the SaaS systems or

the SaaS Software. Such emergency maintenance may include, but is not limited to: analysis, testing, repair, maintenance, re-setting and other servicing of the hardware, cabling, networks, software and other devices, materials, and systems through which access to and/or use of the SaaS Software by City is made available. Contractor shall endeavor to provide advance written notice of such emergency maintenance to City as soon as is reasonably possible.

5. **Notice of Unavailability.** In the event there will be more than thirty (30) minutes down time of any SaaS or Hosted Service components for any reason including, but not limited to, Scheduled SaaS Maintenance or emergency maintenance, Contractor shall provide notice to users by posting a web page that indicates that the site is temporarily unavailable and to please come back later. Contractor shall also provide advanced e-mail notice to the City email(s) to which the license(s) are registered, which will include at least a brief description of the reason for the down time and an estimate of the time when City can expect the site to be up and available.

H. Changes in Functionality. During the term of the Term Sheet and the Agreement, Contractor shall not reduce or eliminate functionality in SaaS Services. Where Contractor has reduced or eliminated functionality in SaaS Services, City, in its sole election, shall: (i) have, in addition to any other rights and remedies under the Term Sheet and the Agreement or at law, the right to immediately terminate the Term Sheet and the Agreement and be entitled to a return of any prepaid fees; or (ii) determine the value of the reduced or eliminated functionality and Contractor shall immediately adjust the Services fees accordingly on a prospective basis. Where Contractor increases functionality in the SaaS Services, such functionality shall be provided to City without any increase in the Services fees.

II. SaaS Data Centers.

A. Control. The method and means of providing the Services shall be under the exclusive control, management, and supervision of Contractor, giving due consideration to the requests of City. Contractor, or any previously approved subcontractor, shall provide the Services (including data storage) solely from within the continental United States and on computing and data storage devices residing in the United States.

B. Data Center Standards.

Contractor's Data Centers shall have fully redundant and diverse network paths to City endpoints. Data Centers shall be located in geographically different seismic zones characterized by the lowest predicted chance of damage as defined by the US Geological Survey Earthquake Hazards Program.

Environmental systems must monitor/detect temperature, humidity, fluid leaks, and fire/smoke/particulate and have accompanying suppression systems. Fire suppression systems should be dry pipe. Power should be fully conditioned to avoid spikes and other aberrations that can damage equipment. Temporary power units, such as generators, must be in place to support SaaS Services in the event of a power outage for up to three (3) calendar days, and fuel replenishment contracts must be in place to keep temporary power operational for longer periods.

C. Location. The location of the approved Data Centers that will be used to host the SaaS Application will be clearly identified in the Agreement and/or accompanying Purchase Orders. They shall include a Primary Tier 3 Data Center and a Back-up Tier 2 Data Center.

D. Replacement Hosted Provider. In the event Contractor changes the foregoing Hosted Provider, Contractor shall provide City with prior written notice of said change and disclose the name and location of the replacement Hosted Provider. The replacement Hosted Provider shall be a reputable Hosted Provider comparable to Contractor's current Hosted Provider, and said replacement Hosted Provider shall be located within the United States. If applicable, the replacement Hosted Provider shall perform a SSAE 18, SOC 2, Type 2 Report and/or an SSAE 18, SOC 1, Type 2 Audit Report at least annually, in accordance with Section 13.3 of the Term Sheet.

E. Notice of Change. If the location of the Data Center used to host the SaaS Application is changed, Contractor shall provide City with written notice of said change at least sixty (60) days prior to any such change taking place. Contractor shall disclose the address of the new facility, which shall be within the United States. The Data Centers referenced above are subcontractors that must be approved by City.

F. Subcontractors. Contractor shall not enter into any subcontracts for the performance of the Services, or assign or transfer any of its rights or obligations under the Term Sheet and the Agreement, without City's prior written consent and any attempt to do so shall be void and without further effect and shall be a material breach of the Term Sheet and the Agreement. Contractor's use of subcontractors shall not relieve Contractor of any of its duties or obligations under the Term Sheet and the Agreement.

III. SaaS Maintenance Services.

A. The SaaS Software maintained under this Term Sheet and the Agreement shall be the SaaS Software set forth in the Term Sheet, Agreement, and/or accompanying Purchase Orders.

