RE: Board of Supervisors notice to hear MEP permit revocation

Madame Clerk:

With the support of my undersigned colleagues, I hereby submit notice, pursuant to SEC. 786(e)(2)(A)(v) of the Public Works Code, to bring the Major Encroachment Permit (approved through Board of Supervisors Resolution 238-70) governing the Pedestrian Bridge spanning Kearny Street from the Hilton Hotel (750 Kearny, Block 0208 Lot 024) to Portsmouth Square (Block 0209 Lot 017) to the Board of Supervisors for an administrative hearing to consider revocation of the permit at a March 2022 Committee of the Whole to be determined by your office.

Pursuant to Public Works Order No: 188406, a Director's Hearing was convened to hear the public petition submitted by 25 Chinatown and North Beach stakeholders (on file with Public Works) to revoke the Kearny Street Bridge permit, based on the ownership group's alleged violations of the terms of the permit agreement. Public Works duly held the hearing, took public comment and reviewed community exhibits on October 10, 2018.

According to Board of Supervisors Ordinance No. 31-19 – [Public Works Code – Major Encroachment Permit Revocation Hearings], *"if the Director of Public Works does not issue a final written decision resolving a petition filed under subsection (e)(2) within 180 days of the filing of the petition, then five members of the Board of Supervisors may subscribe to a notice requesting an administrative hearing regarding the permit revocation at the Board of Supervisors."*

Given that it has been four years since the permit revocation was duly noticed and held, and the Director of Public Works has still not issued a decision, the undersigned Supervisors request a hearing to resolve the Kearny Street Bridge permit issue and additional logistical next steps as outlined in the original permit agreement.

Sincerely,
