LEGISLATIVE DIGEST
(Substituted, 10/29/2024)

[Campaign and Governmental Conduct Code - Form 700 (Statement of Economic Interests) Filing Requirements]

Ordinance amending the Campaign and Governmental Conduct Code to update the Conflict of Interest Code's Form 700 (Statement of Economic Interests) filing requirements by adding, deleting, and changing titles of certain designated officials and employees to reflect organizational and staffing changes, and by refining disclosure requirements for certain designated officials and employees.

Existing Law

The Political Reform Act of 1974, California Government Code section 87300, et seq., requires that San Francisco adopt a Conflict of Interest Code and review and update the Code every two years. The City's Conflict of Interest Code is set forth in Article III, Chapter 1 of the Campaign and Governmental Conduct Code. The Code designates those City officials and employees who periodically must file public statements disclosing their personal financial interests. The Code also specifies the types of financial interests that each designated official and employee must disclose — i.e., disclosure categories — that designated officials and employees must disclose.

Amendments to Current Law

The proposed amendments to the Conflict of Interest Code add, delete, and change the titles of designated employees to reflect organizational and staffing changes made by City departments and agencies since the Code was last amended in 2022. The proposed amendments also revise the disclosure requirements applicable to some designated officials and employees. The proposed amendments amend the sections of the Conflict of Interest Code governing the following local agencies:

- Airport
- Asian Art Museum
- Assessor-Recorder
- Department of Building Inspection
- Department of Child Support Services
- Department of Children, Youth and Their Families
- Department of Police Accountability
- City Attorney
- Controller

- Office of Economic and Workforce Development
- Department of Emergency Management

- Public Works
- Recreation and Park Department

Background Information

The City's Conflict of Interest Code must list those employees and officers who make or participate in the making of governmental decisions on behalf of the City. Cal. Gov. Code §§ 87300, 87302(a).

A City employee or officer "makes a governmental decision" when the employee or officer: (1) authorizes or directs an action; (2) votes on a matter; (3) appoints a person; (4) obligates or commits his or her agency to any course of action; or (5) enters into any contractual agreement on behalf of his or her agency. Cal. Code Regs. § 18704(a). Hi Nate,

I'm attaching both a clean copy of the substitute ordinance a "draft" that highlights the following changes from the original ordinance:

- HRC:
 - Newly removed "Executive Director" because that position is duplicative of the "Department Head II" position, which remains.
 - Newly removed "Executive Director, Office of Transgender Initiatives" because that position is duplicative of the "Manager IV" position, which remains.

- Note that because “Executive Director, Office of Transgender Initiatives” is not listed in the code as it exists today, I simply deleted that position from the ordinance and so you will not see it as a change in the attached document.
- Previously added “Deputy Director III”; no change today.
- Controller:
 - Newly added “Transitional Department Head”; this is a new position within the Controller’s Office for employee Dr. Maria Su.
- Office of Small Business:
 - Previously added “Director of the San Francisco Small Business Development Center” and “Legacy Business Program Manager”; no change today.

No changes are needed to the original legislative digest. Please let me know if you have any questions or further changes.