B. The following SaaS Maintenance Services are included as part of the Term Sheet and the Agreement:

1. **Contractor Software Version Upgrades, Software Revisions and Patches.** Contractor shall provide and implement all SaaS Software Version upgrades, SaaS Software Revisions, and SaaS Software Patches to ensure: (a) that the functionality of the SaaS Software and Services, as described in the Documentation, is available to Authorized Users; (b) that the functionality of the SaaS Software and Services is in accordance with the representations and warranties set forth herein including, but not limited to, the SaaS Software and Services conforming in all material respects to the specifications, functions, descriptions, standards, and criteria set forth in the Documentation; (c) that the Service Level Standards can be achieved; and (d) that the SaaS Software Services work with the non-hosted browser version.

The following provisions shall also apply, but only if the City provides Contractor with a written request so naming each section below upon issuance of the Agreement and accompanying Purchase Orders:

- i. **Planning.** Contractor must assist the City with the planning and logistics of upgrades and updates.
- ii. **Technical Assistance.** Contractor must provide technical assistance regarding release notes, new functionality, and new application workflows.
- iii. **Deployment.** Deployment of these revisions will be mutually agreed upon between Contractor and City.
- iv. **Software Releases.** Release of Software revisions as defined will be conducted on a schedule as determined by Contractor. Contractor shall provide no less than a thirty (30) calendar day prior written notice of when any such revision is scheduled to be released. City will be granted a fifteen (15) calendar day evaluation window to review release documentation regarding software modules being impacted and general revision changes.
- v. **Testing.** After the evaluation period, Contractor shall conduct a deployment of the revision to the City test environment. The Software deployment will be scheduled in writing five (5) calendar days prior to actual deployment activities. As part of the upgrade activities within the Test Environment, Contractor may provide nominal testing to ensure all systems are functional and the revision deployment was successful. Post deployment activities include an e-mail or portal post to serve as written notification that this service has been completed. City shall have forty-five (45) calendar day test window in which City has ability to test and raise issues with Contractor. Test environment deployment activities will be conducted during a mutually agreed-to time window and may not necessarily align with the production maintenance windows as described within this document.
- vi. **Severity 1 and Severity 2 Incident Correction.** If a SaaS Severity Level 1 or Severity Level 2 Issue is identified and appropriately triaged and classified by both Contractor and City during the test environment deployment test window, Contractor shall correct the SaaS Issue. The severity of a SaaS Issue will be initially defined by the City and confirmed by Contractor. Until the SaaS Issue has been resolved, the Severity Level may be raised or lowered based on Contractor's analysis of impact to business. If the SaaS Issue can be corrected and can be redeployed within the remainder of the deployment test window, City will have an

additional five (5) testing days in which to evaluate and further test for the SaaS Issue resolution. If the SaaS Issue cannot be corrected within the remainder of the test window, Contractor will deploy immediately upon availability with as much notice as practicable. City will be allowed an additional five (5) testing days to evaluate the correction post the test window if desired.

- vii. **Testing Suspension.** If at any time during the testing window City identifies the presence of multiple SaaS Severity Level 1 or Severity Level 2 Issues that can be shown to materially impact City ability to continue testing, City may in writing elect to suspend testing until corrections for the SaaS Issues can be provided. Contractor will deploy corrections immediately upon availability with as much notice as practicable. Upon release of corrections, City will have five (5) calendar days to commence the testing within the then available remaining testing window.
- viii. **Software Promotion.** Contractor will promote revision from Test Environment to Production and Back-up environments after the provided test window has elapsed. The Software promotion will be scheduled in writing five (5) calendar days prior to actual deployment activities. As part of the promotion activities within the Production and Back-up environment, Contractor may provide nominal testing to ensure all systems are functional and the revision promotion was successful. Post promotion activities include an e-mail or portal post to serve as written notification that this service has been completed. At the point of e-mail or portal posting, the new revision will be considered “in production” and supported under the maintenance service terms described here within.
- ix. **Documentation.** In support of such SaaS Software Version upgrades, SaaS Software Revisions and SaaS Software patches, Contractor shall provide updated user technical documentation reflecting the SaaS Software Version upgrades, SaaS Software Revisions and SaaS Software patches as soon as reasonably practical after the SaaS Software Version upgrades, SaaS Software Revisions and SaaS Software Patches have been released. Updated user technical documentation that corrects SaaS Software Errors or other minor discrepancies will be provided to Contractor’s customers when available.
- x. **Training.** Contractor must provide standard training using Contractor’s upgrade tools and provide ongoing knowledge transfer to the City.

2. **Third-Party Software Revisions.** At its election, Contractor will provide periodic software revisions of Third-Party Software with the SaaS Software without further charge provided the following conditions are met: (i) the Third-Party Software revision corrects a malfunction or significant publicly disclosed security threat in the Third-Party Software that affects the operation or ability to provide secure use of the SaaS Software; and (ii) the Third-Party Software Revision has, in the opinion of Contractor, corrected malfunctions or a significant security threat identified in Contractor's Technology System and has not created any additional malfunctions; and (iii) the Third-Party Software revision is available to Contractor. City is responsible for obtaining and installing or requesting installation of the Third-Party Software revision if the Third-Party Software was not licensed to City by or through Contractor. Contractor Software revisions provided by Contractor are specifically limited to the Third-Party Software identified and set forth in the Agreement and accompanying Purchase Orders.

C. Response to SaaS Issues. Contractor shall provide verbal or written responses to SaaS Issues identified by City in an expeditious manner. Such responses shall be provided in accordance with the Target Response Times defined under Section V of this Appendix (Technical Support).

D. SaaS Software Maintenance Acceptance Period. Unless otherwise agreed to by City on a case-by-case basis, for non-emergency maintenance, City shall have a twenty (20) business day period to test any maintenance changes prior to Contractor introducing such maintenance changes into production. If the City rejects, for good cause, any maintenance changes during the SaaS Software Maintenance Acceptance Period, Contractor shall not introduce such rejected maintenance changes into production. At the end of the Maintenance Acceptance Period, if City has not rejected the maintenance changes, the maintenance changes shall be deemed to be accepted by City and Contractor shall be entitled to introduce the maintenance changes into production.

E. SaaS Hardware. Contractor shall use commercially reasonable efforts to ensure that all hardware (including servers, routers, and other related equipment) on which the SaaS Application is deployed are attached to back-up power systems sufficient to maintain the site's availability for so long as any power outage could reasonably be expected to occur, based on the experience of Contractor at its deployment location and consistent with the Tier rating of the Data Center required under Section (I)(E) of this Appendix.

IV. City Responsibilities.

A. City shall provide Contractor with timely notification of any SaaS Issues or SaaS Software Errors by either of these methods:

1. **Contacting Contractor's Customer Support;** or

D. Discovery of SaaS Software Errors. Upon discovery of a SaaS Software Error, City agrees, if requested by Contractor, to submit to Contractor a listing of output and any other data that Contractor may require in order to reproduce the SaaS Software Error and the operating conditions under which the SaaS Software Error occurred or was discovered.

V. 24X7 Technical Support.

A. 24x7 Technical Support. Authorized Users will make Technical Support requests 24/7 by calling or emailing Contractor's Technical Support staff or by submitting a request via Contractor's service desk web portal. The Technical Support staff shall assign to the request the Incident Severity Level (as defined herein) indicated by the City. Severity Level 1 and 2 Incidents items will be addressed 24/7/365. Severity Level 3 and 4 Incidents will be addressed during the standard business hours of 6:00 a.m. - 6:00 p.m. US Pacific Time.

Incident Severity Level	<i>Target Response Time</i>
<p>Severity Level 1: Requires immediate attention – Critical production functionality is not available or a large number of users cannot access the SaaS Application. Causes a major business impact where service is lost or degraded and no workaround is available, preventing operation of the business.</p>	<p>Request Response Time: 15 minutes. Request Resolution Time Target: < 2 hours. Maximum Permitted Request Resolution Time: < 12 hours</p> <p><i>City shall be entitled to a Service Credit of 15% of the Monthly Hosting Fee paid for each failure timely to achieve resolution. If Fees are paid annually, the 15% shall apply to 1/12 of that annual fee.</i></p>
<p>Severity Level 2: Requires priority attention – Some important production functionality is not available, or a small number of users cannot access the system. Causes significant business impact where service is lost or degraded and no workaround is available; however, the business can continue to operate in a limited fashion.</p>	<p>Request Response Time: 30 minutes Request Resolution Time Target: < 4 hours Maximum Permitted Request Resolution Time: < 48 hours</p> <p><i>City shall be entitled to a Service Credit of 10% of the Monthly Hosting Fee paid for each failure timely to achieve resolution. <p>Severity Level 4: There is a problem or issue with no loss of service and no business impact.</p>	<p>Request Response Time: 4 hr. Request Resolution Time Target: < 96 hours Maximum Permitted Request Resolution Time: < 7 days</p>

1. SERVICE CREDIT ESCALATION.

In the event of a Severity Level 1 issue that is not resolved sufficiently quickly as determined in the City's sole discretion, City may escalate the problem to Contractor's Chief Technology Officer.

2. ROOT CAUSE ANALYSIS.

Following the resolution of a Severity Level 1 OR Level 2 incident, Contractor will discuss with City the cause of the failure, the actions Contractor took to resolve the failure, a timeline of the event and the actions Contractor plans to take to prevent such failure from recurring, and, if requested, Contractor will provide City a written summary of such discussion. Contractor will, on request, provide detailed documentation of the root cause analysis and preventative actions taken or planned with clear dates for completion of the action(s).

Appendix B

Service Level Obligations: Minimum Requirements

The following represent minimum requirements that Contractor shall meet or exceed with regards to its Service Level Obligations.

A. Time is of the Essence. For the term of the Term Sheet and the Agreement, Contractor shall provide SaaS Services, Force Majeure events excepted, during the applicable Service Windows and in accordance with the applicable Service Levels as described herein, time being of the essence.

B. Service Levels.

1. Availability Service Level.

a. Definitions.

- i. Actual Uptime:** The total minutes in the reporting month that the Services were actually available to Authorized Users for normal use.
- ii. Scheduled Downtime:** The total minutes in the reporting month during which Scheduled SaaS Maintenance was performed.
- iii. Scheduled Uptime:** The total minutes in the reporting month less the total minutes represented by the Scheduled Downtime.

b. Service Level Standard. Services shall be available to Authorized Users for normal use 100% of the Scheduled Uptime.

i. Calculation: $(\text{Actual Uptime} / \text{Scheduled Uptime}) * 100 = \text{Percentage Uptime}$ (as calculated by rounding to the second decimal point)

ii. Performance Credit.

- 1) Where Percentage Uptime is greater than 99.9%:** No Performance Credit will be due to City.
- 2) Where Percentage Uptime is equal to or less than 99.9%:** City shall be due a Performance Credit in the amount of 20% of the Services Fees (as calculated on a monthly basis for the reporting month) for each full 1% reduction in Percentage Uptime.

2. Response Time Service Level.

a. Definition(s).

i. Response Time: The interval of time from when an Authorized User requests, via the Services, a Transaction to when visual confirmation

of Transaction completion is received by the Authorized User. For example, Response Time includes the period of time representing the point at which an Authorized User enters and submits data to the Services and the Services display a message to the Authorized User that the data has been saved.

ii. Total Transactions: The total of Transactions occurring in the reporting month.

iii. Transaction(s): Services web page loads, Services web page displays, and Authorized User Services requests.

b. Service Level Standard. Transactions shall have a Response Time of two (2) seconds or less 99.9% of the time each reporting month during the periods for which the Services are available.

i. Calculation: $((\text{Total Transactions} - \text{Total Transactions failing Standard}) / \text{Total Transactions}) * 100 = \text{Percentage Response Time}$ (as calculated by rounding to the second decimal point).

ii. Performance Credit.

1) Where Percentage Response Time is greater than 99.9%: No Performance Credit will be due to City.

2) Where Percentage Response Time is equal to or less than 99%: City shall be due a Performance Credit in the amount of 20% of the Services Fees (as calculated on a monthly basis for the reporting month) for each full 1% reduction in Percentage Response Time.

3. Technical Support Problem Response Service Level.

a. Definition.

i. Total Problems: The total number of problems occurring in the reporting month.

b. Service Level Standard. Problems shall be confirmed as received by Contractor 100% of the time each reporting month, in accordance with the Request Response Time associated with the SaaS Severity Level.

i. Calculation: $((\text{Total Problems} - \text{Total Problems failing Standard}) / \text{Total Problems}) * 100 = \text{Percentage Problem Response}$ (as calculated by rounding to the second decimal point). Note: This Calculation must be completed for each SaaS Severity Level.

ii. Performance Credit.**1) SaaS Severity Level 1 – 2.**

- i) Where Percentage Problem Response is greater than 99.9%:** No Performance Credit will be due to City.
- ii) Where Percentage Problem Response is equal to or less than 99%:** City shall be due a Performance Credit in the amount of 20% of the Services Fees (as calculated on a monthly basis for the reporting month) for each full 1% reduction in Percentage Problem Response.

2) SaaS Severity Level 3 – 4.

- i) Where Percentage Problem Response is greater than 99.9%:** No Performance Credit will be due to City.
- ii) Where Percentage Problem Response is equal to or less than 99%:** City shall be due a Performance Credit in the amount of 20% of the Services Fees (as calculated on a monthly basis for the reporting month) for each full 1% reduction in Percentage Problem Response.

C. Service Level Reporting. On a monthly basis, in arrears and no later than the fifteenth (15th) calendar day of the subsequent month following the reporting month, Contractor shall provide reports to City describing the performance of the SaaS Services and of Contractor as compared to the service level standards described herein. The reports shall be in a form agreed-to by City, and, in no case, contain no less than the following information: (a) actual performance compared to the Service Level Standard; (b) the cause or basis for not meeting the service level standards described herein; (c) the specific remedial actions Contractor has undertaken or will undertake to ensure that the service level standards described herein will be subsequently achieved; and (d) any Performance Credit due to City. Contractor and City will meet as often as shall be reasonably requested by City, but no less than monthly, to review the performance of Contractor as it relates to the service level standards described herein. Where Contractor fails to provide a report for a service level standard described herein in the applicable timeframe, the service level standard shall be deemed to be completely failed for the purposes of calculating a Performance Credit. Contractor shall, without charge, make City's historical service level standard reports to City upon request.

D. Failure to Meet Service Level Standards. In the event Contractor does not meet a service level standard described herein, Contractor shall: (a) owe to City any applicable Performance Credit, as liquidated damages and not as a penalty; and, (b) use its best efforts to ensure that any unmet service level standard described herein is subsequently met. Notwithstanding the foregoing, Contractor will use its best efforts to minimize the impact or

duration of any outage, interruption, or degradation of Service. In no case shall City be required to notify Contractor that a Performance Credit is due as a condition of payment of the same.

E. Termination for Material and Repeated Failures. City shall have, in addition to any other rights and remedies under the Term Sheet and the Agreement or at law, the right to immediately terminate the Term Sheet and the Agreement and be entitled to a return of any prepaid fees where Contractor fails to meet any service level standards described herein: (a) to such an extent that the City's ability, as solely determined by City, to use the SaaS Services is materially disrupted, Force Majeure events excepted; or, (b) for four (4) months out of any twelve (12) month period.

F. Audit of Service Levels. No more than quarterly, and upon written request by City upon issuance of the Agreement and accompanying Purchase Orders, City shall have the right to audit Contractor's books, records, and measurement and auditing tools to verify service level obligations achievement and to determine correct payment of any Performance Credit. Where it is determined that any Performance Credit was due to City but not paid, Contractor shall immediately owe to City the applicable Performance Credit.

Appendix C

Disaster Recovery Plan: Minimum Requirements

The following represent minimum requirements that Contractor shall meet or exceed with regard to its Disaster Recovery Plan.

- A.** In the case of emergency or failure, this Disaster Recovery plan will be used to restore and continue service. Disaster Recovery is required when Contractor, in good faith, feels that an emergency failure jeopardizes its ability to meet its Service Level Obligations. Contractor shall use best efforts to restore operations at the same location or, at Contractor's discretion, a backup location. City acknowledges and agrees that such an event may result in partial or degraded service when restored. The pre-disaster/loss level of service shall be restored as soon as commercially reasonable.
- B. Restoration Targets:** Restoration of services timeframes will be defined and measured as Recovery Point Objectives and Recovery Time Objectives.
- C. Recovery Point Objective:** The Recovery Point Objective (RPO) is defined to be the maximum acceptable amount of data loss for which City may experience due to a temporary loss of hosted services and applications. Contractor shall deliver a maximum RPO of eight (8) hours based on incremental backups being made available between production and backup facilities and recovery, if any, of production data.
- D. The Recovery Time Objective:** The Recovery Time Objective (RTO) is the maximum period of continuous time during which access to the SaaS Application shall not be available to the City. Contractor shall deliver a maximum RTO of forty-eight (48) hours for the SaaS Application.
- E. Data Synchronization:** Data Synchronization is the act of replicating or "mirroring" data from the Primary Environment to an off-site "backup" location (the Back-up Tier 2 Data Center). Data Synchronization is to be used in the case of a Disaster Recovery event to restore service. Data Synchronization must occur at a set interval of once per eight (8) hours for incremental data set changes and weekly for a full backup.
- F. Recovery Testing:** Contractor shall regularly test and exercise the Disaster Recovery Plan to ensure that the Tier 2 Back-up Data Center and Data Synchronization processes are functioning as expected. City shall allow for a maximum of a two (2) week runtime within the Back-Up Data Center before returning system operation to Primary Data Center.
- G. Backup and Recovery:** Backups of the production servers will occur every 8 hours, retained for thirty (30) days, and stored locally at the primary data center on a separate managed storage device. These images will be used to recover servers if any issues occur. The backup images will periodically be replicated throughout the day to the secondary staged server environment for the purposes of site recovery. This replication will occur on a private protected fiber ring connecting the two data centers. In the event of a site disaster, a request

can be made to the support desk and the most current server image set can be brought up as the production environment.

Source Code for all of the programs and all supporting Documentation for the Licensed Software then operating and installed at City's locations. If City should obtain the Source Code and the Documentation pursuant to this section, the only use made of the Source Code and the Documentation will be for the proper maintenance of the Licensed Software in connection with City's use of the Licensed Software as provided for, and limited by, the provisions of this Term Sheet and the Agreement.

Notwithstanding anything to the contrary in the Purchase Order and Corresponding Documents, and upon written request by City in the accompanying Purchase Order, in furtherance of its obligations as stated above, Contractor will provide to City a copy of the Source Code which corresponds to the most current version of the Licensed Software. If any of the Licensed Software products are lost or damaged while in the possession of the City, Contractor will promptly replace such products without charge, except for program storage media, unless supplied by the City.

4.3 **Acceptance Testing.** After Contractor has installed and configured the Licensed Software pursuant to this Term Sheet and the Agreement, the City shall have a period of **thirty** (30) days (“Acceptance Testing Period”) from the date of installation to verify that the Licensed Software substantially performs to the specifications contained in the Documentation. At the end of the ninety (90) day trial period, City must elect one of the following three options: (i) City may retain and continue the old version of the Licensed Software, return the new version to Contractor and continue to pay the applicable rental or license fee and maintenance charges for the old version; (ii) City may retain and use the new version of the Licensed Software and return the old version to Contractor, provided City pays Contractor the applicable rental or license fee and maintenance charges for the new version of the Licensed Software; or (iii) City may retain and use both versions of the products, provided City pays Contractor the applicable rental or license fee and maintenance

charges for both versions of the Licensed Software. City will promptly issue the necessary document(s) to accomplish the above.

6.2 During the term of this Term Sheet and the Agreement, Contractor will furnish Error, Defect or Malfunction correction in accordance with the Priority Categories listed below, based on the City's determination of the severity of the Error, Defect or Malfunction and Contractor's reasonable analysis of the priority of the Error, Defect, or Malfunction.

6.2.1 **Priority 1:** An Error, Defect or Malfunction that renders the Software inoperative; or causes the Software to fail catastrophically.

6.2.2 **Priority 2:** An Error, Defect or Malfunction that substantially degrades the performance of the Software, but does not prohibit the City's use of the Software.

6.2.3 **Priority 3:** An Error, Defect or Malfunction that causes only a minor impact on the use of the Software.

6.3 Contractor will furnish Error, Defect, or Malfunction correction in accordance with the following protocols:

6.3.1 **Priority 1 Protocol:** Within two hours, Contractor assigns a product technical specialist(s) to diagnose and correct the Error, Defect, or Malfunction; thereafter, Contractor shall provide ongoing communication about the status of the correction; shall proceed to immediately provide a Fix, a Patch, or a Workaround; and exercise all commercially reasonable efforts to include a Fix or Patch for the Error, Defect, or Malfunction in the next Subsequent Release. Contractor will escalate resolution of the problem to personnel with successively higher levels of technical expertise until the Error, Defect, or Malfunction is corrected.

6.3.2 **Priority 2 Protocol:** Within four hours, Contractor assigns a product technical specialist(s) to diagnose the Error, Defect, or Malfunction and to commence correction of the Error, Defect or Malfunction; to immediately provide a Workaround; to provide escalation procedures as reasonably determined by Contractor's staff; and to exercise all commercially reasonable efforts to include a Fix or Patch for the Error, Defect or Malfunction in the next Software maintenance release.

6.3.3 **Priority 3 Protocol:** Contractor may include a Fix or Patch in the next Software major release.

6.4 **Hotline Support.** Contractor shall provide remote access hotline support to City to help City answer routine questions with respect to the use of the Software. Hotline support shall be available by electronic bulletin board, electronic mail or other service twenty-four (24) hours a day, seven (7) days a week. Responses to questions posted by electronic means will be made within the time frame established under Priority Protocols for an Error, Defect or Malfunction in a Software Product.

Article 7 Indemnity

7.1 Infringement Indemnification. If notified promptly in writing of any judicial action brought against City based on an allegation that City's use of the Licensed Software infringes a patent, copyright, or any right of a third party or constitutes misuse or misappropriation of a trade secret or any other right in intellectual property (Infringement), Contractor will hold City harmless and defend such action at its own expense. Contractor will pay the costs and damages awarded in any such action or the cost of settling such action, provided that Contractor shall have sole control of the defense of any such action and all negotiations or its settlement or compromise. If notified promptly in writing of any informal claim (other than a judicial action) brought against City based on an allegation that City's use of the Licensed Software constitutes Infringement, Contractor will pay the costs associated with resolving such claim and will pay the settlement amount (if any), provided that Contractor shall have sole control of the resolution of any such claim and all negotiations for its settlement.

In the event a final injunction is obtained against City's use of the Licensed Software by reason of Infringement, or in Contractor's opinion City's use of the Licensed Software is likely to become the subject of Infringement, Contractor may at its option and expense: (a) procure for City the right to continue to use the Licensed Software as contemplated hereunder, (b) replace the Licensed Software with a non-infringing, functionally equivalent substitute Licensed Software, or (c) suitably modify the Licensed Software to make its use hereunder non-infringing while retaining functional equivalency to the unmodified version of the Licensed Software. If none of these options is reasonably available to Contractor, then the Agreement may be terminated at the option of either Party hereto and Contractor shall refund to City all amounts paid under this Term Sheet and the accompanying Purchase Order for the license of such infringing Licensed Software. Any unauthorized modification or attempted modification of the Licensed Software by City or any failure by City to implement any improvements or updates to the Licensed Software, as supplied by Contractor, shall void this indemnity unless City has obtained prior written authorization from Contractor permitting such modification, attempted modification or failure to implement. Contractor shall have no liability for any claim of Infringement based on City's use or combination of the Licensed Software with products or data of the type for which the Licensed Software was neither designed nor intended to be used.

Article 8 Survival

8.1 Disposition of Licensed Software on Termination. Upon termination of this Term Sheet for any reason other than as provided for in Section 4.1 ("Grant of License"), if the term of the Software License City has paid for is other than perpetual, City shall immediately: (i) return the Licensed Software to Contractor together with all Documentation; (ii) purge all copies of the Licensed Software or any portion thereof from all CPUs and from any computer storage medium or device on which City has placed or permitted others to place the Licensed Software; and (iii) give Contractor written certification that through its best efforts and to the best of its knowledge, City has complied with all of its obligations under this Section 8.1.
